Please note that a DPI includes: (i) Your own relevant interests; (ii) Those of your spouse or civil partner; (iii) A person with whom the Member is living as husband/wife/civil partners. Other individuals, e.g. Children, siblings and flatmates do not need to be considered. Failure to disclose or register a DPI (within 28 days) is a criminal offence.

Members with a DPI, (unless granted a dispensation) must not seek to improperly influence the decision, must declare the nature of the interest and leave the meeting room (including the public gallery) during the consideration and decision on the item – unless exercising their right to address the Committee.

(iii) Declarations of Interests not included in the Register of Members' Interest.

Occasions may arise where a matter under consideration would, or would be likely to, **affect the wellbeing of you, your family, or close associate(s) more than it would anyone else living in the local area** but which is not required to be included in the Register of Members' Interests. In such matters, Members must consider the information set out in paragraph (ii) above regarding Non DPI - interests and apply the test, set out in this paragraph.

Guidance on Predetermination and Bias

Member's attention is drawn to the guidance on predetermination and bias, particularly the need to consider the merits of the case with an open mind, as set out in the Planning and Licensing Codes of Conduct, (Part C, Section 34 and 35 of the Constitution). For further advice on the possibility of bias or predetermination, you are advised to seek advice prior to the meeting.

RULES OF PROCEDURE GOVERNING APPLICATIONS FOR PREMISES LICENCES AND OTHER PERMISSIONS UNDER THE LICENSING ACT 2003

Date Last Reviewed:	14th June 2016

Version No.	1

Date of Next Scheduled Review:	31st March 2018

1. Interpretation

- 1.1 These Procedures describe the way in which hearings will be conducted under the Licensing Act 2003, as set out in the Licensing Act 2003 (Hearings) Regulations 2005 (as amended) ('the Hearings Regulations'). The Procedures take into account the Licensing Act (Premises Licences and Club Premises Certificates) Regulations 2005.
- 1.2 Except where otherwise stated, references in this Code are to the Licensing Committee and its Sub-committees and the expression 'Licensing Committee' should be interpreted accordingly.
- 1.3 The Hearings Regulations provide (Regulation 21) that a Licensing Authority shall, subject to the provisions of those Regulations, determine for itself the procedure to be followed at a hearing.
- 1.4 These Procedures, therefore, set out the way in which Licensing Committee Meetings will be conducted under the Licensing Act 2003, following the requirements of the Hearings Regulations.
- 1.5 Proceedings will not be rendered void only as the result of failure to comply with any provision of the Hearings Regulations (Regulation 31) save that in any case of such an irregularity, the Licensing Committee shall, if it considers that any person may have been prejudiced as a result of the irregularity, take such steps as it thinks fit to cure the irregularity before reaching its determination (Regulation 32).

2. Composition of Sub-Committee

- 2.1 The Sub-Committee will consist of three (3) members and no business shall be transacted unless three (3) members of the Licensing Committee are present and able to form a properly constituted Licensing Sub-Committee. In such cases the Chair shall have a second or casting vote.

3. Procedure

- 3.1 The hearing shall take place in public save that the Licensing Committee may exclude the public from all or part of a hearing where it considers that, on balance, it is in the public interest to do so. The parties and any person representing them may be excluded in the same way as another member of the public. Any person so excluded may, before the end of the hearing, submit to the Licensing Committee in writing, any information which, they would have been entitled to give orally had they not been required to leave. Where there are a number of items on the agenda, the adjournment of that item for a short period, whilst another item is heard, may allow this process to be carried out effectively.

- 3.2 The Chair will begin by asking the parties to identify themselves and confirm whether or not they are represented.
- 3.3 The Licensing Committee should always satisfy itself that sufficient notice of the hearing has been given to all parties and if not satisfied, then the Licensing Committee should take such steps as it thinks fit to deal with that issue before reaching its determination and this could include adjourning that application to a later date.
- 3.4 The Licensing Committee will then consider any requests by a party for any other person to be heard at the hearing in accordance with the Regulations. Permission will not be unreasonably withheld provided proper notice has been given.
- 3.5 The Chair will then explain how the proceedings will be conducted, and indicate any time limits that may apply to the parties to the application. In setting time limits, the Licensing Committee will take into account the importance of ensuring that all parties receive a fair hearing, and the importance of ensuring that all applications are determined expeditiously and without undue delay. Further the Licensing Committee must have regard to the requirement to allow each party an equal amount of time.
- 3.6 If a party considers that any time limit is not sufficient then they should address the Licensing Committee and which will determine accordingly.
- 3.7 If any party has informed the Authority that they will not be attending or be represented at the hearing or any party does not give notice that they will not be attending but fails to attend and is not represented, the Licensing Committee may proceed in their absence or adjourn the hearing if it considers it to be necessary in the public interest. An adjournment will not be considered where due to the operation of the Hearing Regulations it would not be possible to adjourn.
- 3.8 If the Licensing Committee adjourns the hearing to a specified date it must specify the date, time and place to which the hearing has been adjourned and why it is considered necessary in the public interest.
- 3.9 If the Licensing Committee holds the hearing in the absence of a party, it will consider at the hearing the application, representation or notice given by that party.
- 3.10 The Chair will invite an Officer of the Licensing Section to present the report by briefly summarising the application and the number and type of the representations as set out in the papers circulated. The Officer will also advise of any discussions held with the parties; any amendments made to the application; any representations withdrawn; and any agreed conditions that the Licensing Committee is being asked to consider. The Officer shall not give

any opinion on the application or ask the Committee to make an inference based on such an opinion.

- 3.11 Members of the Licensing Committee can then ask questions of clarification of the Licensing Officer or seek legal advice from the Legal Adviser to the Licensing Committee if they require in respect of matters raised during the presentation by the Licensing Officer.
- 3.12 The Legal Adviser to the Licensing Committee will then give any relevant legal advice that the Licensing Committee need to take into consideration.
- 3.13 The Chair will then ask the applicant or their representative, if present, to present a summary of the nature and extent of the application. This should be brief, avoid repetition of material already available to the Licensing Committee in the Officer's report or otherwise, and include any reasons why an exception should be made to the Council's Licensing Policy, where appropriate, and respond to the written representations received. The submission may be followed by the evidence of any person who has been given permission by the Committee to give supporting evidence on behalf of the applicant or who has made a representation in favour of the application.
- 3.14 The application is to be presented within the time limit that has been set.
- 3.15 Where an applicant is unrepresented and having difficulty in presenting their application then the Legal Adviser to the Licensing Committee may ask questions of the applicant so that the relevant points are addressed and clarified for the Licensing Committee.
- 3.16 Members of the Licensing Committee may ask questions of the person presenting the case after their address as well as any other person who has spoken in support of the application. Members can also ask questions of the applicant as well as any other person present for the applicant who they consider can assist.
- 3.17 The Legal Adviser to the Licensing Committee may ask questions for the purpose of clarifying points for the Licensing Committee.
- 3.18 The Chair will then ask the persons who have made representations against the application to address the Licensing Committee within the time limit that has been set. They should not repeat what is already set out in their representations or notice or raise new matters. In their address they should provide clarification on any points previously requested by the Council. The submission may be followed by the evidence of any person who has been given permission by the Committee to give supporting evidence.
- 3.19 Members of the Licensing Committee may then ask questions of the persons making representations against the application and any other person who has

spoken in support of such representation. Members can also ask questions of any other person present who they consider can assist.

- 3.20 The Legal Adviser to the Licensing Committee may ask questions for the purpose of clarifying points for the Licensing Committee.
- 3.21 Petitions will be treated as representations provided they meet the requirements for relevant representations set out in the Licensing Act 2003. Members should proceed with caution when relying upon petitions used as evidence due to the structure and wording used.
- 3.22 The Licensing Committee will disregard any information given by a party, or any other person appearing at the hearing, which is not relevant to:
 - a) their application, representation or notice; and
 - b) the promotion of the licensing objectives or the crime prevention objective where notice has been given by the police.
- 3.23 The Chair will intervene at any stage of the hearing to prevent repetitious or irrelevant points being raised.
- 3.24 Cross examination of any party or any other person allowed to appear will not be allowed unless specifically permitted by the Chair.
- 3.25 There is no right for any party to sum up but they may be permitted to do at the discretion of the Chair and within time limits prescribed by the Chair.
- 3.26 The Licensing Committee will consider its decision in private save that the Legal Adviser and Democratic Services Officer will remain with them.
- 3.27 The Licensing Committee will normally return to open session to announce its decision but in cases where the prescribed time limit allows for a later determination and it is appropriate to determine the matter within that time then the Chair will advise the parties present that the decision will not be announced then but that the determination will take place within the prescribed time limit and that written notification will be dispatched to all parties advising them of the determination.

4. Exclusions

- 4.1 In addition to any exclusion under paragraph 3.1 above, The Licensing Committee may require any person attending the hearing who in their opinion is behaving in a disruptive manner to leave the hearing and may refuse to permit the person to return; or allow them to return only on such conditions as Licensing Committee may specify.

- 4.2 Any person so excluded may, before the end of the hearing, submit to the Authority in writing, any information which, they would have been entitled to give orally had they not been required to leave.

5.0 **Temporary Event Notices**

- 5.1 Temporary Event Notices (TENs) are a creation of the Licensing Act 2003. They provide a method by which licensable activities can be carried out on a temporary basis (max. 168 hrs) without a licence. The maximum number that can attend at any one time is 499. At least 10 full working days notice must be given to the licensing authority. When a TEN cannot be obtained, for example the event is over 499, then a full premises licence must be obtained, for a limited duration.
- 5.2 The Licensing Authority cannot oppose an application, (nor can local residents or businesses). The Licensing Authority must reject any application that does not meet the rules as to numbers, maximum per year etc. The limits for 2022 and 2023 are as follows: 20 TEN per

calendar year or 26 days. The Responsible Authorities that can object is the Metropolitan Police or Environmental Protection.

- 5.3 The Police and Environmental Protection can object on the grounds that allowing the event to go ahead will undermine one of the Licensing Objectives.
- 5.4 At any time before a hearing is held or dispensed, the premises user and EH or Police may come to an agreement and modify the temporary event notice by making changes to it.
- 5.5 Following an objection by the relevant Responsible Authority the Licensing Authority must decide whether;
 - (1) Grant the TEN;
 - (2) Grant the TEN with conditions (if a premises licence is in place) and specify conditions as appropriate to the TEN.
 - (3) Refuse the TEN by serving a Counter Notice
- 5.6 The Licensing Authority can apply one or more conditions ;
 - (a) if it considers it appropriate for the promotion of the licensing objectives to do so,
 - (b) the conditions are also imposed on a premises licence or club premises certificate that has effect in respect of the same premises, or any part of the same premises, as the temporary event notice, and
 - (c) the conditions would not be inconsistent with the carrying out of the licensable activities under the temporary event notice.
- 5.7 Where the authority decides to impose one or more conditions;
 - (a) the authority must give the premises user notice of the decision;
 - (b) the notice must be accompanied by a separate statement (the "statement of conditions") which sets out the conditions that have been imposed on the temporary event notice; and
 - (c) a copy of the notice and statement of conditions must be given to each relevant party.
- 5.8 LATE TENs have been created through the Police Reform and Social Responsibilities Act 2011, a Late TEN can be made no later than FIVE working days and no earlier than NINE working days before the event. The limits to these applications are no more than 2 for a non personal licence holder or no more than 10 for a personal licence holder.

5.9 The Police and Environmental Protection can object to Late TENs, if an objection is made the Licensing Authority must issue a counter notice advising the event cannot take place.

6.0 **Objections**

6.1 The Police objections are contained in **Appendix 3**.

6.2 Environmental Health objection is in **Appendix 4**.

7.0 **Advice to Members**

7.1 The Police Reform and Social Responsibility Act 2011 amended legislation whereby Environmental Protection alongside Police can object to Temporary Event Notice under any of the licensing objectives.

7.2 This hearing is required by the Licensing Act 2003. As always the decision is on the civil burden of proof, i.e. the balance of probability.

7.3 Members can consider any of the licensing objectives. Other matters can also be dealt with elsewhere by primary legislation.

7.4 Premises users are not required to be on the premises for the entire duration of the event authorised by the TEN, but they will remain liable to prosecution for certain offences that may be committed at the premises during the period covered by it. These include, for example, the offences of the sale of alcohol to a person who is drunk; persistently selling alcohol to children; and allowing disorderly conduct on licensed premises.

7.5 The police or local authority exercising environmental health functions may contact the premises user to discuss their objections and try to come to an agreement which will allow the proposed licensable activities to proceed. The TEN can be modified. If there is no agreement, the licensing authority must hold a hearing to consider the notice.

8.0 **Legal Comments**

8.1 The Council's legal officer will give advice at the hearing.

9.0 **Finance Comments**

9.1 There are no financial implications in this report.

90 White Post Lane is a cleared gravel yard bounded by 8ft site fencing on all sides. It is the site of the now demolished Lea Tavern public house and guest rooms, the site has been empty since the demolition of the public house building around 2012. The current landlord, Stewart Schwartz, has plans to redevelop the site in the near future, in the interim he has agreed to lease it to us so that we can relocate the Boat Live project which has been running at 66-78 White Post Lane for the last year. The previous site had to be closed to allow for handover from the LLDC to a housing association for development, leaving the project homeless.

Continued from previous page...

Boat Live project is focused around a small mobile event space built inside an old canal boat, this space has primarily been used to showcase music from the vibrant east London electronic scene, facilitating recording and live broadcast of sessions.

The boat has been soundproofed and managed well with no noise complaints from its time at 66-78 White Post Lane.

The Boat Live project was previously operating on the Hackney Wick Underground licence on units 2-3 66-78 White Post Lane and was located in the outdoor front yard area to the north of the units. As with the previous licence we would add some temporary structures to facilitate a wc block, lounge, and bar area, most likely housed in shipping containers. We will have a central courtyard area with flexible seating, keeping a space to give us the option to bring in food trucks, similar to the previous premises. We will have a service window from the bar container direct to the street, this will only be used from early morning through the daytime for sales of coffee and smoothies, no alcohol will ever be sold from this window.

If you intend to use only part of the premises at this address or intend to restrict the area to which this notice applies, give a description and details below ([see also guidance on completing the form, note 3](#))

21st June 2023

Dear Sir,

Central East Police Licensing formally object to the application for a Temporary Event Notice for Boat Live, at 90 White Post Lane E9 5EN for the 1st and 2nd July 2023. This objection is on the grounds of preventing crime and disorder, public nuisance, and Public Safety.

Central East Police Licensing object to this application as we believe it will lead to increased crime and disorder and public nuisance. Firstly when the applicant operated from 66 – 78 White Post Lane, not only were there noise complaints from local residents, when Police visited the site we found a poorly run venue with intoxicated customers, and open use of drugs. Management were not running the premises effectively as they had allowed customer to become drunk and there was no sense that anyone was in charge.

We believe that should this venue be allowed to have a Temporary Event Notice there will be crime and disorder. The applicant has not said how they will keep customers safe, they have not provided a security plan, an egress or dispersal plan. Customers are vulnerable when leaving a venue after the event has finished as if they have consumed alcohol then their decision making is impaired and they are more likely to be either victims of or instigators of alcohol related crime and disorder.

Given the likelihood of drugs being used at music events, it is concerning that the applicant has made no reference to any searching of customers or security planning. Similarly the applicant has not said how they will deal with crime and disorder from their customers. Given the busy nature of Hackney Wick, and its growth as night time economy destination, we expect venues to give details on the above

We also believe that these events will lead to noise nuisance, as they are advertised as dance music events. The venue does not have a good track record in regard to preventing noise nuisance, in contradiction to the applicants assertion that there were no noise complaints about the venue they previously operated from, noise complaints were indeed received by Tower Hamlets Council when they operated from 66 – 78 White Post Lane.

We also have concerns that as the Boat Live is next to residential premises, Boat Live's customers will congregate at this entrance and cause noise nuisance both as they enter the premises and as they leave. A local resident has already contacted us expressing their concern.

The last time we visited the boat about the boat was not sound proofed and could not hold more than around 40 people. Where will the other 160 guests be, and is this area sound proofed? We believe that having 200 people dancing to DJ music will cause noise nuisance as they listen to the music

A recent visit by Health and safety stated "concerned of the safety of which has been reported to HSE, no risk assessments no PPE no safety footwear, leads and cables laying around, LPG canisters /petrol canisters including dry wood which can be flammable, gaps in fencing which could lead to public getting access. No fire protective equipment". The venue has not provided proof of public liability insurance, or that the site is complete and safe.

I have visited the site of the boat with Nicola Cadzow from Tower Hamlets Council Noise Team and found the site to be dangerous with rubbish on the ground, no electricity or running water or any permanent or semi-permeant buildings for customers built or on site. We believe that such poor management demonstrated previously and an unprepared site will lead to increased risks of crime and disorder and public nuisance.

We believe that these events will cause alcohol related crime and disorder and noise nuisance, and that the venue is not safe, and ask that this application is rejected.

Kind Regards

Mark

Subject: FW: MAU REPRESENTATION TEN 160543 Boat Live 90 White Post Lane 1st and 2nd July 2023

Subject: MAU REPRESENTATION TEN 160543 Boat Live 90 White Post Lane 1st and 2nd July 2023

Dear Licensing,

I have reviewed the TENs applications for Boat Live 90 White Post Lane, London for 1st and 2nd July 2023 and have considered the potential impact of public nuisance and measures to prevent noise generated from within the premises or outside it which could cause disturbance to people in the vicinity.

The applicant advised in the application that and I quote *"the boat had been soundproofed and managed well with no noise complaints from its time at 66-78 White Post Lane"*. This is contradictory to the fact Tower Hamlets Council Noise Team have received several complaints from nearby residents as recently as November 2022 and I quote complaints received:

- (1) *"The venue is in a repurposed barge so it has no noise insulation and the sound level of the music coming from it, is ridiculously loud"*.
- (2) *"...stated that they are playing music indoors at a loud volume with no soundproofing"*
- (3) *"music indoors at a loud volume with no soundproofing"*

On one occasion when a complaint was received (6th November 2022) the Out of Hours Noise Team arrived in the vicinity of Boat Live at 66-78 White Post Lane, London and they could hear party style music with a heavy bass. I do not believe that by using same wooden boat as a venue on another site further down White Post Lane, particularly with insufficient sound insulation, that the licensing objective for the prevention of public nuisance will be met. As well as potential safety concerns to patrons attending site.

Noise Sensitive premises: residential and commercial premises in close proximity to 90 White Post Lane.

In my view the application, as it stands fails, to comply with the objective of the Licensing Act 2003 relating to "public nuisance" for the following reasons:-

- Noise breakout from the venue affecting neighbouring residents, particular when the boat with the sound system will not facilitate 200 persons, and use of front yard area, which includes Live DJ sets.
- Access & egress to and from the venue, of patrons, especially due to patrons likely to be in high spirits;

CONCLUSION

Environmental Protection **does not** support the TENs application for Boat Live 90 White Post Lane, as I do not believe that the licensing objective for the prevention of public nuisance will be met, and

consideration that there is a greater likelihood of disturbance to residential premises if the event goes ahead.

Kind regards

Nicola Cadzow
