

Overview and Scrutiny Committee
Councillor Dipa Das - Scrutiny Lead for Place and Chair of HSSC
28 January 2019

1. The HSSC through its theme focused work programme has in this financial year looked at housing supply and quality housing. In particular:
 - a) Exploring measures to speed up the re-let of void housing stock
 - b) Empty and second homes – whilst still in large numbers there is a visible decline since 2011, possible influencers include a stronger housing market, empty homes surcharge.
 - c) Common Housing Register and Allocations Policy – Explored prioritisation criteria, bandings and targets, medical need decisions. We did have concerns raised on band 3 applicants (not in housing need) and 3% target – because about 2,000 of the 8,000 applicants registered have been waiting 12 years. A review of the allocations policy is planned and HSSC has asked to feed into this process into this process.
 - d) Social Housing Green paper – explored proposals, the TH view, likely impact and resident engagement. The SHGP is only a small step towards delivering more social homes.
 - e) Under occupation scrutiny review, tracking delivery of recommendations. C. 1k under occupiers on housing waiting list, encouraging and supporting of moves should be strengthened.
 - f) Social housing fraud – explored landlord interventions to identify and tackle fraud. c. £12m secured across borough via court actions.
 - g) Fire safety – No Council high rises with remaining Aluminium Composite Material (ACM) cladding, RPs have 9 blocks with ACM cladding remaining with wardens and evacuation plans and remedial actions in place. Government message for building owners to cover costs of removal and replacements from insurance, however charging leaseholders could result in increased evictions. RPs will access Gov grant £400m as required. Awaiting legislative changes to building regulations.
 - h) Reviewed strategic plan performance, priorities, challenges and next steps, next updated to include Mayoral pledges.
 - i) Reviewed social landlord performance report, concerns raised around underperformance (clarion HA). This was discussed with the THHF benchmarking sub group who have also been asked agree a measure to report on evictions for those in receipt of universal credit (in rent arrears).
2. **Next meeting** – 29th January 2019 – Affordability / finances
 - a) Items include budget scrutiny, service charges for leaseholders and the THH strategic review (options appraisal).
