**4.2 Application for a New Premises Licence for DZRT, 622 Roman Road,
London E3 2RW**

The Licensing Objectives

In considering the application, Members were required to consider the same in accordance with the Licensing Act 2003 (as amended), the Licensing Objectives, the Home Office Guidance and the Council's Statement of Licensing Policy and in particular to have regard to the promotion of the four licencing objectives:

- The Prevention of Crime and Disorder;
- Public Safety;

- The Prevention of Public Nuisance; and
- The Protection of Children from Harm.

Consideration

The Sub-Committee considered an application for a new premises licence to be held in respect of DZRT, 622 Roman Road, London, E3 2RW (“the Premises”). The application sought the provision for late night refreshments. from 23:00 hours to 00:00 hours Sunday to Thursday and from 23:00 hours to 01:00 hours Friday and Saturday. It was proposed to open the Premises to the public on those days from 14:00 until 00:00 hours on Sunday to Thursday and 14:00 hours to 01:00 hours on Friday and Saturday.

The Sub-Committee took into account what they heard from the Applicant, Mr Karim Chowdhury and his business partner Mr Rofu Khalid, who confirmed that they were both working professionals and were operating the dessert bar as an extra business to supply the demand from the local community. The Sub-Committee noted that conditions and timings had been agreed with the Environmental Health Officer, and that both Mr Chowdhury and Mr Khalid were also amenable to conditions proposed by the Licensing Authority, who whilst objecting to the application, had put forward those conditions set out in their representations for imposition if the application were granted.

The Sub-Committee were concerned that in the past, the applicant had been found to be providing late night refreshment without a late night refreshment licence. However, the Sub-Committee noted that the applicant had not the benefit of legal advice, without which he had incorrectly approached the matter of late night refreshment, and he now sought to make things right by applying for a licence to permit late night refreshment.

The Sub-Committee were therefore satisfied that the applicant had learnt from past errors, not least in seeking to legitimately provide late night refreshment, and in the process of applying, was engaging positively in the Sub-Committee hearing.

In particular, the Sub-Committee noted that Mr Chowdhury referred to the conditions proposed by the Licensing Authority in the event of a grant of the application, and assured Members that his business would abide by those. The Sub-Committee also noted that Mr Chowdhury said that his business would employ local people from the borough to work for them, and that 80% of their sales was via delivery platforms such as Deliveroo, UberEats and Just Eat, hence there would not be an increase in footfall in the area, mitigating any public nuisance arising from people travelling to and from the premises over long distances.

The Sub-Committee did not consider that granting the licence would undermine the licensing objectives. Apart from all the above circumstances, the hours sought were modest, the premises themselves were very small, and any disturbance to local residents would be mitigated by the agreed conditions. The Sub-Committee therefore granted the application as sought

with amendments to the hours sought made by the applicant at the hearing, and with the conditions proposed by the Licensing Authority inserted.

Accordingly, the Sub Committee unanimously;

RESOLVED

That the application for a new premises licence for DZRT, 622 Roman Road, London, E3 2RW be **GRANTED with conditions**.
