4.3 Application to increase Licence Fee for the London Tattoo Convention

Mr David Tolley, Head of Consumer and Business Regulations introduced the report which detailed the application to increase the licence fee for the tattoo convention. It was noted that the Tattoo Convention was a 3 day event which had taken place in Tobacco Dock for the last 7 years. It involves around 300 Tattooists from all over the world providing tattoos to members of the public over the 3 days. It was further noted that a Special Treatment licence was required for each operator therefore an increase in the licensing fee had been requested so that Officers can carry out the relevant checks, inspections, and if needed, corrective actions for each operator to ensure that the event is safe and the risk associated with blood borne viruses are managed.

Mr Tolley explained that the convention would be taking place on 25th, 26th and 27th September 2015 and Officers will be liaising with the organiser and tattooists, (approximately 300), to assess their individual plans and risk assessments leading up to the event.

In response to questions the following was noted;

- That the increased fee included officers carrying out review and audits of the overall event management plan and the individual risk assessments for each operator.
- That Mr Tolley would ask officers to speak to the promoters about displaying signage directing visitors to the nearest tube stations and suitable signage asking visitors to leave the area quietly and respect the needs of local residents.
- That Officers would also ask the promoters to address the issues of litter/bottles left on the pavements after the event.
- That adequate number of security staff would be employed to keep visitors within the venue so not to disturb local residents.

RESOLVED

1. That the application fee for a massage and special treatment licence for 2015 London Tattoo Convention be set at £2,866.
