The London Borough of Tower Hamlets is a Charging Authority for the purposes of Part 11 of the Planning Act 2008 and may therefore charge the Community Infrastructure Levy (CIL) in respect of development in its Charging Authority area.

2. **Date of Approval**

CIL will be chargeable on the net additional floorspace (gross internal area\(^1\)) of all new development apart from those exempt under Part 2 and Part 6 of the Community Infrastructure Levy Regulations 2010 (as amended). These exemptions include:

- Developments where the gross internal area of new build\(^2\) on the relevant land will be less than 100 square metres except where the development will comprise one or more dwellings;

- Buildings into which people do not normally go, or go into only intermittently for the purpose of inspecting or maintaining fixed plant or machinery;

- Development where the owner of a material interest in the relevant land is a charitable institution\(^3\) and the development will be used wholly (or mainly) for charitable purposes.

4.2 In addition, the Regulations also allow exemptions to be claimed for self-build housing, and residential annexes and extensions over 100 square metres (regulation 42A and 42B). Affordable housing will be eligible for relief from CIL (regulation 49).
