

## Key lines of Enquiry – Overview and Scrutiny Committee – March 2018

<b>Agenda Item 7.2 Cllr Jones Spotlight Session</b>	
<b>No.</b>	<b>Key lines of Enquiry</b>
<b>1.</b>	<b>Mental Health</b>  <i>Residents with mental health problems suffer high levels of labour market exclusion. Supporting them into work is crucial to our aspiration of enabling social and economic inclusion. What work is being undertaken to improve employment rates amongst this cohort?</i>
<b>2.</b>	<b>Health &amp; Wellbeing Board</b>  <i>A key aspect of the new Health &amp; Wellbeing Strategy is involving communities in driving health improvement. In what sort of ways is this aspiration being realised?</i>
<b>3.</b>	<b>ASC Improvement</b>  <i>The Adults Improvement Board was set up in Spring 2017. What are some the main achievements of the board to date and in what areas do we face the most significant challenges to our performance?</i>
<b>4.</b>	<b>Integration</b>  <i>How would you regard the borough's progress in integrating health and social care services? What do you see as the main outstanding challenges to achieving a fully integrated system by 2020?</i>
<b>5.</b>	<b>Social Workers Recruitment</b>  During the year we have heard a lot of the issues of recruitment and retention of social workers in children services. To what extent is that an issues in Adults Services and what are you doing to address this?
