Extension of Substance Misuse Treatment Service Contracts

Under the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 – notice is hereby given that an Executive Key Decision is required to be taken under General Exception Urgency provisions as it is not possible to provide at least 28 clear days' notice of the decision but it is possible to give at least 5 clear days' notice of the decision.

As required under the above regulations, the Chair of the Overview and Scrutiny Committee will be notified of the above decision being taken under the General Exception Provision.

This notification will be published as soon as possible before the decision is taken, stating why the decision must be taken urgently.

Reason why it is impractical to provide 28 clear days' notice of the decision:

The subject contracts terminate on 31st December. If these contracts are allowed to lapse, there would be significant risk of a termination of drug / alcohol treatment across the borough placing a vulnerable population and the wider community at significant risk.

A re-procurement process for treatment services across the borough is being progressed but is unlikely to be completed in time and there is a need put in place interim arrangements to ensure continuity of service delivery.
