Summary

At its meeting on 27 October 2021, the Cabinet considered the report on the Cumulative Impact Assessment Policy 2021-24. This report was considered under the Budget and Policy Framework.

Following discussion, the Cabinet agreed to forward the report to Council for decision. The report and its appendices are attached to this cover sheet.

As part of the Budget and Policy Framework process, the Cabinet also considered the response of the Overview and Scrutiny Committee (OSC). The comments of the OSC are also appended to this cover sheet.

Recommendations:

The Council is recommended to:

1. Consider the evidence and statutory consultation returns and retain both CIAs in Brick Lane and Bethnal Green.
2. To consider and agree the reviewed CIA Policy Statement, which has been reviewed in light of the consultation. The Policy Statement can be found in Appendix One to the main report, however Council should note paragraph 9.10 of the policy which states:

“If there are no representations, the licensing authority must grant the application in terms that are consistent with the operating schedule submitted in line with their delegated authority.”

3. That the proposed CIAs, as part of the Statement of Licensing Policy, will take effect from 18th November 2021 for three years unless, within that time, they are reviewed and the Council is of the opinion that they are no longer necessary.
