Dear Lekan

I write to register my strong objection to the application for Special Treatment Licence for the company **Genesis New World London Ltd** proposing to trade at **87 Whitechapel High Street, 2nd Floor, E1 7QX**

I am deeply concerned at the increasing nexus of special treatment establishments with approved licenses from Tower Hamlets being used as a cover for brothels. This was confirmed with a similar property let by the agent Reality Properties Ltd for the business **The Relax Studio**, Nagpal House, 1 Gunthorpe Street, London, E1 7RG. [REDACTED]

Gunthorpe Street is in close proximity to 87 Whitechapel High Street and suffers from repeated incidents of anti-social behaviour and often the exterior of Healthy Paradise Ltd being used as a safe-haven for drug addicts and their dealers. There is a likelihood of further nuisance and crime being caused as 87 Whitechapel High St is in very close proximity to Healthy Paradise Ltd, Nagpal House, 1 Gunthorpe Street, E1 7RG.

Regards,

Craig Hutchinson
