- The Prevention of Crime and Disorder;
- Public Safety;
- The Prevention of Public Nuisance; and

Consideration

Each application must be considered on its own merits. The Chair confirmed that the Sub-Committee had carefully considered all of the evidence before them and heard the oral representations at the meeting in person from the Applicant, and the written representations which were submitted in the agenda pack by residents.

The Sub-Committee considered an application for a variation of a premises licence by the Applicant, Ms Linda Cross, in respect of Vesuvio Italian Café Unit 3a, 139 Three Colt Street London E14 8AP to vary the sale of alcohol for on and off sale, and to add regulated entertainment namely live music. The Applicant was seeking the following:

The applicant has described the nature of the variation as addition of sales of alcohol and addition of live music:

The hours that have been applied for are as follows:

Monday to Friday from 08:00 hours to 18:00 hours

Applicant

Ms Linda Cross addressed the Sub-Committee and said that she bought the premises in 2020, the café closed on the 21 March 2020 and reopened for takeaway on the 7th May 2020. Ms Cross explained that she was not eligible at the time for the government schemes to financially support business during the pandemic, however she was eligible in July 2021. The reason

The Sub-Committee took into account the written representations of the objectors, who had previously emailed Committee Services to confirm that although they were not able to attend the hearing but wanted their written representations to stand.

The Sub-Committee noted from those representations that the café is small, with a capacity for 25 covers.

The Sub-Committee noted that the Applicant has 14 tables used outside in the public square, which added to the covers inside, totalled potentially 48 covers.

The Sub-Committee noted the representations that when the café was busy, the general noise level disturbs neighbours.

The Sub-Committee noted the objectors' acknowledgement that the café operator had started to stack away furniture inside the café overnight, which had been an improvement regarding the impact of the café on the public square. The Sub-Committee noted the objectors' concerns that the business leaves three unsightly red and white plastic high chairs outside 24/7, and after closing up, there was usually other clutter from the café left outside e.g. menu boards, rubbish bin, and brooms etc.

The Sub-Committee noted from the objections that the objectors would be amenable, if above was dealt with after closing time, and the proposed music is dealt with as described in the application, i.e. is played inside the cafe on limited occasions and not amplified, and the hours were not over the agreed hours.

The Sub-Committee noted the Applicant saying that the level of sound in relation to music would be at a level comfortable to patrons in the café. The Sub-Committee were assured on the balance of probability, that this would result in a level of noise from live music which would not cause disturbance to nearby residents. The Sub-Committee also noted the Applicant's comment that live music might not even be provided in the Summer.

Paragraphs 2.15 and 2.17 of the Secretary of State's guidance given under S182 of the Licensing Act 2003 points licensing authorities to the need to ensure that any conditions attached with regard to the prevention of public nuisance should be proportionate in upholding that licensing objective.

Therefore, Members made a unanimous decision to Grant the application.

Accordingly, the Sub-Committee unanimously;

Applicant

The Sub-Committee noted from Mr Harris, resident who made the objection, that on Saturday 28th February, the Noise Team had visited the property and confirmed that there was a disturbance and that it was extremely loud hitting ninety decibels.

Paragraphs 2.15 and 2.17 of the Secretary of State's guidance given under S182 of the Licensing Act 2003 points licensing authorities to the need to ensure that any conditions attached with regard to the prevention of public nuisance should be proportionate in upholding that licensing objective.

A condition which is disproportionate for a greater number of hours, can be more proportionate for a shorter number of hours, by being less onerous over a shorter period of time on any given day.

The Sub-Committee took into account the licensing objective of preventing public nuisance.

The Sub-Committee considered that a condition regarding the installation and operation of a sound limiter, would not be disproportionate, if it only applied after 23:00 hours.

The Sub-Committee considered that between the hours of 23:00 hours to 24:00 hours, public nuisance would be caused by transmission of music through the flats and the risk of excessive noise. Therefore, the Sub-Committee decided to refuse regulated entertainment and this to be stopped at 23:00 hours. The Members made a decision to Grant the application with the installation of a sound limiter and for those reasons only.

Accordingly, the Sub-Committee unanimously;

Decisison
