DECLARATIONS OF INTERESTS - NOTE FROM THE MONITORING OFFICER

This note is for guidance only. For further details please consult the Members' Code of Conduct at Part 5.1 of the Council's Constitution.

Please note that the question of whether a Member has an interest in any matter, and whether or not that interest is a Disclosable Pecuniary Interest, is for that Member to decide. Advice is available from officers as listed below but they cannot make the decision for the Member. If in doubt as to the nature of an interest it is advisable to seek advice **prior** to attending a meeting.

Interests and Disclosable Pecuniary Interests (DPIs)

You have an interest in any business of the authority where that business relates to or is likely to affect any of the persons, bodies or matters listed in section 4.1 (a) of the Code of Conduct; and might reasonably be regarded as affecting the well-being or financial position of yourself, a member of your family or a person with whom you have a close association, to a greater extent than the majority of other council tax payers, ratepayers or inhabitants of the ward affected.

You must notify the Monitoring Officer in writing of any such interest, for inclusion in the Register of Members' Interests which is available for public inspection and on the Council's Website.

Once you have recorded an interest in the Register, you are not then required to declare that interest at each meeting where the business is discussed, unless the interest is a Disclosable Pecuniary Interest (DPI).

A DPI is defined in Regulations as a pecuniary interest of any of the descriptions listed at **Appendix A** overleaf. Please note that a Member's DPIs include his/her own relevant interests and also those of his/her spouse or civil partner; or a person with whom the Member is living as husband and wife; or a person with whom the Member is living as if they were civil partners; if the Member is aware that that other person has the interest.

Effect of a Disclosable Pecuniary Interest on participation at meetings

Where you have a DPI in any business of the Council you must, unless you have obtained a dispensation from the authority's Monitoring Officer following consideration by the Dispensations Sub-Committee of the Standards Advisory Committee:-

- not seek to improperly influence a decision about that business; and
- not exercise executive functions in relation to that business.

If you are present at a meeting where that business is discussed, you must:-

- Disclose to the meeting the existence and nature of the interest at the start of the meeting or when the interest becomes apparent, if later; and
- Leave the room (including any public viewing area) for the duration of consideration and decision on the item and not seek to influence the debate or decision

When declaring a DPI, Members should specify the nature of the interest and the agenda item to which the interest relates. This procedure is designed to assist the public's understanding of the meeting and to enable a full record to be made in the minutes of the meeting.

Where you have a DPI in any business of the authority which is not included in the Member's register of interests and you attend a meeting of the authority at which the business is considered, in addition to disclosing the interest to that meeting, you must also within 28 days notify the Monitoring Officer of the interest for inclusion in the Register.

Key messages from Monitoring Visits

- Three monitoring visits, in August & December 2017 and May 2018.
- August - good initial progress but there was a long way to go.
- December – focus on the front door as well as our Family Support & Protection Team. Changes at front door were becoming embedded and that FSP was on the same trajectory.
- May – Vulnerable young people – a culture shift; more holistic practice; better multi agency working.

Challenges going forward - Early Help

Page 22

- The Redesign is building on the success made in Early Help provision in different settings. This will be done in two Phases.
- An Early Help Strategy is under development.
- Setting up a core Early Help Service and strengthening the Early Help Hub.
- Renewed focus on Whole Family Working.
- Lead Professional for each family that has interventions from different teams or agencies.
- A workforce development programme is being put together.

Challenges going forward - Recruitment

Page 23

- Workforce stability overall has improved during 2018. The annual rolling figure has reduced from a high of 23.3% in February to 19% and a further fall at the end of June to 16.9%. Social Worker recruitment is a national problem; and is a challenge across London.
- Conversion of agency to permanent.
- Specialist role in place for recruitment.
- Reducing turnover and reducing agency staff.
- 'Grow your own' model.
- Central to this is the development of our Social Work Academy.

Ofsted Monitoring Visit – 15th & 16th August

- Ofsted will visit for their 4th monitoring visit
- The main areas of focus will be the Public Law Outline (Pre-Care Proceedings), Child Permanence, Use of s.20 and management oversight & Edge of Care arrangements
- This may be the first of two visits that will look at our provision for looked after children.
- We will provide our recent audit activity and inspectors will meet with staff, likely from across the service. They also have access to our case recordings and will sample cases.
- Weekly planning meetings continue to take place to ensure that we are fully prepared for this visit.
- Ofsted will publish a letter to outline their findings, likely in early September.

Executive Summary

All local authorities have to review their existing Statement of Licensing Policy every five years. The Statement of Licensing Policy is required to be agreed at full Council by October 2018. This is one of the responsibilities that the Council has to enable the administration of licences under the Licensing Act 2003.

The purpose of the Statement of Licensing Policy is to define how the responsibilities under the Act are going to be exercised and administered.

A statutory consultation process has taken place between the 12th January and 10th April 2018.

The reviewed Statement of Licensing Policy will ultimately go to full Council for adoption.

The policy is now before Overview and Scrutiny for comment.

Recommendations:

The Overview and Scrutiny Committee is recommended to:-

Review the Statement of Licensing Policy and provide any comments on the policy.

1. REASONS FOR THE DECISIONS

- 1.1 The Council is statutorily required to review its Statement of Licensing Policy every five years. As part of the review a statutory consultation must take place.

2. ALTERNATIVE OPTIONS

- 2.1 Council does have the option not to review its Statement of Licensing Policy but the Council will be open to legal challenge for not having a properly consulted and adopted policy.

3. DETAILS OF REPORT

- 3.1 Tower Hamlets Council is defined as a Licensing Authority under the Licensing Act 2003. As a Licensing Authority we must review our Licensing Policy every five years and publish the outcome of that review.
- 3.2 We must, as a minimum carry out the statutory consultation laid down in the Act.
- 3.3 Following consultation, Cabinet must consider the revised Statement of Licensing Policy and full Council must adopt the Statement of Licensing Policy.
- 3.4 The Licensing Act 2003 gives local authorities a range of responsibilities relating to licensing. The Statement of Licensing Policy states how the Council will exercise its authority.
- 3.5 This policy covers the following:
- How the Licensing Authority will use its regulatory powers in relation to applications and reviews of the activities it regulates, to the extent it is allowed by statute.
 - The main licensing objectives for the authority which are set by legislative requirements.
 - The Licensing Authority approach to regulation
 - The scheme of delegation

- 3.6 The Statement of Licensing Policy is prescribed by central government in its guidance to Local Authorities. The policy produced has to comply with guidance issued by central government. The current policy is compatible with this advice and guidance.
- 3.7 The current review has taken into account of the legislative changes that will affect the policy. The changes respond in the main to guidance and regulatory change from central government during the course of the last five years.
- 3.8 The statutory consultation requirements consists of :-
- The Chief Officer of Police for the Licensing Authority area
 - The Fire Authority for the area
 - Such persons as the Licensing Authority consider to be representative of holders of existing licences
 - Such persons as the Licensing Authority considers to be representative of holders of existing clubs
 - Such other persons as the Licensing Authority considers to be representative of businesses and residents in its area
 - Director of Public Health
- 3.9 The full list of consultees is detailed in Appendix One. All licence holders were written to. General comments from groups and forums have been summarised in Appendix Two. The online submissions are summarised in Appendix Three.
- 3.10 The statutory changes are outlined in Appendix Four and the revised policy for adoption is detailed in Appendix Five.
- 3.11 The consultation documents will be presented to the Licensing Committee and noted by them.
- 3.12 The following are relevant issues that have been raised in the consultation process and will need to be determined by Members.

Framework Hours: The current framework hours in the policy give an indication of the desired opening hours of premises, however each case is considered on its merits. The current hours are:

Sunday	0600hrs to 2230hrs
Monday to Thursday	0600hrs to 2330hrs
Friday and Saturday	0600hrs to midnight

Guidance has been published under section 182 of the Licensing Act 2003 that addresses the issue of framework hours. They should operate in such a way that does not restrict discretion and recognise that shops, stores and supermarkets should normally be free to provide sales of alcohol for consumption off the premises at any times when the retail outlet is open for shopping unless there are good, evidential reasons to restrict these hours.

There must be a justification provided if change is considered appropriate, however, 40% of the 64 respondents wanted a reduction. The current responses may not justify the change from a locality perspective.

Suggested action is to retain the current framework hours.

Increase the voluntary consultation area: Some consultees responded that they would like to have a greater voluntary consultation area of more than 40 meters from the applicant premises. The majority were content with the current consultation zone for new applications. If this was to be extended there would be a cost implication for the licensing team.

Suggested action is to retain the current consultation area.

Touting: The majority of the consultees agreed with the touting condition, in that this mainly affects Brick Lane. It must be noted that there is currently a Public Spaces Protection Order in place in this area that is also being used to tackle touting.

Suggested action is to maintain the enforcement action against touting with partners.

Street Furniture: The majority of consultees agreed with the inclusion of a condition on relevant licences that ensures compliance with street furniture provisions in relation to public and private land. It is recognised that street furniture may encourage inappropriate street drinking.

Suggested action is to include this condition where relevant.

Cumulative Impact Zones (CIZ): Consultees expressed a view that the current CIZ in Brick Lane should be maintained in its current format Appendix Six. In addition there was strong support for an additional CIZ within the Bethnal Green area as outlined in Appendix Seven The CIZ's will have an impact on those applying for licences or variations to existing licences that offer alcohol sales or late night refreshments.

There is a desire from resident groups that the CIZ is implemented rigorously and that applicants must demonstrate conclusively that their operations will not adversely add to the impact on the area. The CIZ creates a rebuttable presumption that where relevant representations are made the applications are refused unless the applicant can satisfactorily demonstrate that they will not have an adverse cumulative impact on the area.

Due to recent legislative changes, the CIZ's would need to be re-consulted and reviewed every three years

Suggested action is to maintain the Brick Lane CIZ and to implement a Bethnal Green CIZ.

Olympic Park Football Condition: an additional condition was supported that dealt with premises that are known to have football followers. On match days drinks are to be supplied in plastic containers and registered door staff employed.

Suggested action is to utilise this condition where necessary.

Late Night Refreshment Exemption: Consultees agreed not to extend the late night refreshment exemption that has been proposed in the 2015 Deregulation Act 2015. Thus, all premises that offer late night refreshment after 23.00 are required to be licensed.

Suggested action is to retain licensing for late night refreshment premises.

3.13 In addition there have been some proposed changes to the draft Statement of Licensing Policy after consultation, which strengthens or clarifies the Statement of Licensing Policy objectives and introduces statutory changes, namely;

- Promotion of responsible drinking by Pub watches
- The need for licence holders to ensure wholesale alcohol purchases are checked for HMRC compliance.
- Disposable drink containers to be made of recyclable materials
- Licence holders to take a proactive stance against violence against women and girls. The policy to include references to violence against women and girls in that adequate information is provided on safe travel and staff is trained in relation to harassment and intervention techniques.
- Extending the protection of children objective to include wider harms as strong language and sexual expletives.
- Increasing the remit of protection of children from harm to explicitly detail sexual exploitation. To enable the Council to request that certain premises have a Challenge 25 scheme and relevant age verification processes.
- Clarification on the planning regimes
- Clarification on the determining of licences within the Cumulative Impact Zones
- Procedures for absent designated premises supervisors.
- Acknowledgement of the statutory changes that makes the Immigration Service a Responsible Authority.
- The policy details the type of criminal activity whereby the revocation of a licence is expected, even for a first offence.
- Where fly posting is an issue in the area, conditions may be attached that prohibits the licence holder engaging in such activities.
- To add in a new reference to the Late Night Levy that was introduced on the 1st January 2018.
- Update to Temporary Event Notification process due to legislative change

3.14 There was also a request from several residents groups and others that the following should be considered:

- Cumulative Impact Policy should be more rigorously enforced at the decision making process when determining an application.
- Adopting a policy on restricting hours of operation for outside areas of licensed premises
- Better communication with neighbouring Boroughs,
- Restricting hours of use for outside green spaces.
- Preventing large capacity venues in Brick Lane and Spitalfields;
- Reducing or restricting licensable hours during the week, Sundays and Bank Holidays, as well as religious holidays and when near to residential premises;
- Issues relating to Off Licences having a wider effect than the immediate area and calls for these to be reduced in the CIZ.

3.15 In light of these comments:

- Changes were made to the Cumulative Impact Policy to make the Policy clear in terms of what is expected of applicants, and what the Licensing Authority's position is in relation to applications for licences within the cumulative impact zones. This gives better clarity on the rebuttable presumption and responsibility of applicants.
- With respect to restricting the hours of use for outdoor areas, or on certain days, and restricting large capacity venues; each application must be determined on its own merits as per the Secretary of States Guidance under section 182 of the Licensing Act 2003, as such restricting hours or types of venues etc. would need to be a case by case basis.
- Though not in the policy the Licensing and Safety Team have met with the neighbouring Boroughs to discuss issues raised in the consultation and we have agreed to regular meetings moving forward. These will need to be formalised with a terms of reference to give clarity for discussing such matters as cross boundary licensing issues.
- Again though not in the policy we have considered the comments relating to off- licences in the CIZ and will be carrying out some unannounced compliance visits to these premises this financial year.

- 3.16 The current Statement of Licensing Policy remains current until October 2018. It is proposed that this policy is replaced on the 1st November 2018.

4. EQUALITIES IMPLICATIONS

- 4.1 An equalities impact assessment has been undertaken (Appendix Eight) and no adverse impacts have been identified

5 OTHER STATUTORY IMPLICATIONS

- 5.1 Best Value: recent legislation, such as the Localism Act 2010 has encouraged communities and the Local Authority to work in partnership. An informed Statement of Licensing Policy and well managed business will result in a reduction of enforcement and regulatory action, thus reducing costs for these Services.
- 5.2 Risk Management: The Council will be at risk of legal challenge if a properly consulted and adopted Statement of Licensing Policy is not in place by the end of October 2018.
- 5.3 Crime Reduction: One of the key licensing objectives is to prevent licensed premises from being a source of crime and disorder. The policy supports and assists with crime and disorder reduction by controlling those who manage premises open to members of the public and imposing conditions on relevant premises licences.
- 5.4 Safeguarding: The Statement of Licensing policy takes into account of safeguarding children and violence against women and children.

6. COMMENTS OF THE CHIEF FINANCE OFFICER

- 6.1 There are no specific financial implications emanating from this report that sets out the review of the Council's Statement of Licensing Policy. The Policy must be reviewed every five years and set out the responsibilities for the Licensing Service under the Act. The responsibilities are exercised and administered within a gross expenditure budget for 2018-19 of £363,051.

7. COMMENTS OF LEGAL SERVICES

- 7.1 The Council is a Licensing Authority under the Licensing Act 2003 ("the Act"). Section 5(1) of the Act requires the Licensing Authority to determine and publish its policy with respect to the exercise of its licensing functions. The requirement is for the Council to prepare and publish its statement of licensing policy in respect of each 5 year period. The Council is required to have regard to the policy in the exercise of its licensing functions, to keep the policy under review.

- 7.2 The Act specifies a minimum level of consultation which the Council must carry out before determining its licensing policy for a 5 year period. Section 5(3) of the Act requires specified persons and bodies to be consulted, as referred to in paragraph 3.9 of the body of the report.

- 7.8. Since 1.4.2017, the Secretary of State has been a Responsible Authority in respect of premises licensing to the sale of alcohol or late night refreshment. Statement of Licensing Policy Review Consultation – Additional Comments Received Via Letter/Email/Meetings

Please note however that some of these respondents may also have completed the online survey as well.

1. Jago Action Group (JAG), Residents Association Representing Residents North of Bethnal Green, South of the Boundary Estate and East of Shoreditch High Street:

- Cumulative Impact Zone has failed and needs to be enforced properly,
- Cumulative Impact Zone needs to include better cooperation with London Borough of Hackney, particularly in respect of premises that borough boundaries. Need clear protocol of which borough deals with these complaints,
- Cumulative Impact Zone has seen an approximate 10 fold increase in licensed premises then 10/20 years ago,
- Cumulative Impact Zone issues are caused by disproportionate impact of a few premises,
- Cumulative Impact Zone has an over concentration of Licensed premises,
- Cumulative Impact Zone still has issues of street urination, defaecation, vomiting, littering, drug dealing noise pollution attributed to licensed premises within it, as well as inebriated people in streets. Parking and vehicles racing causes further issues,
- Cumulative Impact Zone – statistical data used in the Policy Consultation for the Cumulative Impact Zone does not show true picture of problems and wider set of statistical data should be used similar to those used by the London Borough of Hackney in their recent Licensing Policy Review,
- Cumulative Impact Zone (CIZ) the London Borough of Hackney Special Policy Area (SPA) not increased to meet LBTH CIZ, due to this LBTH should withdraw agreement for LB Hackney to take licensing decisions affecting the premises straddling the borough boundaries,
- LBTH should lobby LB Hackney to extend their Special Policy Area to join up with LBTH Cumulative Impact Zone,
- Voluntary consultation should include residents outside of the borough where they are within the 40 meter consultation area,

- Licence transfers and change of business type can often lead to increase issues, e.g. café turning into bar, thus more stringent examination of transfers needs to occur in respect of this issue,
 - Cumulative Impact Zone - Responsible Authorities should make more representations in respect of applications and not leave it to "Other persons",
 - Cumulative Impact Zone, policy should be amended to make it clear that applicants need to demonstrate that their operations will not negatively add to cumulative impact,
 - Cumulative Impact Zone – Licensing Authority and Police as Responsible Authorities should discuss more active role in respect of CIZ,
 - Licensing Sub-Committee need to adhere/apply the when hearing applications within the CIZ area,
 - Committee members need to receive training reinforcing the details of the Cumulative Impact Zone,
 - Licensing Policy to encourage applicants to obtain Planning Permission prior to Licensing Application and empower Sub-Committee members to take account of this in Policy,
 - Licensing Policy should adopt presumption that outdoor spaces should close at 21:00 hours,
 - Licensing Policy should adopt presumption that waste collections should only occur between 08:00 to 20:00 hours.
2. Residents Meeting with SPIRE and JAG Residents Associations and Councillor Peirce:
Please note many of these comments will be similar if not identical to 1 above as JAG were present at this meeting
- Training for the Licensing Sub-Committee on the Cumulative Impact Zone/Policy should be completed,
 - Outdoor spaces should have reduced hours particularly those premises within the Cumulative Impact Zone,
 - The policy should include section of outdoor spaces in regard the Licensing Authority's expectation on applicants,

- LBTH should have better communication with London Borough of Hackney in respect of cross boundary issues from licensed premises,
 - The statistical data used in respect of the Cumulative Impact Zone does not provide a full picture of issues within the Zone. Wider statistical data should be used so as to provide a better view of issues within the Zone.
3. Jago Action Group (JAG) Organised Petition in relation to Cumulative Impact Zone Review:
Please note many of these comments will be similar if not identical to 1 and 2 above as JAG organised the petition
- There should be greater cooperation between LBTH and London Borough of Hackney in relation to cross boundary licensing issues, and venues,
 - Responsible Authorities should be more proactive in tackling problematic licence applications within the Cumulative Impact Zone,
 - Cumulative Impact Zone should substantially reduce the number of new licences still being granted.
4. Local Resident 1:
- Licensing Policy should be mindful of residential dwellings near to, and in the dispersal path of Licence premises,
 - Noise and nuisance generated by operation of licensed premises and their customers is of great concern,
 - Public order disturbances and ASB, for example street disturbance, abuse, public urination, vomiting, smoking and littering are also of great concern,
 - Licensing Authority when considering licensing applications where residential dwellings could be impacted should consider the following:
 - Licensing hours should be limited to fewer hours to give respite so that the impact of residents is not a daily occurrence,
 - Conditions attached to licences should be checked to compliance,
 - Premises with outside spaces/terraces where noise likely to cause more impact to be time restricted for use and closely monitored to ensure compliance,
 - New large capacity venues should be discouraged.
5. Local Resident 2:
- Licensing Policy should clarify point that conditions on a premises licence are not added to the TEN but that applicant would be expected to comply with the premises licence conditions as a matter of good practice.

6. Trading Standards, Environmental Health and Trading Standards Service, LBTH:

- Licensing Policy provide expectation that applicants adopt the “Challenge 25” age verification scheme,
- Licensing Policy to include conditions to be inserted where its discretion is engaged.

7. Community Safety, LBTH:

- Under preventing harm to children, a paragraph should be added detailing the Licensing Authority’s expectation on applicants in relation to Child Sexual Exploitation (CSE),
- Under Public Safety, a paragraph should be added detailing the Licensing Authority’s expectation on applicants in relation to protection person from violence and take proactive approach to customer safety.

This Licensing Authority believes that that Licensed Premises should have age verification policies to require individuals who appear to the person serving alcohol to be under the age of 25 years of age to produce on request appropriate identification. This is commonly referred to as the "Challenge 25 Scheme". The rationale for this is because it can often be difficult to judge how old teenagers are and "Challenge 25 age verification system" would provide licensed premises with margin of error to prevent underage sales. Tower Hamlets is a Borough that is diverse, improves choice and provides enjoyment for residents and visitors to the Borough of all ages. We want to provide an environment that is safe and welcoming for all to enjoy. While at the same time we also want to ensure that we protect the quality of life for our residents by ensuring that we have sensible controls that keep anti-social behaviour, and undesirable developments selling hot food and drink between 23:00 and 05:00 to a minimum.

However the policy only applies where the discretion of the licensing authority is engaged. That is, all applications which are unopposed must be granted as applied for. The only conditions that can be applied must relate to statements made in the application itself.

The Licensing Policy objectives and associated benefits have clear links with the Council's vision to improve the quality of life for everyone living and working in the Borough.

The four major themes that the Council have set out in the Tower Hamlets Partnership's Community Plan by means of which the vision is delivered are:

A Great Place to Live

A Fair and Prosperous Community

A Safe and Cohesive Community

A Healthy and Supportive Community

You will find there is more detailed information about the four themes, and how they support One Tower Hamlets at:

1 Introduction

- 1.1 *The London Borough of Tower Hamlets is the Licensing Authority under the Licensing Act 2003 (the Act). It is responsible for granting premises licences; club premises certificates; temporary events notices, in respect of the provision of licensable activities; and personal licences in the Borough.*

The term 'Licensing Authority' will be used in all future references to 'the London Borough of Tower Hamlets' in this Statement of Licensing Policy.

All references to the Secretary of State's Guidance relate the statutory guidance published by the Home Office under section 182 of the Act on the 6th April 2017. A copy of this version is available at www.gov.uk.

~~Tower Hamlets Council is the Licensing Authority under the Licensing Act 2003 (the Act) and is responsible for granting licences in the Borough. This policy covers the following activities:~~

- 1.2 *This policy is intended to provide clarity to applicants, 'other persons' and 'responsible authorities' on how this Licensing Authority will determine applications for the following licensable activities:*
- Retail sale of alcohol
 - Supply of alcohol to club members
 - Provision of regulated entertainment *(as defined in Schedule 1 of the Act)*
 - Supply of hot food and / or drink between 23:00 and 05:00 hours

2 The Policy

- 2.1 *This 'Statement of Licensing Policy' was prepared in accordance with the provisions of the Act and having had regard to the Secretary of State's Guidance issued under Section 182 of the Act.*
- 2.2 *The 2003 Act requires that the Licensing Authority, after consultation, adopts and publishes a "Statement of Licensing Policy" that sets out the policies the Licensing Authority will apply to promote the licensing objectives when making decisions on applications made under the Act. It is a requirement that this Policy is reviewed at least every five years. The Licensing Authority will apply the standards and policies set out in this Statement unless good reason exists not to do so. Each application*

will nonetheless be considered individually on its merits and both applicants and those making relevant representations will be treated fairly and objectively.

~~2.1 This 'Statement of Licensing Policy' has been prepared in accordance with the provisions of the Act and the draft Guidance issued under Section 182 of the Act.~~

~~2.2 The 2003 Act requires that the Council, after consultation, adopts and publishes a Licensing Policy. It is a requirement that this Policy is reviewed at least every five years. The Licensing Authority will generally apply the policy when making decisions on applications made under the Act. However each individual application must still be treated on its own merits and must be given proper consideration.~~

3 Consultation

3.1 *Before publishing this revised Policy Statement, the Licensing Authority has consulted those parties specified in Section 5(3) of the Licensing Act 2003, which are:*

- the Chief Officer of Police,*
- the Fire and Rescue Authority,*
- Director of Public Health within Tower Hamlets*
- representatives of holders of existing Premises Licences, Personal Licences and Club Premises Certificates in the Borough*
- such other persons considered to be representatives of business and residents in the area.*

The Licensing Authority has given due regard to the responses from this consultation process when completing the final version of this Policy Statement.

~~3.1 The Council recognises the important role of responsible authorities, the licensing trade, local residents and other stakeholders have to play in influencing this Policy. The Council will consider a wide range of views that are made in response to the consultation before finalising and publishing the policy in 20183.~~

3.2 The Council *Licensing Authority* will ensure that its consultation is broadly based, available on the internet, and the responsible authorities as well as wide range of community, public, welfare and religious organisations, *and other key stakeholders* are consulted.

3.3 The Council *Licensing Authority* will give due weight to the views of all the persons / bodies consulted before the Policy Statement is agreed and implemented by the Council.

3.4 The Licensing Authority undertakes to involve the Tower Hamlets Community

Safety Partnership (or equivalent organisation) in policy development and review.

- 3.5 All major reviews will be broadly based, as well as complying with statutory requirements.

4 Main Principles of the Licensing Policy

- 4.1 The Act requires that the Licensing Authority carries out its various licensing functions so as to promote the following four licensing objectives:-

4.2 *The prevention of crime and disorder*

Consideration, among other things, a prescribed capacity; door supervisors; an appropriate ratio of tables and chairs to customers; and a requirement that security staff holding the appropriate SIA licence or exemption are present to control entry for the purpose of compliance with the capacity limit and to deny entry to individuals who appear drunk or disorderly or both.

4.3 *Public safety*

Consideration of requiring specific types of training for a DPS or security staff, including awareness of first aid or initiatives to protect women and vulnerable customers; provision and storage of CCTV footage; and ensuring safe departure of those using the premises.

4.4 *The prevention of public nuisance*

Consideration of the prevention of irresponsible promotions, methods of preventing and managing noise and light pollution, and ways of managing litter.

4.5 *The protection of children from harm*

Consideration of age verification schemes, test purchasing policies, and restrictions on the hours when children may be present.

- 4.6 All of the Policy and its implementation must be consistent with those four objectives.

- 4.7 Nothing in the Licensing Policy will undermine the rights of any person to apply under the Act for a variety of permissions and have the application considered on its individual merits and / or override the right of any person to make representations on any application or seek a review of a licence or certificate where they are permitted to do so under the Act.

- 4.8 *Licensing is about regulating licensable activities of licensed premises, by*

qualifying clubs and at temporary events within the terms of the Act. The conditions attached to licences and / or Temporary Event Notifications will be focused on matters that are within the control of individual licensees.

~~4.8 Licensing is about the regulation of licensable activities on licensed premises and the people in control of selling alcohol and or selling hot food and drinks past 23:00hrs and before 05:00 hrs. Conditions are likely to be attached to licences, certificates and permissions that will cover matters which are within the control of individual licensees.~~

4.9 *In relation to all applications where the Licensing Authority's discretion is engaged it will consider the direct impact of the activities taking place at the licensed premises on members of the public living, working or engaged in normal activity in the area concerned relating to the four Licensing Objectives.*

~~4.9 In relation to all applications, however, if its discretion is engaged, the Licensing Authority will also consider the impact on the vicinity of the application.~~

4.10 The Police Reform and Social Responsibility Act introduced the provision for the licensing authority to make representations. The Licensing Authority will not make representations that should be made by another responsible authority. The Licensing Authority may wish to make representations on its own account when they could include bringing together a number of minor unconnected complaints that in themselves do not require another responsible authority to make a representation, but when taken together may constitute a public nuisance, represent breaches of licence conditions only observed by licensing officers or which undermines the licensing objectives.

~~4.11 The Directors of Public Health (DPH) is also now a responsible authority. It is expected that the DPH will be particularly useful in providing evidence of alcohol-related health harms (perhaps in relation to cumulative impact policies or early morning restriction orders). The DPH may also be useful in providing evidence such as alcohol-related Accident & Emergency admissions or ambulance service data that might be directly relevant to an application under the Act.~~

4.11 If representations are made by a "responsible authority" or interested party a hearing would then be convened where the Licensing Authority would exercise its discretion *other persons the application will be determined by the Licensing Sub-Committee. In making decisions on licence applications, the Licensing Sub-Committee will have regard to the Act and relevant Regulations, the Secretary of State's Guidance, and this Statement of Licensing Policy. Where this occurs the Licensing Authority's discretion is engaged and it may insert conditions such as ones detailed further on in this policy.*

4.12 Where no representations are made the application *will* be granted subject only to

the mandatory conditions *and* or conditions that are consistent with the applicant's operating schedule.

- 4.13 When considering ~~these conditions~~ *the addition of conditions consistent with applicant's operating schedule* the Licensing Authority *will ensure that such conditions are enforceable and proportionate*. ~~primarily focus on the direct impact of the activities taking place at licensed premises on members of the public living, working or engaged in normal activity in the area concerned.~~
- 4.14 Licensing laws are not the primary method of controlling anti-social behaviour by individuals once they are beyond the direct control of the licensee of any premises concerned. However, they are a key aspect of such control and will always be part of an overall approach to the management of the evening and night time economy.
- 4.15 In this respect, the Licensing Authority recognises that, apart from the licensing function, (and issues around cumulative effect) there are a number of other mechanisms available for addressing issues of unruly behaviour that can occur away from licensed premises, including (the list is not exhaustive):_
- planning controls
 - ongoing measures to create a safe and clean environment in these areas in partnership with local businesses, transport operators and other Council Departments
 - designation of parts of the Borough as places where alcohol may not be consumed publicly
 - regularly liaison with Borough Police on law enforcement issues regarding disorder and anti-social behaviour, including the issue of fixed penalty notices, prosecution of those selling alcohol to people who are drunk, confiscation of alcohol from adults and children in designated areas and instantly closing down licensed premises or temporary events on the grounds of disorder, or likelihood of disorder or excessive noise from the premises
 - the power of the police, other responsible authority or a local resident or business to seek a review of the licence or certificate
- 4.16 The Licensing Authority recognises the positive benefits that the leisure industry brings to the Borough. This includes not just jobs and associated regeneration but also through music, dance and other entertainment that celebrates the rich mixture of cultural diversity and creativity that exists in the Borough.
- 4.17 The responsible authorities are given in **Appendix 1**.

- 4.18 ~~Consultation with local residents~~ *Applicants for authorisations/permissions (e.g. premises licence etc.) under the Licensing Act 2003 must carry out the required statutory consultation with local residents.* ~~about a premises or club which is applying for a licence is carried out by the business which is applying for the licence. Notification of applications under the Licensing Act 2003 is limited~~ *This statutory consultation requires* an advertisement *of the application* in a local paper and the display of a pale blue notice on the premises, both done by the applicant. *Failure to adhere to the statutory consultation will result in an invalid application and/or extension of the statutory consultation period.*
- 4.19 Following consultation the Licensing Authority has determined *decided it will* to itself contact all residents and businesses within 40 meters of the applicant's premises, where the application is for a new club or premises licence or its variation. The consultation will be strictly neutral, and will repeat the information required in the statutory notification.
- 4.20 For larger events and premises of a capacity of more than 1000 persons the Council will carry out a reasonable and relevant level of consultation with local residents and businesses. ~~The scope of this consultation will be decided by the Trading Standards and Licensing Service Manager.~~
- 4.21 *In respect of paragraphs 4.19 and 4.20 above should the Licensing Authority, in the unlikely event, fail to carry out the voluntary consultation within the statutory consultation period, this will not be grounds for refusing or delaying any application. The Licensing Authority can only refuse or delay (restart the consultation period) where it receives an invalid application or where the applicant fails to comply with the statutory consultation requirements.*

~~4.21. The statutory consultation period will not be extended providing the Council has been given a full application by the applicant. The voluntary consultation carried out by the Licensing Team, detailed in para 4.20 and 4.21 will be carried out at the determination of the Trading Standards and Licensing Manager. If the licensing authority in the unlikely event fails to carry out the voluntary consultation within the statutory consultation period, this will not be grounds for refusing or delaying any application.~~

5 The Licensing Authority as a Responsible Authority

- 5.1 The Council as a licensing authority is now included in the list of responsible authorities under the Licensing Act 2003.
- 5.2 The 2003 Act does not require responsible authorities to make representations about applications for the grant of premises licences or to take any other steps in respect of different licensing processes.

- 5.3 The Council as a Licensing Authority is not expected to act as responsible authorities Authority on behalf of other parties (for example, local residents, local Councillors or community groups) although there are occasions where the authority may decide to do so. Such parties can make relevant representations to the licensing authority in their own right, and it is reasonable for the licensing authority to expect them to make representations themselves where they are reasonably able to do so. However, if these bodies have failed to take action and the licensing authority is aware of relevant grounds to make a representation, it may choose to act in its capacity as responsible authority.
- 5.4 It is also reasonable for the Council as a licensing authority to expect that other responsible authorities should intervene where the basis for the intervention falls within the remit of that other responsible authority. For example, the police should make representations where the representations are based on concerns about crime and disorder. Likewise, it is reasonable to expect the local authority exercising environmental health functions to make representations where there are concerns about noise nuisance. Each responsible authority has equal standing under the 2003 Act and may act independently without waiting for representations from any other responsible authority.
- 5.5 The 2003 Act enables the Council as a licensing authorities to act as a responsible authority as a means of early intervention; it may do so where it considers it appropriate without having to wait for representations from other responsible authorities. For example, the licensing authority may (in a case where it has applied a cumulative impact policy) consider that granting a new licence application will add to the cumulative impact of licensed premises in its area and therefore decide to make representations to that effect, without waiting for any other person to do so.
- 5.6 The Council recognises that in cases where it as the licensing authority is also acting as responsible authority in relation to the same process, it is important to achieve a separation of responsibilities within the authority to ensure procedural fairness and eliminate conflicts of interest.
- 5.7 The officer advising the licensing committee (i.e. the authority acting in its capacity as the licensing authority) must be a different individual to the officer who is acting for the responsible authority.
- 5.8 The officer acting for the responsible authority should not be involved in the licensing decision process and should not discuss the merits of the case with those involved in making the determination by the licensing authority. For example, discussion should not take place between the officer acting as responsible authority and the officer handling the licence application regarding the merits of the case. Communication between these officers in relation to the case should remain professional and consistent with communication with other

responsible authorities. Representations, subject to limited exceptions, must be made in writing.

- 5.9 At the outset, of an application, or another licensing process a Licensing Officer in the Licensing Team will be allocated to act as the Licensing authority acting as a responsible authority. This licensing officer is not involved in the application process but sets up a separate record to consider the application for the authority in its capacity as responsible authority, engaging with other responsible authorities where appropriate and determining whether the authority acting as a responsible authority wants to make a representation. In certain circumstances the officer acting for the Licensing Authority as a Responsible Authority will be an officer from another team.

6 Home Office as a Responsible Authority

- 6.1 *From 6th April 2017 the provisions of Immigration Act 2016 which relate to Licensing became effective. These provisions amend the Licensing Act 2003 making the Secretary of State a responsible authority in respect of premises licensed to sell alcohol or late night refreshment. In effect this conveys the role of responsible authority to Home Office Immigration Enforcement who exercises the powers on the Secretary of State's behalf. For contact details please see the list of Responsible Authorities in Appendix 1.*

When Immigration Enforcement exercises its powers as a responsible authority it will do so in respect of the prevention of crime and disorder licensing objective because it is concerned with the prevention of illegal working or immigration offences more broadly.

- 6.2 *From 6th April 2017 Licensing Authorities will check the eligibility to work for those applying for personal licences and premises licences for the sale of alcohol and late night refreshment (hot food or drink between 23:00 and 05:00 hours).*

This does not apply to the licensable activity of Regulated Entertainment ONLY or Club premises certificate and temporary event notices (TEN). However, they will commit a criminal offence if they work illegally.

- 6.3 *Those applying for a personal or premises licence (for sale of alcohol/provision of late night refreshment) must be able to satisfy the Licensing Authority that they have permission to be in the United Kingdom (UK), and are entitled to undertake work relating to the carrying on of a licensable activity. Essentially this means that licence cannot be granted to disqualified persons who are:*

- Unlawfully present in the UK,*
- Not permitted to work in the UK,*
- Permitted to work, but not in this licensable activity.*

Applications from disqualified persons above will be classed as invalid and will be rejected.

- 6.4 *The application for personal and premises licences must submit one of the documents listed in Annex A of the Secretary of State's Guidance with their application, to show that they have permission to be in the UK and to undertake work in a licensable activity. Applicants may provide photocopies or scanned copies of the documents, which do not need to be endorsed as a copy of the original. Applicants are not required to submit original copies of documents.*
- 6.5 *Where an applicant has restrictions on the length of time they may work in the UK, a premises licence or personal licence may still be issued, but the licence will cease to have effect when the right to work lapses.*
- 6.6 *A premises or personal licence issued in respect of an application made on or after 6 April 2017 will lapse if the holder's permission to live or work in the UK comes to an end. The licensing authority is under no duty to carry out on-going immigration checks to see whether a licence-holder's permission to be in the UK has been brought to an end, and the Act does not place a duty on the licensing authority to withdraw or revoke the licence if this occurs.*
- 6.7 *The Home Office as a Responsible Authority may request a review of a licence, where a licence is prejudicial to the prevention of illegal working. This may be as a result of:*
- An enforcement operation or data sharing that identifies a relevant offence,*
 - The issue of a civil penalty for employing illegal workers,*
 - The identification of a licence holder whose leave to be in the UK, or their permission to work, has come to an end.*

7 Crime and Disorder

- 7.1 Licensed premises, especially those offering late night / early morning entertainment, alcohol and refreshment for large numbers of people, can be a source of crime and disorder problems and to store prescribed information.
- 7.2 When addressing crime and disorder the applicant should initially identify any particular issues (having regard to their particular type of premises and / or activities) which are likely to adversely affect the promotion of the crime and disorder *licensing* objective. Such steps as are required to deal with these identified issues should be included within the applications operating schedule. Where ~~a Crime Prevention Officer from the Metropolitan Police, acting as a~~ *responsible authority*, makes recommendations *in respect of an application* for

~~premises that relate~~ *relating* to the licensing objectives *the Licensing Authority would expect the applicant to incorporate these into their* the operating schedule should ~~normally incorporate the recommendations.~~

- 7.3 Applicants are recommended to seek advice from Council Officers and the Police as well as taking into account, as appropriate, local planning and transport policies, with tourism, cultural and crime prevention strategies, when preparing their plans and Schedules.
- 7.4 In addition to the requirements for the Licensing Authority to promote the licensing objectives, it also has duties under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder in the Borough *and to share prescribed information.*
- 7.5 The Licensing Authority, if its discretion is engaged, will consider attaching Conditions to licences and permissions to deter and prevent crime and disorder both inside and immediately outside the premises and these may include Conditions drawn from the Model Pool of Conditions relating to Crime and Disorder given in ~~Section 182 of the Licensing Act 2000 (See Appendix 2.)~~ *the Secretary of State's Guidance.*
- 7.6 **CCTV** - The Licensing Authority, if its discretion is engaged, will attach conditions to licences, as appropriate where the conditions reflect local crime prevention strategies, for example the provision of closed circuit television cameras.
- 7.7 ***Touting** – This is soliciting for custom. There has been a historic problem with Touting in the borough, mainly in relation to restaurants, and as such in 2006 the Council introduced a byelaw under Section 235 of the Local Government Act 1972 for the good rule and government of the London Borough of Tower Hamlets and for the prevention and suppression of nuisances.*

As a result, in relation to premises where there is intelligence that touting is, or has been carried out, the Licensing Authority, where its discretion is engaged will insert a standard condition that prohibits 'touting' as follows:-

~~6.7 Touting – The Council has had a significant number of complaints relating to premises which are substantially or mainly restaurants where "touting" is a problem. Touting is soliciting for custom. Consequently, in relation to such premises the Licensing Authority, where its discretion is engaged will insert a standard condition that prohibits 'touting' as follows:-~~

- 1) No person shall be employed to solicit for custom or be permitted to solicit for custom for business for the premises in any public place within a 500 meters radius of the premises as shown edged red on the attached plan.(marked as Appendix -)

- 2) Clear Signage to be placed in the restaurant windows stating that the premises supports the Council's 'No Touting' policy.

~~6.8 Street Furniture~~ - This would include Advertising Boards, they are sometimes placed in such a way as to be a nuisance to the public on the highway, or they encourage the consumption of alcohol in areas that are not licensed. The Licensing Authority expects applicants to have ensured that they fully comply with the Council's rules relating to authorisation of obstructions on the highway and a licence permission to place advertising boards or street furniture on the highway should normally have been obtained from Tower Hamlets Markets Service before an application for a licence is made. Where proportionate and appropriate, and in its discretion is engaged, the Licensing Authority will impose conditions in relation to street seats and tables or boards, including on private land.

~~6.9 Fly Posting~~ - The Council has experienced significant problems with "fly posting" in relation to venues that offer entertainment. Fly posting is the unauthorised posting of posters / advertisements etc. Where it considers it appropriate and in its discretion is engaged, the Licensing Authority will attach conditions relating to the control of fly posting to ensure that venues clearly prohibit all fly posting in their contract terms with others and they effectively enforce this control.

7.8 **Responsible Drinking** - The Licensing Authority expects alcohol to be promoted in a responsible way in the Borough. This should incorporate relevant industry standards, such as the Portman Group *Code of Practice*. Where appropriate and proportionate, if its discretion is engaged, the Licensing Authority will apply conditions to ensure responsible drinking. The Licensing Authority also recognises the positive contribution to best practice that "Pubwatch" and other similar schemes can make **in promoting** to achieving the licensing objectives and is committed to working with them.

Model Pool Conditions *can be found* from the Licensing Act 2003, Section 182 Guidance are in *the Secretary of State's Guidance* Appendix 2.

~~6.10 Illicit Goods: Alcohol and Tobacco~~ - The Licensing Authority will consider licence review applications where there is evidence that smuggled alcohol has been offered for sale on the premises. Where other smuggled goods, such as tobacco, have been found this may be considered by the Licensing Authority as evidence of poor management and have the potential to undermine the licensing objectives.

7.9 **Criminal Activity** - *There is certain criminal activity that may arise in connection with licensed premises which the Licensing Authority will treat particularly seriously. These are the use of the licensed premises:*

- for the sale and distribution of drugs controlled under the Misuse of Drugs*

- Act 1971 and the laundering of the proceeds of drugs crime;*
- for the sale and distribution of illegal firearms;*
 - for the evasion of copyright in respect of pirated or unlicensed films and music, which does considerable damage to the industries affected;*
 - for the illegal purchase and consumption of alcohol by minors which impacts on the health, educational attainment, employment prospects and propensity for crime of young people;*
 - for prostitution or the sale of unlawful pornography;*
 - by organised groups of paedophiles to groom children;*
 - as the base for the organisation of criminal activity, particularly by gangs;*
 - for the organisation of racist activity or the promotion of racist attacks;*
 - for employing a person who is disqualified from that work by reason of their immigration status in the UK;*
 - for unlawful gambling; and*
 - for the sale or storage of smuggled tobacco and alcohol.*

The Secretary State's Guidance states that it is envisaged that licensing authorities, the police, the Home Office (Immigration Enforcement) and other law enforcement agencies, which are responsible authorities, will use the review procedures effectively to deter such activities and crime. Where reviews arise and this Licensing Authority determines that the crime prevention objective is being undermined through the premises being used to further crimes, it is expected that revocation of the licence, even in the first instance, should be seriously considered.

~~6.12 Illicit alcohol means alcohol that is, counterfeit, bears counterfeit duty stamps and or smuggled~~

~~6.13 Illicit tobacco means, counterfeit, and/or non UK duty paid tobacco products.~~

~~6.14 Smuggled goods mean articles that are counterfeit, that do not comply with the classification and labelling requirements of the Video Recordings Acts and/or that breach other Trading Standards legislation such as consumer safety and unfair commercial practices.~~

7.10 In particular the Licensing Authority is mindful of the advice provided in the guidance issued by the Home Office under section 182 of the Act *Secretary of State's Guidance* "Reviews arising in connection with crime".

7.11 *From 1 April 2017, businesses which sell alcohol (for example, retailers of alcohol and trade buyers) will need to ensure that the UK wholesalers that they buy alcohol from have been approved by HMRC under the Alcohol Wholesaler Registration Scheme (AWRS). They will need to check their wholesalers Unique Registration Number (URN) against the HMRC online database which will be available from April 2017. This is an ongoing obligation and if a business is found*

to have bought alcohol from an unapproved wholesaler, they may be liable to a penalty or could even face criminal prosecution and their alcohol stock may be seized. Any trader who buys alcohol from a wholesaler for onward sale to the general public (known as a 'trade buyer') does not need to register unless they sell alcohol to other businesses. Examples of trade buyers would be pubs, clubs, restaurants, cafes, retailers and hotels. However, they will need to check that the wholesaler they purchase alcohol from is registered with HMRC. Further information may be found at: <https://www.gov.uk/guidance/the-alcohol-wholesaler-registration-scheme-awrs>.

Smuggled goods

7.12 The Licensing Authority will exercise its discretion to add a standard condition as follows:-

- 1) The premises licence holder and any other persons responsible for the purchase of stock shall not purchase any goods from door-to-door sellers other than from established traders who provide full receipts at the time of delivery *to provide traceability*.
- 2) The premises licence holder shall ensure that all receipts for goods bought include the following details:
 - i. Seller's name and address
 - ii. Seller's company details, if applicable
 - iii. Seller's VAT details, if applicable
 - iv. Vehicle registration detail, if applicable
- 3) Legible copies of the documents referred to in 2) shall be retained on the premises and made available to officers on request.
- 4) The trader shall obtain and use a UV detection device to verify that duty stamps are valid.
- 5) Where the trader becomes aware that any alcohol may be not duty paid they shall inform the Police of this immediately.

Olympic Park – Football Ground

7.13 *Premises where Police intelligence shows that football supporters congregate within the borough should consider in their application form the following conditions:*

- 6) On Match Days for premises licensed for the supply of alcohol for consumption on the premises:*

- a. *Drinks shall only be supplied in polypropylene or similar plastic and all bottled drinks shall be poured into such drinking vessels before being handed to the customer. These should be made of recyclable materials.*
- b. *Registered door staff shall be employed to control the entry and exits to the premises and to manage any licensed outside area(s).*

7 Cumulative Effect

~~7.1 The Licensing Authority will not take 'need' into account when considering an application (i.e. commercial demand), as this is not a licensing objective. However, it recognises that the cumulative impact of the number, type and density of licensed premises in a given area, may lead to serious problems of nuisance and disorder outside and some distance from the premises.~~

~~7.2 Representations may be received from a responsible authority / interested party that an area has become saturated with premises, which has made it a focal point for large groups of people to gather and circulate away from the licensed premises themselves, creating exceptional problems of disorder and nuisance over and above the impact from the individual premises.~~

~~7.3 In these circumstances, the Licensing Authority may consider that the imposition of conditions is unlikely to address these problems and may consider the adoption of a special policy of refusing new licences because the area is saturated with licensed premises and the granting of any more would undermine one of the licensing objectives.~~

~~7.4 The Licensing Authority will take the following steps when considering whether to adopt a special saturation policy:—~~

- ~~• identification of serious and chronic concern from a responsible authority or representatives of residents about nuisance and disorder~~
- ~~• where it can be demonstrated that disorder and nuisance is arising as a result of customers from licensed premises, identifying the area from which problems are arising and the boundaries of that area~~
- ~~• assessing the causes~~
- ~~• adopting a policy about future licence applications from that area~~

~~7.5 The Licensing Authority will not adopt a "cumulative impact" policy in relation to a particular area without having consulted individuals and organisations listed in Section 5(3) of the Licensing Act (i.e. those who have to be consulted about this policy). It will also have ensured that there is consultation with local residents.~~

~~7.6 The Licensing Authority will consider representations based on the impact on the promotion of the licensing objectives in the Borough generally of the grant of the particular application in front of them.~~

~~7.7 However, the onus would be on the objectors to provide evidence to back up any assertion that the addition of the premises in question would produce the cumulative impact claimed, taking into account that the impact will be different for premises with different styles and characteristics.~~

~~7.8 The Licensing Authority will review any special saturation policies every five years to see whether they have had the effect intended, and whether they are still required.~~

~~7.9 The Licensing Authority will not use such policies solely:—~~

- ~~• as the grounds for removing a licence when representations are received about problems with existing licensed premises, or,~~
- ~~• to refuse modifications to a licence, except where the modifications are directly relevant to the policy, for example where the application is for a significant increase in the capacity limits~~
- ~~• to impose any form of quota~~

~~7.10 The Licensing Authority recognises that there is a wide diversity of premises requiring a licence and will have full regard to the differing impact these will have on the local community.~~

~~7.11 It therefore also recognises that, within this policy, it may be able to approve licences that are unlikely to add significantly to the saturation, and will consider the circumstances of each individual application.~~

~~8 Special Cumulative Impact Policy for the Brick Lane Area~~

~~8.1 As with many other London Borough's the majority of late night licensed premises are concentrated within one area of the Borough. Following guidance issued under the Licensing Act 2003 a cumulative impact policy was adopted on 18th September 2013 by the Council.~~

~~8.2 After consultation the Council recognises that because of the number and density of licensed premises selling alcohol, on and off the premises and the provision of late night refreshment (sale of hot food after 11pm) within the Brick Lane Area as defined in Figure One, there might be exceptional problems of nuisance, disturbance and/or disorder outside or away from those licensed premises as a result of their combined effect.~~

~~8.3 The Licensing Authority is now of the view that the number, type and density of premises selling alcohol for consumption on and off the premises and/or the provision of late night refreshment in the area highlighted in Figure One is having a cumulative impact on the licensing objectives and has therefore declared a cumulative impact zone. Effective 1st November 2013.~~

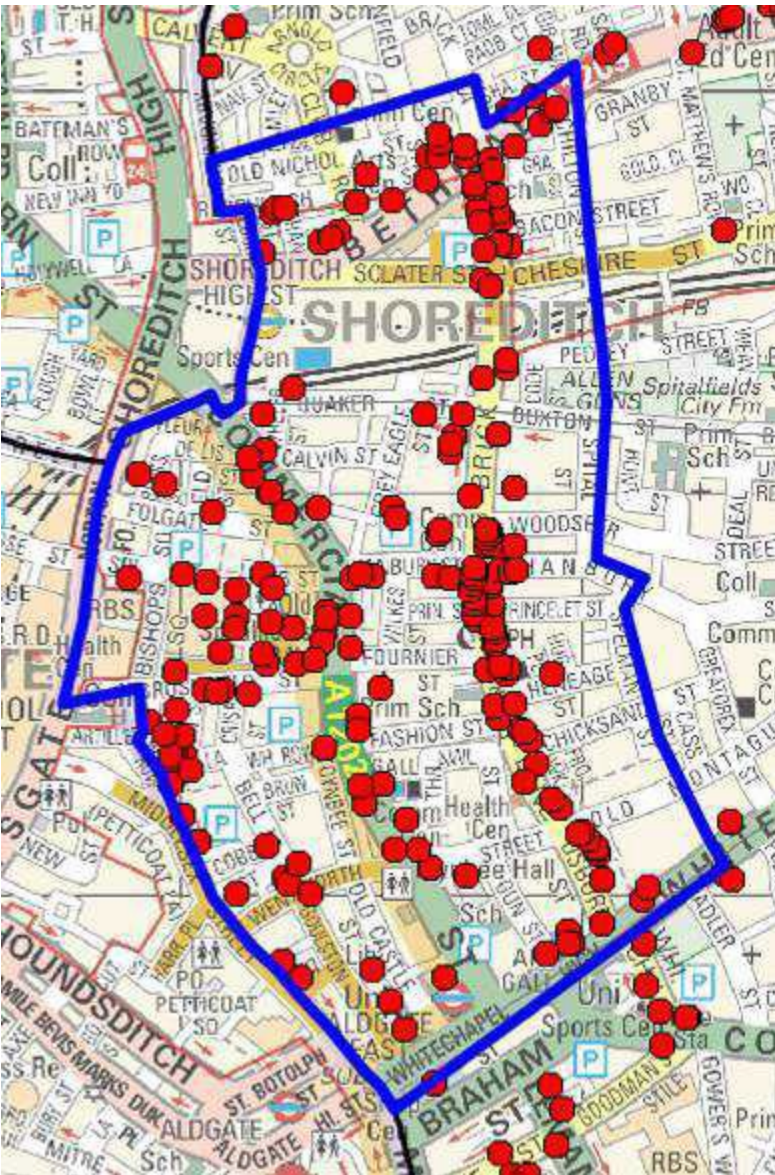

~~8.4 The effect of this Special Cumulative Impact Policy is to create a rebuttable presumption for applications in respect of the sale or supply of alcohol on or off the premises and/or late Night Refreshment for new Premises Licences, Club Premises Certificates or Provisional Statements and applications for variations of existing Premises Licences, Club Premises Certificates (where the modifications are relevant to the issue of cumulative impact for example increases in hours or capacity). Where the premises are situated in the cumulative impact zone and a representation is received, the licence will be refused. To rebut this presumption the applicant would be expected to show through the operating schedule and where appropriate with supporting evidence that the operation of the premises will not add to the cumulative impact already being experienced. This policy does not act as an absolute prohibition on granting/varying new licences in the Cumulative Impact Zone.~~

~~8.5 The Special Cumulative Impact policy will not be used to revoke an existing licence or certificate and will not be applicable during the review of existing licences.~~

8 Public Safety

- 8.4 The 2003 Act covers a wide range of premises that require a licence, and so such premises present a mixture of risks to users and should be constructed or adapted and operated so as to acknowledge and safeguard occupants against these risks.
- 8.5 The Licensing Authority will expect Operating Schedules to satisfactorily address these issues and applicants are advised to seek advice from the Council's Environmental Health (Health & Safety) Officers and the London Fire ~~Brigade~~ and ~~Emergency Planning Authority~~ before preparing their plans and Schedules.
- 8.6 Where an applicant identifies an issue in regard to public safety (including fire safety) which is not covered by existing legislation, the applicant should identify in their operating schedule the steps that will be taken to ensure public safety. This needs to take into account any unique characteristics that arise in connection with the licensable activity, any requirements that are specific to the premises.

8.7 One of the Council's Community Safety Partnership Priorities is tackling violence against women and girls. As a result the Licensing Authority expects Licence holders to take a proactive approach to customer safety including the following:

- Making provisions to ensure that customers safely leave their premises, for example providing information on licensed taxi companies, adequate lighting outside the premises,*
- Training of staff in spotting signs of harassment, and how to intervene where safe and appropriate to do so, and/or reporting such harassment to management/emergency services.*

The Licensing Authority may be able to sign post Licence Holders in regards to local/national safeguarding schemes which may assist with the above.

- 8.8 The Licensing Authority, where its discretion is engaged, will consider attaching *proportionate and appropriate* Conditions to licences and permissions to promote safety, and these may include Conditions drawn from a *the* Model Pool of Conditions *found in the Secretary of States Guidance* as ~~proportionate and appropriate are contained in Appendix 2.~~
- 8.9 The Licensing Authority will impose conditions that relate to its licensing objectives, and in a way that is proportionate to the individual circumstances of the premises seeking a licence.

9 Prevention of **Public** Nuisance

- 9.1 Licensed premises, especially those operating late at night and in the early hours of the morning, can cause a range of nuisances impacting on people living, working or sleeping in the vicinity of the premises.
- 9.2 The concerns mainly relate to noise nuisance both from the premises and customer egress, light pollution, noxious smells and disruption from parked vehicles and due regard will be taken of the impact these may have in considering a licence. The Licensing Authority will expect Operating Schedules to satisfactorily address these issues. Applicants are advised to seek advice from the Council's Environmental Health Officers before preparing their plans and Schedules.
- 9.3 The Licensing Authority, where its discretion is engaged, will consider, where appropriate, attaching conditions to licences and permissions to prevent the problems identified in 8.2 **Section 18 of this Policy (Special Cumulative Impact Policy for the Brick Lane and Bethnal Green Area)**, and these may include conditions drawn from the Model Pool of Conditions **found in the Secretary of States Guidance**.
- 9.4 **Street Furniture** – *placing of street furniture, which includes advertising boards, on the highway can cause a public nuisance by way of obstruction, or encourage consumption of alcohol on an unlicensed area. The Licensing Authority expects applicants to have ensured that they fully comply with the Council's rules relating to authorisation of obstructions on the highway, and that the required authorisations are obtained prior to submitting a licence application. Where proportionate and appropriate, and its discretion is engaged, the Licensing Authority will impose conditions in relation to street furniture, including on private land.*
- 9.5 **Fly Posting** - *The Council has experienced problems with "fly posting" in relation to venues that offer entertainment. Fly posting is the unauthorised posting of posters / advertisements etc. Where it considers it proportionate and appropriate, and its discretion is engaged, the Licensing Authority will attach conditions relating to the control of fly posting to ensure that venues clearly prohibit all fly posting in their contract terms with others and they effectively enforce this control.*

10 Prevention of Harm to Children

9.1 *The* wide range of premises that require licensing means that children can be expected to visit many of these, often on their own, for food and/or entertainment. *The protection of children from harm includes the protection of children from moral, psychological and physical harm. This includes not only protecting children from the harms associated directly with alcohol consumption but also wider harms such as exposure to strong language and sexual expletives (for example, in the context of exposure to certain films or adult entertainment). Home Office Guidance also expects Licensing authorities to consider the need to protect children from sexual exploitation when undertaking licensing functions.*

9.2 *Tackling Child Sexual Exploitation (CSE) is a key target both locally and nationally as such the Licensing Authority expects Licence Holders to:*

- Understand that there are criminal offences in relation to sexual exploitation of a child,*
- Ensure that they and their employees have a basic awareness of the signs of CSE and how to report it;*
- Report any concerns to the appropriate authorities or to the Licensing Authority can advise them of the appropriate authority to report concerns to.*

~~11.2 The Act does not prohibit children from having access to any licensed premises; the Council recognises that limitations may have to be considered where it appears necessary to protect children from harm.~~

~~9.3 Applicants are recommended to consult with the Area Child Protection Committee or such other body, as the Licensing Authority considers appropriate.~~ *to consult with the Responsible Authority designated for Child Protection listed in appendix 1 - List of Responsible Authorities of this who this Licensing Authority recognises to be competent body to advise on the protection of children from harm.*

~~9.4 The Act does not prohibit children from having access to any licensed premises; the Council recognises that limitations may have to be considered where it appears necessary to protect children from harm.~~

9.5 The Licensing Authority will judge the merits of each separate application before deciding whether to impose conditions limiting the access of children to individual premises. The following are examples of premises that will raise concern:-

- Where there have been convictions, *Fixed Penalty Notices (FPNs) or formal cautions* for serving alcohol to minors or with a reputation for underage drinking
 - With a known association with drug taking or dealing
 - Where there is a strong element of gambling on the premises
 - Where entertainment of an adult or sexual nature is provided
 - Where irresponsible drinking is encouraged or permitted.
- 9.6 Where its discretion is engaged, the Licensing Authority will consider any of the following options when dealing with a licence application where limiting the access of children is considered necessary to prevent harm to children:
- Limitations on the hours when children may be present
 - Limitations on ages below 18
 - Limitations or exclusion when certain activities are taking place
 - Requirements for an accompanying adult
 - Full exclusion of people under 18 from the premises when any licensable activities are taking place
- 9.7 No conditions will be imposed requiring that children must be admitted to any premises and, where no limitation is imposed, this will be left to the discretion of the individual licensee.
- 9.8 The Act details a number of offences designed to protect children in licensed premises and the Licensing Authority will work closely with the police to ensure the appropriate enforcement of the law, especially relating to the sale and supply of alcohol to children.
- 9.9 All licence holders will be expected to comply the Portman Group Code of Practice, and in particular the Retailer Alert Bulletin *by which the Portman Group informs licensed retailers, which products have been found to be in breach of the code, and should be removed from sale.*
- 9.10 The Licensing Authority expects all licensed suppliers of alcohol to have robust measures, effectively managed and monitored, in place to ensure that minors are fully protected from harm. *This will require operating plans to specify these measures and management controls taking into account paragraph 11.1 and*

11.2 above. Where appropriate a written childcare policy should be available and be incorporated in the induction of staff.

9.11 The Licensing Authority will take appropriate and proportionate action where there are serious concerns in relation to the safeguarding of children in connection with a licensed premises, which may include consideration of applying for a review of the licence where there significant evidence of undermining the licensing objective of the protection of children from harm.

9.12 The sale of alcohol to a minor is a criminal offence and Trading Standards will conduct appropriate covert test purchasing exercises and will take account of any complaints and intelligence received. The Act permits the use of children under the age of 18 to undertake test purchases.

9.13 Where there are age restrictions imposed by the Act on the licensable activities in respect of children below a certain age, then the licensee will be required to demonstrate that they have age verification systems in place. This Licensing Authority believes that that Licensed Premises should have age verification policies to require individuals who appear to the person serving alcohol to be under the age of 25 years of age to produce on request appropriate identification. This is commonly referred to as the "Challenge 25 Scheme". The rationale for this is because it can often be difficult to judge how old teenagers are and "Challenge 25 age verification system" would provide licensed premises with margin of error to prevent underage sales. Thus Challenge 25 can help to empower staff to challenge customers where there is doubt about their age. In turn this is likely to reduce the risk of the owner, or the seller of the alcohol, committing an offence.

9.14 Training in age verification systems should be given to all persons who might be in a position to serve or refuse the sale of alcohol to children. The training should include a basic understanding of the law, seeking proof of age, verifying the authenticity of proof of age cards and handling and recording refusals.

9.15 Where proportionate and appropriate, and its discretion is engaged, the Licensing Authority will impose the following standard conditions in relation to age verification systems:

1) All tills shall automatically prompt staff to ask for age verification identification when presented with an alcohol sale.

2) A Challenge 25 proof of age scheme shall be operated at the premises where the only acceptable forms of identification are recognised photographic identification cards, such as a driving licence, passport or proof of age card with the PASS Hologram.

3) A record shall be kept detailing all refused sales of alcohol. The record should include the date and time of the refused sale and the name of the

member of staff who refused the sale. The record shall be available for inspection at the premises by the police or an authorised officer at all times whilst the premises is open.

4) All staff whose duties include the serving of alcohol must be trained in the requirements of this scheme including the importance of recording any refusals.

10 Access to Cinemas

- 10.1 Films cover a vast range of subjects, some of which deal with adult themes and / or contain, for example, scenes of horror or violence that may be considered unsuitable for children within certain age groups.
- 10.2 In order to prevent children from seeing such films, the Licensing Authority will impose conditions requiring licensees to restrict children from viewing age restricted films classified according to the recommendations of the BBFC, or the Council itself. The Licensing Authority will not consider reclassifying any films already classified by the BBFC. The Council will charge for classifying films, on a full cost recovery basis.
- 10.3 The Licensing Authority will classify films itself where it is satisfied that no BBFC classification exists. It will inform relevant licensee and require such classifications to be clearly contained in any advertising or informative material relating to such films.

11 Children and Public Entertainment

- 11.1 Many children go to see and / or take part in an entertainment arranged substantially for them. Consequently additional arrangements are required to safeguard them at such times.
- 11.2 Where **10.1** 11.4 applies, and its discretion is engaged, the Licensing Authority will require the following arrangements in order to control their access and egress and to assure their safety:-
 - An adult member of staff to be stationed in the vicinity of each of the exits from any level, subject to there being a minimum of one member of staff per 50 children or part thereof
 - No child unless accompanied by an adult to be permitted in the front row of any balcony
 - No standing to be permitted in any part of the auditorium during the Performance

- 11.3 Where children are taking part in any regulated entertainment, and its discretion is engaged, the Licensing Authority will require the operating schedule to clearly state the steps taken to assure their safety.
- 11.4 Where its authority is engaged, the Licensing Authority will consider attaching conditions to licences and permissions to prevent harm to children, and these may include conditions drawn from the Model Pool of. Conditions **that can be found in the Secretary of State's Guidance Appendix 2**

12 Health Considerations of Licensing

- 12.1 Excess alcohol consumption can lead to a wide range of personal health related harms which are well documented in both the Alcohol Joint Strategic Needs Assessment factsheet and Tower Hamlets Substance Misuse Strategy. The short-term negative health effects of hazardous drinking can include impaired senses, mood or personality changes, loss of consciousness and an increased risk of injury and accidents, while regular alcohol consumption can lead to heart disease, stroke, liver disease, stomach damage and certain types of cancer . Although these are important personal health related harms they, by and large, fall outside the scope of the four licensing objectives as defined in the Licensing Act.
- 12.2 However the consequences of drinking go far beyond the individual drinker's health and well-being. They include harm to the unborn fetus, acts of drunken violence, vandalism, sexual assault and child abuse, and a huge health burden carried by both the NHS and friends and family who care for those damaged by alcohol. Many of these affects are relevant to the licensing regime.
- 12.3 The short-term negative health effects of harmful drinking can include impaired senses, mood or personality changes, loss of consciousness and an increased risk of injury and accidents.

13 Licensing Hours

- 13.1 This Part of the **Policy** Statement details the Licensing Authority's approach to licensing hours. It states the reasons for the policy and identifies the issues the Licensing Authority will take into account when considering applications during the framework hours. **This only applies where the Licensing Authority's** ~~It only has any application when the discretion of the local authority is engaged.~~
- 13.2 The policy set out in this Part applies to applications for:-
- a new premises licence;
 - a new club premises certificate;

- variation of a converted premises licence;
- variation of an existing premises licence;
- variation of a converted club registration certificate; and
- variation of an existing club premises certificate where relevant representations are made.

13.3 The policies set out in this Part may, depending on the circumstances of the application, apply to applications for a provisional statement.

13.4 Any condition setting out the hours of premises refers to the hours during which alcohol may be sold or supplied, or (as appropriate) the hours during which other licensable activities may take place pursuant to the premises licence or club premises certificate. In attaching conditions on hours the Licensing Authority will generally require that customers should not be allowed to remain on the premises later than half an hour (30 minutes) after the cessation of licensable activities.

13.5 Tower Hamlets has a number of licensed venues that already have extended licensing hours. It also borders other London councils that have high concentrations of licensed premises including premises with extended licensing hours.

The Licensing Authority considers that the possibility of disturbance to residents late at night and in the early hours of the morning, and the effect that any such disturbance may have, is a proper matter for it to consider when addressing the hours during which licensable activities may be undertaken.

13.6 The Licensing Authority is concerned to ensure that extended licensing hours do not result in alcohol-related antisocial behaviour persisting into the night and early hours of the morning. For these reasons, applications to carry on licensable activities at any time outside the framework hours will be considered on their own merits with particular regard to the matters set out in the Policy section below.

13.7 The Licensing Authority has had regard to the Guidance to the Act when determining this policy. The end times set out in the policy are not (and should not be regarded as) the 'usual' or 'normal' terminal hour for licensable activities in the Borough. Instead, the 'framework hours' serve to identify cases where the Licensing Authority will pay particular regard to the likely effect on the local neighbourhood of carrying out the proposed licensable activities during the hours applied for. Applications for hours up to the end of the Framework Hours will not automatically be granted. This policy will be applied only where relevant representations are made. Each case will be considered on its merits.

13.8	Sunday	– 06:00 hours to 22:30 hours
	Monday to Thursday	– 06:00 hours to 23:30 hours

Friday and Saturday – 0 6:00 hours to 00:00 hours (midnight)

Applications in respect of premises licences and club premises certificates to authorise licensable activities outside the framework hours, and in respect of which relevant representations are made, will be decided on their own merits and with particular regard to the following.

- a) The location of the premises and the general character of the area in which the premises are situated. (i.e. does the area include residential or business premises likely to be adversely affected).
- b) The proposed hours during which licensable activities will be take place and the proposed hours during which customers will be permitted to remain on the premises.
- c) The adequacy of the applicant's proposals to address the issues of the prevention of crime and disorder **and** the prevention of public nuisance.
- d) Where the premises have been previously licensed, the past operation of the premises.
- e) Whether customers have access to public transport when arriving at or leaving the premises at night time and in the early hours of the morning.
- f) The proximity of the premises to other licensed premises in the vicinity and the hours of those other premises.

- 13.9 Applicants who apply for authorisation to carry on licensable activities, throughout the entirety of the hours outside the frame work hours, when they do not intend to operate at these times run a risk that Responsible Authorities and interested parties may be more inclined, than they might otherwise be, to make relevant representations about the application.

Although this policy applies to all licensable activities, the Licensing Authority will have regard to the proposed use of the premises when considering applications to carry on licensable activities outside the framework hours. Subject to any relevant representations that may be made to the contrary in individual cases, premises where the following licensable activities are authorised are not considered to make a significant contribution to the problems of late-night antisocial behaviour, and as such these premises will generally have greater freedom to operate outside the framework hours. These premises are:-

- Theatres.
- Cinemas.
- Premises with a club premises certificate.

13.10 In addition and in relation to all applications, whatever the hours applied for where its discretion is engaged, the Licensing Authority will generally deal with the issue of licensing hours having due regard to the individual merits of each application. However, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents.

13.11 Where a negative impact is likely on local residents or businesses it is expected that the applicants' operating schedule will describe how this impact will be minimised.

14 Shops, Stores and Supermarkets

14.1 The Licensing Authority will generally licence shops, stores and supermarkets to sell alcohol for consumption off the premises at any times they are open for shopping.

14.2 However, it may consider there are very good reasons for restricting those hours, for example, where police representations are made in respect of particular premises known by them to be the focus of disorder and disturbance.

15 Integrating Strategies and Avoiding Duplication

15.1 The Council's licensing function relates, in broad terms to a number of other matters in particular;

- Local crime prevention
- Planning
- Transport
- Tourism
- Cultural strategies
- The night time economy

15.2 The Licensing Authority will set up multi-disciplinary working groups to ensure proper integration of local crime prevention, planning, transport, tourism, cultural and night time economy strategies.

15.3 The Licensing Authority will arrange for protocols with the Borough Police to enable them to report to the Committee responsible for transport matters on the need for the swift and safe dispersal of people from relevant venues in the Borough.

15.4 Arrangements will be made for the Licensing Committees to receive reports on the following matters to ensure these are reflected in their decisions:

- The needs of the local tourist economy and cultural strategy for the Borough, and
- The employment situation in the Borough and the need for investment and employment where appropriate.
- The night time economy, its economic contribution to the Borough and the Council's strategy for its development and management. As the Council develops its policy towards the night time economy, through Community Plans or Town Centre Plans and Core Strategies, otherwise the Licensing Policy will be reviewed as necessary.

- 15.5 *Licensing and Planning are two separate regimes. As a matter of law the Licensing Authority could not refuse an application because of the absence of appropriate planning consent. However the Licensing Authority would generally expect applicants to have planning and other permissions required for lawful operation of the premises in place at the time of the licensing application.*

~~Planning, Building Control and Licensing regimes are properly separated by the Licensing Authority, who wishes to avoid duplication and inefficiency. Applications for premises licences for permanent commercial premises should normally be from businesses with planning consent for the property concerned. However, applications for licences may be made before any relevant planning permission has been sought or granted by the planning authority.~~

- 15.6 The planning and licensing regimes involve consideration of different (albeit related) matters. For instance, licensing considers public nuisance whereas planning considers amenity. As such licensing applications should not be a re-run of the planning application and should not cut across decisions taken by the local authority planning committee or following appeals against decisions taken by that committee. Licensing Committees are not bound by decisions made by a planning committee, and vice versa.
- 15.7 The granting by the Licensing Committee of any variation of a licence which involves a material alteration to a building would not relieve the applicant of the need to apply for planning permission or building control where appropriate.
- 15.8 There are also circumstances when as a condition of planning permission; a terminal hour has been set for the use of premises for commercial purposes. Where these hours are different to the licensing hours, the applicant must observe the earlier closing time. Premises operating in breach of their planning permission would be liable to prosecution under planning law.
- 15.9 Applicants for new premise or club licences or variations of them are advised to consult the London Borough of Tower Hamlets' Planning Authority about any planning restrictions which may apply to their premises. The Planning website is http://www.towerhamlets.gov.uk/ignl/environment_and_planning/planning/Plann

~~[ing.aspx](#)~~

~~<http://www.towerhamlets.gov.uk/data/planning/index.cfm>~~

15.10 The responsible authorities are committed to avoid duplication with other regulatory regimes and the control measures contained in any conditions which are provided for in other legislation. This Policy does not intend to duplicate existing legislation and regulatory regimes that already place obligations on employers and operators.

~~17.11 The legislative provisions relating to the late night levy are not part of the Licensing Act 2003 but are contained in Sections 125 to 139 of the Police Reform and Social Responsibility Act 2011. The provisions came into force on 31st October 2012.~~

~~17.12 Regulations have been brought into force setting out the way in which the levy must be applied and administered, and arrangements for expenses, exemptions and reductions.~~

~~17.13 Guidance has also been introduced in relation to:~~

- ~~• implementing the levy and the consultation process~~
- ~~• the design of the levy~~
- ~~• exemptions from the levy~~
- ~~• reductions in levy charges~~
- ~~• how revenue raised from the levy may be spent~~
- ~~• the levy charges~~
- ~~• the levy collection process~~

~~17.14 With regard to exemptions, the licensing authority will have discretion whether to exempt certain premises or not.~~

~~17.15 Licensing Authorities also have discretion whether to reduce the amount of the levy by 30% for premises which participate in business-led best practice schemes.~~

~~17.16 Any revenue from the levy must be split between the licensing authority and the Police, with at least 70% of the 'net' levy (after expenses) paid to the Police. The Late Night Levy Guidance, at paragraph 1.40 suggests that licensing authorities may wish to use existing partnership arrangements with the Police to ensure that the police intentions for the share of the levy revenue paid to them are genuine.~~

~~17.17 These new powers enable licensing authorities to charge a levy in relation to persons who are licensed to sell or supply alcohol late at night as a means of raising a contribution towards the costs of policing the night-time economy. It is a 'local' power that licensing authorities can choose whether or not to exercise.~~

~~17.18 This is a new provision open to the Council and it may wish to consider consulting on this issue at a later date.~~

- 15.11 The power for licensing authorities to introduce an EMRO is specified in sections 172A to 172E of the 2003 Act which was amended by Section 119 of the Police Reform and Social Responsibility Act 2011. These provisions came into force on 31st October 2012.
- 15.12 Regulations prescribing the requirements in relation to the process for making an early morning restriction order (EMRO) were brought in force on 31st October 2012.
- 15.13 Guidance has been introduced in relation to:
- the EMRO process
 - the evidence base
 - introducing an EMRO
 - advertising an EMRO
 - dealing with representations
 - hearings
 - implementation
 - limitations
 - enforcement
- 15.14 The legislation gives licensing authorities discretion to restrict sales of alcohol by introducing an EMRO to restrict the sale or supply of alcohol to tackle high levels of alcohol related crime and disorder, nuisance and anti-social behaviour.
- 15.15 The order may be applied to the whole or part of the licensing authority area and if relevant on specific days and at specific times. The licensing authority must be satisfied that such an order would be appropriate to promote the licensing objectives.
- 15.16 The only exemptions relating to EMROs are New Year's Eve and the provision of alcohol to residents in premises with overnight accommodation by means of mini bars and room service.
- 15.17 The decision to implement an EMRO should be evidence based and licensing authorities may wish to outline in the policy the grounds which they will take into consideration when considering implementation of an EMRO. This should include consideration of the potential burden imposed as well as the potential benefits. The Licensing Authority reserves the right to introduce an EMRO if it so desires and consultation and evidence from responsible authorities demonstrates the need.

15.18 The function of making, varying or revoking an EMRO is specifically excluded from the statutory delegation of functions to the Licensing Committee.

~~18~~**Sexual Entertainment**

~~The Licensing Policy does not deal with Sexual Entertainment Venues. These can be dealt with by a separate legislative regime if the Council adopts amendments to the Local Government (Miscellaneous Provision) Act 1982 schedule 3 which requires the development of a separate policy as required by that statute.~~

~~Until this is adopted the following will apply~~

~~18.2The Licensing Authority will only seek to attach conditions that are reasonable, proportionate and necessary for the promotion of the licensing objectives.~~

~~18.3The Licensing Authority confirms that, if its discretion is engaged and where appropriate and necessary for the promotion of the licensing objectives it will use the Government's suggested model pool of conditions that are attached as an Appendix 2 to the Licensing Authority.~~

~~18.3In addition standard conditions required by the Licensing Act 2003, its regulations or guidance will be attached as relevant.~~

~~18.5The licensing authority when its discretion is engaged will always consider all applications on their individual merits, however all applications involving adult entertainment of nudity or semi-nudity are unlikely to be successful where the premises is in the vicinity of:~~

- ~~• Residential accommodation;~~
- ~~• schools;~~
- ~~• places of worship;~~
- ~~• other premises where entertainment of a similar nature takes place;~~
- ~~• community centers; and~~
- ~~• youth clubs.~~

~~18.6Only nudity or semi-nudity which is predominantly the performance of dance to music is permitted by this policy. Sex Encounter establishments are controlled by the Local Government (Miscellaneous Provisions) Act 1982 as amended by Part 111 of the Greater London Council (General Powers) Act 1986, and the London Borough of Tower Hamlets has set a limit of zero on such establishments.~~

~~The licensing authority will appropriately monitor the premises it has licensed to ensure that all performances involving nudity or semi-nudity are dance to~~

~~music or a like entertainment, and take appropriate enforcement action if they are not.~~

~~18.7 Where its discretion is engaged the licensing authority will make enquiries to ensure that the proposed application is indeed for music and dance and not an activity which is caught by the Sex Encounter establishment legislation.~~

~~18.8 All applications for adult entertainment involving nudity or semi-nudity will be scrutinised to ensure they meet the licensing objectives.~~

~~18.9 All applications that do not specifically request nudity or semi-nudity will have a condition imposed which forbids it. This will be the case for both opposed and unopposed applications.~~

~~18.10 Where applications involving nudity or semi-nudity are made and its discretion is engaged the Licensing Authority will expect Operating Schedules to address the following matters and to include such conditions as are necessary to promote the licensing objectives:~~

- ~~a. A code of conduct for dancers and appropriate disciplinary procedures, developed in consultation with the police and the council.~~
- ~~b. Rules of conduct for customers, developed in consultation with the police and the council.~~
- ~~c. Procedures to ensure that all staff employed in the premises have pre-employment checks including suitable proof of identity, age and (where required) permission to work.~~
- ~~d. The exclusion of persons under 18 from the premises when such activities are taking place.~~
- ~~e. That publicity and advertising does not cause offence to members of the local community~~

16 Late Night Levy

- 16.1 Following formal consultation in 2017 the Council introduced a Late Night Levy within the borough on 1st January 2018, with the levied hours being midnight to 6am (00:00 to 06:00 hours). The levy is a discretionary power, which this Council has adopted.*

16.2 *The legislative provisions relating to the late night levy are not part of the Licensing Act 2003 but are contained in the following legislation:*

- *Police Reform and Social Responsibility Act 2011, Chapter 2 of Part 2*
- *The Late Night Levy (Application and Administration) Regulations 2012*
- *The Late Night Levy (Expenses, Exemptions and Reductions) Regulations 2012.*

16.3 *The purpose of the levy is to assist local authorities and the police to manage and improve the night time economy. The money raised by the levy can be used for a range of activities and can be given to other agencies where they can assist in the reduction of crime and disorder, promotion of public safety, reduction or prevention of public nuisance, and cleaning of highways or land in the Borough.*

16.4 *The Late Night Levy will be applied in accordance with this Policy, having regard to the governing legislation and Home Office Guidance issued on 24th March 2015 in relation to the Late Night Levy (or any subsequent guidance).*

16.5 *From 1st January 2018 holders of premises licences or club premises certificates that are authorised by their licence for the sale/supply of alcohol (on and/or off sales) between the levied hours (00:00 to 06:00 hours). This will apply whether the hours detailed in such licences for the sale/supply of alcohol are used or not.*

For example where a licence permits the sale/supply of alcohol until 02:00 hours (i.e. within the levied hours), however the premises closes regularly at 23:30 hours they will still be liable to pay the levy unless eligible for an exemption, see list of exemptions below.

16.6 *The amount of the levy is set by the UK Government and is a yearly amount between £299 and £4,440 depending on the rateable value of the premises and the their actual use. See table below:*

Rateable Value Bands (based on the existing fee bands)	A No rateable value to £4,300	B £4,301 to £33,000	C £33,001 to £87,000	D £87,001 to £125,000	E £125,001 and above	D x 2 Multiplier applies to premises in category D that primarily or exclusively sell alcohol	E x 3 Multiplier applies to premises in category E that primarily or exclusively sell alcohol
Levy Charges	£299	£768	£1,259	£1,365	£1,493	£2,730	£4,440

16.7 *The Licensing Authority will collect the levy from those premises liable to pay it at the same time as the Premises Licence or Club Premises Certificate annual fee.*

16.8 *Failure to pay the levy will result in suspension of Licence/Certificate until the levy has been paid, and any outstanding money owed can be recovered as a civil deb.*

16.9 *Exemptions from the Levy*

The following permitted categories of premises are exempt from paying the levy

*a) Premises with overnight accommodation;
this exemption does not apply if alcohol is served during the late night supply period to members of the public who are not staying overnight,*

*b) Theatres and cinemas;
this exemption only applies if alcohol is served during the late night supply period only for consumption on the premises to ticket holders, participants in the production, or invited guests to private events; they must be bona-fide theatres or cinemas and the sale of alcohol must not be their primary purpose,*

*c) Bingo Halls;
these premises must have licenses under the Gambling Act 2005 and the playing of bingo must be the primary activity,*

*d) Community Amateur Sports Clubs;
these must be clubs registered as Community Amateur Sports Clubs that are entitled to various tax concessions including relief from business rates,*

*e) Community premises;
these must be premises that form part of the church hall, chapel hall, village hall, parish hall, community hall or other similar buildings,*

*f) New Year's Eve Premises only,
this relates to premises which are authorised to sell alcohol between midnight and 6am, ONLY applies on New Year's Day.*

16.10 *No exemptions will be granted for the following:*

a) Country Village Pubs – this has been decided because it is not relevant to a London Borough such as Tower Hamlets as the definition is pubs that are solely designated in rural settlements with a population less than 3000.

b) Business Improvement Districts (BIDs) - BIDSs are district led partnerships created through ballots process via businesses within the

district and operate via a levy charge. There are currently none within the borough.

16.11 Reductions

A 30% reduction of the levy will be given to premises who have achieved accreditation in Best Bar None (BBN) Scheme.

No reduction will be given to premises subject to small business rates relief. This has been decided because these premises receive business rates relief to assist in their viability; however, if they operate in the late night period there is no reason to suggest that they are less likely than similar businesses to contribute to the detrimental effects of the late night economy. Furthermore due to their rateable value, they are more likely to be liable to the lower levy amounts.

16.12 Temporary Event Notices (TENs)

The levy does not apply to Temporary Event Notifications (TENs).

17 Cumulative Effect

- 17.1 The Licensing Authority will not take 'need' into account when considering an application (i.e. commercial demand), as this is not a licensing objective. However, it recognises that the cumulative impact of the number, type and density of licensed premises in a given area, may lead to serious problems of nuisance and disorder outside and some distance from the premises.
- 17.2 Representations may be received from a responsible authority / *other persons* ~~interested party~~—that an area has become saturated with premises, which has made it a focal point for large groups of people to gather and circulate away from the licensed premises themselves, creating exceptional problems of disorder and nuisance over and above the impact from the individual premises.
- 17.3 In these circumstances, the Licensing Authority may consider that the imposition of conditions is unlikely to address these problems and may consider the adoption of a special policy of refusing new licences because the area is saturated with licensed premises and the granting of any more would undermine one *or more* of the licensing objectives.
- 17.4 The Licensing Authority will take the following steps when considering whether to adopt a special saturation policy:-
- identification of serious and chronic concern from a responsible authority or representatives of residents about nuisance and disorder

- where it can be demonstrated that disorder and nuisance is arising as a result of customers from licensed premises, identifying the area from which problems are arising and the boundaries of that area
 - assessing the causes
 - adopting a policy about future licence applications from that area
- 17.5 The Licensing Authority will not adopt a "cumulative impact" policy in relation to a particular area without having consulted individuals and organisations listed in Section 5(3) of the Licensing Act (i.e. those who have to be consulted about this policy). It will also have ensured that there is consultation with local residents.
- 17.6 The Licensing Authority will consider representations based on the impact on the promotion of the licensing objectives in the Borough generally of the grant of the particular application in front of them.
- 17.7 However, the onus would be on the objectors to provide evidence to back up any assertion that the addition of the premises in question would produce the cumulative impact claimed, taking into account that the impact will be different for premises with different styles and characteristics.
- 17.8 The Licensing Authority will review any special saturation policies every **five three** years to see whether they have had the effect intended, and whether they are still required.
- 17.9 The Licensing Authority will not use such policies solely:-
- as the grounds for removing a licence when representations are received about problems with existing licensed premises, or,
 - to refuse modifications to a licence, except where the modifications are directly relevant to the policy, for example where the application is for a significant increase in the capacity limits
 - to impose any form of quota
- 17.10 The Licensing Authority recognises that there is a wide diversity of premises requiring a licence and will have full regard to the differing impact these will have on the local community.
- 17.11 It therefore also recognises that, within this policy, it may be able to approve licences that are unlikely to add significantly to the saturation, and will consider

the circumstances of each individual application.

18 **Special Cumulative Impact Policy for the Brick Lane and Bethnal Green Area**

18.1 As with many other London Borough's the majority of late night licensed premises are concentrated within one area of the Borough. Following guidance issued under the Licensing Act 2003 a cumulative impact policy **for the Brick Lane area** was adopted on 18th September 2013 by the Council **and came into effect on the 1st November 2013.**

18.2 After consultation the Council recognised that because of the number and density of licensed premises selling alcohol, on and off the premises and the provision of late night refreshment (sale of hot food after 11pm) within the Brick Lane Area as defined in Figure One, there might be exceptional problems of nuisance, disturbance and/or disorder outside or away from those licensed premises as a result of their combined effect.

~~8.3 Following consultation in 2018 the Council has decided to keep the Cumulative Impact Zone (CIZ). Local crime mapping showed that although there had been a reduction in crime and disorder linked to Licensed premises within the CIZ since January 2015, the same crime mapping showed that the area of the CIZ is still higher than average in regards to crimes and disorder linked to licensed premises compared to the rest of the borough~~

18.3 The Council Cumulative Impact Zone (CIZ) was reviewed alongside this Statement of Licensing Policy by the Licensing Committee on 14th December 2017. Following this review and consultation in early 2018 the Council has decided to keep the Cumulative Impact Zone (CIZ). Local crime mapping showed that although there had been a reduction in crime and disorder linked to licensed premises within the CIZ since January 2015, the same crime mapping showed that the area of the CIZ is still higher than average in regards to crimes and disorder linked to licensed premises compared to the rest of the borough.

Further to the CIZ in the Brick Lane Area shown in Figure One below, data from 999/101 calls to Police in 2016/17 showed a large number of incidents linked to licensed premises within the area shown in Figure Two below (Bethnal Green Area). In light of this evidence and following consultation mentioned above the Council has decided to adopt a second CIZ in the Bethnal Green Area.

18.4 The Licensing Authority is **now** of the view that the number, type and density of premises selling alcohol for consumption on and off the premises and/or the provision of late night refreshment in the area highlighted in Figures One **and Two** is having a cumulative impact on the licensing objectives and has

therefore declared a cumulative impact zone *within these areas*. *The Brick Lane and Bethnal Green CIZ aims to manage the negative cumulative impact of the concentration of licensed premises in these areas and the stresses that the saturation of licensed premises has had on local amenity, environmental degradation and emergency and regulatory services in managing this impact.*

~~8.4 The effect of this Special Cumulative Impact Policy will affect applications is to create a rebuttable presumption for applications in respect of the sale or supply of alcohol on or off the premises and/or late Night Refreshment for new Premises Licences, Club Premises Certificates or Provisional Statements and applications for variations of existing Premises Licences, Club Premises Certificates (where the modifications are relevant to the issue of cumulative impact for example increases in hours or capacity). Where the premises are situated in the cumulative impact zone and a representation is received, the licence will be refused *by the Licensing Sub-Committee*. To rebut this presumption the applicant would be expected to show through the operating schedule and where appropriate with supporting evidence that the operation of the premises will not add to the cumulative impact already being experienced. This policy does not act as an absolute prohibition on granting/varying new licences in the Cumulative Impact Zones.~~

18.5 The effect of this Special Cumulative Impact Policy will affect applications in respect of the sale or supply of alcohol on or off the premises and/or late Night Refreshment for the following:

- New Premises Licences applications,*
- New Club Premises Certificates applications*
- Provisional Statements,*
- Variation of Premises Licences and Club Premises Certificate applications (where the modifications are relevant to the issue of cumulative impact for example increases in hours or capacity).*

The Licensing Authority expects such applications to have regard for and make reference to the CIZ.

18.6 The Special Cumulative Impact policy creates a rebuttable presumption that where relevant representations are received by one or more of the responsible authorities and/or other persons against applications within the CIZ zones the application will be refused.

18.7 Where representations have been received in respect to applications within the CIZ zones the onus is on applicants to adequately rebut the presumption. Applicants will need to demonstrate in their applications why the granting of their application will not negatively add to the cumulative already experience within the CIZ Zones. Applicants may wish to address the following in their

applications:

- Genuinely exceptional circumstances
- Relevant good practices they employ (for example, this could include details of membership of local Pubwatch/other trade groups,
- Accreditation of Award Schemes (as applicable), and any participation in Police/Council initiatives)
- Other good operational/practice arrangements in respect of any outside drinking and smoking to control potential impact in the area
- Measures used to promote the licensing objectives (for example, any relevant conditions to control noise, dispersal, litter and other anti-social issues

18.8 This Policy will be strictly applied and where relevant representations are received it is the view of the Council that the application will be refused. Applicants will need to demonstrate that there are exceptional circumstances and that granting their application will not negatively add to the cumulative effect on the Licensing Objectives within the Brick Lane and Bethnal Green CIZ if they wish to rebut this presumption.

Examples of factors the Licensing Authority may consider as exceptional may include, though are not limited to:

- small premises with a capacity of fifty persons or less who only intend to operate during Framework Hours
- premises which are not alcohol led and operate only within Framework Hours, such as coffee shops
- instances where the applicant has recently surrendered a licence for another premises of a similar size and providing similar licensable activities in the same Special Policy Area.

Examples of factors the Licensing Authority will *not* consider as exceptional include:

- that the premises will be well managed and run
- that the premises will be constructed to a high standard
- that the applicant operates similar premises elsewhere without complaint.

18.9 The Special Cumulative Impact policy will not be used to revoke an existing licence or certificate and will not be applicable during the review of existing licences.

19 Sexual Entertainment

19.1 The Licensing Authority has a separate policy in relation to Sexual Entertainment Venues (SEVs), which can be found in Appendix 4'.

19Enforcement

~~19.1Once licensed, it is essential premises are maintained and operated so as to ensure the continued promotion of the licensing objectives and compliance with the specific requirements of the Act and the Licensing Authority will make arrangements to monitor premises and take appropriate enforcement action to ensure this.~~

~~19.2The Licensing Authority will work closely with Borough Police to establish protocols to ensure an efficient deployment of Police and Council Officers engaged in enforcing licensing law and inspecting licensed premises, in order to ensure that resources are targeted at problem and high risk premises.~~

~~19.3The Licensing Authority considers the protection of minors to be a particular priority for enforcement and will, in partnership with other agencies, especially the Police, seek to use the criminal sanctions of the Licensing Act to their fullest extent to achieve such protection.~~

~~19.4In relation to enforcement the Council will abide by the Regulators Compliance Code and the Enforcement Concordat and the Council's Enforcement Policy. A copy of this policy is available on the Council's website. In most cases a graduated form of response will be used to resolve issues of non-compliance although it is recognised that in serious cases a prosecution or a review application are appropriate means of disposal. The Council will use test purchases as a legitimate way to determine compliance to the license conditions. Failed test purchases will be disposed with by reference to the Council Enforcement Policy~~

~~*19.5Following this Policy the Steps that can be taken by the Licensing Authority Council include can take the following action:*~~

- ~~*a. Taking no action;*~~
- ~~*b. Issuing an informal warning;*~~
- ~~*c. Recommending improvements within a particular time;*~~
- ~~*d. Monitoring by regular inspection and invite to seek a further review if problems persist;*~~
- ~~*e. Investigate breaches of legislation and refer matters to the Council's Legal Department for consideration for prosecution.*~~

~~19.6 Conditions (other than the statutory mandatory conditions) may only be attached to a licence or club premises certificate if relevant representations are received (except for conditions drawn from the applicant's operating schedule since these are voluntary propositions). Any such conditions will be tailored to the individual style and characteristics of the premises and events concerned.~~

~~19.7 Conditions should be: clear
enforceable evidenced proportionate
be expressed in plain language capable of being understood by those expected to comply with them.~~

~~19.8 Conditions must be attached at a hearing; unless the authority, the premises user, and the relevant responsible authority have agreed a hearing is unnecessary.~~

~~19.9 Licensing authority cannot impose blanket standard conditions. **The Secretary of State's Guidance contains** a A pool of conditions is included in the appendix.~~

~~19.10 Conditions can only be carried forward from a premises licence or club premises certificate onto a TEN where relevant objections have been made by the police or Environmental Health.~~

20 Late Night Refreshments and Deregulation Act 2015

20.1 Paragraph 2A of Schedule 2 to the 2003 Act (as inserted by the Deregulation Act 2015) gives licensing authorities powers to exempt premises, in certain circumstances, from the requirement to have a licence to provide late night refreshment. Licensing authorities can choose to apply an exemption specifically where they think it will be helpful to businesses and where there are no problems with anti-social behaviour, disorder associated with the night time economy, or illegal working in licensed premises.

20.2 The Licensing Authority can only exempt types of premises set out in the regulations. These are:

- Motorway service areas;*
- petrol stations;*
- local authority premises (except domestic premises) unless there is an event taking place at which more than 500 people are present;*
- schools (except domestic premises) unless there is an event taking place at which more than 500 people are present;*
- hospitals (except domestic premises);*
- community premises (church, chapel, village, parish or community hall or other similar building) unless there is an event taking place at which more*

- than 500 people are present;*
- licensed premises authorised to sell by retail alcohol for consumption on the premises between the hours of 23.00 and 05.00.*

20.3 This Licensing Authority has decided it is not appropriate for the reasons of promotion of the licensing objectives to use the exemptions, and it requires all late night refreshment providers to be licensed.

21 Live Music, Dancing and Theatre

- 21.1 In its role of implementing local authority cultural strategies, the Licensing Authority recognises the desirability of encouraging and promoting live music, dance, theatre and festivals for the wider cultural benefit of the community, particularly for children. This broad strategy includes all forms of licensable live entertainment. The Licensing Authority recognises that a rich cultural provision has a positive role in community cohesion.
- 21.2 When considering applications for such events and the imposition of conditions on licences or certificates, the Licensing Authority will carefully balance these cultural needs with the necessity of promoting the licensing objectives.
- 21.3 Consideration will be given to the particular characteristics of any event, including the type, scale and duration of the proposed entertainment, especially where limited disturbance only may be caused. The Licensing Authority will regulate live performances on a risk assessed basis and we will be mindful of the licensing objectives and the need to ensure we are not committing disproportionate costs to regulation.
- 21.4 The Live Music Act came into force on 1st October 2012 and is designed to encourage more performances of 'live' music. The Act :
- 21.5 Removes the licensing requirement for unamplified live music taking place between 8am and 11pm in all venues. *This is* subject to the right of a licensing authority to impose conditions about live music following a review of a premises licence relating to *where the* premises *are* authorised to supply alcohol for consumption on the premises.
- 21.6 Removes the licensing requirement for amplified live music taking place between 8am and 11pm before audiences of no more than 200 persons on premises authorised to supply alcohol for consumption on the premises. *This is* subject to the right of a licensing authority to impose conditions about live music following a review of a premises licence.
- 21.7 Removes the licensing requirement for amplified live music taking place between 8am and 11pm before audiences of no more than 200 persons in

workplaces (but not necessarily for workers) not otherwise licensed under the 2003 Act (or licensed only for the provision of late night refreshment).

- 21.8 Removes the licensing requirement for the provision of entertainment facilities and widens the licensing exemption for live music integral to a performance of Morris dancing or dancing of a similar type, so that the exemption applies to live or recorded music instead of unamplified live music.

22 Risk Assessments

- 22.1 When the Licensing Authority's discretion is engaged it expects applicants to have regard to the advice of the Metropolitan Police in relation to the licensing objective of the prevention of crime and disorder. Therefore it recommends for significant events (please see note below for definition), a comprehensive risk assessment is undertaken by premises licence holders to ensure that crime and disorder and public safety matters are identified and addressed. Accordingly, for premises that wish to stage promotions, or events (as defined below) the Licensing Authority recommends that applicants carry out the Risk Assessment and debrief processes and when relevant include in their Operating Schedule.
- 22.2 The Licensing Authority further recommends the Metropolitan Police Promotion/Event Risk Assessment Form 696 and the After Promotion/Event Debrief Risk Assessment Form 696A as useful and effective tools for this purpose. Where the Risk Assessment forms are used to assess the likely risks from any promotion or event, the Licensing Authority anticipates that these will be completed in consultation with the Metropolitan Police. Risk assessments should be submitted to the Metropolitan Police and the Licensing Authority within 14 days of any proposed event and debrief forms submitted within 14 days of the conclusion.
- 22.3 Forms 696 and 696A are available on the Metropolitan Police web completion and transmission of the forms is undertaken by licensees.
- 22.4 **Promotion or Event** - The majority of venues have regular repeat artistes and DJs. Only one risk assessment and subsequent debrief is required for an artiste at the venue concerned. Where venues have promotions with different artistes or DJs on each occasion, it is anticipated that the risk assessment forms will be completed for each of these occasions.
- 22.5 The Premises Licence Conditions proposed by can be recommended as part of a pool of standard conditions. They will not be imposed on any licence as a condition, unless as suggested in the policy statement, applicants address risk assessment in their operating schedules, or one of the statutory authorities submits relevant representations for any application received. If conditions are to be applied, they will have to be relevant and proportionate to the matters raised in representations by the Responsible Authorities.

- 22.6 The recommended risk assessment conditions are:
Prevention of Crime and Disorder - The licensee shall undertake a risk assessment of any significant promotion or event (as defined below) using the MPS Promotion/Event Risk Assessment (Form 696) or an equivalent and provide a copy* to the Metropolitan Police Service and the licensing authority not less than **14 days** before the event is due to take place.
- 22.7 Where an 'event' has taken place, the licensee shall complete an MPS after Promotion/Event Debrief Risk Assessment (Form 696A) and submit this* to the Metropolitan Police and the Licensing Authority, within 14 days of the conclusion of the event.
*submission of electronic documents by e-mail is preferred.
- 22.8 Definition of a 'Significant Event'
This definition relates to events that require a Promotion/Event Risk Assessment Form 696.
- 22.9 A significant event will be deemed to be: any occasion in a premises licensed under the provisions of the Licensing Act 2003, where there will be a live performer(s) – meaning musicians, DJs, MCs or other artist; that is promoted in some form by either the venue or an outside promoter; where entry is either free, by invitation, pay on the door or by ticket.
- 22.10 Licensees are advised to consult the local Metropolitan Police Licensing Unit to clarify whether their proposed event is significant.

23 Temporary Event Notices Process

- 23.1 The Licensing Act 2003 allows small scale events ~~(for less than 500 people at a time and lasting for no longer than 96 hours)~~ which include any licensable activities to be held without the need for a premises licence. *However advanced notice of at least ten full working days' notice must be given to the Licensing Authority and the Metropolitan Police (please see paragraph 23.4 and 23.5 below for this Licensing Authority's required notice period).*
- 22.2 Under the Licensing Act 2003, ~~the number of temporary events notices that a personal licence holder can give is limited to 50 a year. People who are not personal licence holders can only give notice of 5 events in any one year. The number of times a premise can be used in one year is limited to 12. In any other circumstances, full premises licence or club premises certificate would be required for the period of the event involved.~~
- 22.3 The Licensing authority, with other partners will assist organisers to plan their events safely, check that the limitations set down in the Act are being observed and that there are ~~no limitations or restrictions under other legislation.~~

~~22.4 The Police must also be notified of an application. This allows the Police to intervene if necessary in order to prevent crime and disorder.~~

23.2 Temporary Event Notices (TENs) authorise “one-off” licensable activities on a premises without the need for a premises licence or club premises certificate. TENs are not a Licence but a notification to the Licensing Authority, Police and Environmental Health of the intention to carry out Licensable activities. There are certain restrictions relating to TENs set out in the Act:

- a) the number of times a person (the “premises user”) may give a TEN (these figures are inclusive of Late TENs):
 - 50 times per calendar year for a personal licence holder,
 - 5 times per calendar year for other people (non personal licence holders);
- b) the number of times a TEN may be given for individual premises is 15 times in a calendar year (this number took effect from 1st January 2016 as per the Deregulation Act 2015) so long as the total number of days used for these events does not exceed 21;
- c) the temporary event may last no more than 168 hours (this relates to the licensable activities only);
- d) the scale of the event in terms of the maximum number of people attending at any one time can be no more than 499 (including staff/volunteers etc. running the event).

23.3 Where events are planned outside the limits above, an application must be made for a limited duration Premises Licence.

23.4 ~~Paragraph 7.11 of t~~ The Secretary of State’s Guidance states “Although ten clear working days is the minimum possible notice that may be given, licensing authorities should publicise their preferences in terms of advance notice and encourage premises users to provide the earliest possible notice of events planned by them. Licensing authorities should also consider publicising a preferred maximum time in advance of an event by when TENs should ideally be given to them”

23.5 In accordance with this ~~section of this~~ Guidance, this Licensing Authority expects event organisers’ to give at least 28 days’ notice of a temporary event, and that the event has been discussed with Metropolitan Police before submission. This will ensure that full detailed discussion can take place between the organiser and any other interested parties in order to ensure promotion of the 4 licencing objectives. The maximum timescale this Licensing Authority will accept a TEN in advance of an event is 3 months.

- i. Organisers of outdoor events are strongly advised to contact the Council's Sports Leisure and Culture Department, Environmental Health and Health and Safety as well as the emergency services for advice.
 - ii. With regards to giving notice to the relevant authority, as the term "give" used in section 100 of Licensing Act 2003 is not defined, the Licensing Authority considers this to mean the date on which the TEN is received by the Licensing Authority and not the date on which it was sent. Applicants are therefore advised to hand deliver notices if time is short, as late notices will not be accepted under any circumstances.
- 23.6 Applications for TENs must be made using the prescribed form. Applications must be given to the Licensing Authority and the Metropolitan Police in duplicate.
- 23.7 It should be noted that the Metropolitan Police and the Council's Environmental Health Notice Service are the only bodies who may make representations to a TEN. However, these two bodies may object to a TEN on grounds that any of the licensing objectives would not be promoted should the event go ahead. Where objections are received the matter will be put before the Licensing Authority's Licensing Sub-Committee. The Licensing Sub-Committee may:
 - i) Allow the TEN to go ahead
 - ii) Reject the TEN
- 23.8 The Act does allow for Late TENS to be submitted by event organisers subject to the to the limitations in paragraph 23.2 (b-d) above and the below limitations referred to below in relation to the number of times a person (the "premises user") may give a Late TEN, which is:
 - a) 10 times per calendar year for a personal licence holder,
 - b) 2 times per calendar year for other people (non personal licence holders).
- 23.9 These "Late TENs" can be submitted to the Licensing Authority, Metropolitan Police and the Council's Environmental Health Noise Section between 5 and 9 days clear working days before the event, this does not include the day of receipt of the TEN or the day of the proposed event. It should be noted that if either the Police or the Council's Noise and Nuisance team lodges an objection to a Late TEN the event will **not** go ahead.
- 23.10 The Licensing authority, with other partners, will provide advice where appropriate to help organisers to plan their events safely, check that the limitations set down in the Act are being observed and that there are no limitations or restrictions under other legislation.

~~22.6 Late TENS are limited in number and can be prevented by a single objection from a responsible authority. The maximum time period of a TEN is 168 hours.~~

~~22.7 A Cumulative Impact policy is designed to reduce crime. Disorder and nuisance from a concentration of licensed premises. Due to the Cumulative Impact Policy it is possible that objections will be made by the police or Environmental Health on the grounds that the giving of a TEN would undermine the licensing objectives in the designated zone.~~

~~22.8 The Licensing Authority expects to be given 28 days' notice of temporary events, and for them to have been discussed with the Metropolitan Police before submission to the Council.~~

23.11 TENS received that relate to premises within the Cumulative Impact Zone may be received objections from the pPolice or Environmental Health on the grounds that the giving of a TEN would undermine the licensing objectives in the Cumulative Impact Zone (CIZ). Therefore persons giving TENS within this Zone should have regard for the Cumulative Impact Policy detailed above and the Secretary State's Guidance relating to Cumulative Impact. The reason for the CIZ is to reduce crime and disorder, and nuisance from a concentration of licensed premises.

24 Enforcement

24.1 Once licensed, it is essential premises are maintained and operated so as to ensure the continued promotion of the licensing objectives and compliance with the specific requirements of the Act and the Licensing Authority will make arrangements to monitor premises and take appropriate enforcement action to ensure this.

24.2 The Licensing Authority will work closely with Borough Police to establish protocols to ensure an efficient deployment of Police and Council Officers engaged in enforcing licensing law and inspecting licensed premises, in order to ensure that resources are targeted at problem and high risk premises.

24.3 The Licensing Authority considers the protection of minors to be a particular priority for enforcement and will, in partnership with other agencies, especially the Police, seek to use the criminal sanctions of the Licensing Act to their fullest extent to achieve such protection.

24.4 In relation to enforcement the Council will abide by the Regulators Compliance Code and the Enforcement Concordat and the Council's Enforcement Policy. A copy of this policy is available on the Council's website. In most cases a graduated form of response will be used to resolve issues of non-compliance although it is recognised that in serious cases a prosecution or a review application are appropriate means of disposal. The Council will use test purchases as a legitimate way to determine compliance to the license conditions. Failed test purchases will be disposed with by reference to the

Council Enforcement Policy

24.5 ~~Steps that can be taken by~~ *Following this Policy* the Council include *Licensing Authority can take the following action:*

- f. Taking no action;*
- g. Issuing an informal warning;*
- h. Recommending improvements within a particular time;*
- i. Monitoring by regular inspection and invite to seek a further review if problems persist;*
- j. Investigate breaches of legislation and refer matters to the Council's Legal Department for consideration for prosecution.*

24.6 *Conditions (other than the statutory mandatory conditions) may only be attached to a licence or club premises certificate if relevant representations are received (except for conditions drawn from the applicant's operating schedule since these are voluntary propositions). Any such conditions will be tailored to the individual style and characteristics of the premises and events concerned.*

24.7 *Conditions should be:*
clear
enforceable
evidenced
proportionate
be expressed in plain language capable of being understood by those expected to comply with them.

24.8 *Conditions must be attached at a hearing; unless the authority, the premises user, and the relevant responsible authority have agreed a hearing is unnecessary.*

24.9 *Licensing authority cannot impose blanket standard conditions. The Secretary of State's Guidance contains* ~~a A pool of conditions is included in the appendix.~~

24.10 *Conditions can only be carried forward from a premises licence or club premises certificate onto a TEN where relevant objections have been made by the Police or Environmental Health.*

24.11 ~~Licence Suspensions~~ *Non Payment of Licence Fee*
~~This is a power brought as part of the~~ *In accordance with the* amendments brought about *introduced* by the Police Reform and Social Responsibility Act 2011, ~~the~~ *the* council must suspend premises licences and club premises

certificates on the non-payment of annual fees.

24.12 The regulations **legislation** states that the premises licence holder will be given at least 2 working days' **notice that the licence will be suspended before the suspension is to take place effect.**

24.13 *It is the duty of the Licence Holder to pay their annual licence fee when it is due. The Licensing Authority will send A a single request for payment to the licence holder giving 28 days from the date of the letter to make the required payment.* ~~will be sent and the Licensing Authority will then take~~ If **no** payment is **received the Licensing Authority will take** measures to suspend the licence-if payment is not received within 28 days.

24.14 **Following the action to suspend the licence** income recovery procedures will be commenced along with enforcement visits to ensure that the suspension is maintained until payment **is received** or licence surrendered.

25 Review Process

25.1 Working in partnership:

The promotion of the licensing objectives and achieving common aims relies on a partnership between licence holders, authorised persons, ~~interested parties~~ **other persons**, (as defined by the Secretary of State Guidance), **responsible authorities** ~~Police, Fire Authority~~ and the Licensing Authority. The licensing authority will try to give licence holders early warning of any concerns about problems identified at any licensed premises and identify the need for improvement

25.2 Purpose of reviews:

The review process is integral to the operation of the Licensing Act 2003. The Government's intention is a light touch regulatory regime with regard to the granting of new licences and variations. Only when there have been representations will the Licensing Authority have the discretion not to grant licences. If problems arise in connection with a premises licence, it is for the Responsible Authorities and the ~~interested parties~~ **other persons** to apply for a review of the licence. Without such representations, the Licensing Authority cannot review a licence.

25.3 Proceedings:

There are proceedings under the Licensing Act 2003 for reviewing a premises licence. These are provided as protection for the community, where problems associated with crime and disorder, public safety, public nuisance or the protection of children from harm are occurring.

25.4 Initiating Reviews:

At any stage, following the grant of a premises licence, any of the Responsible Authorities or any ~~interested party~~ *other persons*, such as a resident living in the vicinity of the premises and Councillors, may ask the Licensing Authority to review the licence because of a matter arising at the premises in connection with any of the four licensing objectives.

- 25.5 The Police and Environmental Health Officers have various additional powers of - closure. The Licensing Authority cannot initiate its own reviews of premises licences, however, officers of the *Council* ~~London Borough of Tower Hamlets~~ who are specified as Responsible Authorities under the Act may request reviews.
- 25.6 In every review case an evidential basis for the allegations made will need to be submitted to the Licensing Authority. When a request for a review is initiated from a ~~interested party~~ *other person*, the Licensing Authority is required to first consider whether the representation made is irrelevant to the licensing objectives, or is vexatious or frivolous.
- 25.7 Where the Licensing Authority receives a request for a review in accordance with the closure procedures contained *described in Part 8 of the Act (for example, closure orders)* ~~in legislation~~, it will arrange a hearing in accordance with the regulations set out by the Government.
- 25.8 Powers following determination of review - The Licensing Authority in determining a review may exercise the range of powers given to them to promote the licensing objectives. ~~The Licensing Authority must take the following steps if it considers it necessary to promote the licensing objectives:~~ *Where the licensing authority considers that action under its statutory powers is appropriate, it may take any of the following steps:*
 - a. ~~Modifying the conditions of the premises licence (which includes the addition of a condition or any alteration or omission of an existing condition temporarily or permanently)~~ *Modify the conditions of the premises licence (which includes adding new conditions or any alteration or omission of an existing condition);*
 - b. ~~Excluding~~ a licensable activity from the scope of the licence;
 - c. ~~Remove~~ing the designated supervisor;
 - d. ~~Suspending~~ the licence for a period not exceeding three months;
 - e. ~~Revoke~~ing the licence.

~~Steps that can be taken by~~ ***Following this Policy*** the Council include ***Licensing Authority can take the following action:***

- a. Taking no action;
- b. Issuing an informal warning;
- c. Recommending improvements within a particular time;
- d. Monitoring by regular inspection and invite to seek a further review if problems persist;
- e. ***Investigate breaches of legislation and refer matters to the Council's Legal Department for consideration for prosecution.***

25.9 Where reviews arise and the Licensing Authority determines that the crime prevention objective is being undermined through the premises being used to further crimes, the revocation of the licence will be seriously considered. However, revocation also remains an option if other licensing objectives are being undermined.

23.10 ~~Licence Suspensions~~ ***Non Payment of Licence Fee***

This is a power brought as part of the ~~As per~~ amendments brought about by the Police Reform and Social Responsibility Act 2011. ~~The council must suspend premises licences and club premises certificates on the non-payment of annual fees.~~

23.11 The regulations ***legislation*** state that the premises licence holder will be given notice of a suspension that is at least 2 working days before the suspension is to take place ~~effect~~.

23.12 ~~It is the duty of the Licence Holder to pay their annual licence fee when it is due. The Licensing Authority will send A~~ a single request for payment ~~to the licence holder giving 28 days from the date of the letter to make the require payment.~~ will be sent and the Licensing Authority will then take ~~If no payment is received the Licensing Authority will take~~ measures to suspend the licence if payment is not received within 28 days.

23.13 ~~Following the action to suspend the licence~~ income recovery procedures will be commenced along with enforcement visits to ensure that the suspension is maintained until payment ***is received*** or licence surrendered.

27 Responsibility of Licence Holders and Designated Premises Supervisors (DPS)

25.10 When licence holders or designated premises supervisors move, leave a premises or dispose of their premises they remain responsible in law until they have informed the licensing authority and *surrendered the licence or* arranged a transfer, which may involve notification to the Police as well. Any licensees or designated premises supervisors who are not sure what to do should contact the licensing authority. *Please note that should the DPS cease to work/be employed by the premises the Licensing Authority will consider that there is no DPS for those premises. This consideration shall apply regardless of whether that person is still named on the Premises Licence, or whether they have asked for their name to be removed from it. This consideration shall apply until such time that an application is received to nominate a new premises supervisor. In such cases, the Licensing Authority shall expect no sales of alcohol to take place until an application to vary the DPS has been submitted to the Licensing Authority*

25.11 *Every premises licence that authorises the sale of alcohol must specify a designated premises supervisor (DPS). This will normally be the person who has been given day to day responsibility for running the premises by the premises licence holder. The only exception is for community premises which have successfully made an application to remove the usual mandatory conditions set out in the 2003 Act. The DPS to be a person with day to day managerial control of the premises who will take reasonable steps to ensure the licensing objectives are promoted and licence conditions are adhered to.*

25.12 *Though there is no requirement for a designated premises supervisor (DPS) to be on the premises at all times that alcohol is being sold, the Licensing Authority expects where they are likely to be absent for a prolonged period, perhaps due to ill health, maternity leave or extended holiday, that a new DPS to be appointed to cover the period of absence. If there are concerns that a DPS is repeatedly absent, the Police may apply for a review of the Premises Licence if this gives rise to concerns about the operation of the premises and its impact on the licensing objectives.*

25.13 *Where the DPS is not present at the premises the Licensing Authority, following guidance by the Secretary of State, recommends that personal licence holders give specific written authorisations to individuals that they are authorising to retail alcohol. The letter of authorisation should state the following:-*

- the person(s) authorised to sell alcohol at any particular premises should be clearly identified;*
- the authorisation should have specified the acts which may be carried out by the person who is authorised to supply alcohol;*

- *there should be an overt act of authorisation, for example, a specific written statement given to the individual who is authorised to supply alcohol; and*
- *there should be in place sensible arrangements for the personal licence holder to monitor the activity that they have authorised on a reasonably regular basis.*

It should be noted that the responsibility remains with the Premises Licence Holder and the Designated Premises Supervisor.

28 Prohibition signs

- 27.1 When its discretion is engaged and a relevant representation is made relating to the exclusion or discouragement of any minority adult group the Licensing Authority will add a condition which forbids such as practice.
- 27.2 The Licensing Authority is especially concerned that such practices adversely affect social cohesion and are likely to hinder the promotion of the licensing objective relating to law and order. *The Licensing Authority will also refer such practices to other authorities, where appropriate.*

29 Promotion of Racial Equality

- 27.3 Legislation requires the local authority to have due regard to the elimination of unlawful discrimination and to promote equality of opportunity and good relations between persons of different racial groups. The Licensing Authority expects all licence applications to be consistent with this duty.
- 27.4 The Council as an organisation has a race equality scheme and monitoring licensing forms a part of that overall scheme.

30 Duplication

- 30.1 As far as possible the Licensing Authority will seek to avoid duplication with other regulatory regimes. The Licensing Authority will however impose tailored conditions where it judges it necessary to meet the licensing objectives.

31 Administration, Exercise and Delegation of Functions

- 31.1 The Licensing Authority will be involved in a wide range of licensing decisions and functions and has established a Licensing Committee to administer them.
- 31.2 Appreciating the need to provide a speedy, efficient and cost-effective service to all parties involved in the licensing process, the Committee has delegated certain decisions and functions and has established a number of Sub-Committees to deal with them.

31.3 The **following** Table on the following page sets out the agreed delegation of decisions and functions to Licensing Committee / Sub-Committees and Officers

Matter to be dealt with	Full Committee	Sub Committee	Officers

Power to make representations as responsible authority			All cases

31.4 Further, with many of the decisions and functions being purely administrative in nature, the grant of non-contentious applications, including for example, those licences and certificates where no representations have been made, has been delegated to Council Officers. ~~All such matters dealt with by Officers will be reported for information and comment only to the next Committee meeting.~~

~~These decisions cannot be reversed.~~

- 31.5 This form of delegations is without prejudice to Officers referring an application to a Sub-Committee, or a Sub-Committee to Full Committee, if considered appropriate in the circumstances of any particular case.
- 31.6 The officers to exercise the discretion are officers who are responsible for the Licensing function *and* who are given the appropriate written delegated authority.
- 31.7 Application forms, fees, and details regarding each type of application, including the minor variations process can be obtained from the Councils website or by contacting the Licensing *and Safety* Team on 0207 364 5008 or Licensing@towerhamlets.gov.uk.
- 31.8 The Licensing Authority encourages informal discussion before the application process in order to resolve potential problems and avoid unnecessary hearings and appeals.

~~The Policing and Crime Act 2009 allowed the Government to impose mandatory conditions with regard to the responsible retailing of alcohol. These conditions must be intended to support and actively promote the licensing objectives. The aim of the mandatory conditions is to ensure that those businesses, both small and large, who are selling alcohol irresponsibly, act more responsibly to help tackle alcohol-related crime and disorder.~~

~~The mandatory licensing conditions apply to all alcohol retailers. They refer to irresponsible drink promotions, banning the dispensing of alcohol directly into the mouth, provision of free tap water for customers, ensuring that an age verification policy is in place, and ensuring that smaller measures are made available to customers.~~

From 6th April 2010

- ~~1. The responsible person shall take all reasonable steps to ensure that staff on relevant premises do not carry out, arrange or participate in any irresponsible promotions in relation to the premises.~~
- ~~2. In this paragraph, an irresponsible promotion means any one or more of the following activities, or substantially similar activities, carried on for the purpose of encouraging the sale or supply of alcohol for consumption on the premises in a manner which carries a significant risk of leading or contributing to crime and disorder, prejudice to public safety, public nuisance, or harm to children—~~
 - ~~(a) games or other activities which require or encourage, or are designed to require or encourage, individuals to—~~
 - ~~(i) drink a quantity of alcohol within a time limit (other than to drink alcohol sold or supplied on the premises before the cessation of the period in which the responsible person is authorised to sell or supply alcohol), or~~
 - ~~(ii) drink as much alcohol as possible (whether within a time limit or otherwise);~~
 - ~~(b) provision of unlimited or unspecified quantities of alcohol free or for a fixed or discounted fee to the public or to a group defined by a particular characteristic (other than any promotion or discount available to an individual in respect of alcohol for consumption at a table meal, as defined in section 159 of the Act);~~
 - ~~(c) provision of free or discounted alcohol or any other thing as a prize to encourage or reward the purchase and consumption of alcohol over a~~

~~period of 24 hours or less;~~

~~(d) provision of free or discounted alcohol in relation to the viewing on the premises of a sporting event, where that provision is dependent on—
(i) the outcome of a race, competition or other event or process, or
(ii) the likelihood of anything occurring or not occurring;~~

~~(e) selling or supplying alcohol in association with promotional posters or flyers on, or in the vicinity of, the premises which can reasonably be considered to condone, encourage or glamorise anti-social behaviour or to refer to the effects of drunkenness in any favourable manner.~~

~~3. The responsible person shall ensure that no alcohol is dispensed directly by one person into the mouth of another (other than where that other person is unable to drink without assistance by reason of a disability).~~

~~4. The responsible person shall ensure that free tap water is provided on request to customers where it is reasonably available.~~

In addition From 10th October 2010:

~~5. (1) The premises licence holder or club premises certificate holder shall ensure that an age verification policy applies to the premises in relation to the sale or supply of alcohol.~~

~~(2) The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and a holographic mark.~~

~~6. The responsible person shall ensure that—~~

~~(a) where any of the following alcoholic drinks is sold or supplied for consumption on the premises (other than alcoholic drinks sold or supplied having been made up in advance ready for sale or supply in a securely closed container) it is available to customers in the following measures—~~

~~(i) beer or cider: ½ pint;~~

~~(ii) gin, rum, vodka or whisky: 25 ml or 35 ml; and~~

~~(iii) still wine in a glass: 125 ml; and~~

~~(b) customers are made aware of the availability of these measures.~~

Appendix 3:

List of Government Pool Conditions from the S.186 Guidance of the Licensing Act 2003

Conditions relating to the prevention of crime and Disorder

It should be noted in particular that it is unlawful under the 2003 Act to:-

- knowingly to sell or supply or attempt to sell or supply alcohol to a person who is drunk
- knowingly to allow disorderly conduct on licensed premises
- for the holder of a premises licence or a designated premises supervisor knowingly to keep or to allow to be kept on licensed premises any goods that have been imported without payment of duty or which have otherwise been unlawfully imported.
- to allow the presence of children under 16 who are not accompanied by an adult between midnight and 5am at any premises licensed for the sale of alcohol for consumption on the premises, and at any time in premises used exclusively or primarily for the sale and consumption of alcohol.

Conditions enforcing these arrangements are therefore unnecessary.

General

When applicants for premises licences or club premises certificates are preparing their operating schedules or club operating schedules, when responsible authorities are considering such applications and when licensing authorities are considering applications following the receipt of any relevant representations from a responsible authority or interested party, the following options should be considered as measures which, if necessary, would promote the prevention of crime and disorder.

Whether or not any risk assessment shows these options to be necessary in the individual circumstances of any premises will depend on a range of factors including the nature and style of the venue, the activities being conducted there, the location of the premises and the anticipated clientele of the business involved. It should also be borne in mind that club premises operate under codes of discipline to ensure the good order and behaviour of members.

Necessary conditions for the licence or certificate will also depend on local knowledge of the premises.

~~Under no circumstances should the following measures be regarded as standard conditions to be automatically imposed in all cases. They are designed to provide a range of possible conditions drawn from experience relating to differing situations and to offer guidance.~~

~~Any individual preparing an operating schedule is at liberty to volunteer any measure, such as those described below, as a step he or she intends to take to promote the licensing objectives. When incorporated into the licence or certificate as a condition, they become enforceable under the law and a breach of such a condition could give rise to prosecution.~~

Text/Radio pagers

~~Text and radio pagers connecting premises licence holders, designated premises supervisors, managers of premises and clubs to the local police can provide for rapid response by the police to situations of disorder which may be endangering the customers and staff on the premises.~~

~~Such pagers provide two-way communication, both enabling licence holders, managers, designated premises supervisors and clubs to report incidents to the police, and enabling the police to warn those operating a large number of other premises of potential trouble-makers or individuals suspected of criminal behaviour who are about in a particular area. Pager systems can also be used by licence holders, door supervisors, managers, designated premises supervisors and clubs to warn each other of the presence in an area of such people.~~

~~The Secretary of State recommends that text or radio pagers should be considered appropriate necessary conditions for public houses, bars and nightclubs operating in city and town centre leisure areas with a high density of licensed premises. Following individual consideration of the particular circumstances of the venue, such conditions may also be appropriate and necessary in other areas for the prevention of crime and disorder.~~

~~It is recommended that a condition requiring the text/radio pager links to the police should include the following elements:~~

- ~~a) A requirement that the text/pager equipment is kept in working order at all times;~~
- ~~b) A requirement that the pager link be activated, made available to and monitored by the designated premises supervisor or a responsible member of staff at all times that the premises are open to the public;~~

- c) ~~A requirement that any police instructions/directions are complied with whenever given; and a requirement that all instances of crime or disorder are reported via the text/radio pager link by the designated premises supervisor or a responsible member of staff to an agreed police contact point.~~

Door supervisors

~~Conditions relating to the provision of door supervisors and security teams may be valuable in:~~

- a) ~~preventing the admission and ensuring the departure from the premises of the drunk and disorderly, without causing further disorder;~~
- b) ~~keeping out excluded individuals (subject to court bans or imposed by the licence holder);~~
- c) ~~searching and excluding those suspected of carrying illegal drugs, or carrying offensive weapons; and~~
- d) ~~maintaining orderly queuing outside of venues prone to such queuing.~~

~~Where door supervisors conducting security activities are to be a condition of a licence, which means that they would have to be registered with the Security Industry Authority, conditions may also need to deal with the number of such supervisors, the displaying of name badges, the carrying of proof of registration, where and at what times they should be stationed on the premises, and whether at least one female supervisor should be available (for example, if female customers are to be the subject of body searches). Door supervisors also have a role to play in ensuring public safety (see Appendix E).~~

Bottle bans

~~Glass bottles may be used as weapons inflicting more serious harm during incidents of disorder. A condition can prevent sales of drinks in glass bottles for consumption on the premises.~~

~~It is recommended that a condition requiring that no sales of beverages in glass bottles for consumption on the premises should be expressed in clear terms and include the following elements:~~

- A. ~~given to customers on the premises whether at the bar or by staff service away from the bar;~~
- B. ~~no customers carrying open or sealed bottles shall be admitted to the premises at any time that the premises are open to the public (note: this needs to be carefully worded where off-sales also take place);~~

In appropriate circumstances, the condition could include exceptions, for example, as follows:

- A. bottles containing wine may be sold for consumption with a table meal by customers who are seated in an area set aside from the main bar area for the consumption of food.

Plastic containers and toughened glass

Glasses containing drinks may be used as weapons during incidents of disorder and in untoughened form can cause very serious injuries.

Consideration could therefore be given to conditions requiring either the use of plastic containers or toughened glass which inflicts less severe injuries where considered necessary. Location and style of the venue and the activities carried on there would be particularly important in assessing whether a condition is necessary.

For example, the use of glass containers on the terraces of some outdoor sports grounds may obviously be of concern, and similar concerns may also apply to indoor sports events such as boxing matches. Similarly, the use of such plastic containers or toughened glass during the televising of live sporting events, such as international football matches, when high states of excitement and emotion fuelled by alcohol might arise, may be a necessary condition.

It should be noted that the use of plastic or paper drinks containers and toughened glass may also be relevant as measures necessary to promote public safety (see Appendix E).

CCTV

The presence of CCTV cameras can be an important means of deterring and detecting crime at and immediately outside licensed premises. Conditions should not just consider a requirement to have CCTV on the premises, but also the precise positioning of each camera, the requirement to maintain cameras in working order, and to retain recordings for an appropriate period of time.

The police should provide individuals conducting risk assessments when preparing operating schedules with advice on the use of CCTV to prevent crime.

Open containers not to be taken from the premises

Drinks purchased in licensed premises or clubs may be taken from those premises for consumption elsewhere. Where premises are licensed for the sale of alcohol for consumption off the premises, that would be entirely lawful. However, consideration should be given to a condition preventing the taking of alcoholic and other drinks from the premises in open containers (e.g. glasses and opened bottles).

This may again be necessary to prevent the use of these containers as offensive weapons in surrounding streets after individuals have left the premises.

Restrictions on drinking areas

It may be necessary to restrict the areas where alcoholic drinks may be consumed in premises after they have been purchased from the bar. An example would be at a sports ground where the police consider it necessary to prevent the consumption of alcohol on the terracing of sports grounds during particular sports events.

Such conditions should not only specify these areas, but indicate the circumstances in which the ban would apply and times at which it should be enforced.

Capacity limits

Although most commonly made a condition of a licence on public safety grounds, consideration should also be given to conditions which set capacity limits for licensed clubs where it may be necessary to prevent overcrowding which can lead to disorder and violence. Where such a condition is considered necessary, consideration should also be given to whether door supervisors would be needed to ensure that the numbers are appropriately controlled.

Crime prevention notices

It may be necessary at some premises for notices to be displayed which warn customers of the prevalence of crime which may target them. Some premises may be reluctant to volunteer the display of such notices for commercial reasons. For example, in certain areas, a condition attached to a premises licence or club premises certificate might require the displaying of notices at the premises which warn customers about the need to be aware of pickpockets or bag snatchers, and to guard their property.

Similarly, it may be necessary for notices to be displayed which advise customers not to leave bags unattended because of concerns about terrorism. Consideration could be given to a condition requiring a notice to display the name of a contact for customers if they wish to report concerns.

Signage

It may be necessary for the normal hours under the terms of the premises licence or club premises certificate at which licensable activities are permitted to take place to be displayed on or immediately outside the premises so that it is clear if breaches of the terms of the licence or certificate are taking place.

Similarly, it may be necessary for any restrictions on the admission of children to be displayed on or immediately outside the premises so that the consequences of breaches of these conditions would also be clear and to deter those who might seek admission in breach of those conditions.

Large capacity venues used exclusively or primarily for the "vertical" consumption of

alcohol (HVVDs)

~~Large capacity "vertical drinking" premises, sometimes called High Volume Vertical Drinking establishments (HVVDs), are premises with exceptionally high capacities, used primarily or exclusively for the sale and consumption of alcohol, and have little or no seating for patrons.~~

~~Where necessary and appropriate, conditions can be attached to premises licences for the promotion of the prevention of crime and disorder at such premises (if not volunteered by the venue operator and following representations on such grounds) which require adherence to:~~

- ~~a) a prescribed capacity;~~
- ~~b) an appropriate ratio of tables and chairs to customers based on the capacity; and~~
- ~~c) the presence of SIA registered security teams to control entry for the purpose of compliance with the capacity limit.~~

~~Annex E~~

~~Conditions relating to public safety (including fire safety)~~

~~It should be noted that conditions relating to public safety should be those which are necessary, in the particular circumstances of any individual premises or club premises, and should not duplicate other requirements of the law. Equally, the attachment of conditions to a premises licence or club premises certificate will not in any way relieve employers of the statutory duty to comply with the requirements of other legislation including the Health and Safety at Work etc. Act 1974, associated regulations and especially the requirements under the Management of Health and Safety at Work Regulations 1999 and the Fire Precautions (Workplace) Regulations 1997 to undertake risk assessments. Employers should assess the risks, including risks from fire, and take measures necessary to avoid and control these risks. Conditions enforcing those requirements would therefore be unnecessary.~~

~~General~~

~~When applicants for premises licences or club premises certificates are preparing their operating schedules or club operating schedules, responsible authorities are considering such applications and licensing authorities are considering applications following the receipt of relevant representations from a responsible authority or interested party, the following options should be considered as measures that, if necessary, would promote public safety. Additional matters relating to cinemas and theatres are considered in Annex F. It should also be recognised that special issues may arise in connection with outdoor and large scale events.~~

~~Whether or not any risk assessment shows any of the measures to be necessary in the individual circumstances of any premises will depend on a range of factors including the nature and style of the venue, the activities being conducted there, the location of the premises and the anticipated clientele of the business involved.~~

~~Necessary conditions for the licence or certificate will also depend on local knowledge of the premises.~~

~~In addition, to considering the points made in this Annex, those preparing operating schedules or club operating schedules, licensing authorities and responsible authorities should consider:~~

- ~~• Model National and Standard Conditions for Places of Public Entertainment and Associated Guidance ISBN 1 904031 11 0 (Entertainment Technology Press — ABTT Publications)~~
- ~~• The Event Safety Guide — A guide to health, safety and welfare at music and similar events (HSE 1999) ("The Purple Book") ISBN 0 7176 2453 6~~

- ~~Managing Crowds Safely (HSE 2000) ISBN 0 7176 1834 X~~
- ~~5 Steps to Risk Assessment: Case Studies (HSE 1998) ISBN 07176 15804~~
- ~~The Guide to Safety at Sports Grounds (The Stationery Office, 1997) ("The Green Guide") ISBN 011 300095 2~~
- ~~Safety Guidance for Street Arts, Carnival, Processions and Large Scale Performances published by the Independent Street Arts Network, copies of which may be obtained through: www.streetartsnetwork.org.uk/pages/publications.htm~~
- ~~The London District Surveyors Association's "Technical Standards for Places of Public Entertainment" ISBN 0 9531229 2 1~~

~~The following British Standards should also be considered:~~

- ~~BS 5588 Part 6 (regarding places of assembly)~~
- ~~BS 5588 Part 9 (regarding ventilation and air conditioning systems)~~
- ~~BS 5588 Part 9 (regarding means of escape for disabled people)~~
- ~~BS 5839 (fire detection, fire alarm systems and buildings)~~
- ~~BS 5266 (emergency lighting systems)~~

~~However, in consulting these texts, which were prepared prior to the coming into force of the Licensing Act 2003, those creating operating schedules or club operating schedules, licensing authorities and responsible authorities should again note that under no circumstances should any conditions be regarded as standard for all premises.~~

~~Any individual preparing an operating schedule or club operating schedule is at liberty to volunteer any measure, such as those described below, as a step he or she intends to take to promote the licensing objectives. When incorporated into the licence or certificate as a condition, they become enforceable under the law and a breach of such a condition could give rise to prosecution.~~

~~People with Disabilities~~

~~In certain premises where existing legislation does not provide adequately for the safety of the public, consideration might also be given to conditions that ensure that:~~

- A. ~~When people with disabilities are present, adequate arrangements exist to enable their safe evacuation in the event of an emergency; and~~
- B. ~~People with disabilities on the premises are made aware of those arrangements.~~

Escape routes

~~It may be necessary to include conditions relating to the maintenance of all escape routes and exits including external exits. These might be expressed in terms of the need to ensure that such exits are kept unobstructed, in good order with non-slippery and even surfaces, free of trip hazards and clearly identified. In restaurants and other premises where chairs and tables are provided this might also include ensuring that internal gangways are kept unobstructed.~~

~~In certain premises where existing legislation does not provide adequately for the safety of the public, consideration might also be given to conditions that ensure that:~~

~~all exits doors can be easily opened without the use of a key, card, code or similar means;~~

~~A. doors at such exits are regularly checked to ensure that they function satisfactorily and a record of the check kept;~~

~~B. any removable security fastenings are removed whenever the premises are open to the public or occupied by staff;~~

~~C. all fire doors are maintained effectively self-closing and shall not be held open other than by approved devices (for example, electromagnetic releases operated by smoke detectors);~~

~~D. fire resisting doors to ducts, service shafts, and cupboards shall be kept locked shut; and~~

~~E. the edges of the treads of steps and stairways are maintained so as to be conspicuous.~~

Safety checks

~~In certain premises where existing legislation does not provide adequately for the safety of the public or club members and guests, consideration might also be given to conditions that ensure that:~~

~~• safety checks are carried out before the admission of the public; and~~

~~• details of such checks are kept in a Log-book.~~

~~Curtains, hangings, decorations and upholstery~~

~~In certain premises where existing legislation does not provide adequately for the safety of the public or club members and guests, consideration might also be given to conditions that ensure that:~~

- ~~• hangings, curtains and temporary decorations are maintained in a flame retardant condition;~~
- ~~• any upholstered seating meets on a continuous basis the pass criteria for smouldering ignition source 0, flaming ignition source 1 and crib ignition source 5 when tested in accordance with section 5 of BS 5852:1990;~~
- ~~• curtains, hangings and temporary decorations are arranged so as not to obstruct exits, fire safety signs or fire fighting equipment; and~~
- ~~• temporary decorations are not used without prior notification to the licensing Authority/fire authority.~~

~~Accommodation limits~~

~~In certain premises where existing legislation does not provide adequately for the safety of the public or club members and guests, consideration might also be given to conditions that ensure that:~~

- ~~• arrangements are made to ensure that any capacity limit imposed under the premises licence or club premises certificate are not exceeded; and~~
- ~~• the licence holder, a club official, manager or designated premises supervisor should be aware of the number of people on the premises and required to inform any authorised person on request.~~

~~Fire action notices~~

~~In certain premises where existing legislation does not provide adequately for the safety of the public or club members and guests, consideration might also be given to conditions that ensure that:~~

- ~~• notices detailing the actions to be taken in the event of fire or other emergencies, including how the fire brigade should be summoned, are prominently displayed and protected from damage and deterioration.~~

Outbreaks of fire

~~In certain premises where existing legislation does not provide adequately for the Safety of the public or club members and guests, consideration might also be given to conditions that ensure that:~~

- ~~• fire brigade must be called at once to any outbreak of fire, however slight, and the details recorded in a Fire Log book.~~

Loss of water

~~In certain premises where existing legislation does not provide adequately for the safety of the public or club members and guests, consideration might also be given to conditions that ensure that:~~

- ~~• the local Fire Control Centre are notified as soon as possible if the water supply to any hydrant, hose reel, sprinkler, drencher or other fire extinguishing installation is cut off or restricted.~~

Access for emergency vehicles

~~In certain premises where existing legislation does not provide adequately for the safety of the public or club members and guests, consideration might also be given to conditions that ensure that:~~

- ~~• Access for emergency vehicles is kept clear and free from obstruction.~~

First aid

~~In certain premises where existing legislation does not provide adequately for the Safety of the public or club members and guests, consideration might also be given to conditions that ensure that:~~

- ~~• Adequate and appropriate supply of first aid equipment and materials is available on the premises;~~
- ~~• If necessary, at least one suitably trained first-aider shall be on duty when the Public are present; and if more than one suitably trained first- that their respective duties are clearly defined.~~

Lighting

~~In certain premises where existing legislation does not provide adequately for the safety of the public or club members and guests, consideration might also be given~~

to conditions that ensure that:

- ~~in the absence of adequate daylight, the lighting in any area accessible to the public, members or guests shall be fully in operation when they are present;~~
- ~~fire safety signs are adequately illuminated;~~
- ~~emergency lighting is not altered;~~
- ~~emergency lighting batteries are fully charged before the admission of the public, members or guests; and~~
- ~~in the event of the failure of normal lighting, where the emergency lighting battery has a capacity of one hour, arrangements are in place to ensure that the public, members or guests leave the premises within 20 minutes unless within that time normal lighting has been restored and the battery is being re-charged; and, if the emergency lighting battery has a capacity of three hours, the appropriate period by the end of which the public should have left the premises is one hour.~~

Temporary electrical installations

~~In certain premises where existing legislation does not provide adequately for the safety of the public or club members and guests, consideration might also be given to conditions that ensure that:~~

- ~~temporary electrical wiring and distribution systems are not provided without [notification to the licensing authority at least ten days before commencement of the work] [prior inspection by a suitable qualified electrician];~~
- ~~temporary electrical wiring and distribution systems shall comply with the recommendations of BS 7671 or where applicable BS 7909; and~~
- ~~where they have not been installed by a competent person, temporary electrical wiring and distribution systems are inspected and certified by a competent person before they are put to use.~~

~~With regard to the first bullet above, it should be recognised that ten days' notice may not be possible where performances are supported by outside technical teams. For example, where temporary electrical installations are made in theatres for television show performances, the key requirement is that conditions where necessary should ensure that temporary electrical installations are only undertaken by competent qualified persons, for example, employed by the television company.~~

Indoor sports entertainments

In certain premises where existing legislation does not provide adequately for the safety of the public or club members and guests, consideration might also be given to conditions that ensure that:

- if necessary, an appropriately qualified medical practitioner is present throughout a sports entertainment involving boxing, wrestling, judo, karate or other sports entertainment of a similar nature;
- where a ring is involved, it is constructed and supported by a competent person and inspected by a competent authority and any material used to form the skirt around the ring is flame-retardant;
- at any wrestling or other entertainments of a similar nature members of the public do not occupy any seat within 2.5 meters of the ring; and
- at water sports entertainments, staff adequately trained in rescue and life safety procedures are stationed and remain within the vicinity of the water at all material times (see also Managing Health and Safety in Swimming Pools issued jointly by the Health and Safety Commission and Sport England).

Alterations to the premises

Premises should not be altered in such a way as to make it impossible to comply with an existing licence condition without first seeking a variation of the premises licence proposing the deletion of the condition relating to public safety in question. The applicant will need to propose in a new operating schedule reflecting the proposed alteration to the premises how he or she intends to take alternative steps to promote the public safety objective. The application for variation will enable the responsible authorities with expertise in safety matters to consider whether the proposal is acceptable.

Special effects

The use of special effects in venues of all kinds being used for regulated entertainment is increasingly common and can present significant risks. Any special effects or mechanical installation should be arranged and stored so as to minimise any risk to the safety of the audience, the performers and staff.

Special effects which should be considered include:

- dry ice machines and cryogenic fog;
- smoke machines and fog generators;
- pyrotechnics, including fireworks;
- real flame;

- ~~firearms;~~
- ~~strobe lighting;~~
- ~~lasers (see HSE Guide The Radiation Safety of lasers used for display purposes [HS(G)95] and BS EN 60825: Safety of laser products);~~
- ~~explosives and highly flammable substances.~~

~~In certain circumstances, it may be necessary to require that certain special effects are only used with the prior notification of the licensing authority or [inspection by] the fire authority.~~

Annex F

~~Theatres, cinemas, concert halls and similar places (promotion of public safety)~~

~~In addition to the points made in Annex E, there are particular matters in the context of public safety and fire safety which should be considered in connection with theatres and cinemas. The principle remains that conditions must be necessary and should be established through risk assessment and standardised conditions should be avoided.~~

~~The points which follow are for consideration and do not represent a mandatory list.~~

~~Premises used for closely seated audiences~~

~~Attendants~~

- ~~(a) The number of attendants on each floor in a closely seated auditorium should be as set out below:~~
- ~~▪ Between 1-100 members of the audience present on a floor — 1 attendant must be present on that floor.~~
 - ~~▪ Between 101-250 members of the audience present on a floor — 2 attendants must be present on that floor.~~
 - ~~▪ Between 251 – 500 members of the audience present on a floor — 3 attendants must be present on that floor.~~
 - ~~▪ Between 501-750 members of the audience present on a floor — 4 attendants must be present on that floor.~~

~~And one additional attendant for each additional 250 persons (or part thereof)~~

- ~~(b) Attendants shall not be engaged in any duties that would hinder the prompt discharge of their duties in the event of an emergency or entail their absence from that floor or auditorium where they are on duty.~~
- ~~(c) Any attendant shall be readily identifiable to the audience (but this need not entail the wearing of a uniform).~~
- ~~(d) The premises shall not be used for a closely seated audience except in~~

~~accordance with seating plan(s), a copy of which is available at the premises and shall be shown to any authorised person on request.~~

- ~~(e) No article shall be attached to the back of any seat which would reduce the clear width of seat ways or cause a tripping hazard or obstruction.~~
- ~~(f) copy of any certificate relating to the design, construction and loading of any temporary seating shall be kept available at the premises and shall be shown to any authorised person on request.~~

~~Standing and sitting in gangways etc.~~

- ~~(a) Sitting on floors shall not be permitted except where authorised in the premises licence or club premises certificate.~~
- ~~(b) Waiting or standing shall not be permitted except in areas designated in the premises licence or club premises certificate.~~
- ~~(c) In no circumstances shall anyone be permitted to-~~
 - ~~(i) sit in any gangway;~~
 - ~~(ii) stand or sit in front of any exit; or~~
 - ~~(iii) stand or sit on any staircase including any landings.~~

Drinks

~~Except as authorised by the premises licence or club premises certificate, no drinks shall be sold to or be consumed by a closely seated audience except in plastic and paper containers.~~

Balcony Fronts

~~Clothing or other objects shall not be placed over balcony rails or upon balcony fronts.~~

Special effects

~~Any special effects or mechanical installation should be arranged and stored so as to minimise any risk to the safety of the audience, the performers and staff.~~

~~Specials effects include:~~

- ~~• dry ice machines and cryogenic fog;~~
- ~~• smoke machines and fog generators;~~
- ~~• pyrotechnics, including fireworks;~~
- ~~• real flame;~~

Scenery

~~Any scenery should be maintained flame-retardant.~~

Safety curtain

Flammable films

~~No flammable films should be allowed on the premises without the prior notification of the licensing authority/fire authority.~~

Annex G

Conditions relating to the prevention of public nuisance

It should be noted that provisions of the Environmental Protection Act 1990 and the Noise Act 1996 provide some protection to the general public from the effects of noise nuisance. In addition, the provisions in Part 8 of the Licensing Act 2003 enable a senior police officer to close down instantly for up to 24 hours licensed premises and premises carrying on temporary permitted activities that are causing nuisance resulting from noise emanating from the premises.

These matters should be considered before deciding whether or not conditions are necessary for the prevention of public nuisance.

General

When applicants for premises licences or club premises certificates are preparing their operating schedules or club operating schedules, responsible authorities are considering such applications and licensing authorities are considering applications following the receipt of relevant representations from a responsible authority or interested party, the following options should be considered as measures that, if necessary, would promote the prevention of public nuisance.

Whether or not any risk assessment shows them to be necessary in the individual circumstances of any premises will depend on a range of factors including the nature and style of the venue, the activities being conducted there, the location of the premises and the anticipated clientele of the business involved.

Necessary conditions for licences and certificates will also depend on local knowledge of the premises.

Hours

The hours during which the premises are permitted to be open to the public or to members and their guests can be restricted (other than where they are protected by the transitional provisions of the Licensing Act 2003) by the conditions of a premises licence or a club premises certificate for the prevention of public nuisance. But this must be balanced by the potential impact on disorder which results from artificially early fixed closing times.

Restrictions could be necessary on the times when certain licensable activities take place even though the premises may be open to the public at such times. For example, the playing of recorded music after a certain time might be prohibited, even though other licensable activities are permitted to continue.

Restrictions might be necessary on the parts of premises that might be used for

~~certain licensable activities at certain times. For example, while the provision of regulated entertainment might be permitted while the premises is open to the public or members and their guests, regulated entertainment might not be permitted in garden areas of the premises after a certain time.~~

Noise and vibration

~~In certain premises where existing legislation does not provide adequately for the prevention of public nuisance, consideration might be given to conditions that ensure that:~~

- ~~• noise or vibration does not emanate from the premises so as to cause a nuisance to nearby properties. This might be achieved by a simple requirement to keep doors and windows at the premises closed, or to use noise limiters on amplification equipment used at the premises;~~
- ~~• prominent, clear and legible notices are displayed at all exits requesting the public to respect the needs of local residents and to leave the premises and the area quietly;~~
- ~~• the use of explosives, pyrotechnics and fireworks of a similar nature which could cause disturbance in surrounding areas are restricted; and~~
- ~~• the placing of refuse — such as bottles — into receptacles outside the premises takes place at times that will minimise the disturbance to nearby properties.~~

Noxious smells

~~In certain premises where existing legislation does not provide adequately for the prevention of public nuisance, consideration might be given to conditions that ensure that:~~

- ~~• noxious smells from licensed premises are not permitted so as to cause a nuisance to nearby properties and the premises are properly vented.~~

~~Light pollution in certain premises where existing legislation does not provide adequately for the prevention of public nuisance, consideration might be given to conditions that ensure that:~~

- ~~• flashing or particularly bright lights on or outside licensed premises do not cause a nuisance to nearby properties. Any such condition needs to be balanced against the benefits to the prevention of crime and disorder of bright lighting in certain places.~~

Annex H

Conditions relating to the protection of children from Harm

It should be noted that it is unlawful under the 2003 Act to permit unaccompanied children under the age of 16 to be present on premises exclusively or primarily used for supply of alcohol for consumption on those premises under the authorisation of a premises licence, club premises certificate or a temporary event notice when open for the purposes of being used for the supply of alcohol for consumption there. In addition, it is an offence to permit the presence of children under 16 who are not accompanied by an adult between midnight and 5am at all premises supplying alcohol for consumption on those premises under the authorisation of any premises licence, club premises certificate or temporary event notice. Conditions duplicating these provisions are, therefore, unnecessary.

Access for children to licensed premises – in general

Restrictions on the access of children under 18 to premises where licensable activities are being carried on should be made where it is necessary to protect children from harm. Precise policy and details will be a matter for individual licensing authorities.

Conditions attached to premises licences and club premises certificates may reflect the concerns of responsible authorities and interested parties who have made representations but only where the licensing authority considers it necessary to protect children from harm. Whilst applications in relation to premises licences and club premises certificates must be judged by licensing authorities on their individual merits and characteristics, the Secretary of State recommends (unless there are circumstances justifying the contrary) that:

- for any premises with known associations (having been presented with evidence) with or likely to give rise to heavy or binge or underage drinking, drugs, significant gambling, or any activity or entertainment (whether regulated entertainment or not) of a clearly adult or sexual nature, there should be a strong presumption against permitting any access at all for children under 18 years.
- Applicants wishing to allow access for children to premises where these associations may be relevant, when preparing operating schedules or club operating schedules or variations of those schedules for the purposes of obtaining or varying a premises licence or club premises certificate should explain their reasons; and outline in detail the steps that they intend to take to protect children from harm on such premises.

- ~~for any premises, not serving alcohol for consumption on the premises, but where the public are allowed on the premises after 23:00, there should be a presumption against the presence of children under the age of 12 unaccompanied by adults after that time. Applicants wishing to allow access when preparing operating schedules or variations of those schedules or club operating schedules for the purposes of obtaining or varying a premises licence or club premises certificate should, explain their reasons and outline in detail the steps that they intend to take to protect children from harm on such premises.~~
- ~~in any other case, subject to the premises licence holder's or club's discretion, the expectation would be for unrestricted access for children subject to the terms of the 2003 Act. An operating schedule or club operating schedule should indicate any decision for the premises to exclude children completely, which would mean there would be no need to detail in the operating schedule steps that the applicant proposes to take to promote the protection of children from harm. Otherwise, where entry is to be permitted, the operating schedule should outline the steps to be taken to promote the protection of children from harm while on the premises.~~

Age Restrictions – specific

~~Under the 2003 Act a wide variety of licensable activities could take place at various types of premises and at different times of the day and night. Whilst it may be appropriate to allow children unrestricted access at particular times and when certain activities are not taking place, licensing authorities following relevant representations made by responsible authorities and interested parties will need to consider a range of conditions that are to be tailored to the particular premises and their activities where these are necessary. Licensing authorities are expected to consider:~~

- ~~the hours of day during which age restrictions should and should not apply. For example, the fact that adult entertainment may be presented at premises after 20:00 does not mean that it would be necessary to impose age restrictions for earlier parts of the day;~~
- ~~types of event or activity in respect of which no age restrictions may be needed, for example;
family entertainment; or
non-alcohol events for young age groups, such as under 18's dances;~~
- ~~Similarly, types of event or activity which give rise to a more acute need for age restrictions than normal, for example;
during "Happy Hours" or on drinks promotion nights; or during activities outlined in the first bullet point in the first paragraph above.~~

Age restrictions – Cinemas

~~The Secretary of State considers that, in addition to the mandatory condition imposed by virtue of section 20, requiring the admission of children to films to be restricted in accordance with recommendations given either by a body designated under section 4 of the Video Recordings Act 1984 or by the licensing authority itself, conditions restricting the admission of children to film exhibitions should include:~~

- ~~• a condition that where the licensing authority itself is to make recommendations on the admission of children to films, the cinema or venue operator must submit any film to the authority that it intends to exhibit 28 days before it is proposed to show it. This is to allow the authority time to classify it so that the premises licence holder is able to adhere to any age restrictions then imposed;~~
- ~~• a condition that when films are classified, by either the film classification body as specified in the licence or the licensing authority, they should be classified in the following way:~~
 - ~~U — Universal. Suitable for audiences aged four years and over~~
 - ~~PG — Parental Guidance. Some scenes may be unsuitable for young children~~
 - ~~12A — Passed only for viewing by persons aged 12 years or older or persons younger than 12 when accompanied by an adult~~
 - ~~15 — Passed only for viewing by persons aged 15 years and over~~
 - ~~18 — Passed only for viewing by persons aged 18 years and over~~
- ~~• that conditions specify that immediately before each exhibition at the premises of a film passed by the British Board of Film Classification there shall be exhibited on screen for at least five seconds in such a manner as to be easily read by all persons in the auditorium a reproduction of the certificate of the Board or, as regards a trailer advertising a film, of the statement approved by the Board indicating the classification of the film;~~
- ~~• a condition that when a licensing authority has made a recommendation on the restriction of admission of children to a film, notices are required to be displayed both inside and outside the premises so that persons entering can readily be made aware of the classification attached to any film or trailer. Such a condition might be expressed in the following terms:~~

~~"Where a programme includes a film recommended by the licensing authority as falling into the 12A, 15 or 18 category no person appearing to be under the age of 12 and unaccompanied, or under 15 or 18 as appropriate, shall be admitted to any part of the programme; and the licence holder shall display in a conspicuous position a notice in the following terms—~~

~~**PERSONS UNDER THE AGE OF [INSERT APPROPRIATE AGE] CANNOT BE ADMITTED TO ANY PART OF THE PROGRAMME**~~

~~Where films of different categories form part of the same programme, the notice~~

~~shall refer to the oldest age restriction.~~

~~This condition does not apply to members of staff under the relevant age while on duty provided that the prior written consent of the person's parent or legal guardian has first been obtained."~~

Theatres

~~The admission of children to theatres, as with other licensed premises, is not expected to normally be restricted unless it is necessary to promote the licensing objective of the protection of children from harm. However, theatres may be the venue for a wide range of activities. The admission of children to the performance of a play is expected to normally be left to the discretion of the licence holder and no condition restricting the access of children to plays should be attached. However, theatres may also present entertainment including, for example, variety shows, incorporating adult entertainment. A condition restricting the admission of children in such circumstances may be necessary. Entertainment may also be presented at theatres specifically for children (see below).~~

~~Licensing authorities are also expected to consider whether a condition should be attached to a premises licence which requires the presence of a sufficient number of adult staff on the premises to ensure the well being of children present on the premises during any emergency (See Annex F).~~

Performances especially for children

~~Where performances are presented especially for unaccompanied children in theatres and cinemas conditions are anticipated to be needed which require:~~

- ~~• an attendant to be stationed in the area(s) occupied by the children, in the vicinity of each exit, provided that on each level occupied by children the minimum number of attendants on duty should be one attendant per 50 children or part thereof.~~

~~Licensing authorities are expected, having regard to any representations made by responsible authorities on the issue, to also consider whether or not standing should be allowed. For example, there may be reduced risk for children in the stalls than at other levels or areas in the building.~~

Children in performances

~~There are many productions each year that are one-off shows where the cast is made up almost entirely of children. They may be taking part as individuals or as part of a drama club, stage school or school group. The age of those involved may range from 5 to 18. The Children (Performances) Regulations 1968 (as amended) set out requirements for children performing in a show. Licensing authorities should~~

familiarise themselves with the requirements of these Regulations and not duplicate any of these requirements.

However, if it is necessary to consider imposing conditions, in addition to these requirements, for the promotion of the protection of children from harm then the licensing authority should consider the matters outlined below.

- **Venue** — the backstage facilities should be large enough to accommodate safely the number of children taking part in any performance.
- **Fire safety** — all chaperones and production crew on the show should receive instruction on the fire procedures applicable to the venue prior to the arrival of the children.
- **Special effects** — it may be inappropriate to use certain special effects, including smoke, dry ice, rapid pulsating or flashing lights, which may trigger adverse reactions especially with regard to children.
- **Care of children** — theatres, concert halls and similar places are places of work and may contain a lot of potentially dangerous equipment. It is therefore important that children performing at such premises are kept under adult supervision at all times including transfer from stage to dressing room and anywhere else on the premises. It is also important that the children can be accounted for at all times in case of an evacuation or emergency.

~~The Portman Group Code of Practice on the Naming, Packaging and Promotion of Alcoholic Drinks~~

The Portman Group operates, on behalf of the alcohol industry, a Code of Practice on the Naming, Packaging and Promotion of Alcoholic Drinks. The Code seeks to ensure that drinks are packaged and promoted in a socially responsible manner and only to those who are 18 years old or older. Complaints about products under the Code are considered by an Independent Complaints Panel and the Panel's decisions are published on the Portman Group's website, in the trade press and in an annual report.

If a product's packaging or point-of-sale advertising is found to be in breach of the Code, the Portman Group may issue a Retailer Alert Bulletin to notify retailers of the decision and ask them not to replenish stocks of any such product or to display such point-of-sale material, until the decision has been complied with.

The Code is an important mechanism in protecting children from harm because it addresses the naming, marketing and promotion of alcohol products sold in licensed premises in a manner which may appeal to or attract minors.

~~Where appropriate and necessary, consideration can be given to attaching conditions to premises licences and club premises certificates that require compliance with the Portman Group's Retailer Alert Bulletins.~~

London Borough of Tower Hamlets

Tower Hamlets Council

Sex Establishment Licensing Policy

Introduction

This policy sets out Tower Hamlets Council's proposed approach to regulating sex establishments and the procedure that it will adopt in relation to applications for sex establishment licences.

The policy of the Council is to refuse applications for sexual entertainment venues. This policy is intended to be strictly applied and will only be overridden in genuinely exceptional circumstances. Such circumstances will not be taken to include the quality of the management, its compliance with licence conditions, the size of the premises or its operating hours.

The policy is intended as a guide to applicants, licence holders, people who want to object to applications and members of the Licensing Committee who are responsible for determining contested applications. It also aims to guide and reassure the public and other public authorities, ensuring transparency and consistency in decision making.

When the decision making powers of the Council are engaged each application will be dealt with on its own merits but this policy gives prospective applicants an early indication of whether their application is likely to be granted or not. It also provides prospective applicants details of what is expected of them should an application be made.

The legal controls for sex establishment premises are contained in the Local Governmental (Miscellaneous Provisions) Act 1982 as amended by the Policing and Crime Act 2009.

There are 3 types of sex establishments which fall into the licensing regime:-

Sex shops

Sex cinemas

Sexual entertainment venues

The role of the Council in its position as Licensing Authority is to administer the licensing regime in accordance with the law and not in accordance with moral standing. The Council recognises that Parliament has made it lawful to operate a sex establishment and such businesses are a legitimate part of the retail and leisure industries.

Policy Rationale

The policy has been developed that sets out how the legislation will be administered and applied. The policy identifies how the Council would exercise the licensing regime in relation to sexual entertainment venues.

The policy has been developed to reflect and complement existing Council plans and strategic approach, namely:-

- Tower Hamlets Community Plan.
- Tower Hamlets Crime & Drug Reduction Partnership Plan.
- Tower Hamlets Enforcement Policy.
- Tower Hamlets Core Strategy.
- Tower Hamlets Town Centre Spatial Strategy.
- Tower Hamlets Statement of Licensing Policy (Licensing Act 2003).
- Tower Hamlets Statement of Licensing Policy (Gambling Act 2005).

The policy has also been prepared with regard to:

- Consultation responses
- Human Rights Act 1998
- Equalities Act 2010

The policy seeks to contribute to the “One Tower Hamlets” principle by fostering community cohesion, reducing inequalities and empowering communities.

The public consultation that was undertaken concerning the adoption of a nil policy did not have overwhelming support. Therefore careful consideration has been given to the policy response, given the balance that the consultation returns did not give overwhelming support.

Policy Considerations Existing

Licensed Premises

The Council has had the ability to licence sex shops and sex cinemas under the Local Government (Miscellaneous Provisions) Act 1982 for many years.

There are no licensed sex shops in Tower Hamlets.

The businesses that hold premises licences under the Licensing Act 2003 with permissions that will be affected by the adoption of the sexual entertainment venue licensing regime are as follows:-

NAME	ADDRESS
THE BEEHIVE	104-106 Empson Street, London, E3 3LT

Tower Hamlets Council has adopted schedule 3 Local Government (Miscellaneous Provisions) Act 1982 with effect from 1st June 2014 so that it can:

- set a limit on the number of sexual entertainment venues
- determine premises that are appropriate for the borough and
- licence sexual entertainment venues

Sexual entertainment venues are those that regularly provide lap dancing and other forms of live performance or live display of nudity.

Establishments that hold events involving full or partial nudity less than once a month may be exempt from the requirements to obtain a sex establishment licence and applicants are advised to contact the Licensing Team for advice.

Limits on the number of licensed premises

The Council has determined that there are a sufficient number of sex shops, sex cinemas and sexual entertainment venues currently operating in the borough and it does not want to see an increase in the numbers of premises that are currently providing these activities.

The Council intends to adopt a policy to limit the number of sexual entertainment venues in the borough to nil however it recognises that there are a number of businesses that have been providing sexual entertainment in Tower Hamlets for several years. The Council will not apply this limitation when considering applications for premises that were already trading with express permission for the type of entertainment which is now defined as sexual entertainment on the date that the licensing provisions were adopted by the authority if they can demonstrate in their application:

- High standards of management
- A management structure and capacity to operate the venue
- The ability to adhere to the standard conditions for sex establishments

The Council will consider each application on its merit although new applicants will have to demonstrate why the Council should depart from its policy. Furthermore if any of the existing premises cease trading there is no presumption that the Council will consider any new applications more favourably.

Location of premises

The Council's policy is that there is no locality within Tower Hamlets in which it would be appropriate to license a sex establishment. Accordingly, the appropriate number of sex establishments for each and every locality within Tower Hamlets is zero.

As previously stated in the policy the Council will treat each application on its own merits however applicants should be aware that the Council will take into consideration the location of the proposed premises and its proximity to:

- residential accommodation,
- schools,
- premises used by children and vulnerable persons
- youth, community & leisure centres,
- religious centres and public places of worship
- access routes to and from premises listed above
- existing licensed premises in the vicinity

Impact

In considering applications for the grant of new or variation applications the Council will assess the likelihood of a grant causing impacts, particularly on the local community.

The Council will take the following matters into account:

- the type of activity
- the duration of the proposed licence
- the proposed hours of operation
- the layout and condition of the premises
- the use of other premises in the vicinity
- the character and locality of the area
- the applicant's previous knowledge and experience
- the applicant's ability to minimise the impact of their business on local residents and businesses
- any evidence of the operation of existing /previous licences held by the applicant

- any reports about the applicant and management of the premises received from residents, Council officers or the police
- the ability of the proposed management structure to deliver compliance with licensing requirements, policies on staff training and the welfare of performers
- crime and disorder issues
- cumulative impact of licensed premises, including hours of operation
- the nature and concerns of local residents
- any evidence of complaints about noise or disturbance caused by premises
- planning permission and planning policy considerations

In considering applications for renewal the Council will take into account

- the applicant's ability to minimise the impact of their business on local residents and businesses
- any reports about the licensee and management of the premises received from residents, Council officers or the police
- whether appropriate measures have been agreed and put into place to mitigate any adverse impacts
- any evidence of complaints about noise or disturbance caused by premises

- any evidence of the operation of existing /previous licences held by the applicant
- any reports about the applicant and management of the premises received from residents, Council officers or the police

- have an understanding of general conditions
- propose a management structure which will deliver compliance with operating conditions for example through
 - Management competence
 - Presence
 - Credible management structure
 - enforcement of rules internally – training & monitoring
 - a viable business plan covering door staff, CCTV
 - policies for welfare of performers
- demonstrate that they can be relied upon to act in best interests of performers through remuneration, facilities, protection, physical and psychological welfare

- a track record of management compliant premises or employ individuals with such a track record

New applicants may be invited for interview by the Licensing Officer and /or Police Officer prior to the application being referred to the Licensing Committee for determination.

Applications from anyone who intends to manage the premises on behalf of third party will be refused.

Premises appearance and layout

The Council expects premises to:-

- have an external appearance which is in keeping with the locality
- prevent the display outside the premises of photographs or other images which may be construed as offensive to public decency

- adequate lighting to allow monitoring of all public areas
- surveillance by CCTV
- surveillance by CCTV of all private booths

Conditions

The council will prescribe, and from time to time revise, standard conditions which will apply generally to licences that the council will grant or renew.

Through standard conditions the council seeks to ensure that sexual entertainment venues are well managed and supervised, restrict the sexual entertainment activities and the manner in which they are permitted to be provided, protect performers, and control the impact of the venue and its customers in relation to its locality.

Specifically, standard conditions could include measures which are found in the appendix of this policy.

The Application Process

Making a new, renewal, transfer or variation application

The Act requires the Council to refuse all application if the applicant:

- Is under the age of 18 or
- Has had their licence revoked in the last 12 months or
- Is not resident in the UK, or has not been a UK resident for the last 6months or
- Has been refused an application in the last 12 months or
- Is a corporate body which in not incorporated in the UK

Applications forms and details of current fee levels are available:

- on the Council's website (www.towerhamlets.gov.uk)
- from the Licensing Team on 020 7364 5008
- by email to licensing@towerhamlets.gov.uk

The Council prefers to receive electronic applications and offers a choice off payment options the details of which are contained in the application pack.

The Council expects the premises to have planning consent for the intended use and hours of operation, or otherwise have lawful planning status before making an application for a new licence.

In order for the application to be valid the applicant must:

- Submit the completed application form
- Pay the application fee
- Submit a floor plan, drawn to scale showing the layout of the premises(new applications only)
- Submit a location plan (1:1250) showing the location of the premises(NB. plans will not be required for transfers nor renewal applications)
- 2 passport size photos of the applicant where the applicant is an individual rather than a limited company
- 2 passport size photos of the manager if applicant is a limited company(NB: photos will only be required if there has been a change of applicant or manager since the last application)
- Display an A4 notice at the proposed premises for 21 days following the date that the completed application is submitted setting out the application details. The notice must be in a prominent position so that it can be easily read by passers-by. A notice template will be provided with the application form.
- publish a notice on at least one occasion in a local newspaper, during the period of ten working days starting on the day the application was given Council. The advert can be any size or colour but must be readable.

Applicants who wish to advertise the application in another local newspaper are advised to contact the Licensing Team beforehand, to confirm that it is acceptable.

On receipt of a valid application the Council will consult:

- The Police
- The Fire Brigade
- Building Control
- Health and Safety
- Ward Councillors

For new and variation applications the Council will also consult:

- Development Control Team
- Local residents living within 50m of the premises

Authorised Officers from the Council, Fire Brigade and Police may choose to inspect the premises and require works to be carried out to bring the premises up to the required standard before the premises can be used for licensable activities.

The Council will not determine an application for a licence unless the applicant allows an authorised officer reasonable opportunity to enter the premises to make such examination and enquiries as may be necessary to determine the suitability of the applicant and the sex establishment.

Representations

Anyone wishing to object to the application must submit a representation, in writing, within 28 days of the date that the valid application was received by the Council.

Representations can either be submitted via

- Our website: www.towerhamlets.gov.uk
- Email to: licensing@towerhamlets.gov.uk
- Post to: Consumer and Business Regulations, Licensing Team, 6th Floor, Mulberry Place, 5 Clove Crescent, E14 2BG.

A person making a representation must clearly state their name, address, and the grounds for objecting to the application and indicate whether they consent to have their name and address revealed to the applicant. Copies of representations will be made available to the applicant 14 days before the committee hearing.

The Council will not consider objections that are frivolous or vexatious or which relate to moral grounds (as these are outside the scope of the Act).

The Council prefers to receive electronic representations.

Late representations may be admissible at the discretion of the Council if there's sufficient reason to indicate that applicants will not be significantly prejudiced by the decision to allow a late objection to be considered. In making such a decision the Council will take into account:

- The length of the delay
- The amount of time that the applicant has to consider the representation before the hearing date
- If other representations have been received before the deadline

Determining an application

Applications with no representations will be approved under delegated authority to officers.

Applications with representations recommending that conditions be attached to the licence and which are acceptable to both the applicant and person making the representation can be approved under delegated authority to officers.

All other contested applications will be referred to the Licensing Committee for determination. The applicant, anyone making a representation and the ward Councillors will be notified the date, time and venue of the hearing and invited to attend to address the committee in person.

Applications can take up to 14 weeks to be determined. If an application is likely to take longer than 14 weeks to determine the Council will notify the applicant in writing before this deadline. Applications for sex establishment licenses are exempt from the tacit consent provisions of the EU Services Directive on the grounds of public interest and the legitimate interests of third parties.

The applicant will be notified in writing about the outcome of their application within 5 working days of the decision being made.

Sex Establishment licences are usually issued for 12 months, but can be issued for a shorter period if deemed appropriate.

In order to continue operating as a sex establishment the licence holder must make a renewal application prior to the expiry of the existing licence.

Appeals

Any applicant who is aggrieved by a decision to refuse an application or by the imposition of any conditions can appeal to the Magistrates Court within 21 days of receiving the decision in writing.

Grounds for refusing an application

The applicant is unsuitable to hold a licence by reason of having been convicted of any offence or for any other reason.

That if the license were to be granted, renewed or transferred the business to which it relates would be managed by or carried on for the benefit of a person, other than the applicant, who would be refused the grant, renewal or transfer of such a license if he made the application himself.

That the number of sex establishments in the relevant locality at the time the application is made is equal to or exceeds the number which the authority consider is appropriate for that locality.

That the grant or renewal of the license would be inappropriate, having regard:-

a. to the character of the relevant locality

b. to the use to which any premises in the vicinity are put; or

c. to the layout, character or condition of the premises, vehicle, vessel or stall in respect of which the application is made.

Transitional Arrangements

Broadly speaking, those existing sexual entertainment venues (lap dancing clubs etc) with a premises licence under the Licensing Act 2003, under which it is lawful to provide such entertainment, will continue to be able to operate for one year after the Council adopts the 2009 Act provisions or, if later, the determination of any application submitted during that year.

The 'transitional period' will last for 12-months beginning with the date that the Council resolves that Schedule 3 as amended by the 2009 Act will come into force in their area ('the 1st appointed day'). Six months following the 1st appointed day will be known as the '2nd appointed day' and the day on which the transitional period ends will be known as the '3rd appointed day'.

Existing Operators

To allow time to comply with the new regime, existing operators, who, immediately before the 1st appointed day, have a 2003 Act licence and lawfully use premises as a sexual entertainment venue under that licence or are undertaking preparatory work to use the venue in that way will be allowed to continue to provide relevant entertainment until the 3rd appointed day or the determination of any application they have submitted before that time (including any appeal against the refusal to grant a licence), whichever is later.

For the purposes of the Transition a "2003 Act Licence" means a premises licence or club premises certificate under the Licensing Act 2003 under which it is lawful to provide relevant entertainment.

"Preparatory work" refers to work carried out by an operator, such as a refurbishment or refit, in order that they can use the premises as a sexual entertainment venue in the future. The operator will have been granted a 2003 Act licence before the 1st appointed day but will not have used the premises as a sexual entertainment venue

by that date. It is likely that such operators will be known to the Council. However, where a dispute arises between the Council and a licence-holder over whether the licence-holder qualifies as an existing operator by virtue of this provision the Council will need to seek evidence from the licence-holder to demonstrate that they clearly intended to operate a sexual entertainment venue in the future and work had been done to achieve this end.

For the purposes of the Transition a “2003 Act Licence” means a premises licence or club premises certificate under the Licensing Act 2003 under which it is lawful to provide relevant entertainment.

Appointed Days

1st Appointed Day

The day on which the Sexual Entertainment Venue regime comes into force in the Borough and the beginning of the transitional period (1st June 2014)

2nd Appointed Day

The day 6 months after the 1st appointed day (1st December 2014)

3rd Appointed Day

The day 6 months after the 2nd appointed day and the end of the transitional period (1st June 2015)

New Applications

New applicants are people who wish to use premises as a sexual entertainment venue after the 1st appointed day but do not already have a premises licence or club premises certificate to operate as such under the 2003 Act or do have such a licence but have not taken any steps towards operating as such. After the 1st appointed day new applicants will not be able to operate as a sexual entertainment venue until they have been granted a sexual entertainment venue licence.

Determining Applications Received On or Before the 2nd Appointed Day

Applicants will be able to submit their application for a sexual entertainment venue from the 1st appointed day onwards.

As the Council is able to refuse applications having regard to the number of sex establishments they consider appropriate for a particular locality, all applications made on or after the 1st appointed day but on or before the 2nd appointed day shall be considered together. This will ensure that applicants are given sufficient time to submit their application and all applications received on or before the 2nd appointed day are considered on their individual merit and not on a first come first serve basis.

No applications shall be determined before the 2nd appointed day. After the 2nd appointed day the appropriate authority shall decide what if any licences should be granted. If a new applicant is granted a licence it will take effect immediately. If an existing operator is granted a licence, it will not take effect until the 3rd appointed day, up to which point they will be allowed to continue to operate under their existing premises licence or club premises certificate.

Determining Applications Received After the 2nd Appointed Day

Applications made after the 2nd appointed day shall be considered when they are made but only once all applications made on or before that date have been determined. However, reference to determination here does not include references to the determination of any appeal against the refusal of a licence.

As with applications received on or before the 2nd appointed day, licences granted to new applicants shall take effect immediately and licences granted to existing operators shall take effect from the 3rd appointed day or, if later, the date the application is determined.

Outstanding Applications

The Council will attempt where possible to determine outstanding applications made under the 2003 Act, which include an application for the provision of relevant entertainment, before the date that Schedule 3 as amended by the 2009 Act comes into force in their area.

Where it has not been possible to determine application before the 1st appointed day, applicants will need to submit an application for a sex establishment licence as set out in Schedule 3 if they wish to provide relevant entertainment. From the 1st appointed day onwards outstanding applicants shall be dealt with as though they are new applicants

	Is there sufficient evidence of local/regional/national research that can inform the analysis?	Yes	The extensive consultation process was held between 12th January and 10th April 2018. 	Is there a clear understanding of the way in which proposals applied in the same way can have unequal impact on different groups?
