20 August 2010

Dear Ms Randall

Re: Application to vary a premises licence
Tia's Vine, 113 Globe Road, E1 4LB

I write with reference to the above application, which was received in this office on the 4th August 2010.

Please accept this letter as notification that the police, as a responsible authority, are objecting to this application on the grounds that if granted in full, two out of the four licensing objectives will not be met; namely

Prevention of crime and disorder
Prevention of public nuisance.

The applicant has applied for the sale of alcohol until 3am for the whole week. I believe these hours are excessive and if such a licence is granted, it will become a focal point for people looking for "one last drink". As such it will increase the potential for anti-social behaviour (ASB)

However well trained the staff may be, they would be hard pressed to deal with disorder or ASB.

I recognise the importance of the night time economy to local businesses but consideration should be given to the effects that such a late licence would have on the local residents. By opening until the early hours of the morning, I believe it will disrupt their lives to a considerable extent whether it is by the noise associated with people under the influence of alcohol, its associated ASB or just the fact that more people will be visiting there whether on foot or by car

By applying for such a "late" licence, it goes against the policy of "responsible drinking" As already stated, it will attract people already under the influence of alcohol or "street drinkers" who by their very nature have issues with alcohol. I do not

believe that by requesting to be open until 3am it will benefit the local community but may well result in disorder outside their homes.

Globe Road has a large residential community and although this licence may be of economic benefit to the applicant, it does nothing to serve the local population other than increasing the risk of ASB

I ask the Committee to reject this application.

If however the Committee is to consider granting the variation, I would request they consider the following.

**Supply of alcohol : Sun - Thur 0800 - 2300
Fri - Sat 0800 - midnight**

At present, there are no restrictions on the opening hours. I would like the applicant to consider his opening hours and for it to reflect the sale of alcohol hours.

Conditions requested to be put on the licence

CCTV. I would request he has a camera positioned to view people entering and also one directly outside the premise.

1. Install / maintain CCTV

The CCTV system shall incorporate a recording facility and any recordings shall be retained and stored in a suitable and secure manner for a minimum of 31 days. A system shall be in place to maintain the quality of the recorded image and a complete audit trail maintained. The system will comply with other essential legislation, and all signs as required will be clearly displayed. The system will be maintained and fully operational throughout the hours that the premises are open for any licensable activity. There must also be someone on the premises, who can download the images and present them immediately on request by a police officer or other responsible authority,

2. To adhere to the licensing objectives, the DPS, a Premises Licence Holder or a manager who has written permission, which can be supplied to the police or other responsible authority, to be on the premise from 2000 each day, until the end of their licensable activity.

Objection for a Variation to an Existing Premises License, Tia's Vine, 113 Globe Road, London, E1 4LB

The Planning Department wishes to object to the granting of a variation to an existing premises license at 113 Globe Road, London, E1 4LB on the basis that extending the hours which enables the premise to sell alcohol till 0300 hours, seven days a week, is excessive and would create a greater degree of public nuisance to residents late at night and into the early hours of the morning. Approving the hours sought would impact on people living, working or sleeping in the vicinity of the premises, with the impacts relating to noise nuisance from the premise itself and customer egress, light pollution, and disruption from parked vehicles.

We accept that business performs an important function in supporting a night time economy. However, this has to balance against the needs of residents who reasonably expect a level of "quiet" late into the evening. Due to the close proximity of the premise to surrounding residential dwellings, it is considered that granting a variation to the existing license to extend the hours from which alcohol can be supplied until 0300 hours, 7 days a week, would be detrimental to the amenity of the neighbouring properties in the late evening and early morning, especially on week days Monday to Thursday, and Sunday.

As an aside from this, the premise appears to have an established use under the Town and Country Planning Act 1990 to operate as a shop (Use Class A1) and from a planning perspective, there are no controls over its hours of operation. As such, it is important a license is in place that controls the hours in which the premises can supply alcohol to the general public.

Public Nuisance

Reference should be made to the Council's Licensing Policy and the framework hours for the operation of Licensed Premises. In particular, paragraph 12.7 states that more scrutiny should be given to premises operating past midnight on Friday and Saturdays, past 11.30pm on Mondays to Thursdays and past 10.30pm on Sundays. In particular the following points should be taken into consideration:

- The location of the premises and the general character of the area in which the premises are situated. (i.e. does the area include residential or business premises likely to be adversely affected).
- The proposed hours during which licensable activities will be take place and the proposed hours during which customers will be permitted to remain on the premises.
- The adequacy of the applicant's proposals to address the issues of (a) the prevention of crime and disorder and (b) the prevention of public nuisance.
- Where the premises have been previously licensed, the past operation of the premises.
- Whether customers have access to public transport when arriving at or leaving the premises at night time and in the early hours of the morning.
- The proximity of the premises to other licensed premises in the vicinity and the hours of those other premises.

The location of 113 Globe Road is in an area where residential properties are likely to be adversely affected by noise from people entering, leaving and loitering around the premises, as well as nuisance caused by light pollution and disruption from parked vehicles.

Approving a variation to the existing license to enable the property to supply alcohol till 0300 hours, seven days a week, will cause a public nuisance for people living in the area far later into the night and early hours of the morning, particularly on weekdays (Monday to Thursday) and Sunday.

Conclusion

Planning Enforcement **do not** support the application at 113 Globe Road for a variation to the premises licence to enable the supply of alcohol to 0300 hours, seven days a week, as this will cause public nuisance to surrounding residential occupiers for a longer period of time in the early morning hours than what currently occurs from the premises.

The extension sought to the existing licence till 0300 hours, for seven days a week, is considered unreasonable and will not maintain a fragile balance between commercial activities and residential amenity, where this balance is clearly required.

Re: Tai's Vine 113 Globe Road, E1 4LB

Thank you for your letter dated the 3rd of August 2010.

We write as a collective committee of residents residing at Rickman House. We are not in favour of "Tai's Vine 113 Globe Road, London E1 1LB" being granted a licence to sell alcohol and late night refreshment past 23:00hrs.

The applicant's premises are located directly above Rickman House, which is a residential block of flats. Rickman House is a block of flats consisting of around 16 flats. The majority of the flats are lease holdings with only a minority being council owned. The flats house families with young children.

Tai's Vine on 113 Globe Road, London E1 1BL, is currently open till 23:00hrs selling alcohol and refreshments which in our opinion is already late enough considering that the premises is situated directly on top of residential premises and that it is already a source of anti social behaviour and noise pollution being directly linked to the applicants premises is a cause for serious concern.

The vicinity directly outside the applicant's premises has become a meeting and socialising point for local youth who loiter in gangs here until the premises closes. They are involved in

drug related activities, which is evident from the smell of drugs, which comes through our windows. The youth use the premises to buy refreshments and even alcohol, which further fuels the anti social behaviour and aggravates the whole situation resulting in fights breaking out and drunken and disorderly activity.

We as residents have the right to reside in a safe and peaceful environment and should be able to feel safe in our own homes but at the moment, our standard of life and the lives of our children is being severely compromised and put at risk due to the points raised above.

We believe that the extension of the applicants opening hours will be a nail in the coffin for the safety and security of the residents of Rickman House and will inevitably result in more serious incidents arising in the future, therefore you as the council licensing section have the responsibility to listen to local residents and local information to prevent any serious incidents from arising in the future. You have been notified and will be held responsible if such incidents occur due to the granting of the applicants opening hours.

We hope that the above will be noted and carefully considered before making any decisions. Please find attached a signed petition from the residents of Rickman House, residents of Rickman Street, and those are supporting against this application.

Anti-Social Behaviour From Patrons Leaving The Premises

General Advice

Members need to bear in mind that once patrons have left a premises they are no longer under direct control. Members will need to be satisfied that there is a link between the way the premises is operating and the behaviour that is complained of. An example of this would be that irresponsible drinking is being encouraged. Before deciding that any particular licensing conditions are proportionate, Members will also need to be satisfied that other legislation is not a more effective route. For example, if the problem is drinking in the street it may be that the Council should designate the area as a place where alcohol cannot be consumed in public.

Members may also wish to consider whether the hours of opening relate to any problems of anti-social behaviour.

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that other legislation or measures may be more appropriate but also states that licensing laws are “a key aspect of such control and will always be part of an overall approach to the management of the evening and night time economy.” **(See Section 4.10 and 4.11 of the Licensing Policy).**

The Licensing Authority expects the applicant to have addressed all crime and disorder issues relating to the premises in their operating schedule and to have sought appropriate advice. **(See Sections 5.2 of the Licensing Policy)**

The Licensing Authority will consider attaching conditions to deter crime and disorder and these may include Conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. **(See Appendix 2 Annex D of the Licensing Policy).** In particular Members may wish to consider (this list is not exhaustive):

- Bottle Bans
- Plastic containers
- CCTV (outside the premises)
- Restrictions on open containers for “off sales”
- Proof of Age scheme
- Crime prevention notices
- Drinks promotions-aimed at stopping irresponsible promotions
- Signage

Cumulative Impact

There is a process by which the Licensing Authority can determine that an area is saturated following representations. However, the process for this involves wide consultation and cannot come from representations about a particular application. (**See Section 6 of the Licensing Policy**).

Police Powers

The Licensing Act 2003, Part 8 gives a senior police officer the power to close a premises for up to 24 hours where the officer believes there is, or is likely to be disorder on or in the vicinity and closure is necessary in the interests of public.

Guidance Issued under Section 182 of the Licensing Act 2003.

The pool of conditions, adopted by the council is recommended (13.20).

The key role of the police is acknowledged (2.2).

Conditions attached to licences cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder, but can relate to the immediate vicinity of the premises as they seek entry or leave (2.4).

Conditions are best targeted on deterrence and preventing crime and disorder (S.2.6) communication, police liaison, no glasses are all relevant (s.2.7-2.11).

There is also guidance issued around the heading of "public nuisance as follows

The pool of conditions, adopted by the council is recommended (Annexe D).

Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods and may address disturbance as customers enter or leave the premises (2.36) but it is essential that conditions are focused on measures "within the direct control of the licence holder" (2.38).

Other Legislation

Crime and Disorder Act 1998

The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder.

The Act also introduced a wide range of measures designed to address anti-social behaviour committed by adults and young people. These include:

- Anti-Social Behaviour Orders
- Child Curfew Schemes
- Truancy
- Parenting Orders
- Reparation Orders
- Tackling Racism

Acting As A Magnet Attracting The Young Who Then Engage In Anti-Social Behaviour

General Advice

Members will need to consider whether any of the problems alleged to be associated with young people are the responsibility of the premises. Are they encouraging gangs in any way? If not, there may not be any proportionate conditions that can be applied? Are these patrons of the premises?

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application. However, hours may be an important issue.

Conditions can be imposed for large capacity “vertical consumption” premises (10.40).

Crime and Disorder Act 1998

The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder.

Noise while the premise is in use

General Advice

If they conclude this is a problem Members should consider whether it is possible to carry out suitable and proportionate noise control measures so that noise leakage is prevented. In addition Members may consider that only certain activities are suitable.

The hours of operation also need to be considered (see below).

If Members believe that there is a substantial problem of noise while the premises are in use and it cannot be proportionately address by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. **(See Sections 8.1 of the Licensing Policy)**.

The policy also recognises that staggered closing can help prevent problems at closure time **(See Section 12.1)**.

However, while all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. **(See Section 12.4)**.

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. **(See Sections 8.2 of the Licensing Policy)**.

The Licensing Authority will consider attaching conditions to prevent nuisance and these may include Conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. **(See Appendix 2 Annex D of the Licensing Policy)**. In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a "beer garden", or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).

- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly
- Conditions controlling the use of explosives, pyrotechnics and fireworks
- Conditions controlling the placing of refuse
- Conditions controlling noxious smells
- Conditions controlling lighting (this needs to be balanced against potential crime prevention benefits)

Police Powers

Part 8 of the Licensing Act 2003 enables a senior police officer to close down a premises for up to 24 hrs. a premises causing a nuisance resulting from noise emanating from the premises.

Guidance Issued under Section 182 of the Licensing Act 2003

The Licensing Policy has adopted the recommended Pool of Conditions as permitted (13.20 and Annex D).

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community (2.33).

Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.36) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder (2.38).

Other Legislation

The Environmental Protection Act 1990, Part 111 gives Environmental Health Officers the power to deal with statutory nuisances.

The Anti-social Behaviour Act 2003, Sections 40 and 41 give Environmental Health Officers the power of closure up to 24 hours in certain circumstances.

Appendix 10

Access and Egress problems

Such as:

Disturbance from patrons arriving/leaving the premises on foot

Disturbance from patrons arriving/leaving the premises by car

Lack of adequate car parking facilities

Close proximity to residential properties

General Advice

In considering concerns relating to disturbance from egress, Members need to be satisfied that the premises under consideration has been identified as the source of the actual or potential disturbance. If they are satisfied that this is a problem, then proportionate conditions should be considered.

The hours of operation also need to be considered.

If Members believe that there is a substantial problem concerning egress and it cannot be proportionately addressed by licensing conditions, they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. **(See Section 8.1 of the Licensing Policy)**.

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. **(See Section 8.2 of the Licensing Policy)**.

The policy also recognises that staggered closing can help prevent problems at closure time **(See Section 12.10)**.

However, while all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. **(See Section 12.10)**

The Council has adopted a set of framework hours **(See 12.8 of the licensing policy)**. This relates to potential disturbance caused by late night trading.

The Licensing Authority will consider attaching conditions to prevent nuisance and these may include Conditions drawn from the Model Pool of Conditions relating to the prevention of Public Nuisance. **(See Appendix 2 Annex G of the Licensing Policy)**. In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a “beer garden”, or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly

Guidance Issued under Section 182 of the Licensing Act 2003

The pool of conditions, adopted by the council is recommended (Annex G). The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community. (2.33).

Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods and may address disturbance as customers enter or leave the premises (2.36) but it is essential that conditions are focused on measures within the direct control of the licence holder” (2.38).

In certain circumstances conditions relating to noise in the immediate vicinity of the premises may also prove necessary to address any disturbance anticipated as customers enter and leave (2.36).

However, it is essential that conditions are focused on measures within the direct control of the licence holder. Conditions relating to behaviour once they are beyond the control of the licence holder cannot be justified. (2.38)

Underage drinking or other harm to minors

General Advice

If Members hear evidence that gives them cause for concern in relation to the licensing objective of protecting children from harm, and provided it is proportionate they should consider a licence condition that all under 18 year olds are excluded, and that a registered door supervisor is employed to check the age of all customers. This should be done where the activities to be carried on, previous history or lack of effective management justifies it.

There are also other licensing conditions that may be appropriate, as explained below. This may be appropriate where the premises may have children present and it is not primarily a place for consuming alcohol. For example a restaurant or a Cinema.

Of course, it is not necessary to restate the existing law in relation to any licensing conditions.

Licensing Policy

The policy recognises that children need to be protected (**See Section 9 of the Licensing Policy**).

The Licensing Policy expects applicants to have sought appropriate advice from the Area Child Protection Agency. (**See 9.3**).

The following are examples of premises that will raise concern:

- Where there have been convictions for serving alcohol to minors or with a reputation for underage drinking
 - With a known association with drug taking or dealing
 - Where there is a strong element of gambling on the premises
 - Where entertainment of an adult or sexual nature is provided
 - Where irresponsible drinking is encouraged or permitted
- (**See 9.4**).

The Licensing Authority expects all applicants who are supplying alcohol to have addressed the issues relating to the protection of children from harm, and to have robust measures in place to protect children. (**See Section 9.9**)

The policy expects all licence holders to comply with the Portman Group Code of Practice, and in particular the Retailer Alert Bulletin. (**See Section 9.8**).

The Licensing Authority will consider attaching conditions to protect children and these may include Conditions drawn from the Model Pool of Conditions relating to Protecting Children from Harm. (**See Appendix 2 Annex H of the Licensing Policy**). In particular Members may wish to consider the following: (this list is not exhaustive):

- Restricting access to premises where heavy or binge or underage drinking is a problem
- Restricting access where significant gambling, or adult entertainment is an issue
- There is a general presumption that where the public are allowed on a premises after 11pm children under 12 will not be allowed unaccompanied by an adult (for example a supermarket)-the applicant can however rebut this
- Restrictions may be applied at particular times, for example when adult entertainment takes place or "happy hours"
- Age restrictions that apply to cinema performances
- Age restrictions for theatres where the entertainment is "adult"
- Conditions relating to the safety of children at performances, or as performers-such as venue, fire safety, special effects and dangerous equipment
- The Portman Code relating to the naming, packaging and promotion of alcoholic drinks

Licensing Act 2003 (Part 7)

The Licensing Act 2003 only permits under 16 years olds onto premises exclusively or primarily used for the supply of alcohol when accompanied by adults.

Children under 16 years old must be accompanied by an adult to be present between midnight and 5am on all premises supplying alcohol.

Restaurants may serve wine, beer or cider for consumption to 16-18 year olds with a meal-this is the only significant exception to the prohibition of selling alcohol to minors, and the purchase itself must be by an adult..

The Licensing Act 2003 makes it a criminal offence to serve alcohol to minors (there is however a defence of due diligence). Applicants are always free to exclude minors if they wish to do so.

Other Legislation

The Children (Performances) Regulations 1968 sets out the requirements for protecting child performers

Drug Taking

General Advice

Members need to consider the evidence about the exact nature of the alleged problems. Is it being suggested that the premises are encouraging or turning a blind eye in relation to the problem? Are there proportionate measures that can be expected to address the matter, if Members determine there is a problem?

In particular, should CCTV be extended to cover all of the premises open to the public. Should a minimum number of registered door supervisors be maintained whenever the premises is open. How are drugs that are confiscated being disposed of? What checks are being made in less public areas such as toilets?

The applicant should be instituting measures advised by the Police

If Members believe this is a problem they should certainly insist that minors are not admitted to the premises.

If Members believe that there is a substantial problem of drug abuse and it cannot be proportionately address by licensing conditions they should refuse the application.

Members should also bear in mind other Police powers.

Licensing Policy

The Licensing Authority expects the applicant to have addressed all crime and disorder issues relating to the premises in their operating schedule and to have sought appropriate advice. **(See Sections 5.2 of the Licensing Policy).**

The Licensing Authority will consider attaching conditions to deter crime and disorder and these may include Conditions drawn from the Model Pool of Conditions relating to Crime and Disorder. **(See Appendix 2 Annex D of the Licensing Policy).** In particular Members may wish to consider (this list is not exhaustive):

- Methods of management communication
- Use of registered Door Supervisors
- CCTV
- Capacity
- Proof of Age scheme
- Crime prevention notices
- Signage
- Seating plans

If Members believe that there is a substantial problem of drug-taking and it cannot be proportionately addressed by licensing conditions, they should refuse the application.

Guidance Issued under Section 182 of the Licensing Act 2003

The government recommends the model pool of conditions adopted by the licensing policy in relation to club safety (Annex E), and the multi-agency approach to “safer clubbing.”

Other Legislation

Anti-Social Behaviour Order Act 2003

This gives the Police the power to close premises where there is the supply of class A drugs and serious nuisance or disorder.

Crime and Disorder Act 1998

The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder.

Planning

An application for a Premises Licence can be made in respect of a premises even where the premises does not have relevant Planning Permission. That application has to be considered and Members can only refuse the application where the application itself does not promote one or more of the Licensing Objectives. Members cannot refuse just because there is no planning permission. Where a Premises Licence is granted and which exceeds what is allowed by the Planning Permission and that Premises then operates in breach of planning then the operator would be liable to enforcement by Planning.

Licensing Policy relating to hours of trading

All applications have to be considered on their own merits.

The Council has however adopted a set of framework hours as follows:

Sunday to Thursday 06 00 hrs to 23 30 hrs

Friday and Saturday 06 00 hrs to midnight

(see 12.8 Of the licensing policy)

In considering the applicability of frame work hours to any particular application regard should be had to the following

- Location
 - Proposed hours of regulated activities, and the proposed hours the premises are open to the public
 - The adequacy of the applicants proposals to deal with issues of crime and disorder and public nuisance
 - Previous history
 - Access to public transport
 - Proximity to other licensed premises, and their hours
- (see 12.8 of the licensing policy)

Subject to any representations to the contrary in individual cases the following premises are not generally considered to contribute to late night anti-social behaviour and will therefore generally have greater freedom

- Theatres
- Cinemas
- Premises with club premises certificates
- Premises licensed for off sales only
