Tower Hamlets Council **Forthcoming Decisions Plan**

What is this document?

The Forthcoming Decisions Plan (or 'Forward Plan') contains information on significant decisions that the Council expects to take over the next few months.

As a minimum this will include notice of:

- All **Key Decisions** to be taken by the Mayor, Cabinet or Cabinet Sub-Committees
 - This could include decisions taken at public meetings or taken individually at other times.
- Budget and Policy Framework Decisions (for example the Budget Report itself and major policies to be agreed by Council as set out in the Constitution)

Key Decisions

The Council is required to publish notice of all key decisions at least 28 days before they are taken by the Executive or Commissioners. Key decisions are all those decisions which involve major spending, or savings, or which have a significant impact on the local community. The precise definition of a key decision adopted by Tower Hamlets is contained in Article 13.03 of the [Constitution](#). Key Decisions can be taken by the Mayor outside of meetings, the Mayor in Cabinet or by a Cabinet Sub-Committee.

Publication of Forthcoming Decisions

Individual notices of new Key Decisions will be published on the website as they are known on the 'Forthcoming Decisions' page, whilst this 'Forward Plan' collating these decisions will be published regularly, as a minimum at least, 28 days before each Cabinet meeting. The Plan will be published on the Council's website and will also be available to view at the Town Hall and Libraries, Ideas Centres and One Stop Shops if required.

Urgency

If, due to reasons of urgency, a Key Decision has to be taken where 28 days' notice have not been given. Notice will be published (on the website) as early as possible and Urgency Procedures as set out in the Constitution have to be followed.

Make your views known

The most effective way for the public to make their views known about a Forthcoming Decisions is to contact the lead officer, or Cabinet Member (where stated), listed. You can also view the Council's [Consultation Calendar](#), which lists all the issues on which the Council and its partners are consulting.

Information about the Decision Makers

Further information on the Mayor and Members of the Cabinet can be found on the Council [website](#).

Notice of Intention to Conduct Business in Private

The Council is also required to give at least 28 days' notice if it wishes to consider any of the reports on the agenda of an Executive meeting (such as Cabinet) in private session. The last row of each item below will indicate any proposal to consider that item in private session. Should you wish to make any representations in relation to item being considered in private please contact Democratic Services on the contact details listed on the front page.

The notice may reference a paragraph of Section 12A of the 1972 Local Government Act. In summary those paragraphs refer to the following types of exempt information (more information is available in the Constitution):

1. Information relating to any individual
2. Information which is likely to reveal the identity of an individual
3. Information relating to the financial or business affairs of any particular person (including the authority handling the information)
4. Information relating to any consultations or negotiations, or contemplated consultations or negotiations, in connection with any labour relations matters arising between the authority or a Minister of the Crown and employees of, or office holders under, the authority.
5. Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings.
6. Information which reveals that the authority proposes:-
 - a) to give under any enactment a notice under or by virtue of which requirements are imposed on a person; or
 - b) to make an order or direction under any enactment.
7. Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime.

| Title of Report | Establishment of Group Training Association for Construction Training | Ward All Wards | Key Decision? No |
| Summary of Decision | <p>In response to feedback from construction employers and the need to facilitate the entry of local residents into the construction sector locally and across London, LBTH Officers have been actively exploring the feasibility of establishing a Group Training Association (GTA) for construction in partnership directly with the London Legacy Development Corporation (LLDC) and borough partners. These discussions have resulted in the proposals contained within this report, to lead in the establishment of a GTA for east London, based within the current construction training centre based at Cathall Road in Leyton; combined with a series of hubs for delivery on construction sites across the area.</p> <p>The report highlights the forecasted demand for the services of the centre, the need for the leadership of the project by employers (supported by Council Officers); the rationale for utilising Cathall Road; the financial</p> | | |

| Who will be consulted before decision is made and how will this consultation take place | <p>LLDC, East London Growth Boroughs, London Councils, LBTH Place DLT, development companies as cited in the report, Cabinet Member for Work & Economic Growth.</p> <p>LBTH officers have been in consultation with the LLDC, and together have been in consultation with LBWF and the other east London growth boroughs - this will continue. The Cabinet Member for Work and Economic Growth, and the Director of Place and Place DLT, have been briefed and have approved further consultation and development. The report needs to go the CLT for referral either to Cabinet or directly to the Mayor for Executive approval to continue development as set out in the report.</p> |
| Has an Equality Impact Assessment been carried out and if so the result of this Assessment? | CITB predicts a demand for nearly 440,000 construction workers in London by 2021 (up from 400,000 at present). Currently 210,000 of current construction workers are estimated to come from Eastern Europe. At present, only 5,000 construction workers live in Tower Hamlets. The expectations of the different communities in Tower Hamlets and within London in general and the demographic changes caused by the increased costs of housing in London are likely to exacerbate this position further. Construction is the biggest sector in TH and the establishment of the GTA aims to promote the benefits of the wide variety of careers available in the construction to sector directly to TH residents and neighbouring boroughs, to harness the large number of opportunities and up-skills local residents up to Level 6 and 7 qualifications. |

| Who will be consulted before decision is made and how will this consultation take place | <p>As detailed above.</p> <p>Overall, the strategy has been developed in close collaboration with local stakeholders. The strategy was developed through open dialogue with representatives from a variety of council services. A cross-directorate Working Group has met regularly to lead the strategy and provide input and communication on behalf of directorates more widely. This Group has also included a social housing provider and a community based organisation that was responsible for engaging with, and feeding in voices of the community. All DMTs and Community Plan Delivery Groups as well as the Community Involvement Network have received a presentation on the strategy and had the opportunity to feed in. There have also been a number of articles in Managers' and Members' Briefings, to encourage a wide range of officers and members to feed into the development of the strategy.</p> <p>As well as an online survey open to the wider public, a programme of consultation and engagement was commissioned and delivered by Urban Inclusion (a small local community led organisation). This included engagement with:</p> <ul style="list-style-type: none"> • "Representative" bodies for particular issues or interest groups; • Community groups; • Service user forums; • Steering / taskforce groups; • Other community forums of residents. <p>Engagement included focus groups, interviews and a literature review. The strategy has also been informed by engagement with councillors and the Mayor including a cross-party Members' Seminar and a number of discussions at Transparency and Overview and Scrutiny committees.</p> <p>The draft strategy and action plan are also scheduled for formal consultation from June to July 2017. It is intended that a short, easy to use summary version of the strategy will be the main document consulted on, with the more detailed strategy and action plan available for those who wish to access it.</p> |
