1. DECLARATIONS OF INTEREST

There were no declarations of interests made.

2. RULES OF PROCEDURE

The rules of procedure were noted.

3. MINUTES OF THE PREVIOUS MEETING(S)

The minutes of the Licensing Sub-Committees held on 5th May, 9th June and 7th July 2020 were agreed.

4. ITEMS FOR CONSIDERATION

4.1 Application for a New Premises Licence for (Barber and Parlour) Soho Works Redchurch Street 64-66 Redchurch Street London E2 7DP

The Licensing Objectives

In considering the application, Members were required to consider the same in accordance with the Licensing Act 2003 (as amended), the Licensing Objectives, the Home Office Guidance and the Council's Statement of Licensing Policy and in particular to have regard to the promotion of the four licencing objectives:

1. The Prevention of Crime and Disorder;
2. Public Safety;
3. The Prevention of Public Nuisance; and
4. The Protection of Children from Harm.

Consideration

Each application must be considered on its own merits. The Chair confirmed that the Sub-Committee had carefully considered all of the evidence before them and the oral representations from the Applicant, the Applicant's Legal Representative and the Objectors present at the meeting.

The Sub-Committee noted that the premises is in a cumulative impact zone (CIZ). The cumulative impact policy creates a rebuttable presumption that where relevant representations are received by one or more of the responsible authorities and/or other persons objecting to the application, the application will be refused.

The Sub-Committee noted that, under the Council's Statement of Licensing Policy, the Applicant can rebut the above presumption if it can demonstrate exceptional circumstances and that the granting of the application would not negatively add to the cumulative issues already experienced within the CIZ.

The Sub-Committee noted the representations from Environmental Health regarding the risk of noise nuisance from the premises. It also noted residents' concerns about the existing levels of noise nuisance and anti-social behaviour, and the risk of increased noise nuisance and disturbance if the premises licence was granted.

The Sub Committee welcomed the efforts made by the Applicant in offering some robust conditions and also accepting and agreeing to conditions proposed by the Responsible Authorities and the Sub-Committee. The Sub-Committee was satisfied that a reduction in hours and the imposition of robust conditions would adequately address concerns regarding public nuisance and anti-social behaviour.

The Sub-Committee was therefore satisfied that the CIZ presumption had been rebutted as the Appellant had demonstrated that the granting of the licence would not negatively add to the cumulative issues already experienced in the area. The Sub-Committee was satisfied that there were exceptional circumstances to justify a grant of the licence as the premises was not alcohol led and would operate within the framework hours. The Sub-Committee also noted that the licence would be subject to the surrender of the existing premises licence which authorised the provision of similar licensable activities.

The Sub-Committee was satisfied that the licensing objectives would be promoted and the conditions imposed would adequately mitigate the risk of public nuisance and anti-social behaviour.

Accordingly, the Sub-Committee unanimously
