Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e) (please read guidance note 9)

We will run an upmarket, female-friendly establishment aimed at attracting a mostly professional clientele. No irresponsible drinks promotions will ever be run, and the style and set up of the venue will be conducive to a safe, welcoming atmosphere. Necessary crime prevention measures will be taken, such as installing c.c.t.v. and becoming part of the local bar watch scheme.

b) The prevention of crime and disorder

The site will have c.c.t.v. installed covering both inside and outside areas, including all entrances to the building. We will become members of the local bar watch scheme, which helps to reduce anti-social behaviour in and around licensed premises. Staff will be trained to spot somebody who is drunk and instructed not to serve them. Anybody who is clearly drunk will be asked to leave the premises, and anybody we suspect may cause any disruption or nuisance inside or outside the premises will immediately be reported to the police.

c) Public safety

No irresponsible drinks promotions (happy hours etc, including anything that promotes any form of binge drinking or anti-social behaviour) will be run. We will serve food and soft drinks throughout the day and evening, and will offer free tap water at all times. Ground floor access is available to the building and disabled toilet. We do not have a kitchen with gas supply, reducing potential fire hazards. Relevant health and safety notices will be clearly displayed for the attention of the staff. Fire exits will be clearly lit and marked, and fire extinguishers will be provided as detailed in the plans. All entrances will be free from obstruction at all times.

d) The prevention of public nuisance

The majority of the trade along West India Quay will be over lunchtimes and after work. This means that people will drift off at different times throughout the evening, so there will be no large number of people leaving at closing time on any evening, or at any other point during the day or night. Customers will be asked to leave quietly so as not to disturb local residents. The site will only serve alcohol until 11pm each day (10.30pm on a Sunday) so there will be no late night disturbance from the site.

e) The protection of children from harm

While we envisage a predominantly professional customer base, the Canary Wharf area is an interesting location for people to visit, and families do use other facilities in the area (such as the shops and cinema). Therefore, children accompanied by an adult will be permitted onto the premises up until 9pm each day, so long as they are seated away from the bar. No person under the age of 18 will ever be served alcohol or permitted to drink alcohol in the premises. Staff will be trained to challenge anybody suspected of being under the age of 21 to provide a recognised form of photographic identification to prove they are over 18 years of age and legally allowed to purchase or consume alcohol.

Dear Sir

I note the above referenced application for an entertainment licence, and for the consumption of alcohol until later in the evening.

I am resident in the apartment directly above this unit and wish to register my strong opposition to this application.

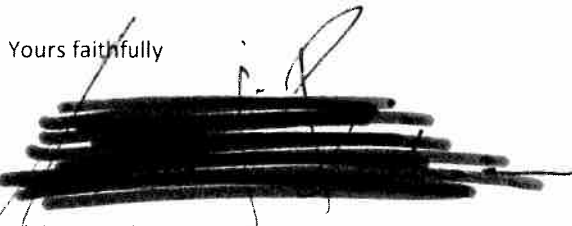

West India Quay already has a number of such premises with the same licence details; another is simply not required and will contribute further to the high levels of noise pollution suffered by all residents within the development. This particular premise is a small unit and is not conducive to drinking inside, as can be observed in the Beluga Café directly opposite. It is likely therefore that most clientele will be making use of the outside space; space that has already been assumed by Bar 38. It can hardly be considered, therefore, that a further vendor is in the least bit necessary and adds to an already wide set of consumer options.

Indeed, from a commercial prospective, the bar in the opposite unit, Café Beluga, has closed and reopened over the course of the last year and a number of bars have been in this particular unit and also closed.

I appreciate the attempt by the Council to be strict with licences and their enforcement in this area. However, in practice I was able to walk straight past a sign inside Bar 38 informing "No drinking outside after 10.30pm" on a Friday evening at 11.00pm without challenge from any of the staff associated with this particular premises.

Another additional bar will not contribute in anyway to the drinking and eating options available to the consumer and will add further to the already not unnoticeable noise pollution.

Yours faithfully

Andrew Buchanan

Appendix 4

Noise while the premise is in use

General Advice

If they conclude this is a problem Members should consider whether it is possible to carry out suitable and proportionate noise control measures so that noise leakage is prevented. In addition Members may consider that only certain activities are suitable.

The hours of operation also need to be considered (see below).

If Members believe that there is a substantial problem of noise while the premises are in use and it cannot be proportionately address by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. (**See Sections 8.1 of the Licensing Policy**).

The policy also recognises that staggered closing can help prevent problems at closure time (**See Section 12.1**).

However, while all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. (**See Section 12.4**).

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. (**See Sections 8.2 of the Licensing Policy**).

The Licensing Authority will consider attaching conditions to prevent nuisance and these may include Conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. (**See Appendix 2 Annex D of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a "beer garden", or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly

-
- Conditions controlling the use of explosives, pyrotechnics and fireworks
 - Conditions controlling the placing of refuse
 - Conditions controlling noxious smells
 - Conditions controlling lighting (this needs to be balanced against potential crime prevention benefits)

Police Powers

Part 8 of the Licensing Act 2003 enables a senior police officer to close down a premises for up to 24 hrs. a premises causing a nuisance resulting from noise emanating from the premises.

Guidance Issued under Section 182 of the Licensing Act 2003

The Licensing Policy has adopted the recommended Pool of Conditions as permitted (13.20 and Annex D).

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community (2.33).

Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.36) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder (2.38).

Other Legislation

The Environmental Protection Act 1990, Part 111 gives Environmental Health Officers the power to deal with statutory nuisances.

The Anti-social Behaviour Act 2003, Sections 40 and 41 give Environmental Health Officers the power of closure up to 24 hours in certain circumstances.
