In response to comments and questions from members the following as noted:

- Mr McKerns said the Pensions Regulator reported to the Department of Works and Pensions, who had over-arching responsibility for the regulator.
- Mr McKerns said that both the Board and Committee as well as Pensions administrators such as themselves could report a concern or breach to the regulator. There was no set hierarchy to follow.
- In response to the Regulator potentially investigating breaches, Mr Gray said from his experience the investigators could be aggressive. Mr McKerns said that from anecdotal evidence this was the experience of many LGPS funds. He said it was crucial that data recording, processes and governance was evidenced as LGPS funds' could be inspected at any time.
- Mr Thompson thanked Mr McKerns for an insightful presentation and referred to the slides on compliance checker and reporting and said these were very useful. Mr McKerns made clear these were examples and different LGPS's had their own method of monitoring performance and reporting.
- Mr Paul Audu, Interim Head of Pensions and Treasury confirmed the Pensions Committee would also be receiving the presentation. He said

the Board as well as the Committee would be receiving updated reports as required by the code.

- Mr McKerns clarified that the Pensions Regulator's deadline of 27th March for the code to be implemented was a target, however LGPS's would have 12 months to ensure they were fully compliant with the code.
- **ACTION:** Mr John Jones, Independent Chair of the Pension Board said this should be a standing item on the Board and Committee agendas.

The Pension Board **RESOLVED** to:

- Mr Jones commented that previously the Board had concerns regarding I-connect, the system used by employers to upload data and asked what the status was, in employers using the software. Mr Audu responded stating that they were working with senior officers of 'ResouceLink' to solve issues and ensure the system to upload data was being used effectively.
- Mr Audu said they were carrying vacancies within the team. He said he was mindful of the impact this could have on the administration of the Fund. He said he would be following the human resources procedures to recruit staff.

In response to comments and questions from members the following was noted:

- Referring to the 'Business plan and Budget' on page 21 of the agenda, Mr Thompson requested that the Board be involved in the planning of this at an early stage, rather than when the plan had been drafted and was out for consultation. He said it was important for members to be able to influence the direction of the plan at the time of its planning.

- Mr Jones asked Mr Audu if he had the capacity to deliver such a programme, given the demand on his time. Mr Audu responded stating that some of the reports were standard reports and others were on the schedule to ensure they met the regulators requirements. He said it was a 'live' document subject to change during the year.
- Mr Kassim, Director for Finance, Procurement and Audit Governance said the TRP code discussed earlier by the Board and the Fund's performance and cashflow would also be added to the work programme.

In answer to comments and questions from members the following was noted:

- **ACTION:** Mr Thompson commented that the progress of this consultation should be added to the training programme as this as a significant development.
- Mr Jones said that the merger of pools could mean some consolidation in London, but one had to wait and see how this developed.
