NOTES

Advance notice of Key Decisions

Key decisions are all those decisions which involve major spending, or savings, or which have a significant impact on the local community. The precise definition of a key decision adopted by Tower Hamlets is contained in Article 13.03 of the [Constitution](#). Key Decisions are taken by the Mayor, or the Mayor in Cabinet.

Individual notices of new Key Decisions will be published on the website as they are known, whilst a Forward Plan collating these decisions will be published 28 days before each Cabinet meeting. The Forward Plan will be published on the Council's website and will also be available to view at the Town Hall and Libraries, Ideas Centres and One Stop Shops if required. [The Committee pages](#) on the Council website include copies of the Forward Plan, Cabinet and other meeting dates and the publication dates of the Forward Plan.

If, due to reasons of urgency, a Key Decision has to be taken where 28 days' notice have not been given. Notice will be published (including on the website) as early as possible and Urgency Procedures as set out in the Constitution will have to be followed.

The most effective way for the public to make their views known about the issues listed in the Forward Plan is to examine the consultation column of the Forward Plan, and/or contact the report author or Cabinet Lead Member as soon as possible, and no later than 10 working days before the decision is expected to be taken.

Reports, appendices and background papers will be available on the Council's website 5 clear working days before the Cabinet meeting. For all other information or to submit documents in relation to any issue, please contact the relevant officer.
