20<sup>th</sup> January 2020

Dear Sir,

Tower Hamlets Police formally object to the Temporary Event Notice for Unit 3, 39 Autumn Street, E3 2TT. The TEN is for 10pm on the 1<sup>st</sup> February until 6am on the 2<sup>nd</sup> February. This objection is on the grounds of preventing Crime and Disorder and preventing Public Nuisance.

The applicant has only just taken control of the lease of the premises which was previously run by "Bloc" as a night club and event space for over 5 years with few issues.

The applicant has run one event at the venue on New Years Eve 2019 which resulted in complaints from local residents, which have been included in this objection. Police Licensing also attended the event had concerns about the way the event was run. These issues are also detailed in this objection.

I contacted the applicant Mr Daniel Prosser on Monday the 20<sup>th</sup> January 2020 to discuss the application and the concerns I have. In the application he states that the promoter is someone they have worked with previously and the event has a crowd they are used to. I asked Mr Prosser where he had worked with the promoter previously, who the promoter was, what sort of music they played, and who the crowd are and what they are like?

Mr Prosser said he did not know the promoter or the crowd, that the event was booked by the leaseholder Mr Kiri Poulos. I explained to Mr Prosser that is was very concerning that he has applied for a Temporary Event Notice running until 6am and he did not know anything about who was performing, what crowd they would attract or any issues that might occur.

I also explained to Mr Prosser that I had serious concerns about the event they ran on New Years Eve 2019 which are listed below:

As we approached the entrance we could see a smoking area by the front entrance, there were about 8 people smoking. As we got closer we smelt cannabis being openly smoked by customers. Security doing nothing to stop this, when I asked them if they could smell cannabis and drew their attention to the people smoking it they said they could smell it but they could not do anything about it. There were customers smoking inside the venue as well.

There was no searching of customers queuing to get in, which would explain why customers were able to bring cannabis into the venue. It is very concerning that for a very late New Years Eve Party there was no searching meaning people could have brought even more drugs or weapons into the venue. It was only after I raised this did security start searching customers.

There were no clickers being used so nobody keeping an accurate count of the number of people in the venue. Inside the main hall it was very crowded, it was impossible to judge numbers as it was so dark, and the people were standing shoulder to shoulder due to the lack of space.

We saw many drunk customers at the venue, one was so drunk he was unable to walk by himself and had to be carried out by his friend, I had to direct security to help them. There seemed to me to be no customer care being given by staff at the venue.

With the number of drunk people at the venue I asked to see the refusal logs. After a 5 minute wait I was presented with a crumpled bit of paper with a few refusals written on it. It was all in the same handwriting and given the number of drunk people I saw it was not credible.

This was a poorly run event and if we had not visited then the issues we raised would not of been addressed. It is lucky there were no serious incidents.

There were also complaints from local residents about this event

One resident wrote:

*"We were then horrified when this new crowd took over and within days had put on a very noisy very disruptive overnight event which caused us amongst other things, loss of*

*sleep, numerous drug paraphernalia littered all over the place, an illegal road closure, illegal footway obstruction by parked vehicles, urination up against our properties pools of sick outside my front door damage to my plants in my window box and litter left all along the streets all around”*

Another resident wrote:

*“When the previous TEN application was granted (in December), the event in question caused more problems than Bloc. It wasn't in any way controlled, we were woken up by their guests as they threw fireworks in the air and let off a huge fire work outside the LightHouse pub. This was at CIRCA 5.30am. When we looked outside we saw people urinating in the street and shouting. We had cars outside waiting for their guests revving their engines for over an hour and once again we had the incessant noise of taxi's beeping their horns when they drop the guests off. This is in addition to the bass going off in our bedroom for the entire evening. Frankly, enough is enough and my family and I are sick and tired of living in an area whereby residents are treated with such disdain.”*

Having a late night event running until 6am requires that we can trust that the operators, and we simply based on the previous event, and the lack of detail about this event allow this TEN to run. We believe that there is a real risk of crime and disorder taking place at this event and therefore ask for it to be rejected.

**Subject:** MAU REPRESENTATION 125761 Bloc/Autumn Street Studios Unit 3, 39 Autumn Street, London

Dear Licensing,

I have considered the Temporary Event Notice (TENs) application Bloc/Autumn Street Studios Unit 3, 39 Autumn Street, London, for the 1<sup>st</sup> February 2020 (ref 125761), and the potential impact of public nuisance and measures to prevent noise generated from within the premises or outside it which could cause disturbance to people in the vicinity.

It should be noted a complaint was reported to the Council regarding a TEN event the new organisers had, as recently as New Year's Eve.

The applicant is asking for licensable activities as follows:-

- **The provision of regulated entertainment until 06:00 hours in the morning**
- **The sale by retail of alcohol until 06:00 hours in the morning**

**Sensitive premises:** Residential premises in close proximity to Bloc/Autumn Street Studios Unit 3, 39 Autumn Street, London

In my view the TENs application, as it stands fails, to comply with the objective of the Licensing Act 2003 relating to "public nuisance" for the following reasons:-

- Noise breakout from the venue affecting neighbouring residents.
- Access & egress to and from the venue, of patrons, especially due to patrons likely to be in high spirits; and
- The hours of operation (inclusive of proposals)

### **CONCLUSION**

Environmental Protection **does not** support the TENs application for Bloc/Autumn Street Studios Unit 3, 39 Autumn Street, London as there is great likelihood of disturbance to residential premises at the noise sensitive hours sought.
