1. The Standard Conditions of the London Borough of Tower Hamlets made under paragraph 13 of Schedule 3 to the Local Government (Miscellaneous Provisions) Act 1982 as revised on 23rd June 2015. It is the duty of the licence holder to be aware of and abide by those conditions;

2. The following additional conditions specific to this Premises:

42. Without prejudice to Standard Condition 5, at least six SIA registered door supervisors shall constantly monitor the striptease entertainment in the Premises and ensure that all relevant conditions of this Licence are being complied with.

43. The relevant tariff must be drawn to the attention of each customer before they pay any fee or charge.

3.6 A copy of the renewal application is enclosed as **Appendix 3**.

3.7 Maps of the premises location are available in **Appendix 4**.

3.8 Members should note that the two regimes run concurrently therefore the premises licence granted under the Licensing Act 2003 could effectively run without the SEV in operation, if alcohol and regulated entertainment was solely taking place.

4.0 **Layout of the Premises**

4.1 A layout plan of the premises is available in **Appendix 5**. The premise was visited on the 1st February 2018, attended by Licensing Officers, the premises' manager. A checklist of questions was completed with the Applicant. A copy of that checklist is available in **Appendix 6**.

The checklist covered the following points:

- Details of Door Staff attending each evening

- The venue interior and exterior (for example, whether the interior of the premises is visible from the outside)
- Public access areas and approved access to dressing rooms
- CCTV Coverage
- Functionality of the CCTV
- Advertising, both externally to the premises and online
- Information on tariffs, including both dances and beverages

4.2 In conclusion from that visit, the Licensing Officers were satisfied that all conditions of the licence were met. Management were cooperative and records were kept in working order.

4.3 Photograph(s) of the exterior of the premises is available in **Appendix 7**.

5.0 Adverts and Flyers

5.1 The premises has two external light boxes either side of the main doors displaying the opening times only. This can be seen in **Appendix 7**.

5.2 Copies of the adverts and flyers used to promote the premises are included at **Appendix 8**. The application form states *“flyers are distributed to drivers of private hire vehicles and hackney carriage licence holders only. These flyers provide information regarding introductory fees only. The flyers are not made available to members of the public”*.

5.3 The premises also have a website: <http://www.clubwhites.co.uk/>. There is no ‘Over 18’ entry tab.

6.0 Standard Conditions

6.1 The Council has adopted Standard Conditions that were revised on 23rd June 2015, which act as default conditions that are attached to all Sexual Entertainment Venue Licences. These are available as part of the licence in **Appendix 1**.

- Code of Conduct of Customers

7.2 During the compliance check visits, the Code of Conduct for Customers was available throughout the premises, at the main bar and on tables.

The Code of Conduct for Performer and the Dancers' Welfare Policy was also available.

7.3 If the application is granted subject to the Standard Conditions, the codes and policies will have to meet the requirements set out in the Standard Conditions.

7.4 Members have discretion to modify the standard conditions or add appropriate conditions.

12.9 Late representations may be admissible at the discretion of the Council if there's sufficient reason to indicate that applicants will not be significantly prejudiced by the decision to allow a late objection to be considered. In making such a decision the Council will take into account:

13.1 There have been no representations from any of the authorities that have been consulted. The application has received an objection from a local resident. Members are asked to consider this representation when determining the renewal application.

14.0 Summary of Premises and Licence History

14.1 The current premises licence has been in place since 13th March 2006. The licence was amended following a review on the 21st June 2011 and then by a minor variation on the 15th December 2014. A copy of the existing premises licence is available in **Appendix 2**.

14.2 The current licence holder is: Whites Venues Limited, 32-38 Leman Street, London, E1 8EW.

14.3 The Designated Premises Supervisor was last changed to Charles Rapson Fishlock on the 30th March 2016.

15.0 Complaints and Enforcement History

15.1 The premises has received the following complaints in the last 24 months:

| Date | Complainant | Nature of Complaint |
|-----------|-------------|---|
| 4/12/2015 | Patron | Allegation of complainant's drinks being spiked and total value of £10,000 taken from credit card without complainant's recollection. Already being looked into by Police and Trading Standards advised as to make a civil claim. |

15.2 The premises has received the following visits by the Local Authority in the last 24 months:

| Date | Authority (TS/Lic) | Nature of visit |
|------------|---|--|
| 20/11/2015 | Licensing, Trading Standards and Police | <p>During the inspection, the venue was broadly compliant. However, there are some areas of concern:</p> <ul style="list-style-type: none">• When Officers arrived at the premises we were not permitted immediate entry. Security made us wait outside until management had been radioed and sent to meet us. This is not adequate, the Police or Officers of the Authority should be admitted as soon as they arrive, upon producing appropriate identification and/or warrants;• The SEV licence is on the wall, framed, however, only the first page is displayed. The whole licence needs to be available to view;• The House Rules must be made available to patrons upon entry. At present, the door opens on to the rules thereby concealing them. This sign needs to be moved to a prominent position;• There are serious concerns in regards to the CCTV. It was explained to me, that as a result of a vermin infestation, |

| | | |
|------------|-----------|---|
| | | <p>rodents had bitten through various cables leading to a hard drive. Whilst the CCTV was recording current activity, any historical data had been lost. If CCTV was inoperable in an area in the Club, that area had been closed (including some of the private performance rooms). The Authority had not received prior notice of this issue. I have therefore asked that the Authority be formally written to with an explanation of these incidents. Further we have asked that the areas without CCTV remain closed. The affected hard drive requires forensic examination to see if lost data can be retrieved and an example sent to us. The Standard Conditions make it very clear that footage be retained for 31days, and therefore the venue is currently in breach of that condition.</p> <p>Response letter received on the 11th January 2016 from licence holder advising that repair works and recommendations by Trading Standards regarding the CCTV system are being carried out. A service report from "Bromley Security Systems" included.</p> |
| 09/06/2016 | Licensing | SEV public notice check. All ok |
| 24/06/2016 | Licensing | Renewal compliance check visit. |
| 12/06/2017 | Licensing | Renewal compliance check visit. |
| 12/06/2017 | Licensing | SEV public notice check. All ok |
| 01/02/2018 | Licensing | Renewal Compliance Check See Appendix 6 for the checklist. |
| 13/06/2018 | Licensing | SEV public notice check. All ok |

15.3 The premises has been subject to the following enforcement actions in the last 24 months:

| Date | Authority (TS/Lic) | Nature of Enforcement |
|------|--------------------|-----------------------|
| None | N/a | N/a |

16.0 Policy - Appropriate Number of Sexual Entertainment Venues

16.1 The Council has determined that there are a sufficient number of sex shops, sex cinemas and sexual entertainment venues currently operating in the borough and it does not want to see an increase in the numbers of premises that are currently providing these activities.

16.2 The Council intends to adopt a policy to limit the number of sexual entertainment venues in the borough to nil however it recognises that there are a number of businesses that have been providing sexual entertainment in Tower Hamlets for several years. The Council will not apply this limitation when considering applications for premises that were already trading with express permission for the type of entertainment which is now defined as sexual entertainment on the date that the licensing provisions were adopted by the authority if they can demonstrate in their application:

- High standards of management;
- A management structure and capacity to operate the venue;
- The ability to adhere to the standard conditions for sex establishments.

16.3 The Council will consider each application on its merit although new applicants will have to demonstrate why the Council should depart from its policy. Furthermore if any of the existing premises cease trading there is no presumption that the Council will consider any new applications more favourably.

17.0 Home Office Guidance

17.1 The Home Office issued guidance to local authorities in March 2010 to assist local authorities in carrying out their functions under the Act.

17.2 The Council can refuse applications on grounds related to an assessment of the relevant locality. A licence can be refused if either, at the time the application is determined the number of Sexual Entertainment Venues, or Sexual Entertainment Venues of a particular kind, in the relevant locality is equal to or exceeds the number that the authority considers appropriate for that locality; or that a Sexual Entertainment Venue would be inappropriate having regard to the character of the relevant locality, the use to which any premises in the vicinity are put or the layout, character or condition of the premises. Nil may be the appropriate number.

17.3 The decision regarding what constitutes the 'relevant locality' is a matter for the Council. However, such questions must be decided on the facts of the individual application.

17.4 Once the Council has determined the relevant locality, it should seek to make an assessment of the 'character' of the relevant locality and how many, if any, Sexual Entertainment Venues, or Sexual Entertainment Venues of a particular kind, it considers appropriate for that relevant locality.

18.0 Licence Conditions

18.1 Once the Council has decided to grant a licence they are able to impose terms, conditions and restrictions on that licence, either in the form of conditions specific to the individual licence under paragraph 8 of Schedule 3 of the Local Government (Miscellaneous Provisions) Act 1982, or standard conditions applicable to all Sexual Entertainment Venues, or particular types of Sexual Entertainment Venues.

18.2 Where the Council decides to produce standard conditions under paragraph 13 they will apply to every licence granted, renewed or transferred by the authority unless they have been expressly excluded or varied.

18.3 Most sexual entertainment venues will require a Licensing Act 2003 licence as well as a Sexual Entertainment Venue licence. Where this is the case, local authorities should avoid duplicating licence conditions and should ensure that conditions imposed on the each licence are relevant to the activities authorised by that licence. For example, conditions relating to the sale of alcohol should only appear on a premises licences or clubs premises certificate and should not be imposed on sexual entertainment venue licence. Likewise, conditions relating the provisions of relevant entertainment should appear on the sexual entertainment venue licence and not a premises licence or club premises certificate. Local authorities should also avoid imposing conditions on either licence that are contradictory.

18.4 In many cases licences granted under the 2003 Act to existing operators will contain conditions that relate expressly and exclusively to the provision of relevant entertainment. Such a condition might prohibit contact between a performer and customer during a lap dance. In these cases, in order to avoid duplication, where conditions on premises licences or club premises certificates relate only to the provision of relevant entertainment, they shall be read as if they were deleted from the 3rd appointed day onwards.

18.5 In cases where conditions on a premises licence or clubs premises certificate are inconsistent with, and less onerous than, the conditions in the licence granted under the 1982 Act they shall likewise be read as though they have been deleted.

19.0 Sexual Entertainment Venues and Determination

19.1 Members should consider the relevant legislation, the Council's SEV Policy and Standard Conditions (see **Appendix 17** and **Appendix 1** respectively).

19.2 A copy of LBTH Sexual Entertainment Venue Policy is produced in **Appendix 17** for Member's information.

20.0 Legal Comments

20.1 The Council may refuse an application for the grant or renewal of a licence on one or more of the grounds specified below (Sch 3 para 12(1) LGMPA ('the Act'), as amended by reg 47 (4), Provision of Services Regulations 2009):

20.2 The mandatory grounds for refusal are as follows:

- (a) the applicant is under the age of 18;
- (b) that the applicant is for the time being disqualified from holding a licence;
- (c) that the person is a person other than a body corporate, who is not resident in the U.K. or was not resident in the U.K. throughout the six months preceding the date of the application;
- (d) that the applicant is a body corporate which is not incorporated in the U.K; or
- (e) that the applicant has been refused a sex establishment licence for the premises within the twelve months preceding the date of the application and the refusal has not been reversed on appeal.

20.3 The Committee has discretion to refuse the application if any of the following grounds for refusal apply under para. 12(3) of Schedule 3 of the Act.

The discretionary grounds for refusal are as follows:

- (a) the applicant is unsuitable to hold a licence by reason of having been convicted of an offence or for any other reason;
- (b) that if the licence were to be granted, renewed or transferred, the business to which it relates would be managed by or carried on for the benefit of a person other than the applicant who would have been refused a licence if they had applied themselves;
- (c) the number of sex establishments exceeds the number or is equal to the number which the council consider is appropriate for that locality; or
- (d) the grant or renewal of licence would be inappropriate because of:
 - i. the character of the relevant locality;
 - ii. the use to which the premises in the vicinity are put; or
 - iii. the layout, character or condition of the premises, vehicle, vessel or stall.

(In relation to premises, 'the relevant locality' means the locality where the premises are situated).

20.4 There is a right of appeal to the Magistrates' Court, as set out in para. 27 of Schedule 3 of the Act. An appeal against the decision of a Magistrates' Court may be brought to the Crown Court. In addition, the decision of the Committee may be appealed on established public law principles.

20.5 The Committee should only consider those comments within the written objection or made orally at the hearing which are relevant to the mandatory or discretionary grounds for refusal. Comments within the written objection or orally at the hearing which relate to moral grounds, for example, must not be considered by the Committee.

20.6 The Council's legal adviser will give advice at the Hearing.

21.0 Finance Comments

21.1 The Chief Finance Officer has been consulted on this report and there are no direct financial implications emanating from this report. However, there are possible cost implications if the Decision was appealed to the Magistrates' Court, Crown Court or if a Judicial Review was lodged. The Licence fees would be expected to cover the cost of administration and compliance.
