Executive Summary

This report relates to the provision of Home Repairs Grants under Part 4.2 of the Tower Hamlets Private Sector Housing Renewal Policy 2013-15.

Under the terms of this policy, these small grants of up to a maximum of £6,000 may be made available to eligible owner-occupiers to enable them to remain in their own homes safely and avoid minor accidents.

Eligible home owners are those who are:

- over 60 years of age, or
- disabled or infirm, or the parent or carer of a disabled child and
- in receipt of an income related benefit or eligible tax credits

Recommendations:

The Commissioners are recommended to:

1. Agree Home Repairs Grants to Mr U and Mrs B of E1 in the sum of £967.60 to fund a repair and service for a Closomat shower WC.

2. ALTERNATIVE OPTIONS

2.1 Not to award the grant.

3. DETAILS OF REPORT

3.1 Under Part 4.2 of the Tower Hamlets Private Sector Housing Renewal Policy 2013-15, Home Repairs Grants up to a maximum value of £6,000 may be available to qualifying owner-occupiers to enable them to remain living in their own homes safely and avoid minor accidents.

3.2 To be eligible for assistance the applicant must be either over the age of 60, or disabled, or the parent of a disabled child and in all cases, be in receipt of qualifying means tested benefit. In addition the applicant must:-

- be an owner-occupier who lives in the dwelling as their only or main residence
- be aged 18 or over on the date of the application (applications for minor adaptations for works to enable a disabled child to be cared for in their own home will be accepted from the parents or carer of that disabled child)
- have the power or duty to carry out the works (with the appropriate consents where the property is leasehold)

3.3 Mr U Mrs B are the owner occupiers of, E1, an end of terrace house. They are the main carers for their daughter Miss A.

3.4 Miss A has suffered from Cerebral Palsy and has learning difficulties since birth and is now a full dependent wheelchair user.

3.5 As Miss A's condition deteriorated adaptation works have been carried out to her home to allow her to live as safely and independently as possible. These adaptations include a ground floor extension for a bedroom and wheelchair accessible wet floor shower room, which includes a Closomat shower WC.

3.6 These adaptations were provided through a Disabled Facilities Grant and were covered by the manufacturer's warranty but when they expire the disabled resident can be left stranded and isolated in their own home if they do not have the resources to fund repairs. This can lead to increased care costs to the Council as additional resources have to be deployed to cope with the situation.

3.7 To ensure against this situation arising, Mr U and Mrs B have applied to the Private Housing Improvement Team for a Home Repairs Grant to provide a repair and an extended three year warranty and annual service contract for the Closomat shower WC.

- 3.8 The repair and service is £820.00 together with the Home Improvement Agency fee of £147.60, gives a total grant amount of £967.60.
- 3.9 Mr U and Mrs B meets the eligibility criteria in that they are the owner Occupiers of the property, has lived in the dwelling for over fourteen years, are the main carers for Miss A who is disabled and is in receipt of a means tested benefit.
- 3.10 The application has been considered by the Private Housing Grants Panel and who have made a recommendation that the grant be approved.
- 3.11 This grant is not repayable.

4. COMMENTS OF THE CHIEF FINANCE OFFICER

- 4.1 A capital estimate of £550,000 was approved as part of the 2015-16 budget process to fund a Private Sector Renewal Grant programme. The scheme is financed from residual ring-fenced resources received from the East London Renewal Partnership. The programme supports the aims and objectives of the council's Private Sector Housing and Empty Properties Framework, and includes Home Repairs Grants for minor aids and adaptations, energy efficiency, minor repairs, home security, hazard removal and relocation assistance; Empty Property Grants and Discretionary Disabled Facilities Grants.
- 4.2 The specific grant considered in this report forms an element of the programme and can be met from within uncommitted resources. The applicant meets the conditions that the council applies to these grants.
- 4.3 The council has previously funded the installation of a wheelchair accessible wet floor shower room at the property under its mandatory Disabled Facilities Grant scheme. Following the expiry of the manufacturer's guarantee period, the applicant is seeking a further grant of £967.60 to fund the purchase of extended three year warranties and annual service contracts on the integrated shower and wc unit. The application has been considered by the Officer Private Housing Grants Panel and is recommended to the Commissioners for approval.

5. LEGAL COMMENTS

- 5.1. The power of the Commissioners to make decisions in relation to grants arises from directions made by the Secretary of State on 17 December 2014 pursuant to powers under sections 15(5) and 15(6) of the Local Government Act 1999 (the Directions). Paragraph 4(ii) and Annex B of the Directions together provide that, until 31 March 2017, the Council's functions in relation to grants will be exercised by appointed Commissioners, acting jointly or severally. This is subject to an exception in relation to grants made under

section 24 of the Housing Grants, Construction and Regeneration Act 1996, for the purposes of section 23 of that Act (disabled facilities grant).

- 5.2. To the extent that the Commissioners are exercising powers which would otherwise have been the Council's, there is a need to ensure that the Council has the power to make the grant in question.
- 5.3. The Council has a duty under Part 1, Chapter 1, Section 3 of the Housing Act 2004, to review the housing conditions in its district and where conditions are found to require adaptation, repair or improvement, assistance may be provided by the Council under the terms of Article 3 of the Regulatory Reform (Housing Assistance) Order 2002 ('2002 Order').
- 5.4. The Council may not exercise the powers available under the 2002 Order unless it has adopted a policy for the provision of assistance, given notice of the policy and made it available to the public. The power to provide assistance must be exercised in accordance with the policy. The Council adopted the Tower Hamlets Private Sector Housing Renewal Policy 2013-15 at the Cabinet of 31st July 2013. Paragraph 4.2 of the policy provides for Home Repair Grants the detail of which is set out in this report.
- 5.5. The Council has a duty under Section 3 of the Local Government Act 1999 to make arrangements to secure continuous improvement in the way in which its functions are exercised having regard to a combination of economy, efficiency and effectiveness (the best value duty). Awards of these grants are subject to eligibility criteria which seek to assist vulnerable persons in housing in disrepair. By doing so the need for other council services or support is likely to be reduced.
- 5.6. When exercising its functions under this legislation by making decisions about grants the Council must comply with section 149 of the Equality Act 2010 in that it must have due regard to the need to eliminate unlawful conduct under the Act, advance equality of opportunity and foster good relations between persons who share a protected characteristic and those who do not (the public sector equality duty). The Home Repair Grants policy is designed to provide for those who are elderly or who have disabilities and in doing so it seeks to advance equality of opportunity for persons with those protected characteristics.

6. ONE TOWER HAMLETS CONSIDERATIONS

- 6.1 By targeting the very limited financial assistance which is still available to the most vulnerable owner occupiers, the Private Sector Housing Renewal Policy 2013-15, seeks to mitigate the problems of poor housing conditions and reduce the pressure on social and health care services and at the same time have a positive impact on the lives of these residents by reducing health and housing inequalities and ensuring their independence and inclusion.

- 6.2 A full Equalities Assessment on the Private Sector Housing Renewal Policy has been carried out and which found there to be no evidence to suggest any adverse or negative impact.

7. BEST VALUE (BV) IMPLICATIONS

- 7.1 Individual grant costs are scrutinised and challenged at a number of stages of the grant process, from initial receipt by the grant officer through to final consideration by the Housing Grant Panel.
- 7.2 The use of small cost housing grants to carry out urgent but minor repair works for elderly and vulnerable home owners and those with disabilities, can ensure that resident is able to live healthily and safely in their own home and can reduce longer term repair costs if nothing is done about the problem. It also reduces the risk of reliance on other council services which may be more costly.

8. SUSTAINABLE ACTION FOR A GREENER ENVIRONMENT

- 8.1. There are no sustainability implications.

9. RISK MANAGEMENT IMPLICATIONS

- 9.1 There is a risk that if this small grant is not approved and either of the adaptations fail, the health and wellbeing of this disabled home owner would deteriorate.
- 9.2 There is also the risk that as the Closomat is not working efficiently; Miss Aktar is unable to carry out her toileting needs posing a risk to her health. Also there is a risk to her Parents, Mr Uddin and Mrs Begum as they attempt to physically assist their daughter for her toileting needs.
- 9.3 There is a further risk that Council may be exposed to much greater costs in the longer term, as there could be additional health costs caused by infection or pain as a result of Miss Aktar not being able to use the WC.

10. CRIME AND DISORDER REDUCTION IMPLICATIONS

- 10.1 There are no crime and disorder implications.

11. SAFEGUARDING IMPLICATIONS

- 11.1 There are no safeguarding implications.
