## **A Guide to Overview and Scrutiny Committee**

The Local Government Act 2000 established the overview and scrutiny function for every council, with the key roles of:

- Scrutinising decisions before or after they are made or implemented
- Proposing new policies and commenting on draft policies, and
- Ensuring customer satisfaction and value for money.

The aim is to make the decision-making process more transparent, accountable, and inclusive, and improve services for people by being responsive to their needs. Overview & Scrutiny membership is required to reflect the proportional political makeup of the council and, as well as council services, there are statutory powers to examine the impact of work undertaken by partnerships and outside bodies, including the Crime and Disorder Reduction Partnership and local health bodies.

In Tower Hamlets, the function is exercised by the Overview & Scrutiny Committee (OSC). The OSC considers issues from across the council and partnership remit. The Committee has 3 Sub-Committees which focus on health, housing and grants.

### **Public Engagement**

OSC usually meets once per month (a few days before Cabinet, to allow scrutiny of decisions scheduled to be made there). These meetings are open to the public to attend, and a timetable for meeting dates and deadlines can be found [here](#). The committee's quorum is three voting members.
