Other individuals, e.g. Children, siblings and flatmates do not need to be considered. Failure to disclose or register a DPI (within 28 days) is a criminal offence.

Occasions may arise where a matter under consideration would, or would be likely to, **affect the wellbeing of you, your family, or close associate(s) more than it would anyone else living in the local area** but which is not required to be included in the Register of Members' Interests. In such matters, Members must consider the information set out in paragraph (ii) above regarding Non DPI - interests and apply the test, set out in this paragraph.

1. Interpretation

- 1.1 These Procedures describe the way in which hearings will be conducted under the Licensing Act 2003, as set out in the Licensing Act 2003 (Hearings) Regulations 2005 (as amended) ('the Hearings Regulations'). The Procedures take into account the Licensing Act (Premises Licences and Club Premises Certificates) Regulations 2005.
- 1.2 Except where otherwise stated, references in this Code are to the Licensing Committee and its Sub-committees and the expression 'Licensing Committee' should be interpreted accordingly.
- 1.3 The Hearings Regulations provide (Regulation 21) that a Licensing Authority shall, subject to the provisions of those Regulations, determine for itself the procedure to be followed at a hearing.
- 1.4 These Procedures, therefore, set out the way in which Licensing Committee Meetings will be conducted under the Licensing Act 2003, following the requirements of the Hearings Regulations.
- 1.5 Proceedings will not be rendered void only as the result of failure to comply with any provision of the Hearings Regulations (Regulation 31) save that in any case of such an irregularity, the Licensing Committee shall, if it considers that any person may have been prejudiced as a result of the irregularity, take such steps as it thinks fit to cure the irregularity before reaching its determination (Regulation 32).

2. Composition of Sub-Committee

- 2.1 The Sub-Committee will consist of three (3) members and no business shall be transacted unless three (3) members of the Licensing Committee are present and able to form a properly constituted Licensing Sub-Committee. In such cases the Chair shall have a second or casting vote.

3. Procedure

- 3.1 The hearing shall take place in public save that the Licensing Committee may exclude the public from all or part of a hearing where it considers that, on balance, it is in the public interest to do so. The parties and any person representing them may be excluded in the same way as another member of the public. Any person so excluded may, before the end of the hearing, submit to the Licensing Committee in writing, any information which, they would have been entitled to give orally had they not been required to leave. Where there are a number of items on the agenda, the adjournment of that item for a short period, whilst another item is heard, may allow this process to be carried out effectively.

- 3.2 The Chair will begin by asking the parties to identify themselves and confirm whether or not they are represented.
- 3.3 The Licensing Committee should always satisfy itself that sufficient notice of the hearing has been given to all parties and if not satisfied, then the Licensing Committee should take such steps as it thinks fit to deal with that issue before reaching its determination and this could include adjourning that application to a later date.
- 3.4 The Licensing Committee will then consider any requests by a party for any other person to be heard at the hearing in accordance with the Regulations. Permission will not be unreasonably withheld provided proper notice has been given.
- 3.5 The Chair will then explain how the proceedings will be conducted, and indicate any time limits that may apply to the parties to the application. In setting time limits, the Licensing Committee will take into account the importance of ensuring that all parties receive a fair hearing, and the importance of ensuring that all applications are determined expeditiously and without undue delay. Further the Licensing Committee must have regard to the requirement to allow each party an equal amount of time.
- 3.6 If a party considers that any time limit is not sufficient then they should address the Licensing Committee and which will determine accordingly.
- 3.7 If any party has informed the Authority that they will not be attending or be represented at the hearing or any party does not give notice that they will not be attending but fails to attend and is not represented, the Licensing Committee may proceed in their absence or adjourn the hearing if it considers it to be necessary in the public interest. An adjournment will not be considered where due to the operation of the Hearing Regulations it would not be possible to adjourn.
- 3.8 If the Licensing Committee adjourns the hearing to a specified date it must specify the date, time and place to which the hearing has been adjourned and why it is considered necessary in the public interest.
- 3.9 If the Licensing Committee holds the hearing in the absence of a party, it will consider at the hearing the application, representation or notice given by that party.
- 3.10 The Chair will invite an Officer of the Licensing Section to present the report by briefly summarising the application and the number and type of the representations as set out in the papers circulated. The Officer will also advise of any discussions held with the parties; any amendments made to the application; any representations withdrawn; and any agreed conditions that the Licensing Committee is being asked to consider. The Officer shall not give

any opinion on the application or ask the Committee to make an inference based on such an opinion.

- 3.11 Members of the Licensing Committee can then ask questions of clarification of the Licensing Officer or seek legal advice from the Legal Adviser to the Licensing Committee if they require in respect of matters raised during the presentation by the Licensing Officer.
- 3.12 The Legal Adviser to the Licensing Committee will then give any relevant legal advice that the Licensing Committee need to take into consideration.
- 3.13 The Chair will then ask the applicant or their representative, if present, to present a summary of the nature and extent of the application. This should be brief, avoid repetition of material already available to the Licensing Committee in the Officer's report or otherwise, and include any reasons why an exception should be made to the Council's Licensing Policy, where appropriate, and respond to the written representations received. The submission may be followed by the evidence of any person who has been given permission by the Committee to give supporting evidence on behalf of the applicant or who has made a representation in favour of the application.
- 3.14 The application is to be presented within the time limit that has been set.
- 3.15 Where an applicant is unrepresented and having difficulty in presenting their application then the Legal Adviser to the Licensing Committee may ask questions of the applicant so that the relevant points are addressed and clarified for the Licensing Committee.
- 3.16 Members of the Licensing Committee may ask questions of the person presenting the case after their address as well as any other person who has spoken in support of the application. Members can also ask questions of the applicant as well as any other person present for the applicant who they consider can assist.
- 3.17 The Legal Adviser to the Licensing Committee may ask questions for the purpose of clarifying points for the Licensing Committee.
- 3.18 The Chair will then ask the persons who have made representations against the application to address the Licensing Committee within the time limit that has been set. They should not repeat what is already set out in their representations or notice or raise new matters. In their address they should provide clarification on any points previously requested by the Council. The submission may be followed by the evidence of any person who has been given permission by the Committee to give supporting evidence.
- 3.19 Members of the Licensing Committee may then ask questions of the persons making representations against the application and any other person who has

spoken in support of such representation. Members can also ask questions of any other person present who they consider can assist.

- 3.20 The Legal Adviser to the Licensing Committee may ask questions for the purpose of clarifying points for the Licensing Committee.
- 3.21 Petitions will be treated as representations provided they meet the requirements for relevant representations set out in the Licensing Act 2003. Members should proceed with caution when relying upon petitions used as evidence due to the structure and wording used.
- 3.22 The Licensing Committee will disregard any information given by a party, or any other person appearing at the hearing, which is not relevant to:
 - a) their application, representation or notice; and
 - b) the promotion of the licensing objectives or the crime prevention objective where notice has been given by the police.
- 3.23 The Chair will intervene at any stage of the hearing to prevent repetitious or irrelevant points being raised.
- 3.24 Cross examination of any party or any other person allowed to appear will not be allowed unless specifically permitted by the Chair.
- 3.25 There is no right for any party to sum up but they may be permitted to do at the discretion of the Chair and within time limits prescribed by the Chair.
- 3.26 The Licensing Committee will consider its decision in private save that the Legal Adviser and Democratic Services Officer will remain with them.
- 3.27 The Licensing Committee will normally return to open session to announce its decision but in cases where the prescribed time limit allows for a later determination and it is appropriate to determine the matter within that time then the Chair will advise the parties present that the decision will not be announced then but that the determination will take place within the prescribed time limit and that written notification will be dispatched to all parties advising them of the determination.

4. Exclusions

- 4.1 In addition to any exclusion under paragraph 3.1 above, The Licensing Committee may require any person attending the hearing who in their opinion is behaving in a disruptive manner to leave the hearing and may refuse to permit the person to return; or allow them to return only on such conditions as Licensing Committee may specify.

- 4.2 Any person so excluded may, before the end of the hearing, submit to the Authority in writing, any information which, they would have been entitled to give orally had they not been required to leave.

LICENSING OFFICER COMMENTS:

Under non-standard opening timings the applicant has stated: “*Public Holidays closing at 16:00*”, however, there is no mention of licensable activities being also reduced. The applicant will therefore need to clarify what non-standard times are being applied for the opening hours during “public holidays” and confirm which days that will be.

6.1 All representations have to meet basic legal and administrative requirements. If they fail to do so they cannot be accepted. When rejected the person sending in the representation must be written to, and an explanation for rejection given in writing

- Conditions agreed with Licensing Authority (RA) (See Appendix 16)
- 8.8 *The supply of alcohol at the premises shall only be to a person seated taking a table meal there and for consumption by such a person as ancillary to their meal.*
- 8.9 *There shall be no “vertical drinking” of alcohol at the premises.*
- 8.10 *All sales of alcohol for consumption off the premises shall be in sealed containers and ancillary to a food order for delivery only.*

9.0 Licensing Officer Comments

- 9.1 The Business & Planning Act 2020 came into force on Wednesday 22nd July 2020 and provides a temporary permission for businesses that have a premises licence that permits them to sell alcohol in regards to the ability to sell alcohol as an off sale, i.e. for consumption off the premises. The permission will end on 31st March 2025 unless the legislation is changed by the Secretary of State.

It will only apply to businesses that hold a Premises Licence up to 22nd July 2020 and that in the last 3 years preceding 22 July 2020 those licences have NOT:

- had a premises licence application where permission for off sales was refused;
- had a variation of a premises licence seeking permission for off sales refused
- had a variation seeking to exclude off sales permission granted
- had a premises licence varied or modified by a review hearing to exclude off sales.

The new off-sales permission will permit off-sales to be made at a time when the licensed premises are open for the purposes of selling alcohol for consumption on the premises, subject to a cut off time of 11pm or the cut off time of the current licensed hours stated on the licence, whichever is earlier. Measures also temporarily suspend existing licence conditions in so far as they are inconsistent with the new off-sales permission. Further Guidance on this can be found at <https://www.gov.uk/government/publications/guidance-for-temporary-alcohol-licensing-provisions-in-the-business-and-planning-bill>

- 9.2 In all cases the Members should make their decision on the civil burden of proof, that is “the balance of probability.”
- 9.3 In all cases Members should consider whether or not primary legislation is the appropriate method of regulation and should only consider licence conditions when the circumstances in their view are not already adequately covered elsewhere.
- 9.4 Members must consider all the evidence and then decide from the following alternatives:
- Grant the application as applied for
 - Grant the application with modifications (adjust hours and conditions)
 - Refuse

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

I would like to object to the above property having license to sell alcohol.

There is already a lot of noise and disruption from this property and adding alcohol is not acceptable. There is an issue of cooking smells from the kitchen and mess on the pavement outside.

There are two pubs at either end of the street- The Commercial Tavern and The Golden Heart. There are two supermarkets which sell alcohol and two licensed restaurants as well as an off license- Sacred Spirit.

There are also many licensed premises in Spitalfields market.

I do not feel another licensed premises will add any value to the premises or the community.

Dear Sir/Madam,

I am writing to register my objection to the application for a premises licence by Taco Taco, 141 Commercial Street E1 6BJ.

The Cloisters is a quiet, residential block of 69 flats.

There are already plenty of designated drinking places in the immediate vicinity – numerous pubs, restaurants and food markets where alcohol can be readily purchased and consumed. There are more than enough.

The basis for this objection is that I firmly believe provision of this license will have a negative impact not only on these residents directly, but also the wider public, from the aspect of:

- noise,
- public nuisance,
- alcohol related litter,
- disorder,
- antisocial behaviour,
- increased potential for crime.

While it has been noted that in the short-term Taco Taco have reduced the music volume, this is not a long-term fix to the continued disruption experienced as a result of customers/staff using the toilet, hand dryer, general conversations – we still continue to hear this on a regular basis.

As such, I am keen for the applicants to understand that this is not an objection to their business but a concern that any further changes to the current business will negatively impact standards of living in the block, and introducing alcohol will only exacerbate these already existing disruptive issues.

Yours sincerely,

Francis Ross

I want to object to Taco Taco's application for an alcohol license.

1. They are based within a residential block.
2. The potential for distribution is high. Noise and antisocial behaviour would increase with alcohol.
3. Since moving in Taco Taco have broken many rules: leaving the kitchen door open, allowing noise and unpleasant smells out. Playing loud music. Leaving rubbish outside for long periods which could attract vermin.
4. It's a takeaway.
5. There are already numerous establishments selling alcohol and regulated entertainment in very close proximity.
6. It would impact the safety of the whole block.

I live directly above the premises and already suffer strong cooking smells throughout the day and late into the evening, and noise from thumping, loud music played until 9pm.
Once I entered Taco Taco, thinking I should at least try the food, but was shocked at how loud the music was when inside the premises - no wonder it disturbs me in my flat.

Hi Damien,

With regards to our telephone conversation earlier and your license application for Taco Taco, I have reviewed your license application and have some suggestions for license conditions that I'd like yourself and management to give consideration towards. With respect to the Tower Hamlets Licensing Policy and the Licesning Act 2003 and in consideration to the four licensing objectives having reviewed the conditions you've proposed, could the following conditions be added and/or amended (where duplicate conditions exist and we feel they require revision) if you are happy to do so:

Crime and Disorder

1. The premises shall install and maintain a comprehensive CCTV system as per the minimum requirements of the Tower Hamlets Police Licensing Team. All entry and exit points will be covered enabling frontal identification of every person entering in any light condition. The CCTV system shall continually record whilst the premises is open for licensable activities and during all times when customers remain on the premises. All recordings shall be stored for a minimum period of 31 days with date and time stamping. Viewing of recordings shall be made available immediately upon the request of Police or authorised officer throughout the entire 31 day period.

2. A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times when the premises are open. This staff member must be able to provide a Police or authorised council officer copies of recent CCTV images or data with the absolute minimum of delay when requested.

3. An incident log shall be kept at the premises, and be available on request to the Police or an authorised officer. It must be completed within 24 hours of any incident and will record the following:
 - a) all crimes reported to the venue;
 - b) any complaints received concerning crime and disorder
 - c) any incidents of disorder;
 - d) any faults in the CCTV system;

- e) any refusal of the sale of alcohol;
- f) any visit by a relevant authority or emergency service.

4. In the event that a serious assault is committed on the premises (or appears to have been committed) the management will immediately ensure that:

- a) the police (and, where appropriate, the London Ambulance Service) are called without delay;
- b) the crime scene is preserved so as to enable a full forensic investigation to be carried out by the police; and
- c) such other measures are taken (as appropriate) to fully protect the safety of all persons present on the premises.

Protection of Children from Harm

5. A Challenge 25 proof of age scheme shall be operated at the premises where the only acceptable forms of identification are recognised photographic identification cards, such as a driving licence, passport or proof of age card with the PASS Hologram.

Online delivery

6. A standard age verification check shall be undertaken on entering the website. A signature at the point of delivery must be obtained. No delivery shall be left without a signature. Dear Corinne Holland,

Re: New Premises Licence Application: Taco Taco, 141 Commercial Street, London, E1 6BJ

Reference: LIC/M169411/CH

Thank you for your letter dated 19th June 2023 regarding our new premises licence application. We appreciate the concerns raised by the Licensing Authority and the importance of the Special Cumulative Impact Policy for the Brick Lane area.

We fully understand and respect the need to mitigate any negative cumulative impacts on the licensing objectives, particularly in relation to crime and disorder and public nuisance. In response to your letter, we would like to make the following clarifications and suggestions:

1. Endorsement of Sub-Committee conditions

We are in full agreement with the conditions proposed by the Sub-Committee. Specifically, we endorse the following:

- The supply of alcohol at the premises shall only be to a person seated taking a table meal there and for consumption by such a person as ancillary to their meal.
- There shall be no “vertical drinking” of alcohol at the premises.
- All sales of alcohol for consumption off the premises shall be in sealed containers and ancillary to a food order for delivery only.

2. Clarification on alcohol sales

We would like to emphasize that alcohol sold at Taco Taco is intended to be enjoyed only with food. Our taqueria is a small establishment with a seating capacity of 18 persons, focusing on providing a quality dining experience. The sale of alcohol is strictly to complement the dining experience and not as a standalone offering.

3. Price point and public drinking

Given the nature of our business and the price point of our offerings, which are higher than those of corner shops, we are confident that this will not cause or contribute to public drinking. Our target

market is patrons seeking a quick, quality Mexican meal, and the higher price point serves as a natural deterrent to those looking to purchase alcohol for consumption on the streets.

4. Commitment to delivery-only off-sales

We are happy to commit that all off-premises sales of alcohol will be in sealed containers for delivery only. This ensures that there will be no walk-in takeaways of alcohol, thus addressing concerns about public drinking.

We trust that these measures and clarifications demonstrate our commitment to not negatively impacting the area and align with the objectives of the Licensing Authority. We look forward to working with you to ensure the responsible operation of our premises.

Thank you for your consideration.

Yours faithfully,

Damien

Dear Sir/Madam,

Licensing Act 2003

New premises licence application: Taco Taco, 141 Commercial Street, London, E1 6BJ

The Licensing Authority (acting as a Responsible Authority) is making a representation in relation to the above application.

Special Cumulative Impact Policy for the Brick Lane

This special policy creates a rebuttable presumption that applications for the grant or variation of premises licences or club premises certificates which are likely to add to the existing cumulative impact will normally be refused following the receipt of representations, unless the applicant can demonstrate in the operation schedule that there will be no negative cumulative impacts with one or more of the licensing objectives.

The Council reviewed the Special Cumulative Impact Policy in 2021 and, following consultation, decided it was still of the opinion that the concentration of licensed premises within Brick Lane area was having a cumulative impact on the licensing objectives of crime and disorder and prevention of public nuisance.

The Licensing Authority is of the view that the number, type and density of premises selling/supplying alcohol for consumption on and off the premises and/or the provision of late night refreshment in the Brick Lane is having a cumulative impact on the licensing objectives. Therefore, it is likely that granting further licences would be inconsistent with the authority's duty to promote the licensing objectives. Thus, it has declared a cumulative impact assessment within these areas.

Tower Hamlets Council
Tower Hamlets Town Hall
160 Whitechapel Road
London
E1 1BJ

This Policy will be strictly applied and where relevant representations are received and it is the view of the Council that the application will be refused. Applicants will need to demonstrate that there are exceptional circumstances and that granting their application will not negatively add to the cumulative effect on the Licensing Objectives within the Brick Lane CIA if they wish to rebut this presumption.

The Special Cumulative Impact policy creates a rebuttable presumption that where relevant representations are received by one or more of the responsible authorities and/or other persons against applications (Councillors, Members of the Public) within the CIA zones the application will be refused.

Where representations have been received in respect to applications within the CIA zones the onus is on the applicant to adequately rebut the presumption.

This special policy is not absolute and the Licensing Authority recognises that it has to balance the needs of businesses with local residents. The circumstances of each application will be considered on its merits and the Licensing Authority shall grant applications, when representations are not received. The applicant should demonstrate that the operation of the premises will not add to the cumulative impact on one or more of the following licensing objectives:

- *Prevention of Crime and Disorder;*
- *Prevention of Public Nuisance.*

Therefore, applicants will be expected to comprehensively demonstrate why a new or varied licence will not add to the cumulative impact. They are strongly advised to give consideration to mitigating potential cumulative impact issues when setting out steps they will take to promote the licensing objectives in their operating schedule.

Possible exceptions to the Brick Lane and Bethnal Green Cumulative Impact Assessments

- *Applications for licences for small premises with a capacity of fifty persons or less who only intend to operate within framework hours, and that;*
 - *Only have consumption of food (late night refreshment) and drink (alcohol) on the premises only,*
 - *Only provide Off sales of food (late night refreshment) and drink (alcohol) for delivery (i.e. not for take away),**and,*
 - *Have arrangements to prevent vertical drinking, for example fully seated venues;*
- *Applications for licences that are not alcohol led (e.g. Hairdressers wanting to provide alcohol to clients during their hair cut/treatments),*
- *Applications for licences where the applicant has recently surrendered a licence for another premises of a similar size and providing similar licensable activities in the same CIA Area.*

*Licensing Authority will **not** consider the following as possible exceptions:*

- *that the premises will be well managed and run,*
- *that the premises will be constructed to a high standard,*
- *that the applicant operates similar premises elsewhere without complaint.*

Licensable activities and times

The Licensing Authority has had regard to the Guidance to the Act when determining this policy. The end times set out in the policy are not (and should not be regarded as) the 'usual' or 'normal' terminal hour for licensable activities in the Borough. Instead, the 'framework hours' serve to identify cases where the Licensing Authority will pay particular regard to the likely effect on the local neighbourhood of carrying out the proposed licensable activities during the hours applied for. Applications for hours up to the end of the Framework Hours will not automatically be granted. This policy will be applied only where relevant representations are made. Each case will be considered on its merits.

- Sunday – 06:00 hours to 22:30 hours
- Monday to Thursday – 06:00 hours to 23:30 hours
- Friday and Saturday – 06:00 hours to 00:00 hours (midnight)

Applications in respect of premises licences and club premises certificates to authorise licensable activities outside the framework hours, and in respect of which relevant representations are made, will be decided on their own merits and with particular regard to the following.

- a) The location of the premises and the general character of the area in which the premises are situated. (i.e. does the area include residential or business premises likely to be adversely affected).
- b) The proposed hours during which licensable activities will be take place and the proposed hours during which customers will be permitted to remain on the premises.
- c) The adequacy of the applicant's proposals to address the issues of the prevention of crime and disorder and the prevention of public nuisance.
- d) Where the premises have been previously licensed, the past operation of the premises.
- e) Whether customers have access to public transport when arriving at or leaving the premises at night time and in the early hours of the morning.
- f) The proximity of the premises to other licensed premises in the vicinity and the hours of those other premises.

The Home Office guidance

under Section 182 of the Licensing Act 2003 (8.42) says:

"Applicants are, in particular, expected to obtain sufficient information to enable them to demonstrate, when setting out the steps they propose to take to promote the licensing objectives, that they understand:

- the layout of the local area and physical environment including crime and disorder hotspots, proximity to residential premises and proximity to areas where children may congregate;
- any risk posed to the local area by the applicants' proposed licensable activities; and
- any local initiatives (for example, local crime reduction initiatives or voluntary schemes including local taxi-marshalling schemes, street pastors and other schemes) which may help to mitigate potential risks."

Application

The licensable activities and times applied for are:

The sale of alcohol (on and off sales)
Monday – Sunday 12:00 hours – 21:00 hours

The application states it is for a small grab and go Taqueria (restaurant which sells tacos) to cater for quick Mexican cuisine. There is seating capacity is 18 persons and offering both take-out and dine-in options.

Although the application is within framework hours and with a capacity of less than 50 persons it does not fall entirely within the possible exemptions to the CIA. With persons being able to purchase tacos and alcohol for ‘take away’ this would encourage customers to drink alcohol in the street. The exemption for ‘off sales’ of alcohol relates to delivery only not ‘walk in’ take aways.

There is no explicit reference in the application to the premises being within the CIA although a number of conditions have been offered within the operating schedule. It is also noted that a number of conditions have been agreed with the police. The onus is on the applicant to show there are exceptional circumstances as to why their application should be granted and that it will not have a negative cumulative effect on the area. It is their responsibility to rebut the presumption otherwise the licence should be refused.

On a balance of probability, this Authority is concerned by the addition of another premises selling alcohol, potentially adding to the existing anti-social issues in the area in particular with allowing alcohol to be consumed in the street with a take away. The addition of alcohol could change the dynamic of customers in high spirits on the already saturated area and therefore potentially undermining the licensing objectives.

However, if the Sub-Committee is minded to grant a licence then the Licensing Authority ask that the following additional conditions are attached in addition to the police agreed conditions:

- 1. The supply of alcohol at the premises shall only be to a person seated taking a table meal there and for consumption by such a person as ancillary to their meal.*
- 2. There shall be no “vertical drinking” of alcohol at the premises.*
- 3. All sales of alcohol for consumption off the premises shall be in sealed containers and ancillary to a food order for delivery only.*

Yours faithfully,

Corinne Holland

9.0 **Licensing Officer Comments**

- 9.1 The Business & Planning Act 2020 came into force on Wednesday 22nd July 2020 and provides a temporary permission for businesses that have a premises licence that permits them to sell alcohol in regards to the ability to sell alcohol as an off sale, i.e. for consumption off the premises. The permission will end on 31st March 2025 unless the legislation is changed by the Secretary of State.

It will only apply to businesses that hold a Premises Licence up to 22nd July 2020 and that in the last 3 years preceding 22 July 2020 those licences have NOT:

- had a premises licence application where permission for off sales was refused;
- had a variation of a premises licence seeking permission for off sales refused
- had a variation seeking to exclude off sales permission granted
- had a premises licence varied or modified by a review hearing to exclude off sales.

The new off-sales permission will permit off-sales to be made at a time when the licensed premises are open for the purposes of selling alcohol for consumption on the premises, subject to a cut off time of 11pm or the

cut off time of the current licensed hours stated on the licence, whichever is earlier. Measures also temporarily suspend existing licence conditions in so far as they are inconsistent with the new off-sales permission. Further Guidance on this can be found at <https://www.gov.uk/government/publications/guidance-for-temporary-alcohol-licensing-provisions-in-the-business-and-planning-bill>

- 9.2 In all cases the Members should make their decision on the civil burden of proof, that is “the balance of probability.”
- 9.3 In all cases Members should consider whether or not primary legislation is the appropriate method of regulation and should only consider licence conditions when the circumstances in their view are not already adequately covered elsewhere.
- 9.4 Members must consider all the evidence and then decide from the following alternatives:
- Grant the application as applied for
 - Grant the application with modifications (adjust hours and conditions)
 - Refuse

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Hello

My name is Josh Oldham and I am a resident of [REDACTED]

I wish to oppose/express concerns about the license application recently made for the Widows Son pub, 75 Devons Road, E33PJ

Last time the pub operated we had repeated issues with excessive noise from the pub, particularly regarding the playing of very loud music late into the night. Sometimes this would go on well beyond their closing time - in their last month of operation we even heard it at 5am. However, even when played within their opening hours we found it greatly disturbed our evenings, and our sleep.

We tried to deal with it by speaking to the pub manager and staff on numerous occasions but the response was always dismissive, rude and sometimes vaguely aggressive and argumentative. There was an attitude of "we were here before you" so we had to deal with club-like music.

Under one manager about 3 or 4 years ago, we visited the pub frequently and contributed to it. I don't dislike pubs but this one repeatedly showed no consideration for the neighbourhood and people around it. It's worth noting that this one good pub manager left quite quickly in acrimonious circumstances under concerns and fears about how the pub was operated.

We had trouble last time finding any resolution with the council as well. The noise complaint team were always slow to come out and the system of waiting up an unknown time for people to come into our flat at night when desperately trying to sleep was not practical. We filled out lots of noise diaries but nothing really changed and no action seemed to be taken. Only a week or so before the (unrelated) pub closure did we secure a meeting with us, the council, and the then pub manager. We obviously didn't have time to see if that changed anything, but with the pub reopening after so long we imagine that progress to be lost.

Our mental health was severely impacted at this time, our work suffered, and we looked to move out, viewing four flats in a different borough. As soon as the pub closed, we stopped our search, and have happily remained at the flat.

Our main issue is the noise and music, but we also wish to note that the pub seemingly closed after an armed police raid. We have heard rumours about why and about the pub prior to that, but they could just be rumours as we have never been given any official news about this. We just hope whatever reasons they are are looked into and taken into account when considering the license, and how likely and difficult it has been to challenge the pub. We were sometimes reluctant to have our names/address on public record opposing it, but this time we are willing to to hopefully prevent it having the same impact on us as before. We are ready to involve our MP and whoever else we can and need to if we have similar issues to last time, as it was unbearable.

Thank you for considering this response

Josh Oldham

Dear Tower Hamlets Licensing Team,

I am writing to you as a concerned resident regarding the recent application for a license by The Widow's Son Pub located at Devons Road, Bow, London, E3 3PJ, which directly impacts our community.

As a residents of the area, I am dismayed to learn that the pub has applied for license given its history.

It is important to highlight the troubled history of The Widow's Son Pub. Prior to its closure following an armed police raid in November 2022, the establishment was frequently in breach of its license, leading to disturbances and safety concerns for residents. Instances of police intervention, including the presence of riot vans, were not uncommon. There were multiple lock ins, and it was not uncommon for me to be leaving for work as an NHS nurse at 6am, after no sleep because of the pub, to see that people (including the manager at that time) were still inside drinking alcohol and making noise.

When we confronted the manager on several occasions, he was extremely aggressive, as well as other regular customers intimidating us, for asking them to turn the music down.

The situation deteriorated to such an extent that many of us were actively considering moving away from the area. Despite our attempts to address these concerns with the council, our pleas were continuously ignored, necessitating the involvement of our local Member of Parliament.

We would spend hours on the phone to noise complaints, for them to be unavailable or either refusing to attend the pub, and wanting to come into our flat at inappropriate times.

Once our local Member of Parliament got involved, Tower Hamlets finally engaged with us and we had a meeting.

7th December 2022, where an official agreement was made that "Have agreed every day by 9 PM door will be shut and by 11 PM all live music will be stopped, maintain double glazing, consider installing a sound limiter, Either quarterly or every 6-month pub will invite residents for tea/coffee morning to discuss any issues."

Given this history and the significant impact on our community's safety and well-being, we have serious concerns about the potential consequences of granting a license to The Widows Son Pub.

It also appears that the upstairs and roof are being renovated, potentially to be used as spaces for noisy customers. The pub operated in a highly inappropriate way in a residential setting, acting more like a club than a pub.

We urge the Tower Hamlets Council to reconsider the application for a license and to ensure feedback taken into account before any decision is made.

Thank you for your attention to this matter. I look forward to a prompt and considerate response.

I have cc'd in the mp as I feel tower hamlets has a history of ignoring our worries and concerns and turning a blind eye to clear illegal activity at the Widows Son pub over the years.

I would like to add that I will be escalating any concerns quickly from now on.

Please not publish my name and address on your public records.

Yours sincerely,
Rebecca Oldham.
