Fire Safety & Capital Investment Works Latham House

Under the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 – notice is hereby given that an Executive Key Decision is required to be taken under Special Urgency provisions as it is not possible to provide at least 5 clear days’ notice of the decision.

As required under the above regulations, the Chair of the Overview and Scrutiny Committee has agreed to the above decision being taken under the Special Urgency Provision.

This notification will be published as soon as possible before the decision is taken.

Reason why it is impractical to provide 28 clear days’ notice of the decision:

The report missed the statutory deadline due to revisions required to ensure a more comprehensive account of both commercial and qualitative information, to advise the Mayor of the proposed procurement route to market and provide assurance that financial risk was mitigated and future commercial management was robust within the proposed contracts. The report cannot await beyond September Cabinet due the urgency of fire safety and Building Safety works being completed and the prioritisation of safety for residents. The progression and earliest commencement of the contract is a critical measure and obligation as Landlord.

Comments of the Chair of the Overview and Scrutiny Committee:

It has come to my attention that this report missed the statutory deadline due to more work need to ensure a more comprehensive account of both commercial and qualitative information. Due to the urgency of fire safety and building safety works being completed and the prioritisation of safety for residents I agree that cabinet should make a decision at today’s meeting under the Special Urgency Provision.
