The Speaker of the Council, Councillor Mohammed Ahab Hossain in the Chair

The Speaker reported that the Council were all deeply shocked and saddened by the conflict between Russia and Ukraine. He understood that this may be a distressing time - particularly for those who have friends and family living in the countries concerned. The Council were here to support the community and colleagues at this time.

The Speaker was also sad to announce the passing of former Tower Hamlets Councillors: Nigel Huxted, Fred Stratford and Sajjad Miah. They will be remembered for their dedication and community work.

The Council's thoughts and prayers are with those affected by these events.

The Council rose to observe a minute's silence.

1. APOLOGIES FOR ABSENCE

Apologies for absence were received on behalf:

- Councillor Puru Miah

Apologies for lateness were received on behalf of Councillor Sufia Alam.

2. DECLARATIONS OF DISCLOSABLE PECUNIARY INTERESTS AND OTHER INTERESTS

The Director of Legal and Monitoring Officer advised that the Standards Advisory Committee had agreed a general dispensation to all Councillors in respect of matters relating to the Council Tax and also on Housing where the Councillor (or spouse or partner) holds a tenancy or lease with the Council. Members did not therefore have to declare a DPI in respect of these matters.

Councillor Kahar Chowdhury declared a Non Disclosable Pecuniary Interest in agenda item 5, Budget and Council Tax 2022/23, in relation to any budget proposals that affected care services. This was due to his wife's employment.

3. TO RECEIVE ANNOUNCEMENTS (IF ANY) FROM THE SPEAKER OF THE COUNCIL OR THE CHIEF EXECUTIVE

There were none.

4. TO RECEIVE PETITIONS

Petition regarding Complete Cycleway 2

Dan Simpson and others addressed the meeting on behalf of the petitioners, and responded to questions from Members. Councillor Kahar Chowdhury, Cabinet Member for Highways and the Public Realm then responded to the matters raised in the petition

He noted that improving walking and cycling routes in the Borough is a key priority of the Council, as set out in its Transport Strategy. Therefore, the Council were working closely with TfL on a number of initiatives, including:

- Working to identify improvements to the cycle network. This included: delivering Cycleway 2, (which is on the TfL network), and changes to the network at Mile End Road and by the Ocean Estate.
- Developing the Whitechapel Road Improvement Programme, including measures to improve the section of highway between Vallance Road and Cambridge Health Road.

He also recognised that the changes may impact on bus lanes and the local area. Therefore, it was important to secure stakeholders support for the improvements. The Council will continue to work with such partners to do this and identify funding for improvements.

RESOLVED:

1. That the petition be referred to the Corporate Director, Place for a written response within 28 days.
