A Guide to Commissioner Decision Making

Commissioner Decision Making at Tower Hamlets

As directed by the Secretary of State for Communities and Local Government, the above Commissioners have been directed to take decision making responsibility for specific areas of work. These include examples such as the disposal of properties, awarding of grants and certain officer employment functions. This decision making body has been set up to enable the Commissioners to take their decisions in public in a similar manner to existing processes.

Key Decisions

Executive decisions are all decisions that are not specifically reserved for other bodies (such as Development or Licensing Committees). Most, but not all, of the decisions to be taken by the Commissioners are Executive decisions. Certain important Executive decisions are classified as **Key Decisions**.

The constitution describes Key Decisions as an executive decision which is likely

- a) to result in the local authority incurring expenditure which is, or the making of savings which are, significant having regard to the local authority's budget for the service or function to which the decision relates; or
- b) to be significant in terms of its effects on communities living or working in an area comprising two or more wards in the borough.

Upcoming Key Decisions are published on the website on the 'Forthcoming Decisions' page through www.towerhamlets.gov.uk/committee. The Commissioners have chosen to broadly follow the Council's definition in classifying their determinations.

Published Decisions

After the meeting, any decisions taken will be published on the Council's website.

- The decisions for this meeting will be published on: **Monday, 5 October 2015**
