25th June 2010

Dear Ms Randall

**Re: Premises Licence application**  
**118 Brick Lane, E1 6RL**

I write with reference to the above application, which was received in this office on the 2nd June 2010

Please accept this letter as notification that the police, as a responsible authority, are objecting to this application on the grounds that if granted in full, two out of the four licensing objectives will not be met; namely

**Prevention of crime and disorder**  
**Prevention of public nuisance.**

Brick Lane is already a very busy area, one which would be suitable for a saturation policy. Although the night time economy is important it has to be balanced between the needs of the local businesses and those of the local residents.

I believe that the hours applied for are excessive. The hours exceed the vast majority of other restaurants' hours in Brick Lane. If the licence was to be granted, I believe there would be a number of other restaurants that would apply for similar hours. This would have a detrimental effect on the lives of the local population.

Although the overall figures in regard to crime cannot be placed against any individual premise, I believe the increased opening hours and the increased number of licensed premises has led to an increase of crime, with their customers becoming victims.

The police and their partners in LBTH have conducted joint enforcement operations targeting Brick Lane and the surrounding streets which have been very successful. Brick Lane prior to the December 2009 operation was described as:

- A long-term hot spot for crime with one of the highest crime densities in the borough.

Following Operation Autumn that lasted between the 3rd December 2009 and the 20th December 2009, the following statistics showed

**The majority of offences are shown to have occurred along Brick Lane itself. The majority of offences during the operation occurred during expected peaks for this area, which is between Friday and Sunday, 2000-0400 hours.**

During the period of the operation last year there were 38 arrests. This year, there were slightly fewer arrests at 34. However, this is likely to be attributable to the low levels of serious incidents that were experienced in the location at the time of the operation. These arrests resulted in 12 charges, including those for ABH, Public Order, Affray, Shoplifting and Possession of Drugs offences. In addition there were 19 cannabis warnings during the operation. There were also over 400 stops, which is an increase of 25% on the operation from last year.

Further to the above, between the 23rd July to the 30th August 2009 a Dispersal Zone was introduced in Brick Lane and its surrounding streets. It operated between 1800 to 0200. The aim of this policy is to disperse groups of two or more, where their presence or behaviour has resulted in or likely to result, in a member of public being harassed, intimidated, alarmed or distressed.

Fifty-eight crimes were reported: an increase from the previous year of 34 crimes. However a number of these crimes could be described as "police generated".

During the dispersal order there was 7 ABH's compared to 4, five weeks prior to the order.

Drug possession increased from 11 to 14. However drug supply decreased from 3 to 1. Theft person decreased from 8 to 5 and other theft (handbags etc) fell from 24 to 16. There was no displacement of crimes to surrounding wards during this period.

Over the last year, I believe the police and its local authority partners have worked together to improve the lives of the local residents. I cannot see by granting this application it would be of benefit to the local community. I ask the committee to reject this application.

If however the committee is to grant the application, I would like them to consider the following:

#### Times

1. All licensable activities

Mon - Sun 1200 - 2330

Opening Hours

Mon - Sun 1200 - midnight.

---

Christmas and New Year to be applied for by means of a TEN (or agreed hours of licensable activities until 0030, closing at 0100)

Conditions

1. Install / maintain CCTV

The CCTV system shall incorporate a recording facility and any recordings shall be retained and stored in a suitable and secure manner for a minimum of 31 days. A system shall be in place to maintain the quality of the recorded image and a complete audit trail maintained. The system will comply with other essential legislation, and all signs as required will be clearly displayed. The system will be maintained and fully operational throughout the hours that the premises are open for any licensable activity. There must also be someone on the premises, who can download the images and present them immediately on request by a police officer or other responsible authority,

### **Objection to Premises License, 118-122 Brick Lane**

The Planning Department wishes to object to the granting of a Premises License at 118-122 Brick Lane on the basis that the opening hours and the hours by which alcohol can be served are excessive. Approving these hours will result in a greater degree of noise and disturbance to persons living in the area, later into the night than what is already occurring.

As an aside from this, 118 Brick Lane does not have planning permission to operate as a restaurant and 120-122 Brick Lane has planning restrictions on the hours by which the premises can be open, these hours are:

- 9am – midnight, Monday to Saturday
- 10am – 11pm, Sundays and Public Holidays

Mr Hussain had an application refused for the extension of these hours in 2000 and was warned in writing in 2006 and 2009 about his continuous breaching of these hours. Despite this Mr Hussain has continued to operate in breach of his approved planning hours and when approached by Planning Enforcement Officers has been less than co-operative.

The applicant has also continued to operate past 11pm and supply alcohol despite his Premises License expiring on the 7<sup>th</sup> April 2010 and a warning letter being sent from the Licensing Authority on the 4<sup>th</sup> May 2010.

The disregard the applicant has had to both planning and licensing laws means the Local Planning Authority has serious concerns about the willingness of the applicant to meet any conditions imposed on the Premises License or keep to any hours of operation granted.

### **Public Nuisance**

Brick Lane is very much a mixed use area that has a large residential population as well as a range of bars and restaurants that contribute to a thriving and in some instances out of control night time economy. Over the last 10 years the nature of the area has changed considerably with the influx of numerous restaurants, bars and clubs. With the influx of these types of uses has come an influx of people and Brick Lanes reputation as a place to eat and go out has become famous for Londoners and tourists alike. No one wishes to see the unique culture of

Brick Lane eroded but there needs to be a balance between night time activities and the right to a period of peace and quiet for the many residents who live in the area.

The Planning Enforcement Team has conducted a number of visits down Brick Lane, including in the early hours of the morning. There is a large amount of activity on the streets, especially up until 1am, when many of the bars at Truman's Brewery close. After this time (assuming no temporary events are occurring at any of the Truman Brewery venues) activity tends to die down as people drift away from the area or to other late night venues in the city.

Allowing the opening of this venue to 2am will result in noise and disturbances to residents later into the evening than what currently occurs, especially as people leave the venue and walk through residential streets in high spirits, shouting and laughing.

There is already a serious issue in Brick Lane with the cumulative effect of having so many bars and restaurants in a small area, on a narrow road. Visits by officers have witnessed numerous issues with people fighting on the streets, urinating, shouting, drinking and generally being anti-social.

I would refer to the Council's Licensing Policy which states the following:

More scrutiny should be given to premises operating past midnight on Friday and Saturdays, past 11.30pm on Mondays to Thursdays and past 10.30pm on Sundays. In particular the following points should be taken into consideration.

- The location of the premises and the general character of the area in which the premises are situated. (i.e. does the area include residential or business premises likely to be adversely affected).
- The proposed hours during which licensable activities will be take place and the proposed hours during which customers will be permitted to remain on the premises.
- The adequacy of the applicant's proposals to address the issues of (a) the prevention of crime and disorder and (b) the prevention of public nuisance.
- Where the premises have been previously licensed, the past operation of the premises.
- Whether customers have access to public transport when arriving at or leaving the premises at night time and in the early hours of the morning.
- The proximity of the premises to other licensed premises in the vicinity and the hours of those other premises.

The location of the premises is in an area where residential properties are likely to be adversely affected by noise from patrons leaving the venue.

No information had been given on how the applicant intends to address the issue of patrons leaving the venue in the early hours of the morning and what measures will be taken to manage clients and control noise as they disperse away from the venue. There is little in the way of public transport at this time of night, in the immediate vicinity of the venue and patrons would be required to walk through residential streets to Aldgate, Liverpool Street, or Bethnal Green Road.

The continued granting of Premises Licences for new premises and for longer hours has now reached a point where the area is completely overwhelmed with people on Friday and Saturday evenings. Approving this Premises License for this venue will cause a public nuisance for people living in the area far later into the night. The current situation is hardly tolerable let alone allowing another premise in this area to operate until 2am.

## **Conclusion**

Planning Enforcement **do not** support the application by Pushpita Ltd to supply alcohol at 118-122 Brick Lane until 2am as this will cause a serious public nuisance to surrounding residential occupiers later into the evening than what currently occurs. Brick Lane has reached a point where the late night economy is drawing uncontrollably large volumes of people to the area, late at night (especially on weekends) and this is causing a serious late night noise and disturbance issue to residents who live in the area. The granting of this Premises License will not maintain a balance between commercial activities and residential amenity, in an area where this is clearly required.

As an aside, the hours being applied for cannot legally be implemented as the premises does not have planning permission nor is planning permission likely to be granted.

The Local Planning Authority would support the application if the hours of operation were restricted to 12 midnight, in accordance with the applicant's planning permission.

**Re: THE LICENSING ACT 2003  
APPLICATION FOR A NEW PREMISES LICENSE  
118,BRICK LANE, E1**

I have carefully examined the application dated the 21st May 2010 submitted by Pushpita UK Ltd in respect of the above premises.

After careful examination of the application, I regret that I have no alternative but to OBJECT to this application for the following reasons:

- (1) The hours of opening to the public are stipulated to be (i.e.) from 12 noon to 02.00 hours seven days a week.  
The proposed hours of opening are therefore, both excessive and unreasonable in my professional opinion.
- (2) The hours proposed for the sale of alcohol for consumption on the premises are exactly the same as the proposed opening hours with no 30 minutes "drinking up time" allowed for by patrons which is unworkable. This is both unrealistic and unacceptable.
- (3) Section L of the application form relating to the application for a Late Night Refreshment License has been left blank by the applicant and not filled in at all even though the applicant intends for the premises to remain open until 02.00 hrs seven days a week.
- (4) The managerial controls referred to in how the applicant intends to address the serious issues relating to the Prevention of Public Nuisance have not been properly addressed and are totally inadequate.

In light of the above, I have no alternative but to OBJECT to the granting of a new Premises License in this instance.
