Dear Ms Randall

Re: The application for a premises licence
Favourite Chicken Ribs, 255 Bethnal Green Road,E2 6AH

I write with reference to the above application which was received in this office on the 16th of June 2010

Please accept this letter as notification that the police as a responsible authority wish to object to this application on the following licensing objective

The prevention of crime and disorder
The prevention of public nuisance

There are no other late night eateries within the immediate vicinity that are open until the time requested.

Although Bethnal Green Road has a number of licensed premises all along the street, it still has a considerable residential population. The night time economy has to be balanced between the needs of local businesses and the welfare of the nearby residents.

The application to remain open until 4am for late night refreshments in my opinion is excessive and would certainly have a detrimental effect on the local residents. The rest of the hours applied for are also excessive and does not take into consideration the welfare of the local residents.

Also of concern, is that the late night refreshments requested does not match the closing hours. For example, the refreshments requested for Friday and Saturday is up to 2am. The closing hours requested is 4am. What will their customers be doing for two hours after the last meal is served. I believe this can only increase the potential for ASB.

It is unfortunate but late night eateries often attract people who are either under the influence of alcohol who can be very loud or it can attract people who are either anti-social or violent. With the best will in the world, it is difficult for staff to stop the noise or the potential ASB

On the 29/01/10, Bethnal Green Police Licensing Unit and LBTH Licensing made a number of visits to late night eateries, one of which was Favourite Chicken. They entered at 23.30 and hot food and drinks were still being served. As they had no licence, this activity should have stopped at 2300. A warning letter was later sent by LBTH Licensing.

I believe if any further late licences are granted until the early hours of the morning it will lead to further applications from nearby eateries which would be of great concern to the local residents and the police. Tower Hamlets has many late night eateries, even in this stretch of the road and adding another one would only compound ASB and public nuisance.

I ask the committee to reject the application.

If however the committee is to grant the application I would like them to consider the following times

Late night refreshments: Mon - Sat 2300 - midnight
Sun to remain at 11pm

Opening Hours Mon -Sat 1100 - midnight
Sun to remain at 11pm

I would also like them to consider the following condition

CCTV

The CCTV system shall incorporate a recording facility and any recordings shall be retained and stored in a suitable and secure manner for a minimum of 31 days. A system shall be in place to maintain the quality of the recorded image and a complete audit trail maintained. The system will comply with other essential legislation, and all signs as required will be clearly displayed. The system will be maintained and fully operational throughout the hours that the premises are open for any licensable activity. There must also be someone on the premises, who can download the images and present them immediately on request by a police officer or other responsible authority.

I object to to this application on the grounds that public nuisance objective will not be met.

There are residential properties adjoining and surrounding the business. I do not believe that a late licence would protect the local amenity. The impact of having a late night eating establishment in a location where residential properties have had the quiet solitude of no commercial activities beyond 11pm in the majority of cases would be potentially detrimental.

Further to the business being located next to mixed residential and commercial properties, the majority of the side streets in the locality are purely residential, for example:

- Buckfast Street (37 metres away);
- Barnet Grove (52 metres away);
- Florida Street (62 metres away);
- Roberta Street (89 metres away);
- Squirres Street (117 metres away);
- Turin Street(118 metres away);
- St Matthews Row (121 metres away); and
- Granby Street (130 metres away).

The potential for public nuisance is high. The customers that frequent this fast food establishment after 11pm and up to 2am during the week, 4am during the weekend are likely to have had a night out and be in high spirits. I cannot see how the licensing objective for prevention of public nuisance can be met by the applicant

especially when their customers are off the site and on their way to their next destination. I am not even in acceptance of their Sunday proposal of closing at midnight. This can be highlighted to fact that 255 Bethnal Green Road has planning permission to operate only to the following hours:

Hours - 9am - midnight Monday - Saturday
9am - 11pm Sunday

Further to which, the submission by the applicant to describe the steps to promote the licensing objective of the prevention of public nuisance was only two fold:

1. ALL CUSTOMERS WILL BE ASKED TO LEAVE QUIETLY; &
2. CLEAR AND LEGIBLE NOTICES WILL BE PROMINENTLY DISPLAYED.....

I am keen to seek clarification as to how the applicant believes that his submission will assist in preventing public nuisance. I have attempted to contact the applicant via the agent Jun Simon (ADA Group) alas to no avail.

My objection still stands.

Objection to Premises License, 255 Bethnal Green Road, London, E2 6AH

The Planning Department wishes to object to the granting of a new premises License at 255 Bethnal Green Road on the basis that the opening hours are excessive. Approving these hours will result in a greater degree of noise and disturbance to persons living in the area, later into the night and morning than already being caused by this venue and others in the near vicinity.

We accept that business performs an important function in supporting a night time economy. However, this has to balance against the needs of residents who reasonably expect a level of "quiet" late into the evening. Due to the properties close proximity to residential dwellings the granting of new premises license until 2.00am on Mondays to Thursdays and until 4.00am on Fridays and Saturdays would be detrimental to the amenity of the neighbouring properties.

As an aside from this, the premise only has planning permission to operate as a hot food take-away between the following hours:

- a) Mondays to Saturdays - 09.00am to midnight
- b) Sundays – 09.00am to 11.00pm

Public Nuisance

Reference should be made to the Council's Licensing Policy and the framework hours for the operation of Licensed Premises. It states that more scrutiny should be given to premises operating past midnight on Friday and Saturdays, past 11.30pm on Mondays to Thursdays and past 10.30pm on Sundays. In particular the following points should be taken into consideration.

- The location of the premises and the general character of the area in which the premises are situated. (i.e. does the area include residential or business premises likely to be adversely affected).

- The proposed hours during which licensable activities will be take place and the proposed hours during which customers will be permitted to remain on the premises.
- The adequacy of the applicant's proposals to address the issues of (a) the prevention of crime and disorder and (b) the prevention of public nuisance.
- Where the premises have been previously licensed, the past operation of the premises.
- Whether customers have access to public transport when arriving at or leaving the premises at night time and in the early hours of the morning.
- The proximity of the premises to other licensed premises in the vicinity and the hours of those other premises.

The location of 255 Bethnal Green Road is in an area where residential properties are likely to be adversely affected by noise from patrons leaving the venue.

Conclusion

Planning Enforcement **do not** support the application by 255 Bethnal Green Road to extend their opening hours, as this will cause a serious public nuisance to surrounding residential occupiers far later into the evening and morning than what currently occurs.

The application for a new Premises License hours is unreasonable and will not maintain a balance between commercial activities and residential amenity in an area where this is clearly required.

Appendix 7

Crime and Disorder From Patrons Leaving The Premises

General Advice

Members need to bear in mind that once patrons have left a premises they are no longer under direct control. Members will need to be satisfied that there is a link between the way the premises is operating and the behaviour that is complained of. An example of this would be that irresponsible drinking is being encouraged. Before deciding that any particular licensing conditions are proportionate, Members will also need to be satisfied that other legislation is not a more effective route. For example, if the problem is drinking in the street it may be that the Council should designate the area as a place where alcohol cannot be consumed in public.

Members may also wish to consider whether the hours of opening relate to any problems of anti-social behaviour.

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that other legislation or measures may be more appropriate but also states that licensing laws are “a key aspect of such control and will always be part of an overall approach to the management of the evening and night time economy.” Other controls need to be borne in mind. **(See Section 4.10 and 4.11 of the Licensing Policy).**

- The Licensing Authority will consider attaching conditions to deter crime and disorder and these may include Conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. **(See Appendix 2 Annex D of the Licensing Policy).**

There is also guidance issued around the heading of “public nuisance as follows

The pool of conditions, adopted by the council is recommended (Annexe G). Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods and may address disturbance as customers enter or leave the premises (2.36) but it is essential that conditions are focused on measures within the direct control of the licence holder” (2.38). Conditions relating to behaviour once they are beyond the control of the licence holder cannot be justified. (2.38)

Appendix 8

Noise while the premise is in use

General Advice

If they conclude this is a problem Members should consider whether it is possible to carry out suitable and proportionate noise control measures so that noise leakage is prevented. In addition Members may consider that only certain activities are suitable.

The hours of operation also need to be considered (see below).

If Members believe that there is a substantial problem of noise while the premises are in use and it cannot be proportionately address by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. **(See Sections 8.1 of the Licensing Policy)**.

While all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. **(See Section 12.11)**.

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. **(See Section 8.2 of the Licensing Policy)**.

The Licensing Authority will consider attaching conditions to prevent nuisance and these may include Conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. **(See Appendix 2 Annex D of the Licensing Policy)**. In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a "beer garden", or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly
- Conditions controlling the use of explosives, pyrotechnics and fireworks

- Conditions controlling the placing of refuse
- Conditions controlling noxious smells
- Conditions controlling lighting (this needs to be balanced against potential crime prevention benefits)

Police Powers

Part 8 of the Licensing Act 2003 enables a senior police officer to close down a premises for up to 24 hrs. a premises causing a nuisance resulting from noise emanating from the premises.

Guidance Issued under Section 182 of the Licensing Act 2003

The Licensing Policy has adopted the recommended Pool of Conditions as permitted (13.20 and Annex D).

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community (2.33).

Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.36) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder (2.38).

Other Legislation

The Environmental Protection Act 1990, Part 111 gives Environmental Health Officers the power to deal with statutory nuisances.

The Anti-social Behaviour Act 2003, Sections 40 and 41 give Environmental Health Officers the power of closure up to 24 hours in certain circumstances.

Appendix 9

Access and Egress problems

Such as:

- Disturbance from patrons arriving/leaving the premises on foot
- Disturbance from patrons arriving/leaving the premises by car
- Lack of adequate car parking facilities
- Close proximity to residential properties

Comment

The above have been grouped together as egress problems. Of course the particular facts will be different for each alleged problem.

General Advice

In considering concerns relating to disturbance from egress, Members need to be satisfied that the premises under consideration has been identified as the source of the actual or potential disturbance. If they are satisfied that this is a problem, then proportionate conditions should be considered.

The hours of operation also need to be considered.

If Members believe that there is a substantial problem concerning egress and it cannot be proportionately addressed by licensing conditions, they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. **(See Sections 8.1 of the Licensing Policy)**.

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. **(See Section 8.2 of the Licensing Policy)**.

However, while all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. **(See Section 12.10)**

The Licensing Authority will consider attaching conditions to prevent nuisance and these may include Conditions drawn from the Model Poll of Conditions relating to the prevention of Public Nuisance. **(See Appendix 2 Annex G of the Licensing Policy)**. In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)

- Whether certain parts should close earlier than the rest (for example a “beer garden”, or restricted in their use
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly

Guidance Issued under Section 182 of the Licensing Act 2003

The pool of conditions, adopted by the council is recommended (Annex G). The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community. (2.33).

Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods and may address disturbance as customers enter or leave the premises (2.36) but it is essential that conditions are focused on measures within the direct control of the licence holder” (2.38).

In certain circumstances conditions relating to noise in the immediate vicinity of the premises may also prove necessary to address any disturbance anticipated as customers enter and leave (2.36).

However, it is essential that conditions are focused on measures within the direct control of the licence holder. Conditions relating to behaviour once they are beyond the control of the licence holder cannot be justified. (2.38)

Appendix 10

Planning

An application for a Premises Licence can be made in respect of a premises even where the premises does not have relevant Planning Permission. That application has to be considered and Members can only refuse the application where the application itself does not promote one or more of the Licensing Objectives. Members cannot refuse just because there is no planning permission. Where a Premises Licence is granted and which exceeds what is allowed by the Planning Permission and that Premises then operates in breach of planning then the operator would be liable to enforcement by Planning.

Appendix 11

Licensing Policy relating to hours of trading

All applications have to be considered on their own merits.

The Council has however adopted a set of framework hours as follows

Sunday to Thursday 06 00 hrs to 23 30 hrs

Friday and Saturday 06 00 hrs to midnight

(see 12.8 Of the licensing policy)

In considering the applicability of frame work hours to any particular application regard should be had to the following

- Location
- Proposed hours of regulated activities, and the proposed hours the premises are open to the public
- The adequacy of the applicants proposals to deal with issues of crime and disorder and public nuisance
- Previous history
- Access to public transport
- Proximity to other licensed premises, and their hours

(see 12.8 of the licensing policy)

Subject to any representations to the contrary in individual cases the following premises are not generally considered to contribute to late night anti-social behaviour and will therefore generally have greater freedom

- Theatres
- Cinemas
- Premises with club premises certificates
- Premises licensed for off sales only
