1. DECLARATIONS OF INTEREST

There were no declarations of interests made.

2. RULES OF PROCEDURE

The rules of procedure were noted.

3. ITEMS FOR CONSIDERATION**3.1 Application for a Variation of the Premise Licence for Budgens Express
287-289 Whitechapel Road London E1 1BY****The Licensing Objectives**

In considering the application, Members were required to consider the same in accordance with the Licensing Act 2003 (as amended), the Licensing Objectives, the Home Office Guidance and the Council's Statement of Licensing Policy and in particular to have regard to the promotion of the four licensing objectives:

1. The Prevention of Crime and Disorder;
2. Public Safety;
3. The Prevention of Public Nuisance; and
4. The Protection of Children from Harm.

Consideration

Each application must be considered on its own merits. The Chair confirmed that the Sub-Committee had carefully considered all of the evidence before them and heard oral representations at the meeting made by the Applicant's Licensing Representative, and in the absence of the objector Members noted and considered the written objection contained in the agenda pack, with particular regard to the prevention of public nuisance.

Members welcomed the efforts made by the Applicant in accepting and agreeing to the conditions proposed by the Metropolitan Police and also reducing the hours that had originally been applied. The conditions agreed gave Members assurance that the licensing objectives would be promoted.

Members were satisfied that the reduction in hours would also help alleviate concerns arising from the local resident objector and reduce the risk of any disturbances. and harm to children.

The Sub Committee was therefore satisfied that the granting of the variation would not negatively impact on the area and the conditions imposed would help promote the licensing conditions.

Accordingly, the Sub Committee unanimously;

RESOLVED

That the application for a Variation of the Premises Licence for Budgens Express, 287-289 Whitechapel Road, London E1 1BY be **GRANTED**.

3.2 Application for a new Premise Licence for Hoshi, 10 Toynbee Street, London E1 7NE

The Licensing Objectives

In considering the application, Members are normally required to consider the same in accordance with the Licensing Act 2003 (as amended), the Licensing Objectives, the Home Office Guidance and the Council's Statement of Licensing Policy and in particular to have regard to the promotion of the four licensing objectives:

1. The Prevention of Crime and Disorder;
2. Public Safety;
3. The Prevention of Public Nuisance; and
4. The Protection of Children from Harm

Consideration

Each application must be considered on its own merits. The Chair confirmed that the Sub-Committee had carefully considered all of the evidence before them and heard oral representations at the meeting made by the Applicant's Legal Representative and Officers representing the Licensing Authority and Environmental Health with particular regard to the prevention of public nuisance.

The Sub-Committee noted that the premises are in a cumulative impact zone (CIZ), and so, the effect of a premises subject to a licensing application being in a CIZ is that there is a rebuttable presumption that where relevant representations are received by one or more of the responsible authorities and/or other persons objecting to the application, the application will be refused.

The Sub-Committee noted that under the Council's Statement of Licensing Policy, the Applicant can rebut the above presumption if they can demonstrate that their application for a premises licence would not undermine any of the four licensing objectives by not adding to the cumulative impact of licensed premises already in the CIZ.

The Sub-Committee considered that the onus lay upon the applicant to show through their operating schedule, with appropriate supporting evidence that the operation of the premises, if licensed, would not add to the cumulative impact already being experienced.

The Sub Committee heard from the Applicant's Representative that the premises was food-led and alcohol would only be supplied ancillary to a meal. When questioned Members were satisfied that granting a premises licence for the reduced hours applied for and the nature of business the applicant intends use for and with conditions limiting the licence to a food outlet only would not negatively add to the cumulative impact zone.

The Sub-Committee noted the representations from the Licensing Authority, and Environmental Health regarding the impact of the premises on the Brick Lane Cumulative Impact Zone (CIZ) and the concerns relating to the likely disturbance to residents nearby. However it was noted that the premises was not alcohol led, the hours were within the Council's framework hours and it was a set of small premises, which with the conditions proposed by the Applicant and the Applicant's removal of on sales from the application, gave the Sub Committee the assurance that the concerns raised by the Responsible Authorities were alleviated and what the Applicant sought would not add to the cumulative impact. The Sub-Committee were satisfied that the conditions offered would also promote the licensing conditions.

Decision

Accordingly, the Sub Committee unanimously;

RESOLVED

That the application for a New Premises Licence for Hoshi, 10 Toynbee Street, London E1 7NE be **GRANTED**.

3.3 Application for a Variation of a Premises Licence for (Enso) 94 Brick Lane, London E1 6RL

The Licensing Objectives

In considering the application, Members were required to consider the same in accordance with the Licensing Act 2003 (as amended), the Licensing Objectives, the Home Office Guidance and the Council's Statement of Licensing Policy and in particular to have regard to the promotion of the four licensing objectives:

1. The Prevention of Crime and Disorder;
2. Public Safety;
3. The Prevention of Public Nuisance; and
4. The Protection of Children from Harm.

Consideration

Each application must be considered on its own merits. The Chair confirmed that the Sub-Committee had carefully considered all of the evidence before them and heard oral representations at the meeting made by the Applicants and the Officers representing the Responsible Authorities objecting to the

application, with particular regard to the prevention of crime and disorder and prevention of public nuisance.

The Sub-Committee noted that the premises are in a cumulative impact zone (CIZ), and so, the effect of a premises subject to a licensing application being in a CIZ is that there is a rebuttable presumption that where relevant representations are received by one or more of the responsible authorities and/or other persons objecting to the application, the application will be refused.

The Sub-Committee noted that under the Council's Statement of Licensing Policy, the Applicant can rebut the above presumption if they can demonstrate that their application for a premises licence would not undermine any of the four licensing objectives by not adding to the cumulative impact of licensed premises already in the CIZ.

The Sub-Committee considered that the onus lay upon the applicant to show through their operating schedule, with appropriate supporting evidence that the operation of the premises, if licensed, would not add to the cumulative impact already being experienced.

The Sub-Committee noted the representations from all four Responsible Authorities, the Licensing Authority, Environmental Health, Environmental Health and Planning regarding the impact of the premises on the Brick Lane Cumulative Impact Zone (CIZ), the length of the hours applied for and concerns relating to the previous breach of trading beyond licensing hours.

The Sub-Committee therefore considered that it had not heard enough evidence that rebutted the presumption against granting the further variation on the premises licence in relation to these premises which are within the Brick Lane CIZ. For instance, the Sub-Committee were concerned that the applicant had insufficiently addressed how there would be no addition to the cumulative impact in the particular area in relation to the prevention of crime and disorder objective. The Sub-Committee was not satisfied that the operating schedule as presented at the Sub-Committee meeting rebutted the above presumption.

The Sub Committee were therefore not satisfied that there were exceptional circumstances to justify a grant of the application, and were of the view that the applicant had failed to rebut the presumption against granting a premises licence for premises situated in a cumulative impact zone, in that the applicant lacked understanding of the CIZ and failed to demonstrate how they would not undermine any of the four licensing objectives by adding to the cumulative impact in the area.

Accordingly, the Sub Committee unanimously;

RESOLVED

That the application for a Variation of the Premises Licence for Enso Restaurant, 94 Brick Lane, London E1 6RL be **REFUSED**.
