(iii) Declarations of Interests not included in the Register of Members' Interest.

Occasions may arise where a matter under consideration would, or would be likely to, **affect the wellbeing of you, your family, or close associate(s) more than it would anyone else living in the local area** but which is not required to be included in the Register of Members' Interests. In such matters, Members must consider the information set out in paragraph (ii) above regarding Non DPI - interests and apply the test, set out in this paragraph.

1. Interpretation

- 1.1 These Procedures describe the way in which hearings will be conducted under the Licensing Act 2003, as set out in the Licensing Act 2003 (Hearings) Regulations 2005 (as amended) ('the Hearings Regulations'). The Procedures take into account the Licensing Act (Premises Licences and Club Premises Certificates) Regulations 2005.
- 1.2 Except where otherwise stated, references in this Code are to the Licensing Committee and its Sub-committees and the expression 'Licensing Committee' should be interpreted accordingly.
- 1.3 The Hearings Regulations provide (Regulation 21) that a Licensing Authority shall, subject to the provisions of those Regulations, determine for itself the procedure to be followed at a hearing.
- 1.4 These Procedures, therefore, set out the way in which Licensing Committee Meetings will be conducted under the Licensing Act 2003, following the requirements of the Hearings Regulations.
- 1.5 Proceedings will not be rendered void only as the result of failure to comply with any provision of the Hearings Regulations (Regulation 31) save that in any case of such an irregularity, the Licensing Committee shall, if it considers that any person may have been prejudiced as a result of the irregularity, take such steps as it thinks fit to cure the irregularity before reaching its determination (Regulation 32).

2. Composition of Sub-Committee

- 2.1 The Sub-Committee will consist of three (3) members and no business shall be transacted unless three (3) members of the Licensing Committee are present and able to form a properly constituted Licensing Sub-Committee. In such cases the Chair shall have a second or casting vote.

3. Procedure

- 3.1 The hearing shall take place in public save that the Licensing Committee may exclude the public from all or part of a hearing where it considers that, on balance, it is in the public interest to do so. The parties and any person representing them may be excluded in the same way as another member of the public. Any person so excluded may, before the end of the hearing, submit to the Licensing Committee in writing, any information which, they would have been entitled to give orally had they not been required to leave. Where there are a number of items on the agenda, the adjournment of that item for a short period, whilst another item is heard, may allow this process to be carried out effectively.

- 3.2 The Chair will begin by asking the parties to identify themselves and confirm whether or not they are represented.
- 3.3 The Licensing Committee should always satisfy itself that sufficient notice of the hearing has been given to all parties and if not satisfied, then the Licensing Committee should take such steps as it thinks fit to deal with that issue before reaching its determination and this could include adjourning that application to a later date.
- 3.4 The Licensing Committee will then consider any requests by a party for any other person to be heard at the hearing in accordance with the Regulations. Permission will not be unreasonably withheld provided proper notice has been given.
- 3.5 The Chair will then explain how the proceedings will be conducted, and indicate any time limits that may apply to the parties to the application. In setting time limits, the Licensing Committee will take into account the importance of ensuring that all parties receive a fair hearing, and the importance of ensuring that all applications are determined expeditiously and without undue delay. Further the Licensing Committee must have regard to the requirement to allow each party an equal amount of time.
- 3.6 If a party considers that any time limit is not sufficient then they should address the Licensing Committee and which will determine accordingly.
- 3.7 If any party has informed the Authority that they will not be attending or be represented at the hearing or any party does not give notice that they will not be attending but fails to attend and is not represented, the Licensing Committee may proceed in their absence or adjourn the hearing if it considers it to be necessary in the public interest. An adjournment will not be considered where due to the operation of the Hearing Regulations it would not be possible to adjourn.
- 3.8 If the Licensing Committee adjourns the hearing to a specified date it must specify the date, time and place to which the hearing has been adjourned and why it is considered necessary in the public interest.
- 3.9 If the Licensing Committee holds the hearing in the absence of a party, it will consider at the hearing the application, representation or notice given by that party.
- 3.10 The Chair will invite an Officer of the Licensing Section to present the report by briefly summarising the application and the number and type of the representations as set out in the papers circulated. The Officer will also advise of any discussions held with the parties; any amendments made to the application; any representations withdrawn; and any agreed conditions that the Licensing Committee is being asked to consider. The Officer shall not give

any opinion on the application or ask the Committee to make an inference based on such an opinion.

- 3.11 Members of the Licensing Committee can then ask questions of clarification of the Licensing Officer or seek legal advice from the Legal Adviser to the Licensing Committee if they require in respect of matters raised during the presentation by the Licensing Officer.
- 3.12 The Legal Adviser to the Licensing Committee will then give any relevant legal advice that the Licensing Committee need to take into consideration.
- 3.13 The Chair will then ask the applicant or their representative, if present, to present a summary of the nature and extent of the application. This should be brief, avoid repetition of material already available to the Licensing Committee in the Officer's report or otherwise, and include any reasons why an exception should be made to the Council's Licensing Policy, where appropriate, and respond to the written representations received. The submission may be followed by the evidence of any person who has been given permission by the Committee to give supporting evidence on behalf of the applicant or who has made a representation in favour of the application.
- 3.14 The application is to be presented within the time limit that has been set.
- 3.15 Where an applicant is unrepresented and having difficulty in presenting their application then the Legal Adviser to the Licensing Committee may ask questions of the applicant so that the relevant points are addressed and clarified for the Licensing Committee.
- 3.16 Members of the Licensing Committee may ask questions of the person presenting the case after their address as well as any other person who has spoken in support of the application. Members can also ask questions of the applicant as well as any other person present for the applicant who they consider can assist.
- 3.17 The Legal Adviser to the Licensing Committee may ask questions for the purpose of clarifying points for the Licensing Committee.
- 3.18 The Chair will then ask the persons who have made representations against the application to address the Licensing Committee within the time limit that has been set. They should not repeat what is already set out in their representations or notice or raise new matters. In their address they should provide clarification on any points previously requested by the Council. The submission may be followed by the evidence of any person who has been given permission by the Committee to give supporting evidence.
- 3.19 Members of the Licensing Committee may then ask questions of the persons making representations against the application and any other person who has

spoken in support of such representation. Members can also ask questions of any other person present who they consider can assist.

- 3.20 The Legal Adviser to the Licensing Committee may ask questions for the purpose of clarifying points for the Licensing Committee.
- 3.21 Petitions will be treated as representations provided they meet the requirements for relevant representations set out in the Licensing Act 2003. Members should proceed with caution when relying upon petitions used as evidence due to the structure and wording used.
- 3.22 The Licensing Committee will disregard any information given by a party, or any other person appearing at the hearing, which is not relevant to:
 - a) their application, representation or notice; and
 - b) the promotion of the licensing objectives or the crime prevention objective where notice has been given by the police.
- 3.23 The Chair will intervene at any stage of the hearing to prevent repetitious or irrelevant points being raised.
- 3.24 Cross examination of any party or any other person allowed to appear will not be allowed unless specifically permitted by the Chair.
- 3.25 There is no right for any party to sum up but they may be permitted to do at the discretion of the Chair and within time limits prescribed by the Chair.
- 3.26 The Licensing Committee will consider its decision in private save that the Legal Adviser and Democratic Services Officer will remain with them.
- 3.27 The Licensing Committee will normally return to open session to announce its decision but in cases where the prescribed time limit allows for a later determination and it is appropriate to determine the matter within that time then the Chair will advise the parties present that the decision will not be announced then but that the determination will take place within the prescribed time limit and that written notification will be dispatched to all parties advising them of the determination.

4. Exclusions

- 4.1 In addition to any exclusion under paragraph 3.1 above, The Licensing Committee may require any person attending the hearing who in their opinion is behaving in a disruptive manner to leave the hearing and may refuse to permit the person to return; or allow them to return only on such conditions as Licensing Committee may specify.

- 4.2 Any person so excluded may, before the end of the hearing, submit to the Authority in writing, any information which, they would have been entitled to give orally had they not been required to leave.

The permission will end on 30th September 2021 unless the legislation is changed by the Secretary of State.

It will only apply to businesses that hold a Premises Licence up to 22nd July 2020 and that in the last 3 years preceding 22 July 2020 those licences have NOT:

- had a premises licence application where permission for off sales was refused;
 - had a variation of a premises licence seeking permission for off sales refused
 - had a variation seeking to exclude off sales permission granted
 - had a premises licence varied or modified by a review hearing to exclude off sales.
- 9.2 The new off-sales permission will permit off-sales to be made at a time when the licensed premises are open for the purposes of selling alcohol for consumption on the premises, subject to a cut off time of 11pm or the cut off time of the current licensed hours stated on the licence, whichever is earlier. Measures also temporarily suspend existing licence conditions in so far as they are inconsistent with the new off-sales permission. Further Guidance on this can be found at <https://www.gov.uk/government/publications/guidance-for-temporary-alcohol-licensing-provisions-in-the-business-and-planning-bill>
- 9.3 The Live Music Act removed licensing requirements for the following:
- amplified live music and recorded music between 8am and 11pm before audiences of no more than 500 people on premises authorised to sell alcohol for consumption on the premises;
 - unamplified live music between 8am and 11pm in all venues.
 - Further exemptions apply see Section 16.5-16.6 of Section 182 Guidance.
- 9.4 The following is intended simply to advise Members of the relevant aspects of the Boroughs Licensing Policy, guidance from the Secretary of State, legislation and good practice. Members may depart from the Council's Licensing Policy and/or Government advice, provide they consider it appropriate to do so, and have clear reasons for their decision.
- 9.5 Guidance issued under section 182 of the Licensing Act 2003
- ❖ As stated in the guidance it is “provided to licensing authorities in relation to the carrying out of their functions under the 2003 Act.” It is a key medium for promoting best practice, ensuring consistent application and promoting fairness equal treatment and proportionality (1.7).
 - ❖ Also “as long as licensing authorities have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons. Departure from this Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness

and merits of any decision taken.” Therefore licensing authorities will need to give full reasons for their actions (1.9).

- ❖ Also Members should note “A Licensing Authority may depart from its own policy if the individual circumstances of any case merit such a decision in the interests of the promotion of the licensing objectives.” (1.12)
 - ❖ Also, “The licensing authority may not impose any conditions unless its discretion has been exercised following receipt of relevant representations and it is satisfied as a result of a hearing (unless all parties agree a hearing is not necessary) that it is appropriate to impose conditions to promote one or more of the four licensing objectives.” Therefore, conditions may not be imposed for the purpose other than promoting the licensing objectives and in some cases no additional conditions will be appropriate. (10.8)
 - ❖ Necessary conditions should emerge from a risk assessment by the applicant, which should then be reflected in the operating schedule (10.4).
 - ❖ The Guidance states: “Where there are objections to an application to extend the hours during which licensable activities are to be carried on and the licensing authority determines that this would undermine the licensing objectives, it may reject the application or grant it with appropriate conditions and/or different hours from those requested.” (10.14)
 - ❖ Mandatory conditions must be imposed (10.25) and censorship avoided (10.17).
 - ❖ The Guidance states: “It is still permitted to sell alcohol using promotions (as long as they are compatible with any other licensing condition that may be in force), and the relevant person should ensure that the price of the alcohol is not less than the permitted price. Detailed guidance on the use of promotions is given in the guidance document available on the Gov.uk website.” (10.58) Also, “Licensing authorities should not attach standardised blanket conditions promoting fixed prices for alcoholic drinks to premises licences or club licences or club premises certificates in an area.” (10.21)
- 9.6 The Licensing Act 2003 permits children of any age to be on the premises which primarily sells alcohol providing they are accompanied by an adult. It is not necessary to make this a condition.
- 9.7 In all cases the Members should make their decision on the civil burden of proof, that is “the balance of probability.”
- 9.8 In all cases Members should consider whether or not primary legislation is the appropriate method of regulation and should only consider licence

conditions when the circumstances in their view are not already adequately covered elsewhere.

9.9 The Government has advised that conditions must be tailored to the individual type, location and characteristics of the premises and events concerned. Conditions cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder and their staff and standardised conditions should be avoided where they cannot be shown to be appropriate. (1.16/1.17)

9.10 The Council's Licensing Policy generally expects applicants to address the licensing objectives and discuss how to do this with the relevant responsible authorities.

9.11 In **Appendices 9 - 15** Members are given general advice, and also have explanations of the Council's Licensing Policy, Government advice and other legislation relating to the matters previously identified.

10.0 Legal Comments

10.1 The Council's legal officer will give advice at the hearing.

11.0 Finance Comments

11.1 There are no financial implications in this report.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Dear Sir/Madam,

Licensing Act 2003

New premises licence application: Players Social, 1 Crispin Place, London,
E1 6DW

The Licensing Authority (acting as Responsible Authority) is making a representation against the above application on the grounds of:

- *the prevention of public nuisance*

Cumulative Impact Policy

On 1st November 2013, Tower Hamlets Council adopted a Cumulative Impact Policy in the Brick Lane Area. The Council Cumulative Impact Zone (CIZ) was revised alongside this Statement of Licensing Policy on the 1st November 2018. *Local crime mapping showed that although there had been a reduction in crime and disorder linked to licensed premises within the CIZ since January 2015, the same crime mapping showed that the area of the CIZ is still higher than average in regards to crimes and disorder linked to licensed premises compared to the rest of the borough (19.3).*

The Licensing Authority is of the view that the number, type and density of premises selling alcohol for consumption on and off the premises and/or the provision of late night refreshment in the Brick Lane area is having a cumulative

impact on the licensing objectives and has therefore declared a cumulative impact zone within the area. The Brick Lane CIZ aims to manage the negative cumulative impact of the concentration of licensed premises in the area and the stresses that the saturation of licensed premises has had on local amenity, environmental degradation and emergency and regulatory services in managing this impact.

The effect of this Special Cumulative Impact Policy will affect applications in respect of the sale or supply of alcohol on or off the premises and/or late Night Refreshment for the following:

- *New Premises Licences applications,*
- *New Club Premises Certificates applications*
- *Provisional Statements,*
- *Variation of Premises Licenses and Club Premises Certificate applications (where the modifications are relevant to the issue of cumulative impact for example increases in hours or capacity).*

The Licensing Authority expects such applications to have regard for and make reference to the CIZ (19.5).

The Special Cumulative Impact policy creates a rebuttable presumption that where relevant representations are received by one or more of the responsible authorities and/or other persons against applications within the CIZ zones the application will be refused (19.6).

Where representations have been received in respect to applications within the CIZ zones the onus is on applicants to adequately rebut the presumption. Applicants will need to demonstrate in their applications why the granting of their application will not negatively add to the cumulative already experience within the CIZ Zones. Applicants may wish to address the following in their applications:

- *Genuinely exceptional circumstances,*
- *Relevant good practices they employ (for example, this could include details of membership of local Pubwatch/other trade groups,*
- *Accreditation of Award Schemes (as applicable), and any participation in Police/Council initiatives),*
- *Other good operational/practice arrangements in respect of any outside drinking and smoking to control potential impact in the area,*
- *Measures used to promote the licensing objectives (for example, any relevant conditions to control noise, dispersal, litter and other anti-social issues (19.7)*

This Policy will be strictly applied and where relevant representations are received it is the view of the Council that the application will be refused. Applicants will need to demonstrate that there are exceptional circumstances and that granting their application will not negatively add to the cumulative effect on the Licensing Objectives within the Brick Lane and Bethnal Green CIZ if they wish to rebut this presumption.

Examples of factors the Licensing Authority may consider as exceptional may include, though are not limited to:

- *small premises with a capacity of fifty persons or less who only intend to operate during Framework Hours,*
- *premises which are not alcohol led and operate only within Framework Hours, such as coffee shops,*
- *instances where the applicant has recently surrendered a licence for another premises of a similar size and providing similar licensable activities in the same Special Policy Area.*

*Examples of factors the Licensing Authority will **not** consider as exceptional include:*

- *that the premises will be well managed and run,*
- *that the premises will be constructed to a high standard,*
- *that the applicant operates similar premises elsewhere without complaint (19.8).*

Licensable activities and times

All applications have to be considered on their own merits and the Council has however adopted a set of framework hours (14.8) as follows:

- *Monday to Thursday, until 23:30 hours*
- *Friday and Saturday, until 00:00 hours (midnight)*
- *Sunday, until 22:30 hours*

Applications in respect of premises licences and club premises certificates to authorise licensable activities outside the framework hours, and in respect of which relevant representations are made, will be decided on their own merits and with particular regard to the following.

a) The location of the premises and the general character of the area in which the premises are situated. (i.e. does the area include residential or business premises likely to be adversely affected).

b) The proposed hours during which licensable activities will be take place and the proposed hours during which customers will be permitted to remain on the premises.

*c) The adequacy of the applicant's proposals to address the issues of the prevention of crime and disorder **and** the prevention of public nuisance.*

d) Where the premises have been previously licensed, the past operation of the premises.

e) Whether customers have access to public transport when arriving at or leaving the premises at night time and in the early hours of the morning.

f) *The proximity of the premises to other licensed premises in the vicinity and the hours of those other premises.*

The Home Office guidance under Section 182 of the Licensing Act 2003 (8.42) says:

“Applicants are, in particular, expected to obtain sufficient information to enable them to demonstrate, when setting out the steps they propose to take to promote the licensing objectives, that they understand:

- the layout of the local area and physical environment including crime and disorder hotspots, proximity to residential premises and proximity to areas where children may congregate;*
- any risk posed to the local area by the applicants’ proposed licensable activities; and*
- any local initiatives (for example, local crime reduction initiatives or voluntary schemes including local taxi-marshalling schemes, street pastors and other schemes) which may help to mitigate potential risks.”*

Application

This application is for a new premise licence for a restaurant, bar and games venue within Spitalfields Market. The premise currently has a Premise Licence for the same hours being supplied for (for on sales only).

The current licence was transferred to Think Design Produce Limited and a DPS variation was submitted in the name of Ben Hodges in November 2020.

The hours and licensable activities applied for are:

The sale of alcohol

Monday – Sunday 10:00 – 23:00 hours (on & off sales)

Opening hours:

Monday – Sunday 10:00 – 23:00 hours

Outside area shall only operate between 10:00 hours – 22:00 hours

The premise is within the Brick Lane CIZ where the Licensing Authority policy is to refuse the application unless the applicant can demonstrate there are exceptional circumstances to granting it.

Although the applicant has made reference to the CIZ and offered a number of conditions the application is unclear exactly what will be occurring in the additional outside area, which is a substantial increase to what the licence currently benefits from.

I spoke to Mr Hodges, the applicant, on the telephone and he said the increased capacity would be between 100 - 200 persons in the outside area. Mr Hodges stated that games such as shuffleboard and table football would be outside to allow greater social distancing, although hadn't thought of the layout fully at this stage so was unclear as to how many customers the area could fully accommodate. An additional 100 - 200 persons is a large number of people in the under covered area where residents live around the outside. The playing of the games could result in customers cheering and clapping until 10pm in the evening. The Licensing Authority feels that 10pm is too late for customers to be playing games which are likely to be noisy. The noise could verberate around Spitalfields market and cause a disturbance to residents.

The application states '*seating will be provided for customers in the external area to deter customers from consuming alcoholic drinks whilst standing*'. How does the applicant plan to operate this when supplying games which by their very nature require people to stand to play these. Will customers be made to sit down when not playing games and how will this be managed?

As the premises already has a licence for these operating hours and has some outside seating the Licensing Authority do not object to this application per say but feels that clarification is needed in what exactly will be taking take place, together with the capacity for customers in the additional outside area (where the market stalls are currently situated).

The Licensing Authority also needs to ascertain what the Premise Licence Holder will do with the current licence. Will this be surrendered, or will there be two licences for the premises?

Although the Licensing Authority is sympathetic towards the difficulties businesses are facing due to Covid-19 and appreciate efforts to increase outside seating the Licensing Authority cannot support this application as it stands due to it being too vague at present. More specific details are required on the increased capacity and what activities will be taking place in the outside area.

Yours faithfully

Corinne Holland
Licensing Officer
(Acting as a Responsible Authority)

Subject: 135429 MAU representation for Players Social 1 Crispin Place, London

Dear Licensing,

I have considered the new premise licence application Player Social 1 Crispin Place London and the potential impact of public nuisance and measures to prevent noise generated from within the premises and increased external area, which could cause disturbance to people in the vicinity, and consideration has to be given to the fact that the premises is in Brick Lane Cumulative Impact Zone.

Also, there is insufficient information in the operating schedule of the licence application to show how the applicant will promote the licensing objective for the prevention of public nuisance, particular when considering that the use of the increased external space as per the application is likely to leading to an increase in public nuisance.

Noise Sensitive premises: residential premises in close proximity to 1 Crispin Place, London

In my view the application, as it stands fails, to comply with the objective of the Licensing Act 2003 relating to “public nuisance” for the following reasons:-

- Noise breakout from the venue affecting neighbouring residents,
- Access & egress to and from the venue, of patrons, especially due to patrons likely to be in high spirits

CONCLUSION

Environmental Protection **does not** support the application Players Social 1 Crispin Place, London as the applicant have not provided sufficient information to show how they will promote the licensing objective for the prevention of public nuisance for the extended use of external area, with particular regard to the fact that the premises is in Brick Lane cumulative impact zone.

Dear Mohshin,

Please see below in relation to the email previously sent by the Police. We would like to thank the police for their positive assistance in discussing this application. Would you kindly amend the application to include the words in italics as the CCTV condition ?

There is one small amendment to that which was agreed by the police in that condition 2 refers to 'recordings made by the system' just for the sake of precision - it might otherwise be assumed that footage that is captured on phones for social purposes should be stored, which of course would be impractical.

Could you advise if there have been any other representations on the application ?

Appendix 9

Noise while the premise is in use

General Advice

If they conclude this is a problem Members should consider whether it is possible to carry out suitable and proportionate noise control measures so that noise leakage is prevented. In addition Members may consider that only certain activities are suitable.

The hours of operation also need to be considered (see below).
If Members believe that there is a substantial problem of noise while the premises are in use and it cannot be proportionately address by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. (**See Sections 9.1 of the Licensing Policy**). While all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. (**See Section 14.10**).

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. (**See Section 9.2 of the Licensing Policy**).

The Licensing Authority will consider attaching conditions to prevent nuisance. In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a "beer garden", or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly
- Conditions controlling the use of explosives, pyrotechnics and fireworks
- Conditions controlling the placing of refuse
- Conditions controlling noxious smells
- Conditions controlling lighting (this needs to be balanced against potential crime prevention benefits)

Police Powers

Part 8 of the Licensing Act 2003 enables a senior police officer to close down a premises for up to 24 hrs where public nuisance is being caused by noise coming from the premises and the closure of the premises is necessary to prevent that nuisance.

Guidance Issued under Section 182 of the Licensing Act 2003

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community (2.15).

Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.19) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder.

Other Legislation

The Environmental Protection Act 1990, Part 111 gives Environmental Health Officers the power to deal with statutory nuisances.

The Anti-social Behaviour Act 2003, Sections 40 and 41 give Environmental Health Officers the power of closure up to 24 hours in certain circumstances.

Appendix 10

Access and Egress Problems

Such as:

Disturbance from patrons arriving/leaving the premises on foot

Disturbance from patrons arriving/leaving the premises by car

Lack of adequate car parking facilities

Close proximity to residential properties

Comment

The above have been grouped together as egress problems. Of course the particular facts will be different for each alleged problem.

Egress only is referred to-if necessary access can be added or substituted in.

General Advice

In considering concerns relating to disturbance from egress, Members need to be satisfied that the premises under consideration has been identified as the source of the actual or potential disturbance. If they are satisfied that this is a problem, then proportionate conditions should be considered.

The hours of operation also need to be considered.

If Members believe that there is a substantial problem concerning egress and it cannot be proportionately addressed by licensing conditions, they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. (**See Section 10 of the Licensing Policy**).

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. (**See Section 10.2 of the Licensing Policy**).

The policy also recognises that staggered closing can help prevent problems at closure time (**See Section 15.1**).

However, while all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. (**See Section 15.5**)

The Council has adopted a set of framework hours (**See 15.8 of the licensing policy**). This relates to potential disturbance caused by late night trading.

The Licensing Authority will consider attaching conditions to prevent nuisance and these may include Conditions drawn from the Model Pool of Conditions relating to the prevention of Public Nuisance. (**See Annex G of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a “beer garden”, or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly

Guidance Issued under Section 182 of the Licensing Act 2003

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community. (2.15).

Licence conditions should not duplicate other legislation (1.16).

Any conditions should be tailored to the type, nature and characteristics of the specific premises. Licensing authorities should be aware of the need to avoid inappropriate or disproportionate measures that could deter events that are valuable to the community, such as live music. Noise limiters, for example, are very expensive to purchase and install and are likely to be a considerable burden for smaller venues. (2.19)

Measures can include ensuring the safe departure of customers, these can include:

- Providing information on the premises of local taxi companies who can provide safe transportation home; and
- Ensuring adequate lighting outside the premises, particularly on paths leading to and from the premises and in car parks

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.19) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder.

Appendix 11

Planning

An application for a Premises Licence can be made in respect of a premises even where the premises does not have relevant Planning Permission. That application has to be considered and Members can only refuse the application where the application itself does not promote one of more of the Licensing Objectives. Members cannot refuse just because there is no planning permission. Where a Premises Licence is granted and which exceeds what is allowed by the Planning Permission and that Premises then operates in breach of planning then the operator would be liable to enforcement by Planning.

Appendix 12

Licensing Policy Relating to Hours of Trading

All applications have to be considered on their own merits.

The Council has however adopted a set of framework hours as follows:

- Monday to Thursday, from 06:00 hrs to 23:30 hrs
- Friday and Saturday, from 06:00 hrs to 00:00 hrs (midnight)
- Sunday, from 06:00 hrs to 22:30 hrs

(see 14.8 of the Licensing Policy)

In considering the applicability of frame work hours to any particular application regard should be had to the following

- Location
- Proposed hours of regulated activities, and the proposed hours the premises are open to the public
- The adequacy of the applicant's proposals to deal with issues of crime and disorder and public nuisance
- Previous history
- Access to public transport
- Proximity to other licensed premises, and their hours

(See 14.9 of the licensing policy)

Subject to any representations to the contrary in individual cases the following premises are not generally considered to contribute to late night anti-social behaviour and will therefore generally have greater freedom

- Theatres
- Cinemas
- Premises with club premises certificates

Appendix 13

Special Cumulative Impact Policy for the Brick Lane and Bethnal Green Area

- 19.1 As with many other London Borough's the majority of late night licensed premises are concentrated within one area of the Borough. Following guidance issued under the Licensing Act 2003 a cumulative impact policy for the Brick Lane area was adopted on 18th September 2013 by the Council and came into effect on the 1st November 2013.
- 19.2 After consultation the Council recognised that because of the number and density of licensed premises selling alcohol, on and off the premises and the provision of late night refreshment (sale of hot food after 11pm) within the Brick Lane Area as defined in Figure One, there might be exceptional problems of nuisance, disturbance and/or disorder outside or away from those licensed premises as a result of their combined effect.
- 19.3 The Council Cumulative Impact Zone (CIZ) was reviewed alongside this Statement of Licensing Policy by the Licensing Committee on 14th December 2017. Following this review and consultation in early 2018 the Council has decided to keep the Cumulative Impact Zone (CIZ). Local crime mapping showed that although there had been a reduction in crime and disorder linked to licensed premises within the CIZ since January 2015, the same crime mapping showed that the area of the CIZ is still higher than average in regards to crimes and disorder linked to licensed premises compared to the rest of the borough.

Further to the CIZ in the Brick Lane Area shown in Figure One below, data from 999/101 calls to Police in 2016/17 showed a large number of incidents linked to licensed premises within the area shown in Figure Two below (Bethnal Green Area). In light of this evidence and following consultation mentioned above the Council has decided to adopt a second CIZ in the Bethnal Green Area.

- 19.4 The Licensing Authority is of the view that the number, type and density of premises selling alcohol for consumption on and off the premises and/or the provision of late night refreshment in the area highlighted in Figures One and Two is having a cumulative impact on the licensing objectives and has therefore declared a cumulative impact zone within these areas. The Brick Lane and Bethnal Green CIZ aims to manage the negative cumulative impact of the concentration of licensed premises in these areas and the stresses that the saturation of licensed premises has had on local amenity, environmental degradation and emergency and regulatory services in managing this impact.
- 19.5 The effect of this Special Cumulative Impact Policy will affect applications in respect of the sale or supply of alcohol on or off the premises and/or late Night Refreshment for the following:

- New Premises Licences applications,
- New Club Premises Certificates applications
- Provisional Statements,
- Variation of Premises Licences and Club Premises Certificate applications (where the modifications are relevant to the issue of cumulative impact for example increases in hours or capacity).

The Licensing Authority expects such applications to have regard for and make reference to the CIZ.

19.6 The Special Cumulative Impact policy creates a rebuttable presumption that where relevant representations are received by one or more of the responsible authorities and/or other persons against applications within the CIZ zones the application will be refused.

19.7 Where representations have been received in respect to applications within the CIZ zones the onus is on applicants to adequately rebut the presumption. Applicants will need to demonstrate in their applications why the granting of their application will not negatively add to the cumulative already experience within the CIZ Zones. Applicants may wish to address the following in their applications:

- Genuinely exceptional circumstances,
- Relevant good practices they employ (for example, this could include details of membership of local Pubwatch/other trade groups,
- Accreditation of Award Schemes (as applicable), and any participation in Police/Council initiatives),
- Other good operational/practice arrangements in respect of any outside drinking and smoking to control potential impact in the area,
- Measures used to promote the licensing objectives (for example, any relevant conditions to control noise, dispersal, litter and other anti-social issues).

19.8 **This Policy will be strictly applied and where relevant representations are received it is the view of the Council that the application will be refused. Applicants will need to demonstrate that there are exceptional circumstances and that granting their application will not negatively add to the cumulative effect on the Licensing Objectives within the Brick Lane and Bethnal Green CIZ if they wish to rebut this presumption.**

Examples of factors the Licensing Authority may consider as exceptional may include, though are not limited to:

- small premises with a capacity of fifty persons or less who only intend to operate during Framework Hours,
- premises which are not alcohol led and operate only within Framework Hours, such as coffee shops,

- instances where the applicant has recently surrendered a licence for another premises of a similar size and providing similar licensable activities in the same Special Policy Area.

Examples of factors the Licensing Authority will **not** consider as exceptional include:

- that the premises will be well managed and run,
- that the premises will be constructed to a high standard,
- that the applicant operates similar premises elsewhere without complaint.

19.9 The Special Cumulative Impact policy will not be used to revoke an existing licence or certificate and will not be applicable during the review of existing licences.

- 5.2 Relevant Sections of the policy are brought to the attention of Members within the Licensing Officers report.

- 5.4 Relevant Sections of this advice are brought to Members attention within the Licensing Officers report. Members should note however, that in some areas Tower Hamlets, after a proper consideration of local circumstances, has not followed the Government’s advice, or has developed it further.

6.0 Representations

6.1 This hearing is required by the Licensing Act 2003, because relevant representations have been made by the following:

- Licensing Authority acting as a Responsible Authority (See **Appendix 5**).
- Environmental Protection Team (See **Appendix 6**).

6.2 All of the responsible authorities have been consulted about this application. They are as follows:

9.0 Licensing Officer Comments

- 9.1 The Business & Planning Act 2020 came into force on Wednesday 22nd July 2020 and provides a temporary permission for businesses that have a premises licence that permits them to sell alcohol in regards to the ability to sell alcohol as an off sale, i.e. for consumption off the premises. The permission will end on 30th September 2021 unless the legislation is changed by the Secretary of State.

It will only apply to businesses that hold a Premises Licence up to 22nd July 2020 and that in the last 3 years preceding 22 July 2020 those licences have NOT:

- had a premises licence application where permission for off sales was refused;
 - had a variation of a premises licence seeking permission for off sales refused
 - had a variation seeking to exclude off sales permission granted
 - had a premises licence varied or modified by a review hearing to exclude off sales.
- 9.2 The new off-sales permission will permit off-sales to be made at a time when the licensed premises are open for the purposes of selling alcohol for consumption on the premises, subject to a cut off time of 11pm or the cut off time of the current licensed hours stated on the licence, whichever is earlier. Measures also temporarily suspend existing licence

conditions in so far as they are inconsistent with the new off-sales permission. Further Guidance on this can be found at <https://www.gov.uk/government/publications/guidance-for-temporary-alcohol-licensing-provisions-in-the-business-and-planning-bill>

- 9.3 The Live Music Act removed licensing requirements for the following:
- amplified live music and recorded music between 8am and 11pm before audiences of no more than 500 people on premises authorised to sell alcohol for consumption on the premises;
 - unamplified live music between 8am and 11pm in all venues.
 - Further exemptions apply see Section 16.5-16.6 of Section 182 Guidance.
- 9.4 The following is intended simply to advise Members of the relevant aspects of the Boroughs Licensing Policy, guidance from the Secretary of State, legislation and good practice. Members may depart from the Council's Licensing Policy and/or Government advice, provide they consider it appropriate to do so, and have clear reasons for their decision.
- 9.5 Guidance issued under section 182 of the Licensing Act 2003
- ❖ As stated in the guidance it is “provided to licensing authorities in relation to the carrying out of their functions under the 2003 Act.” It is a key medium for promoting best practice, ensuring consistent application and promoting fairness equal treatment and proportionality (1.7).
 - ❖ Also “as long as licensing authorities have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons. Departure from this Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness and merits of any decision taken.” Therefore licensing authorities will need to give full reasons for their actions (1.9).
 - ❖ Also Members should note “A Licensing Authority may depart from its own policy if the individual circumstances of any case merit such a decision in the interests of the promotion of the licensing objectives.” (1.12)
 - ❖ Also, “The licensing authority may not impose any conditions unless its discretion has been exercised following receipt of relevant representations and it is satisfied as a result of a hearing (unless all parties agree a hearing is not necessary) that it is appropriate to impose conditions to promote one or more of the four licensing objectives.” Therefore, conditions may not be imposed for the

purpose other than promoting the licensing objectives and in some cases no additional conditions will be appropriate. (10.8)

- ❖ Necessary conditions should emerge from a risk assessment by the applicant, which should then be reflected in the operating schedule (10.4).
 - ❖ The Guidance states: “Where there are objections to an application to extend the hours during which licensable activities are to be carried on and the licensing authority determines that this would undermine the licensing objectives, it may reject the application or grant it with appropriate conditions and/or different hours from those requested.” (10.14)
 - ❖ Mandatory conditions must be imposed (10.25) and censorship avoided (10.17).
 - ❖ The Guidance states: “It is still permitted to sell alcohol using promotions (as long as they are compatible with any other licensing condition that may be in force), and the relevant person should ensure that the price of the alcohol is not less than the permitted price. Detailed guidance on the use of promotions is given in the guidance document available on the Gov.uk website.” (10.58) Also, “Licensing authorities should not attach standardised blanket conditions promoting fixed prices for alcoholic drinks to premises licences or club licences or club premises certificates in an area.” (10.21)
- 9.6 The Licensing Act 2003 permits children of any age to be on the premises which primarily sells alcohol providing they are accompanied by an adult. It is not necessary to make this a condition.
- 9.7 In all cases the Members should make their decision on the civil burden of proof, that is “the balance of probability.”
- 9.8 In all cases Members should consider whether or not primary legislation is the appropriate method of regulation and should only consider licence conditions when the circumstances in their view are not already adequately covered elsewhere.
- 9.9 The Government has advised that conditions must be tailored to the individual type, location and characteristics of the premises and events concerned. Conditions cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder and their staff and standardised conditions should be avoided where they cannot be shown to be appropriate. (1.16/1.17)
- 9.10 The Council’s Licensing Policy generally expects applicants to address the licensing objectives and discuss how to do this with the relevant responsible authorities.

9.11 In **Appendices 8 - 14** Members are given general advice, and also have explanations of the Council's Licensing Policy, Government advice and other legislation relating to the matters previously identified.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Licensing Act 2003

New premises licence application: Stop N Shop, 59 Commercial Street, London,
E1 6BD

The Licensing Authority (acting a Responsible Authority) is making a representation against the above application on the grounds of:

- *the prevention of public nuisance*
- *prevention of crime and disorder*

History of Premises

This premise held a Premise Licence until recently when it was subject to a licensing review brought by Trading Standards for selling non UK illicit cigarettes and Nitrox Oxide Canisters. The Premises Licence Holder and Designated Premises Supervisor at the time of the review was Mr Ashok Thakur.

The review was brought before the Licensing Sub Committee on 12th January 2021 where the decision was made to revoke the licence. No appeal has been received at this stage

For information purposes the revoked premise licence was licensed for the following hours:

The sale by retail of alcohol

- Sunday to Thursday, from 08:00 hours to 23:30 hours
- Friday and Saturday, from 08:00 hours to midnight

The opening hours of the premises

- Monday to Sunday, from 08:00 hours to 02:00 hours

Cumulative Impact Policy

On 1st November 2013, Tower Hamlets Council adopted a Cumulative Impact Policy in the Brick Lane Area. The Council Cumulative Impact Zone (CIZ) was revised alongside this Statement of Licensing Policy on the 1st November 2018. *Local crime mapping showed that although there had been a reduction in crime and disorder linked to licensed premises within the CIZ since January 2015, the same crime mapping showed that the area of the CIZ is still higher than average in regards to crimes and disorder linked to licensed premises compared to the rest of the borough (19.3).*

The Licensing Authority is of the view that the number, type and density of premises selling alcohol for consumption on and off the premises and/or the provision of late night refreshment in the Brick Lane area is having a cumulative impact on the licensing objectives and has therefore declared a cumulative impact zone within the area. The Brick Lane CIZ aims to manage the negative cumulative impact of the concentration of licensed premises in the area and the stresses that the saturation of licensed premises has had on local amenity, environmental degradation and emergency and regulatory services in managing this impact.

The effect of this Special Cumulative Impact Policy will affect applications in respect of the sale or supply of alcohol on or off the premises and/or late Night Refreshment for the following:

- *New Premises Licences applications,*
- *New Club Premises Certificates applications*
- *Provisional Statements,*
- *Variation of Premises Licences and Club Premises Certificate applications (where the modifications are relevant to the issue of cumulative impact for example increases in hours or capacity).*

The Licensing Authority expects such applications to have regard for and make reference to the CIZ (19.5).

The Special Cumulative Impact policy creates a rebuttable presumption that where relevant representations are received by one or more of the responsible authorities and/or other persons against applications within the CIZ zones the application will be refused (19.6).

Where representations have been received in respect to applications within the CIZ zones the onus is on applicants to adequately rebut the presumption. Applicants will need to demonstrate in their applications why the granting of their application will not negatively add to the cumulative already experience within the CIZ Zones. Applicants may wish to address the following in their applications:

- Genuinely exceptional circumstances,
- Relevant good practices they employ (for example, this could include details of membership of local Pubwatch/other trade groups,
- Accreditation of Award Schemes (as applicable), and any participation in Police/Council initiatives),
- Other good operational/practice arrangements in respect of any outside drinking and smoking to control potential impact in the area,
- Measures used to promote the licensing objectives (for example, any relevant conditions to control noise, dispersal, litter and other anti-social issues (19.7)

This Policy will be strictly applied and where relevant representations are received it is the view of the Council that the application will be refused. Applicants will need to demonstrate that there are exceptional circumstances and that granting their application will not negatively add to the cumulative effect on the Licensing Objectives within the Brick Lane and Bethnal Green CIZ if they wish to rebut this presumption.

Examples of factors the Licensing Authority may consider as exceptional may include, though are not limited to:

- small premises with a capacity of fifty persons or less who only intend to operate during Framework Hours,
- premises which are not alcohol led and operate only within Framework Hours, such as coffee shops,
- instances where the applicant has recently surrendered a licence for another premises of a similar size and providing similar licensable activities in the same Special Policy Area.

Examples of factors the Licensing Authority will **not** consider as exceptional include:

- that the premises will be well managed and run,
- that the premises will be constructed to a high standard,
- that the applicant operates similar premises elsewhere without complaint (19.8).

Licensable activities and times

All applications have to be considered on their own merits and the Council has however adopted a set of framework hours (14.8) as follows:

- Monday to Thursday, until 23:30 hours
- Friday and Saturday, until 00:00 hours (midnight)

- *Sunday, until 22:30 hours*

Applications in respect of premises licences and club premises certificates to authorise licensable activities outside the framework hours, and in respect of which relevant representations are made, will be decided on their own merits and with particular regard to the following.

a) The location of the premises and the general character of the area in which the premises are situated. (i.e. does the area include residential or business premises likely to be adversely affected).

b) The proposed hours during which licensable activities will be take place and the proposed hours during which customers will be permitted to remain on the premises.

*c) The adequacy of the applicant's proposals to address the issues of the prevention of crime and disorder **and** the prevention of public nuisance.*

d) Where the premises have been previously licensed, the past operation of the premises.

e) Whether customers have access to public transport when arriving at or leaving the premises at night time and in the early hours of the morning.

f) The proximity of the premises to other licensed premises in the vicinity and the hours of those other premises.

The Home Office guidance under Section 182 of the Licensing Act2003 (8.42) says:

"Applicants are, in particular, expected to obtain sufficient information to enable them to demonstrate, when setting out the steps they propose to take to promote the licensing objectives, that they understand:

- *the layout of the local area and physical environment including crime and disorder hotspots, proximity to residential premises and proximity to areas where children may congregate;*
- *any risk posed to the local area by the applicants' proposed licensable activities; and*
- *any local initiatives (for example, local crime reduction initiatives or voluntary schemes including local taxi-marshalling schemes, street pastors and other schemes) which may help to mitigate potential risks."*

Application

This application is for a premise licence for the sales of alcohol (off the premises)

The hours and licensable activities applied for are:

The sale of alcohol

Monday – Sunday 08:00 hours – 23:30 hours

Opening hours:

Sunday – Thursday 08:00 hours – 00:00 hours (midnight)

Friday & Saturday 08:00 hours – 04:00 hours

It is noted in the application that there are a number of volunteered conditions including to secure the alcohol behind locked grills or cabinets whilst the shop is open outside of authorised licensing hours, which would be from 23:30 hours each day until closing.

Having the Premise Licence so recently revoked and instantly an application for a new licence being submitted raises concerns as to whether a new licence should be granted so soon. The premise has a history of selling illicit cigarettes and more than likely nitrox oxide to customers together with alcohol. These customers may still attend the premises to purchase these items and put pressure on the new owner to provide them. Once a premises has a reputation it is hard to shake off that reputation without a period of time being closed or changing the nature of the premises. We have no knowledge of the history of the applicant although I believe he is the landlord of the property who was the same landlord when Mr Ashok Thakur was the tenant.

The premise is also within the Brick Lane CIZ where the Licensing Authority policy is to refuse the application unless the applicant can demonstrate there are exceptional circumstances to granting it. The applicant has not made any reference to the premises being within the Brick Lane CIZ within the operating schedule although has volunteered a number of conditions within the operating schedule.

There is mention in the Operating Schedule of deliveries with the minimum age of delivery drivers being 18. Does the applicant intend on offering a delivery service for alcohol and if so what sort of service is thought will be provided? Would third party delivery companies be involved with regular delivery drivers attending the premises? This premise is on a busy red route with a bus stop directly outside so how does the applicant envisage vehicles being able to stop to collect deliveries? Will the drivers have to stop in adjoining roads which are more residential which may then cause a nuisance to local residents in that street.

The Licensing Authority often receives complaints from local residents regarding the noise and behaviour of delivery vehicles employed to despatch the items with engines running and doors slamming.

On considering this application as it stands as well as the fact the licence has just been revoked I feel it does not uphold the licensing objective of 'crime & disorder and the 'prevention of public nuisance' and therefore the Licensing Authority feel that the application should be rejected.

Yours faithfully

Subject: 135591 MAU REPRESENTATION - Stop N shop 59 Commercial Street, London

Dear Licensing,

Having considered the premises license application for Stop N shop 59 Commercial Street, London , I have to consider the impact of the licensing objectives, particular for Environmental Protection the prevention of public nuisance and the prevention of noise generated from within the premises or outside to be causing disturbance to people in the vicinity. Consideration also has to be given to the fact that the premises is within Brick Lane Cumulative Impact Zone.

It must be noted that the Council's framework hours (i.e. when premises are open) are:

- **Monday to Thursday 0600 hours to 2330 hours; and**
- **Friday & Saturday 0600 hours to midnight**
- **Sunday 0600 hours to 2230 hours.**

The applicant is proposing operating hours for licensable activities (sale of alcohol):

- **Monday to Thursday until Midnight (an increase of half an hour on framework hours)**
- **Friday and Saturday until 04:00 hours (an increase of four hours on framework hours)**
- **Sunday until midnight (an increase of an hour and a half on framework hours)**

Also, there is insufficient information in the operating schedule of the licence application to show how the applicant will promote the licensing objective for the prevention of public nuisance.

Noise Sensitive premises: residential premises in close proximity to 59 Commercial Street, London

In my view the application, as it stands fails, to comply with the objective of the Licensing Act 2003 relating to "public nuisance" for the following reasons:-

- Noise breakout from the venue affecting neighbouring residents,
- Access & egress to and from the venue, of patrons, especially due to patrons likely to be in high spirits
- The hours of operation (inclusive of proposals)

CONCLUSION

Environmental Protection **does not** support the application for Stop N shop 59 Commercial Street, London for the following reasons:

- (1) There is great likelihood of disturbance to residential premises at the noise sensitive hours sought.
- (2) The applicant have not provided sufficient information to show how they will promote the licensing objective for the prevention of public nuisance
- (3) The premises is in Brick Lane cumulative impact zone.

Dear Nicola

Thank you for your earlier email.

I have discussed the opening hours with the applicant and they are happy to reduce the hours as set out within the Councils framework as below:

- **Monday to Thursday 0600 hours to 2330 hours; and**
- **Friday & Saturday 0600 hours to midnight**
- **Sunday 0600 hours to 2230 hours.**

In addition, as proposed within our application the management and applicant will place notices on site to encourage customers not to make noise nor gather outside the site. The management will also actively monitor any form of disturbance caused by customers and encourage those to move on away from the site in order to protect local residents amenity. The management also only allow delivery of goods onto the site and placement of refuse outside within prescribed hours not to cause any additional noise disturbance on local residents.

Please don't hesitate to contact me if you have any additional questions or requests. I look forward to hearing from you soon with confirmation of withdrawing your representation if you feel these are satisfactory.

Subject: Re: Stop N shop, 59 commercial Street - LA Representation REF: M/135591

Dear Corinne and Licensing Team

Thank you for your earlier email with attached representation.

Firstly, we wish to highlight and confirm the previous premises licence holder Mr A. Thaker no longer has any form of connection with the premises which has now been completely taken over by the landlord who will manage and act as DPS to prevent the incident which occurred perviously. The applicant only wishes for a fair application and not be tarnished by the wrongful acts of the previous applicant. These are two separate individuals without any connection and as such the current applicant, plus the application, should be considered as a clean slate in order for a fair and just application is conducted. The decision to reject the current application based on past activities and a presumption could be deemed disproportionate whilst alternative solutions are available to strike a fair application. We have proposed numerous conditions to support the licensable activities and very recently reduced the opening hours so they match the council's set of framework hours. We also propose for the licensing team to consider granting the premise licence for 1 year upon which at the end of the year a review can be conducted to asses whether all conditions are being met and the premises is operating without issue. We must note any one of the licensing responsible authorities have the option, at any moment, to request and conduct a review of the premises licence if there is continuous breach of condition(s) or the premises is operating unlawfully.

We are also happy to consider additional conditions which the licensing team feel satisfactory in order for the premises licence to be granted. The applicant only wishes for a fair application so a chance is given to prove the business is viable and can operate in a safe manner to serve the community.

We look forward to hearing from you soon and please do not hesitate to contact us if you wish to discuss the matter further.

Kind regards

Noise while the premise is in use

General Advice

If they conclude this is a problem Members should consider whether it is possible to carry out suitable and proportionate noise control measures so that noise leakage is prevented. In addition Members may consider that only certain activities are suitable.

The hours of operation also need to be considered (see below).
If Members believe that there is a substantial problem of noise while the premises are in use and it cannot be proportionately address by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. (**See Sections 9.1 of the Licensing Policy**). While all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. (**See Section 14.10**).

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. (**See Section 9.2 of the Licensing Policy**).

The Licensing Authority will consider attaching conditions to prevent nuisance. In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a "beer garden", or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly
- Conditions controlling the use of explosives, pyrotechnics and fireworks
- Conditions controlling the placing of refuse
- Conditions controlling noxious smells
- Conditions controlling lighting (this needs to be balanced against potential crime prevention benefits)

Police Powers

Part 8 of the Licensing Act 2003 enables a senior police officer to close down a premises for up to 24 hrs where public nuisance is being caused by noise coming from the premises and the closure of the premises is necessary to prevent that nuisance.

Guidance Issued under Section 182 of the Licensing Act 2003

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community (2.15).

Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.19) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder.

Other Legislation

The Environmental Protection Act 1990, Part 111 gives Environmental Health Officers the power to deal with statutory nuisances.

The Anti-social Behaviour Act 2003, Sections 40 and 41 give Environmental Health Officers the power of closure up to 24 hours in certain circumstances.

Appendix 9

Access and Egress Problems

Such as:

Disturbance from patrons arriving/leaving the premises on foot

Disturbance from patrons arriving/leaving the premises by car

Lack of adequate car parking facilities

Close proximity to residential properties

Comment

The above have been grouped together as egress problems. Of course the particular facts will be different for each alleged problem.

Egress only is referred to-if necessary access can be added or substituted in.

General Advice

In considering concerns relating to disturbance from egress, Members need to be satisfied that the premises under consideration has been identified as the source of the actual or potential disturbance. If they are satisfied that this is a problem, then proportionate conditions should be considered.

The hours of operation also need to be considered.

If Members believe that there is a substantial problem concerning egress and it cannot be proportionately addressed by licensing conditions, they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. (**See Section 10 of the Licensing Policy**).

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. (**See Section 10.2 of the Licensing Policy**).

The policy also recognises that staggered closing can help prevent problems at closure time (**See Section 15.1**).

However, while all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. (**See Section 15.5**)

The Council has adopted a set of framework hours (**See 15.8 of the licensing policy**). This relates to potential disturbance caused by late night trading.

The Licensing Authority will consider attaching conditions to prevent nuisance and these may include Conditions drawn from the Model Pool of Conditions relating to the prevention of Public Nuisance. (**See Annex G of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a “beer garden”, or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly

Guidance Issued under Section 182 of the Licensing Act 2003

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community. (2.15).

Licence conditions should not duplicate other legislation (1.16).

Any conditions should be tailored to the type, nature and characteristics of the specific premises. Licensing authorities should be aware of the need to avoid inappropriate or disproportionate measures that could deter events that are valuable to the community, such as live music. Noise limiters, for example, are very expensive to purchase and install and are likely to be a considerable burden for smaller venues. (2.19)

Measures can include ensuring the safe departure of customers, these can include:

- Providing information on the premises of local taxi companies who can provide safe transportation home; and
- Ensuring adequate lighting outside the premises, particularly on paths leading to and from the premises and in car parks

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.19) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder.

Appendix 10

Anti-Social Behaviour on the Premises

Licensing Policy

The Licensing Authority expects the applicant to have addressed all crime and disorder issues relating to the premises in their operating schedule and to have sought appropriate advice. (**See Section 6 of the Licensing Policy**)

The Licensing Authority will consider attaching conditions to deter crime and disorder and these may include conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. (**See Appendix 3 of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- Methods of management communication
- Use of registered Door Supervisors
- Bottle Bans
- Plastic containers
- CCTV
- Restrictions on open containers for “off sales”
- Restrictions on drinking areas
- Capacity
- Proof of Age scheme
- Crime prevention notices
- Drinks promotions-aimed at stopping irresponsible promotions
- Signage
- Seating plans
- Capacity

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application.

Police Powers

The Licensing Act 2003, Part 8 gives a senior police officer the power to close a premises for up to 24 hours where the officer believes there is, or is likely to be disorder on or in the vicinity and closure is necessary in the interests of public safety.

Guidance Issued under Section 182 of the Licensing Act 2003

The pool of conditions, adopted by the Council is recommended (Annexe D).

The key role of the Police and SIA is acknowledged (2.1-2.2).

Conditions attached to licences cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder

and their staff or agents, but can directly impact on the behaviour of customers in the immediate vicinity of the premises as they seek entry or leave (1.16).

Conditions are best targeted on deterrence and preventing crime and disorder (2.3) communication, CCTV, police liaison, no glasses, capacity limits are all relevant (2.3 - 2.6).

The Guidance recognises working with Home Office Immigration Enforcement in the prevention of immigration crime. Licence conditions that are considered appropriate for the prevention of illegal working in licensed premises might include requiring a premises licence holder to undertake right to work checks on all staff employed at the licensed premises or requiring that a copy of any document checked as part of a right to work check are retained at the licensed premises.

Guidance Issued under Section 182 of the Licensing Act 2003

Conditions can be imposed for large capacity “vertical consumption” premises (10.23 – 10.24).

Guidance Issued by the Office of Fair Trading

This relates to attempts to control minimum prices.

Other Legislation

- The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder

Appendix 11

Anti-Social Behaviour from Patrons Leaving the Premises

General Advice

Members need to bear in mind that once patrons have left a premises they are no longer under direct control. Members will need to be satisfied that there is a link between the way the premises is operating and the behaviour that is complained of. An example of this would be that irresponsible drinking is being encouraged. Before deciding that any particular licensing conditions are proportionate, Members will also need to be satisfied that other legislation is not a more effective route. For example, if the problem is drinking in the street it may be that the Council should designate the area as a place where alcohol cannot be consumed in public.

Members may also wish to consider whether the hours of opening relate to any problems of anti-social behaviour.

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that other legislation or measures may be more appropriate but also states that licensing laws are “a key aspect of such control and will always be part of an overall approach to the management of the evening and night time economy” (**see Section 4.15 and 4.16 of the Licensing Policy**).

The Licensing Authority expects the applicant to have addressed all crime and disorder issues relating to the premises in their operating schedule and to have sought appropriate advice. (**See Sections 6.2 of the Licensing Policy**)

The Licensing Authority will consider attaching conditions to deter crime and disorder and these may include Conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. (**See Appendix 3 of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- Bottle Bans
- Plastic containers
- CCTV (outside the premises)
- Restrictions on open containers for “off sales”
- Proof of Age scheme
- Crime prevention notices
- Drinks promotions-aimed at stopping irresponsible promotions
- Signage

Cumulative Impact

There is a process by which the Licensing Authority can determine that an area is saturated following representations. However, the process for this involves wide consultation and cannot come from representations about a particular application. (**See Section 8 of the Licensing Policy**).

Police Powers

The Licensing Act 2003, Part 8 gives a senior police officer the power to close a premises for up to 24 hours where the officer believes there is, or is likely to be disorder on or in the vicinity and closure is necessary in the interests of public.

Guidance Issued under Section 182 of the Licensing Act 2003

The key role of the Police is acknowledged (2.1).

Conditions attached to licences cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder, but can relate to the immediate vicinity of the premises as they seek entry or leave (1.16).

Conditions are best targeted on deterrence and preventing crime and disorder (2.3) CCTV inside & out, communication, police liaison, no glasses are all relevant

There is also guidance issued around public nuisance (2.15 – 2.21).

The pool of conditions, adopted by the Council is recommended (see Appendix 3 of the Licensing Policy). Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder (2.18/2.21).

Licensing law is not the primary mechanism for the general control of nuisance and anti-social behaviour by individuals once they are away from the licensed premises and, therefore, beyond the direct control of the individual, club or business holding the licence, certificate or authorisation concerned (14.13).

Other Legislation

Crime and Disorder Act 1998

The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder.

Page 169

The Act also introduced a wide range of measures designed to address anti-social behaviour committed by adults and young people. These include:

- Anti-Social Behaviour Orders
- Child Curfew Schemes
- Truancy
- Parenting Orders
- Reparation Orders
- Tackling Racism

Appendix 12

Planning

An application for a Premises Licence can be made in respect of a premises even where the premises does not have relevant Planning Permission. That application has to be considered and Members can only refuse the application where the application itself does not promote one of more of the Licensing Objectives. Members cannot refuse just because there is no planning permission. Where a Premises Licence is granted and which exceeds what is allowed by the Planning Permission and that Premises then operates in breach of planning then the operator would be liable to enforcement by Planning.

Appendix 13

Licensing Policy Relating to Hours of Trading

All applications have to be considered on their own merits.

The Council has however adopted a set of framework hours as follows:

- Monday to Thursday, from 06:00 hrs to 23:30 hrs
- Friday and Saturday, from 06:00 hrs to 00:00 hrs (midnight)
- Sunday, from 06:00 hrs to 22:30 hrs

(see 14.8 of the Licensing Policy)

In considering the applicability of frame work hours to any particular application regard should be had to the following

- Location
- Proposed hours of regulated activities, and the proposed hours the premises are open to the public
- The adequacy of the applicant's proposals to deal with issues of crime and disorder and public nuisance
- Previous history
- Access to public transport
- Proximity to other licensed premises, and their hours

(See 14.9 of the licensing policy)

Subject to any representations to the contrary in individual cases the following premises are not generally considered to contribute to late night anti-social behaviour and will therefore generally have greater freedom

- Theatres
- Cinemas
- Premises with club premises certificates

Appendix 14

Special Cumulative Impact Policy for the Brick Lane and Bethnal Green Area

- 19.1 As with many other London Borough's the majority of late night licensed premises are concentrated within one area of the Borough. Following guidance issued under the Licensing Act 2003 a cumulative impact policy for the Brick Lane area was adopted on 18th September 2013 by the Council and came into effect on the 1st November 2013.
- 19.2 After consultation the Council recognised that because of the number and density of licensed premises selling alcohol, on and off the premises and the provision of late night refreshment (sale of hot food after 11pm) within the Brick Lane Area as defined in Figure One, there might be exceptional problems of nuisance, disturbance and/or disorder outside or away from those licensed premises as a result of their combined effect.
- 19.3 The Council Cumulative Impact Zone (CIZ) was reviewed alongside this Statement of Licensing Policy by the Licensing Committee on 14th December 2017. Following this review and consultation in early 2018 the Council has decided to keep the Cumulative Impact Zone (CIZ). Local crime mapping showed that although there had been a reduction in crime and disorder linked to licensed premises within the CIZ since January 2015, the same crime mapping showed that the area of the CIZ is still higher than average in regards to crimes and disorder linked to licensed premises compared to the rest of the borough.

Further to the CIZ in the Brick Lane Area shown in Figure One below, data from 999/101 calls to Police in 2016/17 showed a large number of incidents linked to licensed premises within the area shown in Figure Two below (Bethnal Green Area). In light of this evidence and following consultation mentioned above the Council has decided to adopt a second CIZ in the Bethnal Green Area.

- 19.4 The Licensing Authority is of the view that the number, type and density of premises selling alcohol for consumption on and off the premises and/or the provision of late night refreshment in the area highlighted in Figures One and Two is having a cumulative impact on the licensing objectives and has therefore declared a cumulative impact zone within these areas. The Brick Lane and Bethnal Green CIZ aims to manage the negative cumulative impact of the concentration of licensed premises in these areas and the stresses that the saturation of licensed premises has had on local amenity, environmental degradation and emergency and regulatory services in managing this impact.
- 19.5 The effect of this Special Cumulative Impact Policy will affect applications in respect of the sale or supply of alcohol on or off the premises and/or late Night Refreshment for the following:

- New Premises Licences applications,
- New Club Premises Certificates applications
- Provisional Statements,
- Variation of Premises Licences and Club Premises Certificate applications (where the modifications are relevant to the issue of cumulative impact for example increases in hours or capacity).

The Licensing Authority expects such applications to have regard for and make reference to the CIZ.

19.6 The Special Cumulative Impact policy creates a rebuttable presumption that where relevant representations are received by one or more of the responsible authorities and/or other persons against applications within the CIZ zones the application will be refused.

19.7 Where representations have been received in respect to applications within the CIZ zones the onus is on applicants to adequately rebut the presumption. Applicants will need to demonstrate in their applications why the granting of their application will not negatively add to the cumulative already experience within the CIZ Zones. Applicants may wish to address the following in their applications:

- Genuinely exceptional circumstances,
- Relevant good practices they employ (for example, this could include details of membership of local Pubwatch/other trade groups,
- Accreditation of Award Schemes (as applicable), and any participation in Police/Council initiatives),
- Other good operational/practice arrangements in respect of any outside drinking and smoking to control potential impact in the area,
- Measures used to promote the licensing objectives (for example, any relevant conditions to control noise, dispersal, litter and other anti-social issues).

19.8 This Policy will be strictly applied and where relevant representations are received it is the view of the Council that the application will be refused. Applicants will need to demonstrate that there are exceptional circumstances and that granting their application will not negatively add to the cumulative effect on the Licensing Objectives within the Brick Lane and Bethnal Green CIZ if they wish to rebut this presumption.

Examples of factors the Licensing Authority may consider as exceptional may include, though are not limited to:

- small premises with a capacity of fifty persons or less who only intend to operate during Framework Hours,
- premises which are not alcohol led and operate only within Framework Hours, such as coffee shops,

- instances where the applicant has recently surrendered a licence for another premises of a similar size and providing similar licensable activities in the same Special Policy Area.

Examples of factors the Licensing Authority will **not** consider as exceptional include:

- that the premises will be well managed and run,
- that the premises will be constructed to a high standard,
- that the applicant operates similar premises elsewhere without complaint.

19.9 The Special Cumulative Impact policy will not be used to revoke an existing licence or certificate and will not be applicable during the review of existing licences.

- 5.2 Relevant Sections of the policy are brought to the attention of Members within the Licensing Officers report.
- 5.3 The Home Secretary has issued Guidance under Section 182 of the Licensing Act 2003. This is available on the Government's website, www.homeoffice.gov.uk. It was last revised in April 2018.
- 5.4 Relevant Sections of this advice are brought to Members attention within the Licensing Officers report. Members should note however, that in some areas Tower Hamlets, after a proper consideration of local circumstances, has not followed the Government's advice, or has developed it further.

6.0 Representations

- 6.1 All representations have to meet basic legal and administrative requirements. If they fail to do so they cannot be accepted. When rejected the person sending in the representation must be written to, and an explanation for rejection given in writing.
- 6.2 A responsible authority or other person can make a representation. There are two tests for other persons and only one for a responsible authority. The two tests are contained in Section 18 of the Act.
- 6.3 All representations must be “about the likely effect of the grant of the premises licence on the promotion of the licensing objectives.” Likely means something that will probably happen, i.e. on balance more likely than not.
- 6.4 Representations by responsible authorities do not have to meet the second test of not being vexatious and frivolous. Other persons have to meet this test.
- 6.5 The Home Office recommends that in borderline cases, the benefit of the doubt should be given to the interested party making the representation.
- 6.6 Section 182 Advice by the Home Office concerning relevant, vexatious and frivolous representations is attached as **Appendix 6**.
- 6.7 All the representations in this report have been considered by the relevant officer (Team Leader Licensing & Safety) and determined to have met the requirements of the Licensing Act 2003.
- 6.8 This hearing is required by the Licensing Act 2003, because relevant representations have been made by the following.
- Licensing Authority - **Appendix 7**
 - Environmental Protection – **Appendix 8**
- 6.9 All of the responsible authorities have been consulted about this application. They are as follows:
- The Licensing Authority
 - The Metropolitan Police
 - The LFEPA (the London Fire and Emergency Planning Authority).
 - Planning
 - Health and Safety
 - Noise (Environmental Health)
 - Trading Standards
 - Child Protection
 - Public Health
 - Home office (Immigration Enforcement)

- 6.10 In addition the application was required to be advertised in a local newspaper and by a blue poster. Only objections that relate to the following licensing objectives are relevant:
- the prevention of crime and disorder
 - public safety
 - the prevention of public nuisance
 - the protection of children from harm
- 6.11 The objections relate to:
- Public nuisance
 - CIZ
 - Noise
- 6.12 Essentially, the relevant parties oppose the application because the applicant has not explained how within the context of the application they will meet licensing objective of the prevention of public nuisance.
- 6.13 There are strict time limits to any representations. The time limits are contained in The Licensing Act 2003 (Premises licences and club premises certificates) Regulations 2005.
- 6.14 The applicant has offered measures in the operating schedule of the application that address the promotion of the Licensing Objectives. If there were no representations, the Licensing Authority would grant the licence, with conditions consistent with the operating schedule, which are relevant, proportionate and enforceable. Members are asked to consider the schedule and incorporate any conditions as necessary to address the licensing objectives.

9.0 Licensing Officer Comments

9.1 The Live Music Act removed licensing requirements for the following:

- amplified live music and recorded music between 8am and 11pm before audiences of no more than 500 people on premises authorised to sell alcohol for consumption on the premises;
- unamplified live music between 8am and 11pm in all venues.
- Further exemptions apply see Section 16.5-16.6 of Section 182 Guidance.

9.2 The following is intended to advise Members of the relevant aspects of the Boroughs Licensing Policy, guidance from the Secretary of State, legislation and good practice. Members may depart from the Council's Licensing Policy and/or Government advice, provide they consider it appropriate to do so, and have clear reasons for their decision.

9.3 Guidance issued under section 182 of the Licensing Act 2003

- ❖ As stated in the guidance it is “provided to licensing authorities in relation to the carrying out of their functions under the 2003 Act.” It is a key medium for promoting best practice, ensuring consistent application and promoting fairness equal treatment and proportionality (1.7).
- ❖ Also “as long as licensing authorities have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons. Departure from this Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness and merits of any decision taken.” Therefore licensing authorities will need to give full reasons for their actions (1.9).
- ❖ Also Members should note “A Licensing Authority may depart from its own policy if the individual circumstances of any case merit such a decision in the interests of the promotion of the licensing objectives.” (1.12)

- ❖ Also, “The licensing authority may not impose any conditions unless its discretion has been exercised following receipt of relevant representations and it is satisfied as a result of a hearing (unless all parties agree a hearing is not necessary) that it is appropriate to impose conditions to promote one or more of the four licensing objectives.” Therefore, conditions may not be imposed for the purpose other than promoting the licensing objectives and in some cases no additional conditions will be appropriate. (10.8)
- ❖ Necessary conditions should emerge from a risk assessment by the applicant, which should then be reflected in the operating schedule (10.4).
- ❖ The Guidance states: “Where there are objections to an application to extend the hours during which licensable activities are to be carried on and the licensing authority determines that this would undermine the licensing objectives, it may reject the application or grant it with appropriate conditions and/or different hours from those requested.” (10.14)
- ❖ Mandatory conditions must be imposed (10.27) and censorship avoided (10.17).
- ❖ The Guidance states: “It is still permitted to sell alcohol using promotions (as long as they are compatible with any other licensing condition that may be in force), and the relevant person should ensure that the price of the alcohol is not less than the permitted price. Detailed guidance on the use of promotions is given in the guidance document available on the Gov.uk website.” (10.60) Also, “Licensing authorities should not attach standardised blanket conditions promoting fixed prices for alcoholic drinks to premises licences or club licences or club premises certificates in an area.” (10.21)

- 9.4 The Licensing Act 2003 permits children of any age to be on the premises which primarily sell alcohol providing they are accompanied by an adult. It is not necessary to make this a condition.
- 9.5 In all cases the Members should make their decision on the civil burden of proof, that is “the balance of probability.”
- 9.6 In all cases Members should consider whether or not primary legislation is the appropriate method of regulation and should only consider licence conditions when the circumstances in their view are not already adequately covered elsewhere.
- 9.7 The Government has advised that conditions must be tailored to the individual type, location and characteristics of the premises and events concerned. Conditions cannot seek to manage the behaviour of customers

once they are beyond the direct management of the licence holder and their staff and standardised conditions should be avoided where they cannot be shown to be appropriate. (1.16/1.17)

9.8 The Council's Licensing Policy generally expects applicants to address the licensing objectives and discuss how to do this with the relevant responsible authorities.

9.9 In **Appendices 10 - 14** Members are given general advice, and also have explanations of the Council's Licensing Policy, Government advice and other legislation relating to the matters previously identified.

10.0 **Legal Comments**

10.1 The Council's legal officer will give advice at the hearing.

11.0 **Finance Comments**

11.1 There are no financial implications in this report.

- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

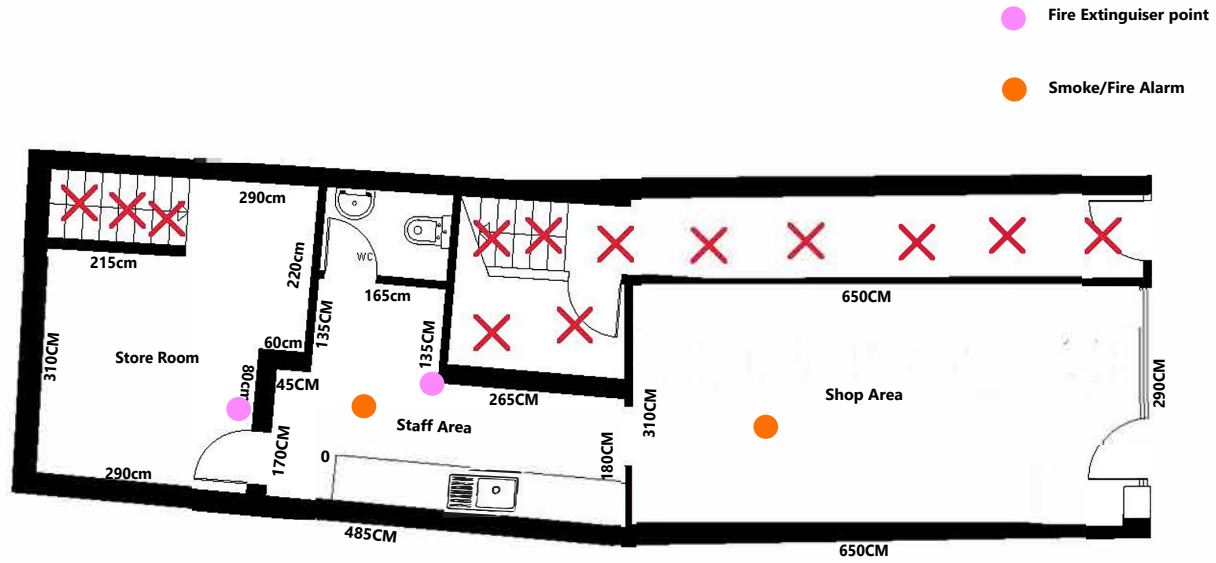

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from

Section 182 Advice by the Home Office Updated on April 2018

Relevant, vexatious and frivolous representations

- 9.4 A representation is “relevant” if it relates to the likely effect of the grant of the licence on the promotion of at least one of the licensing objectives. For example, a representation from a local businessperson about the commercial damage caused by competition from new licensed premises would not be relevant. On the other hand, a representation by a businessperson that nuisance caused by new premises would deter customers from entering the local area, and the steps proposed by the applicant to prevent that nuisance were inadequate, would be relevant. In other words, representations should relate to the impact of licensable activities carried on from premises on the objectives. For representations in relation to variations to be relevant, they should be confined to the subject matter of the variation. There is no requirement for a responsible authority or other person to produce a recorded history of problems at premises to support their representations, and in fact this would not be possible for new premises.
- 9.5 It is for the licensing authority to determine whether a representation (other than a representation from responsible authority) is frivolous or vexatious on the basis of what might ordinarily be considered to be vexatious or frivolous. A representation may be considered to be vexatious if it appears to be intended to cause aggravation or annoyance, whether to a competitor or other person, without reasonable cause or justification. Vexatious circumstances may arise because of disputes between rival businesses and local knowledge will therefore be invaluable in considering such matters. Licensing authorities can consider the main effect of the representation, and whether any inconvenience or expense caused by it could reasonably be considered to be proportionate.
- 9.6 Frivolous representations would be essentially categorised by a lack of seriousness. Frivolous representations would concern issues which, at most, are minor and in relation to which no remedial steps would be warranted or proportionate.
- 9.7 Any person who is aggrieved by a rejection of their representations on either of these grounds may lodge a complaint through the local authority’s corporate complaints procedure. A person may also challenge the authority’s decision by way of judicial review.
- 9.8 Licensing authorities should not take decisions about whether representations are frivolous, vexatious or relevant to the licensing objectives on the basis of any political judgement. This may be difficult for councillors who receive complaints from residents within their own wards. If consideration is not to be delegated, contrary to the recommendation in this

Guidance, an assessment should be prepared by officials for consideration by the sub-committee before any decision is taken that necessitates a hearing. Any councillor who considers that their own interests are such that they are unable to consider the matter independently should disqualify themselves.

9.9 It is recommended that, in borderline cases, the benefit of the doubt about any aspect of a representation should be given to the person making that representation. The subsequent hearing would then provide an opportunity for the person or body making the representation to amplify and clarify it.

9.10 Licensing authorities should consider providing advice on their websites about how any person can make representations to them.

Dear Sir/Madam,

Licensing Act 2003
New Premises Licence Application: 323 Bethnal Green Road
London, E2 6AH

The Licensing Authority (acting a Responsible Authority) is making a representation against the above application on the grounds of:

- Prevention of Public Nuisance

Cumulative Impact Policy

On 1st November 2013, Tower Hamlets Council adopted a Cumulative Impact Policy in the Brick Lane Area. The Council Cumulative Impact Zone (CIZ) was revised alongside this Statement of Licensing Policy on the 1st November 2018. *Local crime mapping showed that although there had been a reduction in crime and disorder linked to licensed premises within the CIZ since January 2015, the same crime mapping showed that the area of the CIZ is still higher than average in regards to crimes and disorder linked to licensed premises compared to the rest of the borough (19.3).*

The Licensing Authority is of the view that the number, type and density of premises selling alcohol for consumption on and off the premises and/or the provision of late night refreshment in the Bethnal Green area is having a cumulative impact on the licensing objectives and has therefore declared a cumulative impact zone within the area. The Bethnal Green CIZ aims to manage

the negative cumulative impact of the concentration of licensed premises in the area and the stresses that the saturation of licensed premises has had on local amenity, environmental degradation and emergency and regulatory services in managing this impact.

The effect of this Special Cumulative Impact Policy will affect applications in respect of the sale or supply of alcohol on or off the premises and/or late-Night Refreshment for the following:

- *New Premises Licences applications,*
- *New Club Premises Certificates applications*
- *Provisional Statements,*
- *Variation of Premises Licences and Club Premises Certificate applications (where the modifications are relevant to the issue of cumulative impact for example increases in hours or capacity).*

The Licensing Authority expects such applications to have regard for and make reference to the CIZ (19.5).

The Special Cumulative Impact policy creates a rebuttable presumption that where relevant representations are received by one or more of the responsible authorities and/or other persons against applications within the CIZ zones the application will be refused (19.6).

Where representations have been received in respect to applications within the CIZ zones, the onus is on applicants to adequately rebut the presumption. Applicants will need to demonstrate in their applications why the granting of their application will not negatively add to the cumulative already experience within the CIZ Zones. Applicants may wish to address the following in their applications:

- *Genuinely exceptional circumstances,*
- *Relevant good practices they employ (for example, this could include details of membership of local Pubwatch/other trade groups,*
- *Accreditation of Award Schemes (as applicable), and any participation in Police/Council initiatives),*
- *Other good operational/practice arrangements in respect of any outside drinking and smoking to control potential impact in the area,*
- *Measures used to promote the licensing objectives (for example, any relevant conditions to control noise, dispersal, litter and other anti-social issues (19.7)*

This Policy will be strictly applied and where relevant representations are received it is the view of the Council that the application will be refused. Applicants will need to demonstrate that there are exceptional circumstances and that granting their application will not negatively add to the cumulative effect on the Licensing Objectives within the Brick Lane and Bethnal Green CIZ if they wish to rebut this presumption.

Examples of factors the Licensing Authority may consider as exceptional may include, though are not limited to:

- *small premises with a capacity of fifty persons or less who only intend to operate during Framework Hours,*
- *premises which are not alcohol led and operate only within Framework Hours, such as coffee shops,*
- *instances where the applicant has recently surrendered a licence for another premises of a similar size and providing similar licensable activities in the same Special Policy Area.*

*Examples of factors the Licensing Authority will **not** consider as exceptional include:*

- *that the premises will be well managed and run,*
- *that the premises will be constructed to a high standard,*
- *that the applicant operates similar premises elsewhere without complaint (19.8).*

Licensable activities and times

The applicant has applied for the following licensable activities and hours:

The licensable hours applied for are:

Provision Recorded Music:(Indoors)

Monday to Sunday from 12:00 hours to 20:00 hours

Supply of Alcohol (Off sales)

Monday to Sunday from 12:00 hours to 20:00 hours

Hours open to the public

Monday to Sunday from 12:00 hours to 20:00 hours

All applications have to be considered on their own merits and the Council has however adopted a set of framework hours (14.8) as follows:

- *Monday to Thursday, until 23:30 hours*
- *Friday and Saturday, until 00:00 hours (midnight)*
- *Sunday, until 22:30 hours*

On a balance of probability, this Authority is concerned by the addition of another premise providing “licensable activities”, potentially adding to the existing anti-social issues in the area.

The Home Office guidance under Section 182 of the Licensing Act 2003 (8.42) says:

“Applicants are, in particular, expected to obtain sufficient information to enable them to demonstrate, when setting out the steps they propose to take to promote the licensing objectives, that they understand:

- the layout of the local area and physical environment including crime and disorder hotspots, proximity to residential premises and proximity to areas where children may congregate;*
- any risk posed to the local area by the applicants’ proposed licensable activities; and*
- any local initiatives (for example, local crime reduction initiatives or voluntary schemes including local taxi-marshalling schemes, street pastors and other schemes) which may help to mitigate potential risks.”*

Great consideration has been given to the fact that the premise is in the Bethnal Green Cumulative Impact Zone and it has been noted that, although the applicant has applied for hours within the councils framework hours, the applicant has provided minimal information in the Operating Schedule to address particularly the impact that the ‘Licensable Activities’ will have within the CIZ in regards to Public Nuisance.

It is important to note that when applying for a licence in a CIZ area, applicants need to demonstrate that the granting of their application will not negatively add to the cumulative effect and undermine the licensing objectives.

On considering this application as it stands, The Licensing Authority believes granting this application would undermine the licensing objectives for public nuisance and therefore does not support this application.

Yours faithfully

Lavine Miller-Johnson
Licensing Officer
(Acting as a Responsible Authority)

Subject: 136700 MAU REPRESENTATION Wine Shop/Deli 323 Bethnal Green Road, London

Dear Licensing,

Having considered the premises license application for Wine Shop/Deli, 323 Bethnal Green Road, London I have to consider the impact of the licensing objectives, particular for Environmental Protection the prevention of public nuisance and the prevention of noise generated from within the premises or outside to be causing disturbance to people in the vicinity, especially given the fact that the premises is within Bethnal Green Cumulative Impact Zone.

Whilst the application is for lesser hours than the Council's framework hours there is insufficient information in the operating schedule in the licence application to show how the applicant will promote the four licensing objectives.

The condition for the prevention of public nuisance "*Music played at a respectable level and limited via a volume limiter*" is very general and "respectable level" does not define the noise level. There is no consideration of the impact on public nuisance from people access and egressing the premises and people loitering outside whilst the premises is in operation, particularly when considering that the premises is in Bethnal Green Cumulative Impact Zone.

Noise Sensitive premises: residential premises in close proximity to 323 Bethnal Green Road London

In my view the application, as it stands fails, to comply with the objective of the Licensing Act 2003 relating to "public nuisance" for the following reasons:-

- Noise breakout from the venue affecting neighbouring residents.
- Access & egress to and from the venue, of patrons, especially due to patrons likely to be in high spirits

CONCLUSION

Environmental Protection **does not** support the application for Wine Shop/Deli 323 Bethnal Green Road for the following reasons:

- (1) The applicant have not provided sufficient information to show how they will promote the licensing objective for the prevention of public nuisance
- (2) The premises is in Bethnal Green Cumulative Impact Zone.

Kind regards

The record shall be available for inspection at the premises by the police or an authorised officer at all times whilst the premises is open.

Appendix 10

Prevention of Public Nuisance

- 9.1 Licensed premises, especially those operating late at night and in the early hours of the morning, can cause a range of nuisances impacting on people living, working or sleeping in the vicinity of the premises.
- 9.2 The concerns mainly relate to noise nuisance both from the premises and customer egress, light pollution, noxious smells and disruption from parked vehicles and due regard will be taken of the impact these may have in considering a licence. The Licensing Authority will expect Operating Schedules to satisfactorily address these issues. Applicants are advised to seek advice from the Council's Environmental Health Officers before preparing their plans and Schedules.
- 9.3 The Licensing Authority, where its discretion is engaged, will consider, where appropriate, attaching conditions to licences and permissions to prevent the problems identified in Section 18 of this Policy (Special Cumulative Impact Policy for the Brick Lane and Bethnal Green Area), and these may include conditions drawn from the Model Pool of Conditions found in the Secretary of States Guidance.
- 9.4 **Street Furniture** – placing of street furniture, which includes advertising boards, on the highway can cause a public nuisance by way of obstruction, or encourage consumption of alcohol on an unlicensed area. The Licensing Authority expects applicants to have ensured that they fully comply with the Council's rules relating to authorisation of obstructions on the highway, and that the required authorisations are obtained prior to submitting a licence application. Where proportionate and appropriate, and its discretion is engaged, the Licensing Authority will impose conditions in relation to street furniture, including on private land.
- 9.5 **Fly Posting** – The Council has experienced problems with "fly posting" in relation to venues that offer entertainment. Fly posting is the unauthorised posting of posters / advertisements etc. Where it considers it proportionate and appropriate, and its discretion is engaged, the Licensing Authority will attach conditions relating to the control of fly posting to ensure that venues clearly prohibit all fly posting in their contract terms with others and they effectively enforce this control.

Appendix 11

Guidance Issued by the Home Office under Section 182 of the Licensing Act 2003

Updated April 2018

Public nuisance

- 2.15 The 2003 Act enables licensing authorities and responsible authorities, through representations, to consider what constitutes public nuisance and what is appropriate to prevent it in terms of conditions attached to specific premises licences and club premises certificates. It is therefore important that in considering the promotion of this licensing objective, licensing authorities and responsible authorities focus on the effect of the licensable activities at the specific premises on persons living and working (including those carrying on business) in the area around the premises which may be disproportionate and unreasonable. The issues will mainly concern noise nuisance, light pollution, noxious smells and litter.
- 2.16 Public nuisance is given a statutory meaning in many pieces of legislation. It is however not narrowly defined in the 2003 Act and retains its broad common law meaning. It may include in appropriate circumstances the reduction of the living and working amenity and environment of other persons living and working in the area of the licensed premises. Public nuisance may also arise as a result of the adverse effects of artificial light, dust, odour and insects or where its effect is prejudicial to health.
- 2.17 Conditions relating to noise nuisance will usually concern steps appropriate to control the levels of noise emanating from premises. This might be achieved by a simple measure such as ensuring that doors and windows are kept closed after a particular time, or persons are not permitted in garden areas of the premises after a certain time. More sophisticated measures like the installation of acoustic curtains or rubber speaker mounts to mitigate sound escape from the premises may be appropriate. However, conditions in relation to live or recorded music may not be enforceable in circumstances where the entertainment activity itself is not licensable (see chapter 16). Any conditions appropriate to promote the prevention of public nuisance should be tailored to the type, nature and characteristics of the specific premises and its licensable activities. Licensing authorities should avoid inappropriate or disproportionate measures that could deter events that are valuable to the community, such as live music. Noise limiters, for example, are expensive to purchase and install and are likely to be a considerable burden for smaller venues.
- 2.18 As with all conditions, those relating to noise nuisance may not be appropriate in certain circumstances where provisions in other legislation adequately protect those living in the area of the premises. But as stated earlier in this Guidance, the approach of licensing authorities and responsible authorities should be one of prevention and when their powers are engaged, licensing authorities should be aware of the fact that other legislation may not adequately cover concerns raised in relevant representations and additional conditions may be appropriate.

- 2.19 Where applications have given rise to representations, any appropriate conditions should normally focus on the most sensitive periods. For example, the most sensitive period for people being disturbed by unreasonably loud music is at night and into the early morning when residents in adjacent properties may be attempting to go to sleep or are sleeping. This is why there is still a need for a licence for performances of live music between 11 pm and 8 am. In certain circumstances, conditions relating to noise emanating from the premises may also be appropriate to address any disturbance anticipated as customers enter and leave.
- 2.20 Measures to control light pollution will also require careful thought. Bright lighting outside premises which is considered appropriate to prevent crime and disorder may itself give rise to light pollution for some neighbours. Applicants, licensing authorities and responsible authorities will need to balance these issues.
- 2.21 Beyond the immediate area surrounding the premises, these are matters for the personal responsibility of individuals under the law. An individual who engages in anti-social behaviour is accountable in their own right. However, it would be perfectly reasonable for a licensing authority to impose a condition, following relevant representations, that requires the licence holder or club to place signs at the exits from the building encouraging patrons to be quiet until they leave the area, or that, if they wish to smoke, to do so at designated places on the premises instead of outside, and to respect the rights of people living nearby to a peaceful night.

Appendix 12

Licensing Policy Relating to Hours of Trading

All applications have to be considered on their own merits.

The Council has however adopted a set of framework hours as follows:

- Monday to Thursday, from 06:00 hrs to 23:30 hrs
- Friday and Saturday, from 06:00 hrs to 00:00 hrs (midnight)
- Sunday, from 06:00 hrs to 22:30 hrs

(see 14.8 of the Licensing Policy)

In considering the applicability of framework hours to any particular application regard should be had to the following

- Location
- Proposed hours of regulated activities, and the proposed hours the premises are open to the public
- The adequacy of the applicant's proposals to deal with issues of crime and disorder and public nuisance
- Previous history
- Access to public transport
- Proximity to other licensed premises, and their hours

(See 14.9 of the licensing policy)

Subject to any representations to the contrary in individual cases the following premises are not generally considered to contribute to late night anti-social behaviour and will therefore generally have greater freedom

- Theatres
- Cinemas
- Premises with club premises certificates

Appendix 13

Special Cumulative Impact Policy for the Brick Lane and Bethnal Green Area

- 19.1 As with many other London Borough's the majority of late night licensed premises are concentrated within one area of the Borough. Following guidance issued under the Licensing Act 2003 a cumulative impact policy for the Brick Lane area was adopted on 18th September 2013 by the Council and came into effect on the 1st November 2013.
- 19.2 After consultation the Council recognised that because of the number and density of licensed premises selling alcohol, on and off the premises and the provision of late night refreshment (sale of hot food after 11pm) within the Brick Lane Area as defined in Figure One, there might be exceptional problems of nuisance, disturbance and/or disorder outside or away from those licensed premises as a result of their combined effect.
- 19.3 The Council Cumulative Impact Zone (CIZ) was reviewed alongside this Statement of Licensing Policy by the Licensing Committee on 14th December 2017. Following this review and consultation in early 2018 the Council has decided to keep the Cumulative Impact Zone (CIZ). Local crime mapping showed that although there had been a reduction in crime and disorder linked to licensed premises within the CIZ since January 2015, the same crime mapping showed that the area of the CIZ is still higher than average in regards to crimes and disorder linked to licensed premises compared to the rest of the borough.

Further to the CIZ in the Brick Lane Area shown in Figure One below, data from 999/101 calls to Police in 2016/17 showed a large number of incidents linked to licensed premises within the area shown in Figure Two below (Bethnal Green Area). In light of this evidence and following consultation mentioned above the Council has decided to adopt a second CIZ in the Bethnal Green Area.

- 19.4 The Licensing Authority is of the view that the number, type and density of premises selling alcohol for consumption on and off the premises and/or the provision of late night refreshment in the area highlighted in Figures One and Two is having a cumulative impact on the licensing objectives and has therefore declared a cumulative impact zone within these areas. The Brick Lane and Bethnal Green CIZ aims to manage the negative cumulative impact of the concentration of licensed premises in these areas and the stresses that the saturation of licensed premises has had on local amenity, environmental degradation and emergency and regulatory services in managing this impact.
- 19.5 The effect of this Special Cumulative Impact Policy will affect applications in respect of the sale or supply of alcohol on or off the premises and/or late Night Refreshment for the following:

- New Premises Licences applications,
- New Club Premises Certificates applications
- Provisional Statements,
- Variation of Premises Licences and Club Premises Certificate applications (where the modifications are relevant to the issue of cumulative impact for example increases in hours or capacity).

The Licensing Authority expects such applications to have regard for and make reference to the CIZ.

19.6 The Special Cumulative Impact policy creates a rebuttable presumption that where relevant representations are received by one or more of the responsible authorities and/or other persons against applications within the CIZ zones the application will be refused.

19.7 Where representations have been received in respect to applications within the CIZ zones the onus is on applicants to adequately rebut the presumption. Applicants will need to demonstrate in their applications why the granting of their application will not negatively add to the cumulative already experience within the CIZ Zones. Applicants may wish to address the following in their applications:

- Genuinely exceptional circumstances,
- Relevant good practices they employ (for example, this could include details of membership of local Pubwatch/other trade groups,
- Accreditation of Award Schemes (as applicable), and any participation in Police/Council initiatives),
- Other good operational/practice arrangements in respect of any outside drinking and smoking to control potential impact in the area,
- Measures used to promote the licensing objectives (for example, any relevant conditions to control noise, dispersal, litter and other anti-social issues).

19.8 This Policy will be strictly applied and where relevant representations are received it is the view of the Council that the application will be refused. Applicants will need to demonstrate that there are exceptional circumstances and that granting their application will not negatively add to the cumulative effect on the Licensing Objectives within the Brick Lane and Bethnal Green CIZ if they wish to rebut this presumption.

Examples of factors the Licensing Authority may consider as exceptional may include, though are not limited to:

- small premises with a capacity of fifty persons or less who only intend to operate during Framework Hours,
- premises which are not alcohol led and operate only within Framework Hours, such as coffee shops,

- instances where the applicant has recently surrendered a licence for another premises of a similar size and providing similar licensable activities in the same Special Policy Area.

Examples of factors the Licensing Authority will **not** consider as exceptional include:

- that the premises will be well managed and run,
- that the premises will be constructed to a high standard,
- that the applicant operates similar premises elsewhere without complaint.

19.9 The Special Cumulative Impact policy will not be used to revoke an existing licence or certificate and will not be applicable during the review of existing licences.

Planning

An application for a Premises Licence can be made in respect of a premises even where the premises does not have relevant Planning Permission. That application has to be considered and Members can only refuse the application where the application itself does not promote one of more of the Licensing Objectives. Members cannot refuse just because there is no planning permission. Where a Premises Licence is granted and which exceeds what is allowed by the Planning Permission and that Premises then operates in breach of planning then the operator would be liable to enforcement by Planning.
