A Guide to KING GEORGE'S FIELD CHARITY BOARD

Decision Making at Tower Hamlets

As Tower Hamlets operates the Directly Elected Mayor system, **Mayor John Biggs** holds Executive powers and takes decisions at Cabinet or through Individual Mayoral Decisions. The Mayor has also appointed this Board to administer the affairs of two charities of which the Council is sole trustee. Membership of the Board is set out on the front page of this agenda.

Which decisions are taken by King George's Field Charity Board?

The Board administers the affairs of the King George's Field, Mile End charity, and the King George's Field – Stepney (Tredegar Square, Bow) charity and discharges all duties of the Council as sole trustee of these Charities. Decisions on these matters are executive decisions and so are treated much in the same way as decisions of the Mayor.

The Board may also take Key Decisions. The constitution describes Key Decisions as an executive decision which is likely

- a) to result in the local authority incurring expenditure which is, or the making of savings which are, significant having regard to the local authority's budget for the service or function to which the decision relates; or
- b) to be significant in terms of its effects on communities living or working in an area comprising two or more wards in the borough.

Upcoming Key Decisions are published on the website on the 'Forthcoming Decisions' page through www.towerhamlets.gov.uk/committee

Published Decisions and Call-Ins

Once the meeting decisions have been published, any 5 Councillors may submit a Call-In to the Service Head, Democratic Services requesting that a decision be reviewed. This halts the decision until it has been reconsidered.

- The decisions will be published on: **Friday, 30 April 2021**
- The deadline for call-ins is: **Monday, 10 May 2021**

Any Call-Ins will be considered at the next meeting of the Overview and Scrutiny Committee. The Committee can reject the call-in or they can agree it and refer the decision back to the Mayor, with their recommendations, for his final consideration.

Public Engagement at King George's Field Charity Board

The main focus of King George's Field Charity Board is as a decision-making body. However there is an opportunity for the public to contribute through making submissions that specifically relate to the reports set out on the agenda.

Members of the public may make written submissions in any form (for example, Petitions, letters, written questions) to the Clerk to King George's Field Charity Board (details on the front page) by 5 pm the day before the meeting.

King George's Field Trust (KGFT) Charity Commission's Public Benefit Guidance

About public benefit

All charity trustees have a duty to 'have regard' to the commission's public benefit guidance when exercising any powers or duties to which the guidance is relevant.

As a charity trustee, this means being able to show that:

- you are aware of the guidance
- you have taken it into account when making a decision to which the guidance is relevant
- if you have decided to depart from the guidance, you have a good reason for doing so

The public benefit requirement has two aspects:

To satisfy the 'benefit aspect'

To satisfy the benefit aspect:

- the charity's purpose must be beneficial – in an identifiable way and capable of being proved by evidence where necessary and which is not based on personal views
- any detriment or harm that results from the purpose (to people, property or the environment) must not outweigh the benefit - this is also based on evidence and not on personal views

The 'public aspect'

To satisfy the 'public aspect' the purpose must:

- benefit the public in general, or a sufficient section of the public
- not give rise to more than incidental personal benefit - personal benefit is 'incidental' where (having regard both to its nature and to its amount) it is a necessary result or by-product of carrying out the purpose

It is the trustees responsibility to ensure that the King George's Field Mile End Charity and King George's Field -Stepney (Tredegar Square, Bow) charity in a way that carries out its purposes for the public benefit. This means, you should

Make decisions :

- i) to ensure your charity's purpose provides benefit - understanding** how the purpose is beneficial and carrying it out so as to benefit the public in that way.
- ii) to manage risks of detriment or harm to your charity's beneficiaries or to the public in general that might result from carrying out the purpose -** identifying risks of harm, minimising the risks and making sure that any harm that might arise is a minor consequence of carrying out the purpose.
- iii) about who benefits in ways that are consistent with the purpose**

Knowing who can potentially benefit from the purpose and giving proper consideration to the full range of ways in which you could carry out your charity's purpose.

iv) Make decisions to make sure any personal benefits are no more than incidental

This means making sure that any personal benefits people receive (having regard both to its nature and to its amount) are no more than a necessary result or by-product of carrying out the purpose.

You must make decisions that are within the range of decisions that trustees could properly make in those particular circumstances. Provided that you do that, then you will have made a 'right' decision.

This means that, as a charity trustee, you generally have a choice about how to carry out your charity's purposes, provided that you exercise your discretion in a way which:

- is in accordance with your charity's purpose (so not operating outside of that purpose)
- is for the public benefit
- has regard to the commission's public benefit guidance where relevant
- is in accordance with the general framework for [trustee decision making](#)

Report on public benefit

The trustees' annual report must explain how you have carried out its purpose for the public benefit. A detailed report is only required if your charity's gross income exceeds £500,000; otherwise a brief summary is all that's needed.

You must also state whether you and the other trustees had due regard to the commission's public benefit guidance when exercising any powers or duties to which the guidance is relevant.
