- (b) An interest that is not on the register, but where the well-being or financial position of you, members of your family, or people with whom you have a close association, is likely to be affected by the business of your authority more than it would affect the majority of inhabitants of the ward affected by the decision.

Where a personal interest is declared a Member may stay and take part in the debate and decision on that item.

**1. ELECTION OF CHAIR**

The Service Head, Democratic Services advised members that this was the first meeting of the Committee in the new municipal year. As such it was necessary to elect a Chair. That person would normally hold that post for the remainder of the year, although in this case would only serve until 30<sup>th</sup> June 2012, when the Standards Committee would be abolished and the new standards regime would come into operation. Mr Williams invited nominations for an Independent Member to serve as Chair.

#### **6. REPORTS FOR CONSIDERATION**

##### **6.1 Standards Committee - Membership, Terms of Reference and Programme of Meetings 2012/13**

In response to a query about the makeup of the new Standards Advisory Committee, Mr John Williams, Service Head, Democratic Services explained that if Barry O’Connor were appointed the new *Independent Person*, this would prevent him from being a Member of the committee. He could however attend meetings as an observer.

Mr Williams also advised the Committee that paragraph 6 a) of the report contained a typing error. The co-opted members of the Standards Advisory Committee would in fact be voting members.

#### **RESOLVED**

That subject to the correction above, the report be noted.

##### **6.2 Localism Act 2011 - The Amended Standards Regime**

The Chair drew Members’ attention to tabled copies of the following documents:

1. Localism Act – The Amended Standards Regime - report of the Assistant Chief Executive (Legal Services);
2. Extraordinary Council Meeting: 18<sup>th</sup> June 2012 – Localism Act 2011 – The Amended Standards Regime draft report;
3. Disclosable pecuniary interests schedule;
4. Conservative group comments;
5. Statutory Instrument 2012 No. 1463; and
6. Localism Act 2011 – The Amended Standards Regime: Addendum report.

Ms Isabella Freeman, Assistant Chief Executive, Legal Services highlighted the key changes and commented as follows:

- Paragraph 1 – recruitment for an Independent Person: it was agreed that some of the Members of the Standards Advisory Committee [SAC] will participate in the recruitment process
- Paragraph 2.3 - as regards consideration of any requests for dispensations, officers proposed that a Dispensation Sub-Committee of the SAC be part of this process, with the option for such a committee to be convened at relatively short notice. In the case of urgent matters, it could be resolved by email and ratified at a later stage;
- Paragraph 3.5 - this allowed for the possibility of the Independent Person being the current Chair of the Standards Committee from the 1<sup>st</sup> July when the new SAC comes into being;
- Paragraph 5.2 - with regards to the oversight of all complaints including those not referred for investigation, officers recommended that the Monitoring Officer and Independent Person consult on the matter initially, and then report to an Investigation and Disciplinary Sub-Committee – there will be no recourse to the main committee. This was to ensure finality and avoid the matter becoming protracted;
- Paragraph 5.3 - where there had been no breach of the code, it would be referred to the Investigation Sub-Committee and this would conclude the matter;
- Paragraph 5.9 - the findings would be published in a local newspaper and on the Council's website. Ms Freeman assured Members that the decision would be published simply as a notice in the newspaper;
- Paragraph 5.11 - with regards to the right of appeal, officers recommended a Hearings Sub-Committee and a separate Appeal Sub-Committee. It was for Members to decide if a two-tier system would still be adopted, whilst allowing for an appeal to be made to the first tier tribunal;
- Paragraph 5.13 - dealt with the monitoring of report-back to the Advisory Committee as to whether a sanction had been complied with;
- Paragraph 5.14 – dealt with situations where three consecutive meetings had been missed and bringing it to the attention of full Council.

#### Terms of Reference, Appendix 1

- Confidential matters: the proposal was for matters to remain confidential until a complaint was investigated and substantiated;
- Composition - the SAC will be chaired by a co-opted member.

Role and function

- Where a complaint had been referred for investigation by the Monitoring Officer, and such a complaint was subject to an investigation, the SAC/Sub-Committee would recommend whether or not it should proceed to hearing.
- If the Monitoring Officer considered that a complaint should not be the subject of an investigation or should not proceed to a hearing, s/he shall convene an Investigation and Disciplinary Sub-Committee of the SAC and it shall be the final arbiter on the matter.

Appendix 2

- Complainants must provide their name and postal address when submitting a complaint;
- Where the Monitoring Officer considered that a complaint should not be subject to an investigation, an Investigating and Disciplinary Sub-Committee shall be convened and it shall make the final decision on the matter;
- Where a subject Member feels that a recommended sanction would cause him/her undue hardship or prevent him/her from undertaking ward duties, that Member may make representations to the Council meeting that will consider the recommendations of the Hearings Sub-Committee on the relevant complaint. Any such representations shall be notified to the Monitoring Officer within five working days of the Hearing Sub-Committee;
- The content of the notice of the recommendations of the Hearings Sub-Committee shall be agreed by the Chair of the Hearings Sub-Committee. Following publication, a link to the notice shall remain on the front page of the Council's website for one month, or such other position or period as the Hearings Sub-Committee saw fit. The Monitoring officer shall draft further guidance on the detailed procedures for publication of decisions as necessary;
- A complainant who was dissatisfied with the outcome of his/her complaint may appeal against that outcome. Any appeal under this section shall be notified in writing to the Monitoring Officer within 15 working days of the Hearings Sub-Committee recommendation being notified to the member or complainant and the Monitoring Officer shall arrange for the appeal to be heard by a Hearings (Appeal) Sub-Committee of the SAC within 15 working days of receipt of the appeal. The decision of the Hearings Sub-Committee shall not be published, nor any sanctions applied, until the period allowed for an appeal had expired;
- A member who was the subject of a complaint shall be informed of, and shall have the right to attend and/or be represented at, the hearing

of the Standards Advisory Committee or any of its sub-committees that considers any matter relating to that complaint following investigation.

Members highlighted a number of issues and concerns as follows:

- One Member queried how the Council's Respect Councillors were selected for the sub committees in the past to decide on matters involving complaints against the Council's Independent Councillors as they always voted together. The Monitoring Officer pointed out that the decisions of the Assessment Sub-Committee in the past had always been unanimous and they had two co-opted Members (non councillors) on them. A co-opted member confirmed that each Member had the opportunity to explain their opinion with reasons to the others and they came to a unanimous decision. This was left open to resolve when the SAC was operational;
- Some Members were also concerned about the subject member's right of appeal, fearing that the process could drag on with no finality;
- One Member felt that for the sake of clarity, the publishing rules ought to be quite prescriptive;
- Another Member believed that there was some confusion over the use of the word 'confidential' and requested a clear definition for Members.

In response, Ms Freeman made the following points:

- With regards to an appeals process, Ms Freeman suggested a time period of 21 calendar days [15 working days];
- With reference to sanctions, those drafting the legislation were very definitively of the view that the only sanction should be that there should be a withdrawal of resources so that that Member was unable to use meeting rooms, or the Council's facilities for their business;
- With regards to confidential information, Ms Freeman advised that it was not possible to have a singular definition of what constituted 'confidential' material. Members were advised to seek guidance from the Monitoring Officer. Ms Freeman offered to compile a briefing document of 'confidential' information based on the Constitution and the law. A co-opted member confirmed that there was a need for stricter guidance on what they ought to be taking into account before they can disclose information, to ensure that information was not disclosed in a misleading manner or in a way that was deemed improper.

## **RESOLVED**

1. That the Standards Committee note the changes set out in the report of the Assistant Chief Executive (Legal Services) and agree the submission of the revised report to full council for adoption.

2. That the Committee note the information in the addendum report and that the proposed new Standards arrangements to be submitted to the Council for adoption will be amended to comply with the provisions of the Localism Act 2011 (Commencement No.6 and Transitional, Savings and Transitory Provisions) Order 2012 and the Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012.
3. That the Council be recommended to appoint the existing Independent Chair of the Standards Committee as the 'Independent Person' under the new arrangements, to serve until the completion of the recruitment process to that position.
4. Consequent on point 3 above, that the Council be recommended to not appoint the existing Chair of the Standards Committee at this stage as a co-opted member of the new Standards Advisory Committee, but that he be invited to attend meetings of that advisory committee as an observer.

**7. ANY OTHER BUSINESS WHICH THE CHAIR CONSIDERS URGENT**

In response to a query by the Chair about the composition of the new Standards Advisory Committee, Mr Williams explained that it will comprise seven Councillors and seven co-opted Members. He also confirmed that the Chair of SAC will be a co-opted member.

The meeting ended at 8.45 pm.

# Agenda Item 6b

Committee <b>Standards Advisory</b>	Date <b>17<sup>th</sup> July 2012</b>	Classification <b>Unrestricted</b>	Report No.	Agenda Item No.
Report of: <b>Monitoring Officer</b>	Title <b>The New Standards Regime</b>			
Originating Officer(s): <b>John Williams, Service Head, Democratic Services</b>	Ward(s) affected: <b>All</b>			

## 1. SUMMARY

- 1.1 The Localism Act 2011 introduced a number of changes to the regime governing standards of conduct by members and co-opted members of local authorities. The Council on 18<sup>th</sup> June 2012 adopted new arrangements to apply in Tower Hamlets in accordance with the Act from 1<sup>st</sup> July 2012. These arrangements include:-
- the adoption of a new Code of Conduct (attached at Appendix 'A');
  - the establishment of a Standards Advisory Committee, with terms of reference as attached at Appendix 'B';
  - arrangements for dealing with any complaint of a breach of the new Code (Appendix 'C'); and
  - the recruitment of a statutory 'Independent Person' to advise on any such complaints in accordance with the requirements of the Localism Act.
- 1.2 The arrangements agreed by the Council were subject to consultation with all councillors, the Mayor and the Independent Members of the former Standards Committee prior to an initial discussion at the Standards Committee on 10 May 2012. Following that meeting there was a further period of consultation including a Members' Seminar on 30 May and a further meeting of the Standards Committee on 12<sup>th</sup> June prior to adoption of the new arrangements by the Council.
- 1.3 There was a consensus amongst members, the Standards Committee and in the responses to the consultation that the Council should continue with a robust Standards regime with independent Members, and that the Member Code of Conduct should continue to cover a broad spectrum of matters to demonstrate the highest ethical standards within the new Act.

## 2. RECOMMENDATION

- 2.1 The Standards Advisory Committee is requested to note the decisions of the Council on 18<sup>th</sup> June 2012 as at section 7 overleaf; and the attached appendices 'A' – 'C' setting out the new Standards arrangements effective in Tower Hamlets Council from 1<sup>st</sup> July 2012.

### **3. BACKGROUND**

- 3.1 The Localism Act 2011 makes fundamental changes to the system of regulation of standards of conduct for elected and co-opted members. The Council is required to adopt a new Code of Conduct. No specific Code of Conduct is prescribed, although the Local Government Minister and the Local Government Association have each published suggested template codes. However, the Council agreed that these omit a number of important matters and has adopted a code more similar to the previous model code. It should be noted that the Council can amend its new Code of Conduct subsequently if it wishes in the light of experience of its operation and of developing law in this area.
- 3.2 The Council remains under a statutory duty to promote and maintain high standards of conduct for its elected and co-opted members. As far as possible the new framework remains close to the previous one that was well established and understood by members.
- 3.3 The Localism Act repeals Section 55 of the Local Government Act 2000, which provided for the previous statutory Standards Committee. So, there is now no requirement for a Standards Committee. However, there is still a need to deal with standards issues and case work. Tower Hamlets had a Standards Committee before the previous regime was introduced in the 2000 Act and the new arrangements are similar in many respects to those that applied then. A Standards Advisory Committee has been established as a committee of Council under S101/102 of the Local Government Act of 1972. This does not incorporate the unique features or statutory powers which were conferred on statutory Standards Committees. Its composition will be subject to proportionality. It is possible to co-opt non elected members onto a Committee of the Council however such co-optees cannot vote unless the committee is advisory.
- 3.4 The Act establishes a new category of 'Independent Person' (see below) who must be consulted at various stages. Independent Persons may be invited to attend meetings of the Standards Committee, but are unlikely to be co-opted onto the Committee. Instead their role is one of consultation in respect of any investigation of an alleged breach of the Code before the Council takes a decision in relation to the allegation. As permitted by the Localism Act 2011 (Commencement No.6 and Transitional, Savings and Transitory Provisions) Order 2012, the Council has agreed to appoint Mr Barry O'Connor, former Independent Chair of the Standards Committee, as interim 'Independent Person' pending recruitment to that position.
- 3.5 The provisions of the Code of Conduct, procedures for dealing with any complaint of a breach and the other elements of the arrangements in this report apply to the Elected Mayor, all councillors and co-opted members of any council committee or sub-committee when acting in that capacity.

### **4. CODE OF CONDUCT**

- 4.1 The former ten General Principles and Model Code of Conduct have been repealed. However, the Council is required to adopt a new Code of Conduct governing elected and co-opted members' conduct when acting in that capacity. The Council's new

Code of Conduct must, when viewed as a whole, be consistent with the following seven principles; Selflessness; Integrity; Objectivity; Accountability; Openness; Honesty and Leadership

4.2 The Council has discretion as to what it includes within its new Code of Conduct, provided that it is consistent with the seven principles; and includes provisions which deal with the following matters:-

- General conduct rules, to give effect to the seven principles. This corresponds broadly with paragraphs 3 to 7 of the former Code of Conduct, applies to conduct of an elected or co-opted member of the Council or any of its committees or sub committees.
- A requirement for registration and disclosure of pecuniary and non-pecuniary interests but only requiring withdrawal as specified by the Act in relation to 'Disclosable Pecuniary Interests' to be defined in regulations.
- Arrangements for dealing with an alleged breach of the Code.

4.3 The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012 came into force on 1<sup>st</sup> July 2012. A Member with a Disclosable Pecuniary Interest (DPI) must register and disclose it, and his/her involvement in any business of the authority connected with those interests is limited. Failure to comply with the arrangements on DPIs without reasonable excuse is a criminal offence, with a penalty of a fine of up to £5,000 and disqualification from office for up to five years. In summary, the new regulations specify DPIs as pecuniary interests covering:-

- A Member's employment, office, trade, profession or vocation;
- Any sponsorship of the Member, including contributions towards their election expenses;
- Any contracts between the Member and the authority;
- Any land the Member has an interest in which lies within the area of the authority;
- Any licences the Member holds to occupy land in the area;
- Any corporate tenancies; and
- Certain securities the Member may hold.

4.4 The new Code of Conduct, adopted by the Council with effect from 1<sup>st</sup> July 2012, is attached at Appendix 'A'.

## 5. **ARRANGEMENTS FOR DEALING WITH MISCONDUCT COMPLAINTS**

5.1 The Act requires that the Council adopt "arrangements" for investigating and deciding upon complaints of breach of Code of Conduct. The Council has established a Standards Advisory Committee which will operate in much the same way as it did before the 2000 Act came into effect. The committee will be an advisory committee (thus enabling co-optees to be fully participating members). Its powers (which are very much reduced under the new legislation) are advisory.

5.2 The Council agreed with the proposal by the Standards Advisory Committee that the Committee should retain oversight of all complaints including those not pursued.

The Council therefore agreed that where the Monitoring Officer is of the view that a complaint should not be referred for investigation, this decision should be subject to the Committee's endorsement. In order to enable a final resolution to be reached without delay, this function would be delegated to an Investigation and Disciplinary Sub-Committee of three members.

5.3 The terms of reference of the Standards Advisory Committee and related provisions are set out Appendix 'B' to this report and the arrangements agreed by the Council for dealing with any complaint of a breach of the new Code of Conduct are at Appendix 'C'.

## 6. **DISPENSATIONS**

6.1 Statute allows for a Member to be granted, in certain circumstances, a dispensation to participate in decision-making on a matter, notwithstanding that s/he has a Disclosable Pecuniary Interest in that matter. The provisions on dispensations are significantly changed by the Localism Act 2011. Previously, a member who had a prejudicial interest could apply to the Standards Committee for a dispensation. In future, a dispensation will be able to be granted in the following circumstances.

- That so many members of the decision-making body have DPIs in a matter that it would "impede the transaction of the business". In practice this means that the decision-making body would be inquorate as a result;
- That, without the dispensation, the representation of different political groups on the body transacting the business would be so upset as to alter the outcome of any vote on the matter. This assumes that members are predetermined to vote on party lines on the matter, in which case, it could be inappropriate to grant a dispensation to enable them to participate.
- That the authority considers that the dispensation is in the interests of persons living in the authority's area;
- That without a dispensation, the Mayor (or where the Cabinet is discharging executive functions on behalf of the Mayor, sufficient members of the Cabinet) would be unable to participate on this matter. It will be necessary to make provision in the scheme of delegations from the Mayor to cover this, admittedly unlikely, eventuality); or
- That the authority considers that it is otherwise appropriate to grant a dispensation.

6.2 Any grant of a dispensation must specify how long it lasts for, up to a maximum of 4 years.

6.3 The Local Government Act 2000 required that dispensations be granted by Standards Committee. The Localism Act gives discretion for this power to be delegated. The Council agreed that dispensation requests should be subject to Member oversight. However, such requests require a swift resolution and there is a need for consistency in their consideration.

6.4 The Council therefore agreed that a Dispensations Sub-Committee comprising three members of the Standards Advisory Committee should be established to be

convened urgently as required to consider any dispensation request(s) by the Mayor, any Councillor or co-opted member.

## **7. DECISIONS OF THE COUNCIL, 18<sup>TH</sup> JUNE 2012**

- The arrangements for dealing with complaints of a breach of the new Code of Conduct (Appendix 'C')

- That the existing Independent Chair of the Standards Committee, Mr Barry O'Connor, be appointed as the 'Independent Person' under the new arrangements, to serve until the completion of the recruitment process to that position;

**LONDON BOROUGH OF TOWER HAMLETS**

**ARRANGEMENTS FOR DEALING WITH COMPLAINTS OF BREACH OF THE CODE OF CONDUCT FOR MEMBERS**

**Effective 1<sup>st</sup> July 2012. Arrangements agreed by the Council on 18<sup>th</sup> June 2012.**

1. The Monitoring Officer shall be the Proper Officer to receive complaints of any failure by the Mayor, a Councillor or a co-opted member to comply with the Code of Conduct for Members. On receipt of a complaint the Monitoring Officer shall within three working days inform the subject member of the substance of the complaint on a confidential basis.
2. The Monitoring Officer shall ensure that the Council appoints at least one Independent Person and at least one reserve Independent Person.
3. Complainants must provide their name and postal address when submitting a complaint. Anonymous complaints will not be considered unless in exceptional circumstances where the Monitoring Officer decides (after consultation with the Independent Person) that the complaint raises a serious issue affecting the public interest which is capable of investigation without the need to ascertain the complainant's identity.
4. The Monitoring Officer shall, after consultation with the Independent Person and within ten working days of receiving the complaint (so far as practicable), determine whether a complaint merits formal investigation and arrange for such investigation. In making this determination the Monitoring Officer may at his/her discretion also consult other persons including Counsel.
5. In determining whether to refer a complaint for investigation, the Monitoring Officer may take into account how long has elapsed since the event(s) complained about took place and if this is more than one year, then a complaint will be rejected as out of time unless the complainant demonstrates that there are good reasons for the delay such as fresh evidence not available at the earlier date or only recently discovered.
6. The Monitoring Officer may refer a complaint of failure to comply with the Code to the Standards Advisory Committee or its sub-committee to recommend whether or not the complaint requires investigation where s/he feel that it is inappropriate for him/her to take the decision without seeking their advice. Where the Monitoring Officer considers that a complaint should not be subject to investigation, s/he shall convene an Investigation and Disciplinary Sub-Committee of the Standards Advisory Committee which shall make the final decision on the matter.
7. The Monitoring Officer will report quarterly (or less frequently if there are no complaints to report) to the Standards Advisory Committee on the number and nature of complaints received and action taken as a result. This will include details of complaints that did not require investigation so that the Committee can exercise its oversight role.

8. If a complaint of failure to comply with the Code is referred for investigation the Monitoring Officer shall appoint an investigator or complete the investigation him/herself. Such investigation should be completed within one month of the decision to refer the matter for investigation. The Monitoring Officer may, having consulted the Standards Advisory Committee or its sub-committee, extend this period by up to a further month where s/he feels it is necessary to ensure an adequate investigation.
9. The Monitoring Officer may, during the course of the investigation, seek local resolution of the matter to the satisfaction of the complainant before the investigation is concluded.
10. Where any investigation into a complaint of breach of the Code finds no evidence of failure to comply with the Code of Conduct, the Monitoring Officer shall within ten working days of receipt of the investigation report, consult with the Independent Person and the Standards Advisory Committee Investigations and Disciplinary Sub-Committee to confirm their agreement that the matter shall be closed without further hearing. If the Sub-Committee agree then the matter is closed. The Monitoring Officer shall provide a copy of the report and findings of the investigation which shall be kept confidential to the complainant and to the member concerned and shall report the matter as part of the quarterly report to the Standards Advisory Committee for information.
11. Where the investigation finds evidence of a failure to comply with the Code of conduct, the Monitoring Officer in consultation with the Independent Person, may seek local resolution to the satisfaction of the complainant in appropriate cases, with a summary report for information to Standards Advisory Committee in due course. Where such local resolution is not appropriate or not possible the Monitoring Officer shall report the investigation findings to a Hearings Sub-Committee of the Standards Advisory Committee for local hearing and recommendations. The Hearings Sub-Committee will be convened within one month of the Monitoring Officer receiving the investigation report. The Hearings Sub-Committee may sit in private after advice from the Monitoring Officer.
12. The Hearings Sub-Committee will advise the Monitoring Officer whether or not they consider there has been a breach of the Code and if they consider sanction is appropriate having heard the matter shall request that the Monitoring Officer prepare a report to Full Council setting out the details of the investigation, hearing and proposed sanction which may include any of the following:-
  - Recommend to the member's Group Leader (or in the case of ungrouped members, recommend to Council or to Committees) that he/she be removed from any or all Committees or Sub-Committees of the Council;
  - Recommend to the Mayor that the member be removed from the Executive, or removed from particular Portfolio responsibilities;
  - Recommend the Monitoring Officer to arrange training for the member (subject to the Members agreement);
  - Recommend remove as from all outside appointments to which the Member has been appointed or nominated;

- Recommend withdrawing facilities provided to the member by the Council, such as a computer, website and/or email and Internet access; or
  - Recommend excluding the member from the Council's offices or other premises, with the exception of meeting rooms as necessary for attending Council, Executive Committee and Sub-Committee meetings (as appropriate);
  - Recommend the member to contact the Council via specified point(s) of contact;
  - Write to the member with their advice on the Members conduct.
13. In determining any recommended sanction the Sub-Committee may take into account any previous breach by the member concerned and/or their compliance with any previous sanction applied.
14. Where a subject member feels that a recommended sanction would cause him/her undue hardship or prevent him/her from undertaking ward duties, that Member may make representations to the Council meeting that will consider the recommendations of the Hearings Sub-Committee on the relevant complaint. Any such representations shall be notified to the Monitoring Officer within five working days of the Hearing Sub-Committee meeting.
15. The recommendations of the Hearings Sub-Committee shall be published in a local newspaper in the Public Notices Section and on the Council's website as well as in the minutes of the meeting. The content of any notice to be published shall be subject to agreement by the Chair of the Hearings Sub-Committee. Following publication, a link to the notice shall remain on the front page of the Council's website for a period of one month or such other position and/or period as the Hearings Sub-Committee may recommend. The Monitoring Officer shall draft further guidance on the detailed procedures for publication of decisions as necessary.
16. A member who is the subject of a finding by the Standards Advisory Committee that he/she has breached the code may appeal against that finding and/or against any sanction applied. A complainant who is dissatisfied with the outcome of his/her complaint may appeal against that outcome. Any appeal under this section shall be notified in writing to the Monitoring Officer within 15 working days of the Hearings Sub-Committee recommendation being notified to the member or complainant and the Monitoring Officer shall arrange for the appeal to be heard by a Hearings (Appeal) Sub-Committee of the Standards Advisory Committee within 15 working days of receipt of the appeal. The decision of the Hearings Sub-Committee shall not be published, nor any sanctions applied, until the period allowed for an appeal has expired.
17. An appeal under 15 above may be made on grounds of either fact or defective procedure. The appellant must state the grounds on which the appeal is made and must provide specific reasons and any further information to support his/her appeal.
18. The Sub-Committee to hear any appeal under 15 above shall not include any member of the Hearings Sub-Committee that considered the investigation of the matter in question.

19. A member who is the subject of a complaint shall be informed of, and shall have the right to attend and/or be represented at, the hearing of the Standards Advisory Committee or any of its sub-committees that considers any matter relating to that complaint following investigation.
20. The timelines set out in this procedure are for guidance only and shall be observed where practicable but may be extended by the Monitoring Officer as necessary if they cannot be complied with by any relevant party due to sickness, holidays or other reasonable cause.

# Agenda Item 6e

Committee <b>Standards Advisory</b>	Date <b>17<sup>th</sup> July 2012</b>	Classification <b>UNRESTRICTED</b>	Agenda Item No.
Report of <b>Service Head, Democratic Services</b>	Title <b>Members' Attendance, Timesheets and Declaration of Interests: Monitoring Report</b>		
Originating Officer(s): <b>John Williams</b>	Wards affected <b>ALL</b>		

## 1. SUMMARY

- 1.1 This report updates the Committee on a range of matters related to Councillors' attendance at formal meetings and training events, completion of timesheets and the register of interests. Some amendments to the format and content of the report have been made and additional information included, as requested by the former Standards Committee.

## 2. RECOMMENDATIONS

- 2.1 That the Standards Advisory Committee:
- (i) Note the information set out in Appendices 1, 2 and 3 in relation to Councillors' submission of timesheets, attendance at formal meetings and training events, and completion of the register of interests during the previous and current municipal years;
  - (ii) Consider whether there is a need to ask the Chair to write to any Councillor(s) in connection with any of the monitoring information; and
  - (iii) Agree to receive further monitoring reports at six monthly intervals.

## 3. BACKGROUND

- 3.1 Since April 2004 the former Standards Committee received regular monitoring reports on the completion of Members' timesheets and attendance by Members at Council and other formal meetings.
- 3.2 At recent meetings the Committee has discussed how to build on this good practice by incorporating additional information in the reports and presenting the information in the most suitable way to enhance transparency and accountability. In April 2009 the Committee agreed a number of proposed changes to the monitoring regime and these are incorporated in this report.

#### **4. MEMBERS' TIMESHEETS**

- 4.1 Tower Hamlets Councillors have, since April 2002, completed monthly timesheets detailing the time spent on council duties, split into categories such as surgeries, casework, attendance at meetings/external bodies etc.
- 4.2 Members' timesheets are posted on the 'Meet your Councillor' pages of the Council's website which also contain information on the ward represented, committee/external appointments, surgery arrangements, contact and other details. Councillors are personally responsible for the accuracy and timely submission of their timesheets.
- 4.3 Completion of timesheets is not a statutory requirement and does not affect the Basic and Special Responsibility Allowances paid to Members. However, the London Councils Independent Panel on the Remuneration of Councillors have emphasised the need for an accountable and transparent allowances scheme. In their 2001 report, the Independent Panel identified the tasks and responsibilities which they believed were the essential remit of a Councillor. In proposing a Basic Allowance to apply to all Councillors, they assumed a "contribution" of 40 hours per month on top of a "voluntary commitment" of 20 hours for each Member. Tower Hamlets has voluntarily developed the timesheet system to enhance transparency.
- 4.4 The Standards Committee has placed great importance on the timely and accurate completion of timesheets and the monitoring arrangements have placed Tower Hamlets at the forefront of best practice in this area as very few other local authorities have any such formal monitoring system in place. In accordance with the Committee's previous request, the table at Appendix 1 now includes, in addition to a snapshot of timesheets completed as at the date of the Standards Committee meeting, information on when each timesheet was submitted and a figure at the bottom of each column showing the average number of total hours recorded on each of the timesheets submitted in respect of that month.

#### **The current position – completion of timesheets**

- 4.5 In relation to the submission of timesheets the current position, as at 4 July 2012 and set out in Appendix 1 attached, is that 18 Members (35.3% of the total) have completed their timesheets up to and including May 2012. 21 Councillors (41.2%) are more than three months in arrears. An updated schedule will be tabled at the meeting, if necessary.
- 4.6 The Committee may wish to follow previous practice and ask the Chair to write to those Members who are significantly in arrears, drawing his/her attention to the need to maintain an up to date record.

## 5. MEMBERS' ATTENDANCE AT MEETINGS

- 5.1 As with timesheets, attendance at committee/panel meetings is not a statutory requirement - the law simply says that if a Councillor fails to attend any Council or other qualifying meeting for a period of six months, he/she shall cease to be a Member of the local authority - and it is accepted that many important Council duties take place outside formal meetings. Nevertheless, attendance at meetings to which he/she has been appointed does represent a key part of a Councillor's work and the combination of attendance and timesheet monitoring information in this report provides a useful picture of a Councillor's activity for the purpose of accountability.
- 5.2 In April 2009 the Committee asked that where a Councillor has failed to attend a formal meeting but has submitted apologies in advance, this should be noted in the report. The attached schedule has been amended to incorporate these changes.

### **The current position - attendance at meetings**

- 5.3 The charts at Appendix 2 show the record of attendance by Councillors at formal constitutional meetings during the last and current municipal years (i.e. from 18<sup>th</sup> May 2011 to 15<sup>th</sup> May 2012 and 16<sup>th</sup> May to 30<sup>th</sup> June 2012).

## 6. MEMBERS' DECLARATION OF INTERESTS AND ATTENDANCE AT MANDATORY TRAINING EVENTS

- 6.1 The Committee has previously requested that information be included in the report on two matters that are key to Councillor accountability and ethical governance – (i) Members' completion of the register of personal interests, and (ii) attendance at mandatory training events including seminars on the Code of Conduct and further specific training for Councillors appointed to the quasi-judicial committees. This information is summarised in Appendix 3 attached and further explanatory information is below:-
- 6.2 **Updates to the register of Members' interests:** Members are required to complete a register of their interests within 28 days of becoming a Councillor and subsequently they must notify any change to this within 28 days of becoming aware of the change. Members receive six-monthly reminders to update the register with any changes. All Councillors were advised of the requirements immediately following their election on 6 May 2010 and the attached schedule lists the date of each Councillor's latest update to their register entry.

- 6.3 As a matter of good practice and for the purpose of clarity, Members are asked to provide a nil return if there are no changes to register at the six-monthly reminder. However it is important to note that failure to do so would not represent a breach of the Code of Conduct.

#### **Gifts and hospitality register**

- 6.4 The Committee has previously requested information on the recording of gifts and hospitality received by Members.
- 6.5 The Code of Conduct provides that a Councillor shall have a personal interest in any business of the authority that relates to the interests of any person from whom he/she has received a gift or hospitality with an estimated value of at least £25. Any such gifts or hospitality must be registered and, if they were received during the previous three years, must be declared at any relevant meeting. Gifts and hospitality are now recorded as part of the main register of Members' interests form.
- 6.6 **Attendance at training events:** The Committee has also sought assurance regarding Councillors' attendance at relevant mandatory training events such as those on the Code of Conduct and the specific sessions arranged for members of the Development, Licensing and Appeals Committees and the Appointments Sub-Committee. This information is now incorporated into the schedule at Appendix 3, together with the total number of attendances at other (non-mandatory) in-house Member seminars during the year.

### **7. OBSERVATIONS OF THE CHIEF FINANCIAL OFFICER**

- 7.1 There are no direct financial implications arising from this report.

### **8. CONCURRENT REPORT OF THE ASSISTANT CHIEF EXECUTIVE (LEGAL)**

- 8.1 The Localism Act 2011 introduced new arrangements to govern the Standards of Conduct for local authority members and co-optees. Seven guiding principles of conduct are set out:- selflessness; integrity; objectivity; accountability; openness; honesty and leadership.

### **9. IMPLICATIONS FOR ONE TOWER HAMLETS**

- 9.1 There are no specific implications for One Tower Hamlets arising from the proposals in this report.

## **10. ANTI-POVERTY IMPLICATIONS**

10.1 There are no specific anti-poverty issues arising from the proposals in this report.

## **11. RISK MANAGEMENT IMPLICATIONS**

11.1 There are no risk management implications.

## **12. SUSTAINABLE ACTION FOR A GREENER ENVIRONMENT (SAGE)**

12.1 There are no SAGE implications arising directly from this report.
