Tower Hamlets Council **Forthcoming Decisions Plan**

What is this document?

The Forthcoming Decisions Plan (or 'Forward Plan') contains information on significant decisions that the Council expects to take over the next few months.

As a minimum this will include notice of:

- All **Key Decisions** to be taken by the Mayor, Cabinet or Commissioners
 - This could include decisions taken at public meetings or taken individually at other times.
- Budget and Policy Framework Decisions (for example the Budget Report itself and major policies to be agreed by Council as set out in the Constitution)

In addition the Council aims to publish:

- All other decisions to be taken by the Mayor and/or Cabinet
- All other decisions to be taken at the Commissioners' Decision Making Meetings

Key Decisions

The Council is required to publish notice of all key decisions at least 28 days before they are taken by the Executive or Commissioners. Key decisions are all those decisions which involve major spending, or savings, or which have a significant impact on the local community. The precise definition of a key decision adopted by Tower Hamlets is contained in Article 13.03 of the [Constitution](#). Key Decisions can be taken by the Mayor, Cabinet or by the Commissioners individually or in formal meetings

Publication of Forthcoming Decisions

Individual notices of new Key Decisions will be published on the website as they are known on the 'Forthcoming Decisions' page, whilst this 'Forthcoming Decisions Plan' collating these decisions will be published regularly, as a minimum at least, 28 days before each Cabinet meeting. The Plan will be published on the Council's website and will also be available to view at the Town Hall and Libraries, Ideas Centres and One Stop Shops if required.

Urgency

If, due to reasons of urgency, a Key Decision has to be taken where 28 days' notice have not been given. Notice will be published (on the website) as early as possible and Urgency Procedures as set out in the Constitution have to be followed.

Make your views known

The most effective way for the public to make their views known about a Forthcoming Decisions is to contact the lead officer, or Cabinet Member (where stated), listed. You can also view the Council's [Consultation Calendar](#), which lists all the issues on which the Council and its partners are consulting.

Information about the Decision Makers

Further information on the Mayor and Members of the Cabinet can be found on the Council [website](#). The Commissioners are Sir Ken Knight, Chris Allison, Max Caller and Alan Wood. They have been appointed by the Secretary of State for Communities and Local Government to carry out certain functions of the Council. Details are set out in Part One of the [Constitution](#).

Notice of Intention to Conduct Business in Private

The Council is also required to give at least 28 days' notice if it wishes to consider any of the reports on the agenda of an Executive meeting (such as Cabinet) in private session. The last row of each item below will indicate any proposal to consider that item in private session. Should you wish to make any representations in relation to item being considered in private please contact Democratic Services on the contact details listed on the front page.

The notice may reference a paragraph of Section 12A of the 1972 Local Government Act. In summary those paragraphs refer to the following types of exempt information (more information is available in the Constitution):

1. Information relating to any individual
2. Information which is likely to reveal the identity of an individual
3. Information relating to the financial or business affairs of any particular person (including the authority handling the information)
4. Information relating to any consultations or negotiations, or contemplated consultations or negotiations, in connection with any labour relations matters arising between the authority or a Minister of the Crown and employees of, or office holders under, the authority.
5. Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings.
6. Information which reveals that the authority proposes:-
 - a) to give under any enactment a notice under or by virtue of which requirements are imposed on a person; or
 - b) to make an order or direction under any enactment.
7. Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime.

| Who will be consulted before decision is made and how will this consultation take place | <p>Formal consultation during Sept/Oct 2014 was carried out as part of the Your Borough, Your Voice process.</p> <p>There has been engagement with service users on the future configuration of these services over the past two years, including, in 2013, a strategic review and consultation of day opportunities involved 387 stakeholders. The outcome was for a stronger focus on recovery and wellbeing, supporting service users to direct their own support, and use mainstream services.</p> <p>During May/June 2014, commissioners visited five day centres and received feedback from around 60 service users which highlighted the value of current day opportunities. This was followed up by three service design workshops with voluntary sector providers in July 2014. The workshops were informed by service user input from the previous sessions and enabled the proposed service model to take shape.</p> <p>A further five consultation events took place in Sept/Oct 2014 as part of the Council's <i>Your Borough, Your Voice</i> process. During this process, 118 pieces of correspondence were received in the form of letters and questionnaires from service users, mental health professionals, carers and voluntary sector providers. Although spending cuts were broadly opposed, there was overall support for proposals relating to the service model.</p> | | |

| Who will be consulted before decision is made and how will this consultation take place | <p>St Paul's Shadwell ("SPS") gardens are now one of very few gardens and Open spaces in Shadwell, that have enhanced the Green Grid and contributed towards publicly accessible open space within the borough.</p> <p>The aim of the project was to improve the church gardens in order to create a more inviting publicly accessible open space for local people to enjoy. The space is now fully accessible between dawn and dusk and open to all. The improvements include improved landscaping, children's play facilities, seated areas and stations to encourage people to carry out exercise. Signage reminding people of the history of the church and its connection to the local docks would have also been included.</p> <p>The space has been delivered in partnership with GLA, the Council and the Church. There were extensive consultations with GLA and Ground Work (the Delivery Arm of GLA). Subsequently, there were consultations with the Green Grid Steering Group where it was agreed to support the project.</p> <p>Further, the project was presented before The Planning Contributions Overview Panel (PCOP). Following legal review, the Project Initiation Document (PID) of the project was approved in July 2014. It agreed to provide funding on condition that the recipient would provide 100% match funding. The Council agreed to support the project as it aligned with the objectives of the Council's Local Plan related Green Grid Strategy to create more publicly accessible open space within the borough. Subsequently, extensive public consultations were conducted with the local community. Based on that, a preliminary design prepared which was later developed by the Landscape Architects.</p> | | |
