**The Cunard Line**

Be admitted to Liverpool City Council's **Freedom Roll of Associations & Institutions**

Founded in 1840 by Sir Samuel Cunard, the Cunard Line has since its earliest days had close links with Liverpool, with the line's first vessel Britannia crossing to New York in July 1840 and from this date a world recognised brand was born. Owner of some of the most iconic ocean liners in history - Mauretania, Queen Mary, Queen Elizabeth and QE2 - the Cunard Line remains synonymous with the finest in ocean going travel. With a proud association with Liverpool dating back to its inception, generations of Liverpool citizens or their families have either worked or travelled on one of the Cunard liners. The 175th Anniversary celebrations offer a unique opportunity to reaffirm the place of Cunard Line in the city's affections and we look forward to welcoming Cunard's three Queens, the most famous ocean liners in the world to the Mersey in May 2015.
