## Licensing Sub Committee

Tuesday, 1 December 2020

5.30 p.m.

### APOLOGIES FOR ABSENCE

To receive any apologies for absence.

### 1. DECLARATIONS OF INTEREST (Pages 5 - 6)

Members are reminded to consider the categories of interest, identified in the Code of Conduct for Members to determine: whether they have an interest in any agenda item and any action they should take. For further details, see the attached note from the Monitoring Officer.

Members are also reminded to declare the nature of the interest at the earliest opportunity and the agenda item it relates to. Please note that ultimately it is the Members' responsibility to identify any interests and also update their register of interest form as required by the Code.

If in doubt as to the nature of an interest, you are advised to seek advice prior the meeting by contacting the Monitoring Officer or Democratic Services.

### 2. RULES OF PROCEDURE (Pages 7 - 16)

To note the rules of procedure which are attached for information.

#### **4. EXTENSION OF DECISION DEADLINE: LICENSING ACT 2003**

The Sub Committee may be requested to extend the decision deadline for applications to be considered at forthcoming meetings due to the volume of applications requiring a hearing. Where necessary, details will be provided at the meeting.

# Agenda Item 1

## **DECLARATIONS OF INTERESTS AT MEETINGS– NOTE FROM THE MONITORING OFFICER**

This note is for guidance only. For further details please consult the Code of Conduct for Members at Part C, Section 31 of the Council's Constitution

### **(i) Disclosable Pecuniary Interests (DPI)**

You have a DPI in any item of business on the agenda where it relates to the categories listed in **Appendix A** to this guidance. Please note that a DPI includes: (i) Your own relevant interests; (ii) Those of your spouse or civil partner; (iii) A person with whom the Member is living as husband/wife/civil partners. Other individuals, e.g. Children, siblings and flatmates do not need to be considered. Failure to disclose or register a DPI (within 28 days) is a criminal offence.

Members with a DPI, (unless granted a dispensation) must not seek to improperly influence the decision, must declare the nature of the interest and leave the meeting room (including the public gallery) during the consideration and decision on the item – unless exercising their right to address the Committee.

**DPI Dispensations and Sensitive Interests.** In certain circumstances, Members may make a request to the Monitoring Officer for a dispensation or for an interest to be treated as sensitive.

### **(ii) Non - DPI Interests that the Council has decided should be registered – (Non - DPIs)**

You will have 'Non DPI Interest' in any item on the agenda, where it relates to (i) the offer of gifts or hospitality, (with an estimated value of at least £25) (ii) Council Appointments or nominations to bodies (iii) Membership of any body exercising a function of a public nature, a charitable purpose or aimed at influencing public opinion.

Members must declare the nature of the interest, but may stay in the meeting room and participate in the consideration of the matter and vote on it **unless:**

- A reasonable person would think that your interest is so significant that it would be likely to impair your judgement of the public interest. **If so, you must withdraw and take no part in the consideration or discussion of the matter.**

### **(iii) Declarations of Interests not included in the Register of Members' Interest.**

Occasions may arise where a matter under consideration would, or would be likely to, **affect the wellbeing of you, your family, or close associate(s) more than it would anyone else living in the local area** but which is not required to be included in the Register of Members' Interests. In such matters, Members must consider the information set out in paragraph (ii) above regarding Non DPI - interests and apply the test, set out in this paragraph.

### **Guidance on Predetermination and Bias**

Member's attention is drawn to the guidance on predetermination and bias, particularly the need to consider the merits of the case with an open mind, as set out in the Planning and Licensing Codes of Conduct, (Part C, Section 34 and 35 of the Constitution). For further advice on the possibility of bias or predetermination, you are advised to seek advice prior to the meeting.

### **Section 106 of the Local Government Finance Act, 1992 - Declarations which restrict Members in Council Tax arrears, for at least a two months from voting**

In such circumstances the member may not vote on any reports and motions with respect to the matter.

**Further Advice** contact: Asmat Hussain, Corporate Director, Governance and Monitoring Officer,  
Tel: 0207 364 4800.

## **APPENDIX A: Definition of a Disclosable Pecuniary Interest**

(Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012, Reg 2 and Schedule)

Subject	Prescribed description
Employment, office, trade, profession or vacation	Any employment, office, trade, profession or vocation carried on for profit or gain.
Sponsorship	Any payment or provision of any other financial benefit (other than from the relevant authority) made or provided within the relevant period in respect of any expenses incurred by the Member in carrying out duties as a member, or towards the election expenses of the Member. This includes any payment or financial benefit from a trade union within the meaning of the Trade Union and Labour Relations (Consolidation) Act 1992.
Contracts	Any contract which is made between the relevant person (or a body in which the relevant person has a beneficial interest) and the relevant authority— (a) under which goods or services are to be provided or works are to be executed; and (b) which has not been fully discharged.
Land	Any beneficial interest in land which is within the area of the relevant authority.
Licences	Any licence (alone or jointly with others) to occupy land in the area of the relevant authority for a month or longer.
Corporate tenancies	Any tenancy where (to the Member's knowledge)— (a) the landlord is the relevant authority; and (b) the tenant is a body in which the relevant person has a beneficial interest.
Securities	Any beneficial interest in securities of a body where— (a) that body (to the Member's knowledge) has a place of business or land in the area of the relevant authority; and (b) either—  (i) the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body; or  (ii) if the share capital of that body is of more than one class, the total nominal value of the shares of any one class in which the relevant person has a beneficial interest exceeds one hundredth of the total issued share capital of that class.

## **1. Interpretation**

- 1.1 These Procedures describe the way in which hearings will be conducted under the Licensing Act 2003, as set out in the Licensing Act 2003 (Hearings) Regulations 2005 (as amended) ('the Hearings Regulations'). The Procedures take into account the Licensing Act (Premises Licences and Club Premises Certificates) Regulations 2005.
- 1.2 Except where otherwise stated, references in this Code are to the Licensing Committee and its Sub-committees and the expression 'Licensing Committee' should be interpreted accordingly.
- 1.3 The Hearings Regulations provide (Regulation 21) that a Licensing Authority shall, subject to the provisions of those Regulations, determine for itself the procedure to be followed at a hearing.
- 1.4 These Procedures, therefore, set out the way in which Licensing Committee Meetings will be conducted under the Licensing Act 2003, following the requirements of the Hearings Regulations.
- 1.5 Proceedings will not be rendered void only as the result of failure to comply with any provision of the Hearings Regulations (Regulation 31) save that in any case of such an irregularity, the Licensing Committee shall, if it considers that any person may have been prejudiced as a result of the irregularity, take such steps as it thinks fit to cure the irregularity before reaching its determination (Regulation 32).

## **2. Composition of Sub-Committee**

- 2.1 The Sub-Committee will consist of three (3) members and no business shall be transacted unless three (3) members of the Licensing Committee are present and able to form a properly constituted Licensing Sub-Committee. In such cases the Chair shall have a second or casting vote.

## **3. Procedure**

- 3.1 The hearing shall take place in public save that the Licensing Committee may exclude the public from all or part of a hearing where it considers that, on balance, it is in the public interest to do so. The parties and any person representing them may be excluded in the same way as another member of the public. Any person so excluded may, before the end of the hearing, submit to the Licensing Committee in writing, any information which, they would have been entitled to give orally had they not been required to leave. Where there are a number of items on the agenda, the adjournment of that item for a short period, whilst another item is heard, may allow this process to be carried out effectively.

- 3.2 The Chair will begin by asking the parties to identify themselves and confirm whether or not they are represented.
- 3.3 The Licensing Committee should always satisfy itself that sufficient notice of the hearing has been given to all parties and if not satisfied, then the Licensing Committee should take such steps as it thinks fit to deal with that issue before reaching its determination and this could include adjourning that application to a later date.
- 3.4 The Licensing Committee will then consider any requests by a party for any other person to be heard at the hearing in accordance with the Regulations. Permission will not be unreasonably withheld provided proper notice has been given.
- 3.5 The Chair will then explain how the proceedings will be conducted, and indicate any time limits that may apply to the parties to the application. In setting time limits, the Licensing Committee will take into account the importance of ensuring that all parties receive a fair hearing, and the importance of ensuring that all applications are determined expeditiously and without undue delay. Further the Licensing Committee must have regard to the requirement to allow each party an equal amount of time.
- 3.6 If a party considers that any time limit is not sufficient then they should address the Licensing Committee and which will determine accordingly.
- 3.7 If any party has informed the Authority that they will not be attending or be represented at the hearing or any party does not give notice that they will not be attending but fails to attend and is not represented, the Licensing Committee may proceed in their absence or adjourn the hearing if it considers it to be necessary in the public interest. An adjournment will not be considered where due to the operation of the Hearing Regulations it would not be possible to adjourn.
- 3.8 If the Licensing Committee adjourns the hearing to a specified date it must specify the date, time and place to which the hearing has been adjourned and why it is considered necessary in the public interest.
- 3.9 If the Licensing Committee holds the hearing in the absence of a party, it will consider at the hearing the application, representation or notice given by that party.
- 3.10 The Chair will invite an Officer of the Licensing Section to present the report by briefly summarising the application and the number and type of the representations as set out in the papers circulated. The Officer will also advise of any discussions held with the parties; any amendments made to the application; any representations withdrawn; and any agreed conditions that the Licensing Committee is being asked to consider. The Officer shall not give

any opinion on the application or ask the Committee to make an inference based on such an opinion.

- 3.11 Members of the Licensing Committee can then ask questions of clarification of the Licensing Officer or seek legal advice from the Legal Adviser to the Licensing Committee if they require in respect of matters raised during the presentation by the Licensing Officer.
- 3.12 The Legal Adviser to the Licensing Committee will then give any relevant legal advice that the Licensing Committee need to take into consideration.
- 3.13 The Chair will then ask the applicant or their representative, if present, to present a summary of the nature and extent of the application. This should be brief, avoid repetition of material already available to the Licensing Committee in the Officer's report or otherwise, and include any reasons why an exception should be made to the Council's Licensing Policy, where appropriate, and respond to the written representations received. The submission may be followed by the evidence of any person who has been given permission by the Committee to give supporting evidence on behalf of the applicant or who has made a representation in favour of the application.
- 3.14 The application is to be presented within the time limit that has been set.
- 3.15 Where an applicant is unrepresented and having difficulty in presenting their application then the Legal Adviser to the Licensing Committee may ask questions of the applicant so that the relevant points are addressed and clarified for the Licensing Committee.
- 3.16 Members of the Licensing Committee may ask questions of the person presenting the case after their address as well as any other person who has spoken in support of the application. Members can also ask questions of the applicant as well as any other person present for the applicant who they consider can assist.
- 3.17 The Legal Adviser to the Licensing Committee may ask questions for the purpose of clarifying points for the Licensing Committee.
- 3.18 The Chair will then ask the persons who have made representations against the application to address the Licensing Committee within the time limit that has been set. They should not repeat what is already set out in their representations or notice or raise new matters. In their address they should provide clarification on any points previously requested by the Council. The submission may be followed by the evidence of any person who has been given permission by the Committee to give supporting evidence.
- 3.19 Members of the Licensing Committee may then ask questions of the persons making representations against the application and any other person who has

spoken in support of such representation. Members can also ask questions of any other person present who they consider can assist.

- 3.20 The Legal Adviser to the Licensing Committee may ask questions for the purpose of clarifying points for the Licensing Committee.
- 3.21 Petitions will be treated as representations provided they meet the requirements for relevant representations set out in the Licensing Act 2003. Members should proceed with caution when relying upon petitions used as evidence due to the structure and wording used.
- 3.22 The Licensing Committee will disregard any information given by a party, or any other person appearing at the hearing, which is not relevant to:
  - a) their application, representation or notice; and
  - b) the promotion of the licensing objectives or the crime prevention objective where notice has been given by the police.
- 3.23 The Chair will intervene at any stage of the hearing to prevent repetitious or irrelevant points being raised.
- 3.24 Cross examination of any party or any other person allowed to appear will not be allowed unless specifically permitted by the Chair.
- 3.25 There is no right for any party to sum up but they may be permitted to do at the discretion of the Chair and within time limits prescribed by the Chair.
- 3.26 The Licensing Committee will consider its decision in private save that the Legal Adviser and Democratic Services Officer will remain with them.
- 3.27 The Licensing Committee will normally return to open session to announce its decision but in cases where the prescribed time limit allows for a later determination and it is appropriate to determine the matter within that time then the Chair will advise the parties present that the decision will not be announced then but that the determination will take place within the prescribed time limit and that written notification will be dispatched to all parties advising them of the determination.

#### **4. Exclusions**

- 4.1 In addition to any exclusion under paragraph 3.1 above, The Licensing Committee may require any person attending the hearing who in their opinion is behaving in a disruptive manner to leave the hearing and may refuse to permit the person to return; or allow them to return only on such conditions as Licensing Committee may specify.

- 4.2 Any person so excluded may, before the end of the hearing, submit to the Authority in writing, any information which, they would have been entitled to give orally had they not been required to leave.

## Guidance for Licensing Sub-Committee Meetings.

### (1) Attendance at Meetings.

All meetings of the Sub- Committee are open to the public and press to attend. On rare occasions, the Sub-Committee may retire to consider private business that will be clearly marked on the agenda as such. The press and public will be excluded for those confidential items only. We try to keep confidential reports to an absolute minimum. We request that you show courtesy to all present and please keep mobile phones on silent. Meetings can reach full capacity and seats are allocated on a first come first come served basis.

### (2) Licensing Sub-Committee Role and Membership.

In summary, the Sub - Committee will consider and determine applications to grant, vary or review a license submitted under the Licensing Act 2003 where representations have been made. The full terms of reference can be found on the Committee webpages (see below). The Licensing Sub - Committee will consist of 3 Members of the main Licensing Committee. Meetings are normally held in the Town Hall Council Chamber.

#### Licensing Sub- Committee Webpages

To view go to the Committee and Member Services web page:  
[www.towerhamlets.gov.uk/committee](http://www.towerhamlets.gov.uk/committee) - 'agenda, reports, decisions and minutes', then click on 'Licensing Sub- Committee'.

The pages include:

- Terms of Reference for the Licensing Sub -Committee.
- Meeting dates, agendas and minutes.
- Agenda timetable including agenda publication dates. (To view click 'browse meetings and agendas for this committee', then 'show agenda management timetable').

### (3) Access to Committee Papers.

The agenda for Sub - Committee meetings is published five clear (working) days before the Sub - Committee meeting on the Committee webpages (except for certain types of applications where special rules apply). All Committee papers (i.e. agendas, reports, minutes and decisions) are published on the website and also available on iPad and Android tablet apps downloadable for free from their respective app stores.

### (4) Who can speak at Licensing Sub- Committee meetings?

Only interested parties may address the Sub-Committee (those who have made a valid representation) and the applicant and their representatives. Although the Sub-Committee may allow other persons to present the interested parties evidence or to give supporting evidence. If you are planning to attend the hearing to address the committee, you are advised to contact the **Page 13** Committee Officer - see the Committee

pages and agenda front page for contact details. Speakers are advised to arrive at the start of the meeting in case the order of business is changed. Speakers will be called to speak by the Chair at the appropriate time. If speakers are not present by the time their application is heard, the Committee may consider the item in their absence.

**(5) What can be circulated?**

Should you wish to submit any material, please contact the Committee/Licensing Officer as soon as possible. The Sub-Committee may accept information at the hearing, however this is only with the agreement of all parties present.

**(6) How will the applications be considered?**

The Sub-Committee will normally consider the items in agenda order subject to the Chair’s discretion. The hearing procedure is detailed at the end of this guidance.

**(7) How can I find out about a decision?**

You can contact Democratic Services the day after the meeting to find out the decisions.

**(8) Queries on reports.**

For any questions, please contact the Officer named on the front of the report.

## LICENSING SUB COMMITTEE HEARING PROCEDURE

All interested parties to the hearing must notify Democratic Services within prescribed timescales that they intend to attend and/or be represented at the hearing and whether any witnesses will be attending on their behalf. The meeting will be in the form of a discussion led by the Sub Committee, cross examination of either party will not be permitted.

The Chair will allocate an equal amount of speaking time to each party. Where there is more than one representation raising the same or similar grounds, those parties should consider nominating a single representative to address the Sub-Committee on their behalf at the hearing.

The hearing will proceed as follows (subject to the discretion of the Chair).

1. Chair will introduce him/herself and ask Members, officers, and all interested parties present at the meeting to introduce themselves.
2. Licensing Officer to present the report.
3. Committee Members to ask questions of officer (if any).
4. The Applicant to present their case in support of their application (including any witnesses they may have).
5. Committee Members to ask questions of applicants and their witnesses or ask for points of clarification.
6. The relevant Responsible Authorities in attendance will present their case and their reasons for representation (including any witnesses they may have).
7. The Objectors/Interested Parties in attendance will present their case and their reasons for objecting (including any witnesses they may have).
8. Committee Members to ask questions of Responsible Authorities, objectors and their witnesses or ask for points of clarification.
9. Applicant (with exception and with permission of the Chair) can ask questions of the other parties to the hearing and their witnesses.
10. Interested Parties to the hearing (with exception and with the permission of the Chair) can ask questions of the applicant/other parties to the hearing and their witnesses.
11. Chair's closing remarks
12. Sub-Committee retire from the meeting with the Committee Officer and Legal Officer and consider their decision.
13. The Sub-Committee will return to the meeting and Chair announces the decision together with the reasons for the decision and any right to appeal.
14. A Decision letter will be sent to all interested parties confirming the decision made.

### 3.0 **Background**

3.1 This is an application for a premises licence for **(Shop) 36 Toynbee Street, London E1 7NE.**

3.2 The applicant has described the premises as:  
*“At the moment the premises is totally empty and in need of cosmetic decorating. Once done, the appropriate shelving, re Fridgeration and safety counter will be installed ”.*

3.3 A copy of the premises licence application form is enclosed as **Appendix 1.**

3.4 The licensable activities and timings that have been applied for are as follows:

#### **The sale by retail of alcohol (off sales only)**

- Monday to Saturday, from 10:00 hrs to 22:00 hrs
- Sunday, from 12:00 hrs to 18:00 hrs

#### **The opening hours of the premises**

- The applicant has not stated the opening hours so it is assumed to be the same as above.

### 4.0 **Location and Nature of the premises**

4.1 The site plan of the venue is included as **Appendix 2.**

4.2 Maps showing the vicinity and photographs are included as **Appendix 3.**

4.3 Details of the nearest licensed venues are included as **Appendix 4.**

### 5.0 **Licensing Policy and Government Advice**

5.1 The Council has adopted a licensing policy and this is available from the Licensing Section, and at the hearing. The revised policy came into effect on the 1<sup>st</sup> November 2018.

5.2 Relevant Sections of the policy are brought to the attention of Members within the Licensing Officers report.

5.3 The Home Secretary has issued Guidance under Section 182 of the Licensing Act 2003. This is available on the Government’s website, [www.homeoffice.gov.uk](http://www.homeoffice.gov.uk). It was last revised in April 2018.

5.4 Relevant Sections of this advice are brought to Members attention within the Licensing Officers report. Members should note however, than in some areas Tower Hamlets, after a proper consideration of local circumstances, has not followed the Government’s advice, or has developed it further.

## 6.0 Representations

6.1 This hearing is required by the Licensing Act 2003, because relevant representations have been made by the the following:

- Licensing Authority acting as a Responsible Authority (See **Appendix 5**).
- Environmental Health Noise Team (See **Appendix 6**).

6.2 All of the responsible authorities have been consulted about this application. They are as follows:

- The Licensing Authority
- The Metropolitan Police
- London Fire Brigade.
- Planning Department
- Health and Safety
- Environmental Health Noise Team
- Trading Standards
- Child Protection
- Public Health
- Home Secretary (Home Office Immigration Enforcement)

6.3 In addition the application was required to be advertised in a local newspaper and by a blue poster. Only representations that relate to the following licensing objectives are relevant:

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance
- the protection of children from harm

6.4 Essentially, the relevant parties oppose the application because in their opinion, the applicant has not explained how within the context of the application they will meet the licensing objectives of the prevention of public nuisance and the prevention of crime and disorder.

6.5 There are strict time limits to any representations. The time limits are contained in The Licensing Act 2003 (Premises licences and club premises certificates) Regulations 2005.

6.6 The applicant has offered measures in the operating schedule of the application that address the promotion of the Licensing Objectives. If there were no representations, the Licensing Authority would grant the licence, with conditions consistent with the operating schedule, which are relevant, proportionate and enforceable. Members are asked to consider the schedule and incorporate any conditions as necessary to address the licensing objectives.

**7.0 Conditions consistent with Operating Schedule (as offered by the applicant)**

- 7.1 *CCTV is installed in the premises and is maintained fully including recording, CCTV is operated fully during operational times.*

Licensing Officer recommends the following rewording:

*The premises shall install and maintain a comprehensive CCTV system as per the minimum requirements of the Tower Hamlets Police Licensing Team. All entry and exit points will be covered enabling frontal identification of every person entering in any light condition. The CCTV system shall continually record whilst the premises is open for licensable activities and during all times when customers remain on the premises. All recordings shall be stored for a minimum period of 31 days with date and time stamping. Viewing of recordings shall be made available immediately upon the request of Police or authorised officer throughout the entire 31 day period.*

- 7.2 *No children under the age of 18 will be permitted entry unaccompanied by an adult.*

- 7.3 *Proof of age where necessary will be required.*

Licensing Officer recommends the following rewording:

*A Challenge 25 proof of age scheme shall be operated at the premises where the only acceptable forms of identification are recognised photographic identification cards, such as a driving licence, passport or proof of age card with the PASS Hologram.*

**8.0 Conditions in consultation with the Responsible Authorities**

None

**9.0 Licensing Officer Comments**

- 9.1 The Business & Planning Act 2020 came into force on Wednesday 22nd July 2020 and provides a temporary permission for businesses that have a premises licence that permits them to sell alcohol in regards to the ability to sell alcohol as an off sale, i.e. for consumption off the premises. The permission will end on 30th September 2021 unless the legislation is changed by the Secretary of State.

It will only apply to businesses that hold a Premises Licence up to 22nd July 2020 and that in the last 3 years preceding 22 July 2020 those licences have NOT:

- had a premises licence application where permission for off sales was refused;

- had a variation of a premises licence seeking permission for off sales refused
- had a variation seeking to exclude off sales permission granted
- had a premises licence varied or modified by a review hearing to exclude off sales.

The new off-sales permission will permit off-sales to be made at a time when the licensed premises are open for the purposes of selling alcohol for consumption on the premises, subject to a cut off time of 11pm or the cut off time of the current licensed hours stated on the licence, whichever is earlier. Measures also temporarily suspend existing licence conditions in so far as they are inconsistent with the new off-sales permission. Further Guidance on this can be found at <https://www.gov.uk/government/publications/guidance-for-temporary-alcohol-licensing-provisions-in-the-business-and-planning-bill>

9.2 The Live Music Act removed licensing requirements for the following:

- amplified live music and recorded music between 8am and 11pm before audiences of no more than 500 people on premises authorised to sell alcohol for consumption on the premises;
- unamplified live music between 8am and 11pm in all venues.
- Further exemptions apply see Section 16.5-16.6 of Section 182 Guidance.

9.3 The following is intended simply to advise Members of the relevant aspects of the Boroughs Licensing Policy, guidance from the Secretary of State, legislation and good practice. Members may depart from the Council's Licensing Policy and/or Government advice, provide they consider it appropriate to do so, and have clear reasons for their decision.

9.4 Guidance issued under section 182 of the Licensing Act 2003

- ❖ As stated in the guidance it is “provided to licensing authorities in relation to the carrying out of their functions under the 2003 Act.” It is a key medium for promoting best practice, ensuring consistent application and promoting fairness equal treatment and proportionality (1.7).

- ❖ Also “as long as licensing authorities have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons. Departure from this Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness and merits of any decision taken.” Therefore licensing authorities will need to give full reasons for their actions (1.9).
- ❖ Also Members should note “A Licensing Authority may depart from its own policy if the individual circumstances of any case merit such a decision in the interests of the promotion of the licensing objectives.” (1.12)
- ❖ Also, “The licensing authority may not impose any conditions unless its discretion has been exercised following receipt of relevant representations and it is satisfied as a result of a hearing (unless all parties agree a hearing is not necessary) that it is appropriate to impose conditions to promote one or more of the four licensing objectives.” Therefore, conditions may not be imposed for the purpose other than promoting the licensing objectives and in some cases no additional conditions will be appropriate. (10.8)
- ❖ Necessary conditions should emerge from a risk assessment by the applicant, which should then be reflected in the operating schedule (10.4).
- ❖ The Guidance states: “Where there are objections to an application to extend the hours during which licensable activities are to be carried on and the licensing authority determines that this would undermine the licensing objectives, it may reject the application or grant it with appropriate conditions and/or different hours from those requested.” (10.14)
- ❖ Mandatory conditions must be imposed (10.25) and censorship avoided (10.17).
- ❖ The Guidance states: “It is still permitted to sell alcohol using promotions (as long as they are compatible with any other licensing condition that may be in force), and the relevant person should ensure that the price of the alcohol is not less than the permitted price. Detailed guidance on the use of promotions is given in the guidance document available on the Gov.uk website.” (10.58) Also, “Licensing authorities should not attach standardised blanket conditions promoting fixed prices for alcoholic drinks to premises licences or club licences or club premises certificates in an area.” (10.21)

9.5 The Licensing Act 2003 permits children of any age to be on the premises which primarily sells alcohol providing they are accompanied by an adult. It is not necessary to make this a condition.

- 9.6 In all cases the Members should make their decision on the civil burden of proof, that is “the balance of probability.”
- 9.7 In all cases Members should consider whether or not primary legislation is the appropriate method of regulation and should only consider licence conditions when the circumstances in their view are not already adequately covered elsewhere.
- 9.8 The Government has advised that conditions must be tailored to the individual type, location and characteristics of the premises and events concerned. Conditions cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder and their staff and standardised conditions should be avoided where they cannot be shown to be appropriate. (1.16/1.17)
- 9.9 The Council’s Licensing Policy generally expects applicants to address the licensing objectives and discuss how to do this with the relevant responsible authorities.
- 9.10 In **Appendices 7 - 13** Members are given general advice, and also have explanations of the Council’s Licensing Policy, Government advice and other legislation relating to the matters previously identified.

#### 10.0 **Legal Comments**

- 10.1 The Council’s legal officer will give advice at the hearing.

#### 11.0 **Finance Comments**

- 11.1 There are no financial implications in this report.

London Borough of Tower Hamlets  
Licensing Section  
John Onslow House  
1 Ewart Place  
London E3 5EG.

Emmanuel Anthony Xuereb

4<sup>th</sup> September 2020.

Dear Sir / Madam

I have enclosed the application to apply for a Premises Licence for the property at  
36 Toynbee Street,  
London E1 7NE.

I am waiting to complete on the leasehold, subject to being granted the premises licence.  
Currently the shop is empty, I hope to be able to start a business here which will offer food and  
drink to the local community, and I will be looking to employing a couple of local residents on a  
part time basis.

I have completed the application to the best of my ability.  
If I have omitted any information, please let me know.

I have called the Docklands & East London Advertiser regarding placing the required notice, and as  
I understand the protocol, I need to wait for your go ahead before I submit the notice.

Also I have filled in Blue Notice to put onto the property, which I will be doing as from Monday 7<sup>th</sup>  
September for a period of 28 days.

I have telephoned your offices and I have the details for other notices I need to send off to.

I will be calling your offices today to make the required payment £190.00 for this application.

If I have missed anything, please either call me, or email me.

Yours sincerely,

Emmanuel Anthony Xuereb.

This form should be completed and forwarded to: Licensing Section, John Onslow House, 1 Ewart Place, London E3 5EQ with a cheque for the correct fee, made payable to the London Borough of Tower Hamlets. You can also pay by phoning 020 7364 5008 or on-line: <http://www.towerhamlets.gov.uk/pay>

**Application for a premises licence to be granted under the Licensing Act 2003**

**Notes for Guidance**

1. Describe the premises, for example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.
2. In terms of specific regulated entertainments please note that:
  - Plays: no licence is required for performances between 08:00 and 23.00 on any day, provided that the audience does not exceed 500.
  - Films: no licence is required for 'not-for-profit' film exhibition held in community premises between 08.00 and 23.00 on any day provided that the audience does not exceed 500 and the organiser (a) gets consent to the screening from a person who is responsible for the premises; and (b) ensures that each such screening abides by age classification ratings.
  - Indoor sporting events: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000.
  - Boxing or Wrestling Entertainment: no licence is required for a contest, exhibition or display of Greco-Roman wrestling, or freestyle wrestling between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000. Combined fighting sports – defined as a contest, exhibition or display which combines boxing or wrestling with one or more martial arts – are licensable as a boxing or wrestling entertainment rather than an indoor sporting event.

Dear Sir/Madam,

### Licensing Act 2003

#### New Premises- Licence Application for 36 Toynbee Street London E1 7NE

The Licensing Authority (acting a Responsible Authority) is making a representation against the above application on the grounds of:

- ***the prevention of public nuisance***

#### Cumulative Impact Policy

On 1<sup>st</sup> November 2013, Tower Hamlets Council adopted a Cumulative Impact Policy in the Brick Lane Area. The Council Cumulative Impact Zone (CIZ) was revised alongside this Statement of Licensing Policy on the 1<sup>st</sup> November 2018. *Local crime mapping showed that although there had been a reduction in crime and disorder linked to licensed premises within the CIZ since January 2015, the same crime mapping showed that the area of the CIZ is still higher than average in regards to crimes and disorder linked to licensed premises compared to the rest of the borough (19.3).*

The Licensing Authority is of the view that the number, type and density of premises selling alcohol for consumption on and off the premises and/or the provision of late night refreshment in the Bethnal Green area is having a

cumulative impact on the licensing objectives and has therefore declared a cumulative impact zone within the area. The Bethnal Green CIZ aims to manage the negative cumulative impact of the concentration of licensed premises in the area and the stresses that the saturation of licensed premises has had on local amenity, environmental degradation and emergency and regulatory services in managing this impact.

*The effect of this Special Cumulative Impact Policy will affect applications in respect of the sale or supply of alcohol on or off the premises and/or late-Night Refreshment for the following:*

- *New Premises Licences applications,*
- *New Club Premises Certificates applications*
- *Provisional Statements,*
- *Variation of Premises Licenses and Club Premises Certificate applications (where the modifications are relevant to the issue of cumulative impact for example increases in hours or capacity).*

*The Licensing Authority expects such applications to have regard for and make reference to the CIZ (19.5).*

*The Special Cumulative Impact policy creates a rebuttable presumption that where relevant representations are received by one or more of the responsible authorities and/or other persons against applications within the CIZ zones the application will be refused (19.6).*

*Where representations have been received in respect to applications within the CIZ zones, the onus is on applicants to adequately rebut the presumption. Applicants will need to demonstrate in their applications why the granting of their application will not negatively add to the cumulative already experience within the CIZ Zones. Applicants may wish to address the following in their applications:*

- *Genuinely exceptional circumstances,*
- *Relevant good practices they employ (for example, this could include details of membership of local Pubwatch/other trade groups,*
- *Accreditation of Award Schemes (as applicable), and any participation in Police/Council initiatives),*
- *Other good operational/practice arrangements in respect of any outside drinking and smoking to control potential impact in the area,*
- *Measures used to promote the licensing objectives (for example, any relevant conditions to control noise, dispersal, litter and other anti-social issues (19.7)*

***This Policy will be strictly applied and where relevant representations are received it is the view of the Council that the application will be refused. Applicants will need to demonstrate that there are exceptional circumstances and that granting their application will not negatively add to***

***the cumulative effect on the Licensing Objectives within the Brick Lane and Bethnal Green CIZ if they wish to rebut this presumption.***

*Examples of factors the Licensing Authority may consider as exceptional may include, though are not limited to:*

- *small premises with a capacity of fifty persons or less who only intend to operate during Framework Hours,*
- *premises which are not alcohol led and operate only within Framework Hours, such as coffee shops,*
- *instances where the applicant has recently surrendered a licence for another premises of a similar size and providing similar licensable activities in the same Special Policy Area.*

*Examples of factors the Licensing Authority will **not** consider as exceptional include:*

- *that the premises will be well managed and run,*
- *that the premises will be constructed to a high standard,*
- *that the applicant operates similar premises elsewhere without complaint (19.8).*

Licensable activities and times

The applicant has applied for the following licensable activities and hours:

**The Supply of Alcohol (Off sales only)**

- **Monday – Saturday from 10:00 hours to 22:00 hours**
- **Sunday – From 12:00 hours - 18:00 hours**

On a balance of probability, this Authority is concerned by the addition of another premise providing “licensable activities”, potentially adding to the existing anti-social issues in the area.

The Home Office guidance under Section 182 of the Licensing Act 2003 (8.42) says:

*“Applicants are, in particular, expected to obtain sufficient information to enable them to demonstrate, when setting out the steps they propose to take to promote the licensing objectives, that they understand:*

- *the layout of the local area and physical environment including crime and disorder hotspots, proximity to residential premises and proximity to areas where children may congregate;*
- *any risk posed to the local area by the applicants’ proposed licensable activities; and*

- *any local initiatives (for example, local crime reduction initiatives or voluntary schemes including local taxi-marshalling schemes, street pastors and other schemes) which may help to mitigate potential risks.”*

The applicant has provided no information in the Operating Schedule to address the CIZ particularly the impact that the off sales of alcohol will have within the CIZ.

Great consideration has been given to the fact that the premise is in the Brick Lane Cumulative Impact Zone and it has been noted that the applicant has not provided any supporting information to show that the licensing objectives will be upheld with regards to public nuisance.

It is important to note that when applying for a licence in a CIZ area, applicants need to demonstrate that the granting of their application will not negatively add to the cumulative effect and undermine the licensing objectives.

On considering this application as it stands, I feel it does not uphold the following licensing objective of 'prevention of public nuisance' therefore the Licensing Authority feels that the application should be rejected.

Yours faithfully,

**Licensing Officer  
(Acting as a Responsible Authority)**

**Subject:** 131133 - New premise license application for Shop 36 Toynbee Street London

Dear Licensing,

I have considered the new premise licence application for Shop 36 Toynbee Street, London and the potential impact of public nuisance and measures to prevent noise generated from within the premises or outside it which could cause disturbance to people in the vicinity, and consideration has to be given to the fact that the premises is in Brick Lane Cumulative Impact Zone.

Also, there is insufficient information in the operating schedule of the licence application to show how the applicant will promote the licensing objective for the prevention of public nuisance.

**Noise Sensitive premises:** residential premises in close proximity 36 Toynbee Street, London.

In my view the application, as it stands fails, to comply with the objective of the Licensing Act 2003 relating to "public nuisance" for the following reasons:-

- Noise breakout from the venue affecting neighbouring residents,
- Access & egress to and from the venue, of patrons, especially due to patrons likely to be in high spirits; and

### **CONCLUSION**

Environmental Protection **does not** support the application for Shop, 36Toynbee Street, London as the applicant have not provided sufficient information to show how they will promote the licensing objective for the prevention of public nuisance, with particular regard to the fact that the premises is in Brick Lane cumulative impact zone.

Kind regards

**Nicola Cadzow**

## **Noise while the premise is in use**

### General Advice

If they conclude this is a problem Members should consider whether it is possible to carry out suitable and proportionate noise control measures so that noise leakage is prevented. In addition Members may consider that only certain activities are suitable.

The hours of operation also need to be considered (see below).  
If Members believe that there is a substantial problem of noise while the premises are in use and it cannot be proportionately address by licensing conditions they should refuse the application.

### Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. (**See Sections 9.1 of the Licensing Policy**). While all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. (**See Section 14.10**).

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. (**See Section 9.2 of the Licensing Policy**).

The Licensing Authority will consider attaching conditions to prevent nuisance. In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a "beer garden", or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly
- Conditions controlling the use of explosives, pyrotechnics and fireworks
- Conditions controlling the placing of refuse
- Conditions controlling noxious smells
- Conditions controlling lighting (this needs to be balanced against potential crime prevention benefits)

### Police Powers

Part 8 of the Licensing Act 2003 enables a senior police officer to close down a premises for up to 24 hrs where public nuisance is being caused by noise coming from the premises and the closure of the premises is necessary to prevent that nuisance.

### Guidance Issued under Section 182 of the Licensing Act 2003

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community (2.15).

Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.19) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder.

### Other Legislation

The Environmental Protection Act 1990, Part 111 gives Environmental Health Officers the power to deal with statutory nuisances.

The Anti-social Behaviour Act 2003, Sections 40 and 41 give Environmental Health Officers the power of closure up to 24 hours in certain circumstances.

# Appendix 8

## Access and Egress Problems

Such as:

Disturbance from patrons arriving/leaving the premises on foot

Disturbance from patrons arriving/leaving the premises by car

Lack of adequate car parking facilities

Close proximity to residential properties

### Comment

The above have been grouped together as egress problems. Of course the particular facts will be different for each alleged problem.

Egress only is referred to-if necessary access can be added or substituted in.

### General Advice

In considering concerns relating to disturbance from egress, Members need to be satisfied that the premises under consideration has been identified as the source of the actual or potential disturbance. If they are satisfied that this is a problem, then proportionate conditions should be considered.

The hours of operation also need to be considered.

If Members believe that there is a substantial problem concerning egress and it cannot be proportionately addressed by licensing conditions, they should refuse the application.

### Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. (**See Section 10 of the Licensing Policy**).

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. (**See Section 10.2 of the Licensing Policy**).

The policy also recognises that staggered closing can help prevent problems at closure time (**See Section 15.1**).

However, while all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. (**See Section 15.5**)

The Council has adopted a set of framework hours (**See 15.8 of the licensing policy**). This relates to potential disturbance caused by late night trading.

The Licensing Authority will consider attaching conditions to prevent nuisance and these may include Conditions drawn from the Model Pool of Conditions relating to the prevention of Public Nuisance. (**See Annex G of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a “beer garden”, or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly

#### Guidance Issued under Section 182 of the Licensing Act 2003

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community. (2.15).

Licence conditions should not duplicate other legislation (1.16).

Any conditions should be tailored to the type, nature and characteristics of the specific premises. Licensing authorities should be aware of the need to avoid inappropriate or disproportionate measures that could deter events that are valuable to the community, such as live music. Noise limiters, for example, are very expensive to purchase and install and are likely to be a considerable burden for smaller venues. (2.19)

Measures can include ensuring the safe departure of customers, these can include:

- Providing information on the premises of local taxi companies who can provide safe transportation home; and
- Ensuring adequate lighting outside the premises, particularly on paths leading to and from the premises and in car parks

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.19) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder.

# Appendix 9

## Anti-Social Behaviour on the Premises

### Licensing Policy

The Licensing Authority expects the applicant to have addressed all crime and disorder issues relating to the premises in their operating schedule and to have sought appropriate advice. (**See Section 6 of the Licensing Policy**)

The Licensing Authority will consider attaching conditions to deter crime and disorder and these may include conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. (**See Appendix 3 of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- Methods of management communication
- Use of registered Door Supervisors
- Bottle Bans
- Plastic containers
- CCTV
- Restrictions on open containers for “off sales”
- Restrictions on drinking areas
- Capacity
- Proof of Age scheme
- Crime prevention notices
- Drinks promotions-aimed at stopping irresponsible promotions
- Signage
- Seating plans
- Capacity

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application.

### Police Powers

The Licensing Act 2003, Part 8 gives a senior police officer the power to close a premises for up to 24 hours where the officer believes there is, or is likely to be disorder on or in the vicinity and closure is necessary in the interests of public safety.

### Guidance Issued under Section 182 of the Licensing Act 2003

The pool of conditions, adopted by the Council is recommended (Annexe D).

The key role of the Police and SIA is acknowledged (2.1-2.2).

Conditions attached to licences cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder

and their staff or agents, but can directly impact on the behaviour of customers in the immediate vicinity of the premises as they seek entry or leave (1.16).

Conditions are best targeted on deterrence and preventing crime and disorder (2.3) communication, CCTV, police liaison, no glasses, capacity limits are all relevant (2.3 - 2.6).

The Guidance recognises working with Home Office Immigration Enforcement in the prevention of immigration crime. Licence conditions that are considered appropriate for the prevention of illegal working in licensed premises might include requiring a premises licence holder to undertake right to work checks on all staff employed at the licensed premises or requiring that a copy of any document checked as part of a right to work check are retained at the licensed premises.

#### Guidance Issued under Section 182 of the Licensing Act 2003

Conditions can be imposed for large capacity “vertical consumption” premises (10.23 – 10.24).

#### Guidance Issued by the Office of Fair Trading

This relates to attempts to control minimum prices.

#### Other Legislation

- The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder

# Appendix 10

## **Anti-Social Behaviour from Patrons Leaving the Premises**

### General Advice

Members need to bear in mind that once patrons have left a premises they are no longer under direct control. Members will need to be satisfied that there is a link between the way the premises is operating and the behaviour that is complained of. An example of this would be that irresponsible drinking is being encouraged. Before deciding that any particular licensing conditions are proportionate, Members will also need to be satisfied that other legislation is not a more effective route. For example, if the problem is drinking in the street it may be that the Council should designate the area as a place where alcohol cannot be consumed in public.

Members may also wish to consider whether the hours of opening relate to any problems of anti-social behaviour.

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application.

### Licensing Policy

The policy recognises that other legislation or measures may be more appropriate but also states that licensing laws are “a key aspect of such control and will always be part of an overall approach to the management of the evening and night time economy” (**see Section 4.15 and 4.16 of the Licensing Policy**).

The Licensing Authority expects the applicant to have addressed all crime and disorder issues relating to the premises in their operating schedule and to have sought appropriate advice. (**See Sections 6.2 of the Licensing Policy**)

The Licensing Authority will consider attaching conditions to deter crime and disorder and these may include Conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. (**See Appendix 3 of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- Bottle Bans
- Plastic containers
- CCTV (outside the premises)
- Restrictions on open containers for “off sales”
- Proof of Age scheme
- Crime prevention notices
- Drinks promotions-aimed at stopping irresponsible promotions
- Signage

## Cumulative Impact

There is a process by which the Licensing Authority can determine that an area is saturated following representations. However, the process for this involves wide consultation and cannot come from representations about a particular application. (**See Section 8 of the Licensing Policy**).

## Police Powers

The Licensing Act 2003, Part 8 gives a senior police officer the power to close a premises for up to 24 hours where the officer believes there is, or is likely to be disorder on or in the vicinity and closure is necessary in the interests of public.

## Guidance Issued under Section 182 of the Licensing Act 2003

The key role of the Police is acknowledged (2.1).

Conditions attached to licences cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder, but can relate to the immediate vicinity of the premises as they seek entry or leave (1.16).

Conditions are best targeted on deterrence and preventing crime and disorder (2.3) CCTV inside & out, communication, police liaison, no glasses are all relevant

There is also guidance issued around public nuisance (2.15 – 2.21).

The pool of conditions, adopted by the Council is recommended (see Appendix 3 of the Licensing Policy). Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder (2.18/2.21).

Licensing law is not the primary mechanism for the general control of nuisance and anti-social behaviour by individuals once they are away from the licensed premises and, therefore, beyond the direct control of the individual, club or business holding the licence, certificate or authorisation concerned (14.13).

## Other Legislation

### Crime and Disorder Act 1998

The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder.

The Act also introduced a wide range of measures designed to address anti-social behaviour committed by adults and young people. These include:

- Anti-Social Behaviour Orders
- Child Curfew Schemes
- Truancy
- Parenting Orders
- Reparation Orders
- Tackling Racism

# Appendix 11

## **Planning**

An application for a Premises Licence can be made in respect of a premises even where the premises does not have relevant Planning Permission. That application has to be considered and Members can only refuse the application where the application itself does not promote one of more of the Licensing Objectives. Members cannot refuse just because there is no planning permission. Where a Premises Licence is granted and which exceeds what is allowed by the Planning Permission and that Premises then operates in breach of planning then the operator would be liable to enforcement by Planning.

# Appendix 12

## **Licensing Policy Relating to Hours of Trading**

All applications have to be considered on their own merits.

The Council has however adopted a set of framework hours as follows:

- Monday to Thursday, from 06:00 hrs to 23:30 hrs
- Friday and Saturday, from 06:00 hrs to 00:00 hrs (midnight)
- Sunday, from 06:00 hrs to 22:30 hrs

(see 14.8 of the Licensing Policy)

In considering the applicability of framework hours to any particular application regard should be had to the following

- Location
- Proposed hours of regulated activities, and the proposed hours the premises are open to the public
- The adequacy of the applicant's proposals to deal with issues of crime and disorder and public nuisance
- Previous history
- Access to public transport
- Proximity to other licensed premises, and their hours

(See 14.9 of the licensing policy)

Subject to any representations to the contrary in individual cases the following premises are not generally considered to contribute to late night anti-social behaviour and will therefore generally have greater freedom

- Theatres
- Cinemas
- Premises with club premises certificates

# Appendix 13

### **Special Cumulative Impact Policy for the Brick Lane and Bethnal Green Area**

- 19.1 As with many other London Borough's the majority of late night licensed premises are concentrated within one area of the Borough. Following guidance issued under the Licensing Act 2003 a cumulative impact policy for the Brick Lane area was adopted on 18th September 2013 by the Council and came into effect on the 1st November 2013.
- 19.2 After consultation the Council recognised that because of the number and density of licensed premises selling alcohol, on and off the premises and the provision of late night refreshment (sale of hot food after 11pm) within the Brick Lane Area as defined in Figure One, there might be exceptional problems of nuisance, disturbance and/or disorder outside or away from those licensed premises as a result of their combined effect.
- 19.3 The Council Cumulative Impact Zone (CIZ) was reviewed alongside this Statement of Licensing Policy by the Licensing Committee on 14<sup>th</sup> December 2017. Following this review and consultation in early 2018 the Council has decided to keep the Cumulative Impact Zone (CIZ). Local crime mapping showed that although there had been a reduction in crime and disorder linked to licensed premises within the CIZ since January 2015, the same crime mapping showed that the area of the CIZ is still higher than average in regards to crimes and disorder linked to licensed premises compared to the rest of the borough.

Further to the CIZ in the Brick Lane Area shown in Figure One below, data from 999/101 calls to Police in 2016/17 showed a large number of incidents linked to licensed premises within the area shown in Figure Two below (Bethnal Green Area). In light of this evidence and following consultation mentioned above the Council has decided to adopt a second CIZ in the Bethnal Green Area.

- 19.4 The Licensing Authority is of the view that the number, type and density of premises selling alcohol for consumption on and off the premises and/or the provision of late night refreshment in the area highlighted in Figures One and Two is having a cumulative impact on the licensing objectives and has therefore declared a cumulative impact zone within these areas. The Brick Lane and Bethnal Green CIZ aims to manage the negative cumulative impact of the concentration of licensed premises in these areas and the stresses that the saturation of licensed premises has had on local amenity, environmental degradation and emergency and regulatory services in managing this impact.
- 19.5 The effect of this Special Cumulative Impact Policy will affect applications in respect of the sale or supply of alcohol on or off the premises and/or late Night Refreshment for the following:

- New Premises Licences applications,
- New Club Premises Certificates applications
- Provisional Statements,
- Variation of Premises Licences and Club Premises Certificate applications (where the modifications are relevant to the issue of cumulative impact for example increases in hours or capacity).

The Licensing Authority expects such applications to have regard for and make reference to the CIZ.

19.6 The Special Cumulative Impact policy creates a rebuttable presumption that where relevant representations are received by one or more of the responsible authorities and/or other persons against applications within the CIZ zones the application will be refused.

19.7 Where representations have been received in respect to applications within the CIZ zones the onus is on applicants to adequately rebut the presumption. Applicants will need to demonstrate in their applications why the granting of their application will not negatively add to the cumulative already experience within the CIZ Zones. Applicants may wish to address the following in their applications:

- Genuinely exceptional circumstances,
- Relevant good practices they employ (for example, this could include details of membership of local Pubwatch/other trade groups,
- Accreditation of Award Schemes (as applicable), and any participation in Police/Council initiatives),
- Other good operational/practice arrangements in respect of any outside drinking and smoking to control potential impact in the area,
- Measures used to promote the licensing objectives (for example, any relevant conditions to control noise, dispersal, litter and other anti-social issues).

19.8 **This Policy will be strictly applied and where relevant representations are received it is the view of the Council that the application will be refused. Applicants will need to demonstrate that there are exceptional circumstances and that granting their application will not negatively add to the cumulative effect on the Licensing Objectives within the Brick Lane and Bethnal Green CIZ if they wish to rebut this presumption.**

Examples of factors the Licensing Authority may consider as exceptional may include, though are not limited to:

- small premises with a capacity of fifty persons or less who only intend to operate during Framework Hours,
- premises which are not alcohol led and operate only within Framework Hours, such as coffee shops,

- instances where the applicant has recently surrendered a licence for another premises of a similar size and providing similar licensable activities in the same Special Policy Area.

Examples of factors the Licensing Authority will **not** consider as exceptional include:

- that the premises will be well managed and run,
- that the premises will be constructed to a high standard,
- that the applicant operates similar premises elsewhere without complaint.

19.9 The Special Cumulative Impact policy will not be used to revoke an existing licence or certificate and will not be applicable during the review of existing licences.

### 3.0 Review Application

- 3.1 This is an application for a review of the premise licence for the Queens Head Public House, 8 Flamborough Street, London E14 7LS. The review was triggered by the Environmental Health noise team.
- 3.2 A copy of the review application is attached in **Appendix 1**.
- 3.3 Additional evidence provided by Environmental Health is in **Appendix 2**.

### 4.0 The Premises

- 4.1 The premises licence was issued on 29<sup>th</sup> September 2005. The current licence holder is Steven Fairman who has been the licence holder since 14<sup>th</sup> January 2020. The Designated Premises Supervisor, also Steven Fairman, has been in place since 8<sup>th</sup> May 2019. A copy of the current licence is contained in **Appendix 3**.
- 4.2 On 22<sup>nd</sup> January 2019 the Licensing Authority triggered a review which was brought in front of the Licensing Sub Committee on 2<sup>nd</sup> April 2019. The DPS at the time was removed and several conditions were imposed. Full details of the premises' recent history can be found in the representation made by the Licensing Authority in **Appendix 5**.
- 4.3 Maps showing the premises and surrounding area are included in **Appendix 4**.

### 5.0 Representations

- 5.1 This hearing is required by the Licensing Act 2003, because a review has been triggered by Environmental Health.
- 5.2 The review is further supported by the following Responsible Authorities  
Licensing Authority – **Appendix 5**  
Police – **Appendix 6**.
- 5.3 The review has also received representations from local residents in support of the Review. See below representations:

Amanda Luscombe	<b>Appendix 7</b>
Cynthia Grant	<b>Appendix 8</b>
Christopher Ody	<b>Appendix 9</b>
David Richards	<b>Appendix 10</b>
Diana Warren	<b>Appendix 11</b>

Mike Askew	<b>Appendix 15</b>
Maria Graydon	<b>Appendix 16</b>

Mandy Loveday	<b>Appendix 17</b>
Donna McLoughlin	<b>Appendix 18</b>
Sandra Hanshaw	<b>Appendix 19</b>

5.4 There have also been a number of representations made in support of the premises by local residents:

Brendan Bourne	<b>Appendix 20</b>
Mr & Mrs G Vano	<b>Appendix 21</b>
Iris Baines	<b>Appendix 22</b>
John Boran	<b>Appendix 23</b>
Mrs J Doran	<b>Appendix 24</b>
Mrs M Paul	<b>Appendix 25</b>
Miss S Sinclair	<b>Appendix 26</b>
Tina Rowe	<b>Appendix 27</b>

5.5 Only representations that relate to the following licensing objectives are relevant:

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance
- the protection of children from harm

5.6 In the view of the interested party and the responsible authorities it is necessary to achieve the licensing objectives of the prevention of public nuisance and prevention of crime & disorder.

## 6.0 Review Explained

6.1 The Licensing Act 2003 was described by the Government at the time as “light touch” but as Baroness Blackstone stated in the Lords at the time of the second reading (26 Nov 2002) “Local residents and businesses as well as expert bodies, will have the power to request that the licensing authority review existing licences where problems arise. Such a review could result in the modification of the licence, its suspension, or ultimately, revocation.”

6.2 The Home Office has issued guidance under Section 182 of the Licensing Act 2003 in relation to reviews and that is contained in **Appendix 28**. It is available on the Government’s website, [www.homeoffice.gov.uk](http://www.homeoffice.gov.uk). It was last revised in April 2018.

6.3 Members are particularly asked to note the comments in relation Crime and Disorder. In particular the home office advice is that “The role of the licensing authority when determining such a review is not therefore to

establish the guilt or innocence of any individual but to ensure that the crime prevention objective is promoted.”

- 6.4 In relation to its advice on representations the home office has also advised that “there is no requirement for an interested party or responsible authority to produce a recorded history of problems at a premises to support their representations.” It has also issued revised guidance about Crime and Disorder. **See Appendix 29.**
- 6.5 Members should also note the Council’s Licensing Policy in relation to Crime and Disorder, the relevant parts of which are contained in **Appendix 30.**
- 6.6 The home office has also issued guidance about the prevention of public nuisance this is contained in **Appendix 31.**
- 6.7 The Council’s Licensing Policy in relation to Public Nuisance is contained in **Appendix 32.**
- 6.8 The Home Office has advised that in relation to reviews “ Where authorised persons and responsible authorities have concerns about problems identified at premises, it is good practice for them to give licence holders early warning of their concerns and the need for improvement, and where possible they should advise the licence or certificate holder of the steps they need to take to address those concerns. A failure by the holder to respond to such warnings is expected to lead to a decision to apply for a review. Co-operation at a local level in promoting the licensing objectives should be encouraged and reviews should not be used to undermine this co-operation. ”
- 6.9 An interested party or a responsible authority can trigger a review at any time, but the grounds must be relevant to the licensing objectives. The form of the application, and the advertisement of the review are the subject of regulations (The Licensing Act 2003 (Premises Licences and Club Premises Certificate) Regulations 2005). In addition, the licensing authority has to satisfy itself of certain matters in relation to the Licensing Act 2003. The Licensing & Safety Team Leader is the delegated officer who deals with this on behalf of the Licensing Authority. All the matters stated in 5.0 were considered before any representations were accepted for inclusion in this report.
- 6.10 The Licensing Act 2003 requires that the Licensing Authority satisfies itself that it should reject the grounds for a review because:
  - The ground is not relevant to one or more of the licensing objectives
  - In the case of an application by a local resident that the application is frivolous, vexatious or repetitious.

## 7.0 Review Advertisement

- 7.1 The review was advertised by a blue poster, next to the premises, by the Licensing Section. This was periodically monitored by the Section to ensure it was on continuous display, and replaced as necessary. It was also advertised at Mulberry Place, 5 Clove Crescent, London E14 2BG.
- 7.2 The party that triggers the review must notify the licence holder and responsible authorities. The review documents were sent to the licence holders.
- 7.3 The procedure for a review can be summarised as follows:
- A review is triggered by a responsible authority or interested party
  - Consultation is conducted for 28 full days
  - Other responsible authorities or interested parties may join in the review
  - Members conduct a hearing
  - Members make a determination
  - All the parties to the review have the right of appeal to the magistrates court (i.e. the licence holder, the person who triggered the review and those who have made a representation).

## 8.0 Licensing Officer Comments

- 8.1 The Business & Planning Act 2020 came into force on Wednesday 22nd July 2020 and provides a temporary permission for businesses that have a premises licence that permits them to sell alcohol in regards to the ability to sell alcohol as an off sale, i.e. for consumption off the premises. The permission will end on 30th September 2021 unless the legislation is changed by the Secretary of State.

It will only apply to businesses that hold a Premises Licence up to 22nd July 2020 and that in the last 3 years preceding 22 July 2020 those licences have NOT:

- had a premises licence application where permission for off sales was refused;
  - had a variation of a premises licence seeking permission for off sales refused
  - had a variation seeking to exclude off sales permission granted
  - had a premises licence varied or modified by a review hearing to exclude off sales.
- 8.2 The new off-sales permission will permit off-sales to be made at a time when the licensed premises are open for the purposes of selling alcohol for consumption on the premises, subject to a cut off time of 11pm or the cut off time of the current licensed hours stated on the licence, whichever is earlier. Measures also temporarily suspend existing licence conditions in so far as they are inconsistent with the new off-sales permission. Further Guidance on this can be found at

8.3 The Government's advice in relation to reviews is contained in **Appendix 28**. Members must consider all the evidence and then decide from the following alternatives:

- Take no further action as they do not consider it proportionate to do so
- Impose conditions (including altering existing permissions) that relate to problems which they consider have been identified and which are necessary and proportionate to ensure that the licensing objectives are met
- Suspend the licence for a period
- Revoke the licence completely

8.4 The licence should only be suspended or revoked if Members believe that alterations to the existing licence, including imposing new conditions does not have a reasonable prospect of ensuring that the licensing objectives are met.

8.5 Members should bear in mind that conditions may not be imposed for any purpose other than to meet the licensing objectives.

8.6 In all cases the Members should make their decision on the civil burden of proof that is "the balance of probability."

8.7 In all cases Members should consider whether or not primary legislation is the appropriate method of regulation and should only consider licence conditions when the circumstances in their view are not already adequately covered elsewhere.

## 9.0 **Legal Comments**

9.1 The Council's legal officer will give advice at the hearing.

## 10.0 **Finance Comments**

10.1 There are no financial implications in this report.

Please state the ground(s) for review (please read guidance note1)

On 2<sup>nd</sup> of April 2019 a review of this premises licence was heard by the Licensing Sub-committee. The Decision of this hearing included the following conditions to be imposed on the licence:

- No provision for Regulated entertainment
- No live or recorded music to take place at the premises at any time (this will include Karaoke)
- Any new noise conditions imposed on the Premise Licence Section 177A will not apply (this will ensure noise conditions are in force at all times licensable activities are conducted (see section 16.55 of the Home Office guidance)
- Loudspeakers shall not be located in the entrance lobby or outside the premise building
- No more than 5 smokers to be permitted to smoke outside the front of the premises at any one time.
- All doors and windows to be kept closed after 22:00 hours
- Appropriate signage to be displayed at all exits informing patrons that drinking is not permitted outside the front of the premises, and asking patrons to leave quietly and respect the neighbourhood.

The noise team have recently received a number of complaints from residents regarding the noise from loud recorded music and patrons shouting and causing a disturbance as listed below:

<b>Date</b>	<b>Resident</b>	<b>Nature of complaint</b>	<b>Reference</b>
18/7/20 @ 22:19	1	Extremely loud music and people singing in the street and being loud and generally noisy	310588
19/7/20 @ 00:20	1	loud music and people spilling out onto the street	310713 link to 306957
20/7/20 @15:17	2	Loud music over 100 people on street loud chatting, smashing glasses	310638
20/7/20 @ 10:45	1	patrons of the pub singing in the street, music blasting from an outside speaker	306957
1/8/20 @ 21:40	1	loud music being, shouting and screaming	311315 link to 306957
6/8/20 @ 20:52	3	loud amplified music, people drinking spilling on to the street	311614 link to 306957

Following the initial complaint received by Parkguard who operate Tower Hamlet's Council's out of hours noise service, two officers visited on the 18<sup>th</sup> July 2020. I attach their witness statements and photographs (as referred to in their statements), as appendix 1.

On their visit they witnessed a group of patrons with raised voices, and also loud music. The volume of the music heard by them was clearly audible above loud voices, when they were 20 meters away from the venue. This identifies recorded music and not just background music, and therefore a breach of condition 7 on the licence, "No live or recorded music to take place at the premises at any time (this will include Karaoke)".

Also included are breaches of the following conditions:

- No provision for Regulated entertainment
- Any new noise conditions imposed on the Premise Licence Section 177A will not apply (this will ensure noise conditions are in force at all times licensable activities are conducted (see section 16.55 of the Home Office guidance)
- Loudspeakers shall not be located in the entrance lobby or outside the premise building

Mr Steven Gary Fairman the current Licence Holder and Designated Premises Supervisor was at the Licensing Sub-committee in April 2019 when the premises licence was previously reviewed and therefore is fully aware of the conditions imposed on the licence.

Since the licensed premises were allowed to open on the 4<sup>th</sup> July 2020 complaints have been received.

As the music was clearly audible from 20 meters away, on the balance of probability, the music is regarded as regulated entertainment (recorded music) under the Licensing Act 2003 which has caused a public nuisance to local residents and therefore undermining the Licensing Objective for 'prevention of public nuisance'

As a responsible authority I feel the Premise Licence needs to be reviewed due to the lack of consideration for local residents and a blatant disregard for the law in the management of the premises.

I ask for revocation of the licence.

Have you made an application for review relating to this premises before **Please tick ? yes**

If yes please state the date of that application

Day	Month	Year

**If you have made representations before relating to this premises please state what they were and when you made them**

My representation was made on the 2<sup>nd</sup> February 2019 in support of the review by the licensing authority that no live and/or recorded music to take place at the premises at any time to include no karaoke and that any new noise conditions imposed on the Premises Licence Section 177A will not apply, and thus will ensure noise conditions are in force at all times when licensable activities are being undertaken.

I recommended to the Committee to consider the number of noise complaints received and whether they may wish to impose additional noise conditions on the Queens Head in order to ensure that the licensing objective for the prevention of public nuisance was met.

Please tick  yes

I have sent copies of this form and enclosures to the responsible authorities and the premises licence holder or club holding the club premises certificate, as appropriate

I understand that if I do not comply with the above requirements my application will be rejected

My name is [REDACTED] and I make this statement in relation to the QUEENS HEAD PUBLIC HOUSE, 8 FLAMBOROUGH STREET, LIMEHOUSE E14 7LS.

I am employed by Parkguard Ltd as a Noise and Nuisance response officer and have held this position since April 2020. My role requires me to respond to reports of noise and nuisance within the London Borough of Tower Hamlets. A secondary function of my role also requires me to conduct observation visits of licensed premises within the London Borough of Tower Hamlets.

At 2236hrs on SATURDAY 18<sup>TH</sup> JULY 2020 I was at work in company with my colleague, Response officer [REDACTED] when I was notified by my control room of a noise complaint whereby there was loud music emanating from THE QUEENS HEAD pub. I made contact with the reporter via telephone who also advised there was a large number of people standing outside the pub drinking and shouting in addition to the loud music.

At 2240hrs I arrived in the vicinity of the QUEENS HEAD to conduct observations. I immediately noticed a large group of people outside of the pub, a mixture of males and females both standing and sitting. Some of these individuals were smoking and some were drinking from glasses. There was approximately 30 people outside of the venue and approximately 20 people inside. The noise levels from the raised human voices, shouting and laughing from the people standing outside I would describe as loud. There were multiple conversations taking place between the different groups which when all combined created a lot of noise. I heard multiple males shouting loudly but I was unable to determine the exact speech.

I also heard music playing from within the venue which I would describe as recorded music. I was unable to determine the specific song but the overall noise was loud enough for me to hear it from the vehicle which was situated approximately 20 meters away from the venue. There were no gaps in between the music with one song following on from another. I witnessed some people going back into the pub after being outside and then people coming out to stand outside.

As I moved the vehicle to another location to make further observations, I heard two male patrons who were standing outside say, "WHO ARE THESE GUYS THEN."

Throughout the duration of my observations there was a consistent flow of patrons coming and going from the venue with approximately 30 patrons outside at any one time with the recorded music continually playing. We departed the area at 2250hrs.

I produce two photographs of the venue as exhibit [REDACTED]01 and exhibit [REDACTED]02.

I am willing to attend court in relation to this matter.

My name is [REDACTED] and I make this statement in relation to the QUEENS HEAD PUBLIC HOUSE, 8 FLAMBOROUGH STREET, LIMEHOUSE E14 7LS.

I am employed by Parkguard Ltd as a Noise and Nuisance response officer and have held this position since May 2020. My role requires me to respond to reports of noise and nuisance within the London Borough of Tower Hamlets. As part of my role I am also required to carry out observations of licensed premises.

On SATURDAY 18<sup>TH</sup> JULY 2020 at 22:36hrs I was on duty in company with my colleague [REDACTED]. I was notified by my control room to attend THE QUEENS HEAD PUB, 8 FLAMBOROUGH STREET, E14 7LS following a complaint of loud music and people congregating outside shouting and causing nuisance. My colleague [REDACTED] made contact with the reporter to confirm our attendance and to obtain some further information.

In company with my colleague I arrived at the location and parked the vehicle approximately 25 meters away from the venue with a clear and unobstructed view. I immediately saw approximately 30 patrons standing immediately outside of the venue and were no more than 2 meters away from the venue itself. Some of the patrons were standing up and some sitting down on chairs which belonged to the venue. I saw approximately 5 of the patrons drinking from glasses, there were also a large number of people smoking. I was able to see there were around 20 people in the venue and I could also hear music coming from inside which became louder when patrons in and out as the doors were opening. I am unable to specify the specific song but there no gaps in between songs and there was a continuous sound of music which I could hear from inside my vehicle and at a distance from the venue.

The noise coming from the patrons outside I would say was loud due to multiple raised human voices and I heard some of the males shouting during their conversations. Due to the different number of conversations between the patrons the overall noise from this I would say was very loud. I was situated in the vehicle at a distance and the level of the raised voices, shouting and laughing was clearly audible and intrusive.

As the vehicle was driven past the venue to get clarity on the number of patrons inside, I saw a male patron that was standing outside of the venue, look closely at our vehicle and say, "WHO ARE THESE GUYS THEN".

During the time in which I made my observations there was a continuous flow of people coming in and out and a number of people standing outside. The most I saw at one time standing outside was approximately 30 with people moving freely between inside the venue and outside.

I made observations until 22:50hrs before departing the area.

I am willing to attend court in relation to this matter.

3.
  - (1) The premises licence holder or club premises certificate holder must ensure that an age verification policy is adopted in respect of the premises in relation to the sale or supply of alcohol.
  - (2) The designated premises supervisor in relation to the premises licence must ensure that the supply of alcohol at the premises is carried on in accordance with the age verification policy
  - (3) The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and either—
    - (a) a holographic mark, or
    - (b) an ultraviolet feature.
  
4. The responsible person must ensure that—
  - (a) where any of the following alcoholic drinks is sold or supplied for consumption on the premises (other than alcoholic drinks sold or supplied having been made up in advance ready for sale or supply in a securely closed container) it is available to customers in the following measures—
    - (i) beer or cider: ½ pint
    - (ii) gin, rum, vodka or whisky: 25 ml or 35 ml; and
    - (iii) still wine in a glass: 125 ml;
  - (b) these measures are displayed in a menu, price list or other printed material which is available to customers on the premises; and
  - (c) where a customer does not in relation to a sale of alcohol specify the quantity of alcohol to be sold, the customer is made aware that these measures are available.
  
5.
  1. A relevant person shall ensure that no alcohol is sold or supplied for consumption on or off the premises for a price which is less than the permitted price.
  2. For the purposes of the condition set out in paragraph 1—
    - (a) “duty” is to be construed in accordance with the Alcoholic Liquor Duties Act 1979;
    - (b) “permitted price” is the price found by applying the formula —
 
$$P = D + (D \times V)$$
 where —
      - (i) **P** is the permitted price
      - (ii) **D** is the amount of duty chargeable in relation to the alcohol as if the duty were charged on the date of the sale or supply of the alcohol, and

- (iii) **V** is the rate of value added tax chargeable in relation to the alcohol as if the value added tax were charged on the date of the sale or supply of the alcohol;
  - (c) “relevant person” means, in relation to premises in respect of which there is in force a premises licence
    - (i) the holder of the premises licence
    - (ii) the designated premises supervisor (if any) in respect of such a licence, or
    - (iii) the personal licence holder who makes or authorises a supply of alcohol under such a licence
  - (d) “relevant person” means, in relation to premises in respect of which there is in force a club premises certificate, any member or officer of the club present on the premises in a capacity which enables the member or officer to prevent the supply in question; and
  - (e) “value added tax” means value added tax charged in accordance with the Value Added Tax Act 1994
3. Where the permitted price given by Paragraph (b) of paragraph 2 would (apart from this paragraph) not be a whole number of pennies, the price given by that sub-paragraph shall be taken to be the price actually given by that sub-paragraph rounded up to the nearest penny.
4. (1) Sub-paragraph (2) applies where the permitted price given by Paragraph (b) of paragraph 2 on a day (“the first day”) would be different from the permitted price on the next day (“the second day”) as a result of a change to the rate of duty or value added tax
- (2) The permitted price which would apply on the first day applies to sales or supplies of alcohol which take place before the expiry of the period of 14 days beginning on the second day

**Annex 2 - Conditions consistent with the operating Schedule**

1. No drinks taken from the premises except bona fide off-sales

**Annex 3 - Conditions attached after a hearing by the licensing authority**

Dear Sirs,

**Licensing Act 2003 – Premises Licence Review**  
**Queens Head, 8 Flamborough Street, London E14 7LS**

I am writing in my capacity of Licensing Authority in relation to the premises licence review for the above address.

The premise was last reviewed on 22<sup>nd</sup> January 2019 by the Licensing Authority and a hearing, determined on 2<sup>nd</sup> April 2019, that several conditions should be imposed on the licence and the DPS removed, who at that that time was Valentina Thomas. I attach the minutes of this decision as **Evidence 1**.

During the review process the authority received a transfer to a Thomas Jeffries, the Police objected to this transfer on the basis that complaints had been received since the applicant had taken over the premises and believed by allowing the transfer the licensing objectives would not be met. This application was later withdrawn at that hearing.

Mr Fairman had taken over management of the premises and a transfer was submitted on 25<sup>th</sup> September 2019 to TJ3 Properties Ltd of which Mr. Thomas Jeffries was the Director. Despite Police objection, a hearing decided to grant the transfer stating that since the review there had been no incidents over the last year under the new management of Mr. Fairman and that Mr. Jeffries has no day to day management of the premises. The Sub Committee decided to grant the transfer application by a majority

vote with a condition that Mr. Thomas Jeffries shall not be permitted to be involved in the day to day management of the premises.

On 14<sup>th</sup> January 2020 the licence was transferred to Mr. Fairman with no objection and granted.

We started to receive complaints from July 2020 on the reopening of the public house after lockdown measures. The following are complaints and visits made:

- 05/07/20 Complaint: At 00:45 AM the pub was still open, all the lights were on inside and there were about eight men outside on the street, the accommodation door was being used to access the bar.
- 20/07/20 Complaints:  
Friday July 10<sup>th</sup> they could hear music from the premises  
  
Saturday July 11<sup>th</sup> They could hear music coming from the premises  
  
Saturday July 18<sup>th</sup> reports of customers on the street being very loud shouting and shrieking. The noise continued all night 00:25 hours customers still on the street, the lights were on in the pub and the accommodation door on Flamborough Street was being used to access the bar. 02:40 customers heard singing. 03:00 alleged fight where customers spilled out onto the street. 03:30 the pub as still open.
- 20/07/20 A number of residents reported the premises open until 03:00 hours causing noise disturbance.
- 20/07/20 Email sent to Mr. Fairman and his legal representative to advise of the complaints and the disturbance caused on 18<sup>th</sup> July 2020 and requested feedback and to also request CCTV footage to be saved for that evening and the following morning until 4am. See **Evidence 2**
- 20/07/20** K Driver received a call from Mr. Fairman stating that there was a party on the 18<sup>th</sup> July and people outside were asked to leave but they would not move on. He stated he had nothing but recorded music and will save CCTV for Saturday night. He stated the doors were closed at 11:30pm.
- 24/07/20 Premises visit by Late Night Levy (LNL) officers at 02:40, premises closed
- 25/7/20 Premises visit by Late Night Levy (LNL) officers at 01.30, premises closed
- 29/07/20 Formal letter to request CCTV, see **Evidence 3**.
- 31/07/20 Mr. Fairman telephoned to state that there had been an error with the CCTV and 3 cameras had blown. He also stated he was not present

during this period as he had personal issues that prevented him from being in attendance. He produced an invoice from CCTV company reporting the failure of the cameras. See **Evidence 4**

- 01/08/20 Reports of noise from the pub and reports left with out of hours noise service. The complainant alleged the premises operating beyond its hours and that at 00:30 hours 10 people come out of the pub, again via the accommodation door. 01:30 someone entered the premises via the accommodation door and music was heard coming from the pub.
- 02/08/20 Saturday 1<sup>st</sup> August – Tables and chairs outside the premises on the pavement. Customers were outside the pub and blocking the walkway, lack of social distancing. The complainant alleges being open after 11:00pm for a lock in and states this is a regular occurrence now
- 07/08/20 18:00 hours Visit By C.Holland, Licensing Officer and PC Perry, Licensing Police.  
Two tables outside with chairs around. Only 2 people sitting at each table. Approx 3-4 persons standing around the bar but as they entered they went outside with drinks. Bar stools were at the bar. Hand sanitiser was on tables at both entry's to the pub. Floor marking regarding social distancing and a one way system on the floor. Officers spoke with Debbie Thomas who stated she only works there during the day on Fridays and had finished work. She asked if we had a warrant and she was advised we didn't need one. No-one able to operate the CCTV (Annex 3 condition 10) and no personal licence holder on the premises (annex 3 condition 11). Spoke with Thomas Jeffries (junior) on the phone who stated that he had just come out of hospital having broken his arm. Asked why he had tables outside with drinks (appeared alcoholic pints) he said he thought it was better to have people spread out due to COVID. Told he is breaching his conditions (not informed licensing of business & planning act 2020) or has tables and chairs licence.
- 07/08 20 S19 served by Pc Mark Perry for breach of condition 10 and 11:  
10) A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times when the premises are open. This staff member must be able to provide a Police or authorised council officer copies of recent CCTV images or data with the absolute minimum of delay when requested.  
  
11) There shall be a personal licence holder on duty on the premises at all times when the premises are authorised to sell alcohol  
Copy handed to Debbie Thomas. **Evidence 5**
- 07/08/20 Letter delivered at premises during inspection requesting CCTV footage of the 1st of August Between the hours of 17:30 PM and 01:00 hours. See **Evidence 6**

- 10/08/20 Telephone call received by Mr Fairman who appeared to be unaware of the condition that a personal licence holder had to be on the premises. He stated he did not have a copy of the licence and was advised to request one. He was also advised to ensure the two pages of the summary was on display as only had one page displayed. This is an offence under section 57 of Licensing Act 2003. He stated he would deliver CCTV for 1<sup>st</sup> August to our offices.  
Due to technical issues with our systems, we have been unable to view the footage to establish if there were breaches.
- 14/08/20 LNL visit at 23:15 hours  
Upon pulling up outside the premises, they saw Thomas Jeffries quickly throw his cigarette on the floor and go inside the venue. The officer spoke to customers outside the venue whilst still in the car and they said the 'last orders bell' had rung just before they got there. There were approximately 5-8 people outside although they were not making any excessive noise and there was no noise coming from inside the premises out onto the street. Having gone inside the venue, there were about 20/25 people in there all still drinking, no music on and no one behind the bar serving. The officer suspected Mr Jeffries had gone inside and turned off any music, and asked any staff behind the bar to move away.  
Some customers had full pints – although at 23:15 I guess this was still be expected. Mr. Jeffries was very polite and pleasant with police and advised the council noise team had been there earlier. They also had a track & trace book visible.
- 15/08/20 LNL visit 23.50-00:30  
Premises was closed and secure. Lights were on within the bar however looking past the closed blinds there was nobody present. No music heard from inside either.
- 20/08/20 LNL visit, unknow time but likely after 01:00 hours  
Shut, lights off. No patrons
- 21/08/20 LNL visit at 23:30  
Curtains were all closed, lights on and TV could be seen on through the gaps. There were three people smoking outside the front on arrival but had all disappeared when police had knocked on the door of the premises. Noise was coming but it was apparent this was from upstairs as all lights were on. No reply repeated knocking.
- 22/08/20 LNL visit 23:50  
Curtains were all closed, lights were off, whole premises was on darkness and unable to see anyone inside or not. Even though tried through the gaps between curtains. When police had knocked on the door of the premises no noise was coming out of the premises and no one replied.

04/09/20 LNL visit at 23:15  
Spoke with a male called Alfie DECAPERRELLE who stated he lived above the pub. No one else came forward to speak with police. IC1 male F602 slim build ginger hair

He denied officers entry and asked for a warrant straight away. There was around 20/30 people inside and it was supposedly a 70<sup>th</sup> birthday party. Did not see money being exchanged but there were some people with full glasses of alcohol. No music was being played.

In light of the above history, I am making representation in support of the review. The history tells you of several breaches of their licence, such CCTV not working whilst the premises are open, no personal licence holder on the premises, no person available to work the CCTV.

It appears that despite the review of last year there is no clear management responsibility of which the licence holder, or any person managing it, are taking the conditions of their licence seriously. It is known from conversations with Mr. Fairman he has had personal issues of which has prevented him from being at the premises and the Authority does not expect him to be present 24 hours every day however there should be clear procedures in place to ensure the licensing objectives are being met and those conditions are complied with. You will note from residents reports it suggests persons living above the premises are utilising the pub for their own entertainment.

On two occasions the premise was visited at 23:15 hours of which customers had full glasses of alcohol. This may not prove a breach of the sale of alcohol, but you would expect a premises that closes at 23:30 hours for customers to be at the end of their drink and getting ready to leave but the report suggest the opposite, that customers have full glasses and are happy to continue.

The premises licence holder and the designated premises supervisor (DS) are the same, Mr. Steven Fairman. This Authority feels that adding conditions is not viable for this review and removing the DPS would still leave Mr. Fairman as licence holder. It therefore feels that the only option for this review is to seek revocation.

Yours sincerely,

**Kathy Driver**

Dear Sir/Madam,

**Licensing Act 2003**  
**Re: Queens Head 8 Flamborough Street, London E14 7LS**

Following my representation of 11<sup>th</sup> September 2020 I wish to add the following in relation to the review;

16/9/20 A visit was arranged to view the CCTV from 1<sup>st</sup> August 2020 of which it was arranged with Mr. Fairman. Officers attended the venue as the memory stick of the footage was unable to view through the Council's IT system. Licensing Officers Holland and Miller-Johnson attended at 14:20 Steven Fairman and Thomas Jeffries (Jnr) were present. Mr. Jeffries was not able to view the CCTV and therefore called their CCTV engineer. The officers were told the engineer was on their way however after an hour of waiting, the engineer did not arrive. When Officers decided to leave and request the memory stick back, Mr. Jeffries was uncooperative and told the officers to go and get the memory stick themselves which was in the basement of the pub. When Officers refused to go on their own. Mr. Jeffries reluctantly assisted them down. Officer Holland noted the CCTV was showing 13:49:55 when the actual time on her phone was 14:31, showing 40 minutes slow. Officer Holland advised Mr. Jeffries of the error who said he could not change the time. This was also pointed out to Mr. Fairman who stated the CCTV had gone wrong again and needed resetting. He stated it keeps going wrong. The officer then left the premises.

Following this visit Officer Holland provided PC Perry of Licensing Police with the memory stick in order to attempt to view the CCTV footage, PC Perry was able to view it and advised that most of the cameras were obscured or facing the wrong way. Officer Holland emailed Mr. Fairman and his Solicitor and received no response. See **Evidence 7**

- 29/9/20 Visit at 22:37 Officer Olomo attended. On arrival the premises the beer garden was noisy, non existent social distancing, track and trace register was seen. Staff present were Alfie Delaperrelle and Shani Stafford, both of which had no face masks on, when questioned they stated they had medical issues that exempted them. The officers were eventually able to speak to Thomas Jeffries and given advice.
- 4/10/20 Visit at midnight by Officer Olomo. The premises was shut however there was substantial noise coming from the flat above.
- 8/10/20 Visit by Officer Thompson from Health & safety. Visit followed by complaint form member of the public saying customers not being asked for track and trace details. Officer Thompson spoke to "older landlord" of the premises, name not known. Officer states the male was rude and said the Council can F\*\*k off.
- 17/10/20 Visit at 00:44 hours. Officer Ali attended, the premises was closed.

The view remains that adding conditions is unlikely to solve the issue of how the business is run. The public house has operated for many years without complaint and has only been brought to our attention following the change in management. This is the 2<sup>nd</sup> review under this supervision and feel that the only option would be for Members to consider revocation.

Yours sincerely,

**Kathy Driver**

CRESCENT, LONDON, E14 2BG**

**Members Present:**

Councillor Dan Tomlinson (Chair)

Councillor Shah Ameen (Member)

Councillor Zenith Rahman (Member)

**1. DECLARATIONS OF DISCLOSABLE PECUNIARY INTEREST**

No declarations of disclosable pecuniary interests were declared.

**2. RULES OF PROCEDURE**

The Rules of Procedure were noted by the Sub Committee.

**3. ITEMS FOR CONSIDERATION**

**3.1 Application to Review the Premises Licence for Queens Head, 8  
Flamborough Street, London E14 7LS**

**The Licensing Objectives**

In considering the application, Members were required to consider the same in accordance with the Licensing Act 2003 (as amended), the Licensing Objectives, the Home Office Guidance and the Council's Statement of Licensing Policy and in particular to have regard to the promotion of the four licensing objectives:

1. The Prevention of Crime and Disorder;
2. Public Safety;
3. Prevention of Public Nuisance; and
4. The Protection of Children from Harm

**Consideration**

Each application must be considered on its own merit. The Sub Committee had carefully considered all of the evidence before them and considered written and verbal representation presented at the meeting from both the Applicant and those supporting the review and from the Legal Representative on behalf of the Licensee with particular regard to the licensing objectives of the prevention of public nuisance and the prevention of crime and disorder.

The Sub-Committee were informed that a mutual agreement had been reached between both parties, prior to the start of the meeting. The Chair asked both parties to make brief submissions and outline the agreement reached.

The Sub Committee welcomed the mediation between both parties and accepted the agreement/conditions agreed by the parties.

Members considered that the conditions agreed would help alleviate the concerns raised, and help promote the licensing objectives, in particular the licensing objective of the prevention of public nuisance and the prevention of crime and disorder.

Accordingly, the Sub Committee unanimously;

### **RESOLVED**

**Subject:** Queens Head, 8 Flamborough Street, London E14 7LS

I write to inform you that we have received complaints from a number of residents regarding the noise from music and customers outside the pub over the weekend, Saturday being the most disturbing.

The allegations suggest inadequate social distancing measures and premises operating beyond the licensed hours. Residents state they saw customers outside at 1am and suggested the premises were operating until 3am in the morning. They stated the music was being played very loud which was heard by residents further along the street and customers singing along to the music.

I have requested visits to be made to the premises to ensure the government guidelines are being adhered to.

I would be grateful for your feedback and ask that CCTV recordings are downloaded and saved for Saturday 18<sup>th</sup> July until 4am Sunday morning so that if needed, we can view the footage.

Kind Regards,

Dear Mr. Fairman,

**RE: Queens Head, 8 Flamborough Street, London E14 7LS**  
**Licensing Act 2003**

Following my email of 20<sup>th</sup> July 2020 and subsequent conversation regarding complaints received by local residents, I write to confirm that we are investigating these complaints, which relate to events alleged to have taken place on Saturday 18<sup>th</sup> July 2020 through to the early hours of Sunday 19<sup>th</sup> July 2020. The complaints suggest offences of the above legislation as the indicate breaches of your Premises Licence conditions.

As the Registered Licence Holder and Designated Premises Supervisor (DPS) you will be aware that condition 9 of the Premises Licence stipulates that CCTV is maintained and recorded at all times customers remain on the premises and that viewing of recordings will be made available upon request of police or authorised officer. I therefore request that CCTV is downloaded and saved for this Licensing Authority to view for the following time periods:

1. 18<sup>th</sup> July 2020 from 21:00 hours to 22:00 hours
2. 18<sup>th</sup> July 2020 from 22:15 hours to 19<sup>th</sup> July 2020 until 01:00 hours
3. 19<sup>th</sup> July 2020 from 02:20 hours to 02:40 hours
4. 19<sup>th</sup> July 2020 from 03:00 to 03:30 hours

The reports from the complaints and visits made by Environmental Health's out of hours Noise Service suggest breaches of your Premises Licence occurred during these periods. These include loud music emanating from the premises, patrons drinking outside, and outside speakers with crowds outside causing nuisance to neighbouring residents.

Please ensure that the CCTV footage detailed above is ready for viewing or to for collecting by 12<sup>th</sup> August 2020. The Licensing and Safety Team will contact you to arrange a suitable time with you on this date to visit.

Yours faithfully,

Dear Mr. Fairman,

**RE: Queens Head, 8 Flamborough Street, London E14 7LS  
Licensing Act 2003**

The Licensing Authority has received complaints from residents regarding Saturday 1<sup>st</sup> August 2020. They state that tables and chairs were put out blocking the whole pavements so pedestrians had to walk in the road, no social distancing appeared to be taking place, and noise from the pub, in the form of music and shouting of customers. The complaint also alleges that at 11.00pm customers went inside for a 'lock in'. This apparently is regular behaviour. This matter is being investigated for breach of licence conditions under the Licensing Act 2003.

As you are aware condition 9 of the licence stipulates that CCTV is maintained and recorded at all times customers remain on the premises. I therefore request that CCTV is downloaded and saved for this Authority to view for the following time periods:

**Saturday 1<sup>st</sup> August 17:30 hours – 01:00 hours**

I would be grateful for the CCTV to be ready for viewing or picking up by Tuesday 11<sup>th</sup> August 2020, we will contact you to arrange a suitable time with you.

I must advise you that it is an offence for anyone who carries on, or attempts to carry on a licensable activity on or from any premises without or not in accordance with an authorisation. A person guilty of an offence under section 136 of the ACT is liable on a summary conviction to imprisonment for a term not exceeding six months or an unlimited fine.

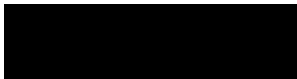

Please be advised that you have a duty to comply with the four licensing objectives, namely:

- The prevention of crime and disorder
- The prevention of public nuisance
- Public safety
- The protection of children from harm

Please be advised that local residents, local businesses, ward councillors and responsible authorities, including the Licensing Authority can trigger a review of your premises licence if any of the above licensing objectives are not being promoted

If there are found to be any breaches of your Premises Licence then enforcement action may be taken. This could take the form of a prosecution and/or a further review of your premises licence.

Yours sincerely

Dear Steve

The CCTV stick that you provided me for the 1<sup>st</sup> August 2020 was handed to PC Mark Perry who took it to the police CCTV unit.

PC Perry dip sampled each of the cameras on the memory stick and it appeared that each of the cameras were obscured in some way or facing a wall and therefore nothing was visible.

PC Perry is doing a statement to this effect.

I cannot return the memory stick to you at this stage as it is being kept for evidential reasons but if you wanted to attend my offices with a laptop, which has the required software on it for it to be viewed, I am happy to meet with you to view it. Or if you wish to meet at the pub at a prearranged time, getting your CCTV engineer to attend at this time myself and PC Perry will attend. Although I am not prepared to wait at the pub for an hour waiting for the CCTV engineer to arrive like last time I attended so it would have to be a confirmed appointment with the engineer.

Please let me know what you would like to do.

Kind regards

Dear Sir,

Central East Police Licensing formally support the review of the Queens Head public house 8 Flamborough Street. On the grounds of Public Nuisance, and Public Safety.

There have been many complaints from residents since the review of the premises license in 2019. Many of these complaints have been about loud noise and the premises being open past its hours.

A visit to the premises on the 18<sup>th</sup> July 2020 states that the premises was open and there were about 30 customers outside and 20 customers inside. They were shouting, laughing so loudly they could be heard 20 meters away. Recorded music was also playing and was audible over the customers. This clearly is a breach of the condition of their license not to have recorded music. It also shows a lack of control by the pubs management to control their customers to ensure they are not causing nuisance to their neighbours, which they clearly are given the number of complaints from residents.

This evidence clearly gives credence to residents reports that the venue is allowing its customers to cause noise nuisance to residents and playing music.

I am also concerned that there were so many people at the venue in July, where was the social distancing, what mitigating measures were put in place to prevent the spread of the disease? From the Park Guard report it sounds that there were no measures put in place. The loud music is clearly a breach of Government instructions only to have background music.

Police conducted a visit to the premises along with Tower Hamlets Council Staff on the 7<sup>th</sup> August 2020 and issued a Sec 19 closure Notice due to not having anyone on the premises who could operate the CCTV.

The Police support this review and call for the revocation of the license. I will be supplying additional evidence in support of this review.

Kind Regards

Mark

I am PC Mark Perry 1748CE, and I am a Police Licensing Officer attached to Central east Licensing that covers both Tower Hamlets and Hackney. This statement refers to CCTV that I viewed from the Queens Head Flamborough Street E14.

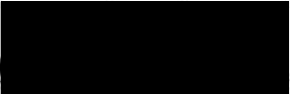

I was made aware by Tower Hamlets Council Licensing of alleged breaches of the Queens Head premises license. In order to investigate these allegations a copy of the pubs CCTV was requested by Tower Hamlets Council Licensing so it could be viewed to ascertain the validity of the allegations.

Corinne Holland the Tower Hamlets Council Licensing Officer investigating the allegations could not access the CCTV footage that had been provided by the Queens Head management. She asked me to see if the Police Video Investigation Unit could check the CCTV to see if we could view it.

I took the CCTV to the unit and they were able to access it using their computer system. They informed me that the CCTV footage did not include a copy of the media player used by the Pubs CCTV system making it very difficult to use without it.

On the memory stick there were files from the different CCTV cameras at the Queens Head. We opened up a file from each of the cameras, only to discover that the view of each camera was obstructed and did not show the interior of the pub.

I reported this back to Corinne Holland and suggested that she ask the pubs management to meet with her and bring a lap top with the CCTV media player on it so that everyone could view the CCTV footage on the memory stick together and verify what was on there. I said that I would be happy to attend the viewing to witness what

Dear Sir/Madam,

**Re: Queen's Head, 8 Flamborough Street, London, E14 7LS – Review of Premises Licence**

I am writing to submit my comments for the Queen's Head public house licence review.

I moved to [REDACTED] seven years ago. One of the attractions of the area was that there are two pubs on either side of York Square, which I felt indicated a strong community. This was indeed the case, with the Queen's Head being at the heart of the community for Chaseley Street and Flamborough Street. All this changed when the pub was opened under new ownership and management in October 2018. Following months of nuisance caused by the pub, the licence review held in April 2019 imposed conditions which included the removal of their regulated entertainment licence.

It was hoped that even though the pub would never be the asset that it had once been, that at least the nuisance to residents would be curtailed. This has not been the case. There have been continued breaches of licence conditions following the review. Please see attached diary covering the period May 2019 to the present date.

To summarise the content of the diary:

- The pub breaches are usually at the weekend.
- I can often hear the beat of music from the pub in my house, even though I don't live directly opposite. Sometimes it's loud enough to hear what is being played, which is what was happening before the last licence review.
- The pub appears to regularly serve customers beyond their licensed hours, sometimes until the early hours of the morning.

In addition to the above, customers from the pub are using the streets as though they are part of the pub premises. On the occasions when the pub is very busy, their customers are using the pavements and the roads in large numbers. As well as causing an obstruction for pedestrians and cars, they are also extremely noisy, paying no heed to the fact that it's a residential area. No attempt seems to be made by management to control this. This was happening before and after the lockdown.

I have continued to make complaints to the Council through the period May 2019 – the present date, as have my neighbours.

I, like most residents, still want the premises to be a pub. However, it is apparent from the last two years that the current owner and management will never be able to operate it in a way that is appropriate to the area. The pub provides employment and none of the residents would want to see jobs lost, but this can't be at the expense of the rest of the neighbourhood.

The Queen's Head is registered as an Asset of Community Value (expiring January 2021). After the last two years there is no way it could still be described as such, but I hope that it could be again. Fortunately, there is still The Old Ship on York Square, and this is a prime example of a pub that is a real asset to the area.

As well as the nuisance and licence breaches that have continued since the last review, there has also been a marked increase in criminal activity in the area.

Problems stemming from the pub are spilling out onto surrounding streets, for example, I believe the police were called out to Wakeling Street in the early hours of the morning of July 19<sup>th</sup> because of a fight that had started in the Queen's Head.

Since lockdown was lifted there has been a spate of criminal damage to property. I have not been a victim of this yet, but the attacks have escalated and have included damage from corrosive fluids and attempted arson. These incidents have been reported to the police.

I understand that at least three of my neighbours have had the owner of the Queen's Head lease spitting on the ground in front of them.

At the previous licence review the pub was causing an enormous nuisance to local residents, but now, in my opinion, it is not only an enormous nuisance, but the behaviour of the owner, management and customers have made it a public safety issue too.

I would ask that the licence is revoked as the application requests.

Yours faithfully

Amanda Luscombe

## Queen's Head Diary

### May 2019 (when new conditions were imposed on the licence) to Present

Date	Nuisance/Incident
24 <sup>th</sup> May 2019	The pub has been playing music since 22:00 hrs. Sounds like karaoke. At 22:20 the doors onto the street were still wide open.
1 <sup>st</sup> June 2019	<p>In the afternoon tables and chairs were put on the pavements of Flamborough and Chaseley Street. A licence is needed from the council for this, and I'm assuming that they don't have one. Most residents would object strongly to the granting of a licence for this based on the problems of the last few months. To the best of my knowledge, no previous landlord at the pub has done this.</p> <p>The doors onto Flamborough Street were wide open after 22:00.</p> <p>00:00 approximately there were a couple of people on the pavement on Chaseley Street and even though the blinds were drawn the lights were still on inside the pub. This is what happened before when they were serving after hours.</p>
2 <sup>nd</sup> June 2019	<p>On Sunday afternoon at around 17:00 I heard music (above my TV) and realised that it was coming from the pub. They continued playing music until approximately 20:30. At various points it was loud and I could hear what they were playing quite clearly in my house.</p> <p>On Sunday afternoon after 16:00, several of my neighbours saw the new DPS outside the pub, so I can only assume that he was on site when the condition about regulated entertainment was being breached.</p>
7 <sup>th</sup> June 2019	<p>19:00 From this time and through the evening there were rowdy customers outside the pub off and on.</p> <p>19:45 From this time I could hear faint music coming from the pub and the multi coloured disco lights were flashing.</p>
8 <sup>th</sup> June 2019	<p>15:50 - Heard music from the pub from my sitting room, sounded like a live singer, might have been karaoke.</p> <p>16:40 - Burst of music</p> <p>18:30 - Burst of music</p> <p>19:30 - Sounds like there's music in the pub, but not loud.</p> <p>20:15 - Can hear music and rowdy customers from my sitting room.</p> <p>21:30 - Didn't hear any music after this.</p>
9 <sup>th</sup> June 2019	16:10 - Could hear faint music in the pub.

Date	Nuisance/Incident
	<p>16:30 - Music got louder, could hear the music and the beat in my house.</p> <p>18:23 - Music playing and rowdy customers outside.</p> <p>I could hear music over my TV and very clearly in my bedroom. At around 18:35 there was a reggae track playing with all the doors wide open.</p> <p>Could hear the beat of the music from the back of my house.</p> <p>19:25 - Music/karaoke got louder and continued for the next couple of hours.</p> <p>21:30 - Didn't hear any music after this time.</p>
21 <sup>st</sup> June 2019	<p>On Friday at around 17:20 there was music playing in the pub and the doors were wide open.</p> <p>It got progressively louder through the evening and I could hear music from my sitting room and bedroom. The multi-coloured disco lights were also on. I didn't hear anything after about 22:30, but I think this was because they closed the doors (half an hour late, if that's the case). Off and on through the evening there were rowdy customers outside.</p>
28 <sup>th</sup> June 2019	<p>18:40 - Could hear music in the pub when I walked home</p> <p>20:45 - Music got louder, possibly karaoke, could hear it in my sitting room over the TV</p> <p>22:30 - Music in the pub (quieter than earlier), multi-coloured disco lights on, door onto Flamborough Street open</p>
30 <sup>th</sup> June 2019	<p>18:00 - Music/karaoke, could hear in my sitting room. At times there were particularly loud bursts of music. Bar stools on the street.</p> <p>20:00 - In my garden, could hear karaoke. Very loud for a few minutes.</p>
5 <sup>th</sup> July 2019	<p>There was a very short blast of music/karaoke (probably five minutes) around 18:45, I could hear it over my TV.</p>
6 <sup>th</sup> July 2019	<p>Couldn't hear music in my sitting room, but when I went up to my bedroom around 22:30 I could hear music from the pub, albeit faint.</p>
19 <sup>th</sup> July 2019	<p>Music playing in the pub, could hear faintly.</p> <p>20:40 approximately got louder and could hear the beat in my sitting room when the TV was off.</p>

Date	Nuisance/Incident
	22:10 approximately could hear music, but only faintly, flashing lights going, doors wide open.
26 <sup>th</sup> July 2019	<p>17:30 Walked home past the pub, chairs and tables out on Chaseley Street, doors wide open, music being played inside.</p> <p>Could hear faint music from my bedroom and in my sitting room when the TV was off.</p> <p>21:30 approximately went into my bedroom, music could be heard clearly, sounded like karaoke, flashing lights going.</p> <p>22:50 I think there was music playing faintly in the pub, doors were wide open, flashing lights going.</p>
2 <sup>nd</sup> August 2019	<p>19:00 approximately, could hear the beat of music in my sitting room. Got louder around 21:00, possibly karaoke.</p> <p>22:35 doors wide open onto street.</p> <p>23:00 approximately, very loud customers outside the pub, could hear them from my bathroom which is at the back of the house.</p> <p>23:25 approximately, got even louder, sounded like an altercation of some kind.</p>
5 <sup>th</sup> August 2019	<p>22:00 approximately, could hear music and shouting from inside and outside the pub.</p> <p>22:45 approximately, doors wide open, could still hear music and shouting.</p>
25 <sup>th</sup> August 2019	<p>22:00 Noticed music from the pub when TV off. Doors wide open.</p> <p>01:30 Loud music coming from the pub. Could hear over the TV and quite clearly when I opened my front door to see if it was coming from the pub. The pub looked as though it was shut.</p>
31 <sup>st</sup> August 2019	<p>19:40 Burst of loud music from the pub for 10 minutes or so, could be heard over my TV in the sitting room and from my bedroom. Might have been karaoke.</p> <p>00:45 Music playing in the pub, could hear it from my sitting room and bedroom even though the doors were closed. The lights were on in the pub and they were letting people in and out from the accommodation door onto Flamborough Street that gives access to an internal door to the pub.</p>

Date	Nuisance/Incident
7 <sup>th</sup> September 2019	Doors wide open onto Flamborough Street all Saturday night through to at least 00:15 on Sunday morning. Lights on in the pub at 00:15, so I can only assume that they were breaching their licence conditions. This is the second consecutive weekend they have been open beyond 23:30.
21 <sup>st</sup> September 2019	The pub doors onto Flamborough Street were open at midnight, so I assume that they were breaching their licensed hours again.
31 <sup>st</sup> December 2019	<p>Application for a temporary event was granted by the council for the sale of alcohol and regulated entertainment (recorded music) from 23:00 hours on 31/12/2019 to 02:30 01/01/2020.</p> <p>There was live music still going on until around 3am and the pub didn't close until just after 4am.</p>
20 <sup>th</sup> March 2020	Pub open until 02:30. Rowdy customers were on the street until then. Customers were using the accommodation door on Flamborough Street to access the bar.
8 <sup>th</sup> April 2020	Lights have been on in the bar most nights since it was meant to have closed.
18 <sup>th</sup> April 2020	19:30 Music coming from the pub. It sounded like karaoke at one point.
4 <sup>th</sup> July 2020	<p>For most of the evening there have been groups of people, up to around twenty, on the pavement outside the pub on the Flamborough Street side and it's been pretty noisy.</p> <p>At 00:45 the pub was still open. All the lights were on inside and there were about eight men outside on the street. Customers were using the accommodation door on Flamborough Street to access the bar.</p>
10 <sup>th</sup> July 2020	<p>I could hear the beat of music in my sitting room.</p> <p>Lots of people were outside the pub being very loud, what sounded like a domestic between customers screaming at each other for quite a few minutes.</p>
11 <sup>th</sup> July 2020	I could hear the beat of music in my sitting room over the TV. In my bedroom I could clearly hear the song that was being played.
18 <sup>th</sup> July 2020	<p>Customers on the street being very loud, shouting and shrieking. Most of them were on Chaseley Street, but I could hear all the shouting in Flamborough Street too. The noise pretty much continued all night. Could hear it clearly over my TV and whilst on the phone. Cocaine was being consumed by customers on Chaseley Street.</p> <p>Customers were all over the pavement and the road.</p>

Dear Sir/Madam,

**Re: Queen's Head, 8 Flamborough Street, London, E14 7LS – Review of Premises Licence**

I am writing in reference to the review of the licence for the above

I live at [REDACTED] just opposite the pub, and the main door to the pub, and several of the pub's bars and windows, front directly onto Chaseley Street, diagonally across from my house. It also has an open air area at the back with metal fencing and roof (called a "beer garden"), which is directly opposite my living room and bedroom and the alleyway at the side of the house.

I would like to preface my comments by saying that I was originally one of the local residents who supported the campaign to have the pub designated as an Asset of Community Value, so I would have very much liked to see the pub succeed and continue to be a local asset and a place for local people to have a drink. Sadly that is not what has happened, and there are very few locals who would think of entering this pub because of the way it is operated.

Since the new landlord took over the premises and opened for business in October 2018 the experience has been consistently bad. For the first few months the disturbance was very great – and the Council's revocation of the karaoke licence recognised this early noise and disruption.

Over the 15 months since then however, the operation style of the pub has continued to create extreme noise and cause disturbance, particularly for those opposite it on the south side of Chaseley Street, and in Flamborough Street and York Square. The operators have shown absolutely no respect for the fact that this is (was) a quiet residential area.

The problems experienced, in summary:

- 1) The noise from the pub caused, in particular, by the very rowdy customers who congregate in large numbers on the street and in the “beer garden, and the music coming from inside the pub, is very disruptive and disturbing, and often continues until very late or even early mornings on some Fridays and Saturdays. The noise has occasionally prevented me sleeping, and often made me very stressed. It has also occasionally affected my ability to work. Like others in the street, I work from home, and the shouting and noise in the daytime can be a big nuisance during working hours. I can hear the noise in most parts of the house, but particularly in the living room and bedroom which are at the front, and in the back garden - where the shouting carries along the open alleyway to the back of our houses. The pub doors are always open, and there are almost always large crowds of drinkers and smokers on the street and in the road. This is exacerbated by the practice of using the pub as a venue for wakes and football – without any visible control by management of where customers choose to stand and drink and shout.
- 2) The drinkers in the pub seem to regard the pavements and roads around the pub as a part of the pub premises. They use the street freely, gathering in large rowdy groups outside with the accompanying noise and disturbance. Whilst standing outside, they seem to feel that shouting and swearing is perfectly acceptable, and they seem to be very good at doing this, and are very, very loud. This is not happening as a consequence of lockdown restrictions, it has always happened under this management. And it is not just smokers on the street, most of the people outside are just drinkers.
- 3) Since this landlord took over the premises, he has turned the open air area at the back of the pub (eastern side) into a so called ‘beer garden’ I understand that this is apparently where smokers are supposed to go. The ‘beer garden’ is partially enclosed by metal coverings and fencing. This means that when any more than two people are in the area the noise is very bad as it reverberates and ricochets across the street. Since it is directly opposite my bedroom and living room windows this creates a lot of noise when it is in use, and can also be heard very loudly at the back of our houses in all the gardens on the south side of the street.
- 4) The pub has often been open very late – and there have been drinkers there in some cases well after midnight. When people leave the pub, often after 11.30pm, they often stand on the street shouting, having loud conversations, slamming car doors, waiting for minicabs etc, and this is also very disturbing noise-wise.
- 5) On two different occasions I have seen customers using drugs just outside the pub doors (see diary) , and this is troubling, as it implies an encouragement to the unwelcome increase in drug dealing on this street. I am not saying that this necessarily happens inside the pub, but they are definitely attracting some customers who are using drugs. Since there have been 6 horrible incidents of potentially drug related vandalism recently along the street over the last 3 months, this is worrying.

None of these things happened when the previous landlord was in tenancy. I have lived here for 8 years, and it was never a problem with the pub before. This is a quiet residential street, and any pub here should respect that situation, and not be operated as is currently happening. The Old Ship on the opposite side of York Square is an excellent example of how a well-run pub can add to the amenity of an area

I did not keep a consistent diary of disturbance from the pub after the karaoke licence was revoked last year as I assumed (mistakenly) at the time that the noise wouldn't be so bad after the karaoke was stopped, so I only made an occasional note of when things happened. As a result my attached diary of events doesn't have much in it for 2019.

To conclude, I think that it should be possible and normal for residents to feel safe and undisturbed in their own homes and gardens, and not have everyday life blighted by such bad behaviour.

We should not be so regularly subject to the noise, stress and disturbance that is happening as a result of the way that the pub is currently being managed (or mismanaged). It is reasonable to expect that we should be able to get to sleep, or sit in the living room, without having to listen unwillingly to nightly loud swearing and shouting, and the sound of noisy fights and arguments. It is like living opposite a permanent resident football crowd.

Yours sincerely

Cynthia Grant

Dear Sir/Madam

I would like to make a representation regarding the licensing review of the Queens head Pub in York Square.

Firstly I've never passed the pub after midnight when the lights haven't been on, the blinds dropped and the noise of drinkers inside.

Secondly I live on Salmon Lane across the communal lawn bordered by Flamborough St, Chasely St, Salmon Lane, and Raby St. Although it is about 30 yards across to the pub they often have loud parties on the roof at the back overlooking our lawn with loud music and lots of people showing a complete disregard to social distancing.

The third reason, and I'd admit this is speculation, but I have noticed vandalism to neighbours cars and houses adjacent to the pub and my guess is that these people have complained to the pub about the noise. Also is it right that I have to cross the street to avoid the drinkers crowded outside the pub on the pavement drinking and smoking, I feel intimidated.

Yours Sincerely  
Christopher Ody

Dear Licencing Team,

I am writing in reference to the forthcoming licence review for the Queens Head Public House at 8 Flamborough St. I live almost opposite at [REDACTED]

A few weeks ago I signed a petition in the pub in support of the licence review. I have always supported the pub and I would hate to see it close. In fact I was an active campaigner for its Assest Of Community Value a few years ago. When I signed the petition in the pub I was familiar with some of the disturbances the Queens Head and its patrons had caused to the local community in the last few years. However, I did not feel strongly enough against the pub at the time that I wanted to object to the licence review. At the time I had hoped that the current management might retain their licence and therefore safeguard the premises as a pub, but with a necessarily stiff warning such that they would no longer run it uncontrollably.

Since then however I have learned that a lot of other disturbances have been down to the pub and I have changed my views on the licence application. Furthermore there have been more noise nuisances and incidences including a fight in the pub only this past weekend. In a way this has been the final straw for me and I no longer have the faith that the current management will ever be able to run the pub in the way that it should be run with sufficient respect for the local neighbourhood. I no longer feel the current behaviour can continue and I would like to withdraw my previous support for the licence renewal and object against it.

Your faithfully,

David Richards

Dear Sirs,

Review of a Premises Licence under the Licensing Act 2003

Queens Head  
8 Flamborough Street  
London E14 7LS

I own the property [REDACTED] with my front door in Flamborough Street, opposite the Queens Head which I let out. I have recently been staying in the house and there was considerable disturbance, shouting and noise.

There has been a considerable increase in noise, disturbance, swearing, shouting and general bad behaviour since the change of ownership. Previously there were no problems with the Public house before October 2018.

I would like the unruly behaviour to change and the York Square area to go back to the quiet residential area it was previously.

Yours sincerely

Dear Sir/Madam,

**Re: Queen's Head, 8 Flamborough Street, London, E14 7LS – Review of Premises Licence**

I am writing to submit my comments for the Queen's Head Public House Licence Review.

We moved to [REDACTED] 6 years ago and one of the things that we liked about the street was that there were two pubs on the Square. At that time and for almost 4 years we used to go into the Queens Head mainly on weekends for a drink to support the pub and engage with the local community. Jack and Denise who owned the pub at the time, were very welcoming and also a big part of the social fabric in the community.

Unfortunately all of this changed in October 2018 when the pub was opened under new ownership and management. In the lead up to the pub reopening I was part of a WhatsApp group that was started up by the son and girlfriend of the owner, Thomas Geoffrey. This group was set up in order to try to engage the community and suggest ideas to the new owner, so that our ideas could be carried over in the reopening of the pub.

On the night the pub reopened my partner and I went to the pub to have a drink, at this stage it became apparent that there was not a single person that we knew from the local community in the pub. Most of the people there were complete strangers and not people that we knew.

During the following months there was a lot of nuisance caused by the pub, which led to a Licence Review that was held in April 2019. This review imposed conditions which included the removal of their regulated entertainment music licence. Since then there have been continued breaches of the licence conditions following the review. Please see attached a diary that covers some of these until September 2020. These breaches tend to happen at weekends. This is when the pavements on Flamborough and Chasely Street get extremely busy with customers on the street, drinking/smoking, sometimes blocking the pavements, alongside lots of shouting and swearing. This normally gets worse as the evening progresses and there does not seem to be any attempt from the pub management to control this in anyway.

On one occasion during lockdown I was returning from shopping and unloading the car at about 1.30pm and I noticed a group of approximately 10-12 men standing outside the pub by the side entrance, shortly afterwards they all went into the pub. That evening I noticed that at the back of the pub that there were people drinking. I then saw a group of men leaving after midnight and heard them banging doors and talking loudly as they were leaving.

Since Lockdown has eased the pub has reopened and the problems are now much worse, with increased noise levels and customers leaving the pub after 11.30pm and on some occasions as late as 3.30am. There have been a few occasions when the police have been called, the most recent visit was as Sat 12<sup>th</sup> Sep at around 9pm after an incident occurred and 3 or more police cars/vans arrived at the scene after the incident while the staff were seen clearing away smashed glass outside of the pub. 3 residents have also been spat at by the owner. This is truly disgraceful behaviour, particularly in view of the current pandemic.

My partner and I are both in employment and we are often disturbed late at night by one incident or another and the swearing and loud voices, shouting words that I do not wish to repeat has now become fairly normal. As the behaviour is not controlled the behaviour is becoming more and more unruly.

I would like the premises to continue to be a pub but certainly not in its current format as it has affected our day to day living and quality of our life as well as many of the residents living in Falmborough, Chasely Street and York Square. In addition to all of the above there has been a sharp increase in criminal activity, including several personal attacks on homes and cars of nearby residents, mainly those that have made complaints about the pub. This was never a problem with the previous pub owners, they understood the importance of keeping the residents and local community happy particularly as the pub was in a quiet residential area.

I would ask that the licence is reviewed / revoked as the application requests, however, all of our personal information must be **anonymous**, remain strictly confidential and not be disclosed.

At this stage we have not been subjected to personal attacks, however, if this should happen in the future I will assume that it is because we have made a complaint and that our details have been shared and/or published.

Yours faithfully

Enrique Casarrubios

Re: The Queen's Head Pub, 8 Flamborough Street, E14 7LS

Since this Manager arrived back in October 2018 it has been very difficult and extremely challenging living in our house.

I live opposite the pub in the same street [REDACTED] on the other side of the road.

Most Fridays and Saturdays when I am in the bedroom relaxing and watching TV I can hear rowdy customers outside the pub. I can also hear loud music from inside the pub above the TV. I can hear all the customer conversations and very loud laughter in the bedroom. I cannot even hear the TV as the noise from the customers outside the pub drowns the sound. It is also a struggle to sleep with the noise in the street. These customers are taking the street over every weekend.

I dread the weekends as I am always anxious of what is going to happen. With the noise this pub is generating I do not enjoy my weekends as I am too tired from lack of sleep. Late night lock ins also take place until early hours.

I am a key worker working from home and deliver Fibre Broadband to large Communication Providers. I work some Saturdays and find this is a struggle as I feel very tired from being kept up with the noise from Friday nights. My work involves a lot of concentration as the role is very technical as it involves the configuration of bringing Broadband Ports into service with engineers in exchanges and carrying out live end to end testing for customer delivery. My work has been very busy throughout the lockdown as this Broadband delivery has been keeping the country connected.

Even when the music licence and live entertainment was removed by the local council this operator was still breaching and totally ignoring what was outlined at the Licencing hearing in April 2019. Our community would email Licencing and environmental health to provide this information each weekend it varied from a Friday night, Saturday night to a Sunday afternoon. Rules and regulations could not be kept by this operator. **Please see Queens Head Tracker 2019/2020.**

This operator has been given several chances by Tower Hamlets council and on each occasion he has failed to run this pub in the correct way. This operator and management team are totally unfit to have any form of involvement with any pub.

This Publican and management never could control their customers. A funeral wake in September 2019 caused utter chaos until late in the evening. This was completely out of control with customers down the street and in the road. The noise was horrendous in the street. This was on a week day and completely unfair to the residents to have to put up with this kind of behaviour in the both streets. Customers were still present in the street after midnight.

On Saturday 18 July 2020 again he failed to keep control. Lots of customers were in the street leaning on residents cars. Also outside the lounge window of an elderly lady that lives on her own. Music was loud as well. It was like a nightclub in Spain until late in the evening. I was on the phone that evening and the person I was talking to could hear the noise generated by the customers in the street.

Living here over 30 years there has never been any issues with this pub. Never knew the pub was there. All the previous owners respected the community. All owners were a very big part of the community. It was a nice pub for the neighbourhood to meet and socialise and enjoy the weekend sky sports. This is not the case now as none of the local and immediate community go there. This option and choice has been totally removed from our neighbourhood.

We went into the pub with **ALL** the previous owners but will not go anywhere near this pub now. We do not even walk down that end of the street if possible. We are both uncomfortable and concerned in case of abuse or potential comments being made. Most of the time we enter the street from the other end. To both of us now that side of the road does not exist. We both feel this is a public safety issue.

The community is now divided and always on full alert in case a call needs to be made to Tower Hamlets noise team or the police.

This publican goes around spitting at residents so far it has been 3 local women in recent weeks. Totally unacceptable behaviour during a COVID 19 Pandemic.

The Old Ship Pub in York Square is a fine example of a pub that is well run. The owner has the upmost respect for the community and always engages with all the residents. He is always polite and courteous at all times.

This community has put up with enough in the time that this operator and management team have been present. There has been no end to this mental abuse caused by this noise nuisance most weekends in nearly 2 years.

This owner is completely disrespectful and has no consideration for anyone in this community. This unacceptable attitude and behaviour should not be allowed to continue at the community's expense.

Yours Faithfully

Elaine and John Fanning

Dear Ms Holland,

Thank you for drawing my attention to the right for the applicant to see a full version of my email, and in which case will you please use this version; spelling mistake removed and my address removed.

Dear Sir, Madam

I am writing with regard to the licence review at the Queen's Head public house on Flamborough Street, E14. I am not against the pub per se but i am disappointed by the increasing occurrence of poor behaviour which is spilling out onto neighbouring streets. The Queens Head could be a good community pub but sadly this isn't the case and instead it is setting the bar very low for what should be good behaviour. I would like the management to take action to prevent this happening and for the council and police to take action if there is no change.

Warmly,

I. McLoughlin

Dear Sir/Madam,

**Re: Queen's Head, 8 Flamborough Street, London, E14 7LS – Review of Premises License**

I am writing to submit my comments regarding the review of the Queen's Head public house license.

I have lived in [REDACTED] for over twenty years, and have felt that the area has been one with a welcoming, inclusive sense of community. When, some two years ago, the previous licensees of the Queen's Head left, I was saddened of rumours that the premises would no longer be used as a public house, but then were pleased to hear that it was indeed to continue to be licensed, and hoped that the new owners would not only continue to create a place that felt part of the community and would continue, as had the previous owners, to respect that area and needs of neighbours.

Alas, under the new management, that has been far from the case. with continued breaches of the license granted to the pub, creating considerable disturbances to the area.

I know neighbours have also written to lodge letters for the case against allowing the license to continue, so I will not repeat the litany of complaints that you will be reading elsewhere, but will summarise some of the key issues that make it clear that the current licence is not been followed, and should therefore be revoked. Briefly:

- The breaches of the licensing most happen at the weekend.
- Customers seem regularly to be being served well beyond the pub's licensed hours, sometimes until the early hours of the morning.
- The noise levels are unacceptable. Not only can I hear from my bedroom the music being played from inside the pub, but the overspill of customers onto the pavement creates an additional level of noise, which the pub management appears to make no effort to control this.

To have Queen's Head registered as an Asset of Community Value is now a mockery, and any excuses for the disturbances being a consequence of being in an area of dense housing, do not hold water – the Old Ship on York Square is a model of how a community pub can operate.

The previous license review arose in the light of the pub being considered a nuisance to local residents, but things have not improved since then and the disturbances caused have deteriorated still further.

I urge you to revoke the license as requested in the application. Yours faithfully

[REDACTED]

To the Licencing committee,

**Reference Queens Head Public House, 8 Flamborough Street E14 7LS.**

I strongly recommend to you the committee, this pub has its licence revoked on the grounds the present holder of the lease seems unable to keep an orderly house and has nothing but utter contempt for local residents or the impact some of his clientele's behaviour is having on our lives. I had hoped that after the review in April 2019 that the noise and anti-social behaviour would have stopped, unfortunately it's worsened.

The noise and screaming has got worse, the smell of drugs is overpowering and there is an element of youth behaving like jobs not to mention women screaming late at night into the early hours or the music emanating from the premises

Social distancing seems not to apply, which is rather foolish.

I have heard and witnessed all this and the intimidation.

On 21<sup>st</sup> August the individual Mr Jeffries senior spat at me in the street on my way to Tesco.

He didn't have to as he had no reason.

His action just demonstrated his utter contempt for local residents.

After the review in April 2019 it was made known that those of us who had complained were not welcome there which is fine as I would not set foot inside.

It really doesn't matter, his intimidation tactics won't work on me.

We fully expect repercussions from this individual should you revoke the licence which for all residents sake's I hope you will.

None of us has anything against the pub just the present associates and relatives that occupy the premises.

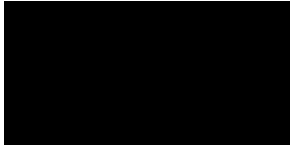

No one wants to see anyone lose their living or jobs but there are exceptions.

Yours Sincerely

Maria Graydon

Dear Sir/Madam,

**Re: Queen's Head, 8 Flamborough Street, London, E14 7LS – Review of Premises Licence**

I am writing to submit my comments for the Queen's Head public house licence review.

I have lived in  for almost fifteen years. The area has always been quiet, until the change of management at the pub. Now it's very noisy on the street. When the pub plays music I can't hear it in my sitting room because I have secondary glazing, however, when I am in my bedroom I can hear the music. I can also hear very noisy customers on the street and inside the pub, especially when there is football, but also on other occasions, this sometimes goes on until the early hours. There are frequently heated arguments and domestics from the pub customers which carry on down the street and into surrounding areas.

Residents no longer walk on the pavement past the pub because there are rowdy customers and they feel intimidated. People have started walking in the road, on the opposite side of the street, or using other streets to avoid this. I have had comments from customers, and other people have been approached by pub customers and were made to feel very uncomfortable.

The owner of the Queen's Head lease has spat on the ground in front of several residents, including me in the last couple of months. One of these incidents was reported to the police.

The area has become increasingly tense and there has also been a spate of very serious vandalism, including attempted arson. This has happened since lockdown was lifted. I suffer with anxiety and this is very detrimental to my health and affects my sleeping.

We (the residents) do not want this in our street. We want to be able to relax in our own homes.

My grandchildren stay at my house once a fortnight from Friday to Sunday, and I don't want them to be disturbed by all the rowdiness from the pub through the evening and into the early hours of the morning.

In my view the ownership and management have shown absolutely no consideration to residents.

I would ask that the licence is revoked.

Yours faithfully

Mandy Loveday

10<sup>th</sup> September 2020

Dear Sir/Madam,

**Re: Queen's Head, 8 Flamborough Street, London, E14 7LS – Review of Premises Licence**

I am writing to submit my comments for the Queen's Head public house licence review.

There have been a number of incidents where the police have been called to the pub, including one in April 2019 when a customer was stripped down to his underwear whilst in the pub and thrown out onto the street. He was attacked on the street and was bleeding badly. No one wanted to make any allegations so this wasn't taken any further. These sorts of incidents should not be allowed to happen and I don't believe that the pub is taking their responsibility to their customers and residents seriously.

Once the new conditions came into effect following the licence review, there was no real change and the pub consistently breached the new conditions.

Since the lockdown there has been a lot of disturbance coming from the pub. There are large numbers of customers outside on the pavements and the roads and they are extremely noisy. There is shouting that I can hear from my house and I live five doors away. We don't have double glazing so the noise is very intrusive and means that during the summer windows and doors have to be shut. I am unable to sleep with the window open at night because of the noise which carries on long past the hours when they should have shut, but haven't.

The pub doesn't seem to take any responsibility for the behaviour of their customers once they have left the premises and leave them to become the problem of the residents.

There has been an increase in criminal activity in the area.

I recently had the owner of the pub's lease spit on the ground in front of me whilst I walked on the pavement. This is disgusting behaviour and also happened during the Covid-19 restrictions, so is even more unacceptable.

This used to be a very nice, welcoming, area to live, but is now not so appealing.

I have lived in the street for twenty five years and my parents lived here until they died. My father's wake was held at the pub and the owners were lovely and were the heart of the community even though they'd only been here for a few years. They showed nothing but respect for their neighbours and the community supported them wholeheartedly.

In earlier times my father had problems with the pub, but not with the publican who was there until late 2018.

I don't want the pub to be closed, but I do want the pub to be owned and managed by someone who can run it in a proper manner and will engage with the community. Currently hardly anyone in the immediate area uses the pub.

I ask that the licence is revoked as requested by Environmental Health.

Yours faithfully

Donna McLoughlin

Queen's Head - 8 Flamborough Street E14 7LS

Sandra Hanshaw's submission for the licence review

I have lived here over 43 years and all the previous owners of the Queens Head pub have never on any occasion been an issue.

All the previous owners were completely engaged with the residents and treated all of the community with full respect. Every owner that managed this pub was a very big part of our neighbourhood.

The manager of the Old Ship in York Square is always very polite and always has time for people. The pub is run very well. The community are his priority and he is extremely considerate to each and every one of us.

On several occasions I have been disturbed and completely woken up from sleep. I have had to move into another room in my home to block out the loud music and extremely loud conversations in the street. Every weekend I sleep with ear plugs in to block out this noise nuisance. This is not a night of rest for me at all. With this ongoing issue I am finding it difficult to enjoy my weekends as tiredness takes over.

My two young grand children have stayed with me on weekends and they have been woken up every time from the loud music and conversations in the street. On hot summer nights the windows have remained closed to block out noise. Even with windows closed this has not helped the situation at all. Everything can still be heard.

The two streets every weekend are subjected to noise nuisance due to very loud conversations. Public safety is now an issue with large groups of customers congregating outside. Customers are taking over the 2 streets.

I am finding this pub extremely difficult and challenging as this operator cannot control his out of control customers. Every weekend it's the same shouting, loud music and high pitched screaming which I feel I should not have to hear or put up with in my own home.

This operator does not keep to rules and regulations and this behaviour and lack of respect I feel cannot continue. This is unacceptable for the whole community.

Yours faithfully

Sandra Hanshaw

September 6<sup>th</sup> 2020.

L.B.T.H. Licensing Authority.

Dear Sirs,

I have lived at [redacted] since May 2006. My house is about halfway between The Queen's Head and The Old Ship. I use both pubs once or twice a week.

A pub by definition is a gathering place for social interaction. The trade is under pressure, pubs are closing, Covid-19 hasn't helped. A popular pub will attract customers from outside the local area, generating more traffic movements and increasing demand on parking.

Regarding the stated grounds for review of The Queen's Head licence: I don't know all the existing conditions but I can say that on nights I have visited, the pub has shut at 11 p.m. or earlier; there has been no live music and customers have remained

street drinkers, drug users, mainly cannabis smokers, and groups of young Asian lads. Youth and alcohol are not a good mix, and there have been problems. By and large the others, many of whom are veterans suffering from P.T.S.D. or related mental health problems sustained in their service to their Country keep to themselves. It's unrightfully but cannot be blamed on The Queen's Head.

The most disruptive nuisance comes from youngsters parked up late at night with their car stereo systems pumped up. They leave litter, drug detritus, namely nitrous oxide canisters, rev their engines and drive at ridiculous speed on residential streets. This has been going on for years and hasn't noticeably increased since the present owners took over the pub.

In conclusion: any pub will have occasional problems. This is E14, not S.W.1. after all. But a pub is a community asset and the occasional problem is a price we pay. Sincerely,  
Pamela Bourne

Dear Corinne,

Thanks for the pdf. The first page is missing the bottom half? It looks like the scan has missed the lower paragraphs.

I'd be grateful if you would add the following to my submission:

"If the license for the Queen's Head is refused I am concerned that the pub could be shut, mothballed for a year or two, and a change of use to residential applied for.

Within a few hundred yards of the Queen's Head we have lost four pubs to residential in the last 20 years (The Colet Arms, The White Horse, both on White Horse Road, The Mercer's Arm, Belgrave Street, and The Royal Navy on Salmon Lane).

Without landlord John Fell's efforts The Old Ship, directly opposite The Queen's Head across the Square would also have been lost. The Queen's Head converted could accommodate five or six flats at £600,000 each. That is a temptation for any developer.

Pubs hold a valued place in communities and once lost are gone for good."

Thanks very much.

We would like to say that we live at

We find ourselves writing again,  
in support of THE QUEEN'S HEAD, public house.

We have no problems with our local pub.  
Infact we feel safe as a form of  
security, with our back wall facing the

also.

We are always made feel welcome, when  
we pop in and have a drink and a chat,

I wish to make representations on the above subject.

My address is [REDACTED]

My comments address the issue of 'continually causing a disturbance to residents'.

The Queens Head operates a policy of no drinks outside and notices to this effect are posted in the pub. During very hot days this summer there is no point in denying that, on occasion, groups have moved tables and chairs outside the pub and there has been drinking outside the pub. This has happened on occasion and is not a regular feature of the pub. The pub management should be present, especially in the late afternoon and evening and empower staff to police the pub's own rules and regulations.

During the Covid19 pandemic I understand that landlords should not use fans in their pubs, contributing to the heat inside the pub.

I live reasonably close to the pub. In my view, this has been a minor contravention of the licensing requirements.

The pub, along with other pubs in the local area are a massive asset of community value, which serve their public as a place for social interaction which I for one missed dearly during the pandemic lockdown. These issues of hosting social gatherings affect people's mental health as well.

I have heard that a few residents in Aston Street have cited noise nuisance from the pub as a reason for shutting the pub down. My house is on the corner of Salmon Lane and Aston Street and is therefore the nearest house facing Aston Street to the pub. I can honestly say that I have never hear a noise nuisance from the pub.

I am also of the view that if you choose to live near to a pub, you must accept a reasonable degree of noise from the pub, it come with the territory.

There has been a pub in this location for well over a hundred years. Originally a Youngs Pub, but now a free house. With winter approaching I am sure that the outside nuisance will abate as the cold weather sets in. It would be a massive loss to the area if the Queens Head's licence were to be revoked. Please do not revoke the licence!

To Whom it may Concern-

I am the tenant of the above address, I have lived here for about 4 years, I am in very close position to the Queens Head pub, My Bedroom is at the back of the house which is closest to the pub, I am a very light sleeper and I am not disturbed by any noise of the pub or even passing people -

I do understand when there is a funeral gathering at the pub there is more people and more cars, but as any funeral most only stay for a short time and then they go, there will always be a few who stay longer, but we will all need this service one day. In life I think we should all learn to be more understanding of peoples needs. I love the pub being open and trading, than another empty shell of a building

Mrs. M. Paul

Dear Sir, Madam,

I am just writing with concern of the public house THE QUEENS HEAD, which is one of the pubs on our square. I have lived here now for over 6 years and knew when I moved in about the two pubs, they are a great asset to our community, not only as a meeting place of course is great but also a place where we feel comfortable to just stop have a chat even sit outside when walking my dogs, I am a lone parent and this gives me great pleasure to be welcomed and involved in

this great community. I have  
wrote this letter as I saw  
a complaint on one of the  
light post round the square,

As we all knew when we  
moved in that this square  
has always had these two  
pubs and cannot understand  
why people are only picking  
out The Queens Head. It

is a lovely pub and been  
decorated beautifully. We  
do get a bit of noise

from both pubs but people  
have to live. It is so sad that

so many public house have  
closed in the East End, we

want to keep these pubs as  
they are keeping the East

ages and backgrounds can  
be socially involved in this

To Whom It may Concern

My name is Tina Rowe and my husband is Michael Rowe. We live at [REDACTED] [REDACTED] which is less than 100 feet away from the Queens Head.

We would like to raise our concerns that people are complaining about the noise, public nuisance and disturbance to the local residents from the pub. We can honestly say that we have never heard anything to warrant this action, as with all public houses you must expect some noise on occasions when people are leaving the premises but it has never been that much to bother us.

We have more concerns and lots more noise from the Old Ship on Barnes Street which is on the opposite corner to us and especially in the warmer months as they have tables and chairs outside and it can be extremely crowded and noisy.

I don't understand how people are complaining about the Queens Head when the Old Ship is much more ~~noisy~~ noisy. I think the people/person that's complaining is making it a personal issue and maybe a vendetta towards them.

I would like to state that neither myself or my husband do not drink so we don't have any affiliation to either of the pubs

I hope this will help to clarify the matter and it can be resolved amicably.

Yours Sincerely

Tina Rowe.

# 11. Reviews

## The review process

- 11.1 The proceedings set out in the 2003 Act for reviewing premises licences and club premises certificates represent a key protection for the community where problems associated with the licensing objectives occur after the grant or variation of a premises licence or club premises certificate.
- 11.2 At any stage, following the grant of a premises licence or club premises certificate, a responsible authority, or any other person, may ask the licensing authority to review the licence or certificate because of a matter arising at the premises in connection with any of the four licensing objectives.
- 11.3 An application for review may be made electronically, provided that the licensing authority agrees and the applicant submits a subsequent hard copy of the application, if the licensing authority requires one. The licensing authority may also agree in advance that the application need not be given in hard copy. However, these applications are outside the formal electronic application process and may not be submitted via GOV.UK or the licensing authority's electronic facility.
- 11.4 In addition, the licensing authority must review a licence if the premises to which it relates was made the subject of a closure order by the police based on nuisance or disorder and the magistrates' court has sent the authority the relevant notice of its determination, or if the police have made an application for summary review on the basis that premises are associated with serious crime and/or disorder.
- 11.5 Any responsible authority under the 2003 Act may apply for a review of a premises licence or club premises certificate. Therefore, the relevant licensing authority may apply for a review if it is concerned about licensed activities at premises and wants to intervene early without waiting for representations from other persons. However, it is not expected that licensing authorities should normally act as responsible authorities in applying for reviews on behalf of other persons, such as local residents or community groups. These individuals or groups are entitled to apply for a review for a licence or certificate in their own right if they have grounds to do so. It is also reasonable for licensing authorities to expect other responsible authorities to intervene where the basis for the intervention falls within the remit of that other authority. For example, the police should take appropriate steps where the basis for the review is concern about crime and disorder or the sexual exploitation of children. Likewise, where there are concerns about noise nuisance, it is reasonable to expect the local authority exercising environmental health functions for the area in which the premises are situated to make the application for review.
- 11.6 Where the relevant licensing authority does act as a responsible authority and applies for a review, it is important that a separation of responsibilities is still achieved in this process to ensure procedural fairness and eliminate conflicts of interest. As outlined previously in Chapter 9 of this Guidance, the distinct functions of acting as licensing authority and responsible authority should be exercised by different officials to ensure a separation of responsibilities. Further information on how licensing authorities should achieve this separation of responsibilities can be found in Chapter 9, paragraphs 9.13 to 9.19 of this Guidance.

- 11.7 In every case, any application for a review must relate to particular premises in respect of which there is a premises licence or club premises certificate and must be relevant to the promotion of one or more of the licensing objectives. Following the grant or variation of a licence or certificate, a complaint regarding a general issue in the local area relating to the licensing objectives, such as a general (crime and disorder) situation in a town centre, should generally not be regarded as a relevant representation unless it can be positively tied or linked by a causal connection to particular premises, which would allow for a proper review of the licence or certificate. For instance, a geographic cluster of complaints, including along transport routes related to an individual public house and its closing time, could give grounds for a review of an existing licence as well as direct incidents of crime and disorder around a particular public house.
- 11.8 Where a licensing authority receives a geographic cluster of complaints, the authority may consider whether these issues are the result of the cumulative impact of licensed premises within the area concerned. In such circumstances, the authority may also consider whether it would be appropriate to include a special policy relating to cumulative impact within its licensing policy statement. Further guidance on cumulative impact policies can be found in Chapter 14 of this Guidance.
- 11.9 Representations must be made in writing and may be amplified at the subsequent hearing or may stand in their own right. Additional representations which do not amount to an amplification of the original representation may not be made at the hearing. Representations may be made electronically, provided the licensing authority agrees and the applicant submits a subsequent hard copy, unless the licensing authority waives this requirement.
- 11.10 Where authorised persons and responsible authorities have concerns about problems identified at premises, it is good practice for them to give licence holders early warning of their concerns and the need for improvement, and where possible they should advise the licence or certificate holder of the steps they need to take to address those concerns. A failure by the holder to respond to such warnings is expected to lead to a decision to apply for a review. Co-operation at a local level in promoting the licensing objectives should be encouraged and reviews should not be used to undermine this co-operation.
- 11.11 If the application for a review has been made by a person other than a responsible authority (for example, a local resident, residents' association, local business or trade association), before taking action the licensing authority must first consider whether the complaint being made is relevant, frivolous, vexatious or repetitious. Further guidance on determining whether a representation is frivolous or vexatious can be found in Chapter 9 of this Guidance (paragraphs 9.4 to 9.10).

## **Repetitious grounds of review**

- 11.12 A repetitious ground is one that is identical or substantially similar to:
- a ground for review specified in an earlier application for review made in relation to the same premises licence or certificate which has already been determined; or
  - representations considered by the licensing authority when the premises licence or certificate was granted; or
  - representations which would have been made when the application for the premises

licence was first made and which were excluded then by reason of the prior issue of a provisional statement; and, in addition to the above grounds, a reasonable interval has not elapsed since that earlier review or grant.

- 11.13 Licensing authorities are expected to be aware of the need to prevent attempts to review licences merely as a further means of challenging the grant of the licence following the failure of representations to persuade the licensing authority on an earlier occasion. It is for licensing authorities themselves to judge what should be regarded as a reasonable interval in these circumstances. However, it is recommended that more than one review originating from a person other than a responsible authority in relation to a particular premises should not be permitted within a 12 month period on similar grounds save in compelling circumstances or where it arises following a closure order.
- 11.14 The exclusion of a complaint on the grounds that it is repetitious does not apply to responsible authorities which may make more than one application for a review of a licence or certificate within a 12 month period.
- 11.15 When a licensing authority receives an application for a review from a responsible authority or any other person, or in accordance with the closure procedures described in Part 8 of the 2003 Act (for example, closure orders), it must arrange a hearing. The arrangements for the hearing must follow the provisions set out in regulations. These regulations are published on the Government's legislation website ([www.legislation.gov.uk](http://www.legislation.gov.uk)). It is particularly important that the premises licence holder is made fully aware of any representations made in respect of the premises, any evidence supporting the representations and that the holder or the holder's legal representative has therefore been able to prepare a response.

## **Powers of a licensing authority on the determination of a review**

- 11.16 The 2003 Act provides a range of powers for the licensing authority which it may exercise on determining a review where it considers them appropriate for the promotion of the licensing objectives.
- 11.17 The licensing authority may decide that the review does not require it to take any further steps appropriate to promoting the licensing objectives. In addition, there is nothing to prevent a licensing authority issuing an informal warning to the licence holder and/or to recommend improvement within a particular period of time. It is expected that licensing authorities will regard such informal warnings as an important mechanism for ensuring that the licensing objectives are effectively promoted and that warnings should be issued in writing to the licence holder.
- 11.18 However, where responsible authorities such as the police or environmental health officers have already issued warnings requiring improvement – either orally or in writing – that have failed as part of their own stepped approach to address concerns, licensing authorities should not merely repeat that approach and should take this into account when considering what further action is appropriate. Similarly, licensing authorities may take into account any civil immigration penalties which a licence holder has been required to pay for employing an illegal worker.
- 11.19 Where the licensing authority considers that action under its statutory powers is appropriate, it may take any of the following steps:

- modify the conditions of the premises licence (which includes adding new conditions or any alteration or omission of an existing condition), for example, by reducing the hours of opening or by requiring door supervisors at particular times;
- exclude a licensable activity from the scope of the licence, for example, to exclude the performance of live music or playing of recorded music (where it is not within the incidental live and recorded music exemption)<sup>10</sup>;
- remove the designated premises supervisor, for example, because they consider that the problems are the result of poor management;
- suspend the licence for a period not exceeding three months;
- revoke the licence.

11.20 In deciding which of these powers to invoke, it is expected that licensing authorities should so far as possible seek to establish the cause or causes of the concerns that the representations identify. The remedial action taken should generally be directed at these causes and should always be no more than an appropriate and proportionate response to address the causes of concern that instigated the review.

11.21 For example, licensing authorities should be alive to the possibility that the removal and replacement of the designated premises supervisor may be sufficient to remedy a problem where the cause of the identified problem directly relates to poor management decisions made by that individual.

11.22 Equally, it may emerge that poor management is a direct reflection of poor company practice or policy and the mere removal of the designated premises supervisor may be an inadequate response to the problems presented. Indeed, where subsequent review hearings are generated by representations, it should be rare merely to remove a succession of designated premises supervisors as this would be a clear indication of deeper problems that impact upon the licensing objectives.

11.23 Licensing authorities should also note that modifications of conditions and exclusions of licensable activities may be imposed either permanently or for a temporary period of up to three months. Temporary changes or suspension of the licence for up to three months could impact on the business holding the licence financially and would only be expected to be pursued as an appropriate means of promoting the licensing objectives or preventing illegal working. So, for instance, a licence could be suspended for a weekend as a means of deterring the holder from allowing the problems that gave rise to the review to happen again. However, it will always be important that any detrimental financial impact that may result from a licensing authority's decision is appropriate and proportionate to the promotion of the licensing objectives and for the prevention of illegal working in licensed premises. But where premises are found to be trading irresponsibly, the licensing authority should not hesitate, where appropriate to do so, to take tough action to tackle the problems at the premises and, where other measures are deemed insufficient, to revoke the licence.

<sup>10</sup> See chapter 15 in relation to the licensing of live and recorded music.

## Reviews arising in connection with crime

- 11.24 A number of reviews may arise in connection with crime that is not directly connected with licensable activities. For example, reviews may arise because of drugs problems at the premises, money laundering by criminal gangs, the sale of contraband or stolen goods, the sale of firearms, or the sexual exploitation of children. Licensing authorities do not have the power to judge the criminality or otherwise of any issue. This is a matter for the courts. The licensing authority's role when determining such a review is not therefore to establish the guilt or innocence of any individual but to ensure the promotion of the crime prevention objective.
- 11.25 Reviews are part of the regulatory process introduced by the 2003 Act and they are not part of criminal law and procedure. There is, therefore, no reason why representations giving rise to a review of a premises licence need be delayed pending the outcome of any criminal proceedings. Some reviews will arise after the conviction in the criminal courts of certain individuals, but not all. In any case, it is for the licensing authority to determine whether the problems associated with the alleged crimes are taking place on the premises and affecting the promotion of the licensing objectives. Where a review follows a conviction, it would also not be for the licensing authority to attempt to go beyond any finding by the courts, which should be treated as a matter of undisputed evidence before them.
- 11.26 Where the licensing authority is conducting a review on the grounds that the premises have been used for criminal purposes, its role is solely to determine what steps should be taken in connection with the premises licence, for the promotion of the crime prevention objective. It is important to recognise that certain criminal activity or associated problems may be taking place or have taken place despite the best efforts of the licence holder and the staff working at the premises and despite full compliance with the conditions attached to the licence. In such circumstances, the licensing authority is still empowered to take any appropriate steps to remedy the problems. The licensing authority's duty is to take steps with a view to the promotion of the licensing objectives and the prevention of illegal working in the interests of the wider community and not those of the individual licence holder.
- 11.27 There is certain criminal activity that may arise in connection with licensed premises which should be treated particularly seriously. These are the use of the licensed premises:
- for the sale and distribution of drugs controlled under the Misuse of Drugs Act 1971 and the laundering of the proceeds of drugs crime;
  - for the sale and distribution of illegal firearms;
  - for the evasion of copyright in respect of pirated or unlicensed films and music, which does considerable damage to the industries affected;
  - for the illegal purchase and consumption of alcohol by minors which impacts on the health, educational attainment, employment prospects and propensity for crime of young people;
  - for prostitution or the sale of unlawful pornography;
  - by organised groups of paedophiles to groom children;
  - as the base for the organisation of criminal activity, particularly by gangs;

- for the organisation of racist activity or the promotion of racist attacks;
- for employing a person who is disqualified from that work by reason of their immigration status in the UK;
- for unlawful gambling; and
- for the sale or storage of smuggled tobacco and alcohol.

11.28 It is envisaged that licensing authorities, the police, the Home Office (Immigration Enforcement) and other law enforcement agencies, which are responsible authorities, will use the review procedures effectively to deter such activities and crime. Where reviews arise and the licensing authority determines that the crime prevention objective is being undermined through the premises being used to further crimes, it is expected that revocation of the licence – even in the first instance – should be seriously considered.

## **Review of a premises licence following closure order or illegal working compliance order**

11.29 Licensing authorities are subject to certain timescales, set out in the legislation, for the review of a premises licence following a closure order under section 80 of the Anti-social Behaviour, Crime and Policing Act 2014 or an illegal working compliance order under section 38 of and Schedule 6 to the Immigration Act 2016. The relevant time periods run concurrently and are as follows:

- when the licensing authority receives notice that a magistrates' court has made a closure order it has 28 days to determine the licence review – the determination must be made before the expiry of the 28th day after the day on which the notice is received;
- the hearing must be held within ten working days, the first of which is the day after the day the notice from the magistrates' court is received;
- notice of the hearing must be given no later than five working days before the first hearing day (there must be five clear working days between the giving of the notice and the start of the hearing).

## **Review of a premises licence following persistent sales of alcohol to children**

11.29 The Government recognises that the majority of licensed premises operate responsibly and undertake due diligence checks on those who appear to be under the age of 18 at the point of sale (or 21 and 25 where they operate a Challenge 21 or 25 scheme). Where these systems are in place, licensing authorities may wish to take a proportionate approach in cases where there have been two sales of alcohol within very quick succession of one another (e.g., where a new cashier has not followed policy and conformed with a store's age verification procedures). However, where persistent sales of alcohol to children have occurred at premises, and it is apparent that those managing the premises do not operate a responsible policy or have not exercised appropriate due diligence, responsible authorities should consider taking steps to ensure that a review of the licence is the norm in these circumstances. This is particularly the case where there has been a prosecution for the offence under section 147A or a closure notice has been given under section 169A of the 2003 Act. In determining the review, the licensing authority should consider revoking the licence if it considers this appropriate.

Updated April 2018

## Crime and disorder

- 2.1 Licensing authorities should look to the police as the main source of advice on crime and disorder. They should also seek to involve the local Community Safety Partnership (CSP).
- 2.2 In the exercise of their functions, licensing authorities should seek to co-operate with the Security Industry Authority (“SIA”) as far as possible and consider adding relevant conditions to licences where appropriate. The SIA also plays an important role in preventing crime and disorder by ensuring that door supervisors are properly licensed and, in partnership with police and other agencies, that security companies are not being used as fronts for serious and organised criminal activity. This may include making specific enquiries or visiting premises through intelligence led operations in conjunction with the police, local authorities and other partner agencies. Similarly, the provision of requirements for door supervision may be appropriate to ensure that people who are drunk, drug dealers or people carrying firearms do not enter the premises and ensuring that the police are kept informed.
- 2.3 Conditions should be targeted on deterrence and preventing crime and disorder including the prevention of illegal working in licensed premises (see paragraph 10.10). For example, where there is good reason to suppose that disorder may take place, the presence of closed-circuit television (CCTV) cameras both inside and immediately outside the premises can actively deter disorder, nuisance, anti-social behaviour and crime generally. Some licence holders may wish to have cameras on their premises for the prevention of crime directed against the business itself, its staff, or its customers. But any condition may require a broader approach, and it may be appropriate to ensure that the precise location of cameras is set out on plans to ensure that certain areas are properly covered and there is no subsequent dispute over the terms of the condition.
- 2.4 The inclusion of radio links and ring-round phone systems should be considered an appropriate condition for public houses, bars and nightclubs operating in city and town centre leisure areas with a high density of licensed premises. These systems allow managers of licensed premises to communicate instantly with the police and facilitate a rapid response to any disorder which may be endangering the customers and staff on the premises.

- 2.5 Conditions relating to the management competency of designated premises supervisors should not normally be attached to premises licences. It will normally be the responsibility of the premises licence holder as an employer, and not the licensing authority, to ensure that the managers appointed at the premises are competent and appropriately trained. The designated premises supervisor is the key person who will usually be responsible for the day to day management of the premises by the premises licence holder, including the prevention of disorder. A condition of this kind may only be justified as appropriate in rare circumstances where it can be demonstrated that, in the circumstances associated with particular premises, poor management competency could give rise to issues of crime and disorder and public safety.
- 2.6 The prevention of crime includes the prevention of immigration crime including the prevention of illegal working in licensed premises. Licensing authorities should work with Home Office Immigration Enforcement, as well as the police, in respect of these matters. Licence conditions that are considered appropriate for the prevention of illegal working in licensed premises might include requiring a premises licence holder to undertake right to work checks on all staff employed at the licensed premises or requiring that a copy of any document checked as part of a right to work check are retained at the licensed premises.

# Appendix 30

## Crime and Disorder

- 7.1 Licensed premises, especially those offering late night / early morning entertainment, alcohol and refreshment for large numbers of people, can be a source of crime and disorder problems and to store prescribed information.
- 7.2 When addressing crime and disorder the applicant should initially identify any particular issues (having regard to their particular type of premises and / or activities) which are likely to adversely affect the promotion of the crime and disorder licensing objective. Such steps as are required to deal with these identified issues should be included within the applications operating schedule. Where the Metropolitan Police, acting as a responsible authority, makes recommendations in respect of an application relating to the licensing objectives the Licensing Authority would expect the applicant to incorporate these into their operating schedule.
- 7.3 Applicants are recommended to seek advice from Council Officers and the Police as well as taking into account, as appropriate, local planning and transport policies, with tourism, cultural and crime prevention strategies, when preparing their plans and Schedules.
- 7.4 In addition to the requirements for the Licensing Authority to promote the licensing objectives, it also has duties under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder in the Borough and to share prescribed information.
- 7.5 The Licensing Authority, if its discretion is engaged, will consider attaching Conditions to licences and permissions to deter and prevent crime and disorder both inside and immediately outside the premises and these may include Conditions drawn from the Model Pool of Conditions relating to Crime and Disorder given in the Secretary of State's Guidance.
- 7.6 **CCTV** - The Licensing Authority, if its discretion is engaged, will attach conditions to licences, as appropriate where the conditions reflect local crime prevention strategies, for example the provision of closed circuit television cameras.

7.7 **Touting** – This is soliciting for custom. There has been a historic problem with Touting in the borough, mainly in relation to restaurants, and as such in 2006 the Council introduced a byelaw under Section 235 of the Local Government Act 1972 for the good rule and government of the London Borough of Tower Hamlets and for the prevention and suppression of nuisances.

As a result, in relation to premises where there is intelligence that touting is, or has been carried out, the Licensing Authority, where its discretion is engaged will insert a standard condition that prohibits 'touting' as follows:-

- 1) No person shall be employed to solicit for custom or be permitted to solicit for custom for business for the premises in any public place within a 500 meters radius of the premises as shown edged red on the attached plan.( marked as Appendix -)
- 2) Clear Signage to be placed in the restaurant windows stating that the premises supports the Council's 'No Touting' policy.

7.8 **Responsible Drinking** - The Licensing Authority expects alcohol to be promoted in a responsible way in the Borough. This should incorporate relevant industry standards, such as the Portman Group Code of Practice. Where appropriate and proportionate, if its discretion is engaged, the Licensing Authority will apply conditions to ensure responsible drinking. The Licensing Authority also recognises the positive contribution to best practice that "Pubwatch" and other similar schemes can make in promoting the licensing objectives and is committed to working with them.

Model Pool Conditions can be found in the Secretary of State's Guidance.

7.9 **Criminal Activity** - There is certain criminal activity that may arise in connection with licensed premises which the Licensing Authority will treat particularly seriously. These are the use of the licensed premises:

- for the sale and distribution of drugs controlled under the Misuse of Drugs Act 1971 and the laundering of the proceeds of drugs crime;
- for the sale and distribution of illegal firearms;
- for the evasion of copyright in respect of pirated or unlicensed films and music, which does considerable damage to the industries affected;
- for the illegal purchase and consumption of alcohol by minors which impacts on the health, educational attainment, employment prospects and propensity for crime of young people;
- for prostitution or the sale of unlawful pornography;
- by organised groups of paedophiles to groom children;

- as the base for the organisation of criminal activity, particularly by gangs;
- for the organisation of racist activity or the promotion of racist attacks;
- for employing a person who is disqualified from that work by reason of their immigration status in the UK;
- for unlawful gambling; and
- for the sale or storage of smuggled tobacco and alcohol.

The Secretary State's Guidance states that it is envisaged that licensing authorities, the police, the Home Office (Immigration Enforcement) and other law enforcement agencies, which are responsible authorities, will use the review procedures effectively to deter such activities and crime. Where reviews arise and this Licensing Authority determines that the crime prevention objective is being undermined through the premises being used to further crimes, it is expected that revocation of the licence, even in the first instance, should be seriously considered.

7.10 In particular the Licensing Authority is mindful of the Secretary of State's Guidance "Reviews arising in connection with crime".

7.11 From 1 April 2017, businesses which sell alcohol (for example, retailers of alcohol and trade buyers) will need to ensure that the UK wholesalers that they buy alcohol from have been approved by HMRC under the Alcohol Wholesaler Registration Scheme (AWRS). They will need to check their wholesalers Unique Registration Number (URN) against the HMRC online database which will be available from April 2017. This is an ongoing obligation and if a business is found to have bought alcohol from an unapproved wholesaler, they may be liable to a penalty or could even face criminal prosecution and their alcohol stock may be seized. Any trader who buys alcohol from a wholesaler for onward sale to the general public (known as a 'trade buyer') does not need to register unless they sell alcohol to other businesses. Examples of trade buyers would be pubs, clubs, restaurants, cafes, retailers and hotels. However, they will need to check that the wholesaler they purchase alcohol from is registered with HMRC. Further information may be found at: <https://www.gov.uk/guidance/the-alcohol-wholesaler-registration-scheme-awrs>.

## **Smuggled goods**

7.12 The Licensing Authority will exercise its discretion to add a standard condition as follows:-

- 1) The premises licence holder and any other persons responsible for the purchase of stock shall not purchase any goods from door-to-door sellers other than from established traders who provide full receipts at the time of delivery to provide traceability.
- 2) The premises licence holder shall ensure that all receipts for goods bought include the following details:
  - i. Seller's name and address
  - ii. Seller's company details, if applicable
  - iii. Seller's VAT details, if applicable
  - iv. Vehicle registration detail, if applicable
- 3) Legible copies of the documents referred to in 2) shall be retained on the premises and made available to officers on request.
- 4) The trader shall obtain and use a UV detection device to verify that duty stamps are valid.
- 5) Where the trader becomes aware that any alcohol may be not duty paid they shall inform the Police of this immediately.

## **Olympic Park – Football Ground**

7.13 Premises where Police intelligence shows that football supporters congregate within the borough should consider in their application form the following conditions:

- 1) On Match Days for premises licensed for the supply of alcohol for consumption on the premises:
  - a) Drinks shall only be supplied in polypropylene or similar plastic and all bottled drinks shall be poured into such drinking vessels before being handed to the customer. These should be made of recyclable materials.
  - b) Registered door staff shall be employed to control the entry and exits to the premises and to manage any licensed outside area(s).

# Guidance Issued by the Home Office under Section 182 of the Licensing Act 2003

Updated April 2018

## Public nuisance

- 2.15 The 2003 Act enables licensing authorities and responsible authorities, through representations, to consider what constitutes public nuisance and what is appropriate to prevent it in terms of conditions attached to specific premises licences and club premises certificates. It is therefore important that in considering the promotion of this licensing objective, licensing authorities and responsible authorities focus on the effect of the licensable activities at the specific premises on persons living and working (including those carrying on business) in the area around the premises which may be disproportionate and unreasonable. The issues will mainly concern noise nuisance, light pollution, noxious smells and litter.
- 2.16 Public nuisance is given a statutory meaning in many pieces of legislation. It is however not narrowly defined in the 2003 Act and retains its broad common law meaning. It may include in appropriate circumstances the reduction of the living and working amenity and environment of other persons living and working in the area of the licensed premises. Public nuisance may also arise as a result of the adverse effects of artificial light, dust, odour and insects or where its effect is prejudicial to health.
- 2.17 Conditions relating to noise nuisance will usually concern steps appropriate to control the levels of noise emanating from premises. This might be achieved by a simple measure such as ensuring that doors and windows are kept closed after a particular time, or persons are not permitted in garden areas of the premises after a certain time. More sophisticated measures like the installation of acoustic curtains or rubber speaker mounts to mitigate sound escape from the premises may be appropriate. However, conditions in relation to live or recorded music may not be enforceable in circumstances where the entertainment activity itself is not licensable (see chapter 16). Any conditions appropriate to promote the prevention of public nuisance should be tailored to the type, nature and characteristics of the specific premises and its licensable activities. Licensing authorities should avoid inappropriate or disproportionate measures that could deter events that are valuable to the community, such as live music. Noise limiters, for example, are expensive to purchase and install and are likely to be a considerable burden for smaller venues.
- 2.18 As with all conditions, those relating to noise nuisance may not be appropriate in certain circumstances where provisions in other legislation adequately protect those living in the area of the premises. But as stated earlier in this Guidance, the approach of licensing authorities and responsible authorities should be one of prevention and when their powers are engaged, licensing authorities should be aware of the fact that other legislation may not adequately cover concerns raised in relevant representations and additional conditions may be appropriate.

- 2.19 Where applications have given rise to representations, any appropriate conditions should normally focus on the most sensitive periods. For example, the most sensitive period for people being disturbed by unreasonably loud music is at night and into the early morning when residents in adjacent properties may be attempting to go to sleep or are sleeping. This is why there is still a need for a licence for performances of live music between 11 pm and 8 am. In certain circumstances, conditions relating to noise emanating from the premises may also be appropriate to address any disturbance anticipated as customers enter and leave.
- 2.20 Measures to control light pollution will also require careful thought. Bright lighting outside premises which is considered appropriate to prevent crime and disorder may itself give rise to light pollution for some neighbours. Applicants, licensing authorities and responsible authorities will need to balance these issues.
- 2.21 Beyond the immediate area surrounding the premises, these are matters for the personal responsibility of individuals under the law. An individual who engages in anti-social behaviour is accountable in their own right. However, it would be perfectly reasonable for a licensing authority to impose a condition, following relevant representations, that requires the licence holder or club to place signs at the exits from the building encouraging patrons to be quiet until they leave the area, or that, if they wish to smoke, to do so at designated places on the premises instead of outside, and to respect the rights of people living nearby to a peaceful night.

# Appendix 32

## Prevention of Public Nuisance

- 9.1 Licensed premises, especially those operating late at night and in the early hours of the morning, can cause a range of nuisances impacting on people living, working or sleeping in the vicinity of the premises.
- 9.2 The concerns mainly relate to noise nuisance both from the premises and customer egress, light pollution, noxious smells and disruption from parked vehicles and due regard will be taken of the impact these may have in considering a licence. The Licensing Authority will expect Operating Schedules to satisfactorily address these issues. Applicants are advised to seek advice from the Council's Environmental Health Officers before preparing their plans and Schedules.
- 9.3 The Licensing Authority, where its discretion is engaged, will consider, where appropriate, attaching conditions to licences and permissions to prevent the problems identified in Section 18 of this Policy (Special Cumulative Impact Policy for the Brick Lane and Bethnal Green Area), and these may include conditions drawn from the Model Pool of Conditions found in the Secretary of States Guidance.
- 9.4 **Street Furniture** – placing of street furniture, which includes advertising boards, on the highway can cause a public nuisance by way of obstruction, or encourage consumption of alcohol on an unlicensed area. The Licensing Authority expects applicants to have ensured that they fully comply with the Council's rules relating to authorisation of obstructions on the highway, and that the required authorisations are obtained prior to submitting a licence application. Where proportionate and appropriate, and its discretion is engaged, the Licensing Authority will impose conditions in relation to street furniture, including on private land.
- 9.5 **Fly Posting** – The Council has experienced problems with "fly posting" in relation to venues that offer entertainment. Fly posting is the unauthorised posting of posters / advertisements etc. Where it considers it proportionate and appropriate, and its discretion is engaged, the Licensing Authority will attach conditions relating to the control of fly posting to ensure that venues clearly prohibit all fly posting in their contract terms with others and they effectively enforce this control.
