4. ITEMS FOR CONSIDERATION

This item was withdrawn by the Applicant prior to the meeting.

4.2 Application for a New Premises Licence for (Mason & Printer) 67 Columbia Road, London E2 7RG

The Licensing Objectives

In considering the application, the Members were required to consider the same in accordance with the Licensing Act 2003 (as amended), the Licensing Objectives, the Home Office Guidance and the Council's Statement of Licensing Policy and in particular to have regard to the promotion of the four licensing objectives:

1. The Prevention of Crime & Disorder;
2. Public Safety;
3. The Prevention of Public Nuisance; and
4. The Protection of Children from Harm.

Consideration

Each application must be considered on its own merits. The Chair confirmed that the Sub-Committee had carefully considered all the evidence before it and heard oral representations at the meeting from the Applicant, supporters of the application, the Officer representing the Licensing Authority and local residents objecting to the application, with particular regard to the prevention of public nuisance and crime and disorder.

The Sub-Committee noted that the nature of the business was not alcohol led and that the sale of alcohol would be an ancillary to the antique furniture business that already exists at the premises. It was further noted that the premises would be selling a selection of premium wines which was less likely to attract street drinking.

The Sub-Committee noted the concerns raised by the objectors in relation to is the issues experienced in the area with patrons drinking outside and causing public nuisance and anti-social behaviour. The Sub-Committee welcomed the efforts made by the Applicant in accepting and agreeing to conditions proposed by the Responsible Authorities and the Sub-Committee including conditions limiting off-sales to properly sealed containers (not in any vessel for immediate consumption) and to bottles no less than 75cl. The Applicant also confirmed that it did not wish to pursue on-sales of alcohol.

The Sub-Committee believed that these conditions would alleviate the concerns relating to street drinking as customers were less likely to immediately consume the alcohol purchased. Accordingly, the Sub-Committee was satisfied that the licensing objectives would be promoted and the conditions imposed would minimise the likelihood of public nuisance and anti-social behaviour.

Accordingly, the Sub-Committee unanimously:

4.3 Application for a New Premise Licence for Hulya's Café & Restaurant, 357-359 Cambridge Heath Road, London E2 9RA

The Licensing Objectives

In considering the application, Members are normally required to consider the same in accordance with the Licensing Act 2003 (as amended), the Licensing Objectives, the Home Office Guidance and the Council's Statement of Licensing Policy and in particular to have regard to the promotion of the four licensing objectives:

1. The Prevention of Crime and Disorder;
2. Public Safety;
3. The Prevention of Public Nuisance; and
4. The Protection of Children from Harm

Consideration

Each application must be considered on its own merits. The Chair confirmed that the Sub-Committee had carefully considered all of the evidence before them and heard oral representations at the meeting made by the Applicant's Licensing Representative and Officers representing the Licensing Authority

and Environmental Health with particular regard to the prevention of public nuisance.

The Sub-Committee noted that the premises is in a cumulative impact zone (CIZ). The cumulative impact policy creates a rebuttable presumption that where relevant representations are received by one or more of the responsible authorities and/or other persons objecting to the application, the application will be refused.

The Sub-Committee noted that, under the Council's Statement of Licensing Policy, the Applicant can rebut the above presumption if it can demonstrate exceptional circumstances and that the granting of the application would not negatively add to the cumulative issues already experienced within the CIZ.

The Sub-Committee welcomed the efforts made by the Applicant in offering robust conditions to address concerns that the granting of the licence may result in additional public nuisance. The Sub-Committee noted that alcohol would only be sold ancillary to a meal and to seated patrons. The Premises also had a thorough dispersal policy to address potential egress issues.

The Sub-Committee noted the representations from the Licensing Authority, and Environmental Health regarding the impact of the premises on the Bethnal Green Cumulative Impact Zone (CIZ) and the concerns relating to the likely disturbance to residents nearby. However, the Sub-Committee was satisfied that the robust conditions proposed by the Applicant would alleviate any concerns that the granting of the licence would result in public nuisance.

The Sub-Committee was therefore satisfied that the CIZ presumption had been rebutted as the Appellant had demonstrated that the granting of the licence would not negatively add to the cumulative issues already experienced in the area. The Sub-Committee was satisfied that there were exceptional circumstances to justify a grant of the licence as the premises was not alcohol led and would operate within the framework hours.

The Sub-Committee was satisfied that the licensing objectives would be promoted and the conditions imposed would adequately mitigate the risk of public nuisance.

RESOLVED

That the application for a new Premises Licence for Hulya's Café & Restaurant, 357 -359 Cambridge Heath Road, London E2 9RA be **GRANTED**.
