Dear Mr Nagpal,

We write further to your email to our client Mr Yau below. Mr Yau has asked that we respond direct.

Our client's position in relation to the premises licence is that Mr Bugby remains part of the management team at Unit 2 Gunthorpe Street and our client is therefore continuing to lawfully trade from the premises under the premises licence in situ.

[REDACTED]

We trust that our client's response is satisfactory and that he will be allowed to continue trading from the premises without any further disruption.

Yours faithfully,

BRIDGE McFARLAND

Mr Yau

There has been an complaint lodged: regarding the premises at 1 Gunthorpe Street being open and advertising massage without a licence in place (due to the licensee's leaving the premises and the old tenants moving back).

Can you confirm how you are currently using the premises. I will require a reply in writing.

All the best
