Tower Hamlets Council **Forthcoming Decisions Plan**

What is this document?

The Forthcoming Decisions Plan (or 'Forward Plan') contains information on significant decisions that the Council expects to take over the next few months.

As a minimum this will include notice of:

- All **Key Decisions** to be taken by the Mayor, Cabinet or Commissioners
 - This could include decisions taken at public meetings or taken individually at other times.
- Budget and Policy Framework Decisions (for example the Budget Report itself and major policies to be agreed by Council as set out in the Constitution)

In addition the Council aims to publish:

- All other decisions to be taken by the Mayor and/or Cabinet
- All other decisions to be taken at the Commissioners' Decision Making Meetings

Key Decisions

The Council is required to publish notice of all key decisions at least 28 days before they are taken by the Executive or Commissioners. Key decisions are all those decisions which involve major spending, or savings, or which have a significant impact on the local community. The precise definition of a key decision adopted by Tower Hamlets is contained in Article 13.03 of the [Constitution](#). Key Decisions can be taken by the Mayor, Cabinet or by the Commissioners individually or in formal meetings

Publication of Forthcoming Decisions

Individual notices of new Key Decisions will be published on the website as they are known on the 'Forthcoming Decisions' page, whilst this 'Forthcoming Decisions Plan' collating these decisions will be published regularly, as a minimum at least, 28 days before each Cabinet meeting. The Plan will be published on the Council's website and will also be available to view at the Town Hall and Libraries, Ideas Centres and One Stop Shops if required.

Urgency

If, due to reasons of urgency, a Key Decision has to be taken where 28 days' notice have not been given. Notice will be published (on the website) as early as possible and Urgency Procedures as set out in the Constitution have to be followed.

Make your views known

The most effective way for the public to make their views known about a Forthcoming Decisions is to contact the lead officer, or Cabinet Member (where stated), listed. You can also view the Council's [Consultation Calendar](#), which lists all the issues on which the Council and its partners are consulting.

Information about the Decision Makers

Further information on the Mayor and Members of the Cabinet can be found on the Council [website](#). The Commissioners are Sir Ken Knight, Chris Allison, Max Caller and Alan Wood. They have been appointed by the Secretary of State for Communities and Local Government to carry out certain functions of the Council. Details are set out in Part One of the [Constitution](#).

Notice of Intention to Conduct Business in Private

The Council is also required to give at least 28 days' notice if it wishes to consider any of the reports on the agenda of an Executive meeting (such as Cabinet) in private session. The last row of each item below will indicate any proposal to consider that item in private session. Should you wish to make any representations in relation to item being considered in private please contact Democratic Services on the contact details listed on the front page.

The notice may reference a paragraph of Section 12A of the 1972 Local Government Act. In summary those paragraphs refer to the following types of exempt information (more information is available in the Constitution):

1. Information relating to any individual
2. Information which is likely to reveal the identity of an individual
3. Information relating to the financial or business affairs of any particular person (including the authority handling the information)

5. Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings.
6. Information which reveals that the authority proposes:-
 - a) to give under any enactment a notice under or by virtue of which requirements are imposed on a person; or
 - b) to make an order or direction under any enactment.
7. Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime.

made and how will this consultation take place	<p>Formal consultation during Sept/Oct 2014 was carried out as part of the Your Borough, Your Voice process.</p> <p>There has been engagement with service users on the future configuration of these services over the past two years, including, in 2013, a strategic review and consultation of day opportunities involved 387 stakeholders. The outcome was for a stronger focus on recovery and wellbeing, supporting service users to direct their own support, and use mainstream services.</p> <p>During May/June 2014, commissioners visited five day centres and received feedback from around 60 service users which highlighted the value of current day opportunities. This was followed up by three service design workshops with voluntary sector providers in July 2014. The workshops were informed by service user input from the previous sessions and enabled the proposed service model to take shape.</p> <p>A further five consultation events took place in Sept/Oct 2014 as part of the Council's <i>Your Borough, Your Voice</i> process. The aim of these events was to gather feedback on savings proposals which included potential reduction in voluntary spend on mental health day opportunities. A consultation document, Mental Health Recovery & Wellbeing – A Consultation on the Future of Day Opportunities was published in Sept 2014.</p> <p>The consultation document outlined the proposed service model within the context of potential savings and reduction in voluntary sector spending. During this process, 118 pieces of correspondence were received in the form of letters and questionnaires from service users, mental health professionals, carers and voluntary sector providers. Although spending cuts were broadly opposed, there was overall support for proposals relating to the service model.</p>
Has an Equality Impact Assessment been carried out and if so the result of this Assessment?	<p>An EQIA was carried out during the Your Borough, Your Voice process to determine impact of savings proposals. A decision was made (Cabinet Dec 2014) to retain current levels of spend in relation to services in scope.</p>
