| | | | | young people | |

| Improve Educational Outcomes | March 2012 | Service Head Young People and Learning, Children's Services | Improve the educational outcomes of young people | Share what works to raise qualification levels by 19 while narrowing the attainment gap for those from poorer homes. Ensure that all post-16 providers can demonstrate they are really helping all learners to improve and are adding at least the expected value to learner outcomes. Further involve our university partners in preparing more young people for higher education and support a third of young people into university at 18. | and the interventions required to support them. The LEA will be completed by July 2010. A range of study support programmes are in place. Study partnerships with QMU, TH College and secondary schools continue to support 16-19 year olds in the borough. | |
|------------------------------------|---------------|--|--|---|---|--|
| | March 2010 | Service Manager Looked After Children, Children's Service | Enhance support of young people in their transition from compulsory education into adulthood | Prioritise the needs of our looked after children and young carers to ensure they receive appropriate levels of advice and support about education, employment and training options | Every young person has a Pathway Plan completed at the age of 16, which addresses ETE options. Each young person | |
