Decision Making at Tower Hamlets

As Tower Hamlets operates the Directly Elected Mayor system, **Mayor John Biggs** holds Executive powers. The Mayor has appointed nine Councillors to advise and support him and they, with him, form the Cabinet. Their details are set out on the front of the agenda.

Which decisions are taken by Cabinet?

Executive decisions are all decisions that aren't specifically reserved for other bodies (such as Development or Licensing Committees). In particular, Executive Key Decisions are taken by the Cabinet or by the Mayor as Individual Mayoral Decisions.

The constitution describes Key Decisions as an executive decision which is likely

- a) to result in the local authority incurring expenditure which is, or the making of savings which are, above £1million; or
- b) to be significant in terms of its effects on communities living or working in an area comprising two or more wards in the borough.

Upcoming Key Decisions are published on the website on the 'Forthcoming Decisions' page through www.towerhamlets.gov.uk/committee

Published Decisions and Call-Ins

Once the meeting decisions have been published, any 5 Councillors may submit a Call-In to the Service Head, Democratic Services requesting that a decision be reviewed. This halts the decision until it has been reconsidered.

- The decisions will be published on: **Friday, 24 September 2021**
- The deadline for call-ins is: **Friday, 1 October 2021**

Any Call-Ins will be considered at the next meeting of the Overview and Scrutiny Committee. The Committee can reject the call-in or they can agree it and refer the decision back to the Mayor, with their recommendations, for his final consideration.

Public Engagement at Cabinet

The main focus of Cabinet is as a decision-making body. However there is an opportunity for the public to contribute through making submissions that specifically relate to the reports set out on the agenda.

Members of the public may make written submissions in any form (for example; Petitions, letters, written questions) to the Clerk to Cabinet (details on the previous page) by 5 pm the day before the meeting.

6 .6 AHSCS5019 Domiciliary and Personal Care Contracts Extension 245 - 256

Report Summary:

The current Domiciliary and Personal Care contracts in Tower Hamlets are due to come to an end on 6th February 2022.

Work is underway to re-procure these contracts with a focus on coproduction and an outcomes-based approach. These services are vital to supporting people in their own homes and the engagement of people who use the services and their carers is critical to developing the best possible outcomes framework and specification. An extension of the current contracts for six months will provide sufficient time for this work and approach to be carried out.

The work that has been carried out to date has identified that there could be benefits in the reprocured contract being longer in term than the existing contract, as such a change in the length of the contract from 5 years up to 9 years including extensions (dependent on further consultation with the market), is being sought.
