In addition, new issues and changes to existing issues will be published on the website as soon as they are known.

Tower Hamlets Council **Forthcoming Decisions Plan**

What is this document?

The Forthcoming Decisions Plan (or 'Forward Plan') contains information on significant decisions that the Council expects to take over the next few months.

As a minimum this will include notice of:

- All Key Decisions to be taken by the Mayor or Cabinet.
 - This could include decisions taken at public meetings or taken individually at other times.
- Budget and Policy Framework Decisions (for example the Budget Report itself and major policies to be agreed by Council as set out in the Constitution)

In addition the Council aims to publish all other decisions to be taken by the Mayor and/or Cabinet.

Key Decisions

The Council is required to publish notice of all key decisions at least 28 days before they are taken by the Executive. Key decisions are all those decisions which involve major spending, or savings, or which have a significant impact on the local community. The precise definition of a key decision adopted by Tower Hamlets is contained in Section 3 of the [Constitution](#). Key Decisions can be taken by the Mayor, the Mayor in Cabinet or an officer if it has been expressly delegated.

Publication of Forthcoming Decisions

Individual notices of new Key Decisions will be published on the website as they are known on the 'Forthcoming Decisions' page, whilst this 'Forthcoming Decisions Plan' collating these decisions will be published regularly, as a minimum at least, 28 days before each Cabinet meeting. The Plan will be published on the Council's website and will also be available to view at the Town Hall and Libraries, Ideas Centres and One Stop Shops if required.

Urgency

If, due to reasons of urgency, a Key Decision has to be taken where 28 days' notice have not been given. Notice will be published (on the website) as early as possible and Urgency Procedures as set out in the Constitution have to be followed.

Make your views known

The most effective way for the public to make their views known about a Forthcoming Decisions is to contact the lead officer, or Cabinet Member (where stated), listed. You can also view the Council's [Consultation Calendar](#), which lists all the issues on which the Council and its partners are consulting.

Information about the Decision Makers

Further information on the Mayor and Members of the Cabinet can be found on the Council's [website](#).

Notice of Intention to Conduct Business in Private

The Council is also required to give at least 28 days' notice if it wishes to consider any of the reports on the agenda of an Executive meeting (such as Cabinet) in private session. The last row of each item below will indicate any proposal to consider that item in private session. Should you wish to make any representations in relation to item being considered in private please contact Democratic Services on the contact details listed on the front page.

The notice may reference a paragraph of Section 12A of the 1972 Local Government Act. In summary those paragraphs refer to the following types of exempt information (more information is available in the Constitution):

1. Information relating to any individual
2. Information which is likely to reveal the identity of an individual
3. Information relating to the financial or business affairs of any particular person (including the authority handling the information)
4. Information relating to any consultations or negotiations, or contemplated consultations or negotiations, in connection with any labour relations matters arising between the authority or a Minister of the Crown and employees of, or office holders under, the authority.
5. Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings.
6. Information which reveals that the authority proposes:-
 - a) to give under any enactment a notice under or by virtue of which requirements are imposed on a person; or
 - b) to make an order or direction under any enactment.
7. Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime.

Title of Report	Secure Children's Home for London and Pan-London Commissioning Vehicle	Ward All Wards	Key Decision? Yes
Summary of Decision	Children with particularly complex needs, including those who are at significant risk of causing harm to themselves or others, including risk to life, can be placed in a secure children's home when no other type of placement would keep them safe. There is a significant shortage of national secure children's home provision as highlighted by OfSTED and London has no provision. The numbers of children placed are small, but the placements expensive. Further, where places are not available, the alternatives, often requiring multiple ratios of staff for each child, are amongst the costliest placements for children's services. For example, the Association of Directors of Children's Services (ADCS) recently highlighted more than twenty local authorities paying over £20K per week (equivalent to £1 million per year) and one case of £49,680 per week (equivalent to over £2 million per year).		

Forward Plan December 2022

	<p>There are few children requiring secure welfare provision and in the last eight months to July 2022 the numbers per local authority in London ranged from zero to three, with further children being referred but unable to be placed because of a lack of availability.</p> <p>There is an opportunity now to develop and establish secure children's home (SCH) provision in London to bring additional capacity to the market, with funds provided by the Department for Education, but this requires a Pan-London approach.</p> <p>It is proposed that a company, owned by London local authorities, should be established to oversee the build, and contribute to the development of the operating model for the new SCH provision, as well as the commissioning arrangements to run the service. The PLV will be a means to share the risks and benefits associated with developing and running the SCH, with a key benefit being that places at the new provision will be prioritised for the London local authorities who opt in to join the PLV.</p> <p>In the long term, it is intended that the PLV's remit will include other key pan-London commissioning arrangements that will improve the lives of London's children and young people.</p>

A public notice has been placed in the East End Advertiser to reach further stakeholders.</p> <p>A public consultation is taking place between 17 November 2022 and 12 January 2023. This is beyond the statutorily required six weeks, to account for the holiday period. There is a statutory timeframe which means a decision on the designation must be made within 13 weeks of the consultation beginning. Because of this, and the internal Tower Hamlets reporting timeframes, it is not possible to wait until the consultation has finished to bring this issue to DLT. At the DLT and CLT stages, this report therefore recommends that the decision be moved to the next stage of reporting, and that the final decision will be conditional on an assessment of the consultation responses. Title of Report	Financial Arrangements for Tower Hamlets' Better Care Fund 2022-23 Programme (Section 75)	Ward All Wards	Key Decision? Yes
Summary of Decision	<p>It is a condition of receipt of Better Care Fund resources that there should be a joint agreement between the Council and the ICB (NHS Integrated Care Board) under Section 75 of the NHS Act 2006 on how the money will be spent and the arrangements for its governance.</p> <p>Following formal NHSE approval, ICB funding agreed within Better Care Fund plans must be transferred into one or more pooled funds established under the 2006 Act. The Mayor in Cabinet is therefore recommended to agree to the Council entering into a joint agreement with NHS North East London Integrated Care Board (NEL ICB), under Section 75 of the NHS Act 2006, to give formal (retrospective) effect to the 2022-23 Better Care Fund Plan and approve the draft Section 75 agreement.</p> <p>In 2020, Cabinet agreed to delegate the Better Care Fund Section 75 sign off to the Corporate Director, Health, Adults & Community the authority to make amendments and enter into subsequent Better Care Fund Section 75 agreements for a period of five years from 2020/2021. The mayor has requested that this decision is reversed and sign off returned to the mayor in Cabinet.</p>

Recommendation for Direct Award of Learning Disability Supported Accommodation Contracts AHS5141, AHS5144 and AHS5142	Ward All Wards	Key Decision? Yes		
Summary of Decision	<p>The Mayor and Cabinet will be asked to approve the direct award of two contracts for Learning Disability Supported Accommodation that will provide 24-hour care and support to people with high and complex needs. These contracts will replace 3 existing contracts AHS5141 and AHS5144 due to expire in March 2023 and AHS5142 due to expire in May 2023.</p> <p>The Cabinet report will outline the basis for this recommendation which is made in recognition that the care and support is provided as an integral part of service delivery from specialist accommodation that is required to meet HMO and CQC standards. Accommodation of this type is scarce in Tower Hamlets and as the accommodation and support are provided together the options for moving the support to another location is limited due to the lack of alternative provision and will also not be preferable in terms of continuity of care.</p>
