A Guide to CABINET

Decision Making at Tower Hamlets

As Tower Hamlets operates the Directly Elected Mayor system, **Mayor Lutfur Rahman** holds Executive powers and takes decisions at Cabinet or through Individual Mayoral Decisions. The Mayor has appointed nine Councillors to advise and support him and they, with him, form the Cabinet. Their details are set out on the front of the agenda.

Which decisions are taken by Cabinet?

Executive decisions are all decisions that aren't specifically reserved for other bodies (such as Development or Licensing Committees). In particular, Executive Key Decisions are taken by the Mayor either at Cabinet or as Individual Mayoral Decisions.

The constitution describes Key Decisions as an executive decision which is likely

- a) to result in the local authority incurring expenditure which is, or the making of savings which are, above £1million; or
- b) to be significant in terms of its effects on communities living or working in an area comprising two or more wards in the borough.

Upcoming Key Decisions are published on the website on the 'Forthcoming Decisions' page through www.towerhamlets.gov.uk/committee

Published Decisions and Call-Ins

Once the meeting decisions have been published, any 5 Councillors may submit a Call-In to the Service Head, Democratic Services requesting that a decision be reviewed. This halts the decision until it has been reconsidered.

- The decisions will be published on: **Friday, 16 December 2022**
- The deadline for call-ins is: **Friday, 23 December 2022**

Any Call-Ins will be considered at the next meeting of the Overview and Scrutiny Committee. The Committee can reject the call-in or they can agree it and refer the decision back to the Mayor, with their recommendations, for his final consideration.

Public Engagement at Cabinet

The main focus of Cabinet is as a decision-making body. However there is an opportunity for the public to contribute through making submissions that specifically relate to the reports set out on the agenda.

Members of the public may make written submissions in any form (for example; Petitions, letters, written questions) to the Clerk to Cabinet (details on the previous page) by 5 pm the day before the meeting.

6 .5 Secure Children's Home for London and Pan-London Commissioning Vehicle

207 - 214

Report Summary:

Children with particularly complex needs, including those who are at significant risk of causing harm to themselves or others, including risk to life, can be placed in a secure children's home when no other type of placement would keep them safe. There is a significant shortage of national secure children's home provision as highlighted by OfSTED and London has no provision. The numbers of children placed are small, but the placements expensive. Further, where places are not available, the alternatives, often requiring multiple ratios of staff for each child, are amongst the costliest placements for children's services. For example, the Association of Directors of Children's Services (ADCS) recently highlighted more than twenty local authorities paying over £20K per week (equivalent to £1 million per year) and one case of £49,680 per week (equivalent to over £2 million per year).

There are few children requiring secure welfare provision and in the last eight months to July 2022 the numbers per local authority in London ranged from zero to three, with further children being referred but unable to be placed because of a lack of availability.

There is an opportunity now to develop and establish secure children's home (SCH) provision in London to bring additional capacity to the market, with funds provided by the Department for Education, but this requires a Pan-London approach.

It is proposed that a company, owned by London local authorities, should be established to oversee the build, and contribute to the development of the operating model for the new SCH provision, as well as the commissioning arrangements to run the service. The PLV will be a means to share the risks and benefits associated with developing and running the SCH, with a key benefit being that places at the new provision will be prioritised for the London local authorities who opt in to join the PLV.

In the long term, it is intended that the PLV's remit will include other key pan-London commissioning arrangements that will improve the lives of London's children and young people.
