### **Procedure at the meeting.**

Just before the start of the meeting, the macebearer will ask everyone to be upstanding for the Speaker. The Speaker of the Council is the Chair of the meeting and is in charge of the debate. Their role is to control the meeting, including the order of speakers, and to ensure that the business is carried out properly in accordance with procedural rules.

Whilst all Members may contribute to the discussions, only the Members physically present in the meeting room may vote on items requiring a decision in accordance with the regulations.

## **Budget Debate**

At the start of the debate, the Mayor and/ or the Cabinet Member for Resources will present their proposals, as contained in the agenda. Once the Executive's proposals have been moved, the Speaker will invite the mover and seconder of any amendments in turn to speak and move their amendments. Any proposed amendments will be published on the website before the meeting (including Officers' comments) in the supplementary pack. After all the amendments have been moved, the Council will debate the proposals. At the end of the debate, the Mayor or the Cabinet Member who has moved the proposals may exercise a right of reply.

## **Order of business**

The Speaker may agree to change the order of business at the meeting. In addition, the Speaker may adjourn the meeting for a period of time or agree an extension to the time limit for the meeting (by up to half hour beyond the three-hour limit). To change the order of business, a Member will need to formally move a motion seeking approval for the requested change. Any such motions will be put to the vote.

## **Voting**

Full Council will vote on each amendment in the order they were moved and finally the substantive budget motion moved by the Administration. The votes will be conducted through a roll-call vote of all Members present in the chamber. If there are an equal number of votes for and against an item of business, the Speaker will have a second or casting vote.

If the Council adopts the budget proposals without amendment, the decision will take effect immediately. If however, the Council votes to make any amendments to the budget proposals, it shall request that the Mayor reconsider the proposed budget in light of their amendments and resubmit the budget (amended or not) to a further Council meeting the following week.

If the Council still wishes to amend the Mayor's proposals, such a decision will require a two thirds majority of the Members present. If no valid amendment receives two thirds support, the Mayor's proposals are deemed adopted.

## **Decisions and Minutes**

The decisions will be published on the website 2 days after the meeting. The draft minutes will be published around 10 working days after the meeting.

## **Publication of Agenda papers.**

Electronic copies of the Council agenda will be published on the Council's Website on the relevant Committee pages at least five clear working days before the meeting.
