Agenda Item 2

DECLARATIONS OF INTERESTS - NOTE FROM THE CHIEF EXECUTIVE

This note is guidance only. Members should consult the Council's Code of Conduct for further details. Note: Only Members can decide if they have an interest therefore they must make their own decision. If in doubt as to the nature of an interest it is advisable to seek advice **prior** to attending at a meeting.

Declaration of interests for Members

Where Members have a personal interest in any business of the authority as described in paragraph 4 of the Council's Code of Conduct (contained in part 5 of the Council's Constitution) then s/he must disclose this personal interest as in accordance with paragraph 5 of the Code. Members must disclose the existence and nature of the interest at the start of the meeting and certainly no later than the commencement of the item or where the interest becomes apparent.

You have a **personal interest** in any business of your authority where it relates to or is likely to affect:

- (a) An interest that you must **register**
- (b) An interest that is not on the register, but where the well-being or financial position of you, members of your family, or people with whom you have a close association, is likely to be affected by the business of your authority more than it would affect the majority of inhabitants of the ward affected by the decision.

Where a personal interest is declared a Member may stay and take part in the debate and decision on that item.

What constitutes a prejudicial interest? - Please refer to paragraph 6 of the adopted Code of Conduct.

Your personal interest will also be a prejudicial interest in a matter if (a), (b) and either (c) or (d) below apply:-

- (a) A member of the public, who knows the relevant facts, would reasonably think that your personal interests are so significant that it is likely to prejudice your judgment of the public interests; AND
- (b) The matter does not fall within one of the exempt categories of decision listed in paragraph 6.2 of the Code; AND EITHER
- (c) The matter affects your financial position or the financial interest of a body with which you are associated; or
- (d) The matter relates to the determination of a licensing or regulatory application

The key points to remember if you have a prejudicial interest in a matter being discussed at a meeting:-

- i. You must declare that you have a prejudicial interest, and the nature of that interest, as soon as that interest becomes apparent to you; and
- ii. You must leave the room for the duration of consideration and decision on the item and not seek to influence the debate or decision unless (iv) below applies; and

- iii. You must not seek to improperly influence a decision in which you have a prejudicial interest.
- iv. If Members of the public are allowed to speak or make representations at the meeting, give evidence or answer questions about the matter, by statutory right or otherwise (e.g. planning or licensing committees), you can declare your prejudicial interest but make representations. However, you must immediately leave the room once you have finished your representations and answered questions (if any). You cannot remain in the meeting or in the public gallery during the debate or decision on the matter.

TOWER HAMLETS

LICENSING COMMITTEE

**RULES OF PROCEDURE
GOVERNING APPLICATIONS FOR
PREMISES LICENCES
AND OTHER PERMISSIONS
UNDER THE LICENSING ACT 2003**

1. Interpretation

- 1.1 These Procedures describe the way in which hearings will be conducted under the Licensing Act 2003, as set out in the Licensing Act 2003 (Hearings) Regulations 2005 (as amended). The Procedures take into account the Licensing Act (Premises Licences and Club Premises Certificates) Regulations 2005. The Procedures also include the time limits within which a hearing must commence (see Appendix A) and will be used by the Licensing Committee and Licensing Sub-Committee when conducting hearings.
- 1.2 The Hearings Regulations provide (Regulation 21) that a Licensing Authority shall, subject to the provisions of those Regulations, determine for itself the procedure to be followed at a hearing.
- 1.3 These Procedures, therefore, set out the way in which Licensing Sub-Committee Meetings will be conducted under the Licensing Act 2003, following the requirements of the Hearings Regulations. Wherever appropriate they have included the procedures followed successfully when determining licence applications under previous legislation.
- 1.4 Proceedings will not be rendered void only as the result of failure to comply with any provision of the Hearings Regulations (Regulation 31).

2. Composition of Sub-Committee

- 2.1 The Sub-Committee will consist of no less than three members and no business shall be transacted unless at least three members of the Licensing Committee are present and able to form a properly constituted Licensing Sub-Committee. In such cases the Chair shall have a second or casting vote. The Councillor for the ward in which the applicant's premises are situated, or where either the applicant or the objector resides, shall not normally form part of the Sub-Committee for that item on the agenda.

3. Timescales

- 3.1 Most hearings must take place within 20 working days from the last date for representations to be made with the following exceptions:

Within 10 working days from the last date for the police to object to:

- conversion of an existing licence;
 - conversion of an existing club certificate;
 - an application for a personal licence by an existing justices licence holder;
- and

Within 10 working days from the date the Licensing Authority receives the notice for a review of the premises licence following a closure order.

Within 7 working days from the last date for the police to object to:

- a temporary event notice.

Within 5 working days from the last date for the police to object to:

- an interim authority notice (Note: the police must give notice of their objection within 48 hours of being given a copy of the notice).

Note: Where a hearing is likely to take longer than one day, the Authority must arrange for the hearing to take place on consecutive days.

3.2 **Timescale for notice of hearings to be given**

In most cases, the Authority shall give notice of a hearing no later than 10 working days before the first day on which the hearing is to be held. The following are exceptions to that rule:

At least five working days notice must be given to the parties of the date of a hearing for determination of:

- conversion of an existing licence
- conversion of an existing club certificate
- application for a personal licence by the holder of a justices licence
- review of a premises licence following a closure order

At least two days notice must be given to the parties to a hearing for determination of:

- police objection to an interim authority notice
- police objection to a temporary event notice

3.3 **Persons who must be notified of a hearing**

The persons who must be notified of a hearing are set out below as a summary:

- any applicant for any licence or certificate or a temporary event notice.
- any person who has made relevant representations about an application for a licence or for review of a licence (note for any representations deemed frivolous, vexatious or repetitious under Section 18(7)(c) or similar sections of the Licensing Act 2003 the objector must be notified of the Authority's decision as soon as possible and in any event before any hearing).
- Any police officer who has given notice of objection to:
 - a person specified as a Designated Premises Supervisor
 - an interim authority

- transfer of a premises licence
 - a temporary event notice
 - a personal licence
- Any holder of a premises licence or club premises certificate where:
- application is made for review

Note: Anyone given notice of a hearing is a party and that is how that expression is used in these Rules of Procedure.

3.4 Information to be provided in a notice of hearing

The information that must be included in a notice of hearing includes:

- The procedure to be followed at the hearing;
- The right of the party to attend and to be assisted or represented by any person whether legally qualified or not;
- The ability to give further information in support of their application where the Authority has sought clarification;
- The right to question any other party if given permission by the Authority;
- The right to address the Authority;
- Notice of any particular points on which the Authority will want clarification at the hearing;
- The consequences if a party does not attend or is not represented at the hearing;
- For certain hearings particular documents must accompany the notice which is sent to parties informing them of the hearing. Reference must be made to Schedule 3 of the Hearings Regulations for this purpose.

3.5 Failure of Parties to Attend the Hearing

If a party has informed the Authority that they will not be attending or be represented at the hearing, it may proceed in their absence.

If a party does not give notice that they will not be attending but fails to attend and is not represented, the Authority may either:

- a) adjourn the hearing if it considers it to be necessary in the public interest or
- b) hold the hearing in the party's absence

If the Authority holds the hearing in the absence of a party, it will consider at the hearing the application, representation or notice given by the party.

If the Authority adjourns the hearing to a specified date it must forthwith the parties of the date, time and place to which the hearing has been adjourned.

Note: Transition hearings cannot be adjourned to a date beyond the date that which causes an application to be deemed as determined by default.

4. Procedure at the Hearing

4.1 The usual order of proceedings will be as set out below. The Sub-Committee will allow the parties an equal maximum time period in which to give further information in support of their application, representation or response. Where the Authority has given notice that it will seek clarification on that point at the hearing or where permission has been given to call any further persons to give supporting evidence, the Sub-Committee may allow the parties to question any other party and to address the Licensing Sub-Committee. The Sub-Committee will seek, in all cases, to avoid repetition of points (whether included in written material or otherwise), irrelevancy, or any abuse of the procedure.

At the beginning of the hearing the procedure to be followed will be explained to the parties. The hearing will, so far as is possible, take the form of a discussion, led by the Sub-Committee. Cross-examination will not be permitted unless the Sub-Committee considers it necessary.

- i) The Chair will begin by explaining how the proceedings will be conducted, and indicate any time limits that may apply to the parties to the application.
- ii) The report will be briefly introduced by an Officer of the Licensing Section summarising the application.
- iii) The Sub-Committee will then consider any requests by a party for any other person to be heard at the hearing in accordance with the Regulations. Permission will not be unreasonably withheld provided proper notice has been given.
- iv) A summary of the nature and extent of the application by the applicant or their representative. This should be brief, avoid repetition of material already available to the Committee in the Officer's report or otherwise, and include any reasons why an exception should be made to the Council's Licensing Policy, where appropriate. The submission may be followed by the evidence of any person who has been given permission by the Committee to give supporting evidence on behalf of the applicant.
- v) A summary of the reasons for making representations about the application by any interested party. This should be brief and avoid any repetition of information already made available to the Committee either in the Officer's report or otherwise. That will be followed by the evidence of any person who has been given permission by the Panel to give supporting evidence on behalf of the objectors.
- vi) A summary of the reasons for making representations by or on behalf of any Responsible Authority. This should be brief and avoid any repetition of information already made available to the Licensing Sub-Committee

either in the Officer's report or otherwise. That will be followed by the evidence of any person who has been given permission by the Panel to give supporting evidence on behalf of the Responsible Authority.

- vii) Members of the Sub-Committee may ask any questions of any party or other person appearing at the hearing.

4.2 The following requirements of the Hearing Regulations will also be followed by the Licensing Sub-Committee:

- a) The Sub-Committee will be guided by legal principles in determining whether evidence is relevant and fairly admissible. In particular, hearsay evidence may be admitted before the Sub-Committee but consideration will always be given to the degree of weight, if any, to be attached to such evidence in all the relevant circumstances.
- b) The Sub-Committee may impose a time limit on the oral representations to be made by any party. In considering whether to do so, and in considering the length of any such time limit, the Sub-Committee will take into account the importance of ensuring that all parties receive a fair hearing, and the importance of ensuring that all applications are determined expeditiously and without undue delay.
- c) In considering the time limits referred to in (b) above, regard must be had to the requirement to allow each party an equal amount of time.

4.3 When considering any representations or notice made by a party, the Authority may take into account documentary or other information produced by a party in support of their application, representation or notice, either:

- a) before the hearing, or
- b) with the consent of all other parties, by the Sub-Committee at the hearing

The Authority will disregard any information given by a party, or any other person appearing at the hearing, which is not relevant to:

- a) their application, representation or notice; and
- b) the promotion of the licensing objectives or the crime prevention objective where notice has been given by the police.

4.4 All hearings shall take place in public save that:

- a) The Licensing Sub-Committee may exclude the public from all or part of a hearing where it considers that, on balance, it is in the public interest to do so.
- b) The parties and any person representing them may be excluded in the same way as another member of the public

c) The Licensing Sub-Committee may require any person attending the hearing who in their opinion is behaving in a disruptive manner to leave the hearing and may:

- refuse to permit the person to return; or
- allow them to return only on such conditions as the authority may specify.

4.5 Any person so excluded may, before the end of the hearing, submit to the Authority in writing, any information which, they would have been entitled to give orally had they not been required to leave. Where there are a number of items on the agenda, the adjournment of that item for a short period, whilst another item is heard, may allow this process to be carried out effectively.

5. Determination of Application – Time Limits

5.1 The Licensing Sub-Committee must make its determination at the conclusion of the hearing where the application is for:

- a) Conversion or variation of an existing licence during transition
- b) Conversion or variation of an existing club certificate during transition
- c) A review of a premises licence following a closure order
- d) A personal licence by the holder of a justices licence
- e) A counter notice following police objection to a temporary event notice

5.2 In any other case the Authority must make its determination within the period of five working days, beginning with the day, or the last day, on which the hearing was held.

5.3 Where a hearing has been dispensed with because all of the parties have agreed that a hearing is unnecessary (and the Authority has agreed, giving notice to the parties in writing), then the Authority must make its determination within 10 working days beginning with the day the authority gives such notices to the parties. The Team Leader (Licensing) shall be authorised to make the determination on behalf of the Authority.

6. Record of Proceedings

6.1 The Authority must arrange for a record to be taken of the hearing in a permanent and intelligible form and for that record to be kept for six years from the date of determination. Where an appeal is brought against a determination by the Authority, the record must be kept for six years from the date of disposal of the appeal.

7. Irregularities

7.1 Proceedings will not be rendered void only as the result of failure to comply with any provision of the Hearings Regulations

7.2 Clerical mistakes in any document recording a determination of the Authority, or errors arising in such a document as the result of an accidental slip or omission, may be corrected by the Authority.

8. Notices

8.1 In accordance with the Regulations, any notices must be given in writing. Such a notice may be sent electronically, providing:

- a) it can be accessed by the recipient in a legible form;
- b) it is capable of being reproduced as a document for future reference;
- c) the recipient has agreed in advance to receive it in such form;
- d) a copy is sent in documentary form forthwith to the recipient.

9. Appeals

9.1 Either those who have made an application or those who have made representations on an application may appeal to the Magistrates Court.

Note: An appeal must be commenced within twenty one days beginning with the day on which the appellant was notified by the Licensing Authority of their decision.

- 3.7 The capacity that has been applied for is 495.
- 3.7 A map showing the relevant premises and immediate area is included as **Appendix 2**.

4.0 **Temporary Event Notices**

- 4.1 Temporary event notices (TENs) are a creation of the Licensing Act 2003. They provide a method by which licensable activities can be carried out on a temporary basis (max. 96 hrs) without a licence. The maximum number that can attend at any one time is 499. At least 10 full working days notice must be given to the licensing authority. When a TEN cannot be obtained, for example the event is over 499, then a full premises licence must be obtained, for a limited duration.
- 4.2 The licensing authority cannot oppose an application, (nor can local residents or businesses). The licensing authority must reject any application that does not meet the rules as to numbers, maximum per year etc. The only responsible authority that can object is the Metropolitan Police.
- 4.3 The police can only object on the grounds that allowing the event to go ahead will undermine the crime prevention objective.

4.4 No conditions can be attached to a TEN.

5.0 **Objections**

5.1 The Police objection is contained in **Appendix 3**.

6.0 **Advice to Members**

6.1 This hearing is required by the Licensing Act 2003. As always the decision is on the civil burden of proof, i.e. the balance of probability.

6.2 Members can only consider the crime prevention objective. All other matters must be dealt with elsewhere by primary legislation.

7.0 **Legal Comments**

7.1 The Council's legal officer will give advice at the hearing.

8.0 **Finance Comments**

8.1 There are no financial implications in this report.

NOTES

General

In general, only the police may intervene on crime prevention grounds to prevent the occurrence of an event at which permitted temporary activities are to take place or to agree a modification of the arrangements for such an event. However, the licensing authority may intervene of its own volition by issuing a counter notice if the first, second and fourth of the limits set out below would be exceeded. If any of the limits below are breached or if a counter notice has been issued, any licensable activities taking place would be unauthorised and the premises user would be liable to prosecution. The limitations apply to:

- the number of times a person (the "premises user") may give a temporary event notice (50 times per year for a personal licence holder and 5 times per year for other people);
- the number of times a temporary event notice may be given in respect of any particular premises (12 times in a calendar year);
- the length of time a temporary event may last for these purposes (96 hours);
- the maximum aggregate duration of the periods covered by temporary event notices at any individual premises (15 days per calendar year); and
- the scale of the event in terms of the maximum number of people attending at any one time (a maximum of 499).

For the purposes of determining the overall limits of 50 temporary event notices per personal licence holder (in a calendar year) and of 5 for a non-personal licence holder (in a calendar year), temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count towards those totals. Note 13 below explains the definition of an "associate"

When permitted temporary activities take place, a premises user must ensure that either:

- a copy of the temporary event notice endorsed as acknowledged by the licensing authority is prominently displayed at the premises; or that
- the temporary event notice endorsed as acknowledged by the licensing authority is kept at the premises either in his own custody or in the custody of a person present and working at the premises and whom he has nominated for that purpose.

Where the temporary event notice is in the custody of a nominated person, a notice specifying that fact and the position held by that person must be displayed prominently at the premises.

Where neither the temporary event notice nor a notice specifying the nominated person are displayed, a constable or an authorised person (for example, a licensing officer, fire officer or environmental health officer) may require the premises user to produce the temporary event notice for examination. Similarly, where the nominated person has the temporary event notice in his custody, a constable or authorised

person may require that person to produce it for examination. Failure to produce the temporary event notice without reasonable excuse would be an offence.

It should also be noted that the following, among other things, are offences under the Licensing Act 2003:

- the sale or supply of alcohol to children under 18 years of age (maximum fine on conviction is a fine up to level 5 on the standard scale, currently £5,000);
- allowing the sale of alcohol to children under 18 (maximum fine on conviction is a fine up to level 5 on the standard scale, currently £5,000);
- knowingly allowing the consumption of alcohol on the premises by a person aged under 18 (maximum fine on conviction is a fine up to level 5 on the standard scale, currently £5,000);
- allowing disorderly behaviour on the premises (maximum fine on conviction is a fine up to level 3 on the standard scale, currently £1,000);
- the sale of alcohol to a person who is drunk (maximum fine on conviction is a fine up to level 3 on the standard scale, currently £1,000);
- obtaining alcohol for a person who is drunk (maximum fine on conviction is a fine up to level 3 on the standard scale, currently £1,000);
- knowingly allowing a person aged under 18 to make any sale or supply of alcohol unless the sale or supply has been specifically approved by the premises user or any individual aged 18 or over who has been authorised for this purpose by the premises user (maximum fine on conviction is a fine up to level 1 on the standard scale, currently £200); and
- knowingly keeping or allowing to be kept on the premises any smuggled goods which have been imported without payment of duty or which have otherwise been unlawfully imported (maximum fine on conviction is a fine up to level 3 on the standard scale, currently £1,000).

In addition, where the premises are to be used primarily or exclusively for the sale or supply of alcohol for consumption on the premises, it is an offence to allow children under 16 to be present when the premises are open for that purpose unless they are accompanied by an adult. In the case of any premises at which sales or supplies of alcohol are taking place at all, it is an offence for a child under 16 to be present there between the hours of midnight and 5am unless accompanied by an adult. In both instances, the penalty on conviction is a fine not exceeding level 3 on the standard scale, currently £1,000.

Note 1

A temporary event notice may only be given by an individual and not, for example, by an organisation or club or business. The individual giving the notice is the proposed "premises user". Within businesses, clubs or organisations one individual will therefore need to be identified as the proposed premises user.

If you include an e-mail address in section 1(7) or 1(9) the licensing authority may use the address to send any counter notice it is required to give under section 107 of the Licensing Act 2003.

Note 2

For the purposes of the Licensing Act 2003, "premises" means any place. Premises will therefore not always be a building with a formal address and postcode. Premises can include, for example, public parks, recreation grounds and private land.

Note 3

A temporary event notice can be given for part of a building, such as a single room or a plot within a larger area of land. You should provide a clear description of the area in which you propose to carry on licensable activities. This is important as any licensable activities conducted outside the area of the premises protected by the authority of this temporary event notice would be unlawful and could lead to prosecution.

In addition, when holding the proposed event, the premises user would need to be able to restrict the number of people on the premises at any one time when licensable activities are taking place to less than 500. If more than 499 are on the premises when licensable activities are being carried on, the licensable activities would be unlawful and the premises user would be liable to prosecution. The maximum figure of 499 includes, for example, staff, organisers, stewards and performers.

Note 4

A description of the nature of the premises assists the chief officer of police in deciding if any crime prevention issues are likely to arise. You should state clearly that the premises to be used are, for example, a public house, a restaurant, an open field, a village hall or a beer tent.

Note 5

A description of the nature of the event similarly assists the chief officer of police in making his decision whether or not to make an objection. You should state clearly that the event taking place at the premises would be, for example, a wedding with a pay bar, the supply of beer at a particular farmers' market, a discotheque, the performance of a string quartet, a folk group or a rock band.

Note 6

The licensable activities are:

- the sale by retail of alcohol;
- the supply of alcohol by or on behalf of a club to, or to the order of, a member of a club;
- the provision of regulated entertainment; and
- the provision of late night refreshment.

Please refer to Schedules 1 and 2 to the Licensing Act 2003 for fuller details of the definitions and exemptions relating to regulated entertainment and late night refreshment.

Regulated entertainment, subject to specified conditions and exemptions, includes:

- (a) a performance of a play;
- (b) an exhibition of a film;
- (c) an indoor sporting event;
- (d) a boxing or wrestling entertainment;
- (e) a performance of live music;
- (f) any playing of recorded music;

- (g) a performance of dance;
- (h) entertainment of a similar description to that falling within (e), (f) or (g).

Regulated entertainment also includes the provision of "entertainment facilities" for:

- (a) making music;
- (b) dancing; and
- (c) entertainment of a similar description to that falling within (a) or (b).

If you are uncertain whether or not the activities that you propose are licensable, you should contact your licensing authority for further advice.

Note 7

The maximum period for using premises for licensable activities under the authority of a temporary event notice is 96 hours (four days).

Note 8

You should state here the times during the event period, for example 48 hours, when you intend to carry on licensable activities. For example, you may not intend to carry on licensable activities throughout the entire 48 hour event period, and may intend to sell alcohol between 8.00 hrs and 23.00 hrs on each of the two days.

Note 9

No more than 499 may be on the premises for a temporary event at any one time when licensable activities are being carried on. If you intend to have more than 499 attending the event, you should obtain a premises licence for the event. Your licensing authority should be able to advise you. The maximum figure of 499 does not just include the audience, spectators or consumers and includes, for example, staff, organisers, stewards and performers who will be present on the premises.

Note 10

If you indicate that alcohol will be supplied only for consumption on the premises, you would be required to ensure that no person leaves the premises with alcohol supplied there. If such a supply takes place, the premises user may be liable to prosecution for carrying on an unauthorised licensable activity. Similarly, if the premises user gives notice that only supplies of alcohol for consumption off the premises will take place, he/she must ensure that alcohol supplied is not consumed on the premises. The premises user is free to give notice that he/she intends to carry on both types of supplies. For this purpose the supply of alcohol includes both of the first two licensable activities listed in note 6 above.

Note 11

The holder of a valid personal licence issued under the Licensing Act 2003 may give up to 50 temporary event notices in any calendar year subject to the other limitations in the 2003 Act. A proposed premises user who holds such a licence should give the details requested.

Note 12

As stated under Note 11 the holder of a valid personal licence holder issued under the Licensing Act 2003 may give up to 50 temporary event notices in any calendar year. An individual who does not hold a valid personal licence may only give 5 temporary event notices in England and Wales within a calendar year. A calendar year is the period between 1 January to 31 December, inclusive, in any year.

If an event straddles two calendar years, it will count against the limits on temporary event notices (12 for each premises, 15 days for each premises, 50 per personal licence holder and 5 for non-holders) for each year, however, only one notice needs to be given.

For the purposes of determining the overall limits of 50 temporary event notices per personal licence holder (in a calendar year) and of 5 for a non-personal licence holder (in a calendar year), temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count towards those totals. Note 13 below sets out the definition of an "associate".

If a temporary event notice has been given for the same premises, by the same premises user, and would have effect within 24 hours before the start of the event period under the current proposal or within 24 hours after the end of that period, the temporary event notice given would be void and any licensable activities carried on under it would therefore be unlicensed.

For the purposes of determining whether or not the required gap of 24 hours is upheld, temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count as if they had been given by the premises user himself. Note 13 below sets out the definition of an "associate".

Note 13

An "associate" of the proposed premises user is:

- a. the spouse of that person;
- b. a child, parent, grandchild, grandparent, brother or sister of that person;
- c. an agent or employee of that person; or
- d. the spouse of a person within (b) or (c).

For these purposes, a person living with another as that person's husband or wife is to be treated as that person's spouse.

These provisions will be subject to amendment by the Civil Partnerships Act. These amendments are due to take effect from 5th December 2005.

Note 14

It is a requirement that you send two copies of this notice to the licensing authority at least ten working days before the commencement of the proposed licensable activities. The authority will endorse one of the two copies and return it to you as an acknowledgement. This will be important proof that you gave the notice and when you gave it for the purposes of the Act. Some premises may be situated in two licensing authority areas, for example, where a building or field straddles the local authority boundary. Where this is the case, two copies must be sent to each of the licensing authorities identified, together with the appropriate fee in each case. In such circumstances, you need to receive acknowledgements from all the relevant licensing authorities.

One copy must be sent to the chief officer of police for the area in which the premises is situated at least ten working days before the commencement of the proposed licensable activities. Where the premises are situated in two police areas, a further copy will need to be sent to the second police force.

Note 15

Under the Licensing Act 2003, all temporary event notices are given subject to a mandatory condition requiring that where the licensable activities involve the supply of alcohol, all such supplies must be made by or under the authority of the named premises user. If there is a breach of this condition, the premises user and the individual making the supply in question would be liable to prosecution. For this purpose the supply of alcohol includes both of the first two licensable activities listed in note 6 above.

Note 16

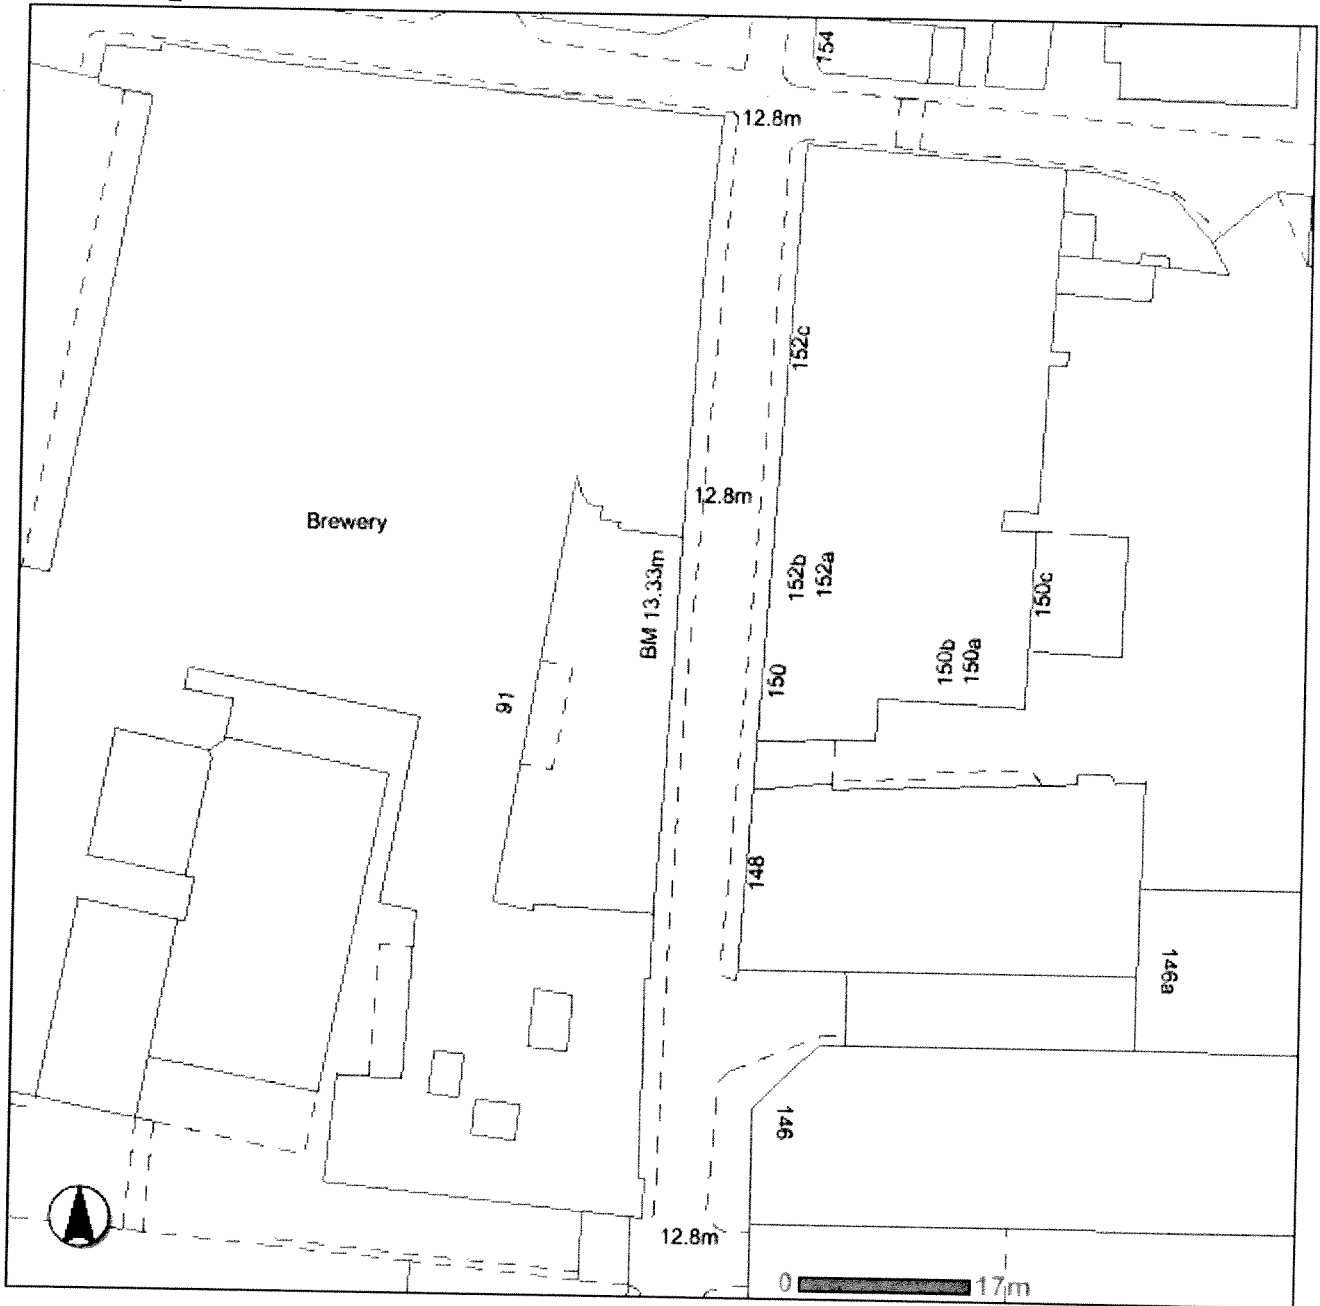

It is an offence knowingly or recklessly to make a false statement in, or in connection with, a temporary event notice. (A person is to be treated as making a false statement if he produces, furnishes, signs or otherwise makes use of a document that contains a false statement). To do so could result in prosecution and a fine not exceeding level 5 on the standard scale.

Note 17

You should not complete section 10 of the notice, which is for use by the licensing authority. They will complete this section and return one of the copies that you have sent to them as an acknowledgement of the notice you have given.

Re: Time limited Premise Licence Application and two TEN applications, to be held at the Truman Brewery complex

The Metropolitan Police as a responsible authority wish to object to the following three applications, as it would run counter to the licensing objective of:

1.The prevention of crime and disorder.

The three applications are:

1. The Chilli Crab Festival, U-Block & The Yard, The Old Truman Brewery. This dates being the 29th-31st of August 2008, between 1100 – 1900. (This is the time limited Premises Licence application)
2. The Vibe Bar, 91-95 Old Truman Brewery. This TEN is for the 30th August 2008 between 1400 – 0200. The application is not only for the bar but the courtyard area. Live music will be played in the courtyard till 2200 and then in the bar till 0200. This Notice is for the DV8 record launch
3. The Vibe Bar (as above). This TEN is for the 24th August, between 1900 – 0200. The application is for the bar and Courtyard. Once again it will be live music and a DJ. There is no mention of curtailing the time the music is to be played in the Courtyard. This Notice is for the Wah Wah record launch.

This objection is not a reflection on the individual applicants and how they manage an event, neither is it a reflection on the DPS of the Vibe Bar. Also, it has nothing to do with their clients, who are mainly the victims of crime. The objection is based around the issue of the Truman Brewery management having failed to take on board any advice given to them by the police in relation to crime prevention matters.

This objection is based on police intelligence, that by the very nature of further events or extended hours at these venues, it will allow the opportunity of further crimes to occur. Although there are a number of different crimes that occur on the Truman Brewery Site, the main crime affecting this area is bag theft.

The victims of these thefts are mainly foreign female tourists who are attracted to this vibrant complex but are unaware that they are in a high crime area.

I enclose a statement from PC Allen, a licensing officer, highlighting her unsuccessful attempts to work in partnership with the Truman management.

I enclose a further statement from PC Philp, the Crime Prevention Design Advisor, detailing his involvement with the Truman management.

I also enclose the crime statistics for the Truman Brewery complex. Suffice to say, the Truman Brewery is the "hot spot" for theft. Not only does it have an impact on the victim, it also puts a strain on police resources.

It is not the intention of the Metropolitan Police to interfere in the success of the Truman Brewery. We would seek to work in partnership to lower these crimes, by the introduction of crime prevention measures.

We would like the management to consider the following improvements to their security.

1. Better targeted CCCTV to cover the main access / egress area
2. The CCTV operator to be SIA trained
3. Direct communication between the CCTV operator and the premises door door supervisors / security teams
4. An increase in security personnel throughout the Truman Brewery complex. These security officers also to be SIA trained.
5. A security co-ordinator for the whole site.
6. An increased use of crime prevention techniques such as posters in various languages, warning of bag theft. Blue tooth contact boxes that send out to mobile phones, forthcoming events and it can also give crime prevention advice.

In conclusion, the Truman Brewery management has failed to keep up their interest in crime prevention strategies, in comparison to their excellent success of the the Brewery. As a result, crime is occurring at all their main venues. Cooperation with the police has been limited; therefore the police object to these applications, to prevent more people becoming a victim of crime

Yours faithfully

Alan Cruickshank PC 189HT
Licensing Officer

I am currently engaged in the role of Police Licensing Officer for Tower Hamlets OCU and have been for six years.

In February 2008, I was tasked with liaising with the owners/managers of the Truman Brewery in an attempt to reduce crime on the site. Analysis had been carried out by the divisional intelligence unit and it was highlighted that one in every ten "other theft" offences in Tower Hamlets is committed in The Truman Brewery along with one in seventeen pickpocket offences. The peak times for these offences were Friday and Saturday nights from 2300 until 0100 and Sunday afternoon in line with the market. The victims were mainly female of varied nationalities but the majority being Italian, Spanish and French.

There are five large licensed venues within the Truman Brewery site, The Big Chill, Café 1001, The Vibe Bar, Corbetts Place and 93 Feet East. These all have premises licences and have their own security by way of door supervisors and CCTV.

The Truman Brewery site also rents units and event space, which are usually run by way of a Temporary Event Notice, or time limited premises licence.

On the 25th February 2008, I relaunched the "Brick Lane pubwatch" I invited the DPS's from each venue and also Jason Zeloof (one of the owners of the Brewery) Unfortunately Jason was unable to attend this meeting and only two of the four premises were represented.

Following this meeting I contacted the brewery by telephone and spoke to Jason to discuss the issues raised by the analysis.

I informed him that I had visited all of the licensed venues to look at any crime prevention measures they were making. Most had notices displayed but that they did not stand out and they were all written in English. I made a suggestion that the Brewery could task one of their artists to design a poster to display around the site. I advised that it should be bright and state that thieves operate in the area but have this written in the main four languages highlighted. I stated that if the brewery could design something, the police could match fund and print it. We

would also print it in leaflet form. Jason stated that he would pass this to his estate officer, Steve Paton. I stated that it would be good to have a follow-up meeting in a few weeks to discuss designs and I also wanted to view their CCTV etc.

On the 15th April 2008 I attended the Truman Brewery site. Present at the meeting were Jason and Ofer Zeloof. They showed me a poster that had been designed and displayed in the licenced venues as a temporary measure. I viewed the CCTV for the site. In my opinion this was inadequate for the size of the site. There were large external areas including the majority of Dray Walk and the courtyard that were not covered. Jason explained that the CCTV in The Big Chill and Café 1001 should cover Dray Walk. We discussed the site security. Jason stated that he currently employs two security to patrol in the evenings. They were not SIA registered or trained.

At the end of the meeting I made the following recommendations;

- The CCTV coverage should be increased on site. It was not the responsibility of the licensed venues to cover the public areas for the whole of Dray Walk; they only had responsibility for immediately outside their premises.
- The number of security is increased for the site especially at peak times on Friday and Saturday nights.
- A cab marshalling system should be devised whereby customers from Truman Brewery are supplied with licensed taxis by the use of a taxi marshall.

Jason and Ofer both stated that the final recommendation would not work, as there were problems with unlicensed taxis in Brick Lane. They also commented that most of the problems in Brick Lane would be solved if police increased their patrols the area and if the road was pedestrianised.

On the 23rd April 2008 a meeting was called by DCI Gardner to discuss how to tackle crime at the Truman Brewery site. Many police departments attended this meeting. I outlined the work that had been done and recommendations that had been made. I explained to the meeting the comments made by the owners of the site and a further meeting was arranged to be attended by the Senior Management Team at Tower Hamlets and also the licensees and Truman Brewery management.

The meeting was held on the 3rd June attended by the licensees and Jason Zeloof represented the Truman Brewery. The analysis that had been carried out in February 2008 was presented to the meeting. The following recommendations were made;

- The police would increase presence and where possible monthly days of action would take place.
- The brewery should improve security on site. The amount of security guards employed should be increased and they should be SIA trained.
- CCTV on site should be improved and monitored by a security officer employed to do so.

Signature: Signature witnessed by:

Continuation of Statement of **Louise Allen**

- CT office at HT were to conduct a survey re making the site into a Community Safety Zone and holding a project Argus exercise with the management and licensees.
- Regular monthly meetings should be held with police from the licensing office, Counter Terrorism and crime prevention office and the management of the brewery and licensees.

As a result of this meeting, I attended the brewery on the 18th June 2008 with Gavin Philp from the Crime Prevention Office at HT and PC Alan Cruickshank. We again met with Jason Zeloof.

We viewed the CCTV. No improvement had been made to the system since my visit in April. No increase had been made to the number of security officers employed on site. Jason was lackadaisical in his manner. He did not appear to think it was his problem and seemed to be placing the blame on the individual licensed premises.

In conclusion, I do not believe that the owners of the Truman Brewery appreciate the gravity of the situation in relation to crime on their site. They have not to this date made any attempts to introduce the recommendations made police.

I am currently engaged in the role Crime Prevention Design Advisor for Tower Hamlets Police, I have been employed in my current role since January 2007 having transferred from Haringey where I had worked in the same role for four years. Prior to moving into the field of crime prevention I had been involved in the policing of football matches mainly as the liaison office for Barnet Football Club and additionally working on events at Wembley Stadium and other Premier Division grounds in London. In this role I was involved in pre match planning and coordinating public safety concerns around large crowds working closely with local authority licensing and The Football Association. I also have 15 years experience of policing Camden Market and worked on several projects dealing with crowd management and crime issues.

In November 2007 I was tasked with looking at designing out crime initiatives for the Brick Lane Market area. As part of this work I checked on levels and types of recorded crime and anecdotal evidence around perceived levels of crime. From my initial research it quickly became apparent that on certain types of crime the area had much higher levels of reports than could reasonably be expected. Drilling down on the crime figures I soon identified that there were some clearly identifiable crime hotspots, these centred around The Old Truman Brewery Site and the licensed premises that operate within the site.

I raised my concerns about the high levels of crime with Inspector Davies the local sector Inspector and he commissioned more a detailed piece of analysis from the Borough Intelligence Unit. This analysis produced in February 2008 showed clearly that for theft crimes the rate of offending was disproportionately high within the area known as The Truman Brewery Site.

I was asked by Louise Allen Police Licensing Officer with responsibility for Brick Lane to attend a pub watch meeting to present ideas around crime prevention to reduce victimisation within the licensed premises. The meeting was held on 25th February and was poorly attended and whilst some discussion took place and ideas exchanged there was little progress in addressing the concerns raised by the high level of crime.

There has been some work carried out with individual licensed premises around promoting crime reduction and

this has seen a slight reduction in thefts.

I continued to look at the site which is an old brewery covering 11 acres with several large licensed premises and a number of shops operating. There are also several large venues that are used as temporary exhibition spaces attracting large numbers of visitors. On visiting the site on various days and at different times I concluded that there were obvious problems with management of space and how it relates with the large numbers of people who visit. My initial observations on the security and safety management of the site concluded that there were insufficient numbers of staff, signage and technological aids to manage the site safely, this in turn created an environment where it is possible for criminals to engage in their activity uninterrupted.

I have subsequently attended a series of meetings with representatives of the owners of The Truman Brewery Site where I advised that there is a pressing requirement for them to produce a comprehensive site wide security management plan which overlays the individual security arrangements of the various businesses. I have emphasised that there is a need for review of the existing CCTV provision which from my most recent viewing fails to meet the basic needs of staff to combat crime and assist in managing public safety expectations. To assist I have provided information on developing an effective Operational Requirement for CCTV, I have also offered to assist in developing a coordinated approach between the individual businesses and TBS to cover security and crowd safety. I proposed a greater use of Security Industry Accredited staff (SIA) to manage access and egress on to and away from the site, one area of concern that I do have and I am not sure how this has arisen is that there does not appear to be crowd safety limits placed on the whole site, and more importantly any risk management contingency plans for dealing with site wide incidents.

I have been asked by the Licensing Department at Bethnal Green to comment on future applications for events within the site based on the high levels of crime and the response we have had to offers to work with TBS to address these issues. To date I have not been contacted by the management or any representative of TBS to look at security around theft. At present I do not believe that TBS are taking a responsible approach to addressing the clearly identified crime problem that exists on their site.

Using my football policing background if TBS were a football ground it would need to meet the requirement laid down within The Green Guide to achieve a license to operate, at present I do not believe that TBS could do this.

With the levels of personal theft still running at a high level I would ask that no further licensing applications are granted until TBS produce a comprehensive Crime Management Plan for the site that links in with the individual businesses operating within the site, this should include employing or training up staff to SIA standards, a

communication strategy to inform users and businesses of crime prevention information; this could be a tannoy or pager system, there needs to be more and clearer signage promoting personal responsibility for crime prevention, many of thefts involve bags left on the floor whilst eating or drinking.

There is an urgent need to address the quality and management of the CCTV system covering the site; this would assist in reducing crime, subsequent investigation but also general public safety.

In conclusion TBS seems happy to pass the responsibility for crime prevention to individual businesses, this leaves large areas of the site unmanaged, it is these unmanaged areas that they are currently applying for event licenses.

From 14:00 hours to 02:00 hours the following day

3.7 The capacity that has been applied for is 495.

3.7 A map showing the relevant premises and immediate area is included as **Appendix 2**.

4.0 **Temporary Event Notices**

4.1 Temporary event notices (TENs) are a creation of the Licensing Act 2003. They provide a method by which licensable activities can be carried out on a temporary basis (max. 96 hrs) without a licence. The maximum number that can attend at any one time is 499. At least 10 full working days notice must be given to the licensing authority. When a TEN cannot be obtained, for example the event is over 499, then a full premises licence must be obtained, for a limited duration.

4.2 The licensing authority cannot oppose an application, (nor can local residents or businesses). The licensing authority must reject any application that does not meet the rules as to numbers, maximum per year etc. The only responsible authority that can object is the Metropolitan Police.

4.3 The police can only object on the grounds that allowing the event to go ahead will undermine the crime prevention objective.

4.4 No conditions can be attached to a TEN.

5.0 **Objections**

5.1 The Police objection is contained in **Appendix 3**.

6.0 **Advice to Members**

6.1 This hearing is required by the Licensing Act 2003. As always the decision is on the civil burden of proof, i.e. the balance of probability.

6.2 Members can only consider the crime prevention objective. All other matters must be dealt with elsewhere by primary legislation.

7.0 **Legal Comments**

7.1 The Council's legal officer will give advice at the hearing.

8.0 **Finance Comments**

8.1 There are no financial implications in this report.

NOTES

General

In general, only the police may intervene on crime prevention grounds to prevent the occurrence of an event at which permitted temporary activities are to take place or to agree a modification of the arrangements for such an event. However, the licensing authority may intervene of its own volition by issuing a counter notice if the first, second and fourth of the limits set out below would be exceeded. If any of the limits below are breached or if a counter notice has been issued, any licensable activities taking place would be unauthorised and the premises user would be liable to prosecution. The limitations apply to:

- the number of times a person (the "premises user") may give a temporary event notice (50 times per year for a personal licence holder and 5 times per year for other people);
- the number of times a temporary event notice may be given in respect of any particular premises (12 times in a calendar year);
- the length of time a temporary event may last for these purposes (96 hours);
- the maximum aggregate duration of the periods covered by temporary event notices at any individual premises (15 days per calendar year); and
- the scale of the event in terms of the maximum number of people attending at any one time (a maximum of 499).

For the purposes of determining the overall limits of 50 temporary event notices per personal licence holder (in a calendar year) and of 5 for a non-personal licence holder (in a calendar year), temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count towards those totals. Note 13 below explains the definition of an "associate"

When permitted temporary activities take place, a premises user must ensure that either:

- a copy of the temporary event notice endorsed as acknowledged by the licensing authority is prominently displayed at the premises; or that
- the temporary event notice endorsed as acknowledged by the licensing authority is kept at the premises either in his own custody or in the custody of a person present and working at the premises and whom he has nominated for that purpose.

Where the temporary event notice is in the custody of a nominated person, a notice specifying that fact and the position held by that person must be displayed prominently at the premises.

Where neither the temporary event notice nor a notice specifying the nominated person are displayed, a constable or an authorised person (for example, a licensing officer, fire officer or environmental health officer) may require the premises user to produce the temporary event notice for examination. Similarly, where the nominated person has the temporary event notice in his custody, a constable or authorised

person may require that person to produce it for examination. Failure to produce the temporary event notice without reasonable excuse would be an offence.

It should also be noted that the following, among other things, are offences under the Licensing Act 2003:

- the sale or supply of alcohol to children under 18 years of age (maximum fine on conviction is a fine up to level 5 on the standard scale, currently £5,000);
- allowing the sale of alcohol to children under 18 (maximum fine on conviction is a fine up to level 5 on the standard scale, currently £5,000);
- knowingly allowing the consumption of alcohol on the premises by a person aged under 18 (maximum fine on conviction is a fine up to level 5 on the standard scale, currently £5,000);
- allowing disorderly behaviour on the premises (maximum fine on conviction is a fine up to level 3 on the standard scale, currently £1,000);
- the sale of alcohol to a person who is drunk (maximum fine on conviction is a fine up to level 3 on the standard scale, currently £1,000);
- obtaining alcohol for a person who is drunk (maximum fine on conviction is a fine up to level 3 on the standard scale, currently £1,000);
- knowingly allowing a person aged under 18 to make any sale or supply of alcohol unless the sale or supply has been specifically approved by the premises user or any individual aged 18 or over who has been authorised for this purpose by the premises user (maximum fine on conviction is a fine up to level 1 on the standard scale, currently £200); and
- knowingly keeping or allowing to be kept on the premises any smuggled goods which have been imported without payment of duty or which have otherwise been unlawfully imported (maximum fine on conviction is a fine up to level 3 on the standard scale, currently £1,000).

In addition, where the premises are to be used primarily or exclusively for the sale or supply of alcohol for consumption on the premises, it is an offence to allow children under 16 to be present when the premises are open for that purpose unless they are accompanied by an adult. In the case of any premises at which sales or supplies of alcohol are taking place at all, it is an offence for a child under 16 to be present there between the hours of midnight and 5am unless accompanied by an adult. In both instances, the penalty on conviction is a fine not exceeding level 3 on the standard scale, currently £1,000.

Note 1

A temporary event notice may only be given by an individual and not, for example, by an organisation or club or business. The individual giving the notice is the proposed "premises user". Within businesses, clubs or organisations one individual will therefore need to be identified as the proposed premises user.

If you include an e-mail address in section 1(7) or 1(9) the licensing authority may use the address to send any counter notice it is required to give under section 107 of the Licensing Act 2003.

Note 2

For the purposes of the Licensing Act 2003, "premises" means any place. Premises will therefore not always be a building with a formal address and postcode. Premises can include, for example, public parks, recreation grounds and private land.

Note 3

A temporary event notice can be given for part of a building, such as a single room or a plot within a larger area of land. You should provide a clear description of the area in which you propose to carry on licensable activities. This is important as any licensable activities conducted outside the area of the premises protected by the authority of this temporary event notice would be unlawful and could lead to prosecution.

In addition, when holding the proposed event, the premises user would need to be able to restrict the number of people on the premises at any one time when licensable activities are taking place to less than 500. If more than 499 are on the premises when licensable activities are being carried on, the licensable activities would be unlawful and the premises user would be liable to prosecution. The maximum figure of 499 includes, for example, staff, organisers, stewards and performers.

Note 4

A description of the nature of the premises assists the chief officer of police in deciding if any crime prevention issues are likely to arise. You should state clearly that the premises to be used are, for example, a public house, a restaurant, an open field, a village hall or a beer tent.

Note 5

A description of the nature of the event similarly assists the chief officer of police in making his decision whether or not to make an objection. You should state clearly that the event taking place at the premises would be, for example, a wedding with a pay bar, the supply of beer at a particular farmers' market, a discotheque, the performance of a string quartet, a folk group or a rock band.

Note 6

The licensable activities are:

- the sale by retail of alcohol;
- the supply of alcohol by or on behalf of a club to, or to the order of, a member of a club;
- the provision of regulated entertainment; and
- the provision of late night refreshment.

Please refer to Schedules 1 and 2 to the Licensing Act 2003 for fuller details of the definitions and exemptions relating to regulated entertainment and late night refreshment.

Regulated entertainment, subject to specified conditions and exemptions, includes:

- (a) a performance of a play;
- (b) an exhibition of a film;
- (c) an indoor sporting event;
- (d) a boxing or wrestling entertainment;
- (e) a performance of live music;
- (f) any playing of recorded music;

- (g) a performance of dance;
- (h) entertainment of a similar description to that falling within (e), (f) or (g).

Regulated entertainment also includes the provision of "entertainment facilities" for:

- (a) making music;
- (b) dancing; and
- (c) entertainment of a similar description to that falling within (a) or (b).

If you are uncertain whether or not the activities that you propose are licensable, you should contact your licensing authority for further advice.

Note 7

The maximum period for using premises for licensable activities under the authority of a temporary event notice is 96 hours (four days).

Note 8

You should state here the times during the event period, for example 48 hours, when you intend to carry on licensable activities. For example, you may not intend to carry on licensable activities throughout the entire 48 hour event period, and may intend to sell alcohol between 8.00 hrs and 23.00 hrs on each of the two days.

Note 9

No more than 499 may be on the premises for a temporary event at any one time when licensable activities are being carried on. If you intend to have more than 499 attending the event, you should obtain a premises licence for the event. Your licensing authority should be able to advise you. The maximum figure of 499 does not just include the audience, spectators or consumers and includes, for example, staff, organisers, stewards and performers who will be present on the premises.

Note 10

If you indicate that alcohol will be supplied only for consumption on the premises, you would be required to ensure that no person leaves the premises with alcohol supplied there. If such a supply takes place, the premises user may be liable to prosecution for carrying on an unauthorised licensable activity. Similarly, if the premises user gives notice that only supplies of alcohol for consumption off the premises will take place, he/she must ensure that alcohol supplied is not consumed on the premises. The premises user is free to give notice that he/she intends to carry on both types of supplies. For this purpose the supply of alcohol includes both of the first two licensable activities listed in note 6 above.

Note 11

The holder of a valid personal licence issued under the Licensing Act 2003 may give up to 50 temporary event notices in any calendar year subject to the other limitations in the 2003 Act. A proposed premises user who holds such a licence should give the details requested.

Note 12

As stated under Note 11 the holder of a valid personal licence holder issued under the Licensing Act 2003 may give up to 50 temporary event notices in any calendar year. An individual who does not hold a valid personal licence may only give 5 temporary event notices in England and Wales within a calendar year. A calendar year is the period between 1 January to 31 December, inclusive, in any year.

If an event straddles two calendar years, it will count against the limits on temporary event notices (12 for each premises, 15 days for each premises, 50 per personal licence holder and 5 for non-holders) for each year, however, only one notice needs to be given.

For the purposes of determining the overall limits of 50 temporary event notices per personal licence holder (in a calendar year) and of 5 for a non-personal licence holder (in a calendar year), temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count towards those totals. Note 13 below sets out the definition of an "associate".

If a temporary event notice has been given for the same premises, by the same premises user, and would have effect within 24 hours before the start of the event period under the current proposal or within 24 hours after the end of that period, the temporary event notice given would be void and any licensable activities carried on under it would therefore be unlicensed.

For the purposes of determining whether or not the required gap of 24 hours is upheld, temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count as if they had been given by the premises user himself. Note 13 below sets out the definition of an "associate".

Note 13

An "associate" of the proposed premises user is:

- a. the spouse of that person;
- b. a child, parent, grandchild, grandparent, brother or sister of that person;
- c. an agent or employee of that person; or
- d. the spouse of a person within (b) or (c).

For these purposes, a person living with another as that person's husband or wife is to be treated as that person's spouse.

These provisions will be subject to amendment by the Civil Partnerships Act. These amendments are due to take effect from 5th December 2005.

Note 14

It is a requirement that you send two copies of this notice to the licensing authority at least ten working days before the commencement of the proposed licensable activities. The authority will endorse one of the two copies and return it to you as an acknowledgement. This will be important proof that you gave the notice and when you gave it for the purposes of the Act. Some premises may be situated in two licensing authority areas, for example, where a building or field straddles the local authority boundary. Where this is the case, two copies must be sent to each of the licensing authorities identified, together with the appropriate fee in each case. In such circumstances, you need to receive acknowledgements from all the relevant licensing authorities.

One copy must be sent to the chief officer of police for the area in which the premises is situated at least ten working days before the commencement of the proposed licensable activities. Where the premises are situated in two police areas, a further copy will need to be sent to the second police force.

Note 15

Under the Licensing Act 2003, all temporary event notices are given subject to a mandatory condition requiring that where the licensable activities involve the supply of alcohol, all such supplies must be made by or under the authority of the named premises user. If there is a breach of this condition, the premises user and the individual making the supply in question would be liable to prosecution. For this purpose the supply of alcohol includes both of the first two licensable activities listed in note 6 above.

Note 16

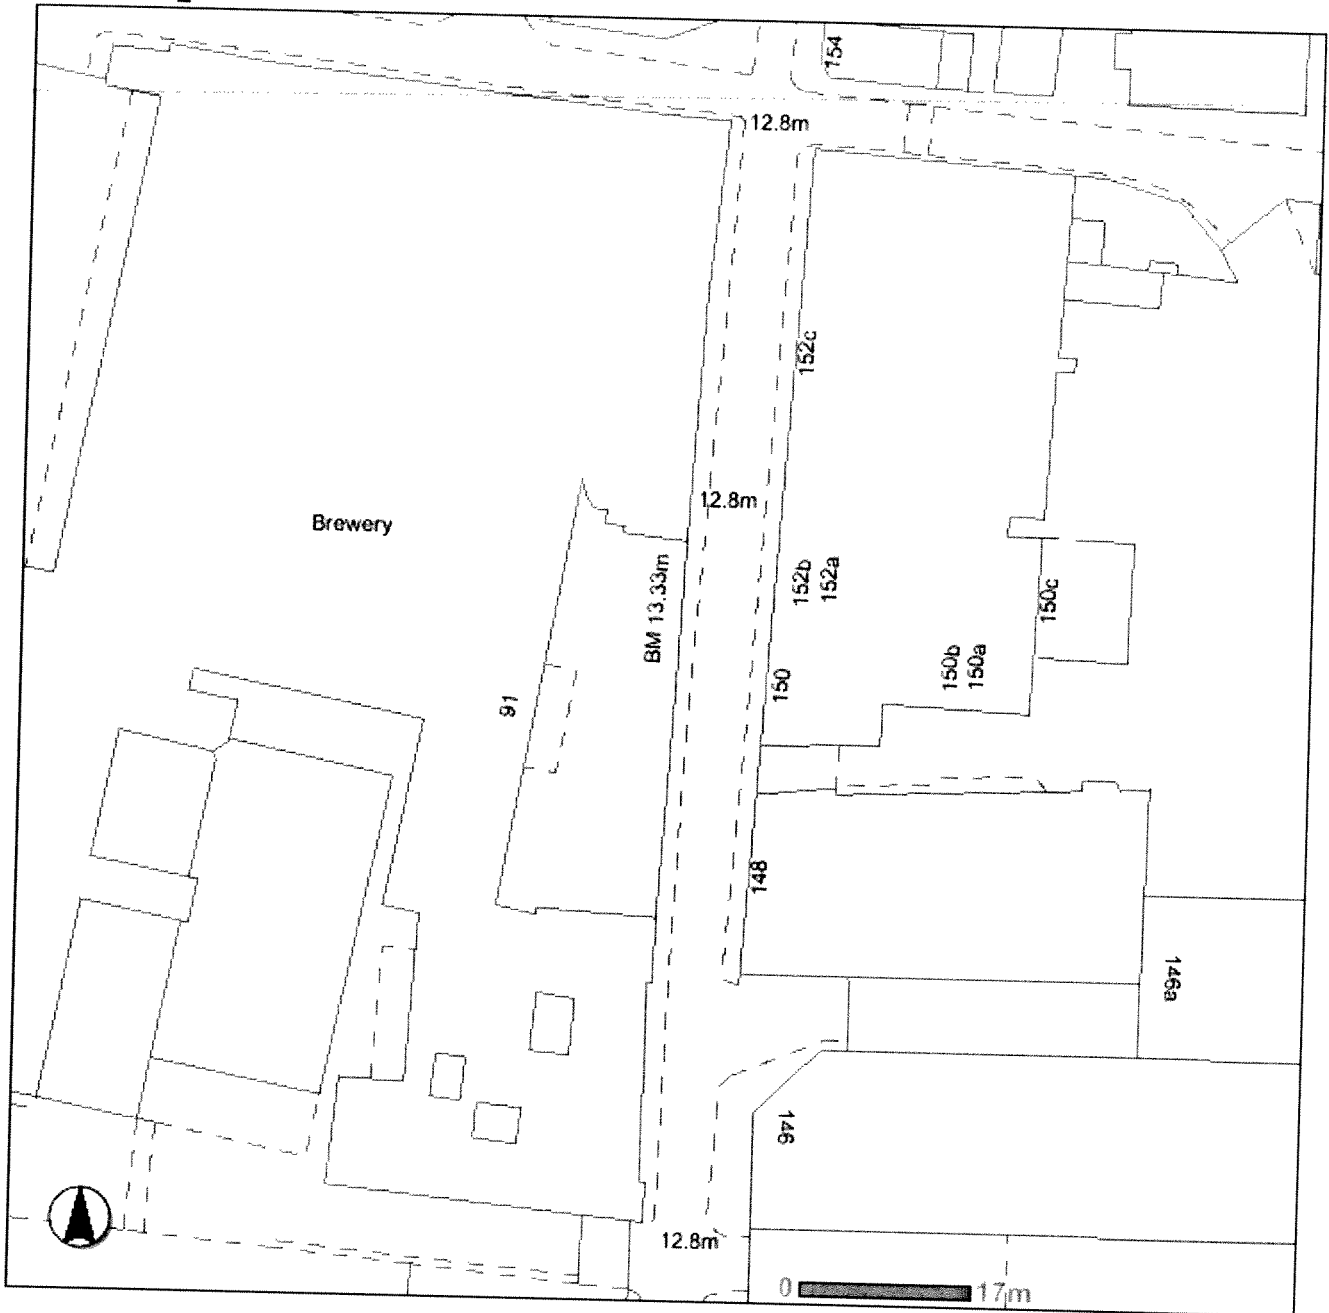

It is an offence knowingly or recklessly to make a false statement in, or in connection with, a temporary event notice. (A person is to be treated as making a false statement if he produces, furnishes, signs or otherwise makes use of a document that contains a false statement). To do so could result in prosecution and a fine not exceeding level 5 on the standard scale.

Note 17

You should not complete section 10 of the notice, which is for use by the licensing authority. They will complete this section and return one of the copies that you have sent to them as an acknowledgement of the notice you have given.

Re: Time limited Premise Licence Application and two TEN applications, to be held at the Truman Brewery complex

The Metropolitan Police as a responsible authority wish to object to the following three applications, as it would run counter to the licensing objective of:

1.The prevention of crime and disorder.

The three applications are:

1. The Chilli Crab Festival, U-Block & The Yard, The Old Truman Brewery. This dates being the 29th-31st of August 2008, between 1100 – 1900. (This is the time limited Premises Licence application)
2. The Vibe Bar, 91-95 Old Truman Brewery. This TEN is for the 30th August 2008 between 1400 – 0200. The application is not only for the bar but the courtyard area. Live music will be played in the courtyard till 2200 and then in the bar till 0200. This Notice is for the DV8 record launch
3. The Vibe Bar (as above). This TEN is for the 24th August, between 1900 – 0200. The application is for the bar and Courtyard. Once again it will be live music and a DJ. There is no mention of curtailing the time the music is to be played in the Courtyard. This Notice is for the Wah Wah record launch.

This objection is not a reflection on the individual applicants and how they manage an event, neither is it a reflection on the DPS of the Vibe Bar. Also, it has nothing to do with their clients, who are mainly the victims of crime. The objection is based around the issue of the Truman Brewery management having failed to take on board any advice given to them by the police in relation to crime prevention matters.

This objection is based on police intelligence, that by the very nature of further events or extended hours at these venues, it will allow the opportunity of further crimes to occur. Although there are a number of different crimes that occur on the Truman Brewery Site, the main crime affecting this area is bag theft.

The victims of these thefts are mainly foreign female tourists who are attracted to this vibrant complex but are unaware that they are in a high crime area.

I enclose a statement from PC Allen, a licensing officer, highlighting her unsuccessful attempts to work in partnership with the Truman management.

I enclose a further statement from PC Philp, the Crime Prevention Design Advisor, detailing his involvement with the Truman management.

I also enclose the crime statistics for the Truman Brewery complex. Suffice to say, the Truman Brewery is the "hot spot" for theft. Not only does it have an impact on the victim, it also puts a strain on police resources.

It is not the intention of the Metropolitan Police to interfere in the success of the Truman Brewery. We would seek to work in partnership to lower these crimes, by the introduction of crime prevention measures.

We would like the management to consider the following improvements to their security.

- .1. Better targeted CCCTV to cover the main access / egress area
2. The CCTV operator to be SIA trained
3. Direct communication between the CCTV operator and the premises door door supervisors / security teams
4. An increase in security personnel throughout the Truman Brewery complex. These security officers also to be SIA trained.
5. A security co-ordinator for the whole site.
6. An increased use of crime prevention techniques such as posters in various languages, warning of bag theft. Blue tooth contact boxes that send out to mobile phones, forthcoming events and it can also give crime prevention advice.

In conclusion, the Truman Brewery management has failed to keep up their interest in crime prevention strategies, in comparison to their excellent success of the the Brewery. As a result, crime is occurring at all their main venues. Cooperation with the police has been limited; therefore the police object to these applications, to prevent more people becoming a victim of crime

Yours faithfully

I am currently engaged in the role Crime Prevention Design Advisor for Tower Hamlets Police, I have been employed in my current role since January 2007 having transferred from Haringey where I had worked in the same role for four years. Prior to moving into the field of crime prevention I had been involved in the policing of football matches mainly as the liaison office for Barnet Football Club and additionally working on events at Wembley Stadium and other Premier Division grounds in London. In this role I was involved in pre match planning and coordinating public safety concerns around large crowds working closely with local authority licensing and The Football Association. I also have 15 years experience of policing Camden Market and worked on several projects dealing with crowd management and crime issues.

In November 2007 I was tasked with looking at designing out crime initiatives for the Brick Lane Market area. As part of this work I checked on levels and types of recorded crime and anecdotal evidence around perceived levels of crime. From my initial research it quickly became apparent that on certain types of crime the area had much higher levels of reports than could reasonably be expected. Drilling down on the crime figures I soon identified that there were some clearly identifiable crime hotspots, these centred around The Old Truman Brewery Site and the licensed premises that operate within the site.

I raised my concerns about the high levels of crime with Inspector Davies the local sector Inspector and he commissioned more a detailed piece of analysis from the Borough Intelligence Unit. This analysis produced in February 2008 showed clearly that for theft crimes the rate of offending was disproportionately high within the area known as The Truman Brewery Site.

I was asked by Louise Allen Police Licensing Officer with responsibility for Brick Lane to attend a pub watch meeting to present ideas around crime prevention to reduce victimisation within the licensed premises. The meeting was held on 25th February and was poorly attended and whilst some discussion took place and ideas exchanged there was little progress in addressing the concerns raised by the high level of crime.

There has been some work carried out with individual licensed premises around promoting crime reduction and

Signature: Signature witnessed by:

this has seen a slight reduction in thefts.

I continued to look at the site which is an old brewery covering 11 acres with several large licensed premises and a number of shops operating. There are also several large venues that are used as temporary exhibition spaces attracting large numbers of visitors. On visiting the site on various days and at different times I concluded that there were obvious problems with management of space and how it relates with the large numbers of people who visit. My initial observations on the security and safety management of the site concluded that there were insufficient numbers of staff, signage and technological aids to manage the site safely, this in turn created an environment where it is possible for criminals to engage in their activity uninterrupted.

I have subsequently attended a series of meetings with representatives of the owners of The Truman Brewery Site where I advised that there is a pressing requirement for them to produce a comprehensive site wide security management plan which overlays the individual security arrangements of the various businesses. I have emphasised that there is a need for review of the existing CCTV provision which from my most recent viewing fails to meet the basic needs of staff to combat crime and assist in managing public safety expectations. To assist I have provided information on developing an effective Operational Requirement for CCTV, I have also offered to assist in developing a coordinated approach between the individual businesses and TBS to cover security and crowd safety. I proposed a greater use of Security Industry Accredited staff (SIA) to manage access and egress on to and away from the site, one area of concern that I do have and I am not sure how this has arisen is that there does not appear to crowd safety limit placed on the whole site, and more importantly any risk management contingency plans for dealing with site wide incidents.

I have been asked by the Licensing Department at Bethnal Green to comment on future applications for events within the site based on the high levels of crime and the response we have had to offers to work with TBS to address these issues. To date I have not been contacted by the management or any representative of TBS to look at security around theft. At present I do not believe that TBS are taking a responsible approach to addressing the clearly identified crime problem that exists on their site.

Using my football policing background if TBS were a football ground it would need to meet the requirement laid down within The Green Guide to achieve a license to operate, at present I do not believe that TBS could do this.

With the levels of personal theft still running at a high level I would ask that no further licensing applications are granted until TBS produce a comprehensive Crime Management Plan for the site that links in with the individual businesses operating within the site, this should include employing or training up staff to SIA standards, a

communication strategy to inform users and businesses of crime prevention information; this could be a tannoy or pager system, there needs to be more and clearer signage promoting personal responsibility for crime prevention, many of thefts involve bags left on the floor whilst eating or drinking.

There is an urgent need to address the quality and management of the CCTV system covering the site; this would assist in reducing crime, subsequent investigation but also general public safety.

In conclusion TBS seems happy to pass the responsibility for crime prevention to individual businesses, this leaves large areas of the site unmanaged, it is these unmanaged areas that they are currently applying for event licenses.

I am currently engaged in the role of Police Licensing Officer for Tower Hamlets OCU and have been for six years.

In February 2008, I was tasked with liaising with the owners/managers of the Truman Brewery in an attempt to reduce crime on the site. Analysis had been carried out by the divisional intelligence unit and it was highlighted that one in every ten "other theft" offences in Tower Hamlets is committed in The Truman Brewery along with one in seventeen pickpocket offences. The peak times for these offences were Friday and Saturday nights from 2300 until 0100 and Sunday afternoon in line with the market. The victims were mainly female of varied nationalities but the majority being Italian, Spanish and French.

There are five large licensed venues within the Truman Brewery site, The Big Chill, Café 1001, The Vibe Bar, Corbetts Place and 93 Feet East. These all have premises licences and have their own security by way of door supervisors and CCTV.

The Truman Brewery site also rents units and event space, which are usually run by way of a Temporary Event Notice, or time limited premises licence.

On the 25th February 2008, I relaunched the "Brick Lane pubwatch" I invited the DPS's from each venue and also Jason Zeloof (one of the owners of the Brewery) Unfortunately Jason was unable to attend this meeting and only two of the four premises were represented.

Following this meeting I contacted the brewery by telephone and spoke to Jason to discuss the issues raised by the analysis.

I informed him that I had visited all of the licensed venues to look at any crime prevention measures they were making. Most had notices displayed but that they did not stand out and they were all written in English. I made a suggestion that the Brewery could task one of their artists to design a poster to display around the site. I advised that it should be bright and state that thieves operate in the area but have this written in the main four languages highlighted. I stated that if the brewery could design something, the police could match fund and print it. We

Signature: Signature witnessed by:

Continuation of Statement of **Louise Allen**

would also print it in leaflet form. Jason stated that he would pass this to his estate officer, Steve Paton. I stated that it would be good to have a follow-up meeting in a few weeks to discuss designs and I also wanted to view their CCTV etc.

On the 15th April 2008 I attended the Truman Brewery site. Present at the meeting were Jason and Ofer Zeloof. They showed me a poster that had been designed and displayed in the licenced venues as a temporary measure. I viewed the CCTV for the site. In my opinion this was inadequate for the size of the site. There were large external areas including the majority of Dray Walk and the courtyard that were not covered. Jason explained that the CCTV in The Big Chill and Café 1001 should cover Dray Walk. We discussed the site security. Jason stated that he currently employs two security to patrol in the evenings. They were not SIA registered or trained.

At the end of the meeting I made the following recommendations;

- The CCTV coverage should be increased on site. It was not the responsibility of the licensed venues to cover the public areas for the whole of Dray Walk; they only had responsibility for immediately outside their premises.
- The number of security is increased for the site especially at peak times on Friday and Saturday nights.
- A cab marshalling system should be devised whereby customers from Truman Brewery are supplied with licensed taxis by the use of a taxi marshal.

Jason and Ofer both stated that the final recommendation would not work, as there were problems with unlicensed taxis in Brick Lane. They also commented that most of the problems in Brick Lane would be solved if police increased their patrols the area and if the road was pedestrianised.

On the 23rd April 2008 a meeting was called by DCI Gardner to discuss how to tackle crime at the Truman Brewery site. Many police departments attended this meeting. I outlined the work that had been done and recommendations that had been made. I explained to the meeting the comments made by the owners of the site and a further meeting was arranged to be attended by the Senior Management Team at Tower Hamlets and also the licensees and Truman Brewery management.

The meeting was held on the 3rd June attended by the licensees and Jason Zeloof represented the Truman Brewery. The analysis that had been carried out in February 2008 was presented to the meeting. The following recommendations were made;

- The police would increase presence and where possible monthly days of action would take place.
- The brewery should improve security on site. The amount of security guards employed should be increased and they should be SIA trained.
- CCTV on site should be improved and monitored by a security officer employed to do so.

Signature: Signature witnessed by:

Continuation of Statement of **Louise Allen**

- CT office at HT were to conduct a survey re making the site into a Community Safety Zone and holding a project Argus exercise with the management and licensees.
- Regular monthly meetings should be held with police from the licensing office, Counter Terrorism and crime prevention office and the management of the brewery and licensees.

As a result of this meeting, I attended the brewery on the 18th June 2008 with Gavin Philp from the Crime Prevention Office at HT and PC Alan Cruickshank. We again met with Jason Zeloof.

We viewed the CCTV. No improvement had been made to the system since my visit in April. No increase had been made to the number of security officers employed on site. Jason was lackadaisical in his manner. He did not appear to think it was his problem and seemed to be placing the blame on the individual licensed premises.

In conclusion, I do not believe that the owners of the Truman Brewery appreciate the gravity of the situation in relation to crime on their site. They have not to this date made any attempts to introduce the recommendations made police.
