## **Tower Hamlets Council Forward Plan**

### **Advance notice of Key Decisions**

The Council is required to publish notice of all key decisions at least 28 days before they are taken by the Executive. Key decisions are all those decisions which involve major spending, or savings, or which have a significant impact on the local community. The precise definition of a key decision adopted by Tower Hamlets is contained in Article 13.03 of the [Constitution](#). Key Decisions are taken by the Mayor, or the Mayor in Cabinet.

Further information on the Mayor and Members of the Cabinet can be found on the Council [website](#). Note that the Mayor is likely to appoint his Cabinet at the Annual Council Meeting on 11 June 2014.

Individual notices of new Key Decisions will be published on the website as they are known, whilst a Forward Plan collating these decisions will be published 28 days before each Cabinet meeting. The Forward Plan will be published on the Council's website and will also be available to view at the Town Hall and Libraries, Ideas Centres and One Stop Shops if required. [The Committee pages](#) on the Council website include copies of the Forward Plan, Cabinet and other meeting dates and the publication dates of the Forward Plan.

If, due to reasons of urgency, a Key Decision has to be taken where 28 days' notice have not been given. Notice will be published (including on the website) as early as possible and Urgency Procedures as set out in the Constitution will have to be followed.

The most effective way for the public to make their views known about the issues listed in the Forward Plan is to examine the consultation column of the Forward Plan, and/or contact the report author or Cabinet Lead Member as soon as possible, and no later than 10 working days before the decision is expected to be taken.

You can also view the Council's [Consultation Calendar](#), which lists all the issues on which the Council and its partners are consulting.

Reports, appendices and background papers will be available on the Council's website 5 clear working days before the Cabinet meeting. For all other information or to submit documents in relation to any issue, please contact the relevant officer.

### **Notice of Intention to Conduct Business in Private**

The Council is also required to give at least 28 days' notice if it wishes to consider any of the reports on the agenda of an Executive meeting (such as Cabinet) in private session. The last row of each item below will indicate any proposal to consider that item in private session. Should you wish to make any representations in relation to item being considered in private please contact Democratic Services on the contact details listed on the front page.

The notice may reference a paragraph of Section 12A of the 1972 Local Government Act. In summary those paragraphs refer to the following types of exempt information (more information is available in the Constitution):

1. Information relating to any individual
2. Information which is likely to reveal the identity of an individual
3. Information relating to the financial or business affairs of any particular person (including the authority handling the information)

Who will be consulted before decision is made and how will this consultation take place	The Service Head for Communications and Marketing has been consulted, and has had his team prepare the action plan in response to the recommendations put forward by OSC.
Has an Equality Impact Assessment been carried out and if so the result of this Assessment?	Communication and consultation are integral to involving local people in decision making, so that their views shape and influence the solutions to the challenges that face the borough. The recommendations contained in the report will advance equality of opportunity for the borough's residents, in line with the Equality Act 2010 and the Public Sector Equality Duty, which came into force in April 2011, and is a single legal framework created to protect the rights of individuals and promote equal opportunity for all. It places an obligation to embed equality considerations into the day-to-day business of public bodies and will ensure that the council's engagement model in relation to the budget process is inclusive of the borough's diverse communities.

<b>Title of Report</b>	<b>Asset Efficiency Review</b>	Ward All Wards	Key Decision? Yes
<b>Summary of Decision</b>	<p>1. Note the outline business case (OBC) which details further viability assessment as requested in February 2013 Cabinet (cab 81/123).</p> <p>2. Authorise the Corporate Director of Development and Renewal and Corporate Director Community Localities and Culture, in conjunction with the Assistant Chief Executive Legal, to enter into a long term lease for the purpose of a consolidated depot.</p> <p>3. Authorise officers to proceed with the disposal of the sites identified within the outline business case in accordance with the proposed programme to allow for the relocation of services to a consolidated depot and a new town hall.</p> <p>4. Authorise officers to proceed with a final financial business case to provide detailed analysis to satisfy the procurement appraisal as detailed in the outline business case.</p> <p>5. Authorise a further £200,000 to be funded from the general reserve. These funds will take the outputs identified within the OBC for the site and complete technical, procurement and legal due diligence. This will allow officers to seek final cabinet approval through the production and submission of individual final business cases for the four development sites identified as enabling sites in accordance with the proposed OBC delivery programme. Noting that this allocation and that provided in February 2013 cabinet (81/123) will be a pre-emption on any long term lease arrangements which are entered into.</p> <p>6. Authorise officers to adopt a capital estimate and proceed with the temporary decant proposal for the existing Watts Grove Depot in the event that a long term lease for a consolidated depot cannot be secured.</p> <p>7. Authorise officers to re-use or bring forward disposal proposals for the sites at Blackwall, Watts Grove, Commercial Road, Newell St, Jack Dash House, Albert Jacobs House and Toby Lane. Noting that proposals for Commercial, Mixed-Use and Housing purposes will be done within the Council's planning framework requirements.</p>
