No alternative suitable locations were found.</p> <p>These are the reasons that a direct award is being considered for Tabard Court; Commercial Road; and Coventry Road.</p> <p>This decision has been considered according to our standard processes at the Integrated Commissioning Programme Board, Health, Adults and Community Directorate Leadership Team and Corporate Leadership Team (CLT).</p> <p>For the sites of Huddleston Close, Teresa House and Hamlets Way, and Cannon Street Road a direct award has not been considered as these sites have separate housing and support managed through a partnership arrangement. This enables an open procurement to take place for the support only, as it is not integrated with the accommodation. For these sites the decision to procure has been considered at the Integrated Commissioning Programme Board, CLT, Procurement Review Panel and Cabinet through the Contracts Forward Plan.</p>
