1 Introducing the Council's Constitution

1. This Constitution sets out how the Council operates, how decisions are made and the procedures which are followed to ensure that these are efficient, transparent and accountable to local people. Some of these processes are required by the law, while others are a matter for the Council to determine.
2. The Constitution is divided into four parts:
 - Part A – Introduction and Explanations
 - Part B – Responsibility for Functions and Decision-Making Procedures
 - Part C – Codes and Protocols
 - Part D – Supplementary Documents
3. The purpose of the Constitution is to ensure that:
 - The Mayor and Council provide clear and accountable leadership to the community in partnership with citizens, businesses and other organisations;
 - The roles and responsibilities of the executive, non-executive, scrutiny and officer functions are clearly defined and documented, with clear delegation arrangements;
 - Citizens, businesses and other organisations are actively involved in decision making;
 - Citizens are effectively represented by their Mayor and Councillors;
 - The delivery of services to the community is improved;
 - Decisions are taken efficiently, effectively and transparently;
 - Decision-makers are clearly identifiable, that they explain the reasons for their decisions and can be held to public account.
 - The highest standards of conduct of Members and officers of the authority is maintained and that no one will review or scrutinise a decision in which they were directly involved;
 - It provides a comprehensive document explaining how the Council operates, who is responsible for taking decisions and how they will be taken.
4. The Council will exercise all its powers and duties in accordance with the law and this Constitution.

2 How the Council Operates

1. The Council operates the directly elected Mayoral form of Executive. The Council is composed of a Mayor and forty-five Councillors. The Mayor is directly elected by the electors of the Borough, normally for a four-year term of office. The Mayoral election will be held on the same day as the ordinary Council elections, at which Councillors are elected to represent each of the Wards within the Borough every four years. Councillors are democratically accountable to residents of their Ward. The overriding duty of Councillors is to the whole community, but they have a special duty to their constituents, including those who did not vote for them.
2. The Council may also appoint additional 'Co-opted' Members to certain Committees and Sub-Committees. Co-optees are people who are chosen to represent a specific area of interest or issue of consideration. These representatives are not elected members of the Council and are appointed because of their level of knowledge and experience. These co-opted members make a very useful contribution to discussions and help make the correct decisions in relation to important matters.
3. The Mayor, Councillors and Co-optees are together known as 'Members' of the Authority. Members have to agree to follow a Code of Conduct to ensure high standards in the way they undertake their duties. The Council's Standards Advisory Committee is responsible for advising Members on the Code of Conduct and ensuring that they receive training on the requirements of the Code, which they are required to observe in carrying out their duties and responsibilities as Members.
4. The Mayor and all Councillors meet together at Council. Meetings of Council are normally open to the public. Here Councillors decide the Council's overall policies and set the budget each year. Council appoints annually an Overview and Scrutiny Committee, Regulatory Committees, a Standards Advisory Committee, and other statutory, advisory and consultative bodies.
5. The Mayor appoints a Deputy Mayor and (up to nine) Cabinet Members who form the Council's Executive, they are responsible for most day to day decisions. The Mayor and other Executive Members meet together as the 'Cabinet'. The Mayor is responsible for the Council's main executive decision-making powers and the overall delivery of Council services.
6. The other executive decision-making bodies are:
 - the King George's Field Charity Board to administer the affairs of the King George's Field, Mile End charity of which the Council is the sole trustee; and
 - the Grants Determination Sub-Committee.

7. The Executive Scheme of Delegation sets out more detail on the Mayor and Executive functions.
8. The Overview and Scrutiny Committee is established to review or scrutinise decisions of the Executive and conduct reviews into functions which are the responsibility of the Executive. Section 9 of the Constitution sets out an introduction to role of Overview and Scrutiny and links to more detailed sections later in the Constitution.
9. The Overview and Scrutiny procedure rules (Part B, Section 30) set out in more detail how the Committee and its sub-committees operate.

3 How Decisions are Made

Principles of Decision-Making

1. All decisions of the Council will be made in accordance with the following principles:
 - a) proportionality (i.e. the action must be proportionate to the desired outcome);
 - b) due consultation and the taking of professional advice from officers;
 - c) respect for human rights;
 - d) a presumption in favour of openness;
 - e) clarity of aims and desired outcomes;
 - f) take account of all relevant matters;
 - g) discount irrelevant matters; and
 - h) explaining what options were considered and giving the reasons for the decision.

Responsibility for Decision-Making

2. The Council will issue and keep up to date a record of what part of the Council or individual has responsibility for particular types of decisions or decisions relating to particular areas or functions. This record is set out in Part B of this Constitution.
3. The form of the Council's Executive Arrangements is a 'Mayor and Cabinet' model as defined in section 9C of the Local Government Act 2000 (as amended). Therefore, decision-making at the Council is split into the following types:
 - 'Executive'
 - Including 'Executive Key Decisions'
 - 'Non-Executive' functions.

Executive Decision Making

4. The Mayor is responsible for Executive decision-making and is therefore responsible for most day to day decisions. The Mayor can take these decisions at Cabinet, in a Cabinet Sub-Committee or the decisions can be delegated to officers.

5. These decisions must be in line with the Council’s Budget and Policy Framework. If any of these decisions change the Framework then these must be referred to Council.

Executive Key Decisions

6. A “key decision” is an executive decision which is likely to:

- A. result in the local authority incurring expenditure or the making of savings of:

Savings	Where the proposal is expected to result in savings of above £1 Million
Revenue expenditure	Where the proposal involves revenue expenditure of above £1 Million
Capital expenditure	Where the proposal involves capital expenditure of above £5 Million

OR

- B. be significant in terms of its effects on communities living or working in an area comprising two or more wards or electoral divisions.

- i. In considering whether a decision is likely to have a significant impact, the decision maker is to consider the strategic nature of the decision and whether the outcome will have a significant material impact, for better or worse, on the local amenity or wellbeing (including social and environmental impact) of the community or the quality of service provided to a significant number of people living or working in the locality affected.
- ii. When officers consider the impact on the Community they will, for example, consider the effect on specific groups within that Ward (defined by other characteristics such as ‘age’, ‘culture’ etc) where those groups make up a significant proportion of that Ward’s population.
- iii. In determining the meaning of “significant” for the purposes of these paragraphs, regard must be had to any guidance for the time being issued by the Secretary of State in accordance with section 9Q of the Local Government Act 2000.

In addition to the above, officers will also consider the following guidance when determining if an issue should be treated as a Key Decision:

7. A decision to approve, update or amend a policy, strategy, plan, scheme (or similar) will only be a key decision if criteria (A) or (B) above would apply to the implementation of the document once approved, updated or amended.
8. Documents listed in Section 7 under the Budget and Policy Framework, are non-executive decisions reserved to Full Council and therefore cannot be key decisions. However, they are required to be prepared and developed by Cabinet in accordance with the Budget and Policy Framework Procedure Rules at Part B Section 28 of the Constitution.
9. A decision or report in relation to preparation and development of an issue, for example to begin a public consultation exercise, will not normally be a key decision unless criteria (A) or (B) above would also apply to that specific action. Even if the final determination of that issue would result in a Key Decision.
10. A decision not fulfilling the criteria at (A) or (B) above may follow the same process as a key decision if, in the professional opinion of the Chief Executive or the appropriate Corporate Director, it is a matter of particular political sensitivity.
11. A decision which is the same or similar to one taken in the past (for example, the approval of a previous iteration of a plan or strategy), and does not fulfil criteria (A) or (B) above, is not a Key Decision even if the comparable previous decision was identified as a Key Decision.

Taking Key Decisions

12. A decision taker, when making a decision may only take a Key Decision in accordance with the requirements of the Executive Procedure Rules set out in Part B Section 29 of the Constitution.
13. When Key Decisions are to be made, notice of these decisions must be published in advance, in so far as they can be anticipated. If these Key Decisions are to be taken at an Executive meeting (for example Cabinet) this will generally be open for the public to attend, except for restricted agenda items which include, for example, personal, commercially sensitive or confidential matters.
14. The Health and Wellbeing Board is a statutory committee under the provisions of the Health and Social Care Act 2012 but does have certain executive functions and if this Board is making a Key decision then this will be

published in advance. The meeting generally is open for the public to attend, except where restricted matters are being discussed in the same way as for other Executive meetings.

15. Part A, Section 8 provides more detail of Executive Decision Making.

Executive Decision Making by Officers

16. Part B, Section 23 contains the Corporate Scheme of Delegation which must be read in conjunction with the Council-wide Operating Procedures and Directorate Schemes of Delegation published in Part D.

17. These documents set out where Officers have delegated powers to take Executive Decisions. However, the following must always be followed in respect of officer decisions:

- Officers may not take Key Decisions unless there has been a specific delegation by the Executive.
- Any officer decision resulting in (revenue or capital) expenditure or savings of over £250,000 must only be taken following consultation with the Mayor and must be published on the Council's website 'as soon as practicable' (and following any guidance from the Monitoring Officer) after the decision has been taken.

Non-Executive Decision Making

18. The Council has responsibility for all Non-Executive functions and for approving the Budget and Policy Framework. The Council, as a whole, retains responsibility for regulatory functions and has a role in holding the Executive to account.

19. Certain decisions, such as the overall Council Budget, Council tax and the policy framework are reserved to Council. Section 7 sets out more details of how Council operates.

 - Any officer decision resulting in (revenue or capital) expenditure or savings of over £250,000 must be published on the Council's website 'as soon as practicable' (and following any guidance from the Monitoring Officer) after the decision has been taken.

Decision-Making by the Overview and Scrutiny Committee and Scrutiny Panels

24. The Council has established an Overview and Scrutiny Committee whose main responsibility is to review or scrutinise decisions made, or other action taken in connection with the discharge of any functions which are the responsibility of the Executive.
25. The Overview and Scrutiny Committee, and any Scrutiny Sub-Committees it appoints, will follow the Overview and Scrutiny Procedure Rules and relevant parts of the Council Procedure Rules set out in Part B Section 30 of this Constitution which apply to them when considering any matter.
26. Section 9 also sets out a summary about the Overview and Scrutiny Committee.

Decision-Making by Council Bodies Acting as Tribunals

27. The Council, any Members, Committee, Sub-Committee, Panel or an officer acting as a tribunal, or in a quasi-judicial manner, or determining/considering (other than for the purposes of giving advice) the civil rights and obligations or the criminal responsibility of any person, will follow a proper procedure which accords with the requirements of natural justice and the right to a fair trial contained in Article 6 of the European Convention on Human Rights.

8. For these purposes “confidential” and “exempt” are defined in the Access to Information Procedure Rules in Part B Section 27 of the Constitution.

Cessation of Membership

9. A Councillor will cease to be a Member if they resign by giving notice in writing, or if they fail to observe the requirement to attend Council meetings as prescribed by section 85 of the Local Government Act 1972 or if they are disqualified from holding office by virtue of section 80 of the Local Government Act 1972 or any other statutory provision.
10. With regard to the requirement to attend meetings, a Councillor must attend at least one relevant meeting during a period of six (6) months to remain qualified to hold office. A relevant meeting includes Council, the Cabinet, any Committee, Sub Committee or external body to which the Councillor has been formally appointed.
11. If a Councillor believes that there is an exceptional and unavoidable reason why they are unable to attend a relevant meeting during a period of six (6) months or to otherwise perform their proper duties as a Councillor for part or all of the same period, the Councillor concerned may seek a dispensation from the Council by writing to the Chief Executive explaining the reason for their unavoidable absence and the period to which the absence will relate. This will be reported to the Council at its next ordinary meeting. The Council will decide whether or not to grant such an exemption to the attendance requirement and will only do so in exceptional circumstances and with evidence that the absence is unavoidable. An exemption cannot be granted if a particular Councillor’s absence has already exceeded six months.
12. Where a Co-opted Member fails to attend (in person) at least half of the ordinarily scheduled Committee/Sub-Committee meetings in a municipal year, the Committee/Sub-Committee on which they sit will receive a report at its first meeting of the new municipal year allowing it to review any mitigating factors and determine whether any action should be taken (including as a final

19. Similarly, a resolution requires a two-thirds majority of the Members present and voting to rescind a previously made nomination.
20. Awarding the title of Freedom of the Borough does not confer any rights or responsibilities on that individual. The Council may though choose to engage the individual in the civic business of the borough including such events as:
 - Citizenship Ceremonies

21. Under section 249(10), the admission of a person as honorary freedom of the Borough does not carry any right to attend meetings of the Council or its committees or to claim any allowances for attendance at meetings. However, the Council may choose to cover reasonable expenses for attendance at any of the above listed civic events.

The Mayor

In the event that a serving Councillor of the London Borough of Tower Hamlets is elected as Mayor, a vacancy shall be declared in that person's Council seat and a by-election shall be held (if required) in accordance with the relevant legislation.

2. The scrutiny process provides non-executive councillors and co-opted Members with an opportunity to examine the services provided by the council and partner agencies, ask questions on how decisions are made and to consider whether service improvements can be put in place. Members of all political parties can work together in a challenging and constructive way to propose improvements not only to the way the council works, but also to other public services in the local area more generally.

Scrutiny Committees and Sub-Committees

3. Council will appoint an Overview and Scrutiny Committee to discharge the functions conferred by sections 9F to 9FI of the Local Government Act 2000; section 19 of the Police and Justice Act 2006 (local authority scrutiny of crime and disorder matters); or any functions which may be conferred on it by virtue of regulations under section 244(2ZE) of the National Health Service Act 2006 (local authority scrutiny of health matters).

 - Look to enhance community participation in the development of policy options including through petitions to Scrutiny meetings following the rules set out in the Council's Petition Scheme.

Development Control and Licensing

6. Two regulatory Committees often of general interest to the public are those that deal with Development Control and Licensing.
7. **Development Control** – Tower Hamlets Council is a local planning authority for its area (other than parts of Bromley by Bow and Fish Island which currently fall under the London Legacy Development Corporation). Local Planning Authorities must make a Local Plan for their area and make decisions on planning applications for new development that are submitted.
8. The executive Mayor, Cabinet and full Council are responsible for decisions about the Council's Local Plan. Most decisions on planning applications are made by senior planning officers under powers that are delegated to them. Applications for the largest scale developments or those which have attracted significant public interest are determined by one of the Council's two planning committees - the **Development Committee** and the **Strategic Development Committee**. They make decisions in public, in line with policies in the Council's Local Plan and other development plan documents, such as the London Plan. The Committees will hear representations from members of the public who can register to speak in support of, or in objection to, an application. The terms of reference for both committees are set out in Section 19 of the Constitution."

9. The **Licensing Committee** oversees the discharge of all licensing functions of the Council as the Licensing Authority under the Licensing Act 2003 and the Gambling Act 2005 (excluding the Council's Statement of Licensing Policy). The Licensing Committee also reviews licensing fees and charges and oversees the Licensing activities of the Environmental Health and Trading Standards Service.
10. The Licensing Committee also has a responsibility to consider and determine matters under Section 2 of the Schedule 3 to the Local Government (Miscellaneous Provisions) Act 1982 regarding the control of sex establishments within the borough. It also considers and determines matters under the London Local Authorities Act 1991 in respect of premises providing or wishing to provide special treatments within the borough where objections have been received and not withdrawn.
11. The Licensing Committee establishes **Licensing Sub-Committees** to consider Licensing matters under the Licensing Act 2003. The Sub Committees determine applications to grant, vary a license where representations have been made, or where an application to review a licence has been made. The Sub Committee is established to perform the functions of the Licensing Authority with a view to promoting the four licensing objectives:
 - The prevention of public nuisance
 - The prevention of crime and disorder
 - Public safety
 - The protection of children from harm
12. The meetings are an opportunity for councillors to make a decision based on the points of view of all relevant parties.
13. The Licensing Committee and Licensing Sub-Committee Terms of Reference are at Part B Section 19 and the Licensing Code of Conduct is at Part C Section 34.

11 The Standards Advisory Committee and the Code of Conduct for Members

14. The Standards Advisory Committee shall have the power to create sub-committees in order to discharge its advisory role.
15. The Standards Advisory Committee's composition shall be set out in its Terms of Reference. It includes Councillors and Independent Co-opted Members (but may not include the Mayor or more than one Cabinet Member).
16. The Standards Advisory Committee has a set of procedures which govern its arrangements. These are set out Part B Section 19 and Part D Section 54.

Independent Persons

17. The Council has appointed two statutory Independent Persons to assist in dealing with complaints of alleged breach of the Code of Conduct for Members under section 28(7) of the Localism Act 2011. They are not co-opted member of the Standards Advisory Committee but may attend and observe any meeting of the Committee or a sub-committee established by it.

5. Inner North East London Joint Health Overview and Scrutiny Committee

Introduction: 1. Regulation 30 of the Local Authority (Public Health, Health and Wellbeing Boards and Health Scrutiny) Regulations 2013 (Reg 30) ensure that there are sufficient scrutiny procedures and policies in place to cover the cross-Borough wide NHS Sustainability and Transformation Plan (STP).

Membership: The INEL JHOSC will be a committee serviced by the participating local authorities on a two-yearly cycle – the current local authority hosting the INEL JHOSC is the London Borough of Newham in accordance with section 101(5) of the Local Government 1972;

The membership shall be made up of three members from each of the larger participating local authorities and one from the City of London Corporation; making a total of 10 members, with each council's membership being politically proportionate and with non-executive councillors making up the membership.

Substitutions will be accepted if a councillor is not able to attend a meeting of the JHOSC and that councillor has informed the Chair and Scrutiny Officer five working days in advance of the meeting.

Guidance suggests that co-opting people is one method of ensuring involvement of key stakeholders with an interest in, or knowledge of, the issue being scrutinised. This is already a power of overview and scrutiny committees by virtue of the Local Government Act 2000. However, the Guidance also recommends other ways of involving stakeholders by, for example, giving evidence or by acting as advisers to the committee.

A Chair (from the host authority) will be appointed by the JHOSC at the first meeting.

A vice-Chair (from non-host local authorities) will be appointment by the JHOSC at the first meeting. Where agreed, a second vice-Chair may also be nominated to ensure parity across the Membership.

Role: Consider and respond to any health matter which:
Impacts on two or more participating local authorities or on the sub region as a whole, and for which a response has been requested by NHS organisations under Section 244 of the NHS Act 2006; and
All participating local authorities agree to consider as an INEL JHOSC

To collectively review and scrutinise any proposals within the STP that are a substantial development / variation of the NBS or the substantial development / variation of such service where more than one local authority is consulted by the relevant NHS body pursuant to Reg 30;

To collectively consider whether a specific proposal within the STP that's is not a substantial development or variation is only relevant for one authority and therefore should be referred to that local authority's Health Scrutiny Committee for scrutiny;

In the event that a participating local authority considers that it may wish to consider a discretionary matter itself rather than have it dealt with by the joint committee it shall give notice to the other participating councils and the joint committee shall then not take any decision on the discretionary matter (other than a decision which would not affect the council

giving notice) until after the next full Council meeting of the council giving notice in order that the council giving notice may have the opportunity to withdraw delegation of powers in respect of that discretionary matter;

To require the relevant local NHS body to provide information about the proposals under consideration and where appropriate to require the attendance of a representative of the NHS body to answer such questions as appear to it to be necessary for the discharge of its function;

Make reports or recommendations to the relevant health bodies as appropriate and/or the constituent authorities' respective Overview and Scrutiny Committees (OSC) or equivalent;

Each Council to retain the power of referral to the Secretary of State of any proposed "substantial variation" of service, so this power is not solely delegated to the JHOSC.

To review the procedural outcome of consultations referred to in any substantial development / variation, particularly the rationale behind contested proposals;

To undertake in-depth thematic studies in respect of services to which the NHS Trusts contribute and where a study is done on a Trust wide and cross borough basis;

To take account of relevant information available and in particular any relevant information provided by Healthwatch under their power of referral;

To maintain effective links with Healthwatch and other patient representative groups and give consideration to their input throughout the Scrutiny process;

Quorum: The quorum for meetings will be seven members from at least two local authorities. During any meeting if the Chair counts the number of councillors present and declares there is not a quorum present, then the meeting will adjourn immediately. Remaining business will be considered at a time and date fixed by the Chair. If a date is not fixed, the remaining business will be considered at the next meeting.

Decision Making Process

Decisions will be taken by consensus. Where it is not possible to reach a consensus, a decision will be reached by a simple majority of those members present at the meeting. Where there are equal votes the Chair will have the casting vote.

Reporting Arrangements

Prior to the agenda for each meeting of the JHOSC being finalised officers will convene a planning / pre-meeting with the Chairs of the individual HOSC's or their nominee, along with key individuals presenting papers from the NHS and other informal briefings as considered appropriate;

In terms of the JHOSC's conclusions and recommendations the Guidance says that one report has to be produced on behalf of the JHOSC. The final report shall reflect the views of all local authority committees involved in the JHOSC. It will aim to be a consensual report.

In the event there is a failure to agree a consensual report the report will record any minority report recommendations. At least seven members of the JHOSC must support the inclusion of any separate minority report in the committee's final report.

Any report produced by the JHOSC will be submitted to the local authority's council meetings for information.

The NHS body or bodies receiving the report must respond in writing to any requests for responses to the report or recommendations, within 28 days (calendar, not working) of receipt of the request.

In the event that any local authority exercises its right to refer a substantial variation to the Secretary of State, it shall notify the other local authorities of the action it has taken and any subsequent responses.

Frequency and Administration

To constitute and meet as a Committee as and when participant boroughs agree to do so subject to the statutory public meeting notice period;

Meetings will usually be led by each authority rotating on a two-yearly basis with the Chair being a councillor from the current lead local authority;

The lead authority will be responsible for the servicing of the JHOSC. Suitable officer resources (Legal, Democratic) will be provided to meet the requirements of the committee. This includes (but is not restricted to):

1. providing legal advice;
2. liaising with health colleagues ahead of the meeting;
3. updating action sheets from previous meetings;
4. producing agenda papers and co-ordinating public forum;
5. creating formal minutes and actions sheets;

If there is a specific reason, for example, if the issue to be discussed relates to a proposal specific to the locality of one Local Authority area the meeting venue can change to a more appropriate venue. The lead Local Authority would remain the same, even if the venue changes;

Any changes to the host authority must be agreed by the committee;

Agenda and supporting papers to be circulated and made publicly available at least five working days before the meeting;

Actions to be circulated to those with actions as soon as possible after the meeting – no later than 48hrs following the meeting;

Minutes of the meeting to be circulated within 10 working days of the meeting;

Meetings to be held in public, with specific time allocated for public questions;

Petitions, Statements and Questions

Members of the public and members of council, provided they give notice in writing or by electronic mail to the proper officer of the host authority (and include their name and address and details of the wording of the petition, and in the case of a statement or question a copy of the submission), by no later than 12 noon ONE WORKING DAY BEFORE the meeting, may present a petition, submit a statement or ask a question at meetings of the JHOSC. The petition, statement or question must relate to the terms of reference and role and responsibility of the committee;

The total time allowed for dealing with petitions, statements and questions at each meeting is thirty minutes;

Statements and written questions, provided they are of reasonable length, will be copied and circulated to all members and will be made available to the public at the meeting;

There will be no debate in relation to any petitions, statements and questions raised at the meeting but the committee will resolve;

1. “that the petition / statement be noted”; or
2. if the content relates to a matter on the agenda for the meeting: “that the contents of the petition / statement be considered when the item is debated”;

Response to Questions

Questions will be directed to the appropriate Director or organisation to provide a written response directly to the questioner. Appropriately redacted copies of responses will be published on the host authority’s website within 28 days.

Details of the questions and answers will be included on the following meeting’s agenda.

Principles of Effective Scrutiny

Scrutiny undertaken through the JHOSC will be focused on improving the health and health services for residents in areas served by the JHOSC through the provision and commissioning of NHS services for those residents;

Improving health and health services through scrutiny will be open and transparent to Members of the Local Authority, health organisations and members of the public.

All Members, officers, members of the public and patient representatives involved in improving health and health services through scrutiny will be treated with courtesy and respect at all times.

Improving health and health services through scrutiny is most likely to be achieved through co-operation and collaboration between representatives of the various Local Councils, NHS Trusts, representatives of Healthwatch and the Clinical Commissioning Groups commissioning hospital services;

Co-operation and joint working will be developed over time through mutual trust and respect with the objective of improving health and health services for local people through effective scrutiny.

All agencies will be committed to working together in mutual co-operation to share knowledge and deal with requests for information and reports for the JHOSC within the time scales set down.

The JHOSC will give reasonable notice of requests for information, reports and attendance at meetings.

The JHOSC, whilst working within a framework of collaboration, mutual trust and co-operation, will always operate independently of the NHS and have the authority to hold views independent of other Members of representative Councils and their Executives;

The independence of the JHOSC must not be compromised by its Members, by other Members of the Council or any of the Councils' Executives, or by any other organisation it works with;

Those involved in improving health and health services through scrutiny will always declare any particular interest that they may have in particular pieces of work or investigation being undertaken by the JHOSC and thus may withdraw from the meeting as they consider appropriate;

The JHOSC will not to take up and scrutinise individual concerns or individual complaints.

Where a wider principle has been highlighted through such a complaint or concern, the JHOSC should consider if further scrutiny is required. In such circumstances it is the principle and not the individual concern that will be subject to scrutiny.

- 16.2** Unless this Constitution (or the law) provides otherwise, any matter will be decided by simple majority of the Mayor and Councillors present.

- 16.3** If there are equal numbers of votes for and against, the Speaker will have a second or casting vote. There will be no restriction on how the Speaker chooses to exercise a casting vote.

- 16.4** Unless a recorded vote is demanded the Speaker will take the vote by a show of hands, or any other of voting method that has been introduced. If there is no dissent this can be by simple affirmation of the meeting. A recorded vote must be requested before a vote is taken.

- 16.5** If 20 Members of Council present at the meeting request it the names for and against the motion or amendment or abstaining from voting will be taken down in writing and entered into the minutes.

- 16.6** In relation to any debate at a Budget Council Meeting on the authority's budget and level of the Council Tax to be levied for each financial year, a recorded vote shall take place on any amendment that is put to the vote during that debate and on the substantive motion. Such votes to be undertaken in accordance with Procedure Rule 16.4.

- 16.7** Where any Members of Council requests it immediately after a vote, their vote will be so recorded in the minutes to show whether they voted for or against the motion or abstained from voting.

16.8 If more nominations are made than there are positions available, the meeting will vote in turn on each nomination separately, in the order in which they were nominated, until the vacant position(s) are filled. Before any vote is taken the Speaker of the Council or person presiding shall establish that each candidate nominated, if present, is willing to stand.

17. PETITIONS

17.1 The Council has adopted a Petition Scheme and which is attached at Appendix 1. All Petitions are considered in accordance with that Scheme.

18. STANDARDS ADVISORY COMMITTEE REPORTS

20.2 If a Councillor persistently disregards the ruling of the Speaker, or behaves inappropriately, offensively, or is deliberately obstructing business, the Councillor will be provided with a warning by the Speaker. If the Councillor continues to behave in any such manner, the Speaker, in consultation with the Chief Executive and the Monitoring Officer, has the authority to order the Councillor in question to leave the meeting.

21. DISTURBANCE BY PUBLIC

21.1 If a member of the Public interrupts proceedings or is otherwise causing an annoyance, the Speaker of the Council will warn the person concerned and, if the interruption continues, will order the person's leave the Council Chamber. 22.1 Members of the public are permitted to film, audio record, take photographs or make use of social media (tweet/blog) at Council and Committee meetings provided that this

does not disturb the business of the meeting. If a person wishes to film a particular meeting, please liaise with the Council Officer listed on the front of the Agenda prior to the start of the meeting so that the Speaker or Chair is aware and those attending the meeting can be made aware of any filming taking place.

22.2 Filming is to be limited to the formal meeting area and must not extend to those in the public seating area.

22.3 The filming etc. must be done in such a way that does not cause a breach of health and safety or cause an annoyance. There may also be occasions where those filming may be asked not to film particular individuals where it is considered that there is good reason not to do so and which could allow the meeting to remain open to the press and public. The Speaker/Chair will make the final decision on all matters of dispute in regard to the use of social media audio-recording, photography and filming in the meeting.

22.4 The Council has published a Filming Protocol in Part D Section 56 of this Constitution.

23.3 Regulations require that decision-making Members of the Council or Committee are physically present in the meeting location. Key officers must also attend in person.

23.4 Where technology is available other officers may attend remotely. Public/other participants are encouraged to attend in person but it is their choice and they can attend remotely should they so wish. However, technical problems are the responsibility of the participant and the meeting may have to proceed without their contribution if the connection fails.

23.5 Where a meeting suffers technical problems it is for the Chair, following consultation with officers, to determine where:

Appendix to the Council Procedure Rules

LONDON BOROUGH OF TOWER HAMLETS

PETITION SCHEME

1. SUBMITTING A PETITION TO THE COUNCIL

Tower Hamlets Council welcomes petitions and recognises that petitions are one way in which people can let us know their concerns. We will treat something as a petition if it is identified as being a petition, or if it seems to us that it is intended to be a petition.

Paper petitions are those prepared in the traditional way: a petition organiser creates a paper document that includes a proposed action. Residents physically write their name, address and signature on this document to show their support of the proposed action.

To help you organise paper petition, the Council has prepared a template that is attached as Appendix 3.

Paper petitions can be sent to the Democratic Services Team on the details provided at Section 7 of this Scheme.

e-Petitions are created, signed, and submitted entirely online. The petition organiser uses a website to create their petition and residents can electronically add their name via the website to show their support of the action the petition organiser proposes.

It is recommended that e-petitions are created via the Council's e-petition facility www.towerhamlets.gov.uk/petition. e-petitions created or submitted through third party websites may be accepted if they comply with the provisions of this scheme.

There are no set rules as to how long you can collect signatures for a petition. It is up to you as petition organisers to determine when to close your petition and submit it to the Council. However, the Council will not normally host live petitions on its own ePetitions site for longer than six months.

2. GUIDELINES FOR SUBMITTING A PETITION

Petitions submitted to the Council must include:

- A clear and concise statement covering the subject of the petition. This should state what action the petitioners wish the Council to take.
- The names and signatures of each person supporting the petition, together with the full addresses (including postcode) at which they live, work or study in Tower Hamlets.
 - For Paper Petitions (see definition above) the original signed sheets must be submitted (scans/copies will not be accepted).

- Contact details, including an address, for the petition organiser. This is the person we will contact to explain how we will respond to the petition. The contact details of the petition organiser will not be published.
- If the petition does not identify a petition organiser, we will contact the first listed signatory to the petition to agree who should act as the petition organiser.

Scope of Petition

The Monitoring Officer will review all petitions before they are accepted / actioned. Petitions may be rejected if it:

1. is not about a matter for which the local authority has a responsibility or which affects the borough;
2. is defamatory, frivolous; offensive; vexatious, abusive or otherwise inappropriate;
3. is substantially the same as a petition which has been put at a meeting of the Council in the past 6 months;
4. requires the disclosure of confidential or exempt information; or
5. seeks to pursue or further a complaint against the Council, where other channels already exist for the determination of complaints.
6. Is otherwise unsuitable.

The Monitoring Officer will also consider any request received for the petition to be dealt with in a particular way (e.g. for submission to a particular Committee or to Council). Subject to the guidance within this Petition Scheme, the Monitoring Officer has absolute discretion on how the Council will deal with any petition received and may recommend an alternative course of action to that requested.

In addition, there are some circumstances where petitions will not be dealt with under this Scheme. These include any matters relating to planning or licensing applications; where a separate consultation process is active; or any other circumstances which, in the opinion of the Monitoring Officer would mean the petitions would be better dealt with using a different Council procedure.

The Council may seek to verify the authenticity of each entry on a petition by reference to existing information such as (where appropriate) the current electoral register or other relevant records. Entries which cannot be verified may not be counted for the purposes of determining whether a petition has exceeded a threshold set out in this scheme.

In the period immediately before an election or referendum, when certain legal restrictions apply, we may need to deal with your petition differently – if this is the case we will explain the reasons and discuss the revised timescale which will apply.

If a petition does not follow the guidelines set out above, the Council may decide not to do anything further with it. In that case, we will write to you to explain the reasons.

Signing a Petition

School Children

The Council welcomes petitions created and signed by school children and university students. It may be appropriate for young people to give the name of their school, college rather than home address when signing a petition.

Council Officers

Petitioners are asked not to ask council officers to sign their petitions in relation to their service area. It is contrary to the Member / Officer Protocol for officers to lobby Councillors in respect of their specific service.

3. ACTION BY THE COUNCIL ON RECEIPT OF A PETITION

An acknowledgement will be sent to the petition organiser within 10 working days of us receiving the petition. This will let them know what we plan to do with the petition and when they can expect to receive a formal response to it. If the petition needs more investigation, we will tell the petition organiser the steps we plan to take.

If we can do what the petition asks for, the acknowledgement may confirm that we have taken the action requested and the petition will be closed.

Petitions will receive a formal response from the relevant Corporate Director within 28 days of receipt. This will usually be the quickest way of addressing the issue.

If however, the petition meets the requirements to be presented/debated at a meeting of Councillors under the provisions of Section 4 of this scheme, the petition will receive a formal response within 28 days from the meeting. If you request this option, the relevant Corporate Director may still write to you. You may choose not to proceed with presentation at a meeting if you feel their response resolves the matter.

The acknowledgment will confirm when and how your response will be sent and tell you when and where the meeting will take place (if applicable and if known at that stage).

To ensure that people know what we are doing in response to the petitions we receive, the details of all petitions submitted to the Council will be published on our website, except in cases where this would be inappropriate. Whenever possible we will also publish all correspondence relating to the petition (all personal details will be removed).

4. PRESENTATION OF A PETITION TO ELECTED COUNCILLORS

Subject to your petition containing sufficient signatures as set out below, you may request to present the petition to a meeting of Councillors. There are several ways in which this can be done.

(a) Presentation to a meeting of the Council, Cabinet or relevant committee

If your petition includes the names, addresses and signatures of 30 persons who live, work or study in the borough it can be presented at an ordinary meeting of the Council or to a Council Committee.

The procedure for presenting a petition at full Council or Committee meetings is included in Appendix 1 of this scheme.

Separate to the above provision, the Mayor has agreed a scheme for public engagement at executive meetings (the Cabinet and Cabinet sub-committees), which provides a number of different ways that members of the public can make submissions relating to items on the agenda. The Cabinet public engagement scheme is set out at Appendix 2 of this Scheme.

(b) Debate at a Council Meeting

If your petition includes the names, addresses and signatures of 2,000 persons who live, work or study in the borough, you may request that a debate be held about the petition at a full Council meeting.

The procedure for debating a petition at full Council meetings is included in Appendix 1 of this scheme.

(c) Officer evidence to the Overview and Scrutiny Committee

If your petition includes the names, addresses and signatures of at least 1,000 persons who live, work or study in the borough, you may request that a relevant senior officer give evidence at a public meeting of the Council's Overview and Scrutiny Committee. For example, you may request that a senior officer explain progress on an issue, or the advice given to councillors to enable them to make a particular decision. The senior officers who may be called to give evidence under this procedure include the Head of the Paid Service (Chief Executive) and any of the Council's statutory or non-statutory Chief Officers (Corporate Directors).

You should be aware that the Overview and Scrutiny Committee may decide that it would be more appropriate for another officer to give evidence instead of any officer named in the petition – for instance if the named officer has changed jobs. The Committee will also call the relevant Executive Councillor(s) to attend the meeting. Committee members will ask the questions at this meeting, but you will be able to suggest questions to the Chair of the Committee by contacting the Democratic Services team (see Section 7) up to three working days before the meeting.

General guidance on requesting your petition be presented or debated

If you would like your petition to be presented/debated at a meeting, you must submit (1) the petition; (2) a request to present or debate the petition; and (3) any request for

additional assistance such as an interpreter, to the Democratic Services Team (see Section 7) by noon, 9 clear working days (not including the day notice is given or the day of the meeting) before the relevant meeting. However, please note that there is likely to be a maximum number of petitions presented at any one meeting and these slots are normally allocated in order of receipt, so early submission is advised.

When determining whether a petition has met or exceeded a threshold set out in this scheme, the Council will only count signatories for which a local connection (i.e. that the signatory either lives, works or studies in Tower Hamlets) can be evidenced from the information supplied. There is a risk that petitions created and/or submitted via third party e-petition websites may not satisfy this criterion so it is strongly recommended that e-petitions are created via the Council's own e-petition facility
www.towerhamlets.gov.uk/petition

Similar petitions: In the event that 2 or more petitions which are substantially the same are received from different petition organisers, the Monitoring Officer may aggregate the number of valid signatures in each petition for the purpose of determining whether the threshold to trigger a Council debate of the matters raised has been reached if that is the wish of the petition organisers.

5. PETITIONS ON NON-COUNCIL FUNCTIONS

If your petition is about something over which the Council has no direct control (for example the local railway or hospital) it is unlikely you will be able to present it to a Council meeting, but we will consider making representations on behalf of the community to the relevant body. The council works with a large number of local partners and where possible may liaise with these partners to respond to your petition. If we are not able to do this for any reason (for example if what the petition calls for conflicts with Council policy), then we will set out the reasons for this to you.

If your petition is about something that a different authority is responsible for we will give consideration to what the best method is for responding to it. This might consist of simply forwarding the petition to the other authority, but could involve other steps. In any event we will notify you of the action we have taken.

You can find more information on the services for which the Council is responsible on our website. www.towerhamlets.gov.uk

In all cases we will provide the written response as set out in Section 3.

6. IF YOU ARE NOT SATISFIED WITH THE COUNCIL'S RESPONSE

If you feel that we have not dealt with your petition properly you may make a complaint under the Council's complaints procedure.

Petition Scheme Appendix 1

PROCEDURE FOR HEARING PETITIONS AT MEETINGS OF THE FULL COUNCIL

Agenda order: All petitions received within the deadline (see Section 4 of the Petition Scheme) will be listed on the Council agenda.

The agenda will list 4 petitions as 'to be heard', which will be listed in order of receipt, except that petitions for debate will take precedence. Any petitions listed as 'to be heard' for which the person(s) listed to present are absent, will be noted (see below).

All remaining petitions will be listed as 'to be noted'. These petitions will not be heard and the Speaker will state where they will go for a full response.

Petition presentation procedure (for petitions of between 30 and 1,999 signatures)

1. Up to 3 seats in the public gallery will be reserved for the person(s) presenting each petition. The person(s) presenting the petition must live, work or study within the borough. Unless prior agreement from the Speaker of the Council has been obtained, the person(s) presenting the petition cannot include an elected Member of the Council.
2. The person(s) presenting each petition will be invited to speak for up to 3 minutes in total in support of the petition. Additional time will be allowed if an interpreter is used. In this case the interpreter must not use the additional time to introduce new information.
3. Councillors may then ask the petitioners questions for a further 4 minutes;
4. The speaker will invite the Mayor or (at the Mayor's discretion) the relevant Lead Member or Committee Chair to respond to the matters raised for up to 2 minutes.
5. The petition will be referred to the relevant Corporate Director who will respond in writing within 28 days from the date of the meeting.

Petition debate procedure (for petitions in excess of 2,000 signatures):

1. Up to 3 seats in the public gallery will be reserved for the person(s) presenting each petition. The person(s) presenting the petition must live, work or study within the borough.
2. The person(s) presenting each petition will be invited to speak for up to 3 minutes in total in support of the petition. Additional time will be allowed if an interpreter is used. In this case the interpreter must not use the additional time to introduce new information.
3. Councillors may then ask the petitioners questions for a further 4 minutes.

4. The petition will then be debated by Councillors for a maximum of 15 minutes. All speeches are limited to a maximum of 3 minutes. During his or her speech, any Councillor may move a motion for the Council's consideration relevant to matters in the petition (this does not require the suspension of the Council Procedure Rules).
5. Following the debate, the speaker will invite the Mayor or (at the Mayor's discretion) the relevant Lead Member or Committee Chair to respond to the matters raised, for up to 3 minutes.
6. Following the petition debate, any motions moved will be put to the vote in the order they were tabled.
7. If no motion is agreed, the petition will stand referred to the relevant Corporate Director for a written response within 28 days of the meeting.

General guidance on petition hearings at Council meetings

Executive functions: In relation to executive functions, the Council does not have powers to override any executive decision of the Mayor or substitute its own decision. The Council may however pass a motion expressing a view on the matter or referring the matter to the Mayor, calling on him/her to take some action, or consider or reconsider a decision, with recommendations to inform that consideration. Officers will advise on the constitutional validity of any motion that may be moved.

Limitation. An individual or group may not submit a petition to a meeting of the Council if that individual or group has previously submitted a petition to either of the previous 2 Council meetings.

Presentation of Petitions at Non-Executive Committee Meetings (including Overview and Scrutiny Committees)

Petitions can also be presented to any Non-Executive Committee meeting providing it is on a subject matter that is within that Committee's Terms of Reference.

Some Committees will have specific procedures for dealing with petitions and those must be followed where they exist. In any other case the petition will be dealt with at the next appropriate Committee meeting. If no other procedures are in place or agreed then the petition will be heard in the same manner as at Council (3 minute presentation, 4 minutes of questions from Members, 2 minutes for a response). The response may come from a Member or officer as appropriate. If the petition relates to an item on the agenda, it will be considered during the discussion of that particular agenda item.

Petitions presented by young people

The Council welcomes petitions presented by young people including school children. Whilst the standard meeting procedures will be followed where possible, the Chair of the meeting shall have the discretion to vary the procedures to ensure the young people are properly able to represent themselves at the meeting.

Petition Scheme Appendix 2

PROCEDURE FOR HEARING PETITIONS AT MEETINGS OF THE CABINET

The procedure for hearing petitions at meetings of the Cabinet is contained in the Executive Procedure Rules at Section 30 of the Council's Constitution. The relevant provision is replicated below:

Public Engagement at Cabinet

Whilst the main focus of Cabinet is as a decision-making body, there is an opportunity for the public to contribute through making submissions that specifically relate to the reports that are set out on the agenda. Members of the public may therefore make written submissions in any form (for example; Petitions, letters, written questions) and which are to be submitted to the Clerk to Cabinet (whose details are on the Cabinet agenda front sheet) by 5 pm the day before the meeting. The consideration of such written submissions will be at the discretion of whosoever presides at the meeting.

SUMMARY

Only Council can agree the Authority's budget for the year and the specified plans and strategies that are included in the Budget and Policy Framework. The Mayor and Executive will make proposals to Council in relation to the budget and those plans and strategies, for adoption by Council. If Council does not agree with those proposals of the Mayor/ Executive, a dispute resolution process as set out in section 2 below (but summarised here) applies:-

Where Council wishes to amend the Executive's proposals it may, by a majority vote, send the budget, plan or strategy back to the Executive, who must consider whether or not to make any amendments before re-submitting the item to Council.

When the item is re-submitted, if Council still wishes to amend the proposals, it can do so providing there are at least two-thirds of the Councillors present and voting at the meeting in favour of the amendment(s). Where a two-thirds majority in favour of Council's amendment(s) is not achieved, then the Executive's proposals stand agreed and shall be deemed to be adopted by the Authority.

1. THE FRAMEWORK FOR EXECUTIVE DECISIONS

1.1 Council will be responsible for the adoption of its budget and policy framework as set out in Section 28. In relation to the budget and the plans and strategies listed in Section 7:-

- (a) The adoption or approval of the plan or strategy is the responsibility of Council;
- (b) The Mayor as the Executive has responsibility for preparing the draft plan or strategy for submission to Council; and
- (c) If Council wishes to amend the Mayor's proposals in relation to the items included in the Budget and Policy Framework only, the Local Authorities (Standing Orders) (England) Regulations 2001 sets out the dispute resolution procedure to be followed. Council must inform the Mayor of any objections which it has to his proposals (i.e. the amendments it wishes to agree) and must give the Mayor at least five working days, starting on the day following the meeting, to reconsider his proposals and re-submit them (amended or not, with reasons) to a further Council meeting. If at this further meeting Council still wishes to amend the Mayor's revised proposals, such a decision requires a two-thirds majority of the Members present and voting. If no valid amendment at the further meeting receives two-thirds support, the Mayor's proposals are deemed adopted in accordance with the regulations.
- (d) Once a budget or a policy framework document has been agreed, it is the responsibility of the Mayor, the Executive and officers to implement it.

2. PROCESS FOR DEVELOPING THE FRAMEWORK

2.1 The process by which the budget and policy framework shall be developed is:

- (b) The Chair of Overview and Scrutiny Committee will be notified of proposals referred to in Rule 2.1.(a) and which shall be referred to Overview and Scrutiny Committee.
- (c) For the purposes of these Procedure Rules the consultation in each instance shall be in line with the Council's normal consultation time periods except where there is an urgent need to reduce the consultation period. The period for Overview and Scrutiny Committee to respond to consultation shall be not less than ten clear working days unless the Executive considers that there are special factors that make this timescale inappropriate. If it does, it will inform the Overview and Scrutiny Committee of the time for response when the proposals are referred to it.

- (d) At the end of the consultation period, having taken account of the responses received to the consultation and the views of the Overview and Scrutiny Committee, the Executive will submit recommendations to Council.
- (e) Council will consider the proposals of the Executive and may adopt them, amend them, refer them back to the Executive for further consideration or substitute its own proposals in their place.
- (f) If Council adopts the Executive's proposals without amendment, the decision shall become effective immediately. However, if, having considered a draft plan or strategy, it has any objections to it Council must take the action set out in 2.1(g).

- (h) Where Council requires reconsideration in accordance with 2.1(g) above, it must specify a period of at least five working days beginning on the day after the date on which the requirement is made within which the Mayor may:

If the specified period would prohibit Council from making determinations under Rule 2.1(i) within the statutory deadline for the setting of Council Tax, Council may specify such lesser period as is necessary to ensure compliance.

- (i) Subject to Rule 2.1(j), when the period specified by Council, referred to in Rule 2.1(h), has expired Council must, when:

POLICY REVIEW AND DEVELOPMENT

32. The role of the Overview and Scrutiny Committee in relation to the development of the Council's budget and policy framework is set out in detail in the Budget and Policy Framework Procedure Rules (see Part B Section 28 of the Constitution). A summary is set out below:
 - (i) Assist the Council and the Executive in the development of its budget and policy framework by in depth analysis of policy issues.

 - (v) Liaise with other external organisations operating in the area, whether national, regional or local, to ensure that the interests of local people are enhanced by collaborative working.
33. In relation to the development of the Council's approach to other matters not forming part of its policy and budget framework, the Overview and Scrutiny

Committee may make proposals to the Mayor or Executive for developments in so far as they relate to matters within its terms of reference.

34. The Overview and Scrutiny Committee or any Scrutiny Sub-Committee established for this purpose may hold enquiries and investigate the available options for future direction in policy development and may appoint advisers and assessors to assist them in this process. They may go on site visits, conduct public surveys, hold public meetings, commission research and do all other things that they reasonably consider necessary to inform their deliberations. They may ask witnesses to attend to address them on any matter under consideration and may pay to any advisers, assessors and witnesses a reasonable fee and expenses for doing so.

REPORTS FROM OVERVIEW AND SCRUTINY

35. The Overview and Scrutiny Committee will report to Council, Cabinet or the Mayor or appropriate Cabinet Member and make recommendations as appropriate. All reports from Scrutiny Sub-Committees will be agreed by the relevant sub-committee and the Chair of that Committee will provide an update at the next meeting of the Overview and Scrutiny Committee. If the report cannot be agreed by the Sub-Committee, or if there are not any meetings of Sub-Committee, and in other exceptional circumstances, the report can be agreed by the Overview and Scrutiny Committee. Once it has formed recommendations on proposals for development, the Overview and Scrutiny Committee will prepare a formal report and submit it to the Executive Mayor and relevant Cabinet Member and Senior Officers for consideration and a formal response (if the proposals are consistent with the existing budgetary and policy framework) or to Council as appropriate (e.g. if the recommendation would require a departure from or a change to the agreed budget and policy framework).
36. The Executive shall consider the report of the Overview and Scrutiny Committee and/or Sub-Committee at one of its future meetings setting out its response to any recommendations. The Council will consider the report at its next ordinary meeting if appropriate.

SCRUTINY REVIEW GROUPS

37. The following rules apply to reports prepared by Scrutiny Review Groups replacing the general rules set out above. The Overview and Scrutiny Committee or its Sub-Committee may set up a 'Review Group' to examine a particular service or issue. The Review Group will comprise Scrutiny Members and internal and external experts as required. At the conclusion of its work the Review Group will report back to its parent Committee/Sub-Committee with its findings and recommendations.
38. The parent Committee/Sub-Committee will then consider those findings and recommendations. It may, should it wish then refer those recommendations to the Mayor and Executive or the Council for a response.

39. If, following consultation with the Mayor and Executive, officers are in agreement with the proposed recommendations set out, then the report shall be accepted by the relevant Corporate Director under delegated authority. This determination must take place within one month of receipt of the report.
40. If no decision under 38 is taken, there is a challenge to the recommendations, or the Mayor and Executive specifically wish to comment on the report, then the Executive shall consider the report of the Overview and Scrutiny Committee at one of its future meetings following submission of the report. The Council will consider the report at its next ordinary meeting if appropriate.

MAKING SURE THAT OVERVIEW AND SCRUTINY REPORTS ARE CONSIDERED BY THE EXECUTIVE

41. Once the Overview and Scrutiny Committee has completed its deliberations on any matter it will forward a copy of its final report to the Statutory Scrutiny Officer who will allocate it to either the Executive or the Council for consideration in accordance with the Local Authorities (Functions and Responsibilities) Regulations 2000 (as amended) and the Local Authorities (arrangements for the Discharge of Functions) Regulations 2000.
42. If the Statutory Scrutiny Officer, following consultation with the Monitoring Officer, refers the matter to Council, they may first refer it to the Mayor or Executive, who will have two weeks in which to consider the Overview and Scrutiny report and formulate any additional comments or recommendations.
43. For the avoidance of doubt, the Mayor or Executive shall not alter or amend any Overview and Scrutiny Committee report before referring it to Council, but shall only make additional comments or recommendations (including any corporate, financial or legal implications) as may be appropriate. However, if Council does not agree with the Mayor's or Executive's recommendations, the disputes resolution procedure in Rule 2 of the Budget and Policy Framework Procedure Rules (see Section 28 of the Constitution) will apply.
44. If the contents of the report would not have implications for the Council's budget and policy framework, and is thus not referred to Council by the Monitoring Officer, the Mayor or Executive will have two weeks in which to consider the matter and respond to the overview and scrutiny report.
45. Where the Overview and Scrutiny Committee makes a report or recommendations to the authority or the Mayor or Executive in accordance with section 21B of the Local Government Act 2000 as amended, the Committee shall by notice in writing require the authority or Mayor or Executive:-
 - (a) to consider the report or recommendations;
 - (b) to respond to the Overview and Scrutiny Committee indicating what (if any) action the authority propose, or the Mayor or Executive proposes, to take;
 - (c) if the Overview and Scrutiny Committee has published the report or recommendations, to publish the response,

(d) if the Overview and Scrutiny Committee provided a copy of the report or recommendations to a Member of the Authority under paragraph 9.4 of these Procedure Rules then it is to provide that Member with a copy of the response, and to do so within two months beginning with the date on which the authority or Mayor or Executive received the report or recommendations or (if later) the notice.

46. It is the duty of the authority or Mayor or Executive to which a notice is given under 45 above to comply with the requirements specified in the notice.

RIGHTS OF COMMITTEE MEMBERS TO DOCUMENTS

47. In addition to their rights as Councillors, Members of the Overview and Scrutiny Committee or a Scrutiny Sub-Committee have such additional rights to documents, and to notice of meetings as may be set out in the Access to Information Procedure Rules (see Part B Section 27 of the Constitution).

48. Nothing in this paragraph prevents more detailed liaison between the Executive and the Overview and Scrutiny Committee as appropriate depending on the particular matter under consideration.

MEMBERS AND OFFICERS GIVING ACCOUNT

49. The Overview and Scrutiny Committee may scrutinise and review decisions made or actions taken in connection with the discharge of any Council function. As well as reviewing documentation, in fulfilling their role, they may require the Mayor, any other Member of the Executive, a Councillor, the Head of Paid Service and/or any senior officer to attend before it to explain in relation to matters within their remit:

- (a) any particular decision or series of decisions;
- (b) the extent to which the actions taken implement Council policy; and/or
- (c) their performance, within their area of responsibility; and it is the duty of those persons to attend as so required.
- (d) any function exercisable by a Councillor in accordance with any delegation made by the Council under section 236 of the Local Government and Public Involvement in Health Act 2007.

50. Where the Mayor, any Member or officer is required to attend the Overview and Scrutiny Committee or a Scrutiny Sub-Committee under this provision, the Chair of the Committee or Sub-Committee will inform the Chief Executive. The Chief Executive shall inform the Mayor, Member or officer in writing giving at least fifteen working days' notice of the meeting at which they are required to attend. The notice will state the nature of the item on which they are required to attend to give account and whether any papers are required to be produced for the Committee or Sub-Committee. Where the account to be given to the Committee will require the production of a report, then the Mayor, Member or

officer concerned will be given sufficient notice to allow for preparation of that documentation.

51. Where, in exceptional circumstances, the Mayor, Member or officer is unable to attend on the required date, then the Committee or Sub-Committee shall in consultation with the Mayor, Member or officer arrange an alternative date for attendance, to take place within a maximum of twenty-one working days from the date of the original request.
52. Except in exceptional circumstances, any failure by the Mayor or Member to attend the Committee or Sub-Committee will be considered a breach of the Code of Conduct for Members and investigated accordingly. Any failure by an Officer to attend will be dealt with under the appropriate disciplinary procedure.

ATTENDANCE BY OTHERS

53. The Overview and Scrutiny Committee or a Scrutiny Sub-Committee may invite people other than those people referred to in 'Members and Officers Giving Account' above to address it, discuss issues of local concern and/or answer questions. It may for example wish to hear from residents, stakeholders and Members and officers in other parts of the public sector and shall invite such people to attend.

CALL-IN

54. When a decision is made by the Mayor, the Cabinet, an individual Member of the Executive, a Committee of the Executive, or a key decision is made by an officer with delegated authority or under joint arrangements, the decision shall be published on the Council's website. Members of the Overview and Scrutiny Committee will be sent an alert when all such decisions within the same timescale, by the person responsible for publishing the decision.
55. The decision publication and call-in deadlines are all published in advance on the Council's website. Decisions will come into force, and may then be implemented at 5pm on the fifth clear working day, after the publication of the decision unless, after receiving a written request to do so, the Monitoring Officer calls the decision in.
56. During that period, the Monitoring Officer shall call-in a decision for scrutiny by the Overview and Scrutiny Committee if so requested by:
 - (a) Not fewer than five Members of the Council; or
 - (b) Two voting church, faith or parent governor representative in respect of any education matters only;
 - (c) The request for a call-in must give reasons in writing and outline an alternative course of action. In particular, the request must state whether or not those Members believe that the decision is outside the policy or budget framework.

57. The Monitoring Officer shall call-in a decision within twenty-four hours of receiving a written request to do so and shall place it on the agenda of the next meeting of the Overview and Scrutiny Committee on such a date as they may determine, where possible after consultation with the Chair of the Committee, and in any case within five clear working days of the decision to call-in. However, the Monitoring Officer will not call-in:
- (a) Any decision which has already been the subject of call-in;
 - (b) A decision which is urgent as defined in Rule 64 below and has to be implemented prior to the completion of any review. In such circumstances the decision-taker(s) shall give reasons to the Overview and Scrutiny Committee; and
 - (c) Decisions by regulatory and other Committees discharging non-executive functions;
 - (d) Day to day management and operational decisions taken by officers;
 - (e) A resolution which merely notes the report or the actions of officers;
 - (f) A resolution making recommendations to Council.
58. Where the matter is in dispute, both the Chief Executive and the Monitoring Officer should be satisfied that one of the above criteria applies.
59. The Monitoring Officer shall then notify the decision taker of the call-in, who shall suspend implementation of the decision.
60. If, having considered the decision, the Overview and Scrutiny Committee is still concerned about it, then it may refer it back to the Mayor or Executive for reconsideration, setting out in writing the nature of its concerns or if the matter should properly be considered by Council refer the matter to Council. If referred to the decision-maker they shall then reconsider within a further five clear working days or as soon as is reasonably practical thereafter, amending the decision or not, before adopting a final decision.
61. For the avoidance of doubt, if the Overview and Scrutiny Committee refers a matter back to the decision-making person or body, the implementation of that decision shall be suspended until such time as the decision-making person or body reconsiders and either amends or confirms that decision.
62. If following an objection to the decision, the Overview and Scrutiny Committee does not meet in the period set out above, or does meet but does not refer the matter back to the decision-making person or body, the decision shall take effect on the date of the Overview and Scrutiny Committee meeting, or the expiry of that further five working day period, whichever is the earlier.
63. If the matter was referred to Council and Council does not object to a decision which has been made, then no further action is necessary and the decision will be effective in accordance with the provision below. However, if Council does

object, then Council will refer any decision to which it objects back to the decision-making person or body together with Council's views on the decision. That decision-making person or body shall decide whether to amend the decision or not before reaching a final decision and implementing it. Where the decision was taken by the Executive as a whole or a Committee of the Executive, a meeting will be convened to reconsider within five clear working days of the request. Where the decision was made by an individual, the individual will also reconsider within five clear working days of the request.

64. If Council does not meet, or it does but does not refer the decision back to the decision-making body or person, the decision will become effective on the date of Council or expiry of the period in which the meeting should have been held, whichever is the earlier.

CALL-IN AND URGENCY

65. The call-in procedure set out above shall not apply where the decision being taken by the Mayor, the Executive or a Committee of the Executive, or the key decision being made by an officer with delegated authority from the Executive or under joint arrangements is urgent. A decision will be urgent if any delay likely to be caused by the call-in process would seriously prejudice the Council's or the public's interests.
66. The record of the decision and notice by which it is made public shall state whether in the opinion of the decision making person or body, the decision is an urgent one, and therefore not subject to call-in.
67. The Chair of the Overview and Scrutiny Committee must agree both that the decision proposed is reasonable in all the circumstances and to it being treated as a matter of urgency. In the absence of the Chair, the Speaker's consent shall be required. In the absence of both, the consent of the Deputy Speaker or the Head of Paid Service or her/his nominee shall be required.
68. Decisions taken as a matter of urgency must be reported to the next available meeting of Council, together with the reasons for urgency.
69. The operation of the provisions relating to call-in and urgency shall be monitored annually, and a report submitted to Council with proposals for review if necessary.

THE PARTY WHIP

70. The use of the party whip to influence decisions of the Overview and Scrutiny Committee or one of its Sub-Committees is inappropriate and should not be used.
71. In this rule "a party whip" means any instruction given by or on behalf of a political group to any Councillor who is a Member of that group as to how that Councillor shall speak or vote on any matter before Council or any Committee,

or the application or threat to apply any sanction by the group in respect of that Councillor should they speak or vote in any particular manner.

PROCEDURE AT OVERVIEW AND SCRUTINY COMMITTEE MEETINGS

72. The Overview and Scrutiny Committee and the Scrutiny Panels shall consider the following business:
- (a) Minutes of the last meeting;
 - (b) Declarations of interest;
 - (c) Consideration of any matter referred to the Committee for a decision in relation to call-in;
 - (d) Responses of the Executive to reports of Overview and Scrutiny;
 - (e) The business otherwise set out on the agenda for the meeting.
73. Where the Overview and Scrutiny Committee or a Scrutiny Sub-Committee conducts investigations (e.g. with a view to policy development), the body may also ask people to attend to give evidence at meetings of the body. Such meetings are to be conducted in accordance with the following principles:
- (a) that the investigation be conducted fairly and all Members of the Committee be given the opportunity to ask questions of attendees, and to contribute and speak;
 - (b) that those assisting the Committee by giving evidence be treated with respect and courtesy; and
 - (c) that the investigation be conducted so as to maximise the efficiency of the investigation or analysis.
74. Following any investigation or review, the Committee or Sub-Committee shall prepare a report, for submission to the Mayor/Executive and/or Council as appropriate by the Overview and Scrutiny Committee, and shall make its report and findings public in so far as the report does not contain exempt or confidential information.

SUSPENSION

75. Any part of these Rules may be suspended in accordance with Council Procedure Rule 23 of Part B Section 26 of this Constitution provided such suspension is not contrary to the law.

31 Code of Conduct for Members

Introduction and Purpose of the Code

1. This Code has been developed to support the high standards of leadership and performance of members, and the openness and accountability necessary to ensure public confidence in the way in which you conduct your public duties.
2. The Code applies to the Mayor, Councillors, and Co-opted Members of the Council, collectively referred to as Member(s) in the remainder of this document.
3. A “Co-opted Member” is defined in the Localism Act 2011 Section 27(4) as “a person who is not a Member of the authority but who
 - a) is a Member of any committee or sub-committee of the authority, or;
 - b) is a Member of, and represents the authority on, any joint committee or joint sub- committee of the authority;and who is entitled to vote on any question that falls to be decided at any meeting of that committee or sub-committee”.
4. Some Co-opted Members of the Council’s Scrutiny Committees are not caught by the above definition as they do not have the right to vote, however all Scrutiny Co-optees are expected to abide by the terms of this Code of Conduct.
5. The Code does not apply to Independent Persons, Observers and other persons involved in the Council’s Committees, Boards, and Panels. They are expected to take into account the Code and to follow any rules set out by their own organisations and act appropriately. This includes those Members of bodies such as the Health and Wellbeing Board who are appointed by other organisations.
6. The purpose of this Code of Conduct is to assist you, as a Member, in modelling the behaviour that is expected of you, to provide a personal check and balance, and to set out the type of conduct that could lead to action being taken against you. It is also to protect you, the public, fellow Members, local authority officers and the reputation of local government. It sets out general principles of conduct expected of all Members and your specific obligations in relation to standards of conduct. The LGA encourages the use of support, training and mediation prior to action being taken using the Code. The fundamental aim of the Code is to create and maintain public confidence in the role of Member and local government.

7. In addition to the Member Code of Conduct, the Council's governance arrangements include a number of further Codes and Protocols set out in the Constitution which provide additional guidance or obligations which Members must consider. These include, but are not limited to, the Planning and Licensing Codes of Conduct and the Member / Officer Relations Protocol.
8. As Members you are also required to adhere to the Council's Social Media policy in your role as a Member.
9. The Member Code of Conduct has been set within the context of the Tower Values of 'Together, Open, Willing, Excellent, and Respect' which we all hold [Council's TOWER values \(towerhamlets.gov.uk\)](https://towerhamlets.gov.uk).
10. This Code of Conduct has been developed from the Model Code of Conduct published by the Local Government Association (LGA). The LGA has also produced guidance to accompany its Model Code. This guidance is a useful reference point for Members and officers on the application of the Code.
11. The relevant sections of the guidance are referenced throughout this Code as a useful guide on the application of the code. The full guidance is available here: <https://www.local.gov.uk/publications/guidance-local-government-association-model-councillor-code-conduct>
12. Although the guidance is a useful reference for officers and Members, it will be for the Monitoring Officer in consultation with the Independent Person and/or Standards Advisory Committee as appropriate, (applying the Code), to determine whether a Member has breached it.

General principles of Member conduct

13. Everyone in public office at all levels; all who serve the public or deliver public services, including ministers, civil servants, Members and local authority officers; should uphold the [Seven Principles of Public Life](#), also known as the Nolan Principles. The Nolan Principles are set out in Appendix A to the Code of Conduct.
14. In accordance with the public trust placed in me, on all occasions:
 - I act with integrity and honesty
 - I act lawfully
 - I treat all persons fairly and with respect; and
 - I lead by example and act in a way that secures public confidence in the role of Member.

15. In undertaking my role:

- I impartially exercise my responsibilities in the interests of the local community
- I do not improperly seek to confer an advantage, or disadvantage, on any person
- I avoid conflicts of interest
- I exercise reasonable care and diligence; and
- I ensure that public resources are used prudently in accordance with my local authority's requirements and in the public interest.

- a. **I promote and support high standards of conduct through my leadership and example.**
- b. **I treat other Members and members of the public with respect.**
- c. **I treat local authority employees, and representatives of partner organisations and those volunteering for the local authority with respect and respect the role they play.**
- d. **I take account of the views of others, including where applicable my political group, but I reach my own conclusions and act in accordance with those conclusions.**

23. Respect means politeness and courtesy in behaviour, speech, and in the written word. Debate and having different views are all part of a healthy democracy. As a Member, you can express, challenge, criticise and disagree with views, ideas, opinions, and policies in a robust but civil manner. You should not, however, subject individuals, groups of people or organisations to personal attack.

24. In your contact with the public, you should treat them politely and courteously. Rude and offensive behaviour lowers the public’s confidence in Members.

Public Behaviour

25. In return, you have a right to expect respectful behaviour from the public. If members of the public are being abusive, intimidatory or threatening you are entitled to stop any conversation or interaction in person or online
26. If you wish to raise concerns about the behaviour of a member of the public you can seek advice from the Monitoring Officer in the first instance.
27. Where you have stopped engaging or refused to engage with any member of the public who could reasonably be perceived as being abusive, threatening, intimidatory or otherwise displaying unacceptable behaviours you should direct them to other communication channels within the council.
28. This also applies to fellow Members, where action could then be taken under the Member Code of Conduct, and local authority employees, where concerns should be raised in line with the Member / Officer Relations Protocol.

B – Bullying, harassment and discrimination

29. As a Member:

- a. **I do not bully any person**
- b. **I do not harass any person**
- c. **I promote equalities and do not discriminate unlawfully against any person**

30. The Advisory, Conciliation and Arbitration Service (ACAS) characterises bullying as offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face, on social media, in emails or phone calls, happen in the workplace or at work social events and may not always be obvious or noticed by others.
31. The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such conduct on at least two occasions. It can include repeated attempts to impose unwanted communications and contact upon a person in a

manner that could be expected to cause distress or fear in any reasonable person.

32. Unlawful discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's identity defined by the Equality Act 2010. They are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.
33. The Equality Act 2010 places specific duties on local authorities. Members have a central role to play in ensuring that equality issues are integral to the local authority's performance and strategic aims, and that there is a strong vision and public commitment to equality across public services.

C – Impartiality of officers of the council

34. As a Member:

- a. **I do not compromise, or attempt to compromise, the impartiality of anyone who works for, or on behalf of, the local authority.**

35. Officers work for the local authority as a whole and must be politically neutral (unless they are political assistants). They should not be coerced or persuaded to act in a way that would undermine their neutrality. You can question officers to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, you cannot require or coerce them to act differently, change their advice, or alter the content of that report.

D - Confidentiality and access to information

36. As a Member:

a. I do not disclose information:

- i. Given to me in confidence by anyone**
- ii. Acquired by me which I believe, or ought reasonably to be aware, is of a confidential nature, unless**
 - 1. I have received the consent of a person authorised to give it;**
 - 2. I am required by law to do so;**
 - 3. The disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third party agrees not to disclose the information to any other person; or**
 - 4. The disclosure is:**
 - a. Reasonable and in the public interest; and**
 - b. Made in good faith and in compliance with the reasonable requirements of the local authority;**
 - c. And I have consulted the Monitoring Officer prior to its release.**

37. I do not improperly use knowledge gained solely as a result of my role as a Member for the advancement of myself, my friends, my family members, my employer or my business interests.

38. I do not prevent anyone from getting information that they are entitled to by law.

39. Local authorities must work openly and transparently, and their proceedings and printed materials are open to the public, except in certain legally defined circumstances. You should work on this basis, but there will be times when it is required by law that discussions, documents and other information relating to or held by the local authority must be treated in a confidential manner. Examples include personal data relating to individuals or information relating to ongoing negotiations.

E – Disrepute

40. As a Member:

a. I do not bring my role or local authority into disrepute

41. As a Member, you are trusted to make decisions on behalf of your community and your actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on you, other Members and/or your local authority and may lower the public's confidence in your or your local authority's ability to discharge your/it's functions. For example, behaviour that is considered dishonest and/or deceitful can bring your local authority into disrepute.
42. Members collectively are able to hold the local authority and fellow Members to account and where appropriate you can constructively challenge and express concern about decisions and processes undertaken by the council whilst continuing to adhere to other aspects of this Code of Conduct. Members should not make trivial or malicious allegations against each other.

F – Use of position

43. As a Member:

a. I do not use, or attempt to use, my position improperly to the advantage or disadvantage of myself or anyone else.

44. Your position as a member of the local authority provides you with certain opportunities, responsibilities and privileges, and you make choices all the time that will impact others. However, you should not take advantage of these opportunities to further your own or others' private interests or to disadvantage anyone unfairly.

<https://www.local.gov.uk/publications/guidance-local-government-association-model-councillor-code-conduct#misuse-of-position>

G – Use of local authority resources and facilities

45. As a Member:

- a. I do not misuse council resources.**
- b. I will, when using the resources of the local authority or authorising their use by others;**
 - i. Act in accordance with the local authority's requirements; and ensure that such resources are not used for political purposes unless that use could reasonably be regarded as likely to facilitate, or be conducive to, the discharge of the functions of the local authority or of the office to which I have been elected or appointed.**

46. You may be provided with resources and facilities by the local authority to assist you in carrying out your duties as a Member. They should be used in accordance with the purpose for which they have been provided and the local authority's own policies regarding their use and are not to be used for business or personal gain.

- Examples include:
 - office support
 - stationery
 - equipment such as phones, and computers
 - transport
 - access and use of local authority buildings and rooms.

H – Complying with the Code of Conduct

47. As a Member:

- a. I undertake Code of Conduct training provided by my local authority.
- b. I cooperate with any Code of Conduct investigation and/or determination
- c. I do not intimidate or attempt to influence any person who is likely to be involved with the administration of any investigation or proceedings.
- d. I comply with any sanction imposed on me following a finding that I have breached the Code of Conduct.

48. If you do not understand or are concerned about the local authority's processes in handling a complaint you should raise this with your Monitoring Officer.

49. Any alleged breach of this code will be dealt with in accordance with the arrangements set out in Appendix C to the Code.

NB: a breach of any of the statutory requirements relating to the registration and declaration of disclosable pecuniary interests may result in prosecution. If you need advice you should contact the Monitoring Officer.

Protecting your reputation and the reputation of the local authority

I – Interests

50. As a Member:

a. I register and disclose my interests.

51. Section 29 of the Localism Act 2011 requires the Monitoring Officer to establish and maintain a register of interests of members of the authority.
52. An example of an interest is something which is of value to you which you may have through personal, professional or other private reasons. For example, your job, home or other property. Your main financial interests are called Pecuniary Interests.
53. You should note that failure to register or disclose a Disclosable Pecuniary Interest as set out in Table 1 of Appendix B, is a criminal offence under the Localism Act 2011 for which you can be prosecuted.
54. You need to register your interests so that the public, local authority employees and fellow Members know which of your interests might give rise to a conflict of interest.
55. An example of a conflict of interest is ‘a situation where your interests (or responsibility to another organisation) could be (or could be seen to be) in conflict with your responsibilities as a Member’. This is especially important in relation to your role as a decision maker at the Council. Table 3 of Appendix B sets out how different types of declarations should be dealt with at meetings.
56. If in doubt, always seek advice from your Monitoring Officer.
57. The register of interests maintained by the Monitoring Officer is a public document that can be consulted when (or before) an issue arises. Your interests will be published on your Council web page.
58. The register also protects you by allowing you to demonstrate openness and a willingness to be held accountable. You are personally responsible for deciding whether you should disclose an interest in a meeting, but it can be helpful for you to know early on if others think that a potential conflict might arise. It is also important that the public know about any interest that might have to be disclosed by you or other Members when making or taking part in decisions, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity of local governance is maintained.

<https://www.local.gov.uk/publications/guidance-local-government-association-model-councillor-code-conduct#declarations-of-interest>

J – Gifts and hospitality

59. As a Member:

- a. I do not accept gifts or hospitality, irrespective of estimated value, which could give rise to real or substantive personal gain or a reasonable suspicion of influence on my part to show favour from persons seeking to acquire, develop or do business with the local authority or from persons who may apply to the local authority for any permission, licence or other significant advantage.**
- b. I register with the Monitoring Officer any gift or hospitality with an estimated value of at least £25 within 28 days of its receipt.**
- c. I register with the Monitoring Officer any gift or hospitality that I have been offered but have refused to accept.**
- d. I will also declare repeated smaller hospitality/gifts which, when combined, would likely exceed £25 within any three-month period.**
- e. I will consider donating any gifts to the Speaker's Charity or other charitable causes.**

60. In order to protect your position and the reputation of the local authority, you should exercise caution in accepting any gifts or hospitality which are (or which you reasonably believe to be) offered to you because you are a Member.

61. It would be expected that you would accept normal gifts and hospitality in relation to your work. However, if the gift or hospitality was valued at over £100 you would normally only accept it if it directly related to your role as a Member. You should make the reasons for acceptance clear in your declaration.

62. However, there may be times when such a refusal may be difficult if it is seen as rudeness in which case you could accept it but must ensure it is publicly registered.

63. However, you do not need to register gifts and hospitality which are not related to your role as a member and that you would have received anyway such as:

- gifts from your friends and family,
- gifts/hospitality primarily in relation to your employment, voluntary work or similar which are not related to your role as a Member,
- invitations to weddings and similar events from family and friends,
- small gifts or hospitality received as part of weddings, life-events, religious festivals and celebrations that you would in any case have attended in a personal capacity (Christmas, Eid, Hannukah, Ramadan etc).

1. The Seven Principles of Public Life

The Seven Principles of Public Life (also known as the Nolan Principles) apply to anyone who works as a public office-holder. This includes all those who are elected or appointed to public office, nationally and locally, and all people appointed to work in the Civil Service, local government, the police, courts and probation services, non-departmental public bodies (NDPBs), and in the health, education, social and care services. All public office-holders are both servants of the public and stewards of public resources. The principles also apply to all those in other sectors delivering public services.

1.1 Selflessness

Holders of public office should act solely in terms of the public interest.

1.2 Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and relationships.

1.3 Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

1.4 Accountability

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

1.5 Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

1.6 Honesty

Holders of public office should be truthful.

1.7 Leadership

Holders of public office should exhibit these principles in their own behaviour and treat others with respect. They should actively promote and robustly support the principles and challenge poor behaviour wherever it occurs.

Appendix B

Registering interests

Within 28 days of becoming a member or your re-election or re-appointment to office you must register with the Monitoring Officer the interests which fall within the categories set out in **Table 1 (Disclosable Pecuniary Interests)** which are as described in “The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012”. You should also register details of your other personal interests which fall within the categories set out in **Table 2 (Other Registerable Interests)**.

Type A “**Disclosable pecuniary interest**” means an interest of yourself, or of your partner if you are aware of your partner's interest, within the descriptions set out in Table 1 below.

"Partner" means a spouse or civil partner, or a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners.

1. You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.
2. A ‘sensitive interest’ is as an interest which, if disclosed, could lead to the member, or a person connected with the member, being subject to violence or intimidation.
3. Where you have a ‘sensitive interest’ you must notify the Monitoring Officer with the reasons why you believe it is a sensitive interest. If the Monitoring Officer agrees they will withhold the interest from the public register.

Nonparticipation in case of disclosable pecuniary interest

4. Where a matter arises at a meeting which directly relates to one of your Disclosable Pecuniary Interests as set out in **Table 1**, you must disclose the interest, not participate in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a ‘sensitive interest’, you do not have to disclose the nature of the interest, just that you have an interest. Dispensation may be granted in limited circumstances, to enable you to participate and vote on a matter in which you have a disclosable pecuniary interest.
5. Where you have a disclosable pecuniary interest on a matter to be considered or is being considered by you as a Cabinet member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for

someone else to deal with it.

Type B - Disclosure of Other Registerable Interests

6. Where a matter arises at a meeting which directly relates to one of your Other Registerable Interests (as set out in Table 2), you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

Disclosure of Non-Registerable Interests

7. **Type C** - Where a matter arises at a meeting which ***directly relates*** to your financial interest or well-being (and is not a Disclosable Pecuniary Interest set out in Table 1) or a financial interest or well-being of a relative or close associate, you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.
8. **Type D** - Where a matter arises at a meeting which ***affects*** –
 - a. your own financial interest or well-being;
 - b. a financial interest or well-being of a friend, relative, close associate; or
 - c. a body included in those you need to disclose under Disclosable Pecuniary Interests as set out in **Table 1**

you must disclose the interest. To determine whether you can remain in the meeting after disclosing your interest the following test should be applied.

9. Where a matter ***affects*** your financial interest or well-being:
 - a. to a greater extent than it affects the financial interests of most inhabitants of the ward affected by the decision and;
 - b. a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest

You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

10. Where you have a personal interest in any business of your authority and you have made an executive decision in relation to that business, you must make sure that any written statement of that decision records the existence and nature of your interest.

LONDON BOROUGH OF TOWER HAMLETS
ARRANGEMENTS FOR DEALING WITH COMPLAINTS OF BREACH OF THE
CODE OF CONDUCT FOR MEMBERS
Arrangements agreed by Council on 5th December 2016.

Introduction

The Council has adopted a Code of Conduct for Members which is available on the Council's website and on request from the Monitoring Officer.

In accordance with section 28 of the Localism Act 2011, these arrangements set out how an allegation may be made that the Mayor, an elected Member or a Co-opted Member of the London Borough of Tower Hamlets has failed to comply with the Council's Code of Conduct for Members and how the Council will deal with such allegations.

These arrangements also require that the Monitoring Officer shall ensure that the Council appoints at least one Independent Person and at least one reserve Independent Person for the purposes of meeting the statutory requirements of the Localism Act 2011.

Any reference in these arrangements to the Monitoring Officer shall include a deputy Monitoring Officer. The timelines set out are for guidance and shall be observed where practicable but may be extended by the Monitoring Officer as necessary if they cannot be complied with by any relevant party due to sickness, holidays or other reasonable cause.

Complaints

1. Allegations concerning possible breaches of the Code of Conduct for Members should be made in writing to the Monitoring Officer.
2. On receipt of a complaint the Monitoring Officer shall within five working days acknowledge receipt to the complainant. The Monitoring Officer will also within five working days and on a confidential basis, inform the subject Member of the substance of the complaint and the identity of the complainant (unless the Monitoring Officer considers that such notification would prejudice the proper consideration and investigation of the complaint).
3. Complainants must provide their name and postal address when submitting a complaint. Anonymous complaints will not be considered unless the Monitoring Officer decides (after consultation with the Independent Person) that the complaint raises a serious issue affecting the public interest which is

capable of investigation without the need to ascertain the complainant's identity.

4. A complainant when making an allegation should specify the identity of the person(s) alleged to have breached the Code, the conduct that is alleged to give rise to the breach, the evidence that supports the allegation and the names (and contact details) for any potential witnesses able to give direct evidence of the events complained about.

Assessment of Complaints

5. The Monitoring Officer shall, after consultation with the Independent Person and within ten working days of receiving the complaint:
 - a) Decide whether or not a complaint merits formal investigation and where appropriate arrange for an investigation; OR
 - b) Decide to attempt to facilitate informal resolution of the complaint (such attempt shall be subject to a four-week time limit).
6. In making this determination the Monitoring Officer may at their discretion report the matter to the Investigation & Disciplinary Sub-Committee (IDSC) of the Standards Advisory Committee for consideration and/or consult other persons as appropriate.
7. The Monitoring Officer may decide not to refer the matter for investigation where:
 - (a) The allegation does not demonstrate any potential breach of the Code (because for example it relates to dissatisfaction with a Council decision/service or relates to events which occurred when the person complained about was not acting in an official capacity).
 - (b) The event(s) complained about took place more than six months ago and there are no valid reasons for the delay in bringing the complaint, such as fresh evidence not available at the earlier date or only recently discovered.
 - (c) The allegation is about someone who is no longer the Mayor or a Member/Co-opted Member.
 - (d) The complainant failed to provide the information specified in paragraph 4 above or any other information reasonably requested by the Monitoring Officer.
 - (e) The same or a similar allegation has been investigated and determined.
 - (f) The Mayor, Member or Co-opted Member has already accepted they made an error in their conduct and/or has apologised for their conduct and the Monitoring Officer considers the matter would not warrant a more serious sanction.
 - (g) The allegation is politically motivated and/or 'tit for tat'.

- (h) The allegation is not considered sufficiently serious to merit the cost to the public of carrying out an investigation.
 - (i) The Monitoring Officer has facilitated an informal resolution of the complaint (see below) and the Mayor or Member/Co-opted Member complained about has offered to take remedial action that the Monitoring Officer considers appropriate in all the circumstances (for example by apologising to the complainant and/or undertaking training or issuing a statement of factual correction).
8. Where the Monitoring Officer decides to reject a complaint, they shall inform the complainant in writing giving the reasons for rejection.

Investigation and Monitoring of Complaints

9. If a complaint of failure to comply with the Code is referred for investigation the Monitoring Officer shall appoint an investigator or complete the investigation themselves. Such investigation should whenever possible be completed within two months of the decision to refer the matter for investigation. The Monitoring Officer may extend this period by up to a further two months where they feel it is necessary to ensure a proper and adequate investigation. The Monitoring Officer may refer a complaint for investigation to the Monitoring Officer in a different authority where they have a conflict of interest.
10. The Monitoring Officer will keep the complainant and the subject Member informed as to progress at appropriate intervals and shall inform them of any extension to the period for the investigation.
11. The Monitoring Officer will report every six months to the Standards Advisory Committee on the number and nature of complaints received and action taken as a result. This will include details of complaints that have been rejected by the Monitoring Officer and any extension made to the period for an investigation of a complaint.
12. Where any investigation into a complaint of breach of the Code finds no evidence of failure to comply with the Code of Conduct, the Monitoring Officer shall within four weeks of receipt of the investigation report, consult with the Independent Person and decide whether the matter should be closed without reference to a Hearings Sub-Committee. The Monitoring Officer shall provide a copy of the report and findings of the investigation which shall be kept confidential to the complainant and to the Member concerned and shall report the matter as part of the quarterly report to the Standards Advisory Committee for information. The Monitoring Officer may also seek advice from the IDSC before deciding that a matter should be closed without reference to the Hearings Sub-Committee.

13. Where an investigation finds evidence of a failure to comply with the Code of Conduct, the Monitoring Officer following consultation with the Independent Person, may seek local resolution of the complaint. If local resolution succeeds the Monitoring Officer shall report the matter as part of the quarterly report to the Standards Advisory Committee. If local resolution does not succeed or if following consultation with the Independent Person, the Monitoring Officer considers that it is not appropriate to seek local resolution, the Monitoring Officer shall report the investigation findings to a Hearings Sub-Committee of the Standards Advisory Committee for local hearing and determination. The Hearings Sub-Committee will whenever practicable be convened within one month of the Monitoring Officer receiving the investigation report.

Hearings Sub-Committee

14. The Hearings Sub-Committee will consider the investigation report and any submissions from the subject Member and determine:

- (a) If there has been a breach of the Code of Conduct having taken into account the views of the Independent Person; and if so
- (b) Whether any sanction is appropriate having considered the views of the Independent Person.

15. Possible sanctions may include any of the following:-

- (a) Publication of the Sub-Committee's decision.
- (b) Reporting the Sub-Committee's decision to Council.
- (c) Requesting the Monitoring Officer to arrange training for the Member (subject to the Member's agreement).
- (d) Issuing a censure or reprimand which may also be reported to Council.
- (e) Requiring the Member to contact the Council and officers via specified point(s) of contact.
- (f) Withdrawing facilities provided to the Member by the Council, such as a computer or internet access.
- (g) Excluding the Member from the Council's offices or other premises, with the exception of meeting rooms as necessary for attending Council, Executive, Committee and Sub-Committee meetings (as appropriate).
- (h) Recommending to the Member's Group Leader that they be removed from any or all Committees or Sub-Committees of the Council.
- (i) Recommending to the Mayor that the Member be removed from the Executive, or removed from a particular portfolio responsibility.
- (j) Recommending to Council or the Mayor as appropriate the removal from outside appointments to which the Member has been appointed or nominated.

(k) Recommending to Council that the Member be removed from any or all Council Committees or Sub-Committees.

16. In determining any recommended sanction the Hearings Sub-Committee may take into account any previous breach by the Member concerned and/or their compliance with any previous sanction applied.

I	Complying with the Protocol

1. Introduction and Purpose of the Protocol

- 1.1 Members and officers must work effectively together with mutual respect to achieve the shared purpose of improving the lives of residents. Together, both bring the critical skills, experience and knowledge required to manage an effective public sector organisation. Members provide a democratic mandate to the Council, whereas officers contribute the professional expertise needed to advise and deliver on the policy framework agreed by Members.
- 1.2 The protocol has been developed to support high standards of leadership and performance of members and officers. It explains and supports the working relationship between Members and officers, clarifies expectations of each other and shows how to apply the principles of the codes of conduct in practical situations. It contains interpretation and guidance on some of the issues which commonly arise but is not meant to be exhaustive. If in doubt, members and officers are advised to seek further advice as outlined in the protocol below.

- 1.3 This protocol is part of the Council's governance arrangements and should be read together with the Council's Constitution, the Code of Conduct for Members and Employee Code of Conduct which provide guidance or obligations which Members and officers must consider. They regulate the conduct of others and other relevant codes of guidance.
- 1.4 The Protocol applies to
- a. the Mayor, elected Members and Co-opted members of the Council (collectively referred to as Member(s) in the remainder of this document). The Protocol applies at all times when Members act in their capacity as Members (or claim to act or give the impression of acting in that capacity). The protocol also applies to officers, meaning all persons employed by the Council whether full or part time; fixed term contract; agency or consultant staff.
 - b. Officers when they encounter Members in day to day roles eg when receiving an urgent or routine Members Enquiry, working with Members in the preparation of committee reports attending committee meetings, liaising on a policy update. This Protocol will apply to each of those occasions. It cannot cover every matter which will arise in council life, but it reflects an approach and serves as a guide to dealing with other issues.
 - c. It is expected that Associates from partnership organisations, where their organisation has no code of conduct, will abide by the principles of Tower Hamlet's code and this protocol.
- 1.5 It is recognised that there may be differences of opinion between members and officers. Ideally, these differences will be resolved amicably.
- 1.6 A Member in need of support and advice about the application of this Protocol should contact the Monitoring Officer. An officer in need of support and advice about the application of this Protocol should contact their line manager in the first instance.
- 1.7 A failure to adhere to the guidance set out in this protocol may lead to action under the Code of Conduct for members or the Employee Code of Conduct for officers as appropriate. (See also Section 12 below).

2. ROLES OF MEMBERS AND OFFICERS

Members

- 2.1 As referred to in Part A of the Council's constitution, as a Member in undertaking my role:
- a) I am a policy-maker and carry out a number of strategic functions;
 - b) I represent my community and I am the advocate of and for my community;
 - c) I effectively represent the interests of my ward and of individual constituents;
 - d) I respond to constituents' enquiries and representations, fairly and impartially;
 - e) I participate in the governance of the Council;
 - f) I make myself available to represent the Council on other bodies; and
 - g) I maintain the highest standards of conduct and ethics

Officers

- 2.2 As an Officer in undertaking my role:
- a) I am employed by and I am accountable to the Council.
 - b) With the exception of Political Assistants and the Mayor's Assistant, I work to the instructions of my senior officers, not individual Members or Political Groups.
 - c) I manage and provide the Council's services within the responsibilities delegated to me including the effective management of employees and operational issues.
 - d) I have a duty to keep Members of all political groups including Independents fully informed about developments of significance in relation to council activities. (See also section 6 below)
 - e) I have a duty to make ward Members and portfolio holders aware of council activities or council related activities within their wards or relevant to their portfolio.

3. THE RELATIONSHIP BETWEEN MEMBERS AND OFFICERS

- 3.1 Local Authorities exist to improve the lives of the residents in the borough. Members and officers strive to achieve this. However, when there is miscommunication and things go wrong, it can detract from this common goal. Members and officers should have a relationship that instils mutual trust and respect. Members and officers should understand and respect each other's roles and responsibilities. These should be reflected in the behaviour and attitude of each to the other, both publicly and privately.

General Expectations of Conduct

- 3.2 Everyone in public office at all levels; who serve the public or deliver public services, including Members and local authority officers; should uphold the Seven Principles of Public Life
<https://www.gov.uk/government/publications/the-7-principles-of-public-life/the-7-principles-of-public-life--2> also known as the Nolan Principles . The Nolan Principles are set out in Appendix A of the Members Code of Conduct
- 3.3 This section sets out the obligations and the common aims of both members and officers which should assist in achieving the aim of making things better for the population of the borough.

Member / Officer Relations Protocol

A- Respect

4. As Members and officers we should:

a) respect each other's non-working time and not make contact during non-working time, except in emergencies.

b) be courteous to each other at all times even if we disagree strongly with their respective views. We should not shout or raise our voices in an aggressive or rude manner.

c) seek support and advice from and / or raise concerns with the relevant person in the event of disputes. (See also Section 12 below).

d) recognise that we have a duty to raise any issues where we have reason to think that fraud/ probity, corruption or malpractice of any sort is involved within the Council. (See also Section 12 below)

B. Bullying, harassment and discrimination

5. As Members and officers we:

a) do not bully any person

b) do not harass any person

c) promote equalities and do not discriminate unlawfully against any person characterised as offensive, intimidating, malicious, insulting or humiliating behaviour.

As a Member:

a) I should not criticise officers in public. (See also Section 6 below)

b) If I have a concern about an officer or specific Council services then this should be made to the Director of the service or to the Chief Executive where it involves a Director personally. (See also Section 12 below)

5.1 Poor working relations between Members and officers can be destructive to good governance.

5.2 Bullying behaviour may happen only once or it may be part of a pattern of behaviour directed at a weaker person or person whom the Member or the officer has some actual or perceived influence over. Such behaviour may

include attacking a specific officer's conduct in public when Officers are instructed not to 'answer back' in public. This can be contrasted with the legitimate challenges which a Member or officer can make in challenging policy or scrutinising performance.

C. Impartiality and accountability of officers of the Council

6. As Members and officers we:

a) Acknowledge the importance of maintaining the impartiality of officers

Officer Accountability

6.1 As an officer I:

- **Will provide advice and proposals based on evidence and consider alternative options in an even-handed way regardless of my own personal views.**
- **Will provide information and advice to all Members regardless of political group (including independents) about developments of significance on council activities.**
- **Will ensure all Members, regardless of political group (including independents), are supported to undertake their council work as appropriate.**
- **I am accountable to my Corporate Director and whilst I should always seek to assist a Member, I must not go beyond the bounds of whatever authority they have been given by their Corporate Director.**
- **If I am uncertain of the appropriate action to take, I should seek the advice of my line manager or my Corporate Director.**
- **I must provide clear evidence based reports setting out all relevant factors for the decision maker, and examine all alternatives in an even handed way in accordance with agreed guidance, protocols and procedures. (See section 6 for further information about Reports).**
- **I have a duty to keep Members of all political groups including Independents fully informed about developments of significance in relation to council activities.**

Accountability of Members and officers

- 6.2 Members should raise constituents' queries or concerns through the proper channels and not go direct to junior officers. Members should not seek to 'jump the queue', but should be aware of and implement the Council's procedures. This approach ensures that resources are able to be appropriately prioritised and resourced.
- 6.3 Officers should seek to explain why a course of action is being recommended. Reports should lay out all relevant factors for the decision maker, and examine all alternatives in an even handed way.

Officer Reports and Actions from Committees

- 6.4 When an Officer provides a report it should contain clear, evidence-based advice as to why a course of action is being recommended. From time to time corporate advice is given to officers on report writing and they should take care to follow it. The report should lay out all relevant factors for the decision maker, and examine all alternatives in an even handed way. Officers should take care to include even unpopular options if they feel they are relevant.
- 6.5 The relevant Corporate Director will always be fully responsible (and retains ultimate responsibility) for the contents of any report submitted in their name. Any issues arising between a Member and a Corporate Director in this area should be referred to the Monitoring Officer or Chief Executive for resolution.
- 6.6 Members have the right to criticise reports or the actions taken by officers, but they should: -
- not make personal attacks on officers; and
 - ensure that criticism is constructive and well-founded. (See also section 5.1 and 5.2)
- 6.7 Members have the ability to agree or reject proposals placed before them by officers, irrespective of the advice or recommendations made by officers so long as they generally act in good faith and exercise reasonableness in decision-making and specifically:-
- take into account relevant and dismiss irrelevant matters; and
 - do not come to a conclusion that no reasonable authority would come to.

Officers must therefore, be able to report to Members in accordance with their professional expertise.

- 6.8 Members should be mindful of taking part in the decision making process when they are actually biased, where it might appear to a fair and informed observer that there was a real possibility of bias, or where a Member has predetermined the matter by closing their mind to the merits of the decision.
- 6.9 A resolution may be passed at meetings which authorises an officer to take action between meetings after consultation with the Chair/ Lead Member/ Portfolio Member etc. It is the officer, not the Chair etc., who takes the action and is responsible for it. The Chair etc. does not himself/ herself have the power between meetings to make decisions.

D. Confidentiality and access to information (including Member Enquiries)

7. **As members and officers we:**
- a) **Maintain confidentiality**
 - b) **Ensure suitable access to information for Members**
 - c) **Are aware that a Member's rights to information are set out in the Access to Information Procedure Rules (Constitution Part B Section 27) and are appropriate for the specific role of that Member.**
 - d) **Expect that all Members and officers will follow agreed council procedures especially in relation to dealing with Member Enquiries, constituent's queries/concerns and similar requests**

Routine Member Enquiries

- 7.1 The Council operates a Member's Enquiries system which is for the Mayor and Members to use for routine requests for information and advice. A copy of the procedure is found at [Member Enquiries Policy and Process \(towerhamlets.gov.uk\)](http://towerhamlets.gov.uk) (Internal only link) The maximum turn round time expected for such enquiries is 10 working days and officers will chase outstanding enquiries exceeding this period. Matters which are not routine or involve policy should be directed initially to the relevant Corporate Director or Director or any officer nominated by them.

Urgent Member Enquiries

7.2

- a) If the impact on the issue on constituents is extremely urgent, Members can contact to the Chief Officer or Director for the Department concerned.
- b) If access is denied or the Chief Officer / Director is in doubt about the right to access the information requested, the matter must be referred to the Monitoring Officer for determination.

7.3 The Member Enquiries system is managed by Customer Services and Mayor's Office staff also provide support to Executive Members as appropriate.

Access to Information

General

7.4 The following paragraphs identify the rights of Members and the procedures that they must comply with when applying for access to Cabinet/ Committee/ Sub-Committee papers and other documents/ information. These paragraphs take into account the following:

- Relevant legislation including the Local Government Act 1972; the Data Protection Act 1998; the General Data Protection Regulations; the Freedom of Information Act 2000; and the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 (SI 2012/2089)
- Local Government Transparency Code 2015
- Open and accountable local government: plain English guide
- Access to Information Procedure Rules (Part B Section 27 of the Constitution)
- Relevant case law

7.5 In principle, Members have the same ordinary rights of access to certain information as is enjoyed by the general public but they also have the right to access any other information (i.e. confidential or exempt) held by the Council of which they are a Member provided that it is reasonably necessary to enable the Member to properly perform their duties as a Member (see "Need to Know" below). This right of access of additional access may not extend to the publication of or otherwise making public such information as there may be issues of confidentiality.

Access to Committee Papers for Forthcoming Meetings

7.6 The rights of Members can be summarised as follows:-

- (i) Members enjoy the same access rights as members of the public in respect of Part I Cabinet/Committee/Sub-Committee papers.
- (ii) Members of the appropriate Cabinet/ Committee/ Sub-Committee will have a good reason for access to all Part II exempt information on the respective Cabinet/ Committee/ Sub-Committee agenda under the “Need to Know” principles (see below).
- (iii) Members of the Overview and Scrutiny Committee will have a prima facie “Need to Know” where they require access to Part II Cabinet agenda items as part of their scrutiny function provided the subject matter is within the Committee/ Sub-Committee’s terms of reference.
- (iv) All other Members who require access to confidential/ exempt Cabinet/ Committee/ Sub-Committee documentation will need to request disclosure under the Freedom of Information Act 2000 or demonstrate a “Need to Know” by complying with the principles set out below.

Access to Other Documents/Information – “The Need to Know”

- 7.7 It is important to note that in some cases access to information to which the public is not entitled only applies where Members are clearly carrying out their role as elected representatives. Where a Member has a financial or personal interest in a matter the Member will only be entitled to the same access as would be the case for a private individual. In these circumstances, the Member must make it clear that they are acting in their private capacity and not as a Member.
- 7.8 Under common law principles Members have the right to access information held by the Council where it is reasonably necessary to enable the Member to properly perform their duties as a Member. This is known as the “Need to Know”. This means that information must not be used for party political purposes.
- 7.9 The common law “Need to Know” is the prima facie right of Members to inspect documents of the authority which exist as Members are under a duty to keep themselves informed of Council business which relate to their role as elected representatives. Thus, this right applies to Members who do not have statutory rights to exempt or confidential information and to other documents held by the Council under local government legislation or the Freedom of Information Act 2000.
- 7.10 For example, a Member is likely to have a prima facie “Need to Know” where they have a legitimate Ward problem and needs access to the documents that

are relevant to that specific problem. Also, for example, a Cabinet Member whose Portfolio covers the matter in question and they need to be aware of what is occurring for the purpose of their Cabinet position.

- 7.11 Access to information on the basis of a 'Need to Know' does not exist where the Member is considered to be "fishing" for information or seeks access for an ulterior/improper purpose (e.g. for a private purpose). Case law has established that mere idle curiosity as to what is in the documentation will not be sufficient.
- 7.12 It should be noted that some material (for example if commercially sensitive) may be redacted from information that is disclosed, if this does not affect the ability of a Member to exercise their role as an elected representative.
- 7.13 There will also be a range of documents which, because of their nature are either not accessible by Members (such as the personal records of an individual) or are accessible only by the political group forming the administration and not by the Members of other political groups. An example of this latter category would be draft documents compiled in the context of emerging Council policies and draft Committee reports, the premature disclosure of which might be against the Council's and the public interest.
- 7.14 Whilst the term "Council document" is very broad and includes, for example, any document produced with Council resources, it is accepted by convention that a Member of one political group will not have a "Need to Know" and therefore, a right to inspect, a document which forms part of the internal workings of another political group.

Use of Council Information and Confidentiality

- 7.15 Procedural Rules and specific local procedures (e.g. on contracts) require Members and officers to maintain confidentiality in certain circumstances. Officers are bound by their contracts of employment and any breach of confidentiality will almost certainly lead to disciplinary action. Officers must distinguish between assisting an elected representative in the course of the Member's Council business and dealing with the same person as a client or customer, e.g. a Housing Benefit claimant. In the latter case, Officers will treat the Member with the same degree of helpfulness, courtesy and confidentiality as would be afforded to any other member of the public in the same situation, and interpret the relevant rules and procedures as they would for any other client or customer.
- 7.16 Equally, any Council information provided to a Member on the basis of a 'Need to Know' must only be used by the Member for the purpose for which it

was provided, i.e. in connection with the proper performance of the Member's duties as an elected representative of the Council. Confidential or exempt information provided to Members may be discussed in Part II Committee meetings or in private meetings of appropriate Members and Officers. However, it should not be discussed with, or released to, any other persons. Any information provided should be clearly marked as confidential before it is released to Members.

- 7.17 In cases where a Member discloses information given to him/her in confidence by anyone, or information acquired by the Member which they believe, or ought reasonably to be aware, is of a confidential nature then that Member may find themselves the subject of a complaint to the Standards Advisory Committee that they have contravened the Code of Conduct for Members.
- 7.18 Similarly, the unauthorised disclosure of confidential or exempt information is regarded by the authority as a serious disciplinary offence for Officers. This includes an unauthorised disclosure to a Member.
- 7.19 Any request from a Member for information will be treated in confidence by Officers and will not be made known to any other Member or political group. Officers are also under a duty not to relate any information disclosed privately by a Member(s) (e.g. during Part II discussions at Committee, etc., informal briefings, private conversations or Group meetings) to another Member, Officer or person not already privy to that information.
- 7.20 The duty of officers to observe a Member's confidence however will not apply if the information disclosed relates to something which could damage the Council or which is illegal or constitutes maladministration. In this event the matter will be referred to the appropriate Corporate Director and/or Monitoring Officer and Chief Executive for further investigation and action as appropriate.
- 7.21 As a Member I must:
- a) follow Council procedures to obtain the information that I need to carry out my role. Officers within Directorates are accountable to their chief officer. Chief officers, through their senior management, are responsible for the allocation and prioritising of work by their staff recognising that there will be a number of competing tensions that I may not be aware of. I must not attempt to influence such decisions.
 - b) I am free to approach any Council Department to provide them with such information, explanation and advice about the Department's functions as I may reasonably need as a Member. This may range from a request for general

information or documentation about some aspect of the Department's activities, to a request for specific information on behalf of a constituent.

Officer advice to party groups

- 7.22 Officers must serve the Council as a whole and not exclusively any political group, combination of groups or any individual Member. Special rules apply to Political Group Assistants and the Mayor's Assistant and those post holders are made aware of them through separate guidance.
- 7.23 There is statutory recognition for party political groups and it is common practice for such groups to give preliminary consideration to matters of Council business in advance of such matters being considered by the relevant Council decision making body. Senior officers may properly be called upon to support and contribute to such deliberations by political groups but must at all times maintain political neutrality. All officers must, in their dealings with political groups and individual Members treat them in a fair and even-handed manner.
- 7.24 The support provided by officers can take many forms, ranging from a briefing meeting with the Mayor, a Cabinet Member/ Chair/ Spokesperson prior to a Council, Cabinet, Committee or Sub-Committee meeting to a presentation to a political group meeting. Whilst in practice such officer support is likely to be in most demand from whichever political group is in control of the Council at the time, such assistance is available to all political groups including ungrouped Members. Clarification of the support provided can be obtained from the Member Support Team.
- 7.25 Certain points, however, must be clearly understood by all those participating in this process, Members and Officer alike. In particular:
- (i) Requests for officers to attend any political group meeting must be made only to the appropriate member of the Corporate Leadership Team. Normally only that person will attend the meeting, although in exceptional circumstances they may be accompanied by one or more Senior Officers.
 - (ii) Unless otherwise agreed in advance with the Chief Executive, officers will not attend political group meetings that include persons who are not Members. However, where the Chief Executive has authorised such attendance special care needs to be exercised by officers involved in providing information and advice to such political group meetings. Persons who are not elected Members will not be bound by the Code of Conduct for Members (in particular, the provisions concerning the declaration of interests and confidentiality) and for this and other reasons officers may not be able to provide the same level of information and advice as they would to a Members only meeting.

- (iii) Officer support (whether in the form of a written report or otherwise) must not extend beyond providing information and advice in relation to matters of Council business. Officer support will be limited to a statement of material facts and identification of options and the merits and demerits of such options for the Authority. Reports or other support will not deal with any political implications of the matter or any option, and officers will not make any recommendations to a political group. Officers (with the exception of Political Group/ Mayor's Assistants) are not expected to be present at meetings or part of meetings when matters of party business are to be discussed.
- (iv) Political group meetings, whilst they form part of the preliminaries to Council decision making are not empowered to make decisions on behalf of the Council. Conclusions reached at such meetings do not therefore rank as Council decisions and it is essential that they are not interpreted or acted upon as such.
- (v) It must not be assumed by any political group or Member that any Officer is supportive of any policy or strategy developed because of that officer's assistance in the formulation of that policy or strategy.
- (vi) Officers must respect the confidentiality of any political group discussions at which they are present in the sense that they should not relay the content of any such discussion to another political group or Member thereof. However, Members should be aware that this would not prevent officers from disclosing such information to other officers of the Council so far as is necessary to perform their duties.
- (vii) Where officers provide information and advice to a political group meeting in relation to a matter of Council business, it should be understood that the officers have a statutory duty to provide all necessary information and advice to the Mayor or Cabinet or relevant Committee/ Sub-Committee when the matter in question is considered.

E – Disrepute

8. As Members and officers we:

- a) Should be aware of the risks of damaging the reputation of the council or our roles as Members or officers**

If your actions would give the impression to a reasonable member of the public with knowledge of all of the facts that you are acting as a Member or an officer, this could lead to bringing the Council into disrepute Eg seeking an advantage/disadvantage/misusing your position in the community

This also applies to the use of social media. Refer to the Council's Social Media Policy at <https://www.thebridge.towerhamlets.gov.uk/policy-and-procedures/general/social-media-policy-and-guidance> (internal link)

F. Use of Position

9. As Members and officers we:

- a) Do not use, or attempt to use, our positions improperly to the advantage or disadvantage of ourselves or anyone else.**
- b) Do not seek personal favours from officers or Members.**
- c) Declare close relationships or any possible perceived conflicts of interest. (See also Section H below)**

As a Member I:

- a) Do not get involved in the appointment, management and dismissal of officers (except where allowed elsewhere in this constitution)**
- b) Do not get involved in day-to-day staff management and grievance issues**

As an officer I:

- a) Do not raise matters concerning my employment with Members.**

Obtaining or granting favours

- 9.1 The Code of Conduct for Members emphasises the need for Members to avoid behaviour which could be viewed as conferring an advantage or disadvantage on an officer. Members must not seek personal favours from officers. Officers must not be tempted to give favours to please a Member. An example of favour seeking would be asking whether a Members' parking ticket could be withdrawn or whether an application for a service could be expedited. Similarly, officers must not seek to circumvent agreed staff consultative procedures by lobbying Members' on matters which directly concern them as employees.

Member involvement in officer issues

- 9.2 Issues relating to the appointment, management and dismissal of most officers are reserved by law to the Head of Paid Service and officers appointed by him/her. Member involvement in employment issues generally, including where they relate to senior officers, is set out in the Local Authorities (Standing Orders) (England) Regulations 2001
- 9.3 Occasions may arise where officers try to involve Members in day-to-day staff/ management issues. Members should strongly discourage such approaches. Officers should be advised to pursue matters with their management through the established procedures for resolving grievances etc. Officers must not raise matters concerning their employment with individual Members; to do so may result in disciplinary action being taken.

Personal Familiarity

- 9.4 Personal familiarity between Members and officers can create the suspicion of improper conduct, however unfounded and can undermine public confidence in the Council. Whilst it is clearly important that there should be a close working relationship between when officers and Cabinet members or chairs of Committees, such relationships should never be allowed to become so close, or appear to be so close, as to bring into question, the officer's ability to deal impartially with other Members and other party groups.
- 9.5 Informal and collaborative two-way contact between Members and officers is encouraged; however, personal familiarity can damage the relationship, as might a family or business connection. It is accepted that some close relationships will develop, particularly when Members and officers work closely together but it is important that close relationships between Members and officers are openly declared and if any relationship might be seen as unduly influencing their work in their respective roles then they should inform the Monitoring Officer.
- 9.5 It is not enough to avoid actual impropriety, Members and officers should always be open about their relationships to avoid any reason for suspicion and any appearance of improper conduct. Where a personal relationship has been disclosed, those concerned should avoid a situation where conflict could be perceived. Specifically, a Member should not sit on a body or participate in any decision which directly affects the officer on a personal basis.

G – Use of Local Authority resources and facilities

10. As Members and officers we:

- a) Will ensure that Members have appropriate support to conduct their council business**
- b) Operate within the rules of the Member Enquiries system**

As officers we:

- c) Provide a Member Enquiries system to manage enquiries and requests from Members and ensure that responses are sent within agreed timescales**
- d) Provide facilities for use by Members in relation to their role as a Member**

As a Member I:

- a) Only use Council facilities in relation to my role as a Member.**

Mayor's Office and Members Support

- 10.1 Both Mayor's Office staff and the Members' Support Team provide assistance to Members in their role as Council Members. Staff in these sections may, therefore, be used, as appropriate, to help with work such as diary management, meetings and correspondence to do with Council matters.
- 10.2 The Members' Support Team staff will assist with booking venues for, and publishing details of, Member surgeries. The Mayor's Office book the Mayor's surgeries. Members' surgeries should normally be held within a Member's own ward, but a Member may arrange a surgery in premises outside their ward if this is necessary to provide suitable surgery facilities for their own constituents. Member must not ask Council officers to assist with any personal, business or party-political matters; attend surgeries; or decide how case work will be dealt with.
- 10.3 Member Support also provide a package of Member Learning and Development training to support Members in their Council related work.

Council Facilities

- 10.4 Members must use any Council facilities that are provided in their role as a Member strictly for that purpose and no other. For example, Members must not use rooms in the Town Hall or other buildings or any of the Council's paper, email addresses, telephone numbers, computers, photocopiers, or printers for any personal, business related or party political matter, nor, for example, on behalf of any community groups of which the Member is a member, unless formal approval has been given by the appropriate chief officer. If non-approved use is made, it could lead to a complaint under the Members Code of Conduct.
 - 10.5 The use of Council facilities and services by Members during a pre-election period for election campaigning or political purposes is not allowed. Specific guidance will be issued at that time to both Members and officers. If non-approved use is made, it could lead to a complaint under the Members Code of Conduct
 - 10.6 From time-to-time training and guidelines on the proper and effective use of Council IT resources will be issued.
 - 10.7 The Council will only provide indemnities to Members or officers in circumstances which fall within the Local Authorities (Indemnities for Members and Officers) Order 2004. The Chief Executive will decide in the individual circumstances of each case whether an indemnity is appropriate.
- Political Party Workers

10.8 Members are often assisted by political party workers. There is no objection to this, but no non-elected party worker has any entitlement to:

- information to which a Member has access in their role as Mayor or Member;
- use Council facilities provided for the use of Members.

The principles which apply to use of facilities provided for Members (and the officers employed to assist them) apply equally to all Council property and facilities and all Council employees.

Council Buildings

10.9 Where Members and officers share an office building particular care needs to be taken to maintain appropriate lines of contact.

In an open plan office environment Members and officers must be particularly careful to maintain confidentiality and the Council's meeting rooms and facilities should be used to discuss sensitive or confidential issues.

POLITICAL ASSISTANTS

10.10 Section 9 of the Local Government and Housing Act, 1989 gives councils a power to appoint up to 3 political assistants to qualifying political groups. A political assistant undertakes research and provides administrative support to the main political group in the Council. Whilst the Act allows the political affiliation of an individual to be taken into account in the appointment of any Political or Mayor's Assistant, they remain officers of the Council and must therefore not undertake any activity, which may be deemed unlawful. In this context, it should be realised that officer support to the political groups is in the context of their role in the discharge of Council business and although it may require liaison with political parties, at both local and national level, should not be used in promoting the views of an individual political party or undertaking campaigning or other party political business.

10.12 Political assistants hold politically restricted posts and therefore also face restrictions on their personal political activity.

H - Interests

11 Legal Interests

- 11.1 There is a whole range of circumstances where the Council as a corporate body may be involved in legal proceedings. This could be against residents or other individuals, organisations and companies, and across the whole range of service areas including housing, planning, highways, etc. Members have a clear role in representing residents' and general public interests. In this representative capacity, Members will inevitably become involved in issues where the Council is considering, or is in the process of taking legal action, or where the Council is the defendant to legal actions brought by third parties.
- 11.2 Conflicts of interest will almost certainly occur when a Member is enquiring on behalf of an individual or body involved in legal action by or against the Council. In such cases, Members will be required to balance their representative role with their wider responsibilities in representing the corporate interests of the authority. For this reason, Members must be circumspect in any dealing with persons taking action against the Council, or against whom any legal action is being taken. Particularly, Members must be extremely cautious about having any dealings with professional representatives, advisers or witnesses in the case. Not only could such intervention prejudice the Council's position but the Members could find himself/ herself accused of an offence of Misconduct of Public Office or, Perverting the Course of Justice or an attempt or conspiracy to do so.
- 11.3 It is therefore particularly important that Members should be sure not only to avoid any actual impropriety, but at all times avoid any occasion for suspicion or any appearance of improper conduct.
- 11.4 Whilst Members have every right to information on how any such matter is being dealt with and a duty to represent their constituents, However, the response on behalf of the Council will necessarily be limited to comments on process, so as not to prejudice the proceedings.
- 11.5 In respect of any ongoing or contemplated proceedings, all enquiries must be addressed to either the appropriate Director or Corporate Director. On no account is the Member to contact any officers involved in the proceedings to discuss or make any enquiries regarding the proceedings.
- 11.6 If a Member believes that the Council's actions or intentions are wrong, they should inform the Corporate Director concerned. It must then be for the Corporate Director to determine what action to take. If the Member remains unhappy with the action taken, then they should refer the matter to the Council's Monitoring Officer or to the Chief Executive.

I - Complying with the Protocol

12 As Members and officers we:

- a) Will always look to resolve issues amicably and through the procedures set out below.**

When things go wrong

Procedure for officers

- 12.1 If an officer has a complaint about a Member it is always preferable to resolve matters informally, through an appropriate senior manager. If the matter cannot be resolved informally or it is not suitable for such then officers can make a complaint to the Monitoring Officer.

Procedure for Members

- 12.2 If a Member has a concern about the conduct or capability of an officer, they should raise the matter privately with the appropriate Director or Corporate Director. Any concern about a Corporate Director should be raised privately with the Chief Executive. Any concern about the Chief Executive should be raised privately with the Monitoring Officer.

33 Employee Code of Conduct

INTRODUCTION

1. This code aims to guide all employees on their conduct inside work and outside work where this has a bearing on their position within the Council. It is the responsibility of all Council employees to read this Code and work in accordance with it. If you are unsure about any aspect, check it with your line manager or Human Resources.
2. As an employee you should read this Code in conjunction with other relevant parts of the Constitution, Council policies and procedures relevant to your work and more detailed operational guidelines for example in areas such as computer use, The Code, in setting out our values, rules and principles, should not be interpreted as a complete list of what you can and cannot do, but rather to enable you as an employee to understand the ground-rules that all must observe, and the differences in the roles and duties of Members (the Mayor and Councillors) and employees.
3. Any breach of this Code may lead to disciplinary action and may in some instances constitute gross misconduct.

GENERAL CONDUCT

4. The public is entitled to demand the highest standards of conduct from all local government employees.
5. The Council is extremely conscious that public confidence can be damaged where the integrity of a Council employee is called into question and they are suspected of being influenced by improper motives.
6. Paragraphs 2.1 and 2.2 of the National Joint Council for Local Government Services, National Agreement on Pay and Conditions of the Service states:
 - “Employees will maintain conduct of the highest standard such that public confidence in their integrity is sustained
 - Local codes of practice will be developed to cover the official conduct and the obligations of employees and employers.”

The Council believes:

- (a) The public is entitled to demand of a Local Government Officer conduct of the highest standard and public confidence in their integrity would be shaken were the least suspicion to arise that they could in any way be influenced by improper motives.

- (b) An Officer's off-duty hours are their personal concern but they should not subordinate their duty to their private interests or put themselves in a position where their duty to their private interests conflict. The employing Authority should not attempt to preclude Officers from undertaking additional employment, but any such employment must not, in the view of the Authority conflict with or react detrimentally to the Authority's confidence in the conduct of the Authority's business.
- (c) The Officer should not be called upon to advise any political group of the employing Authority either as to the work of the group or as to the work of the Authority, neither shall they be required to attend any meeting of any political group.

WORKING RELATIONSHIPS, EQUALITIES AND THE CUSTOMER PROMISE

7. The Council expects all employees to deal with one another, the public, clients and elected Members in a courteous and civil manner. This may be in the exercise of their duties but can cover other circumstances, e.g. when in the role of Trade Union Representative. Employees should promote equality by not discriminating unlawfully against any person and by treating people with respect regardless of their race, age, religion, gender, sexual orientation or disability.
8. It is important that there is clarity about the respective roles of elected Members and employees and that the relationship between the two is clearly understood by everyone concerned. To achieve this the Council has adopted the Member/Officer Protocol which applies to all Members (the Mayor and Councillors) and employees and should be read in conjunction with this document.
9. You must always remember your responsibilities to the community that you serve and ensure courteous, efficient and impartial service delivery to all groups and individuals within that community as defined by the policies of the Council. All employees are required to be familiar with and implement the Council's policies, particularly those relating to Equalities and the Customer Promise and to ensure that the principles within those policies and other policies are followed.
10. The Council expects relationships between work colleagues (including those between managers and team members) to be supportive, co-operative and respectful. Employees should behave in a way that enhances the performance and well-being of others and the effectiveness of Council services. Employees should not have managerial responsibility for those with whom they have close private relationships (e.g. partners and family). If such

a relationship arises, during the course of your employment, it must be declared to your divisional director or chief officer.

11. Other organisations and agencies support, assist and partner the Council in the provision of services. Employees must work within the terms of the contracts/agreements made between contractors/suppliers/partners and the Authority.

DUTY TO DECLARE INTERESTS

12. You are responsible for declaring interests which conflict with the impartial performance of your duties or put you under suspicion of improper behaviour. These interests may be financial or personal/social interests (e.g. interests of family and friends, commercial or voluntary associations). The interest may be advantageous or have a detrimental effect on you (an example of a detrimental interest may be a situation where you experience threats or pressure from family or friends to act in a particular way in your official capacity).
13. You must declare in writing to your director any financial or personal/ social interests that you consider could bring about conflict with the Council's business or interests. You are reminded in particular that you must comply with Section 117 of the Local Government Act 1972 regarding the disclosure of pecuniary interests in contracts relating to the Council. Orders and contracts must be awarded on merit and no special favour should be shown to businesses in which you have a financial interest or which are run by, for example, friends, partners or relatives. If you have such an interest you must not be involved in any way in the negotiation of agreements or the letting of contracts with these contractors/firms.
14. Interests, relationships and associations must also be declared when dealing with recruitment, management responsibilities, the allocation of resources and services, the provision of services and access to confidential information. Interests, friendships and associations, which could conflict with your professional roles and responsibilities, must also be declared to your divisional director.
15. Each directorate maintains a confidential register of declarations which must be in writing, giving information about the nature of the interest and the names of the parties and the functions involved. Chief officers and directors are also required to complete returns to be included in a confidential register maintained by Human Resources. These records may be accessed, on application to the monitoring officer, during the process of an investigation if the conduct of an employee is brought into question.

THE COUNCIL'S BUSINESS INTERESTS

16. All employees are bound by a duty of fidelity not to breach confidence and not to participate in competing activities. The Council has the right to take necessary and reasonable steps to protect its legitimate business interests.
17. The Council can legitimately seek to restrict the work activity of certain ex-employees (for a specified period of time after the end of their employment and within a specified geographical area) where the individuals could use contacts and information derived from the Council to compete with the Council for work. These restrictions would take the form of a loyalty clause (or restrictive covenant) within the employee's contract of employment.
18. The Council retains intellectual property rights for work undertaken by employees. Research, reports, designs, drawings, software developments or similar work, when created in the course of an employee's normal duties, remain the property of the Council. These should not be removed from Council premises or passed on to a third party by any employee acting in a private capacity without the express consent of the Council.

GIFTS AND HOSPITALITY

19. The acceptance of gifts and hospitality, even on a modest scale, may arouse suspicion and must be capable of public justification. A register of gifts and hospitality is therefore kept for each of the Council's directorates containing the following information:
 - The name of the person or body making an offer of a gift or hospitality.
 - The name of the employee to whom the offer was made.
 - The gift or hospitality offered.
 - The circumstances in which the offer was made.
 - The action taken by the member of staff concerned.
 - The action taken (if any) by the divisional director or chief officer.
20. Where it is in the Council's interests to offer hospitality to organisations on Council premises such arrangements must only be made with the express permission of the divisional director or chief officer and be on a scale appropriate to the occasion.
21. You are strongly advised to refuse or return any gifts, hospitality or other favours from persons inside or outside the Council as any such acceptance

could well put you in a compromising position and could render you liable to accusations by other parties who become aware of this. You should bear in mind how the acceptance of a gift or a free meal would look to a third party and how this could appear to compromise your professional judgement even if it is accepted in all innocence. When declining a gift or hospitality you should courteously but firmly inform those making the offer of the procedures and standards operating within the Council.

22. Under no circumstances should you ask for a reward, tip, gift, "Christmas box" or any other inducement. You should also not put yourself in debt to someone where this would be likely to influence your work.
23. It is a serious criminal offence for employees of the Council to corruptly receive or give any gift, loan, fee, reward or advantage in order to influence official conduct. If an allegation is made, it is for the employee to demonstrate that any such rewards have not been corruptly obtained. It is also an offence to accept any gift or consideration in the knowledge or belief that it is intended as inducement or reward, whether the employee receiving it is influenced or not.
24. There may be occasions where refusal of personal hospitality or a small token gift would clearly cause offence or distress if it were refused. The dividing line between what is and what is not acceptable is not a clear one and you should always exercise extreme caution and inform your line manager if it is accepted. This does not need to be recorded in the Gifts and Hospitality Register.
25. Before accepting a gift or hospitality staff should consider:
 - The timing of decisions for letting contracts for which a provider may be bidding (under no circumstances should gifts or hospitality be accepted from a contractor during a tendering period).
 - Whether the gift or hospitality is appropriate e.g. an inexpensive promotional pen or diary may be accepted but more expensive items, such as a bottle of whisky, must be declined. Similarly, lunch at on-site cafeterias or invitations to local cultural events as a representative of the Council may be appropriate whereas invitations to prestigious sporting events, theatre tickets or personal invitations where you are not attending in an official capacity are not appropriate.
26. Where the refusal of an unsolicited gift may cause offence, the gift may be donated to the Speaker of the Council's official charity and the donor informed accordingly in writing.

27. You should exercise discretion in offering and accepting hospitality. You should bear in mind how it might affect your relations with the party offering it and how it might be viewed by elected Members, other potential suppliers/contractors, the public and other officers. The criteria which determine whether you should accept hospitality from firms or other organisations include:
- Whether the invitation comes from a firm likely to benefit from the goodwill of the
 - Council or from a charity or other organisation which may not have the same kind of vested interest in the outcome;
 - Whether the firm is seeking a contract, or one has already been awarded;
 - Whether the visit is genuinely instructive or constitutes more of a social function;
 - The scale and location of hospitality, and whether it falls in working hours;
 - The frequency of the hospitality;
 - Whether it is directed just at you or to a group.
28. With the exception of minor gifts such as inexpensive calendars, pens or small stationery items, or hospitality such as refreshments during a site visit or an inexpensive working lunch, the acceptance of gifts and/or hospitality must be authorised in advance by a director or chief officer and recorded in writing in the directorate register. Offers that are declined must also be recorded in the register. Directors and Chief Officers are also required to complete the register although they are not required to seek prior authority for any action they decide to take.

LEGACIES

29. On occasion members of the public or clients may wish to express their appreciation of Council officers or services of a particular employee by leaving money/gifts in their will. Members of the public should be discouraged from doing this.
30. Where an employee has notice that they are to be bequeathed money/gifts from a member of the public or client they must report this to their Chief Officer.
31. Details of the amount involved, the reason for the legacy and the service provided must be forwarded to the chief officer before the employee accepts the legacy.

CONFIDENTIAL AND OTHER INFORMATION

32. The Council expects all employees to safeguard confidential information, including when they leave the Council's service. Information which can be classified as 'confidential' can broadly be grouped into the following areas:
- Information of a specific and personal nature about employees, potential employees, service users, customers, individuals and organisations who come into contact with the Council.
 - Sensitive organisational information.
 - Business/commercial information e.g. pricing, quotes, matters affecting negotiations with suppliers, trade unions etc.
33. Exempt committee papers (i.e. those on Part II of any Agenda) must not be released to the public or a fellow officer (unless they have a clear right of access) without the consent of the Director of Workforce, OD and Business Support.
34. You must not use any information obtained in the course of your employment for personal gain or benefit. You must not pass on such information to others who might use it in a similar way. All employees are under an obligation not to access or attempt to access information which they are not authorised to have.
35. Employees are bound by their contracts of employment to maintain confidentiality. Any deliberate breach of confidentiality, improper disclosure of information or misconduct in relation to official documents will be treated as a serious matter and will lead to disciplinary action.

OUTSIDE AND ADDITIONAL WORK

36. Employees must comply with Section 107 of the Local Government Act 1972 regarding the non-acceptance of any fees or rewards whatsoever other than their proper remuneration. It is a criminal offence for you corruptly to receive or give any gift, loan, fee, reward or advantage for doing or not doing anything or showing favour or disfavour to any person in your official capacity. If an allegation is made, it is for you to demonstrate that any such rewards have not been obtained corruptly. You must therefore ensure that any reward or fee that you receive from employment outside the Council has been authorised in advance in accordance with this Code.
37. Any additional work (whether paid or unpaid) you wish to undertake must not conflict with the Council's interests or in any way weaken public confidence in the Authority. Accordingly, all employees of the Authority are required to obtain consent, in writing (to be retained on their HR file), from their Chief

Officer in advance, and on each occasion, if they wish to engage in any other business, take up additional employment or work outside the Authority. This provision also applies to chief officers who will require the prior consent of the Chief Executive should they wish to engage in such activity.

38. Also you must not undertake any duties/work (whether for payment or otherwise) of a type that you normally undertake for the Council on behalf of:
 - Any other Council employee, without the prior written agreement of your chief officer who shall, if agreement is given, notify the Director of Workforce, OD and Business Support; or
 - Your Chief Officer, without the prior written agreement of the Chief Executive.
39. Employees do not need approval to undertake voluntary work or work for trade unions or political parties (subject to the provisions of the 1989 Local Government Housing Act as set out below), provided this work does not conflict with the Council's interests as specified in paragraph 37.
40. The Council will generally not give approval for additional or outside work if it:
 - Is for anyone who is in a supervisory or managerial relationship with an employee.
 - Places the employee in a position where their official duties and private interests may conflict.
 - Affects the employee's health or ability to maintain acceptable standards of work.
 - Might weaken public confidence in the conduct of the Council's business.
 - Involves the employee being in direct competition with the Council.
41. Where approval has been given to undertake additional or outside work, employees must not:
 - Use Council accommodation or facilities (vehicles, computing equipment, photocopiers, telephones etc.).
 - Submit applications of any description to the Council on behalf of any other person without written permission from their chief officer.
 - Use their knowledge of the Council or staff to help secure particular decisions or outcomes.
 - Undertake private work in office hours or when they are absent due to ill health.
 - Portray themselves as employees or agents of the Council when undertaking additional or outside work.

42. Outside work should not be undertaken for any person, company or contractor who is known by the employee to have a contractual relationship with the Council, or who is seeking work from the Council.

APPOINTMENTS AND RELATED EMPLOYMENT MATTERS

43. The Council recruits on merit and requires that its appointments are made without bias, on the basis of clear assessment criteria. If you are responsible for appointing employees, it is unlawful for you to make an appointment other than on the basis of merit. It would be unlawful for you to make an appointment based on anything other than the ability of the candidate to meet the present and future needs of the Council. In order to avoid any possible accusation of bias, you should not be involved in an appointment where you are related to an applicant, or have a close personal relationship outside work. You must not canvas on behalf of any applicant.
44. Similarly, you must not be involved in decisions relating to discipline, promotion or pay adjustments for another employee who is a relative, partner, close friend, or where you have some other close personal relationship.
45. As an employee/potential employee you must ensure that you:
- are open and honest at any interview;
 - are open and honest on any application form;
 - disclose all criminal convictions*;
 - disclose any pending criminal charges;
 - disclose if you are a friend or relative of (or have other links with) a Member or an employee who may influence your appointment;
 - disclose if you are the tenant or landlord of someone who may influence your appointment;
 - do nothing to seek undue favour from employees or Members in Council selection procedures.

[* Although under the terms of the Rehabilitation of Offenders Act 1978 certain offences are categorised as being “spent” for employment purposes this exemption does not apply to certain posts, for example where the individual is engaged in work that entails contact with children.]

LOCAL GOVERNMENT AND HOUSING ACT 1989

46. As a result of provisions introduced under the Local Government and Housing Act 1989 to ensure the political impartiality of local government employees, some employees’ posts are subject to political restriction. This means that the postholders are prohibited from involvement in political activities as these could conflict with the responsibilities at work.

47. The Local Government and Housing Act 1989 requires that anyone who is employed by a local authority in a politically restricted or sensitive post is disqualified from being elected as a Member in another local authority or as a Member of Parliament or as a Member of the European Parliament. Employees holding politically restricted posts are also unable to undertake certain political activities within the following broad categories:-
- Writing or speaking publicly on politically controversial issues.
 - Canvassing at any election on behalf of a political party or at elections for MPs, MEPs, Mayor or Councillors.
 - Holding office in any political party.
 - Publicly declaring themselves a candidate for Mayor, Councillor, MP or MEP.
48. The Act requires that employees holding the following posts should be politically restricted:
- Employees giving regular advice to Committees or Sub-Committees.
 - Employees who regularly speak to journalists or broadcasters on behalf of the Council.
49. A list of politically restricted posts is held by the Monitoring Officer. It contains the post designations and the section of the Act relating to their inclusion on the list
50. Under the Local Government (Political Restrictions) Regulations 1990, the failure of a postholder holding a politically restricted post to comply with the restriction will result in disciplinary action being taken on the grounds of misconduct.

POLITICAL NEUTRALITY AND CONTACT WITH MEMBERS

51. Employees serve the Authority as a whole. It follows that they must serve all Members (the Mayor and all Councillors, not just those of the ruling political group) and must ensure that the individual rights of all Members are respected treating political groups and individual Members in a fair and even handed manner. Insofar as employees may be required to advise political groups, they must do so in ways that do not compromise their own political neutrality. This subject is covered in detail in the Member/Officer Protocol which governs relations between elected Members and Council officers.
52. It is important that Members' enquiries should be dealt with efficiently and effectively within the established policy and procedures for the service area concerned. If employees consider that unreasonable Member pressure is

being brought to bear with a particular issue outside of established procedures and policies, the relevant details must be referred to your chief officer. It is the Chief Executive's responsibility to determine whether the incident concerned should be reported to the Group Secretaries.

53. Lines of communication between Members, employees and members of the public should accord with defined and established management practice, be readily identifiable and respected by all concerned.
54. Individual employees should not approach elected Members directly on employment matters.
55. Representations to Members should be made through chief officers or normal Trade Union/Member communication forums.
56. Employees must not disrupt official meetings of the Council or of its Cabinet, Committees, Sub-Committees, etc.

PUBLICATIONS - BROADCASTS

57. Employees who are broadcasting on a subject connected with the work of the Council are required to obtain permission from the Chief Executive and their chief officer in advance and to submit where possible a copy of the script of the broadcast or otherwise advise on general subject matter.
58. Employees should not publish, or authorise without the permission of their chief officer the publication of any book or article by them or with others which indicates that the writer is an employee of or connected with the London Borough of Tower Hamlets.
59. Similarly, employees should not, without permission from the Council, make any communication to a newspaper or other journal in which there is any indication that they are an employee or otherwise connected with the London Borough of Tower Hamlets. Employees acting in either a personal capacity or as a spokesperson for outside groups should not bring the Council into disrepute by publicising material adverse to the Council or other employees. This is not intended to preclude Trade Unions from pursuing their legitimate industrial relations activities.
60. The Council has established a Communications Section, which is responsible for all official press releases and statements. Individuals who are asked by the media to make comments should refer such requests direct to that section.
61. Employees should consider whether their public statements made about the Council (whether as a spokesperson for an organisation or as an individual)

could reflect in some unacceptable way upon the employer-employee relationship.

WHISTLEBLOWING

62. The Council expects employees who witness, or have their suspicions raised, or are approached to become party to potentially fraudulent, corrupt, dangerous or improper behaviour, to report these incidents or concerns either to their line manager or other council manager or through the agreed whistleblowing procedures. Failure to do so could implicate you in the misconduct.
63. The Council recognises that the decision to report a concern can be a difficult one to make, not least because of the fear of reprisal from those responsible for the malpractice. The Council will not tolerate harassment or victimisation and will take appropriate action to protect employees who raise a concern in good faith.
64. Employees who are subject to procedures (such as but not limited to disciplinary or redundancy) will not have those procedures halted as a result of raising concerns under this procedure.
65. Concerns should normally be raised initially with your line manager or supervisor. However, the most appropriate person to contact will depend on the seriousness and sensitivity of the issues involved and who is suspected of the misconduct/ malpractice. If for any reason you do not feel that it is appropriate to express your concerns in this way, the Council's whistleblowing policy explains the other routes available to you.
66. Malicious allegations i.e. deliberately raising false complaints with the intention of harming someone will be regarded as serious misconduct.
67. Raising concerns through the media is not an appropriate or effective channel and may result in an employee breaching obligations under this Code resulting in disciplinary action. The Council's whistleblowing policy gives details of how to raise concerns with more appropriate and independent organisations outside the Council.

COUNCIL POLICIES, PROCEDURES AND OPERATING GUIDELINES

68. In addition to this Code of Conduct, the work of Council employees is governed, in most areas, by established policies, procedures and operational guidelines which ensure:

(a) that the Council meets its statutory obligations,

- (b) that service standards are maintained,
- (c) that staff operate within their approved authority, and
- (d) that proper monitoring and auditing processes can be applied.

69. Whilst your manager will assist you, employees also have a personal responsibility to ensure that they are familiar with their responsibilities under the Council's Constitution and work within Council policies, procedures and operating guidelines.
70. Allegations of any failure to meet the requirements of this Code may be dealt with under the Council's Disciplinary Procedure.

1. INTRODUCTION

- 1.1 The Licensing Code of Conduct has been adopted by Tower Hamlets Council to regulate the performance of its licensing functions that fall within the Terms of Reference for the Licensing Committee. Its major objectives are to guide Councillors and officers of the Council in dealing with licensing related matters and to inform potential licensees and the public generally of the standards adopted by the Council in the exercise of its licensing functions. Except where otherwise stated, references in this Code are to the Licensing Committee and its Sub-Committees and the expression "Licensing Committee" should be interpreted accordingly.
- 1.2 The Licensing Code of Conduct is in addition to the Code of Conduct for Members adopted under the provisions of the Localism Act 2011. Councillors should follow the requirements of the Code of Conduct for Members and apply this Code in light of that Code. Whilst most decisions taken by Councillors are administrative in nature, the work of the Licensing Committee is different in that its proceedings are quasi-judicial and the rules of natural justice apply. This imposes a new and higher set of standards on those Councillors who are involved in the decision-making process.
- 1.3 The provisions of this Code are designed to ensure that licensing decisions are taken on proper licensing grounds, in a fair consistent and open manner and that Councillors making such decisions are, and are perceived as being, accountable for those decisions. The Code is also designed to assist Councillors in dealing with and recording approaches from applicants, licensees and objectors and is intended to ensure that the integrity of the decision-making process is preserved.
- 1.4 This Code is part of the Council's ethical framework and in addition to the Code of Conduct for Members should be read in conjunction with the Member/Officer Protocol. If a Councillor does not abide by the Code then that Councillor may put the Council at risk of proceedings on the legality or maladministration of the related decision and the Councillor may be at risk of either being named in a report to the Standards Advisory Committee or Council. A failure to abide by the Code is also likely to be a breach of the Code of Conduct for Members and which could result in a complaint being made to the Monitoring Officer.
- 1.5 **If a Councillor has any doubts about the application of this Code to their own circumstances they should seek advice early, from the Monitoring Officer and preferably well before any meeting takes place.**

2. HUMAN RIGHTS ACT

- 2.1 The Human Rights Act 1998, which came into full effect on 2nd October 2000, incorporated the key articles of the European Convention on Human Rights into domestic law. The Convention guarantees certain basic human rights. As far as possible legislation (including the licensing laws) must be interpreted in such

a way as to conform to Convention rights. Decisions on licensing issues are actions of a public authority and so must be compatible with Convention rights.

2.2 Councillors of the Committee need to be aware of the rights contained in the Convention when making decisions and in particular:

Article 6: Right to a fair trial

In the determination of a person's civil rights and obligations everyone is entitled to a fair and public hearing within a reasonable time by an independent and impartial tribunal established by law.

Article 8: Right to respect for family and private life

1. Everyone has a right to respect for his or her private life, and his or her home and correspondence.
2. There shall be no interference by a public authority with the exercise of this right except such as is in accordance with the law and is necessary in a democratic society in the interests of national security, public safety or the economic well-being of the country, for the prevention of disorder or crime, for the protection of health or morals, or for the protection of the rights and freedoms of others.

Article 1: of the First Protocol: Protocol of property

Every natural or legal person is entitled to the peaceful enjoyment of his possessions. No one shall be deprived of his or her possessions except in the public interest and subject to the conditions provided for by law and by the general principles of international law.

The preceding provisions shall not, however, in any way impair the right of a State to enforce such laws as it deems necessary to control the use of property in accordance with the general interest or to secure the payment of taxes or other contributions or penalties.

Article 14: Prohibition of discrimination

The enjoyment of the rights and freedoms in the Convention shall be secured without discrimination on any ground such as sex, race, colour, language, religion, political or other opinion, national or social origin, association with a national minority, property, birth or other status.

2.3 Article 6 is an 'absolute' right and cannot be interfered with. This means that these rights can never be detracted from because it is considered to be fundamental to the rights of people. The Licensing Committee's decisions on most licensing functions are subject to independent tribunals, usually the Magistrates' Court, so satisfying the provisions of Article 6. The Licensing Committee must however conduct a fair hearing in accordance with the rules of natural justice.

- 2.4** Article 8 and Article 1 of the First Protocol are both qualified rights and the Council can interfere with these provided that such interference had a clear legal basis. In therefore deciding whether to interfere with this right, Councillors should consider the matter within the framework of a 'fair balance' test. This requires that a balance be struck between the protection of the right of property and the general interests of the community. An interference with a person's rights must be proportionate and go no further than is necessary.
- 2.5** Specifically as to Article 1 of the First Protocol, an existing licence is a possession under this Article and therefore if a person does not currently hold a licence then it will not apply. Article 1 of the First Protocol also has relevance in respect of any third parties objecting to a licensing application, because of their right to the enjoyment of their property.
- 2.6** As to Article 14, whilst this is also an 'absolute' right it does not create an independent right as it only operates to prevent discrimination in the exercise of other convention rights. If there is discrimination however in respect of a particular protected right then there is no need to show a violation of the article giving such right for there to be a breach of Article 14. All it is necessary to show is that there has been discrimination. Accordingly, in exercising its Licensing Functions, the Council must not treat persons differently where such persons are placed in an analogous situation.

3. QUASI-JUDICIAL HEARINGS

- 3.1** A quasi-judicial hearing is one:
- which affects a person's livelihood;
 - which involves disciplinary action; or
 - which affects property
- 3.2** These hearings are subject to the rules of natural justice. Properly applied, the rules of natural justice will ensure that the requirements of the Convention that a hearing is both "fair" and presided over by an "independent and impartial tribunal" are met.
- 3.3** There are two principles underlying the rules of natural justice. First, all parties must be given a chance to put their case under conditions which do not put one party at a substantial disadvantage to the other party. All parties should be given sufficient notice of the hearing and the applicant should have disclosure of the nature of the objections/ representations as well as knowing who is objecting/ making a representation so that they can prepare a response to the points raised in such objections/ representations.
- 3.4** The rules of natural justice could also include asking questions of other parties. In respect of 'Alcohol and Entertainment Licensing' however, the Licensing Act 2003 (Hearings) Regulations 2005 ('the 2005 Regulations') provide that the

hearing should take the form of a discussion led by the authority and cross-examination should not be permitted unless the Licensing Committee considers that cross-examination is required for it to consider the representations, application or notice as the case may require.

- 3.5** As to sufficient notice of the hearing, in respect of ‘Alcohol and Entertainment Licensing’, the 2005 Regulations also address this point as they specify the **period of time within which a hearing must be commenced; the minimum time before the hearing that notice should be given; persons to whom notice of hearing is to be given; and the documents to accompany notice of hearing.** The 2005 Regulations **do provide that a failure to comply with the Regulations does not of itself render the proceedings void** but where there is such an irregularity, the authority shall, if it considers that any person may have been prejudiced as a result of the irregularity, take such steps as it thinks fit to cure the irregularity before reaching its determination.
- 3.6** The Licensing Committee should always satisfy itself that sufficient notice of the hearing has been given to all parties and if not satisfied, then the Licensing Committee should take such steps as it thinks fit to deal with that issue before reaching its determination and this could include adjourning that application to a later date.
- 3.7** Second, a person who has an interest in an application must be disqualified from considering it. The Licensing Committee must be impartial – not only must there be no actual bias but there must be no perception of bias.
- 3.8** The procedure rules which govern hearings of the Licensing Committee reflect the requirements of the Human Rights Act and the rules of natural justice. To avoid any allegations of bias or perceived bias, Councillors sitting on the Licensing Committee must strictly observe those procedure rules.
- 3.9** The use of a party political whip is inconsistent with the rules of natural justice and must be avoided by Councillors sitting on the Licensing Committee.

4. PREDISPOSITION, PREDETERMINATION OR BIAS

- 4.1** Section 25 of the Localism Act 2011 (‘the 2011 Act’) provides that a Councillor should not be regarded as having a closed mind simply because they previously did or said something that, directly or indirectly, indicated what view they might take in relation to any particular matter. This reflects the common law position that a Councillor may be predisposed on a matter before it comes to Committee, provided they remain open to listening to all the arguments and changing their mind in light of all the information presented at the meeting. Nevertheless, a Councillor in this position will always be judged against an objective test of whether the reasonable onlooker, with knowledge of the relevant facts, would consider that the Councillor was biased.

- 4.2** As to predetermination, this is a legal concept and is used in situations where a decision maker either has, or appears to have, a closed mind. That is they have made up their mind in advance of proper consideration of an issue and the merits of an application. Section 25 of the 2011 Act does not amount to the abolition of the concept of predetermination however, as no one should decide a case where they are not impartial or seen to be impartial. Critically, Councillors need to avoid any appearance of bias or of having a predetermined view before taking a decision. Indeed, Councillors should not take a decision on a matter when they are actually biased in favour or against the application, or where it might appear to a fair and informed observer that there was a real possibility of bias, or where a Councillor has predetermined the matter by closing their mind to the merits of the decision.
- 4.3** Councillors must not make up their mind on how they will vote on any licensing matter prior to formal consideration of the matter at the meeting of the Licensing Committee and the Councillor hearing the evidence and arguments on both sides. A Councillor should not make comments on Licensing policy or procedures, or make any commitment in advance as to how they intend to vote on a matter, which might indicate that they have closed their mind.
- 4.4** **Any licensing decision made by a Councillor who can be shown to have approached the decision with a closed mind will expose the council to the risk of legal challenge.**
- 4.5** Clearly expressing an intention to vote in a particular way before a meeting (predetermination) is different from where a Councillor makes it clear they are willing to listen to all the considerations presented at the committee before deciding on how to vote (predisposition).
- 4.6** If a Councillor considers that they do have a bias or cannot be impartial then they should withdraw from being a Member of the Licensing Committee for that application.
- 4.7** Councillors should note that, unless they have a disclosable pecuniary interest or a significant personal interest (see section 5 below), they will not appear to be predetermined through-
- listening or receiving viewpoints from residents or other interested parties;
 - making comments to residents, interested parties, other Councillors or appropriate officers, provided they do not consist of or amount to prejudging the issue and the Councillor makes clear that they are keeping an open mind;
 - seeking information through appropriate channels; or
 - being a vehicle for the expression of opinion or speaking at the meeting as a Ward Councillor, provided the Councillor explains their actions at the start of the meeting or item and makes it clear that, having expressed the opinion or ward/ local view, they have not committed themselves to vote in

accordance with those views and will make up their own mind having heard all the facts and listened to the debate.

4.8 The following advice applies:

- Councillors must not make up their mind, or appear to have made up their mind on how they will vote on any licensing matter prior to formal consideration of the matter at the meeting of the Licensing Committee and of the Councillor hearing evidence and arguments on both sides. This includes deciding or discussing how to vote on any application at any sort of political group meeting, or lobby any other Councillor to do so. If a Councillor has an interest in a local lobby group or charity or pressure group they may appear predetermined by their actions and/ or statements made in the past. The Councillor should take advice from the Legal Adviser to the Licensing Committee on how to deal with this.
- It must be noted that if a Councillor is predetermined then taking part in the decision will put the Council at risk of a finding of maladministration and of legal proceedings on the grounds of there being a danger of bias or predetermination or, a failure to take into account all of the factors enabling the proposal to be considered on its merits.
- A Councillor may appear pre-determined where the Council is the landowner, developer or applicant and the Councillor has acted as, or could be perceived as being, a chief advocate for the proposal. This would arise where that through the Councillor's significant personal involvement in preparing or advocating the proposal the Councillor will be, or perceived by the public as being, no longer able to act impartially or to determine the proposal purely on its licensing merits.
- Councillors should recognise that in being a Councillor of a political group they are allowed to be predisposed in relation to licensing policies of the Council or to licensing policies of the Councillor's political party, providing that predisposition does not give rise to a public perception that the Councillor has, due to his/ her political membership, predetermined a particular matter.
- When considering a licensing application, Councillors must:
 - act fairly and openly;
 - approach each application with an open mind; carefully weigh up all relevant issues; and
 - determine each item on its own licensing merits
- And Councillors must not:
 - take into account irrelevant issues;
 - behave in a manner that may give rise to a public perception that they may have predetermined the item; and

- behave in such a manner which may give rise to a public perception that they may have been unduly influenced in reaching a decision.

5. INTERESTS

- 5.1** In order to avoid allegations of bias it is important that Councillors are scrupulous in declaring interests at the hearing.
- 5.2** There are three (3) categories of interests, namely:
- Disclosable pecuniary interests (DPIs);
 - Other registerable interests; and
 - Non registerable interests.
- 5.3** Chapter 7 of the 2011 Act places requirements on Councillors regarding the registration and disclosure of their pecuniary interests ('DPI') and the consequences for a Councillor taking part in consideration of an issue in the light of those interests. The definitions of DPI taken from the Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012 are set out in paragraph 3.4 of the Code of Conduct for Members. A Councillor must provide the Monitoring Officer with written details of relevant interests within 28 days of their election or appointment to office. These interests can be either an interest of the Member or an interest (of which the Member is aware) of a spouse, civil partner or a person that the Member is living with as a spouse or civil partner. Any changes to those interests must similarly be notified within 28 days of the Councillor becoming aware of such changes.
- 5.4** A failure to register or declare a DPI or the provision of false or misleading information on registration, or participation in discussion or voting in a meeting on a matter in which a Councillor has a DPI, are criminal offences.
- 5.5** A DPI relating to an item under discussion requires the immediate withdrawal of the Councillor from the Licensing Committee. In certain circumstances, a dispensation can be sought from the Monitoring Officer to take part in that particular item of business and which could arise where the Councillor is the applicant or has made a representation for or against the application.
- 5.6** Having regard to the rules of natural justice and the requirement that a Councillor who has an interest in an application must be disqualified from considering it, then consideration must also be given to other non-DPI personal interests that are either registrable as required by the Code of Conduct for Members or are personal interests that do not require registration.
- 5.7** A personal interest in a matter arises if a Councillor anticipates that a decision on it might reasonably be regarded as affecting (to a greater extent than other council tax payers, ratepayers or residents of the Council's area) the well-being or financial position of the Councillor, a relative or a friend or

- the employment or business carried out by those persons, or in which they might be investors (above a certain level);
- any of the bodies with which the Councillor is associated, and which the Councillor will have registered in the register of interests.

5.8 If a Councillor has a personal interest in any licensing application or other matter before the Licensing Committee then the Member shall, if present, disclose the existence and nature of the interest at the start of the meeting and, in any event, before the matter is discussed or as soon as it becomes apparent. The full nature of the interest must be declared. The declaration and disclosure of a personal interest does not usually debar a Councillor from participation in the discussion or voting provided that the personal interest is not so significant that there is a real possibility of bias or predetermination and which is likely to prejudice the Councillor's judgement of the public interest (see 5.9 below).

5.9 The position is different however where a member of the public, with knowledge of the relevant facts, would reasonably regard the personal interest as so significant that there is a real possibility of bias or predetermination and which is likely to prejudice the Councillor's judgement of the public interest. Examples of this are working closely with an applicant or a group of objectors to achieve a certain outcome; lobbying other Councillors on the Committee; acting as an agent for a person pursuing a licensing matter with the Council; or generally declaring voting intentions ahead of the meeting etc.

5.10 A Councillor with a personal interest which might appear to a fair and informed observer that there was a real possibility of bias must not participate in the discussion on the application and must leave the room immediately when the discussion on the item begins or as soon as the interest becomes apparent. They cannot seek to influence the decision, save that if a member of the public has the right to attend the meeting, make representations, answer questions, or give evidence, then a Councillor will have the same right. Once the Councillor has exercised that right then the Councillor must withdraw from the room for the rest of that item and play no further part in the discussion or vote.

5.11 Being a Councillor for the ward in which particular premises are situated is not necessarily declarable and as a general rule Councillors of the Committee may deliberate on matters affecting their wards provided they do so with an open mind. Councillors should remember, however, that their overriding duty is to the licensing objectives and not to the residents and businesses within their ward. Councillors have a duty to make decisions impartially, and should not improperly favour, or appear to improperly favour, any person, company, group or locality. If a Member feels that they cannot do this then the Member must leave the room when the discussion on the item begins.

5.12 More information on what constitutes an interest as well as the obligation on Councillors to register their interests is contained in the Code of Conduct for Members set out in Part C Section 31 of the Constitution. The ultimate

responsibility for fulfilling these requirements rests with individual Councillors but the Council's Monitoring Officer is available to give advice if required.

6. TRAINING OF COUNCILLORS

- 6.1** As the technical and propriety issues associated with licensing are not straightforward, Councillors on the Licensing Committee must participate in a programme of training on the licensing system and related matters agreed by and organised by officers. The programme will consist of compulsory and discretionary elements. The aim of the training is to assist Members in carrying out their role properly and effectively. If a Councillor fails to participate in the compulsory elements of the training this may result in that Councillor being asked to stand down as a Councillor of the Licensing Committee.
- 6.2** Councillors should be aware that training is particularly important for Councillors who are new to the Licensing Committee and for Councillors who have not attended training in the recent past. Other Councillors are free to attend the training in order to gain an understanding of licensing issues.
- 6.3** Where a Member has a genuine difficulty in attending any particular training session officers will try when practicable to accommodate a request for an individual or repeat session.

7. APPLICATION BY A COUNCILLOR OR OFFICER

- 7.1** The Licensing Committee may need to determine an application submitted by a Councillor or an officer, or by a company or individual with which a Councillor or officer has an interest or relationship. For the avoidance of doubt, the term Councillor or an officer includes any former Councillors or officers. In such cases, it is vital to ensure that such application is handled in a way that gives no grounds for accusations or favouritism. Accordingly the matter will be dealt with as follows-
- (a) On receipt of such an application, a copy of the application will be referred to the Corporate Director.
 - (b) The Corporate Director will pass a copy of the application to the Monitoring Officer who will satisfy himself/ herself that the application can be, and is being, processed and determined without suspicion or impropriety.
 - (c) If a Councillor or an officer submit their own proposal to the Council which they serve, they must take no part in its processing or the decision making process.
 - (d) The Councillor making the application would almost certainly have a DPI and should not address the Committee as the applicant but should appoint an independent agent to represent their views.

- (e) Councillors of the Licensing Committee must consider whether the nature of any relationship with the person (either a Member or an officer) making the application requires that they make a declaration of interest and if necessary also withdraw from the meeting.
- (f) In respect of former Councillors or former officers the above requirements shall apply for a period of three years following their departure from the Council.

8. APPLICATION BY THE COUNCIL (OR WHERE THE COUNCIL IS THE LANDOWNER)

- 8.1** Councillors may need to determine an application submitted by the Council for the Council's own land or in respect of land where the Council is the landowner. It is perfectly legitimate for such applications to be submitted to and determined by the Licensing Authority. Applications should be treated with the same transparency and impartiality as those of other applicants so as not to give rise to suspicions of impropriety.
- 8.2** If a Councillor has been heavily committed or involved in an area of policy/issue relating to such an application (e.g. as a Cabinet Member), then that Councillor must consider whether they have an interest which should be disclosed. In such circumstances, the Councillor should seek advice from the Legal Adviser to the Licensing Committee.

9. LOBBYING

- 9.1** Councillors may be approached or lobbied by an applicant, agent or objector about a particular licensing application. This can happen prior to an application being made or at any time after the application is made. Whilst lobbying is a normal and perfectly proper part of the political process, it can cause the perception of bias or predetermination especially when a Councillor must enter the meeting with an open mind and make an impartial determination on the relative merits of all the evidence presented at the hearing.
- 9.2** To avoid such perception, if a Member is approached then they should:
 - (a) inform such applicant or agent or interested party/ objector that such approach should be made to officers or to elected Councillors who are not Councillors of the Licensing Committee;
 - (b) forthwith notify in writing to the Monitoring Officer the fact that such an approach has been made, identifying the application, the nature of the approach, by whom it was made, and the action taken by the Member concerned; and
 - (c) keep an adequate written record so as to enable the Member to disclose the fact and nature of such an approach at any relevant meeting of the Licensing Committee.

- 9.3** If the Councillor does discuss the case then in no circumstances should a Councillor give an indication of voting intentions or otherwise enter into an unconditional commitment to oppose or support the application. To do so without all relevant information and views would be unfair and detrimental. As stated in 9.2(c) above, the Councillor must keep an adequate written record of the discussion so as to enable the Member to disclose the fact and nature of such an approach at any relevant meeting of the Licensing Committee.
- 9.4** If a Councillor who is not a Councillor of the Licensing Committee is contacted by an applicant, objector or interested party then that Councillor can discuss the issues raised by their constituent with the appropriate licensing officer and may forward any representations or evidence to that officer, who will, provided it is lawful, include the relevant information in the report to the Licensing Committee. If a Councillor wishes to make their own representations about a matter they should likewise make those representations to the appropriate Licensing officer.
- 9.5** When attending a public meeting at which a licensing issue is raised, a Councillor of the Licensing Committee should take great care to maintain an impartial role and not express a conclusive view on any pre-application proposals or submitted application. As stated in 9.2(c) above, the Councillor must keep an adequate written record of the discussion so as to enable the Member to disclose the fact and nature of such an approach at any relevant meeting of the Licensing Committee
- 9.6** Correspondence received by any Councillor (whether on the Licensing Committee or not), should be passed without delay to the Corporate Director so that all relevant views can be made available to those Councillors or officers responsible for determining the application. A reply by a Councillor should, as a rule, simply note the contents of the correspondence and advise that it has been passed to officers.
- 9.7** Councillors should not accept gifts or hospitality from any person involved in or affected by licensing application. If a degree of hospitality is entirely unavoidable, then the Councillor must comply with the provisions in the Code of Conduct for Members on Gifts and Hospitality.
- 9.8** Councillors should not become a member of, lead or represent a national charity or local organisation whose primary purpose is to lobby to promote or oppose licensing applications. If a Councillor does then it is likely to appear to a fair and informed observer that there is a real possibility of bias and that Councillor will be required to withdraw from the debate and decision on that matter.
- 9.9** Councillors must also not lobby fellow Councillors regarding their concerns or views nor attempt to persuade them that they should decide how to vote in advance of the meeting at which any licensing decision is to be taken.

10. PRE HEARING DISCUSSIONS

- 10.1** Discussions between a potential applicant and representatives of the Council may be of considerable benefit to both parties. Similarly, a meeting between the Council and potential objectors may also be beneficial. However, it would be easy for such discussions to become or be seen (especially by objectors) to become part of a lobbying process. In the circumstances, pre-application discussions should be avoided by Councillors of the Licensing Committee.
- 10.2** Generally, any contact with applicants and/ or objectors should only be conducted with and through officers and should always be reported to the Licensing Committee. Requests to a Councillor for a meeting should be passed to the Corporate Director.

11. SITE VISITS

- 11.1** If a site visit takes place, its purpose is to gain information relating to the premises which are the subject of the licensing application or revocation to be considered by the Licensing Committee. A site visit may also assist Councillors in matters relating to the context of the application or revocation, the characteristics of the premises and the surrounding area. Councillors should avoid expressing opinions during site visits to any person present, including other Members. Councillors can, of course, rely upon their own local knowledge.
- 11.2** During site visits, Councillors of the Licensing Committee shall not engage individually in discussion with applicants or objectors.
- 11.3** On site visits applicants, agents, objectors or other interested parties shall only be permitted to point out to Councillors features to look at either on the premises or in the vicinity, which are relevant to the application. No discussion will take place on the merits of the application or revocation.
- 11.4** A Councillor of a Licensing Committee may request a site visit, prior to the meeting of the Committee, in which case their name shall be recorded. They shall provide and a record be kept of:
- (i) their reason for the request; and
 - (ii) whether or not they have been approached concerning the application and if so, by whom

and unless the Councillor provides these at least one week prior to the relevant meeting, a site visit will not proceed.

- 11.5** If any Councillor of the Licensing Committee wishes to informally view an application's site then that viewing must only take place if it can be done from

a public place. Councillors of the Licensing Committee shall not enter any premises which are the subject of a licensing application or known by them to be likely to become such in order to meet the agent, applicant, licensee or other interested party, save in the course of a formal accompanied site visit. In exceptional circumstances such as where a Councillor is unable to attend an official site visit that has been arranged, a site visit by an individual Councillor may be carried out provided that the Councillor is accompanied by a licensing officer.

12. RELATIONSHIP BETWEEN COUNCILLORS AND OFFICERS

- 12.1** Councillors of the Licensing Committee shall not attempt in any way to influence the terms of the officers' report upon any application.
- 12.2** Any criticism by Councillors of the Licensing Committee or an officer in relation to the handing of any licence application should be made in writing to the Corporate Director and/ or the Monitoring Officer and not to the Officer handling the application.
- 12.3** If any officer feels or suspects that pressure is being exerted upon him/ her by any Councillor of the Council in relation to any particular application, they shall forthwith notify the matter in writing to the Monitoring Officer.
- 12.4** If any officer of the Council who is involved in dealing with any licensing application has had any involvement with an applicant, agent or interested party, whether or not in connection with the particular application being determined, which could possibly lead an observer with knowledge of all the relevant facts to suppose that there might be any possibility that the involvement could affect the officer's judgement in any way, then that officer shall declare this interest in the public register held by the Monitoring Officer and take no part. This public register is to be available for inspection at the Licensing Committee meeting.
- 12.5** No officer of the Council shall engage in any paid work for any licensing matter for which Tower Hamlets is the Licensing Authority other than on behalf of the Council.

13. CONDUCT AT THE HEARING

- 13.1** The essence of the rules of natural justice is that Councillors not only act fairly but are also seen to act fairly. Councillors must follow agreed procedures at all times and should only ask questions at the appropriate points in the procedure. At no time should a Councillor express a view which could be seen as pre-judging the outcome. During the course of the hearing Councillors should not discuss (or appear to discuss) aspects of the case with the applicant, an objector, their respective advisers or any member of the public nor should they

accept letters or documents from anyone other than an officer from Democratic Services or the Legal Advisor to the Committee.

- 13.2** Councillors of the Licensing Committee shall refrain from personal abuse and party-political considerations shall play no part in the Committee's deliberations. Councillors shall be respectful to the Chair and to each other and to officers and Members of the public including applicants, their agents and objectors and shall not bully any person.
- 13.3** When questioning witnesses at a meeting of a Licensing Committee, Councillors shall ensure that their questions relate only to licensing considerations relevant to the particular application.
- 13.4** Councillors must ensure that they hear the evidence and arguments for and against the application, in accordance with the rules of natural justice. Councillors must ensure that both the applicant and the objectors receive a fair hearing. Applicants must have the opportunity in advance of the hearing to prepare their case in answer to the objectors/ interested parties/ responsible authorities.
- 13.5** If a Councillor of the Licensing Committee arrives late for a meeting, they will not be able to participate in any item or application already under discussion. Similarly, if a Councillor has to leave the meeting for any length of time, they will not be able to participate in the deliberation or vote on the item or application under discussion at the time of their absence. If a Councillor needs to leave the room, they should ask the Chair for a short adjournment
- 13.6** It is permissible for the Chair of the meeting to curtail statements of parties or witnesses, if they are merely repeating matters which have already been given in evidence.
- 13.7** In considering objections/ representations Councillors are advised that if such are founded on a demonstrable misunderstanding of the true factual position, or otherwise indicate no more than an uninformed reaction to a proposal then they carry no weight whatever and must be ignored. Further Councillors are advised that the mere number of objections irrespective of their content can never be a good reason for refusing an application. What matters are the grounds on which such are based.
- 13.8** Also in considering the application, it may well be that hearsay evidence is presented. Councillors are advised that the strict rules of evidence do not apply in licensing applications and therefore hearsay is admissible. Indeed, hearsay might by its source, nature and inherent probability carry a greater degree of credibility than first hand evidence. What must be discounted, however, are gossip, speculation and unsubstantiated innuendo. In considering hearsay evidence, it should only be accepted where it can fairly be regarded as reliable although Councillors must give the other side a fair opportunity of commenting on it and contradicting it. Ultimately, hearsay evidence must be treated with

great reservation by Councillors, who must make an assessment of its weight and credibility.

- 13.9** When new matters are raised as objections by any person at a hearing, the Licensing Committee is not obliged to hear them. However, if Councillors feel that the new matter raised by the objector should be considered, but the applicant needs further time to consider their response then the applicant should be offered an adjournment of the meeting (either for a short period during the meeting itself or if necessary to a new date). (This paragraph does not apply to 'Alcohol and Entertainment Licensing' under the Licensing Act 2003 or 'Gambling Licensing' under the Gambling Act 2005, as new objections cannot be raised at the hearing).

14. COUNCILLORS WHO ARE NOT ON THE COMMITTEE

- 14.1** A Councillor who is not a member of the Committee may speak at the meeting, with the agreement of the Chair, as an advocate for either the applicant or the objectors. A Councillor wishing to speak should submit a written statement within the relevant consultation period. The applicant has the right to see any objections in advance. They also have a right of reply.
- 14.2** Councillors addressing the Committee should disclose any interests they may have, including the fact that they have been in touch with the applicant, the objectors or their respective agents and whether they are speaking on behalf of any of those people at the meeting.
- 14.3** A Councillor who is not on the Committee but who is at one of its meetings should normally sit apart from the Committee to demonstrate that they are not taking part in the discussion, consideration or vote. They should not communicate with Councillors on the Committee or pass papers or documents to them before or during the meeting. They may not attend briefings or accompany the Committee if it retires to deliberate in private..
- 14.4** Councillors who are opposed in principle to any category of application or form of public entertainment, either in their own ward or borough-wide, should not seek nomination to the Committee.

15. MAKING THE DECISION

- 15.1** The decision whether or not to grant a licensing application is a decision for the Councillors of the Licensing Committee only. The assessment of the weight and credibility of evidence is also for Councillors alone to decide.
- 15.2** Councillors shall retire to decide the matter in closed session. The Legal Officer and Democratic Services Officer present at the meeting will retire with them.

During such closed session, the Legal Officer will only provide advice on legal issues relating to the application and will assist in the drafting of any proposed conditions to ensure that they are legally enforceable.

- 15.3** In accordance with regulations, Councillors considering applications relating to ‘Alcohol and Entertainment Licensing’ under the Licensing Act 2003 or ‘Gambling Licensing’ under the Gambling Act 2005 should disregard any information provided by any party which is not relevant to;
- a) their application, representations or notice (as applicable); and
 - b) the promotion of the licensing objectives or the crime prevention objective where notice has been given by the Police.
- 15.4** Councillors will normally return to open session to announce its decision and give reasons for the same but in cases where the prescribed time limit allows for a later determination and it is appropriate to determine the matter within that time then the Chair will advise the parties present that the decision will not be announced then but that the determination will take place within the prescribed time limit and that written notification will be dispatched to all parties advising then of the determination.
- 15.5** Written notice of the decision together with Councillors’ reasons will always be given and such notice will set out any rights of appeal against the decision.
- 15.6** Councillors own knowledge of the circumstances surrounding an application is valid provided that they are put to the applicant for a response. In reaching their decision Councillors must have regard to the evidence presented at the hearing, both the documents circulated in advance and the oral evidence. The decision must be based on the evidence alone and Councillors have a duty to ensure that they have regard to all the relevant matters before them and only those matters.
- 15.7** Councillors considering an application have a duty to determine it only on the facts before them relating to that individual case and not decide it as a matter of general policy. Councillors must not make unreasonable decisions that no other reasonable licensing authority would arrive at, having regard to the legal principle of “Wednesbury reasonableness”.
- 15.8** In considering applications, Councillors must also have due regard to any Council Policy (e.g. the Council’s Statement of Licensing Policy) and any statutory guidance (e.g. Licensing Guidance issued under section 182 of the Licensing Act 2003). Any departure from such should be justified and based on the facts before them.
- 15.9** Councillors should be aware that an unreasonable decision taking into account the above criteria is unlikely to be sustained on appeal. In this instance, the authority foregoes the opportunity to attach terms and conditions to a licence and will likely have to pay costs. The role of officers is to point this out and

advise Councillors as to the potential risk of losing an appeal and being required to pay the other parties costs as a consequence. This needs to be balanced with the Council's fiduciary duty towards the local taxpayer in terms of the Council being a public body spending public money.

16. APPEALS

- 16.1** The Licensing Committee's decision is not a final one and applicants (and in certain cases interested parties and responsible authorities) have the right to appeal to the Magistrates Court and beyond in certain cases.
- 16.2** An appeal must be lodged within a prescribed time of receiving written notification of the decision.
- 16.3** On such appeals the hearing takes on an increasingly formalised nature, based solely on the evidence given. The Council will only be able to sustain its defence if it can substantiate its grant or refusal of a licence by relevant admissible evidence. Councillors who consider basing the grant or refusal of a licence on their personal knowledge should be prepared to testify to the relevant facts in any appeal proceedings.
- 16.4** Taking this factor into account along with the real risk of costs against the Council, Councillors must be wary of relying on any matters which could not readily be proved in evidence. Essentially, for Committee decisions to "stand up" on appeal and to avoid costs being awarded against the Authority, decisions to grant or refuse licences or impose conditions must be justified.

17. RECORD KEEPING

- 17.1** In order that licensing procedures are undertaken properly and that any complaints can be fully investigated, record keeping will be complete and accurate. Every licensing application file will contain an accurate account of events throughout its life, particularly the outcomes of meetings, significant telephone conversations and any declarations of interests by Councillors. Records will be kept in accordance with the Council's Information Governance Framework and, specifically, the Council's Records Management Policy.

1. INTRODUCTION

- 1.1 The Planning Code of Conduct has been adopted by Tower Hamlets Council to regulate the performance of its planning functions. Its major objectives are to guide Councillors and officers of the Council in dealing with planning related matters and to inform potential developers and the public generally of the standards adopted by the Council in the exercise of its planning powers.
- 1.2 The Planning Code of Conduct is in addition to the Code of Conduct for Members adopted under the provisions of the Localism Act 2011. Councillors should follow the requirements of the Code of Conduct for Members and apply this Code in light of that Code. The purpose of this Code is to provide more detailed guidance on the standards to be applied specifically in relation to planning matters.
- 1.3 Planning decisions involve balancing many competing interests and making an informed judgement against a local and national policy framework. In doing this, Councillors need to make decisions having regard to the wider public interest on what can sometimes be controversial proposals. The provisions of this Code are designed to ensure that planning decisions are taken with sound judgement and for justifiable reasons, in a fair consistent and open manner and that Councillors making such decisions are perceived as being accountable for those decisions. The Code is also designed to assist Councillors in dealing with and recording approaches from developers and objectors and is intended to ensure that the integrity of the decision-making process is preserved.
- 1.4 This Code applies to Councillors at all times that they are involved in the planning process. This would include, where applicable, when part of decision making meetings of the Council in exercising the functions of the Planning Authority or when involved on less formal occasions, such as meetings with officers or the public and consultative meetings. It applies as equally to planning enforcement matters or site specific policy issues as it does to planning applications.
- 1.5 This Code is part of the Council's ethical framework and in addition to the Code of Conduct for Members should be read in conjunction with the Member/Officer Protocol. If a Councillor does not abide by the Code then that Councillor may put the Council at risk of proceedings on the legality or maladministration of the related decision and the Councillor may be at risk of either being named in a report to the Standards Advisory Committee or Council. A failure to abide by the Code is also likely to be a breach of the Code of Conduct for Members and which could result in a complaint being made to the Monitoring Officer.
- 1.6 **If a Councillor has any doubts about the application of this Code to their own circumstances they should seek advice early, from the Monitoring Officer and preferably well before any meeting takes place.**

2. PREDISPOSITION, PREDETERMINATION OR BIAS

- 2.1 Section 25 of the Localism Act 2011 ('the 2011 Act') provides that a Councillor should not be regarded as having a closed mind simply because they previously did or said something that, directly or indirectly, indicated what view they might take in relation to any particular matter. This reflects the common law position that a Councillor may be predisposed on a matter before it comes to Committee, provided they remain open to listening to all the arguments and changing their mind in light of all the information presented at the meeting. Nevertheless, a Councillor in this position will always be judged against an objective test of whether the reasonable onlooker, with knowledge of the relevant facts, would consider that the Councillor was biased.
- 2.2 As to predetermination, this is a legal concept and is used in situations where a decision maker either has, or appears to have, a closed mind. That is they have made up their mind in advance of proper consideration of an issue and the merits of an application. Section 25 of the 2011 Act does not amount to the abolition of the concept of predetermination however, as no one should decide a case where they are not impartial or seen to be impartial. Critically, Councillors need to avoid any appearance of bias or of having a predetermined view before taking a decision. Indeed, Councillors should not take a decision on a matter when they are actually biased in favour or against the application, or where it might appear to a fair and informed observer that there was a real possibility of bias, or where a Councillor has predetermined the matter by closing their mind to the merits of the decision.
- 2.3 Any planning decision made by a Councillor who can be shown to have approached the decision with a closed mind will expose the Council to the risk of legal challenge.
- 2.4 Clearly expressing an intention to vote in a particular way before a meeting (predetermination) is different from where a Councillor makes it clear they are willing to listen to all the considerations presented at the committee before deciding on how to vote (predisposition).
- 2.5 If a Councillor considers that they do have a bias or cannot be impartial then they **must** withdraw from considering that application.
- 2.6 Councillors should note that, unless they have a disclosable pecuniary interest or a significant personal interest (see section 3 below), they will not appear to be predetermined through-
- listening or receiving viewpoints from residents or other interested parties;
 - making comments to residents, interested parties, other Councillors or appropriate officers, provided they do not consist of or amount to

prejudging the issue and the Councillor makes clear that they are keeping an open mind;

- seeking information through appropriate channels; or
- being a vehicle for the expression of opinion or speaking at the meeting as a Ward Councillor, provided the Councillor explains their actions at the start of the meeting or item and makes it clear that, having expressed the opinion or ward/local view, they have not committed themselves to vote in accordance with those views and will make up their own mind having heard all the facts and listened to the debate.

2.7 The following advice applies:

- Councillors must not make up their mind, or appear to have made up their mind on how they will vote on any planning matter prior to formal consideration of the matter at the meeting of the Committee and of the Councillor hearing the officer's presentation and evidence and arguments on both sides. This includes deciding or discussing how to vote on any application at any sort of political group meeting, or lobby any other Councillor to do so. If a Councillor has an interest in a local lobby group or charity or pressure group they may appear predetermined by their actions and/ or statements made in the past. The Councillor should take advice from the Legal Adviser to the Committee on how to deal with this.
- It must be noted that if a Councillor is predetermined then taking part in the decision will put the Council at risk of a finding of maladministration and of legal proceedings on the grounds of there being a danger of bias or predetermination or, a failure to take into account all of the factors enabling the proposal to be considered on its merits.
- A Councillor may appear pre-determined where the Council is the landowner, developer or applicant and the Councillor has acted as, or could be perceived as being, a chief advocate for the proposal. This would amount to more than a matter of membership of both the Cabinet and Development Committee, but that through the Councillor's significant personal involvement in preparing or advocating the proposal the Councillor will be, or perceived by the public as being, no longer able to act impartially or to determine the proposal purely on its planning merits. (See Section 6 below for guidance on applications submitted by the Council).
- Councillors should recognise that in being a Councillor of a political group they are allowed to be predisposed in relation to planning policies of the Council or to planning policies of the Councillor's political party, providing that predisposition does not give rise to a public perception that the Councillor has due to his/ her political membership predetermined a particular matter. (See Section 7 below relating to Lobbying).

- When considering a planning application or any other planning matter Councillors must:
 - act fairly and openly;
 - approach each planning issue with an open mind; carefully weigh up all relevant issues; and
 - determine each item on its own planning merits
- And Councillors must not:
 - take into account irrelevant issues;
 - behave in a manner that may give rise to a public perception that they may have predetermined the item; and
 - behave in such a manner which may give rise to a public perception that they may have been unduly influenced in reaching a decision.

3. INTERESTS

- 3.1 In order to avoid allegations of bias it is important that Councillors are scrupulous in declaring interests at the meeting.
- 3.2 Chapter 7 of the 2011 Act places requirements on councillors regarding the registration and disclosure of their pecuniary interests ('DPI') and the consequences for a councillor taking part in consideration of an issue in the light of those interests. The definitions of DPI taken from the Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012 are set out in paragraph 5.1 of the Members' Code of Conduct. A Councillor must provide the Monitoring Officer with written details of relevant interests within 28 days of their election or appointment to office. Any changes to those interests must similarly be notified within 28 days of the Councillor becoming aware of such changes. A failure to register or declare a DPI or the provision of false or misleading information on registration, or participation in discussion or voting in a meeting on a matter in which a Councillor has a DPI, are criminal offences.
- 3.3 A DPI relating to an item under discussion requires the immediate withdrawal of the Councillor from the Committee. In certain circumstances, a dispensation can be sought from the Monitoring Officer to take part in that particular item of business and which could arise where the Councillor is the applicant or has made a representation for or against the application.
- 3.4 Having regard to the requirement that a Councillor who has an interest in an application must be disqualified from considering it, then consideration must also be given to personal interests. A personal interest in a matter arises if a Councillor anticipates that a decision on it might reasonably be regarded as affecting (to a greater extent than other council tax payers, ratepayers or residents of the Tower Hamlets) the well-being or financial position of the Councillor, a relative or a friend or

- the employment or business carried out by those persons, or in which they might be investors (above a certain level)
 - any of the bodies with which the Councillor is associated, and which the Councillor will have registered in the register of interests.
- 3.5 If a Councillor has a personal interest in any planning then the Councillor shall, if present, disclose the existence and nature of the interest at the start of the meeting and, in any event, before the matter is discussed or as soon as it becomes apparent. The full nature of the interest must be declared. If, in accordance with the Members' Code of Conduct, the interest is 'sensitive', the Councillor must disclose to the meeting that they have an interest that is sensitive but need not disclose the nature of the interest or any other sensitive information. The declaration and disclosure of a personal interest does not usually debar a Councillor from participation in the discussion provided that the personal interest is not so significant that there is a real possibility of bias or predetermination and which is likely to prejudice the Councillor's judgement of the public interest (see 3.6 below).
- 3.6 The position is different however where a member of the public, with knowledge of the relevant facts, would reasonably regard the personal interest as so significant that there is a real possibility of bias or predetermination and which is likely to prejudice the Councillor's judgement of the public interest. Examples of this are the Councillor is working closely with a developer or a group of objectors to achieve a certain outcome; lobbying other Councillors on the Committee; acting as an agent for a person pursuing a planning matter with the Council; or generally declaring voting intentions ahead of the meeting etc.
- 3.7 A Councillor with a personal interest which might appear to a fair and informed observer that there was a real possibility of bias must not participate in the discussion on the application and must leave the room immediately when the discussion on the item begins or as soon as the interest becomes apparent. They cannot seek to influence the decision, save that if a member of the public has the right to attend the meeting, make representations, answer questions etc., then a Councillor will have the same right. Once the Councillor has exercised that right then the Councillor must withdraw from the room for the rest of that item and play no further part in the discussion or vote.
- 3.8 Being a Councillor for the ward in which particular premises is situated is not necessarily declarable and as a general rule Councillors of the Committee may deliberate on matters affecting their wards provided they do so with an open mind. Councillors should remember, however, that their overriding duty is to the whole community not just to the residents and businesses within their ward. Councillors have a duty to make decisions impartially, and should not improperly favour, or appear to improperly favour, any person, company, group or locality. If a Councillor considers that it is appropriate to make representations for their ward then the Councillor can declare this and make representations and must not participate in the debate and vote. It may be that

by remaining in the Committee room during the debate and vote that a reasonable person could perceive that the Councillor was seeking to influence the decision by their continued presence. In deciding therefore whether to remain, Councillors, especially Executive Members or the Mayor, should consider the perception that their continued presence could cause.

- 3.9 More information on what constitutes an interest as well as the obligation on Councillors to register their interests is contained in the Code of Conduct for Members set out in Part B Section 31 of the Constitution. The ultimate responsibility for fulfilling these requirements rests with individual Councillors but the Council's Monitoring Officer is available to give advice if required.
- 3.10 Further, at Appendix C, there are a series of What Ifs and which will assist in Councillors determining whether they have a personal interest which they should declare and whether it could give rise to a reasonable observer in possession of the facts considering that the Councillor would be biased or would be unable to be impartial.

4. TRAINING OF COUNCILLORS

- 4.1 As the technical and propriety issues associated with planning are not straightforward, Councillors who sit on either the Development Committee or the Strategic Development Committee must participate in a programme of training on the planning system and related matters agreed by and organised by officers. The programme will consist of compulsory and discretionary elements. If a Councillor fails to participate in the compulsory elements of the training this may result in that Councillor being asked to stand down as a Councillor of relevant Committee.
- 4.2 Councillors should be aware that training is particularly important for those who are new to the Development Committee and for Councillors who have not attended training in the recent past. Other Councillors are free to attend the training in order to gain an understanding of planning issues.
- 4.3 The compulsory training programme will cover issues relating to probity in planning, principles in planning to reflect government guidance and case law. Discretionary training will seek to extend Councillors' knowledge of planning law, regulations, procedures, Codes of Practice, Development Plans and best practice. The aim of the training is to assist Councillors in carrying out their role properly and effectively.
- 4.4 Where a Councillor has a genuine difficulty in attending any particular training session officers will try, when practicable, to accommodate a request for an individual or repeat session.

5. APPLICATION BY A COUNCILLOR OR OFFICER

5.1 Councillors may need to determine an application submitted by or made on behalf of a Councillor or an officer, or by a company or individual with which a Councillor or officer has an interest or relationship. For the avoidance of doubt, the term Councillor or an officer includes any former Councillors or officers. In such cases, it is vital to ensure that such application is handled in a way that gives no grounds for accusations or favouritism. Accordingly the matter will be dealt with as follows-

- (a) The matter will be referred to the Corporate Director, Housing and Regeneration, who shall decide whether or not the application should be referred to the relevant Committee, or determined under delegated powers, if the application is in accordance with development plans and all other material planning considerations.
- (b) On receipt of such an application, the Corporate Director, Housing and Regeneration will pass a copy of the application to the Monitoring Officer who will satisfy himself/herself that the application can be, and is being, processed and determined without suspicion or impropriety.
- (c) If a Councillor or an officer submit their own proposal to the Council which they serve, they must take no part in its processing or the decision making process.
- (d) The Councillor making the application would almost certainly have a DPI and should not address the Committee as the applicant but should appoint an independent agent to represent their views.
- (e) Councillors of the Committee must consider whether the nature of any relationship with the person (either a Councillor or an officer) applying for planning permission requires that they make a declaration of interest and if necessary also withdraw from the meeting.
- (f) In respect of former Councillors or former officers the above requirements shall apply for a period of three (3) years following their departure from the Council.

5.2 The onus is on the Councillor or Officer to bring to the attention of the Corporate Director, Housing and Regeneration that they are personally involved in an application as well as the nature of that involvement.

6. APPLICATION BY THE COUNCIL

6.1 Councillors may need to determine an application submitted by or on behalf of the Council for the Council's own development. It is perfectly legitimate for such proposals to be submitted to and determined by the Local Planning Authority. Proposals for such development should be treated with the same transparency and impartiality as those of private developers so as not to give rise to

suspicions of impropriety. In the interests of transparency, the Committee Report will clearly state that the application is made by or on behalf of the Council.

- 6.2 If a Councillor has been heavily committed or involved in an area of policy/issue relating to such an application (e.g. as a Cabinet Member), then that Councillor must consider whether they have an interest which should be disclosed. In such circumstances, the Councillor should seek advice from the Legal Adviser to the Committee

7. LOBBYING

- 7.1 Lobbying is the process by which applicants and their agents, objectors, non-Committee Councillors and other interested parties seek to persuade Councillors who sit on the Committee to come to a particular decision. It is a legitimate part of the planning process for them to approach Councillors who sit on Committee as these discussions can help Members to understand the issues and concerns. This can happen prior to an application being made or at any time after the application is made.

- 7.2 Whilst lobbying is a normal and perfectly proper part of the political process, it can cause the perception of bias or predetermination especially when a Councillor must enter the meeting with an open mind and make an impartial determination on the relative merits based on all the evidence presented at the meeting. To avoid such perception if a Councillor is approached they should following the principles set out in section 2.6 of this Code and also:

- (a) explain the potentially conflicting position they are in if they express a final opinion on a proposal before consideration at the Committee;
- (b) explain the procedures by which representations can be made;
- (c) explain the kinds of planning issues that the Council can take into account;
- (d) inform the person making the approach that such approach should be made to officers within the Housing and Regeneration Directorate or to elected Councillors who are not Councillors of the either the Development Committee or Strategic Development Committee;
- (e) forthwith notify in writing to the Monitoring Officer the fact that such an approach has been made, identifying the application, the nature of the approach, by whom it was made, and the action taken by the Councillor concerned. This should include any offers made of planning gain or constraint of development, through a proposed section 106 Planning Obligation or otherwise; and
- (f) keep an adequate written record so as to enable the Councillor to disclose the fact and nature of such an approach at any relevant meeting of the Committee.

- 7.3** If the Councillor does discuss the case then in no circumstances should a Councillor give an indication of voting intentions or otherwise enter into an unconditional commitment to oppose or support the application. To do so without all relevant information and views would be unfair and detrimental. As stated in 7.2(c) above, the Councillor must keep an adequate written record of the discussion so as to enable the Councillor to disclose the fact and nature of such an approach at any relevant meeting of the Development Committee.
- 7.4** Councillors should not accept gifts or hospitality from any person involved in or affected by a planning proposal. If a degree of hospitality is entirely unavoidable, then the Councillor must comply with the provisions in the Code of Conduct for Members on Gifts and Hospitality.
- 7.5** Councillors should not become a member of, lead or represent a national charity or local organisation whose primary purpose is to lobby to promote or oppose planning proposals. If a Councillor does then it is likely to appear to a fair and informed observer that there is a real possibility of bias and that Councillor will be required to withdraw from the debate and decision on that matter.
- 7.6** Where Councillors contact fellow Councillors regarding their concerns or views they must not seek to attempt to persuade or put pressure on the Councillor that they should vote in a particular way.
- 7.7** In no circumstances should a Councillor give an indication of voting intentions or otherwise enter into an unconditional commitment to oppose or support the application. To do so without all relevant information and views would be unfair and detrimental.
- 7.8** Where a Committee member feels that they have been unreasonably or excessively lobbied on a particular proposal they must make a declaration at the Committee on that application that they have been lobbied. Provided that member has followed the principles in this Code then they will still be able to speak and vote on the application.

8. PRE-MEETINGS, PRESENTATIONS AND BRIEFING SESSIONS

- 8.1** Councillors should avoid agreeing to any formal meeting with applicants, developers or groups of objectors. If a Councillor considers that a formal meeting would be useful in clarifying the issues, then the Councillor should not seek to personally arrange such a meeting but should request the Director of Planning and Building Control to organise it and a planning officer will attend any such meeting. This ensures that if such a meeting takes place then it will be properly recorded on the application file and a record of the meeting will be

disclosed when the application is considered by the Committee. The Councillor should take no other person to the meeting unless that person is that Councillor's carer.

- 8.2** If a Councillor does arrange a private meeting with an applicant, developer, agent or objector then this must be declared at the Development Committee meeting by the Councillor. The Councillor should also arrange to be accompanied by a planning officer and they should take no other person to the meeting unless that person is that Councillor's carer. As in Section 7.2(c) above, the Councillor should keep an adequate written record of the meeting. This record should then be referred to the Director of Planning and Building Control to organise it so that it will be properly recorded on the application file and a record of the meeting will be disclosed when the application is considered by the Committee.
- 8.3** Where there is to be a presentation by applicants/ developers, Councillors should not attend unless it has been organised by an officer. If a Councillor does attend a presentation not organised by officers then the Councillor must inform the Director of Planning and Building Control that they have done so. The Councillor should keep an adequate written record of the presentation. This record should then be referred to the Director of Planning and Building Control to organise it so that it will be properly recorded on the application file and a record of the meeting will be disclosed when the application is considered by the Committee.
- 8.4** When Councillors attend presentations, they should ask relevant questions to clarify their understanding of the proposal. Councillors should be mindful, however, that the presentation is not part of the formal process of debate and determination of any subsequent application and that this will be carried out by the appropriate Development Committee.
- 8.5** Councillors should bear in mind that a presentation is a form of lobbying and they must not express any strong view or state how they or other Councillors might vote. Further Councillors are reminded that if they do attend a presentation then any hospitality or gifts received over the value of £25.00 must be disclosed and registered in the normal way.
- 8.6** Public meetings are sometimes organised as part of the Council's pre-application process (contained in the Council's Planning tool kit). All Councillors are encouraged to participate in such pre-application discussions.
- 8.7** Further where briefing sessions (generally for major applications) have been arranged (by officers) for Councillors following submission of an application then Councillors should attend these sessions as it will give them an opportunity

to better understand the Council's planning policies and its economic objectives.

- 8.8** Councillors should note that the Code of Conduct of Member and this Code apply to any of the above meetings, presentations or briefing sessions and that at any subsequent Committee considering the application that Councillors must disclose attendance at any such meetings and/ or presentations.

9. SITE VISITS

- 9.1** Site visits by Councillors determining schemes are an essential part of determining a planning application. It is good practice for Councillors to visit an application site before a meeting, so that they can familiarise with the site or surrounding area and Councillors should try to attend the pre-Committee site visits organised by officers. A site visit may also assist Councillors in matters relating to the context of the application and the characteristics of surrounding area. Whilst Councillors can make comments and ask appropriate questions during the site visit they should avoid expressing opinions which can cause the perception of bias or predetermination. Further Councillors shall not make a decision whilst on site. Councillors can, of course, rely upon their own local knowledge.
- 9.2** During site visits, Councillors of the Planning Committees shall not engage individually in discussion with applicants or objectors.
- 9.3** On site visits applicants, developers, objectors or other interested parties who attend shall only be permitted to point out to Councillors features to look at either on the site or in the vicinity, which are relevant to the application. No discussion will take place on the merits of the application.
- 9.4** Should it is not possible for a Councillor to attend an organised site visit and a Councillor then carries out a site visit on their own, the guidelines below apply-
- The Councillor must notify the Director of Planning and Building Control of the intention to visit (which will be recorded on the file).
 - The Councillor must carry out the visit discreetly and the Councillor must not make himself/ herself known to the applicants or neighbours.
 - The Councillor must treat the site visit as an opportunity to seek information and to observe the site only. The Councillor must not use the site visit as or allow it to become an impromptu lobbying opportunity for the applicant or objectors.
 - Councillors should not hear representations from the applicant or any other party and the Councillor shall have regard to the provisions on Lobbying in Section 7 above, and advise them that they may make representations in writing to the Council and direct them to relevant officers.

- Councillors must not express opinions or views on the application to anyone as this may lead to an allegation of apparent bias or pre-determination.
- Councillors should note that the Code of Conduct for Members and this Code apply to any such visit.

9.5 As in Section 7.2(c) above, the Councillor should keep an adequate written record of the site visit, including any new information gained from such visit. This record should then be referred to the Director of Planning and Building Control to organise it so that it will be properly recorded on the application file and a record of the meeting will be disclosed when the application is considered by the Committee.

9.6 Once the application has reached the determination stage, Councillors should not request a site visit unless the Councillor considers that it is really necessary, and the Committee may decide to revisit the site where particular site factors are significant in terms of the weight attached and it would be difficult in the absence of a site visit to assess the application or there are significant policy or precedent implications and specific site factors need to be carefully addressed.

10. THE ROLE OF THE EXECUTIVE

10.1 The Executive consists of 10 people, namely the Mayor and 9 Councillors. Each of the 9 Councillors has a specific Portfolio and one of those Portfolios is Strategic Development. The Mayor is responsible for most decisions about day-to-day Council services but this excludes the regulatory council functions such as planning.

10.2 Councillors on the Planning Committees have specific responsibility for planning. However, planning is important to all Councillors and can help deliver other local objectives. Further, planning takes account of wider, long-term public interests including the environment, economic growth and prosperity, a cohesive and empowered society, good health and wellbeing, enhancement of heritage, conservation, local culture and community identity.

10.3 The Executive therefore has an interest in Strategic Planning: hence the Member of the Executive with the Strategic Development portfolio. As such, the Mayor, the lead Member and other Members of the Executive may be approached regarding or become involved in planning applications. This is perfectly acceptable but where the Mayor, the lead Member or other Members of the Executive are approached or become involved then this Code of Conduct also applies to them, particularly paragraphs 6, 7, 8 and 10. Further, they should not attend the pre-Committee site visits organised by officers unless they sit on the Planning Committee.

- 10.4 Additionally, Councillors of the Executive should not meet to discuss how to vote on any application at any sort of political group meeting, or lobby any other Councillor to do so.

11. RELATIONSHIP BETWEEN COUNCILLORS AND OFFICERS

- 11.1 Councillors shall not attempt in any way to influence the terms of the officers' reports upon any application including a particular recommendation. Officers are advising Councillors. They must give impartial policy advice on planning considerations and the recommendations as set out in the report without seeking to persuade Councillors. (This does not prevent a Councillor from asking questions or submitting views to the Director of Planning and Building Control, which may be incorporated into any Committee report).
- 11.2 Any criticism by Councillors of an officer in relation to the handing of any application should be made in writing to the Corporate Director, Housing and Regeneration and/ or the Monitoring Officer rather than to the Officer handling the application.
- 11.3 If any officer feels or suspects that pressure is being exerted upon him/her by any Councillor in relation to any particular application, they shall forthwith notify the matter in writing to the Monitoring Officer.
- 11.4 If any officer of the Council who is involved in dealing with any application has had any involvement with an applicant, developer or objector, whether or not in connection with the particular application being determined, which could possibly lead an observer with knowledge of all the relevant facts to suppose that there might be any possibility that the involvement could affect the officer's judgement in any way, then that officer shall declare this interest in the public register held by the Monitoring Officer and take no part. This public register is to be available for inspection at the Development Committee meeting.
- 11.5 No officer of the Council shall engage in any paid work for any planning matter for which Tower Hamlets is the Planning Authority other than on behalf of the Council.

12. CONDUCT AT THE COMMITTEE

- 12.1 Councillors must not only act fairly but must also be seen to act fairly. Councillors must follow agreed procedures (at all times and should only ask questions at the appropriate points in the procedure. At no time should a Councillor express a view which could be seen as pre-judging the outcome. During the course of the meeting Councillors should not discuss (or appear to discuss) aspects of the case with the applicant, a developer, an objector, their respective advisers or any member of the public nor should they accept letters or documents from anyone other than an officer from Democratic Services or the Legal Advisor to the Committee.

- 12.2** Councillors of the Committee shall refrain from personal abuse and party-political considerations shall play no part in the Committee's deliberations. Councillors shall be respectful to the Chair and to each other and to officers and members of the public including applicants, developers, objectors and their representatives and shall not bully any person.
- 12.3** When asking questions at a meeting, Councillors shall ensure that their questions relate only to planning considerations relevant to the particular application.
- 12.4** The Committee must ensure that they hear the evidence and arguments for and against the application and approach each planning issue with an open mind.
- 12.5** If a Councillor arrives late for a meeting, they will not be able to participate in any item or application already under discussion. Similarly, if a Councillor has to leave the meeting for any length of time, they will not be able to participate in the deliberation or vote on the item or application under discussion at the time of their absence. If a Councillor needs to leave the room, they should ask the Chair for a short adjournment
- 12.6** It is permissible for the Chair of the meeting to curtail statements of parties if they are merely repeating matters which have already been said.
- 12.7** In considering the application, Councillors are advised that if objections are founded on a demonstrable misunderstanding of the true factual position, or otherwise indicate no more than an uninformed reaction to a proposal then such carry no weight whatever and must be ignored. Further Councillors are advised that the mere number of objections irrespective of their content can never be a good reason for refusing an application. What matters are the grounds on which such are based.

13. DECISION MAKING

- 13.1** When a report goes before the Committee rather than being determined through officer delegation, the reasons why will be set out in the report to the Committee.
- 13.2** Councillors must come to meetings with an open mind and in accordance with section 38(6) of the Planning and Compulsory Purchase Act 2007 and section 70(2) of the Town and Country Planning Act 1990, Councillors must make decisions in accordance with the Development plan unless material considerations indicate otherwise.
- 13.3** Councillors should only come to their decision after due consideration of all of the relevant information reasonably required upon which to base a decision. If it is considered that there is insufficient time to digest new information or that there is simply insufficient information before Councillors then Councillors can

request that further information be provided and, if necessary, defer or refuse the application.

- 13.4** Councillors must not take part in the meeting's discussion on a proposal unless they have been present to hear the entire debate, including the officers' introduction to the matter. If an application has previously been deferred then the same Councillors will be asked to reconsider the application when it is returned to Committee.
- 13.5** Where Councillors take a decision to defer any proposal then the reasons for Committee's decision must be given and recorded.
- 13.6** When a Councillor is proposing, seconding or supporting a decision contrary to officer recommendations or the Development Plan then they must clearly identify and understand the planning reasons leading to this conclusion/decision. These reasons must be given prior to the vote and be recorded. The Councillor must be aware that they may have to justify the resulting decision by giving evidence in Court or at Enquiry in the event of any challenge. Further advice on this is set out in the Development Procedure Rules at Appendix B.
- 13.7** Prior to deciding the matter before the Committee, Councillors must consider the advice that planning, legal or other officers give to the Committee with respect to the recommendation or any proposed amendment to it.
- 13.8** **At the end of the day, Councillors must bear in mind that they are involved in planning matters to represent the interests of the whole community and must maintain an open mind when considering planning applications. When Councillors take decisions on planning applications they must do so in accordance with the development plan unless material considerations indicate otherwise. Councillors must only take into account material planning considerations, which can include public views where they relate to relevant planning matters. Local opposition or support for a proposal is not in itself a ground for refusing or granting planning permission, unless it is founded upon valid material planning reasons.**

14. RECORD KEEPING

- 14.1** In order that planning applications are processed properly and that any complaints can be fully investigated, record keeping will be complete and accurate. Every planning application file will contain an accurate account of events throughout its life, particularly the outcomes of meetings, significant telephone conversations and any declarations of interests by Councillors. Records will be kept in accordance with the Council's Information Governance Framework and, specifically, the Council's Records Management Policy.

- (e) Place themselves in a position where their integrity might reasonably be questioned;
- (f) Participate in a meeting where they have a DPI;
- (g) Participate in a meeting where they have an interest which does or could be reasonably considered as giving rise to bias; and

16 WHAT IF?

16.1 Examples

1. What if you have a good friend who lives next door to the premises in respect of which there is an application and the friend has objected?
Would be considered predetermined – do not participate
2. Now what if your spouse/ significant other is a good friend of that person?
Would be considered predetermined – do not participate
3. Now what if you know the person casually but they are not a good friend?
Could be considered predisposed – could still determine with open mind – declare interest but can still participate
4. Now what if person works in the same organisation as you and you may say hi occasionally but there is no other interaction?
Could not be considered predisposed – can determine with open mind – nothing to declare
5. What if you are a member of the Board of Tower Hamlets Homes (THH) and the application is by or on behalf of THH?
Firstly, not a DPI as membership of the Board does not amount to an office carried on for profit or gain – Could be considered predisposed or predetermined due to membership of Board however – This is dependent on nature of the application and is a matter of whether the application can be determined with an open mind – If the application has not been discussed at the Board or is not relevant to Board projects then likely to be considered predisposed and therefore declare the interest but you can still participate in the meeting – If however application was discussed at the Board or is relevant to projects discussed at the Board then likely to be considered predetermined and therefore declare an interest and do not participate

Section 1 – Introduction

The purpose of these Financial Regulations (Regulations) is to provide the governance framework for managing the Council's financial affairs.

To conduct its activities efficiently, a local authority needs to ensure it has sound financial management policies in place and which are strictly adhered to. Part of this process is to establish Financial Regulations that set out the financial policies of the authority. The Financial Regulations are underpinned by detailed financial procedures.

Financial Regulations provide clarity about the financial responsibilities of individuals within the organisation. All individuals engaged on Council activities are responsible for ensuring that their actions comply with the objectives specified in the financial and procurement procedures.

In compiling these regulations and procedures the objective has been:

- To provide advice on how to undertake the financial aspects of your duties;
- To disseminate best practice throughout the Council;
- To ensure consistency; and
- To ensure legal requirements are adhered to.

To do this, the regulations set out the Council's requirements in respect of:

- financial management roles and responsibilities
- financial planning and budgeting
- financial monitoring and control
- internal control and audit
- financial systems and procedures
- external arrangements

The procedures have been developed by the council's Finance Department and have been the subject of extensive consultation. However, it is impossible for the procedures to cover every eventuality and an element of interpretation may be necessary. If further advice is required, please contact your Directorate Finance Business Partner. The business partnering model and the term Finance Business partner (FBP) describes a broad range of skills exhibited by individuals at different levels depending on customer requirements; in Tower Hamlets these people may be described variously as Strategic Heads of Finance, Finance Managers, Senior Accountants etc.

The Chief Finance Officer is responsible for the administration of the Council's financial affairs. As part of their duties, they will, when they consider it appropriate,

issue Financial Regulations/ Procedures which are the rules governing the management of the Council's financial resources. S/he will ensure that the Regulations/ Procedures and any updated or amended versions are made available to all chief officers, the Mayor and Members of the Council. These Regulations/ Procedures and any updated or amended versions will then be placed in Appendix A of these Rules.

It is the responsibility of all Chief Officers to comply personally with Financial Regulations/ Procedures and to ensure that all officers within their Directorate with financial responsibilities also comply with them. Failure to comply with Financial Regulations/ Procedures is likely to constitute a disciplinary offence and be investigated under the appropriate disciplinary procedure.

Compliance CIPFA Guidance for Local Government

Local government finance in the UK is governed by primary legislation, regulation and professional standards set by CIPFA. As a matter of principle, the Council will conduct its financial affairs in accordance with accepted standard practice embodied by CIPFA's Code of Practice framework. This includes:

- CIPFA Treasury Management in the Public Services Code of Practice
- CIPFA Code of Practice on Local Authority Accounting
- CIPFA/SOLACE guidance 'Delivering Good Governance in Local Government'
- CIPFA's Audit Committees – Practical Guidance for Local Authorities
- CIPFA's Code of Practice for Internal Audit in Local Government

To date, the general financial management of a local authority, has not been supported by a professional code. CIPFA is now proposing that a Financial Management Code (CIPFA FM Code) should be designed and developed to support good practice in financial management and to assist local authorities in demonstrating their financial sustainability. The CIPFA FM Code would therefore for the first time set standards of financial management for local authorities in the UK. The Council is committed to developing financial management arrangements that align to the proposed CIPFA FM Code.

APPENDIX 1: TOLLGATE PROCESS

PART 1 – INTRODUCTION

1. Introduction

- 1.1 The purpose of these Procedures is to lay down a set of rules which provide a framework for representatives procuring supplies, works and services on behalf of the Council. For ease of use, the specific rules are set out in shaded boxes throughout the Procedures. The Procedures are supplemented by an RFQ (Request for Quotation) toolkit for expenditure with a total value up to £100,000 and a more detailed contracting Tender Toolkit for expenditure above £100,000. These toolkits provide guidance on techniques to achieve best value for money, and a series of templates to be used throughout the procurement process.
- 1.2 Where a corporate contract is in place it **must** be used unless otherwise agreed by Corporate Procurement.
- 1.3 All Council representatives are warned that it is a **disciplinary offence** to fail to comply with these Procurement Procedures when letting contracts. All Council representatives have a duty to report breaches of the Procedures to the relevant Corporate Director and the Head of Procurement. The Procedures apply to all expenditure by the Council on supplies, services and works, provided by external organisations.
- 1.4 The Procedures include mandatory requirements, which are normally identified by the word “**must**” in bold letters. These requirements **must** always be followed. The words “**should**” and “**should not**” relate to good practice advice. Whilst not mandatory, you must have a good reason for not following the good practice advice and this must be recorded on your tender or quotation file. If in doubt, you must contact Corporate Procurement and/or Legal Services for advice, and where appropriate, Internal Audit.
- 1.5 The generic term **Bid** covers both tenders and quotations. A bid process below a total value of £100,000 will be classed as a quotation. A bid process at or above a total value of £100,001 will be classed as a tender.
- 1.6 All representatives who commission contracts for supplies, works or services are required to follow these Procedures. This requirement also covers all persons who commission contracts on behalf of the Council, such as external consultants. The person who commissioned the consultant **must** ensure that consultants are given copies of the Procedures and that they comply with them.
- 1.7 The Head of Procurement will be responsible for updating the Procurement Procedures, and shall make the latest version available to every Corporate

Director and Member of the Council as well as posting a copy in the Corporate Procurement area on the Council intranet.

- 1.8 All representatives of the Council must comply with all aspects of legislative requirements relating to purchases made by a public authority.

PART 2 - APPLICABLE TO ALL CONTRACTS

2. Hierarchy of Rules

- 2.1. These Procedures attempt to summarise in a single place all of the Council's Procurement Procedures. The Procedures are derived from provisions contained in the Council's Constitution and Financial Regulations. Every effort has been made to ensure a consistency between the documents, but in the event of any conflict, the Constitution takes precedence, followed by Financial Regulations, followed by these Procedures. These Procedures and Financial Regulations can be amended by the Chief Finance Officer, whilst changes to the Constitution must be approved by the General Purposes Committee or full Council.
- 2.2. The Procedures refer to European and UK legislation as well as Council policy. Where there is a conflict between European law, English law and Council policy, the requirements of European law take precedence over English law, and the requirements of English law take precedence over Council policy. The Procedures **must not** be waived if failing to comply with these procedures would contravene either UK or European legislation.

3. Procurement Objectives and Imperatives

- 3.1 The purpose of procurement activity is to achieve best value for local people in accordance with the Council's statutory or approved objectives and the Corporate Procurement Strategy. This should include an innovative approach to relationships with the private and not-for-profit sectors within a robust contractual framework. Officers with responsibility for procurement must ensure that they are able to demonstrate achievement of best value by having regard to a combination of economy, efficiency and effectiveness.

4. Procurement Strategy

- 4.1. The Procurement Strategy sets out key policy priorities and an operating framework that **must** be taken into account when procuring supplies, services and works on behalf of the Council. These priorities are:

- Integration - full integration of commissioning, procurement and contract management activity and commercial principles into our core business
- Governance - governance, transparency, accountability and probity with proportionality in our operational processes
- Approach – a unified approach to managing the activities in the commercial cycle and in our engagement with markets and suppliers
- Partnership - working with our partners

5. Responsibilities of Corporate Directors

- 5.1. Corporate Directors have responsibility for all contracts tendered, let and managed by their departments. They are accountable to the Chief Executive and the Executive Mayor for the performance of their duties in relation to contract letting and management. These duties include:

6. Financial Thresholds and Procedure for Contract Letting

6.1 The following financial thresholds shall apply to all contract award processes.

To clarify the table below, the following points should be noted:

- a) Total Value refers to the full remuneration to be paid to the supplier or contractor over the life of the contract, including any extensions; (N.B. a 3 year contract with an extension of 1 year at £20,000 per annum has a total value £80,000. A contract to purchase supplies, works or services may also include the purchase of additional supplies and services such as, but not limited to, maintenance, consumables, upgrades, training and documentation. The total value includes these elements even if they come from separate budgets, and separate orders are placed.) The life of the contract includes any actual or potential extension to the contract period that is included in the contract
- b) Where there are a number of linked contracts – e.g. those using the same suppliers, or for similar supplies, services or works – the option for joining them up should be explored;

6.2 Table of Threshold Values

Table 1 below summarises the different procurement thresholds, the procedures to be followed and the officers who are authorised to undertake an RFQ or procurement at each level. The authority to award contracts, following a RFQ or procurement process, is set out at paragraph 10.2 of Part 3 of the Constitution.

7. Specifications

- 7.1. An appropriate specification must be prepared which sets out a clear and comprehensive description of the Council's requirements with regard to the works, goods or services to be supplied.
- 7.2. All works, goods and services must be specified by reference to European standards, or national standards if no European standards are set. Named products or manufacturers should not be specified.
- 7.3. The specification should incorporate measurable and, so far as is possible, objective quality and performance criteria to enable the service director to see whether the Council's requirements are being met by the supplier. All necessary professional and technical advice and assistance must be obtained in preparing the specification, to ensure a comprehensive document that expresses the Council's requirements and protects its interests.
- 7.4. Officers must take careful consideration of the requirements; in doing so they may undertake research, discussions or briefings with several suppliers before the quotation or tender is issued. Any engagement with supplier must be undertaken in a manner that does not restrict competition or prejudice a fair and transparent procurement process.
- 7.5. In the interests of fairness, non-discrimination and equality of treatment, under no circumstances should an incumbent supplier or contractor be involved in the preparation of a specification for the future procurement of the same or similar contract which they are delivering, or which they would reasonably have an interest in bidding for.

8. E-Procurement

- 8.1. The Council uses secure e-procurement systems and, unless exceptional circumstances apply and a Waiver is granted, all quotations and tenders must be managed electronically through this system.
- 8.2. The Head of Procurement must make arrangements for the receipt, custody, opening and witnessing of all tenders over £100,000, and must ensure that these arrangements are fully auditable.
- 8.3. The administration and development of the e-procurement system is the responsibility of Corporate Procurement including any enhancements to reflect legislative and policy changes within public procurement.

Rule 2

- All quotation and tenders must be managed electronically through the e-procurement system(s) whose administration and development is the responsibility of Procurement.
- Once a contract has been awarded a purchase order must be raised in R2P unless supplies, services or works fall within the approved exceptions list.

9. Late Bids

- 9.1. Late quotations through the RFQ system are not to be accepted by the system.
- 9.2. Electronic tenders are automatically marked as “Late” by the e-tender system. In any event they must not be considered if they arrive after all the other bids have been opened, unless exceptional circumstances apply and the Head of Procurement (following consultation with the Director of Legal) agrees to accept the late tender. Any unacceptable late bid must not be opened unless it is purely to determine the sender’s details so that the bidder can be advised of the reason for rejection by the Corporate Director or the Head of Procurement.

10. Conflict of Interest

- 10.1. All members of staff must avoid any conflict between their own interests and the interests of the Council. This is a requirement of the Council's Employee Code of Conduct, which all employees of the Council are bound by.
- 10.2. All consultants engaged to act on behalf of the Council must sign a Consultant’s Undertaking and declare that:
- a. There is no conflict between their own interests or those of any of their other clients and the interests of the Council; and
 - b. There is no conflict between their own interests or any links with (e.g. a family member or close friend works for) an organisation or supplier who is tendering or quoting for a contract with the Council or already has a contract with the Council.
 - c. They will notify the appropriate director and Corporate Procurement if any conflict of interest arises within the bidding process.

Rule 3

- Conflict of interest in a procurement exercise and subsequent contractual arrangement must be promptly disclosed through the HR Self Service system or, in the case of external consultants, through the completion of a Declaration of Interest document from corporate procurement.

11. Supplier registration and approval

- 11.1. New supplier registration and approval is managed through the council's procurement system. Supplier approval process is carried out in two stages:
- a) Stage one - registration: suppliers wanting to trade with council are required to complete the basic online supplier registration.
 - b) Stage two – approval: To receive Purchase Orders and payments, a supplier will need to be fully adopted, that is, registered in the Finance system (Agresso) and made visible in the requisition to pay system (R2P). Procurement will issue the supplier adoption form through the electronic procurement portal and verify key registration information provided before the supplier can be approved.
- 11.2. Officers engaging with any organisation where the contract of engagement may fall within the scope of IR35 regulations, that is, individual(s) that will be providing the services under the contract could be considered 'disguised employees' must undertake the HMRC employee's status assessment (IR35 assessment) before engaging in or awarding a contract. Guidance and process map on how to undertake the assessment will be on the Council's intranet. Failure to undertake the assessment and follow the agreed process may lead to disciplinary procedure.

12. Official Purchase Orders

- 12.1. Once a contract has been awarded an official purchase order must be placed through the Purchase to Pay (R2P) system quoting the contract reference.
- 12.2. Contracts should only commence once an official purchase order has been issued. Purchase orders can only be issued to suppliers that have gone through the supplier adoption process.

12.3. There are exceptional exclusions to this process and information on these will be available within the Corporate Procurement area of the Council's intranet. The exclusions list is a live document and it will be reviewed by Financial Compliance and Procurement when required. Cases which do not fall within the exclusions listed will be rejected.

13. ICT related supplies, services and works

13.1 In the case of procurement of ICT related supplies and services, the Corporate ICT partner may need to be engaged and officers must consult with the ICT Client Team and/or their ICT Business Partner.

14. Consortia and collaborative Framework Agreements

14.1. Recognised consortium or collaborative procurement arrangements which have been properly tendered may be used, provided that the relevant Corporate Director:

- is satisfied that such an approach represents best value;
- is satisfied – having due regard to advice from Corporate Procurement and Legal Services as appropriate – that use of the arrangements are consistent with all UK and European legislation;
- is satisfied that the terms and conditions of the arrangement do not place undue restrictions or liabilities upon the Council;
- is satisfied that the parties to the arrangement are recognised public bodies or providers from the private sector operating appropriate procurement arrangements on behalf of the public sector;
- ensures that a full, open and proper competition in respect of the creation of the contract has taken place or will take place in accordance with the Relevant UK and European legislation and these Procurement Procedures.

14.2. A list of approved Frameworks Agreements will be managed by Corporate Procurement and published on the Council's intranet.

14.3. Where the relevant Corporate Director so decides, the Central Government Catalogues operated by the Crown Commercial Services at <http://ccs.cabinetoffice.gov.uk/> or any other appropriate framework may be used on the condition that the process set out in these Procedures are followed.

14.4. The award of call off contracts must comply with the procedure set out within the Framework Agreement. This can be either by Direct Award or Mini-competition. Where there is a choice of options, preference should be given to carrying out a mini-competition in order to demonstrate value for money.

Where price is not set out in the framework agreement, a mini-competition must always be undertaken.

- 14.5. Legal Services and Corporate Procurement must be involved before joining or buying from a framework agreement not let by the Council where the value of the contract will exceed the £100,000 procurement threshold. The process in Part 4 of these Procedures will be applicable to the procurement exercise.

15. Use of Standard Templates

- 15.1. All quotations must be invited using the approved templates published on the Council's intranet. Procurement documentation for the selection, invitation, receipt, evaluation, award and management of contracts are regularly updated to ensure compliance with procurement regulations as well as Council procurement policies.
- 15.2. All tenders must be invited using approved standard documentation available from Corporate Procurement.

16. Separation of Duties

18. Supply Chain Ethical Code of Conduct

- 18.1. The Council has adopted a Supply Chain Ethical Code of Conduct which must be included in all quotation and tender documentation, and with which all suppliers must comply. - Common courtesy at all times.
- Incorporating sustainable procurement aspects into procurement processes including human and employee rights and the environment.

18.2. Whilst it will not be possible to check that every single supplier to the Council complies with the Code, officers should draw suppliers' attention to the Code. Subscription to the code will be mandatory for those suppliers participating in a quotation or tender process.

Rule 5

- The Council is committed to maintaining the highest standards of ethical conduct. The Supply Chain Ethical Code of Conduct is essential to the operation and reputation of the Council. Suppliers are required to sign acceptance of the code when dealing with the Council.
- Quotations and tenders must be undertaken using approved procurement templates which will be updated by Procurement.

18.3. Corporate Directors must report to Corporate Procurement any issues or breaches arising under the Supply Chain Ethical Code of Conduct. Corporate Procurement may refer the report to Strategic Competition Board, if considered necessary.

19. The Bribery Act

19.1 This Act deals only with bribery – no other forms of white collar crime. The Council may be liable for failing to prevent a person from bribing on its behalf. The Council's policy regarding the Bribery Act is set out on its website at www.towerhamlets.gov.uk and must be adhered to in the contracting process.

20. Sustainable Procurement

20.1. The Council is committed to sustainable economic business development which minimises any adverse impact on the environment and supports social cohesion.

20.2. Sustainable criteria must be included as part of the award criteria in all contracts where appropriate. Sustainability will be assessed taken into consideration the following areas:

- a) Environmental sustainability - purchasing supplies, works and services in a way that minimises, where practically possible, the carbon footprint and encourage a positive impact on the local environment and utilises whole-life analysis.
- b) Economic sustainability – recognises the importance of Small and Medium Enterprises (SME) to the local community and ensures every opportunity is made not to discriminate against SME's during the tender process.
- c) Social Sustainability – ensures that community well-being is considered and that supply chain partners operate under ethical working practices.

21. Freedom of Information Act

21.1 The council has an obligation to publish specific information in the public domain. However, the Freedom of Information Act enables certain confidential information and commercially sensitive material to be withheld. Officers must therefore ensure that bid information is kept confidential at all stages, especially during the bid evaluation process and after the contract is awarded. Suppliers must also be given the opportunity to highlight in their bid any information that they would not wish disclosed under freedom of information request.

22. Contract Register and Contract Publication

22.1 Contracts let through a quotation process, that is, with a value at or below £100,000, will be published on the Councils website. Contracts let through a tender process, that is with a value in excess of £100,000 will be published through the London Contract Register website:

23. Contract Management

23.1. All contracts must be monitored to ensure they achieve the objectives and outcomes set out in the specifications. The Contract Management Framework sets out the principles and general guidance for the management of contracts.

The Service, under its Director's supervision, will be responsible for the day-to-day operational delivery of contract management.

- 23.2. Corporate Procurement shall agree with Strategic Competition Board critical contracts (based upon value, business and reputation risk) that will be subject to performance monitoring and scrutiny by the Strategic Competition Board.
- 23.3. Corporate Procurement and Legal Services will provide second line support where performance failure is demonstrated.

Rule 6

24.2. Extensions

- (i) Extension(s) for a particular period provided for within the terms of the original contract (but subject to satisfactory outcomes of contract monitoring);
- (ii) Extension(s) beyond the original contract are considered a new contract and therefore subject to Procurement Procedures and, where applicable, EU Regulations.

Any extensions that fall outside the original terms of the contract must be justified on the grounds provided by the waiver of the procurement procedures outlined in section 50.1.

A copy of the extension documentation must be provided to Corporate Procurement in order to update the Contract file and Contract Register accordingly.

24.3. Variations

The following variations/modifications to a contract are permitted with Corporate Director approval (following advice from Corporate Procurement and Legal Services):

- (i) Variations provided for in the original contract in 'clear, precise and unequivocal' terms; or
- (ii) Variations outside the original contract terms that fall within any of the following **four situations**:
 - a. where the change in value is relatively small - under 10% (services & supplies) or under 15% (works) and where the revised total contract value is under the applicable EU financial threshold (this is cumulative where there is a series of changes); or
 - b. where there are unforeseen circumstances, provided that change does not alter the overall nature of contract and the price increase is not greater than 50%; or
 - c. Where additional works, services or supplies necessary and a change in contractor cannot be made for economic or technical reasons e.g.: interoperability with existing kit; or
 - d. Where to change suppliers would cause significant inconvenience or duplication of costs. In any case, the price increase must not exceed 50% of the value of the original contract.
- (iii) There has been a replacement of the supplier following a corporate restructuring, insolvency or merger, and the new supplier still meets the original selection criteria.

24.4. In any case, a substantial modification not originally provided for in the contract will trigger a new procurement process. This will arise where the modification materially changes the nature of the contract.

24.5. Any Variations that fall outside the original terms of the contract and do not fall under the exceptions listed in section 49.1 must be justified on the grounds provided by the Waiver of the Procurement Procedures outlined in section 50.1.

24.6. A copy of the variation documentation must be provided to Corporate Procurement in order to update the Contract file and Contract Register accordingly.

Rule 7

- (a) Subject to compliance with UK and EU law, a Corporate Director may authorise an extension to a Contract which was provided for in the original contract terms.

- 25.2. Officers undertaking the quotation process are responsible for the selection of suppliers. Suppliers selected for quotation **should** be located in the Tower Hamlets area unless a good business reason exists for selecting suppliers who are not based locally.
- 25.3. The Procurement Threshold table in section 6.2 of the Procedures sets out the required number of quotations for each level and the process to be followed.

26. Evaluation and contact award

- 26.1. Evaluation criteria for level one and two quotations **CAN** be based on cost only or cost and quality.
- 26.2. Evaluation criteria for level three quotations (£50,001 – £100,000) **MUST** be based on cost and quality.
- 26.3. In the case of nil response to a quotation exercise, the project manager should investigate the reasons for the lack of responses prior to commencing a new RFQ.
- 26.4. In the event only one quotation is received for level two and three quotation exercises, the evaluation must still be undertaken in accordance with the evaluation criteria. Upon completion, the project manager will need to assess whether the submission received satisfies the requirements and is acceptable to proceed to award or if required commence a new RFQ.
- 26.5. All contracts up to £100,000 **must** be awarded through the RFQ system.

27. Clarification and additional information

- 27.1 All bidder queries relating to RFQ should be in writing and managed through the RFQ system. 27.2 Further clarifications regarding quotation(s) received before contract award may be necessary. This might include areas of ambiguity, assumptions or possible errors. In such circumstances, all clarifications must be treated as commercial in confidence and managed through the RFQ system.

28. Timescales for Quotations

28.1. All requests for quotation include a default minimum of seven working days for the return of responses. This time period can be amended to allow a longer period where it is deemed necessary.

29. Terms and Conditions

29.1 All Requests for Quotation are invited with the Council's standard terms and conditions, which must be issued to suppliers with each RFQ. In the event that the standard terms and conditions are unsuitable, any alternative terms must be agreed with Legal Services.

30. Use of Purchasing Cards

30.1. Purchase Cards are to be used to order low value supplies and services (e.g. hotels, business travel and tickets) that do not require the additional risk management of terms and conditions encompassing orders or contracts, and only where there is no existing contract or suitable supplier available on the e-procurement system.

30.2. Purchasing Cards are to be used in accordance with the Visa Card User guide and associated documents available through the Corporate Procurement area on the Council intranet. - l) Any disclosure of conflict of interest in a procurement process will be assessed by the Corporate Procurement and Legal Services on a case-by-case basis. Individuals will be excluded on a case-by-case basis from the procurement process where the identified conflict is material and/or cannot be mitigated.

33.4. Corporate Procurement in liaison with the project manager and Legal Services will assess the procurement strategy, specification requirements and market conditions to determine the most suitable procurement procedure to employ and what internal governance measures are required.

33.5. For tenders above the EU threshold, and as part of the PIF process, Corporate Procurement will advise on current EU Law. EU Law is frequently evolving, so you should not assume guidance previously given will be unchanged in the future.

34. Cabinet Approval – Automatic Referral

34.1. Nothing in these rules obviates the requirement within the Constitution that “The contracting strategy and/or award of any contract for goods (supplies) or services with an estimated value exceeding £1,000,000, and any contract for capital works with an estimated value exceeding £5,000,000, shall be approved by the Mayor and/or Cabinet in accordance with the Procurement Procedures.”

34.2. In order to comply with this requirement, the Head of Procurement will submit a quarterly report to Cabinet, laying down a forward plan of contracting exercises across the Council for the forthcoming 12 months. This report will identify all contracts with a value exceeding £1,000,000 (for services and

supplies) and £5m (for works) during the period in question, and will seek Cabinet's approval to the outline contracting strategies.

- 34.3. Cabinet will be invited to identify those contracts they consider to be key decisions, and about which they wish to receive further reports on prior to contract award. The Corporate Director must ensure that the Head of Procurement is notified in good time in order to ensure that contracts are included in this report.
- 34.4. Prior to review by Cabinet, the Strategic Competition Board must have reviewed the strategy and/or award proposal.

35. Cabinet Approval – Referral by Head of Procurement

- 35.1. If in the view of the Head of Procurement, either a contract strategy or contract award needs to be approved by Cabinet, the project lead must submit the relevant report to the next available Cabinet meeting, after it has been presented to the Strategic Competition Board, and must not proceed with either the contracting process or the contract award until Cabinet approval has been obtained.

36. Tollgate Process

- 36.1. Contracts for supplies and services in excess of £1,000,000 in value, or for capital works in excess of £5,000,000 in value, will be subject to the Council's Tollgate Review Process. This is a procurement project appraisal methodology which assesses the health of the project, makes recommendations for improved outcomes and, where appropriate, provides a post-contract peer review. The Tollgate process is administered by Corporate Procurement on behalf of the Strategic Competition Board. Contracting officers must respond appropriately to recommendations in tollgate reports. In respect of contracts in excess of £1,000,000 (supplies & services) or £5,000,000 (capital works), you must obtain the approval of the Strategic Competition Board at two key points in the contracting cycle:
 - a. To obtain agreement to the contracting strategy, prior to inviting tenders; and
 - b. To obtain agreement to award contract, prior to issuing any award notification
- 36.2. The Procurement Cycle, including the Tollgate procedure, is set out in Appendix 1.

Rule 8

- Where the Contract is subject to the tendering rules of the EU Public Procurement Regulations, then those rules shall apply to the letting of the Contract.
- The contracting strategy for contracts for supplies and services in excess of £1,000,000 in value, or for capital works in excess of £5,000,000 in value, will be subject to Mayor and/or Cabinet approval.

37.1. The approval of the Strategic Competition Board will normally be through the internal Tollgate process. In the case of urgency, approval may be granted to the Contracting Strategy (but not the contract award) by the Head of Procurement and the Director of Legal with a subsequent report to the Strategic Competition Board.

38. Timescales

38.1. The Public Contract Regulations set out specific timescales for the letting of contracts for supplies, services and works above the EU threshold. It also sets out specific procedures and timescales to be followed. An appropriate timetable must be drawn up in liaison with Procurement and Legal Services.

39. Tender Documentation

39.1. In inviting Tenders from suppliers, the Tender packs which are issued to suppliers must as a minimum include: Form of Tender, Valuing Diversity, Supply chain Ethical Code of Conduct, Confidentiality Agreement, Bona Fide and Anti-Collusion Certificate, Freedom of Information Disclosure, Conflict of Interest Declaration, Subcontractor or Consortium Member, Specifications, Quality Statements, Cost Schedule and Terms and Conditions

39.2. Local Employment and Community Benefits are intended to improve the economic, social or environmental wellbeing of the Council's area in addition to the main purpose of the contract. The Local Employment and Community Benefit must be considered in all relevant contracts above £100,000 and considered on appropriate contracts below £100,000.

40. Terms and conditions

40.1. The Terms and Conditions of a contract will be drafted by Legal Services and incorporated as part of the Tender pack. Where a bidder rejects acceptance of the Terms and Conditions (expressly, or by qualifying, caveating or

supplying their own terms and conditions), the bid should be rejected as non-compliant.

- 40.2. Variations to the Terms and Conditions proposed by a bidder **must** only be accepted with the approval of Legal Services.

41. Tender Clarification and Additional Information

Pre-tender clarification

- 41.1. All queries from the bidders relating to the invitation to tender should be in writing through the e-procurement system. Where questions are considered of relevance to the subject matter of the contract and likely to affect some or all bidders' response to the tender, the clarification from the Council must be released to all bidders with the questioner's identity kept confidential.
- 41.2. Where the question is specific to one of the bidders (and therefore irrelevant to the submissions of the other bidders), it may be kept confidential between the Council and that bidder.

Post-tender clarification and request for additional information

- 41.3. Tender clarifications may be necessary in order to clarify areas of ambiguity, assumptions or possible errors in the cost and delivery of specifications. Clarifications must be fairly undertaken against the requirements specification released to all suppliers. In certain circumstances, it may be necessary to issue a response to a clarification to all bidders. Equally, competition must not be distorted by allowing any bidders to improve their offer without giving the same opportunity to all other bidders.

42. Negotiations

- 42.1. Tender negotiations refer to the discussions that take place between a Council's officers and the bidders. Unless expressly allowed for within the procedure, tender negotiations must not be conducted as they distort competition and adversely affect trust in the competitive bidding process and contravene procurement regulations. Under no circumstances is it permissible to use the lowest bid to seek a reduction in costs from the other bidders.
- 42.2. Only under specific circumstances laid down in the PCR 2015, and with the agreement of the Head of Procurement and Director of Legal will it be acceptable to negotiate as part of a procurement process. Prior to entering into negotiations, agreement and advice must be obtained from Legal Services and Corporate Procurement, and the process must be conducted in

a fair manner that does not disadvantage or show undue favour to any tenderers. All negotiations must be fully documented.

43. Tender Evaluation

- 43.1. Evaluation criteria must be decided in advance of the advert and clearly stated in the tender documentation. All contracts must be awarded on the basis of most economically advantageous tender. For contracts over £100,000 a minimum of three officers must be involved in the evaluation of tender responses.

44. Supplier Selection Criteria

- 44.1. Selection Criteria (through the Standard Questionnaire – the SQ) are used to assess a bidder's ability to perform the proposed contract. Selection Criteria can apply at pre-tender stage in order to short-list bidders or, as part of the Open Procedure, to determine which bidders' tender submissions can be considered. Where a SQ evaluation is required, the statutory Selection Questionnaire published by Crown Commercial Services must be used.
- 44.2. There is statutory guidance on the use of the SQ and Corporate Procurement and Legal advice must be sought before the SQ is used. There are very limited criteria under which potential suppliers may be ruled out at the SQ stage.
- 44.3. Where a SQ evaluation is required, the SQ will be issued and returned electronically via the Council's e-procurement systems with appropriate access given to officers to evaluate online. The tender documentation must clearly state the minimum requirements and how they will be assessed.

45. Supplier Award Criteria

- 45.1. Award Criteria are used to identify the tender that is the most economically advantageous to the Council. This will be the optimum combination of cost and quality benefits. Requirements must be related and proportionate to the subject-matter of the contract, and be clearly set out in the Contract Notice together with the means of proof, where appropriate.
- 45.2. Where Local Employment and Community Benefits are included as part of the award criteria, its weighting must not be more than 5% of the overall quality assessment.

46 Tender Report

- 46.1 A full tender report should be prepared by the Project Manager and kept on file. The report should include a complete review of the bidding strategy, methods used, details of bids received, and any justification for the opening of any late bids, the actual written approval for opening late bids, detailed bid evaluation and recommendations for award.

47 Debriefing

- 47.1 For EU tenders supplier debriefs are a statutory requirement and must be completed within 15 days of the date of the receipt of a written request from the tenderer. Legislation requires a comparison between the bid of the person being debriefed with the winning bid. This must be done in such a way as to comply with the regulations without breaching the FOIA. If you have any doubt as to how to proceed, guidance should be sought from Corporate Procurement and Legal Services.

48 Contract Award

- 48.1 Corporate Directors or Directors are responsible for signing contract award letters in respect of all contracts with a value between £100,000 and £1,000,000 for supplies, services; and works below £5,000,000.
- 48.2 Corporate Directors are responsible for signing contracts award letters in respect of all contracts with a value equal or above £250,000 for supplies, services; and works above £5,000,000.
- 48.3 When no bids are received in response to a tender undertaken in accordance with these procurement procedures, the project manager should investigate the reasons for the lack of responses.
- 48.4 Where only one bid is received, the evaluation may still be undertaken in accordance with the tender evaluation criteria. Once this is concluded, the Project Manager will need to assess whether the submission received is sufficient (such assessment to include consideration of best value and value for money) for the Council to proceed to award or whether it would be in the Council's best interest to re-tender.
- 48.5 Alternatively, but only on the advice of Corporate Procurement and Legal Services, it may be appropriate to invoke a negotiated process with the single supplier.
- 48.6 When a procurement exercise is to be abandoned, the Directors or Corporate Directors must authorise the decision. The Head of Procurement may request

that the tender report for the procurement exercise is presented to Strategic Competition Board for approval.

PART 5 – EXCEPTIONS TO THE PROCUREMENT PROCEDURES

49 Valid Exceptions to the Procurement Procedures

- 49.1 All contracts must follow a quotation or tender process in accordance with this procedures unless, either:
- a. A waiver via the completion of a Record of Directors Action (RCDA) is obtained from the relevant Corporate Director, in accordance with the RCDA Guidance; or
 - b. An existing, recognised consortium contract or framework, which has gone through an appropriate competitive tendering process, is being used in line with section 15. The Framework requirements to award a Call-off contract must be followed, either through a mini-competition or a direct call off process; or
 - c. An existing term contract, Framework or appropriate arrangement let by the Council, which complies with these rules, is being used (see section 13) ; or
 - d. The contract is to be funded in full by another public or voluntary organisation that has requested in writing that its own procedures are followed, subject to compliance with European law.

Corporate Procurement and Legal services must be involved in the award of such contracts where the value exceeds £100,000 the completion of a PIF and a Contract Award Report may be required.

50 Record of Corporate Director's Actions (RCDA) - Waiving of Procurement Procedures

- 50.1 Procurement Procedures may be waived by a Corporate Director in liaison with the Head of Procurement and the Director of Legal, where the total value of the contract does not exceed the value of £189,330 (this is cumulative where there are a series of RCDA's in a period of 12 months), after considering a written report (RCDA) by the appropriate officer, that the waiver is justified because:
- a. The nature of the market for the works to be carried out or the supplies or services to be provided has been investigated and has demonstrated that only a single source of supply is available, or
 - b. On balancing the risk and circumstances, it is clearly in the Council's interest to do so; or
 - c. The contract is for works, supplies or services that are required in circumstances of extreme urgency that could not reasonably have been

foreseen – e.g. to protect life or property when no existing contractual arrangement is in place, or if the purchase is needed to urgently comply with an order of Civil or Criminal Court; or

- d. The purchase is from a supplier where there is an existing obligation to the Council (e.g. under a warranty to contribute to the cost).
- e. Variations of contracts that do not fall within the exceptions listed in section 24.3

50.2 Corporate Director's Actions must be used only in the circumstances listed above, and not to compensate for poor planning or a desire to retain incumbent suppliers through avoidance of competition.

50.3 A record of the decision approving a waiver and the reasons for it must be published on the Council's website once the decision has been taken and kept in a departmental Register of Corporate Directors' Actions.

50.4 Corporate Director's Actions in respect of contracts over £100,000 must be reported to Corporate Finance for submission to the next available meeting of the Cabinet.

50.5 Corporate Directors' Actions must be completed on the appropriate form.

50.6 Waivers of the Procurement Procedures relating to contracts in excess of the OJEU threshold can only be made by a decision of the Mayor, either in Cabinet or through an Individual Mayoral Decision. In such circumstances, consideration must be given to the requirements set out within the Public Contracts Regulations 2015.

Rule 10

- Where the Procurement Procedures apply to a Contract a Corporate Director's Action may be taken to waive any provision, so long as it is justified in accordance with section 50 and this will not lead to a breach of UK or EU legislation.
- Waivers granted by the relevant Corporate Director must be agreed by the Head of Procurement and the Director of Legal.
- Waivers are an exception and must not be sought unless absolutely necessary.
- Corporate Director Waivers in respect of contracts over £100,000 must be reported to the next available meeting of the Cabinet.
- Where there is any doubt about an action breaching UK or EU Legislation advice from Legal Services must be sought.

- A record of the decision approving a waiver and the reasons for it must be kept in a Departmental Register of Corporate Directors' Actions.
