Objection to the Variation of the Premises License for 221 East India Dock Road, London, E14 0ED

The Planning Department wishes to object to the granting of a variation to the premises license at 221 East India Dock Road on the basis that the supply of hot food until 0200 hours every day would cause a public nuisance to residents late at night and into the early hours of the morning. Approving the hours sought would impact on people living in the vicinity of the premises by way of increased noise nuisance from the premise itself and customers coming and going from the area.

We accept that business performs an important function in supporting a night time economy. However, this has to balance against the needs of residents who reasonably expect a level of "quiet" late into the evening. Due to the close proximity of the premise to surrounding residential dwellings, it is considered that the granting of a license to sell hot food until 0200 hours, 7 days a week would be detrimental to the amenity of the neighbouring properties in the late evening and early morning, especially week days and Sunday.

Public Nuisance

Reference should be made to the Council's Licensing Policy and the framework hours for the operation of Licensed Premises. In particular, paragraph 12.7 states that more scrutiny should be given to premises operating past midnight on Friday and Saturdays, past 11.30pm on Mondays to Thursdays and past 10.30pm on Sundays. In particular the following points should be taken into consideration:

- The location of the premises and the general character of the area in which the premises are situated. (i.e. does the area include residential or business premises likely to be adversely affected).
- The proposed hours during which licensable activities will be take place and the proposed hours during which customers will be permitted to remain on the premises.
- The adequacy of the applicant's proposals to address the issues of (a) the prevention of crime and disorder and (b) the prevention of public nuisance.

- Where the premises have been previously licensed, the past operation of the premises.
- Whether customers have access to public transport when arriving at or leaving the premises at night time and in the early hours of the morning.
- The proximity of the premises to other licensed premises in the vicinity and the hours of those other premises.

The location of the premises is in an area where residential properties are likely to be adversely affected by noise from people entering, leaving and loitering around the premises. Inadequate details have been provided by the applicant to explain how these issues will be managed. Further to this, the applicant is proposing to sell hot food until 2am yet has specified a closing time of 1am.

The planning department believes that the hours being applied for are excessive for the area and will set a precedent for the late opening of other premises in the vicinity.

Conclusion

Planning Enforcement **do not** support the application for the variation of the premises license at 221 East India Dock Road as the increased opening hours are likely to cause a public nuisance to surrounding residential occupiers as a result of the late night comings and goings of customers. The 2am closing will not maintain a balance between the rights of residents to a period of peace and quiet late at night and the commercial businesses of the area.

The Planning Department would request that if Members are minded to grant this application that they consider reduced opening hours for the premises such as:

Sun – Thurs 11am – 11.30pm
Fri – Sat 11am to 12.30am

To whom it may concern

I here by email you regarding the above ref: 042170

I strongly object to the proposal of the opening hours of the Real Favors 221 east India dock road.

Loud noise eg (extrator fan)will disturb people while sleeping due to the fan noise,keeping it open till late will attract bad crowed and therefore it will be difficult for residents like me to live there.

Noise while the premise is in use

General Advice

If they conclude this is a problem Members should consider whether it is possible to carry out suitable and proportionate noise control measures so that noise leakage is prevented. In addition Members may consider that only certain activities are suitable.

The hours of operation also need to be considered (see below).

If Members believe that there is a substantial problem of noise while the premises are in use and it cannot be proportionately address by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. (**See Sections 8.1 of the Licensing Policy**).

The policy also recognises that staggered closing can help prevent problems at closure time (**See Section 12.1**).

However, while all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. (**See Section 12.4**).

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. (**See Sections 8.2 of the Licensing Policy**).

The Licensing Authority will consider attaching conditions to prevent nuisance and these may include Conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. (**See Appendix 2 Annex D of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a "beer garden", or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly
- Conditions controlling the use of explosives, pyrotechnics and fireworks

- Conditions controlling the placing of refuse
- Conditions controlling noxious smells
- Conditions controlling lighting (this needs to be balanced against potential crime prevention benefits)

Police Powers

Part 8 of the Licensing Act 2003 enables a senior police officer to close down a premises for up to 24 hrs. a premises causing a nuisance resulting from noise emanating from the premises.

Guidance Issued under Section 182 of the Licensing Act 2003

The Licensing Policy has adopted the recommended Pool of Conditions as permitted (13.20 and Annex D).

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community (2.33).

Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.36) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder (2.38).

Other Legislation

The Environmental Protection Act 1990, Part 111 gives Environmental Health Officers the power to deal with statutory nuisances.

The Anti-social Behaviour Act 2003, Sections 40 and 41 give Environmental Health Officers the power of closure up to 24 hours in certain circumstances.

Appendix 7

Acting As A Magnet Attracting The Young Who Then Engage In Anti-Social Behaviour

General Advice

Members will need to consider whether any of the problems alleged to be associated with young people are the responsibility of the premises. Are they encouraging gangs in any way? If not, there may not be any proportionate conditions that can be applied? Are these patrons of the premises?

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application. However, hours may be an important issue.

Licensing Policy

The policy recognises that other legislation or measures may be more appropriate (in relation to the behaviour of patrons who have left the premises) but also states that licensing laws are “a key aspect of such control and will always be part of an overall approach to the management of the evening and night time economy.” (See **Section 4.10 and 4.11 of the Licensing Policy**).

The Licensing Authority expects the applicant to have addressed all crime and disorder issues relating to the premises in their operating schedule and to have sought appropriate advice. (See **Sections 5.2 of the Licensing Policy**)

The Licensing Authority will consider attaching conditions to deter crime and disorder and these may include Conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. (See **Appendix 2 Annex D of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- CCTV (outside the premises)
- Restrictions on open containers for “off sales”
- Proof of Age scheme
- Crime prevention notices
- Drinks promotions-aimed at stopping irresponsible promotions
- Signage

Cumulative Impact

There is a process by which the Licensing Authority can determine that an area is saturated following representations. However the process for this involves wide consultation and cannot come from representations about a particular application. (See **Section 6 of the Licensing Policy**).

Police Powers

The Licensing Act 2003, Part 8 gives a senior police officer the power to close a premises for up to 24 hours where the officer believes there is, or is likely to be disorder on or in the vicinity and closure is necessary in the interests of public.

Guidance Issued under Section 182 of the Licensing Act 2003

Conditions can be imposed for large capacity "vertical consumption" premises (10.40).

Other Legislation

Crime and Disorder Act 1998

The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder.

Anti-Social Behaviour Act 2003

The Act also introduced a wide range of measures designed to address anti-social behaviour committed by adults and young people. These include:

- Anti-Social Behaviour Orders
- Child Curfew Schemes
- Truancy
- Parenting Orders
- Reparation Orders
- Tackling Racism

Appendix 8

Access and Egress problems

Such as:

- Disturbance from patrons arriving/leaving the premises on foot
- Disturbance from patrons arriving/leaving the premises by car
- Lack of adequate car parking facilities
- Close proximity to residential properties

General Advice

In considering concerns relating to disturbance from egress, Members need to be satisfied that the premises under consideration has been identified as the source of the actual or potential disturbance. If they are satisfied that this is a problem, then proportionate conditions should be considered.

The hours of operation also need to be considered.

If Members believe that there is a substantial problem concerning egress and it cannot be proportionately addressed by licensing conditions, they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. **(See Section 8.1 of the Licensing Policy)**.

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. **(See Section 8.2 of the Licensing Policy)**.

The policy also recognises that staggered closing can help prevent problems at closure time **(See Section 12.10)**.

However, while all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. **(See Section 12.10)**

The Council has adopted a set of framework hours **(See 12.8 of the licensing policy)**. This relates to potential disturbance caused by late night trading.

The Licensing Authority will consider attaching conditions to prevent nuisance and these may include Conditions drawn from the Model Pool of Conditions relating to the prevention of Public Nuisance. **(See Appendix 2 Annex G of the Licensing Policy)**. In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a “beer garden”, or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly

Guidance Issued under Section 182 of the Licensing Act 2003

The pool of conditions, adopted by the council is recommended (Annex G). The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community. (2.33).

Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods and may address disturbance as customers enter or leave the premises (2.36) but it is essential that conditions are focused on measures within the direct control of the licence holder” (2.38).

In certain circumstances conditions relating to noise in the immediate vicinity of the premises may also prove necessary to address any disturbance anticipated as customers enter and leave (2.36).

However, it is essential that conditions are focused on measures within the direct control of the licence holder. Conditions relating to behaviour once they are beyond the control of the licence holder cannot be justified. (2.38)

Planning

An application for a Premises Licence can be made in respect of a premises even where the premises does not have relevant Planning Permission. That application has to be considered and Members can only refuse the application where the application itself does not promote one or more of the Licensing Objectives. Members cannot refuse just because there is no planning permission. Where a Premises Licence is granted and which exceeds what is allowed by the Planning Permission and that Premises then operates in breach of planning then the operator would be liable to enforcement by Planning.

Appendix 10

Licensing Policy relating to hours of trading

All applications have to be considered on their own merits.

The Council has however adopted a set of framework hours as follows:

Sunday to Thursday 06 00 hrs to 23 30 hrs

Friday and Saturday 06 00 hrs to midnight

(see 12.8 Of the licensing policy)

In considering the applicability of frame work hours to any particular application regard should be had to the following

- Location
- Proposed hours of regulated activities, and the proposed hours the premises are open to the public
- The adequacy of the applicants proposals to deal with issues of crime and disorder and public nuisance
- Previous history
- Access to public transport
- Proximity to other licensed premises, and their hours

(see 12.8 of the licensing policy)

Subject to any representations to the contrary in individual cases the following premises are not generally considered to contribute to late night anti-social behaviour and will therefore generally have greater freedom

- Theatres
- Cinemas
- Premises with club premises certificates
- Premises licensed for off sales only
