Please note that a DPI includes: (i) Your own relevant interests; (ii) Those of your spouse or civil partner; (iii) A person with whom the Member is living as husband/wife/civil partners. Other individuals, e.g. Children, siblings and flatmates do not need to be considered. Failure to disclose or register a DPI (within 28 days) is a criminal offence.

Members with a DPI, (unless granted a dispensation) must not seek to improperly influence the decision, must declare the nature of the interest and leave the meeting room (including the public gallery) during the consideration and decision on the item – unless exercising their right to address the Committee.

DPI Dispensations and Sensitive Interests. In certain circumstances, Members may make a request to the Monitoring Officer for a dispensation or for an interest to be treated as sensitive.

Members must declare the nature of the interest, but may stay in the meeting room and participate in the consideration of the matter and vote on it **unless:**

- A reasonable person would think that your interest is so significant that it would be likely to impair your judgement of the public interest. **If so, you must withdraw and take no part in the consideration or discussion of the matter.**

(iii) Declarations of Interests not included in the Register of Members' Interest.

Occasions may arise where a matter under consideration would, or would be likely to, **affect the wellbeing of you, your family, or close associate(s) more than it would anyone else living in the local area** but which is not required to be included in the Register of Members' Interests. In such matters, Members must consider the information set out in paragraph (ii) above regarding Non DPI - interests and apply the test, set out in this paragraph.

Guidance on Predetermination and Bias

Member's attention is drawn to the guidance on predetermination and bias, particularly the need to consider the merits of the case with an open mind, as set out in the Planning and Licensing Codes of Conduct, (Part C, Section 34 and 35 of the Constitution). For further advice on the possibility of bias or predetermination, you are advised to seek advice prior to the meeting.

1. Interpretation

- 1.1 These Procedures describe the way in which hearings will be conducted under the Licensing Act 2003, as set out in the Licensing Act 2003 (Hearings) Regulations 2005 (as amended) ('the Hearings Regulations'). The Procedures take into account the Licensing Act (Premises Licences and Club Premises Certificates) Regulations 2005.
- 1.2 Except where otherwise stated, references in this Code are to the Licensing Committee and its Sub-committees and the expression 'Licensing Committee' should be interpreted accordingly.
- 1.3 The Hearings Regulations provide (Regulation 21) that a Licensing Authority shall, subject to the provisions of those Regulations, determine for itself the procedure to be followed at a hearing.
- 1.4 These Procedures, therefore, set out the way in which Licensing Committee Meetings will be conducted under the Licensing Act 2003, following the requirements of the Hearings Regulations.
- 1.5 Proceedings will not be rendered void only as the result of failure to comply with any provision of the Hearings Regulations (Regulation 31) save that in any case of such an irregularity, the Licensing Committee shall, if it considers that any person may have been prejudiced as a result of the irregularity, take such steps as it thinks fit to cure the irregularity before reaching its determination (Regulation 32).

2. Composition of Sub-Committee

- 2.1 The Sub-Committee will consist of three (3) members and no business shall be transacted unless three (3) members of the Licensing Committee are present and able to form a properly constituted Licensing Sub-Committee. In such cases the Chair shall have a second or casting vote.

3. Procedure

- 3.1 The hearing shall take place in public save that the Licensing Committee may exclude the public from all or part of a hearing where it considers that, on balance, it is in the public interest to do so. The parties and any person representing them may be excluded in the same way as another member of the public. Any person so excluded may, before the end of the hearing, submit to the Licensing Committee in writing, any information which, they would have been entitled to give orally had they not been required to leave. Where there are a number of items on the agenda, the adjournment of that item for a short period, whilst another item is heard, may allow this process to be carried out effectively.

- 3.2 The Chair will begin by asking the parties to identify themselves and confirm whether or not they are represented.
- 3.3 The Licensing Committee should always satisfy itself that sufficient notice of the hearing has been given to all parties and if not satisfied, then the Licensing Committee should take such steps as it thinks fit to deal with that issue before reaching its determination and this could include adjourning that application to a later date.
- 3.4 The Licensing Committee will then consider any requests by a party for any other person to be heard at the hearing in accordance with the Regulations. Permission will not be unreasonably withheld provided proper notice has been given.
- 3.5 The Chair will then explain how the proceedings will be conducted, and indicate any time limits that may apply to the parties to the application. In setting time limits, the Licensing Committee will take into account the importance of ensuring that all parties receive a fair hearing, and the importance of ensuring that all applications are determined expeditiously and without undue delay. Further the Licensing Committee must have regard to the requirement to allow each party an equal amount of time.
- 3.6 If a party considers that any time limit is not sufficient then they should address the Licensing Committee and which will determine accordingly.
- 3.7 If any party has informed the Authority that they will not be attending or be represented at the hearing or any party does not give notice that they will not be attending but fails to attend and is not represented, the Licensing Committee may proceed in their absence or adjourn the hearing if it considers it to be necessary in the public interest. An adjournment will not be considered where due to the operation of the Hearing Regulations it would not be possible to adjourn.
- 3.8 If the Licensing Committee adjourns the hearing to a specified date it must specify the date, time and place to which the hearing has been adjourned and why it is considered necessary in the public interest.
- 3.9 If the Licensing Committee holds the hearing in the absence of a party, it will consider at the hearing the application, representation or notice given by that party.
- 3.10 The Chair will invite an Officer of the Licensing Section to present the report by briefly summarising the application and the number and type of the representations as set out in the papers circulated. The Officer will also advise of any discussions held with the parties; any amendments made to the application; any representations withdrawn; and any agreed conditions that the Licensing Committee is being asked to consider. The Officer shall not give

any opinion on the application or ask the Committee to make an inference based on such an opinion.

- 3.11 Members of the Licensing Committee can then ask questions of clarification of the Licensing Officer or seek legal advice from the Legal Adviser to the Licensing Committee if they require in respect of matters raised during the presentation by the Licensing Officer.
- 3.12 The Legal Adviser to the Licensing Committee will then give any relevant legal advice that the Licensing Committee need to take into consideration.
- 3.13 The Chair will then ask the applicant or their representative, if present, to present a summary of the nature and extent of the application. This should be brief, avoid repetition of material already available to the Licensing Committee in the Officer's report or otherwise, and include any reasons why an exception should be made to the Council's Licensing Policy, where appropriate, and respond to the written representations received. The submission may be followed by the evidence of any person who has been given permission by the Committee to give supporting evidence on behalf of the applicant or who has made a representation in favour of the application.
- 3.14 The application is to be presented within the time limit that has been set.
- 3.15 Where an applicant is unrepresented and having difficulty in presenting their application then the Legal Adviser to the Licensing Committee may ask questions of the applicant so that the relevant points are addressed and clarified for the Licensing Committee.
- 3.16 Members of the Licensing Committee may ask questions of the person presenting the case after their address as well as any other person who has spoken in support of the application. Members can also ask questions of the applicant as well as any other person present for the applicant who they consider can assist.
- 3.17 The Legal Adviser to the Licensing Committee may ask questions for the purpose of clarifying points for the Licensing Committee.
- 3.18 The Chair will then ask the persons who have made representations against the application to address the Licensing Committee within the time limit that has been set. They should not repeat what is already set out in their representations or notice or raise new matters. In their address they should provide clarification on any points previously requested by the Council. The submission may be followed by the evidence of any person who has been given permission by the Committee to give supporting evidence.
- 3.19 Members of the Licensing Committee may then ask questions of the persons making representations against the application and any other person who has

spoken in support of such representation. Members can also ask questions of any other person present who they consider can assist.

- 3.20 The Legal Adviser to the Licensing Committee may ask questions for the purpose of clarifying points for the Licensing Committee.
- 3.21 Petitions will be treated as representations provided they meet the requirements for relevant representations set out in the Licensing Act 2003. Members should proceed with caution when relying upon petitions used as evidence due to the structure and wording used.
- 3.22 The Licensing Committee will disregard any information given by a party, or any other person appearing at the hearing, which is not relevant to:
- a) their application, representation or notice; and
 - b) the promotion of the licensing objectives or the crime prevention objective where notice has been given by the police.
- 3.23 The Chair will intervene at any stage of the hearing to prevent repetitious or irrelevant points being raised.
- 3.24 Cross examination of any party or any other person allowed to appear will not be allowed unless specifically permitted by the Chair.
- 3.25 There is no right for any party to sum up but they may be permitted to do at the discretion of the Chair and within time limits prescribed by the Chair.
- 3.26 The Licensing Committee will consider its decision in private save that the Legal Adviser and Democratic Services Officer will remain with them.
- 3.27 The Licensing Committee will normally return to open session to announce its decision but in cases where the prescribed time limit allows for a later determination and it is appropriate to determine the matter within that time then the Chair will advise the parties present that the decision will not be announced then but that the determination will take place within the prescribed time limit and that written notification will be dispatched to all parties advising them of the determination.

4. Exclusions

- 4.1 In addition to any exclusion under paragraph 3.1 above, The Licensing Committee may require any person attending the hearing who in their opinion is behaving in a disruptive manner to leave the hearing and may refuse to permit the person to return; or allow them to return only on such conditions as Licensing Committee may specify.

- 4.2 Any person so excluded may, before the end of the hearing, submit to the Authority in writing, any information which, they would have been entitled to give orally had they not been required to leave.

- 3.3 The applicant has described the nature of the application as follows:
The supply of alcohol and Regulated Entertainment for New Years Event.
- 3.4 The Notice was given on 6th December 2022 and the Responsible Authorities were notified of the Temporary Event Notice on 7th December 2022 .

4.0 **Premises Licence**

- 4.1 The venue holds a premises licence. Members can impose one or more conditions of the existing licence on the TEN (in so far as such conditions are not inconsistent with the event) if it considers that this is appropriate for the promotion of the licensing objectives. A copy of the licence is attached in **Appendix 3**.

5.0 **Temporary Event Notices**

- 5.1 Temporary Event Notices (TENs) are a creation of the Licensing Act 2003. They provide a method by which licensable activities can be carried out on a temporary basis (max. 168 hrs) without a licence. The maximum number that can attend at any one time is 499. At least 10 full working days notice must be given to the licensing authority. When a TEN cannot be obtained, for example the event is over 499, then a full premises licence must be obtained, for a limited duration.
- 5.2 The Licensing Authority cannot oppose an application, (nor can local residents or businesses). The Licensing Authority must reject any application that does not meet the rules as to numbers, maximum per year etc. The limits for 2022 and 2023 are as follows: 20 TEN per

calendar year or 26 days. The Responsible Authorities that can object is the Metropolitan Police or Environmental Protection.

- 5.3 The Police and Environmental Protection can object on the grounds that allowing the event to go ahead will undermine one of the Licensing Objectives.
- 5.4 At any time before a hearing is held or dispensed, the premises user and EH or Police may come to an agreement and modify the temporary event notice by making changes to it.
- 5.5 Following an objection by the relevant Responsible Authority the Licensing Authority must decide whether;
 - (1) Grant the TEN;
 - (2) Grant the TEN with conditions (if a premises licence is in place) and specify conditions as appropriate to the TEN.
 - (3) Refuse the TEN by serving a Counter Notice
- 5.6 The Licensing Authority can apply one or more conditions ;
 - (a) if it considers it appropriate for the promotion of the licensing objectives to do so,
 - (b) the conditions are also imposed on a premises licence or club premises certificate that has effect in respect of the same premises, or any part of the same premises, as the temporary event notice, and
 - (c) the conditions would not be inconsistent with the carrying out of the licensable activities under the temporary event notice.
- 5.7 Where the authority decides to impose one or more conditions;
 - (a) the authority must give the premises user notice of the decision;
 - (b) the notice must be accompanied by a separate statement (the "statement of conditions") which sets out the conditions that have been imposed on the temporary event notice; and
 - (c) a copy of the notice and statement of conditions must be given to each relevant party.
- 5.8 LATE TENs have been created through the Police Reform and Social Responsibilities Act 2011, a Late TEN can be made no later than FIVE working days and no earlier than NINE working days before the event. The limits to these applications are no more than 2 for a non personal licence holder or no more than 10 for a personal licence holder.

5.9 The Police and Environmental Protection can object to Late TENs, if an objection is made the Licensing Authority must issue a counter notice advising the event cannot take place.

6.0 **Objections**

6.1 Environmental Protection objections are contained in **Appendix 4**.

7.0 **Advice to Members**

7.1 The Police Reform and Social Responsibility Act 2011 amended legislation whereby Environmental Protection alongside Police can object to Temporary Event Notice under any of the licensing objectives.

7.2 This hearing is required by the Licensing Act 2003. As always the decision is on the civil burden of proof, i.e. the balance of probability.

7.3 Members can consider any of the licensing objectives. Other matters can also be dealt with elsewhere by primary legislation.

7.4 Premises users are not required to be on the premises for the entire duration of the event authorised by the TEN, but they will remain liable to prosecution for certain offences that may be committed at the premises during the period covered by it. These include, for example, the offences of the sale of alcohol to a person who is drunk; persistently selling alcohol to children; and allowing disorderly conduct on licensed premises.

7.5 The police or local authority exercising environmental health functions may contact the premises user to discuss their objections and try to come to an agreement which will allow the proposed licensable activities to proceed. The TEN can be modified. If there is no agreement, the licensing authority must hold a hearing to consider the notice.

8.0 **Legal Comments**

8.1 The Council's legal officer will give advice at the hearing.

9.0 **Finance Comments**

9.1 There are no financial implications in this report.

Space 289 is a licensed bar and live music venue on Cambridge Heath road

Continued from previous page...

If you intend to use only part of the premises at this address or intend to restrict the area to which this notice applies, give a description and details below ([see also guidance on completing the form, note 3](#))

We will use the full premises

Describe the nature of the premises below ([see also guidance on completing the form, note 4](#))

Live music venue and multidisciplinary arts space

Describe the nature of the event below ([see also guidance on completing the form, note 5](#))

On New Years Eve we will be hosting a Space289 xmas party, inviting friends and family of the venue to play and attend. The music played will be chilled electronic DJ sets, allowing everyone to celebrate and ease into 2023 in style. The crowd will be close friends of the venue, who are extremely respectful and we have not had issues with previously. It will be an inhouse event to celebrate the final year of Space289 (and the final event too!), which is one of the reasons of wanting to extend the license until 6AM, due to it being a special occasion for the venue.

-Sound Control Measures: All doors will remain closed throughout the event. We will speak to the security to make sure they are very strict about people not standing blocking the doors

We will make sure that security ensure people leave the venue swiftly and do not hang around in the street outside the premises.

We will also make sure all new engineers have been properly briefed about sound levels

We will also put an extra security on the smoking area and extra barriers to keep any talking and noise to an absolute minimum.

Drugs:

As with any event there is a risk that people will try to enter with concealed drugs. Our SIA staff are trained to conduct body and bag searches for everyone on entry and we also have security and attendants monitoring the bathroom area to make sure nothing untoward is taking place in that area and around the club. Anyone caught with drugs is immediately ejected from the venue and any drugs confiscated. All of our supervisors and managers are first aid trained and are prepared to deal with overdose situations effectively. Plus we have recently taken part in a seminar with Loop Collective with other venue operators and promoters about drug abuse in night clubs, from which we have obtained and displayed in venue a lot of documentation regarding the different types of drugs, their effects and their potential for harm.

Dispersion:

Gradual dispersal will be encouraged in the following ways.

Calling last orders such that there is adequate "drinking-up time".

Staff encouraging customers to finish their drinks and prepare to leave in plenty of time.

Adequate signage. Customers will be directed by staff and signage towards the main entrance at Cambridge Heath Rd.

Sufficient staff (and door staff) will be present both at the entrance and inside the venue. At that point staff will encourage customers to disperse towards Cambridge Heath Station and the waiting transport options available as quickly and quietly as possible.

Not to allow any drinks to be taken outside the building.

If a group of customers are found to be loitering near the building then they will be politely asked to move on as quickly as possible.

We will have local taxi numbers available and we also have a lot of night bus options about which door staff and managers are knowledgeable about. We will allow people to charge their phone should they have insufficient battery to call an Uber/

Subject: MAU REPRESENTATION TEN 155639 Space 289 Railway Arch, 289 Cambridge Heath Road, London

Follow Up Flag: Follow up
Flag Status: Completed

Dear Licensing,

I have regarded the application for the TENs application for Space 289 Railway Arch, 289 Cambridge Heath Road, London and the potential impact of public nuisance and measures to prevent noise generated from within the premises or outside it which could cause disturbance to people in the vicinity.

The applicant is proposing:

- the provision of regulated entertainment
- supply of alcohol

extension from midnight until 6am, new year's eve into new year's day.

Sensitive premises: Residential and commercial premises in close proximity to Railway Arch, 289 Cambridge Heath Road, London

In my view the application, as it stands fails, to comply with the objective of the Licensing Act 2003 relating to "public nuisance" for the following reasons:-

- Noise breakout from the venue affecting neighbouring residents.
- Access & egress to and from the venue, of patrons, especially due to patrons likely to be in high spirits; and
- The hours of operation (inclusive of proposals)

CONCLUSION

Environmental Protection **does not** support the TENs application for Space 289 Railway Arch, 289 Cambridge Heath Road, London, as there is great likelihood of disturbance to residential premises at the noise sensitive hours sought. But I am willing to withdraw my objection if the applicant agrees to reduce their operating hours to all licensable activities (regulated entertainment & sale by retail of alcohol) to finish at 02:30am, premises close by 3am.

Kind regards

5.0 **Temporary Event Notices**

- 5.1 Temporary Event Notices (TENs) are a creation of the Licensing Act 2003. They provide a method by which licensable activities can be carried out on a temporary basis (max. 168 hrs) without a licence. The maximum number that can attend at any one time is 499. At least 10 full working days notice must be given to the licensing authority. When a TEN cannot be obtained, for example the event is over 499, then a full premises licence must be obtained, for a limited duration.
- 5.2 The Licensing Authority cannot oppose an application, (nor can local residents or businesses). The Licensing Authority must reject any application that does not meet the rules as to numbers, maximum per year etc. The limits for 2022 and 2023 are as follows: 20 TEN per

calendar year or 26 days. The Responsible Authorities that can object is the Metropolitan Police or Environmental Protection.

- 5.3 The Police and Environmental Protection can object on the grounds that allowing the event to go ahead will undermine one of the Licensing Objectives.
- 5.4 At any time before a hearing is held or dispensed, the premises user and EH or Police may come to an agreement and modify the temporary event notice by making changes to it.
- 5.5 Following an objection by the relevant Responsible Authority the Licensing Authority must decide whether;
 - (1) Grant the TEN;
 - (2) Grant the TEN with conditions (if a premises licence is in place) and specify conditions as appropriate to the TEN.
 - (3) Refuse the TEN by serving a Counter Notice
- 5.6 The Licensing Authority can apply one or more conditions ;
 - (a) if it considers it appropriate for the promotion of the licensing objectives to do so,
 - (b) the conditions are also imposed on a premises licence or club premises certificate that has effect in respect of the same premises, or any part of the same premises, as the temporary event notice, and
 - (c) the conditions would not be inconsistent with the carrying out of the licensable activities under the temporary event notice.
- 5.7 Where the authority decides to impose one or more conditions;
 - (a) the authority must give the premises user notice of the decision;
 - (b) the notice must be accompanied by a separate statement (the "statement of conditions") which sets out the conditions that have been imposed on the temporary event notice; and
 - (c) a copy of the notice and statement of conditions must be given to each relevant party.
- 5.8 LATE TENs have been created through the Police Reform and Social Responsibilities Act 2011, a Late TEN can be made no later than FIVE working days and no earlier than NINE working days before the event. The limits to these applications are no more than 2 for a non personal licence holder or no more than 10 for a personal licence holder.

5.9 The Police and Environmental Protection can object to Late TENs, if an objection is made the Licensing Authority must issue a counter notice advising the event cannot take place.

6.0 **Objections**

6.1 The Police objections are contained in **Appendix 3**.

7.0 **Advice to Members**

7.1 The Police Reform and Social Responsibility Act 2011 amended legislation whereby Environmental Protection alongside Police can object to Temporary Event Notice under any of the licensing objectives.

7.2 This hearing is required by the Licensing Act 2003. As always the decision is on the civil burden of proof, i.e. the balance of probability.

7.3 Members can consider any of the licensing objectives. Other matters can also be dealt with elsewhere by primary legislation.

7.4 Premises users are not required to be on the premises for the entire duration of the event authorised by the TEN, but they will remain liable to prosecution for certain offences that may be committed at the premises during the period covered by it. These include, for example, the offences of the sale of alcohol to a person who is drunk; persistently selling alcohol to children; and allowing disorderly conduct on licensed premises.

7.5 The police or local authority exercising environmental health functions may contact the premises user to discuss their objections and try to come to an agreement which will allow the proposed licensable activities to proceed. The TEN can be modified. If there is no agreement, the licensing authority must hold a hearing to consider the notice.

8.0 **Legal Comments**

8.1 The Council's legal officer will give advice at the hearing.

9.0 **Finance Comments**

Follow Up Flag: Follow up

Dear Naim, and Tower Hamlets Council Licensing,

Central East Police Licensing formally object to the Late Temporary Event Notice application for 161 Brick Lane on the 27 to 31 December 2022, open until 3am Monday to Wednesday and 4am Thursday to Saturday.

We object on both the grounds of preventing crime and disorder and public nuisance. Having a restaurant and Takeaway operate in Brick Lane until 3am and 4 am will we believe lead to crime and disorder and public nuisance as most of the customers attending will be those who have been drinking and partying during the Christmas Party Season. These drunken customers are much more likely to have impaired decision making process's and be the victims of or perpetrators of alcohol related crime and disorder.

Intoxicated customers are also likely to have raised voices and cause nuisance as they either queue to get food or congregate outside. Drunk customers are also less sensitive to local residents and more likely to cause noise nuisance.

We therefore ask that this late TEN is rejected.

Kind Regards

Mark

known shop and there are long queues in front of this premises pretty much all the time. We believe granting this application will not add any impact on the noise level even the opposite it will provide another option for people who are not willing to wait in the queues for eating something. Unlike the bagel place we are offering a seating area for our customers which again will reduce the noise level for the neighbors if customers chose to do so. People will have a chance to wait inside to take their food or indeed to eat inside.

In order to overcome the potential risks for public disorder, crime and disorder and protection of children from harm, the applicant proposed a number of conditions on the operating schedule.

1. A contact telephone number shall be made plainly available on the website and social media pages for the business for local residents to use to make any noise or other complaints, and remedial action shall be taken as required.
2. A written record of complaints and, where applicable, remedial action taken shall be kept for a minimum of 31 days from the date of the last entry in the record and this record shall be available for inspection on demand by Council Officers at all times the premises are open.
3. A responsible member of staff shall carry out proactive noise assessments around the outside of the premises at least once an hour during the provision of late night refreshment to ensure that noise is not audible at the boundary of the nearest and / or most affected noise sensitive residential property or business and remedial action shall be taken where noise is found to be audible.
4. A written record of proactive external noise assessments and, where applicable, remedial action taken shall be kept for a minimum of 31 days from the date of the last entry in the record and this record shall be available for inspection on demand by Council Officers at all times the premises are open.

Dear Naim, and Tower Hamlets Council Licensing,

Central East Police Licensing formally object to the Late Temporary Event Notice application for 161 Brick Lane on the 27 to 31 December 2022, open until 3am Monday to Wednesday and 4am Thursday to Saturday.

We object on both the grounds of preventing crime and disorder and public nuisance. Having a restaurant and Takeaway operate in Brick Lane until 3am and 4 am will we believe lead to crime and disorder and public nuisance as most of the customers attending will be those who have been drinking and partying during the Christmas Party Season. These drunken customers are much more likely to have impaired decision making process's and be the victims of or perpetrators of alcohol related crime and disorder.

Intoxicated customers are also likely to have raised voices and cause nuisance as they either queue to get food or congregate outside. Drunk customers are also less sensitive to local residents and more likely to cause noise nuisance.

We therefore ask that this late TEN is rejected.

Kind Regards

Mark

Subject: 155764 MAU REPRESENTATION TENs for Suvlaki 161 Brick Lane, London

Dear Licensing,

I have considered the TENs application for Suvlaki 161 Brick Lane, London and the the impact of the licensing objectives, particular for Environmental Protection the prevention of public nuisance and the prevention of noise generated from within the premises or outside, to be causing disturbance to people in the vicinity at the late hours sought. Also consideration has be given to the fact that the premise is in Brick Lane Cumulative Impact Zone.

The applicant is proposing licensable activity: late night refreshment from 27th December 22 to 31st December 2022

- Monday to Wednesday from 23:00 hours to 03:00 hours in the morning
- Thursday Friday and Saturday from 23:00 hours until 04:00 hours in the morning

Noise Sensitive premises: residential premises in close proximity to 161 Brick Lane, London.

In my view the application, as it stands fails, to comply with the objective of the Licensing Act 2003 relating to “public nuisance” for the following reasons:-

- Noise breakout from the venue affecting neighbouring residents.
- Access & egress to and from the venue, of patrons, especially due to patrons likely to be in high spirits; and
- The hours of operation (inclusive of proposals)

CONCLUSION

Environmental Protection **does not** support the TENs application for Suvlaki 161 Brick Lane, London for the following reasons:

- (1) Great likelihood of disturbance to residential premises at the noise sensitive hours sought.
- (2) The premises is in Brick Lane Cumulative Impact Zone.

Kind regards

5.0 Licensing Policy and Government Advice

5.1 The Council has adopted a licensing policy and this is available from the Licensing Section, and at the hearing. The revised policy came into effect on the 1st November 2018.

5.2 Relevant Sections of the policy are brought to the attention of Members within the Licensing Officers report.

5.3 The Home Secretary has issued Guidance under Section 182 of the Licensing Act 2003. This is available on the Government's website, www.homeoffice.gov.uk. It was last revised in April 2018.

5.4 Relevant Sections of this advice are brought to Members attention within the Licensing Officers report. Members should note however, that in some areas Tower Hamlets, after a proper consideration of local circumstances, has not followed the Government's advice, or has developed it further.

6.0 Representations

6.1 All representations have to meet basic legal and administrative requirements. If they fail to do so they cannot be accepted. When rejected the person sending in the representation must be written to, and an explanation for rejection given in writing

6.2 A responsible authority or other person can make a representation. There are two tests for other persons and only one for a responsible authority. The two tests are contained in Section 18 of the Act.

6.3 All representations must be "about the likely effect of the grant of the premises licence on the promotion of the licensing objectives." Likely means something that will probably happen, i.e. on balance more likely than not.

6.4 Representations by responsible authorities do not have to meet the second test of not being vexatious and frivolous. Other persons have to meet this test.

- 6.5 The Home Office recommends that in borderline cases, the benefit of the doubt should be given to the interested party making the representation.
- 6.6 Section 182 Advice by the Home Office concerning relevant, vexatious and frivolous representations is attached as **Appendix 15**.
- 6.7 All the representations in this report have been considered by the relevant officer (Team Leader Licensing & Safety) and determined to have met the requirements of the Licensing Act 2003.
- 6.8 This hearing is required by the Licensing Act 2003, because relevant representations have been made by the following:
- Licensing Authority (acting as a Responsible Authority) (See **Appendix 5**).
 - Resident's Association (See **Appendix 6**).
- 6.9 Since the representations were made, there has been some communication between the applicant and the objectors. At the time of writing this report, they did not reach an agreement.
- 6.10 All of the responsible authorities have been consulted about this application. They are as follows:
- The Licensing Authority
 - The Metropolitan Police
 - The LFEPA (the London Fire and Emergency Planning Authority).
 - Planning
 - Health and Safety
 - Environmental Protection (Noise)
 - Trading Standards
 - Child Protection
 - Public Health
 - Home Secretary (Home Office Immigration Enforcement)
- 6.11 In addition the application was required to be advertised in a local newspaper and by a blue poster. Only representations that relate to the following licensing objectives are relevant:
- the prevention of crime and disorder
 - public safety
 - the prevention of public nuisance
 - the protection of children from harm
- 6.12 Essentially, the relevant parties oppose the application because in their opinion, the applicant has not explained how within the context of the application they will meet the licensing objective of the prevention of crime and disorder and the prevention of public nuisance.

- 6.13 There are strict time limits to any representations. The time limits are contained in The Licensing Act 2003 (Premises licences and club premises certificates) Regulations 2005.
- 6.14 The applicant has offered measures in the operating schedule of the application that address the promotion of the Licensing Objectives. If there were no representations, the Licensing Authority would grant the licence, with conditions consistent with the operating schedule, which are relevant, proportionate and enforceable. Members are asked to consider the schedule and incorporate any conditions as necessary to address the licensing objectives.
- 7.0 Conditions consistent with Operating Schedule (offered by the applicant)**

9.0 **Licensing Officer Comments**

9.1 The Business & Planning Act 2020 came into force on Wednesday 22nd July 2020 and provides a temporary permission for businesses that have a premises licence that permits them to sell alcohol in regards to the ability to sell alcohol as an off sale, i.e. for consumption off the premises. The permission will end on 30th September 2023 unless the legislation is changed by the Secretary of State.

It will only apply to businesses that hold a Premises Licence up to 22nd July 2020 and that in the last 3 years preceding 22 July 2020 those licences have NOT:

- had a premises licence application where permission for off sales was refused;
- had a variation of a premises licence seeking permission for off sales refused
- had a variation seeking to exclude off sales permission granted
- had a premises licence varied or modified by a review hearing to exclude off sales.

9.2 The new off-sales permission will permit off-sales to be made at a time when the licensed premises are open for the purposes of selling alcohol for consumption on the premises, subject to a cut off time of 11pm or the cut off time of the current licensed hours stated on the licence, whichever is earlier. Measures also temporarily suspend existing licence conditions in so far as they are inconsistent with the new off-sales permission. Further Guidance on this can be found at <https://www.gov.uk/government/publications/guidance-for-temporary-alcohol-licensing-provisions-in-the-business-and-planning-bill>

9.3 The Live Music Act removed licensing requirements for the following:

- amplified live music and recorded music between 8am and 11pm before audiences of no more than 500 people on premises authorised to sell alcohol for consumption on the premises;

- unamplified live music between 8am and 11pm in all venues.
- Further exemptions apply see Section 16.5-16.6 of Section 182 Guidance.

9.4 The following is intended simply to advise Members of the relevant aspects of the Boroughs Licensing Policy, guidance from the Secretary of State, legislation and good practice. Members may depart from the Council's Licensing Policy and/or Government advice, provide they consider it appropriate to do so, and have clear reasons for their decision.

9.5 Guidance issued under section 182 of the Licensing Act 2003

- ❖ As stated in the guidance it is “provided to licensing authorities in relation to the carrying out of their functions under the 2003 Act.” It is a key medium for promoting best practice, ensuring consistent application and promoting fairness equal treatment and proportionality (1.7).
- ❖ Also “as long as licensing authorities have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons. Departure from this Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness and merits of any decision taken.” Therefore licensing authorities will need to give full reasons for their actions (1.9).
- ❖ Also Members should note “A Licensing Authority may depart from its own policy if the individual circumstances of any case merit such a decision in the interests of the promotion of the licensing objectives.” (1.12)
- ❖ Also, “The licensing authority may not impose any conditions unless its discretion has been exercised following receipt of relevant representations and it is satisfied as a result of a hearing (unless all parties agree a hearing is not necessary) that it is appropriate to impose conditions to promote one or more of the four licensing objectives.” Therefore, conditions may not be imposed for the purpose other than promoting the licensing objectives and in some cases no additional conditions will be appropriate. (10.8)
- ❖ Necessary conditions should emerge from a risk assessment by the applicant, which should then be reflected in the operating schedule (10.4).
- ❖ The Guidance states: “Where there are objections to an application to extend the hours during which licensable activities are to be carried on and the licensing authority determines that this would undermine the licensing objectives, it may reject the application or grant it with

appropriate conditions and/or different hours from those requested.”
(10.14)

- ❖ Mandatory conditions must be imposed (10.25) and censorship avoided (10.17).
- ❖ The Guidance states: “It is still permitted to sell alcohol using promotions (as long as they are compatible with any other licensing condition that may be in force), and the relevant person should ensure that the price of the alcohol is not less than the permitted price. Detailed guidance on the use of promotions is given in the guidance document available on the Gov.uk website.” (10.58) Also, “Licensing authorities should not attach standardised blanket conditions promoting fixed prices for alcoholic drinks to premises licences or club licences or club premises certificates in an area.” (10.21)

- 9.6 The Licensing Act 2003 permits children of any age to be on the premises which primarily sells alcohol providing they are accompanied by an adult. It is not necessary to make this a condition.
- 9.7 In all cases the Members should make their decision on the civil burden of proof, that is “the balance of probability.”
- 9.8 In all cases Members should consider whether or not primary legislation is the appropriate method of regulation and should only consider licence conditions when the circumstances in their view are not already adequately covered elsewhere.
- 9.9 The Government has advised that conditions must be tailored to the individual type, location and characteristics of the premises and events concerned. Conditions cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder and their staff and standardised conditions should be avoided where they cannot be shown to be appropriate. (1.16/1.17)
- 9.10 The Council’s Licensing Policy generally expects applicants to address the licensing objectives and discuss how to do this with the relevant responsible authorities.
- 9.11 In **Appendices 8 - 15** Members are given general advice, and also have explanations of the Council’s Licensing Policy, Government advice and other legislation relating to the matters previously identified.

10.0 Legal Comments

- 10.1 The Council’s legal officer will give advice at the hearing.

11.0 Finance Comments

- 11.1 There are no financial implications in this report.

Provide a general description of the premises

Continued from previous page...

For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off- supplies you must include a description of where the place will be and its proximity to the premises.

We acknowledge that the premises is at the edge of a CIZ. Therefore, the application has been carefully considered and many conditions are proposed. This is going to be a family orientated restaurant serving the local community and will be managed as such. The applicant already manages a respectable restaurant at 74 Whitechapel High St without issues and as they're expanding, they would like to relocate to a larger premises.

Restaurant providing on-sale alcohol only with substantial meal to seated customers.

Seating capacity is for 100 people over two floors: 50 on each level.

The application site has been running as a restaurant under different ownership and currently has a premises licence for late night refreshment, but we are doing a new application for ourselves.

We have studied the Licensing Authority's Licensing Policy and note that there are possible exceptions. We feel that we have provided controls for these exemptions, with the exception of one. We will welcome and discuss any other reasonable conditions from any authorities or members of public.

The premises is a mainly commercial area. The left side of the premises (facing it) has a large open space between the premises and the neighbouring building. On the right side, there is a ground level alley to the rear car park. The upper floor of the restaurant and adjoining property are all offices, no residential units.

If 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.

This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Dear Licensing Authority,

Licensing Act 2003

New premises licence application: Jack the Chipper, 96 Whitechapel High Street, London, E1 7RA

The Licensing Authority (acting a Responsible Authority) is making a representation against the above application under the crime & disorder and public nuisance licensing objectives.

Special Cumulative Impact Policy for the Brick Lane

This special policy creates a rebuttable presumption that applications for the grant or variation of premises licences or club premises certificates which are likely to add to the existing cumulative impact will normally be refused following the receipt of representations, unless the applicant can demonstrate in the operation schedule that there will be no negative cumulative impacts with one or more of the licensing objectives.

The Council reviewed the Special Cumulative Impact Policy in 2021 and, following consultation, decided it was still of the opinion that the concentration of licensed premises within Brick Lane area was having a cumulative impact on the licensing objectives of crime and disorder and prevention of public nuisance.

The Licensing Authority is of the view that the number, type and density of premises selling/supplying alcohol for consumption on and off the premises and/or the provision of late-night refreshment in the Brick Lane is having a cumulative impact on the licensing objectives. Therefore, it is likely that granting further licences would be inconsistent with the authority's duty to promote the licensing objectives. Thus, it has declared a cumulative impact assessment within these areas.

The best of London in one borough

Page 146

Tower Hamlets Council
Town Hall
Mulberry Place
5 Clove Crescent
E14 2BG

This Policy will be strictly applied and where relevant representations are received and it is the view of the Council that the application will be refused. Applicants will need to demonstrate that there are exceptional circumstances and that granting their application will not negatively add to the cumulative effect on the Licensing Objectives within the Brick Lane CIA if they wish to rebut this presumption.

The Special Cumulative Impact policy creates a rebuttable presumption that where relevant representations are received by one or more of the responsible authorities and/or other persons against applications (Councillors, Members of the Public) within the CIA zones the application will be refused.

Where representations have been received in respect to applications within the CIA zones the onus is on the applicant to adequately rebut the presumption.

This special policy is not absolute and the Licensing Authority recognises that it has to balance the needs of businesses with local residents. The circumstances of each application will be considered on its merits and the Licensing Authority shall grant applications, when representations are not received. The applicant should demonstrate that the operation of the premises will not add to the cumulative impact on one or more of the following licensing objectives:

- *Prevention of Crime and Disorder;*
- *Prevention of Public Nuisance.*

Therefore, applicants will be expected to comprehensively demonstrate why a new or varied licence will not add to the cumulative impact. They are strongly advised to give consideration to mitigating potential cumulative impact issues when setting out steps they will take to promote the licensing objectives in their operating schedule.

Possible exceptions to the Brick Lane and Bethnal Green Cumulative Impact Assessments

- *Applications for licences for small premises with a capacity of fifty persons or less who only intend to operate within framework hours, and that;*
 - *Only have consumption of food (late night refreshment) and drink (alcohol) on the premises only,*
 - *Only provide Off sales of food (late night refreshment) and drink (alcohol) for delivery (i.e. not for take away),**and,*
 - *Have arrangements to prevent vertical drinking, for example fully seated venues;*
- *Applications for licences that are not alcohol led (e.g. Hairdressers wanting to provide alcohol to clients during their hair cut/treatments),*
- *Applications for licences where the applicant has recently surrendered a licence for another premises of a similar size and providing similar licensable activities in the same CIA Area.*

Licensing Authority will **not** consider the following as possible exceptions:

- that the premises will be well managed and run,
- that the premises will be constructed to a high standard,
- that the applicant operates similar premises elsewhere without complaint.

Licensable activities and times

The Licensing Authority has had regard to the Guidance to the Act when determining this policy. The end times set out in the policy are not (and should not be regarded as) the 'usual' or 'normal' terminal hour for licensable activities in the Borough. Instead, the 'framework hours' serve to identify cases where the Licensing Authority will pay particular regard to the likely effect on the local neighbourhood of carrying out the proposed licensable activities during the hours applied for. Applications for hours up to the end of the Framework Hours will not automatically be granted. This policy will be applied only where relevant representations are made. Each case will be considered on its merits.

- Sunday – 06:00 hours to 22:30 hours
- Monday to Thursday – 06:00 hours to 23:30 hours
- Friday and Saturday – 06:00 hours to 00:00 hours (midnight)

Applications in respect of premises licences and club premises certificates to authorise licensable activities outside the framework hours, and in respect of which relevant representations are made, will be decided on their own merits and with particular regard to the following.

- a) The location of the premises and the general character of the area in which the premises are situated. (i.e. does the area include residential or business premises likely to be adversely affected).
- b) The proposed hours during which licensable activities will be take place and the proposed hours during which customers will be permitted to remain on the premises.
- c) The adequacy of the applicant's proposals to address the issues of the prevention of crime and disorder and the prevention of public nuisance.
- d) Where the premises have been previously licensed, the past operation of the premises.
- e) Whether customers have access to public transport when arriving at or leaving the premises at night time and in the early hours of the morning.
- f) The proximity of the premises to other licensed premises in the vicinity and the hours of those other premises.

The Home Office guidance

Under Section 182 of the Licensing Act 2003 (8.42) says:

“Applicants are, in particular, expected to obtain sufficient information to enable them to demonstrate, when setting out the steps they propose to take to promote the licensing objectives, that they understand:

- *the layout of the local area and physical environment including crime and disorder hotspots, proximity to residential premises and proximity to areas where children may congregate;*
- *any risk posed to the local area by the applicants’ proposed licensable activities; and*
- *any local initiatives (for example, local crime reduction initiatives or voluntary schemes including local taxi-marshalling schemes, street pastors and other schemes) which may help to mitigate potential risks.”*

Application:

For information purposes only 96 Whitechapel High Street has held a licence since July 2018 in the name of ‘Big Moe’s diner’ for the provision of late-night refreshments only. See timings below:

The times the licence authorises the carrying out of licensable activities

The provision of late night refreshment - indoors

- Sunday to Thursday from 23:00 hours to 23:15 hours
- Friday to Saturday, from 23:00 hours to 00:30 hours the following day

Non-standard timings

- Christmas Eve and New Year’s Eve, from 23:00 hours to 02:00 hours the following day

This current application states it is for a family-oriented restaurant. The applicant already has a premises called Jack the Chipper at 74 Whitechapel High Street, which was granted a Premises Licence in March 2021 for the sale of alcohol (on sales) and the provision of late-night refreshment. The following times and activities for 96 Whitechapel High Street have been applied for.

The provision of Late-night refreshments (indoors)

Monday- Saturday 23:00 hours- 23:30 hours

Sale of Alcohol (on sales)

Monday – Saturday 11:00 hours – 23:30 hours

Sunday 11:00 – 22:30 hours

Opening Hours:

Monday – Saturday 07:00 – 00:00 hours (midnight)

Sunday 07:00 – 23:00 hours

Tower Hamlets Council
 Town Hall
 Mulberry Place
 5 Clove Crescent
 E14 2BG

This premises falls into the Brick Lane Cumulative Impact Area (CIA) and therefore the onus is on the applicant to show there are exceptional circumstances and that the granting of the application will not have a negative cumulative effect on the CIA area. It is their responsibility to rebut the presumption that the licence will be refused.

The Licensing Authority acknowledges that the applicant has applied for framework hours and has volunteered a number of conditions within the operating schedule. The restaurant has a capacity of 100 persons split over two floors and therefore does not fall into the possible exemptions to the CIA. I have also been informed that although the application states that the restaurant is going to 'relocate' they are in fact keeping the restaurant at 74 Whitechapel High Street and not surrendering this Premise Licence.

On a balance of probability, this Authority is concerned by the addition of another premises selling alcohol, with a capacity of up to 100 persons, potentially adding to the existing anti-social issues in the area, particularly through access and egress. The sale of alcohol could cause customers to be in high spirits and therefore potentially undermining the licensing objectives. The Licensing Authority do not believe there are exceptional circumstances for this licence to be granted.

If the applicant is unable to prove to the Licensing Sub-Committee, through the implementation of their volunteered conditions within the Operating Schedule, that the granting of the application will not undermine the licensing objectives; then the application should be rejected.

Yours faithfully

Re: Formal Objection to Proposed Premise Application and Licence for Jack the Chipper, 96 Whitechapel High Street, London, E1 7RA

Dear Licensing Team

I am writing on behalf of Spitalfields Residents Against Anti-Social Behaviour (“SPIRE”), a community group established in 2012, which represents individuals and, at least, six of the largest resident associations including, Exchange Building Residents Association, St George's Residents Association, Spitalfields Community Group (SCG), Spitalfields Market Residents Association (SMRA), Norton Folgate Community Group (NFCG), and Spitalfields Society, in Spitalfields and Banglatown (“the Ward”).

SPIRE reviews all new and/or amended applications for alcohol licenses in the Ward to ensure the interests of individuals and groups it represents are not negatively impacted by any such application(s).

Specifically, SPIRE reviews all new and/or amended applications for alcohol licenses to ensure they do not contravene applicable law, guidelines, and/or other acceptable practices for alcohol licenses in the Ward. This includes, but not limited to, the appropriate enforcement of the Brick Lane Cumulative Impact Assessment (CIA), which applies to a majority of the Ward.

Where reasonable and possible, SPIRE attempts to first address any concerns and/or objections directly with the individual or party making an application for a new and/or amended alcohol license. Formal objections are only typically made to the London Borough of Tower Hamlets (LBTH) in situations where concerns and/or objections remain unresolved after direct contact with an applicant or if an applicant chooses not to engage with SPIRE.

SPIRE is a 'pro-commerce' community group and supports the careful balance of a vibrant, diverse, and commercial ward with the needs of residents and visitors to appreciate a safe, clean, and liveable neighbourhood free from anti-social behaviour and related issues.

Consequently, when a formal objection is raised by SPIRE, such as the case detailed below, it has been carefully considered and represents a substantial number of constituents in the Ward.

Formal Objection

SPIRE raises formal objection to the proposed application for licence of Jack the Chipper, 96 Whitechapel High Street, London, E1 7RA ("the Premise").

The Premise is in one of the Ward's most prolific hotspots for antisocial behaviour and is an area of great concern. The Premise is located within the CIA for Brick Lane where new and varied premise licenses are meant to be limited, if not prohibited, based on the over saturation of businesses involved with the sale of alcohol and entertainment, attributable to the Ward's current issues with antisocial behaviour.

SPIRE, in principle, objects to a new premise offering the sale of alcohol and enjoyment of late-night refreshment including alcohol. The proposed application includes the sale of alcohol until 11:30 pm Monday through Saturday and 10:30 pm on Sunday. Note: After contacting the applicant directly we have been informed that the application is not up-to-date, and the intent is to only supply alcohol from 11:00 am until 11:00 pm each day.

The Ward Panel for Spitalfields and Banglatown (which I also Chair) has been in receipt of serious complaints from local-residents and business owners on and around Gunthorpe Street (close proximity to the proposed premise) in respect to extremely elevated levels of ASB and intimidating behaviour due to drug and alcohol misuse.

Representatives from the Dellow Centre (Gunthorpe Street), London Borough of Tower Hamlets Council (Neighbourhood Management), and the Safer Neighbourhood Team (SNT) for the Metropolitan Police have all been involved with looking at the issues facing Gunthorpe Street and the surrounding area. Issues in the area are so serious, in fact, half of the Ward Panel agenda scheduled for 27th September 2022 is devoted to considering solutions to curtail the current prominent level of ASB and threatening conditions in the area.

I have been in contact directly with the applicant, Recap Turhan, to discuss how his business, despite wishing to sell alcohol in the area which is covered by the Brick Lane CIA, could help the local area improve rather than contribute to worsening conditions. We discussed potentially his commitment to hiring private security which would not only manage the entrance to his business but also conduct hourly patrols in the immediate area (including Gunthorpe Street) to help disperse unwanted and undesirable behaviour and activity. Subject to more detailed, documented, and council supported provisions of this nature, SPIRE could potentially be able to support rather than object to this application.

Absent more specific and documented ways in which Jack the Chipper can help combat ASB, drug, and alcohol issues in the immediate vicinity of its premise (including Gunthorpe Street), it is difficult to imagine how a restaurant with 100 covers serving alcohol will not contribute to all current issues in the area including but not limited to additional risk and burden by way of increased public nuisance and potential crime, disorder, health and safety of local residents and visitors, noise, and antisocial behaviour. These are all the things which are meant to be safeguarded by the implementation and effective monitoring and maintenance of the CIA for Brick Lane

Please acknowledge that our initial objection has been received and that the contents of this letter will be considered as part of the overall review process.

Yours sincerely

Randall Thiel
Chairman, SPIRE

Noise while the premise is in use

General Advice

If they conclude this is a problem Members should consider whether it is possible to carry out suitable and proportionate noise control measures so that noise leakage is prevented. In addition Members may consider that only certain activities are suitable.

The hours of operation also need to be considered (see below).

If Members believe that there is a substantial problem of noise while the premises are in use and it cannot be proportionately address by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. **(See Sections 9.1 of the Licensing Policy)**. While all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. **(See Section 14.10)**.

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. **(See Section 9.2 of the Licensing Policy)**.

The Licensing Authority will consider attaching conditions to prevent nuisance. In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a "beer garden", or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly
- Conditions controlling the use of explosives, pyrotechnics and fireworks
- Conditions controlling the placing of refuse
- Conditions controlling noxious smells
- Conditions controlling lighting (this needs to be balanced against potential crime prevention benefits)

Police Powers

Part 8 of the Licensing Act 2003 enables a senior police officer to close down a premises for up to 24 hrs where public nuisance is being caused by noise coming from the premises and the closure of the premises is necessary to prevent that nuisance.

Guidance Issued under Section 182 of the Licensing Act 2003

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community (2.15).

Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.19) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder.

Other Legislation

The Environmental Protection Act 1990, Part 111 gives Environmental Health Officers the power to deal with statutory nuisances.

The Anti-social Behaviour Act 2003, Sections 40 and 41 give Environmental Health Officers the power of closure up to 24 hours in certain circumstances.

Appendix 9

Access and Egress Problems

Such as:

Disturbance from patrons arriving/leaving the premises on foot

Disturbance from patrons arriving/leaving the premises by car

Lack of adequate car parking facilities

Close proximity to residential properties

Comment

The above have been grouped together as egress problems. Of course the particular facts will be different for each alleged problem.

Egress only is referred to-if necessary access can be added or substituted in.

General Advice

In considering concerns relating to disturbance from egress, Members need to be satisfied that the premises under consideration has been identified as the source of the actual or potential disturbance. If they are satisfied that this is a problem, then proportionate conditions should be considered.

The hours of operation also need to be considered.

If Members believe that there is a substantial problem concerning egress and it cannot be proportionately addressed by licensing conditions, they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. (**See Section 10 of the Licensing Policy**).

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. (**See Section 10.2 of the Licensing Policy**).

The policy also recognises that staggered closing can help prevent problems at closure time (**See Section 15.1**).

However, while all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. (**See Section 15.5**)

The Council has adopted a set of framework hours (**See 15.8 of the licensing policy**). This relates to potential disturbance caused by late night trading.

The Licensing Authority will consider attaching conditions to prevent nuisance and these may include Conditions drawn from the Model Pool of Conditions relating to the prevention of Public Nuisance. (**See Annex G of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a “beer garden”, or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly

Guidance Issued under Section 182 of the Licensing Act 2003

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community. (2.15).

Licence conditions should not duplicate other legislation (1.16).

Any conditions should be tailored to the type, nature and characteristics of the specific premises. Licensing authorities should be aware of the need to avoid inappropriate or disproportionate measures that could deter events that are valuable to the community, such as live music. Noise limiters, for example, are very expensive to purchase and install and are likely to be a considerable burden for smaller venues. (2.19)

Measures can include ensuring the safe departure of customers, these can include:

- Providing information on the premises of local taxi companies who can provide safe transportation home; and
- Ensuring adequate lighting outside the premises, particularly on paths leading to and from the premises and in car parks

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.19) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder.

Appendix 10

Anti-Social Behaviour on the Premises

Licensing Policy

The Licensing Authority expects the applicant to have addressed all crime and disorder issues relating to the premises in their operating schedule and to have sought appropriate advice. **(See Section 6 of the Licensing Policy)**

The Licensing Authority will consider attaching conditions to deter crime and disorder and these may include conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. **(See Appendix 3 of the Licensing Policy)**. In particular Members may wish to consider (this list is not exhaustive):

- Methods of management communication
- Use of registered Door Supervisors
- Bottle Bans
- Plastic containers
- CCTV
- Restrictions on open containers for “off sales”
- Restrictions on drinking areas
- Capacity
- Proof of Age scheme
- Crime prevention notices
- Drinks promotions-aimed at stopping irresponsible promotions
- Signage
- Seating plans
- Capacity

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application.

Police Powers

The Licensing Act 2003, Part 8 gives a senior police officer the power to close a premises for up to 24 hours where the officer believes there is, or is likely to be disorder on or in the vicinity and closure is necessary in the interests of public safety.

Guidance Issued under Section 182 of the Licensing Act 2003

The pool of conditions, adopted by the Council is recommended (Annexe D).

The key role of the Police and SIA is acknowledged (2.1-2.2).

Conditions attached to licences cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder

and their staff or agents, but can directly impact on the behaviour of customers in the immediate vicinity of the premises as they seek entry or leave (1.16).

Conditions are best targeted on deterrence and preventing crime and disorder (2.3) communication, CCTV, police liaison, no glasses, capacity limits are all relevant (2.3 - 2.6).

The Guidance recognises working with Home Office Immigration Enforcement in the prevention of immigration crime. Licence conditions that are considered appropriate for the prevention of illegal working in licensed premises might include requiring a premises licence holder to undertake right to work checks on all staff employed at the licensed premises or requiring that a copy of any document checked as part of a right to work check are retained at the licensed premises.

Guidance Issued under Section 182 of the Licensing Act 2003

Conditions can be imposed for large capacity “vertical consumption” premises (10.23 – 10.24).

Guidance Issued by the Office of Fair Trading

This relates to attempts to control minimum prices.

Other Legislation

- The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder

Appendix 11

Anti-Social Behaviour from Patrons Leaving the Premises

General Advice

Members need to bear in mind that once patrons have left a premises they are no longer under direct control. Members will need to be satisfied that there is a link between the way the premises is operating and the behaviour that is complained of. An example of this would be that irresponsible drinking is being encouraged. Before deciding that any particular licensing conditions are proportionate, Members will also need to be satisfied that other legislation is not a more effective route. For example, if the problem is drinking in the street it may be that the Council should designate the area as a place where alcohol cannot be consumed in public.

Members may also wish to consider whether the hours of opening relate to any problems of anti-social behaviour.

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that other legislation or measures may be more appropriate but also states that licensing laws are “a key aspect of such control and will always be part of an overall approach to the management of the evening and night time economy” (**see Section 4.15 and 4.16 of the Licensing Policy**).

The Licensing Authority expects the applicant to have addressed all crime and disorder issues relating to the premises in their operating schedule and to have sought appropriate advice. (**See Sections 6.2 of the Licensing Policy**)

The Licensing Authority will consider attaching conditions to deter crime and disorder and these may include Conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. (**See Appendix 3 of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- Bottle Bans
- Plastic containers
- CCTV (outside the premises)
- Restrictions on open containers for “off sales”
- Proof of Age scheme
- Crime prevention notices
- Drinks promotions-aimed at stopping irresponsible promotions
- Signage

Cumulative Impact

There is a process by which the Licensing Authority can determine that an area is saturated following representations. However, the process for this involves wide consultation and cannot come from representations about a particular application. (See **Section 8 of the Licensing Policy**).

Police Powers

The Licensing Act 2003, Part 8 gives a senior police officer the power to close a premises for up to 24 hours where the officer believes there is, or is likely to be disorder on or in the vicinity and closure is necessary in the interests of public.

Guidance Issued under Section 182 of the Licensing Act 2003

The key role of the Police is acknowledged (2.1).

Conditions attached to licences cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder, but can relate to the immediate vicinity of the premises as they seek entry or leave (1.16).

Conditions are best targeted on deterrence and preventing crime and disorder (2.3) CCTV inside & out, communication, police liaison, no glasses are all relevant

There is also guidance issued around public nuisance (2.15 – 2.21).

The pool of conditions, adopted by the Council is recommended (see Appendix 3 of the Licensing Policy). Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder (2.18/2.21).

Licensing law is not the primary mechanism for the general control of nuisance and anti-social behaviour by individuals once they are away from the licensed premises and, therefore, beyond the direct control of the individual, club or business holding the licence, certificate or authorisation concerned (14.13).

Other Legislation

Crime and Disorder Act 1998

The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder.

The Act also introduced a wide range of measures designed to address anti-social behaviour committed by adults and young people. These include:

- Anti-Social Behaviour Orders
- Child Curfew Schemes
- Truancy
- Parenting Orders
- Reparation Orders
- Tackling Racism

Appendix 12

Planning

An application for a Premises Licence can be made in respect of a premises even where the premises does not have relevant Planning Permission. That application has to be considered and Members can only refuse the application where the application itself does not promote one or more of the Licensing Objectives. Members cannot refuse just because there is no planning permission. Where a Premises Licence is granted and which exceeds what is allowed by the Planning Permission and that Premises then operates in breach of planning then the operator would be liable to enforcement by Planning.

Appendix 13

Licensing Policy Relating to Hours of Trading

All applications have to be considered on their own merits.

The Council has however adopted a set of framework hours as follows:

- Monday to Thursday, from 06:00 hrs to 23:30 hrs
- Friday and Saturday, from 06:00 hrs to 00:00 hrs (midnight)
- Sunday, from 06:00 hrs to 22:30 hrs

(see 14.8 of the Licensing Policy)

In considering the applicability of frame work hours to any particular application regard should be had to the following

- Location
- Proposed hours of regulated activities, and the proposed hours the premises are open to the public
- The adequacy of the applicant's proposals to deal with issues of crime and disorder and public nuisance
- Previous history
- Access to public transport
- Proximity to other licensed premises, and their hours

(See 14.9 of the licensing policy)

Subject to any representations to the contrary in individual cases the following premises are not generally considered to contribute to late night anti-social behaviour and will therefore generally have greater freedom

- Theatres
- Cinemas
- Premises with club premises certificates

Appendix 14

Special Cumulative Impact Policy for the Brick Lane and Bethnal Green Area

1. The Licensing Authority has adopted a special policy relating to cumulative impact in areas of:
 - Brick Lane
 - Bethnal Green

This special policy creates a rebuttable presumption that applications for the grant or variation of premises licences or club premises certificates which are likely to add to the existing cumulative impact will normally be refused following the receipt of representations, unless the applicant can demonstrate in the operation schedule that there will be no negative cumulative impacts with one or more of the licensing objectives.

2. The Council reviewed the Special Cumulative Impact Policy in 2021 and, following consultation, decided it was still of the opinion that the concentration of licensed premises within Brick Lane area was having a cumulative impact on the licensing objectives of crime and disorder and prevention of public nuisance. As part of the review in 2021, the Council also decided that the concentration of licensed premises within the Bethnal Green area was also having a cumulative impact on the licensing objectives of crime and disorder and prevention of public nuisance.

Review of Cumulative Impact Assessment - Supporting Evidence

3. In determining the Councils CIAs for the area of Brick Lane and Bethnal Green (Figures One and Two Below) the Council considered the following evidence:
 - Hot spot maps of incidents of crime and disorder and ASB linked to Licence premises in the defined areas for 2017 to 2020.
 - Complaint data from Environmental Health and Trading Standards relating to Noise and Licensing.
 - Licence Application data for the defined areas for 2017 to 2020
 - Results of the Consultation, that included Survey data and comments and written responses.

This evidence is published on our website:

<http://democracy.towerhamlets.gov.uk/ieListDocuments.aspx?CId=309&MId=12361>.

Cumulative Impact Assessments (Brick Lane and Bethnal Green)

4. The Licensing Authority is of the view that the number, type and density of premises selling/supplying alcohol for consumption on and off the premises and/or the provision of late night refreshment in the Brick Lane and Bethnal Green Areas (highlighted in Figures One and Two below) is having a cumulative impact on the licensing objectives. Therefore, it is likely that granting further licences would be inconsistent with the authority's duty to promote the licensing objectives. Thus, it has declared a cumulative impact assessment within these areas.
5. The Brick Lane and Bethnal Green CIAs aim to manage the negative cumulative impact of the concentration of licensed premises in these areas and the stresses that the saturation of licensed premises has had on the local amenity, environmental degradation and emergency and regulatory services in managing this impact.
6. The effect of this Special Cumulative Assessment Policy will apply to the following types of applications:
 - New Premises Licences applications,
 - New Club Premises Certificates applications
 - Provisional Statements,
 - Variation of Premises Licences and Club Premises Certificate applications (where the modifications are relevant to the issue of cumulative impact for example increases in hours or capacity).

However, it will only apply where the application seeks to permit the Licensable activities of:

- the sale or supply of alcohol for consumption on or off the premises, and/or,
- the provision of late night refreshment.

7. **This Policy will be strictly applied and where relevant representations are received and it is the view of the Council that the application will be refused. Applicants will need to demonstrate that there are exceptional circumstances and that granting their application will not negatively add to the cumulative effect on the Licensing Objectives within the Brick Lane and Bethnal Green CIAs if they wish to rebut this presumption.**
8. The Special Cumulative Impact policy creates a rebuttable presumption that where relevant representations are received by one or more of the responsible authorities and/or other persons against applications (Councillors, Members of the Public) within the CIA zones the application will be refused.
9. Where representations have been received in respect to applications within the CIA zones the onus is on the applicant to adequately rebut the presumption.

10. It must be stressed that the presumption created by this special policy does not relieve responsible authorities or other persons of the need to make a representation. If there are no representations, the licensing authority must grant the application in terms that are consistent with the operating schedule submitted in line with their delegated authority.

11. This special policy is not absolute and the Licensing Authority recognises that it has to balance the needs of businesses with local residents. The circumstances of each application will be considered on its merits and the Licensing Authority shall grant applications, when representations are not received. The applicant should demonstrate that the operation of the premises will not add to the cumulative impact on one or more of the following licensing objectives:
 - Prevention of Crime and Disorder;
 - Prevention of Public Nuisance.

Therefore, applicants will be expected to comprehensively demonstrate why a new or varied licence will not add to the cumulative impact. They are strongly advised to give consideration to mitigating potential cumulative impact issues when setting out steps they will take to promote the licensing objectives in their operating schedule.

12. The Special Cumulative Impact policy will not be used to revoke an existing licence or certificate and will not be applicable during the review of existing licences.

Possible exceptions to the Brick Lane and Bethnal Green Cumulative Impact Assessments

- Applications for licences for small premises with a capacity of fifty persons or less who only intend to operate within framework hours, and that;
 - Only have consumption of food (late night refreshment) and drink (alcohol) on the premises only,
 - Only provide Off sales of food (late night refreshment) and drink (alcohol) for delivery (i.e. not for take away),and,
 - Have arrangements to prevent vertical drinking, for example fully seated venues;

- Applications for licences that are not alcohol led (e.g. Hairdressers wanting to provide alcohol to clients during their hair cut/treatments), .

- Applications for licences where the applicant has recently surrendered a licence for another premises of a similar size and providing similar licensable activities in the same CIA Area.

Licensing Authority will **not** consider the following as possible exceptions:

- that the premises will be well managed and run,
- that the premises will be constructed to a high standard,
- that the applicant operates similar premises elsewhere without complaint.

Section 182 Advice by the Home Office Updated on April 2018

Relevant, vexatious and frivolous representations

9.4 A representation is “relevant” if it relates to the likely effect of the grant of the licence on the promotion of at least one of the licensing objectives. For example, a representation from a local businessperson about the commercial damage caused by competition from new licensed premises would not be relevant. On the other hand, a representation by a businessperson that nuisance caused by new premises would deter customers from entering the local area, and the steps proposed by the applicant to prevent that nuisance were inadequate, would be relevant. In other words, representations should relate to the impact of licensable activities carried on from premises on the objectives. For representations in relation to variations to be relevant, they should be confined to the subject matter of the variation. There is no requirement for a responsible authority or other person to produce a recorded history of problems at premises to support their representations, and in fact this would not be possible for new premises.

9.5 It is for the licensing authority to determine whether a representation (other than a representation from responsible authority) is frivolous or vexatious on the basis of what might ordinarily be considered to be vexatious or frivolous. A representation may be considered to be vexatious if it appears to be intended to cause aggravation or annoyance, whether to a competitor or other person, without reasonable cause or justification. Vexatious circumstances may arise because of disputes between rival businesses and local knowledge will therefore be invaluable in considering such matters. Licensing authorities can consider the main effect of the representation, and whether any inconvenience or expense caused by it could reasonably be considered to be proportionate.

9.6 Frivolous representations would be essentially categorised by a lack of seriousness. Frivolous representations would concern issues which, at most, are minor and in relation to which no remedial steps would be warranted or proportionate.

9.7 Any person who is aggrieved by a rejection of their representations on either of these grounds may lodge a complaint through the local authority’s corporate complaints procedure. A person may also challenge the authority’s decision by way of judicial review.

9.8 Licensing authorities should not take decisions about whether representations are frivolous, vexatious or relevant to the licensing objectives on the basis of any political judgement. This may be difficult for councillors who receive complaints from residents within their own wards. If consideration is not to be delegated, contrary to the recommendation in this

Guidance, an assessment should be prepared by officials for consideration by the sub-committee before any decision is taken that necessitates a hearing. Any councillor who considers that their own interests are such that they are unable to consider the matter independently should disqualify themselves.

9.9 It is recommended that, in borderline cases, the benefit of the doubt about any aspect of a representation should be given to the person making that representation. The subsequent hearing would then provide an opportunity for the person or body making the representation to amplify and clarify it.

9.10 Licensing authorities should consider providing advice on their websites about how any person can make representations to them.
