**4. ITEMS FOR CONSIDERATION**

**4.1 Application for a New Premises Licence for (Busaba Eathai), 3 Innova Passage, London E1 6LJ**

The Licensing Objectives

In considering the application, Members were required to consider the same in accordance with the Licensing Act 2003 (as amended), the Licensing Objectives, the Licensing Guidance and the Council's Statement of Licensing Policy.

Consideration

Each application must be considered on its own merits and after careful consideration the Chair stated that the Sub Committee had decided to grant the application with conditions. Members' had carefully listened to applicant's representative and noted and considered the written objection from a local resident and the objection made on behalf of the Metropolitan Police.

The Chair stated that the Cumulative Impact Zone should not be taken as an excuse to make a representation for every application by responsible authorities. The policy does make it clear that regard should be had to the operating schedule. Responsible authorities have the advantage of seeing this schedule. Members would therefore expect representations against to set out what is wrong with the operating schedule. An objection solely on the basis that it is within the cumulative impact zone was unhelpful.

Members' believed that the amended hours and conditions would help address the concerns raised by the objectors and that Members were satisfied that the operation of the premises will not add to the cumulative impact being experienced.
