A Guide to the Health and Wellbeing Board

The aim of the Tower Hamlets Health and Wellbeing Board (HWBB) is to improve the health and wellbeing of Borough residents. To achieve this, the Board will conduct the following:

To encourage joint working between health or social services providers in Tower Hamlets for the advancement of the health and wellbeing of Borough residents.

To identify needs and priorities across Tower Hamlets and publish and refresh the Tower Hamlets Joint Strategic Needs Assessment (JSNA) so that future commissioning/policy decisions are based on evidence.

To prepare the Joint Health and Wellbeing Strategy.

To be involved in the development of any Clinical Commissioning Group Commissioning (CCG) Plan that applies to Tower Hamlets and to give its opinion to the CCG on any such proposed plan.

To communicate and engage with local people on how they could achieve the best possible quality of life and be supported to exercise choice and control over their personal health and wellbeing. This will involve working with Local Healthwatch to make sure there's a continuous dialogue with the public to ensure services are meeting need.

To conduct new functions as requested by the Secretary of State and as advised in guidance issued from time to time.

The quorum of the Board in the Terms of Reference is a quarter of the membership.
